

MY HIDDEN 1441

Chapter 1441 Love Show

Although the two of them did not like each other, they still helped to install the safety gates.

The two of them put up the gates and Fu Shiqin tried the child lock.

“Done.”

Seeing Gu Weiwei putting the two children to sleep, Fu Hanzheng said calmly, “You can go home now.”

“Oh yes, I have some private matters to deal with tomorrow afternoon, so I won’t be at the company,” Fu Shiqin said to his brother as he was packing away the toolbox.

“A private matter? Why don’t you work hard as a single man and contribute to the company? What can’t you be at the company for?” Fu Shiyi sounded very proud and superior.

Fu Shiqin glared at him and said, “None of your business, I will ask for leave tomorrow afternoon.”

Tomorrow afternoon, he was going to meet Ling Jiao, the partner he was supposed to work with, so that they could show off their love. “Okay,” Fu Hanzheng answered briefly, allowing him to ask for leave tomorrow afternoon.

Fu Shiqin left the files behind. “These are some files you need to go through, I need to go home and rest.”

Having said these words, he grabbed his coat and left.

When he returned to He Chi’s villa, he grabbed his pajamas and was about to wash up. However, the moment he entered the bathroom and saw the fish in the bathtub, he became very annoyed.

“Fu Shiyi!”

Fu Shiyi glanced at the bathroom. “There is a bathroom upstairs, go and take a shower there.”

“Then why are you not keeping the fish upstairs?” Fu Shiqin gritted his teeth.

“The kitchen is not upstairs, it is not convenient to take them upstairs.” Fu Shiyi argued.

Fu Shiqin gritted his teeth. “Can’t you... freeze them in the freezer?”

“No, the fish must be freshly killed, otherwise it won’t taste good,” Fu Shiyi said.

Fu Shiqin snorted. “No one would dare to eat it, if you dare to cook it.”

“That is not true! Dongdong said that she is looking forward to it, so she must eat the food I make when she comes home.” Fu Shiyi snorted proudly.

Gritting his teeth, Fu Shiqin went upstairs to take a shower in the bathroom on the second floor.

Alright, I will let you show off now, but when I make my move, I will see if you can still show

off.

Early the following morning, he saw Fu Shiyi in the kitchen the moment he woke up.

Also, he carried a plate of freshly-made Mandarin Fish.

“Second Brother, this is a free breakfast for you, okay?” “Who eats fish for breakfast?” Fu Shiyi snorted.

“I got up before dawn to make this fish, will you die if you just give it a try?” Fu Shiyi said as he gave him the chopsticks.

Fu Shiqin looked serious. “Yes.”

Having said these words, Fu Shiqin went straight to villa seven for breakfast.

Fu Shiyi looked at the fish he made, summoned up his courage and took it over.

“Sister-in-law, try my fish?”

Gu Weiwei knew that he had been studying the culinary skills of fish these past two days. Although it was not as good as a restaurant, it still looked passable.

So she took a bite and showed a subtle expression.

“Third Master, good luck, keep working hard.”

Having said these words, she took the cup and drank a large mouthful of water.

Fu Hanzheng glanced at it. “Who asked you to bring it here?”

“I got up before dawn, please, brother.” Fu Shiyi showed a flattering smile.

Fu Hanzheng pushed the plate of fish back to Fu Shiyi and said coldly, “You eat it all.”

Fu Shiqin smiled gloatingly. Who gave him the courage to bring the fish to his sister-in-law?

But now, Fu Shiyi had forced his sister-in-law to take a bite and his brother had given him back the plate. He must have failed in showing off his love.

“Brother, please.” Fu Shiyi could not laugh any more.

He had been trying to cook for the past two days and he had almost vomited. How could he eat this plate?

Chapter 1442 Love Show

“You can choose not to eat it, but there are other consequences...” Fu Hanzheng sounded lethal.

But before he finished the words, Fu Shiyi had already picked up the chopsticks.

“Mmm, my favorite.” Based on his understanding of his brother, other consequences were far more terrifying than eating this fish.

He had thought that he and sister-in-law had children because they wanted to be kind parents, but they turned out to be equally cruel.

Seeing Fu Shiyi's bitter expression, Fu Shiqin happily ate another bowl of porridge.

He finished his work at the company in the morning, greeted Xu Qian and left. The moment he got into the car, he called Ling Jiao.

"Are you free later?"

"Yes," Ling Jiao answered straightforwardly.

She was not able to get any roles now, so she had a lot of spare time. "We will meet at the Spyker Hotel in an hour," Fu Shiqin said. Their collaboration must not be discovered by his brother and Fu Shiyi, so they had to be very careful.

The Spyker Hotel was his property and it was very safe for them to talk there.

"Okay, I will be there in a minute." Ling Jiao agreed without hesitation.

One hour later, they both arrived at the hotel within a few minutes.

There happened to be a restaurant, so Fu Shiqin asked for a private room in the restaurant and they talked as they ate.

Fu Shiyi gave her the files he had brought with him. "Here, these are the collaboration details, modify them if you have any objections."

Ling Jiao put down the chopsticks and read every clause carefully.

"Party B is going to cooperate with Party A to behave like a couple in front of people. What are the details of behaving like a couple?"

"Let's go on dates, hold hands, wear couples' outfits and meet some people," Fu Shiqin said.

"Everything except kissing and s*x." Ling Jiao suggested. Fu Shiqin frowned and thought for a while. "We can exclude s*x, but kissing... might be necessary."

"Second Master Fu, if that is the case, I will not do it." Ling Jiao expressed.

If they were just holding hands on a date and dressed in couples' outfits, she could just play along. But kissing was something she could not accept. Fu Shiqin frowned. Kissing was a special thing couples did and they had to do it, otherwise they would not look like a couple.

"Well... don't you have kissing scenes when you are filming? I can pay you for each scene."

Ling Jiao hesitated for a while. "Then what is Second Master's offer?"

That was true. They were just acting with each other, so they could just kiss.

Fu Shiqin thought for a while and said, "If we kiss, each peck costs ten thousand yuan and each long kiss costs fifty thousand yuan. If it is a French kiss, then that is another thing..."

"French? I don't think so." Ling Jiao interrupted him awkwardly.

Since it was just for show, there was no need to go so far.

“Okay, also if you meet my family, I will pay you too,” Fu Shiqin said.

“You still want me to see your family?” Ling Jiao asked.

Wasn’t it just for Fu Shiyi to see? She did not need to see anyone else from the Fu Family.

“If necessary, we might still need to meet. Any other requests?” Fu Shiqin asked. Ling Jiao thought for a while and said, “Second Master Fu, do you mind if the media finds out about us through a rumor?”

“I don’t mind, just do whatever you want,” Fu Shiqin said.

Ling Jiao nodded and stretched out her hand.

“Then, Second Master Fu, happy collaboration.”

Chapter 1443 A Cup

Fu Shiqin shook hands and reminded her.

“Since we are a couple, shouldn’t we change the way we address each other?”

Ling Jiao thought for a while with a frown and said “Shiqin?”

“Still a bit distant.” Fu Shiqin expressed.

Ling Jiao frowned deeply. “Qinqin?” Fu Shiqin nodded in satisfaction. “Just this one, it’s so intimate and flirty.”

1111

Ling Jiao’s lips trembled. She was already feeling so flirty.

“From now on, I will call you Jiaojiao and you will call me Qinqin,” Fu Shiqin said.

Ling Jiao laughed dryly and got goosebumps.

“I hope that you can spare some time these days. We need to have a date every day to cultivate our rapport,” Fu Shiqin said.

“I don’t have any work to do, so I have plenty of time,” Ling Jiao said. Fu Shiqin checked the time and said, “I asked for leave this afternoon, where shall we go on a date?”

Ling Jiao thought for a long time and said, “If you are not afraid of crowds, let’s go to the amusement park?”

“Sure.” Fu Shiqin agreed.

They ate together and then drove to the amusement park, the roller coaster, the jump plane, the ferris wheel and the pirate ship. They went on all the exciting rides together.

Although Ling Jiao was an actress, she had not appeared in public for three years, so no one recognized her even after they spent the entire afternoon at the amusement park.

After they finished playing at the amusement park, they found a place to eat and Fu Shiqin suddenly asked, “Can you cook?”

“Yes, most of the time, I cook for myself,” Ling Jiao said.

“Great, we must show them what we can do when we have the chance.” The more Fu Shiqin thought about it, the more he felt that this partner was very suitable.

Fu Shiyi, just you wait!

“Oh yes.” Ling Jiao put down the things she had bought at the souvenir store and said, “Here, this is for you.”

Fu Shiqin opened the gift and found that it was a very lovely cup with the picture of a mouse printed on it.

“So childish, I don’t want it.”

Ling Jiao pointed at the other bag and said, “Couple style.”

Fu Shiqin’s eyes lit up and said, “Take it out and let’s take a picture.”

Ling Jiao put the two cups together. One was blue with Mi Qi[1] and the other pink with Mi Ni[2].

Fu Shiqin took a picture of the two cups and posted it on Moments.

[If you give me a cup, I will drink from it with you forever.]

Within five minutes after he posted the post, Fu Shiyi, who was at home killing fish, made a phone call.

“Second Brother, who gave you the cup? We have been together for a lifetime, why did you buy us the couple cups when you are single?”

“I wanted to,” Fu Shiqin said and hung up happily.

He just could not stand it. He had not even started to show off yet.

Ling Jiao did not know whether to laugh or cry. She put the cup back into the box. The relationship between these two brothers was so special. “Second Master Fu, is it really worth the effort just to show off?”

Anyway, in her eyes, this was just a stupid move.

“Why not?” Fu Shiqin could not help but feel annoyed when he thought of how he had been filled with love. “My brother and sister-in-law are showing off their love to me, and Fu Shiyi is showing off his love to me when he is in a relationship. Do you know how badly I have been mistreated?”

Therefore, he had to show off everything he had in order to appease the hatred in his heart.

Chapter 1444 Love

Ling Jiao laughed dryly. She still could not understand what revenge was needed.

Forget it, she had already signed the contract. No matter how stupid this scene was, she still had to pretend to be a couple with him.

Fu Shiqin hung up, but Fu Shiyi kept calling him.

But Fu Shiqin did not answer the calls and even switched off his phone.

They ate dinner and walked out of the dining room, when Fu Shiqin said, "Let's go, I will drive you home."

"No thanks, it is not far, I can just get a taxi." Ling Jiao turned him down politely.

Fu Shiqin opened the car door. "I may be a fake boyfriend, but I am still a gentleman."

Ling Jiao thought for a while, got into the car and then said, "Any plans for tomorrow?"

orro

10

Fu Shiqin thought for a while and said, "Go to your company tomorrow afternoon, and I will pick you up for lunch and we can meet President Wang."

Ling Jiao threw a surprised look at him. "Second Master Fu, you don't have to do anything about it. As long as the rumor comes out, I will use it to handle them."

"If you have time to waste on them, why don't you think of ways to show off your love to me?" Fu Shiqin said.

"...Alright." Ling Jiao agreed helplessly.

If Fu Shiqin showed up at her company, he would be announcing their relationship to the public. Her entertainment company would not make things difficult for her because of the Fu Family.

"I will inform you tomorrow after the meeting," Fu Shiqin said.

"Okay." Ling Jiao nodded.

Fu Shiqin saw Ling Jiao off and went home with the cute cartoon cup.

The moment they entered the house, Fu Shiyi approached him curiously.

"Second Brother, what is the meaning of your Moments post today?" "Nothing," Fu Shiqin said as he took out his cup. Then he washed it and made some tea.

Fu Shiyi threw a look at the Mi Qi cup and then at the man in a suit.

"Where did you buy this cup from?"

At that time, the picture was of a blue one and a pink one.

Second Brother only had one blue one, so where was the pink one?

"Someone else bought it."

Fu Shiqin looked down at his cup and smiled mysteriously. "It must have been delivered by the collaborator of Fu's Enterprise." Fu Shiyi snorted.

With her daughter in arms, Gu Weiwei said with a smile, "It must have been a girl's present. Didn't you see the arm in the picture? It must have been a girl."

Fu Shiqin neither admitted nor denied it. He smiled mysteriously.

“Impossible, he was with a girl?” Fu Shiyi just could not believe it.

“That is impossible.”

Fu Shiqin did not argue. His brother would have nothing to say when he revealed her in a few days.

“If it is not from a woman, why did you post it on Moments? You envy me for showing off my love, so you are pretending to have a girlfriend too?” Fu Shiyi snorted.

“Envious of you? In your dreams,” Fu Shiqin rolled his eyes at him and said.

Fu Shiyi texted on his phone and smiled proudly.

“Dongdong will be home in a few days. Bring your bowl of popcorn and get ready for the love scenes.”

It felt so good to be in a relationship and it felt even better to show off their love. Fu Shiqin snorted with a faint smile. He brought Ding Dongdong, but he would bring Ling Jiao here to show off too. Let’s see who is better.

Chapter 1445 Believe Me?

Fu Shiyi just could not believe that his second brother had a woman.

But Gu Weiwei looked at the cup in his hands with interest.

If her instinct was right, Fu Shiqin must have been with a girl.

After all, no man would buy such things as couples’ cups.

Since Fu Shiqin did not say anything, so she did not ask.

Fu Shiqin had been playing with the two children for more than an hour and when they were done bathing and resting, he and Fu Shiyi returned to He Chi’s place.

Seeing Fu Shiqin coming back with such a cute cup, He Chi looked as if he had seen a ghost. “Second Brother, what is wrong with you?”

Second Brother had never liked such cute things. “You are the one that had something wrong with them.” Fu Shiqin carried the cup back to his room mysteriously.

He Chi glanced at Fu Shiyi. “Is your second brother in a relationship?”

“Does anyone want to date him?” Fu Shiyi raised his eyebrows and snorted. “If so, something is wrong.”

“No, he looks like he has a woman.” He Chi analyzed as he touched his chin.

“If he is flirting with girls, I will eat your slippers!” Fu Shiyi promised.

“Don’t be so dumb. If it is true, are you sure you want to eat them?” He Chi looked down at his old slippers.

Although he was curious about Second Brother’s post, he did not want to gossip and went to bed early because of the operation he had scheduled the following morning.

Fu Shiqin washed and went to bed early too. The following day, he went to the company for some important meetings and asked his brother for leave.

Then he drove straight to Dingsheng Entertainment, which Ling Jiao was signed under.

Although he had never been here before, the staff at the front desk soon recognized him.

But she recognized him as Fu Shiyi.

“Third Master Fu, please come over...”

“Who is the Third Master? Open your eyes and see clearly, I am not him,” Fu Shiqin said impatiently.

Startled, the receptionist realized what was going on.

“Oh, it is Second Master. Sorry, we were blind.”

Everyone knew that apart from Fu Hanzheng, the Fu Family also had twin brothers.

However, Fu Shiqin was more famous in the entertainment industry and Second Master was working at Fu’s Enterprise; they looked too much alike, so it was easy for people to mistake him for Fu Shiyi.

“I am here for someone,” Fu Shiqin said.

“Who is Second Master looking for? Do you have an appointment?”

“Do I need an appointment?” Fu Shiqin asked in amusement.

The manager came over, smiled, and said, “Sorry, the newcomer doesn’t know the rules. Who would you like to meet, Second Master? I can bring you to them.”

The top managers of the company tried their best to meet this Second Master and Master Fu, but they had not met for years.

Now that he was at the company, there was no reason for him to make an appointment.

“No thanks, I can go over myself.” Fu Shiqin waved his hands and walked towards the elevator.

The moment he left, the manager lectured his subordinates.

“The Fu Family came here showing favour to everyone and yet you are asking if he has an appointment? Do you not want your job anymore?”

Fu Shiqin took the elevator and went straight to the 14th floor where Ling Jiao was.

In the meeting room, Ling Jiao was being scolded by her agent and the Artist Director.

“Ling Jiao, your contract has not expired and yet you refuse to obey the company’s arrangements. What do you want?”

“If you want to be in this industry, stop pretending to be noble. How can you get any resources without paying for them?”

“President Wang said that he will give you one more chance. If you can make him happy, you will get the first female lead role.”

Chapter 1446 Fu Shiqin

This kind of conversation has gone on numerous times over the past three years. So Ling Jiao was too lazy to be annoyed. "If that is the case, you can give the position of lead actress to whoever you want."

u ca

That man surnamed Wang had done something to her that year and gotten beaten up by her, but he still did not give up. He even wanted to use his position in the company to force her to obey him.

"Ling Jiao, don't be so shameless. If you offend President Wang, you will never be able to get any film resources."

"I have offended him several times already, so I might as well offend him one more time," Ling Jiao said calmly.

The Artist Director gritted his teeth and made a call.

"President Wang, Ling Jiao... Will not accept your kindness."

Soon after the call ended, the door of the meeting room was opened and a plump middle-aged man with thin hair came in.

Ling Jiao's agent and the Artist Director stood up and greeted him. "President Wang, what are you doing here?"

"Of course I have to visit such a stubborn woman myself." President Wang sized up Ling Jiao with a faint smile. She was indeed a natural beauty.

He had fallen for her three years ago but she had turned him down.

After three years, she had become increasingly beautiful.

Ling Jiao threw a cold look at him and didn't greet him.

"If there is nothing else, can I leave now? I have a date with my boyfriend."

"Boyfriend?" President Wang snorted in amusement and sneered. "I gave you such a good offer but you turned it down. What are you thinking, looking for a pretty boy outside?"

"Exactly that." Ling Jiao chuckled. Fu Shiqin might not be in the entertainment industry, but he was definitely as good-looking as his brother Fu Shiyi.

But he had a very different temperament. Fu Shiyi was intractable, whilst Fu Shiqin was introverted and a bit... dumb.

"Can you eat because of beauty?" President Wang sneered and said with a high and mighty tone, "You are already in financial trouble. If you don't get any work, you won't even be able to afford your apartment. Are you sure you can live with a poor pretty boy?"

Ling Jiao sneered. "Of course."

“Ling Jiao, don’t be so stubborn. I am giving you a chance right now, and if you miss it, you will never get it again.” President Wang smiled meaningfully.

Men all had the desire to conquer. The more they could not get something, the more they wanted it.

That was how he felt about Ling Jiao.

Also, the girl had never been with anyone else, so she looked very innocent. Compared to those experienced women, she looked more appetizing

“I better not take this opportunity, my boyfriend will be displeased.” Ling Jiao turned him down without hesitation.

“Your boyfriend?” President Wang snorted and said, “Ling Jiao, don’t refuse a toast only to be forced to drink a forfeit. I am not happy about it. You and your pretty boyfriend are not having a good time, do you believe that I will be unable to make you leave the capital?”

els

After these words were said, the door of the meeting room was opened from the outside.

A young man in a navy business suit leaned against the doorframe and asked with a smile, “Who is President Wang trying to make leave the capital?”

“Third Master Fu?”

Maybe because Fu Shiyi was more famous, Fu Shiqin was once again mistaken as Fu Shiyi.

“Do you have bad eyesight? I am Fu Shiyi’s brother!” Fu Shiqin said as he walked in and sat down next to Ling Jiao. “Second... Second Master?” President Wang was shocked and frightened. “What is Second Master doing here at Dingsheng?” Not only were they shocked because a member of the Fu Family had come in, but they were also frightened because Second Master was sitting next to Ling Jiao, like they were in a special relationship.

Chapter 1447 Fu Shiqin 2

“I am picking up my girlfriend to take her to dinner,” Fu Shiqin said and looked at Ling Jiao. “What do you want to eat later?”

“Thai food,” Ling Jiao said casually.

They were just talking when President Wang and the Artist Director turned pale. Second Master’s girlfriend was Ling Jiao?

Even they could not get close to the Fu Family, so how did she get involved with Fu Shiqin, the Second Master of the Fu Family?

Compared to Third Master Fu who was in the entertainment industry, Second Master Fu was Fu Hanzheng’s right-hand man and he had real power in the Fu Family.

The agent whispered, while Fu Shiqin and Ling Jiao were discussing where to eat, “I brought Ling Jiao to a banquet the day before yesterday and Second Master was there too, but they did not have much

contact.” So the only chance Ling Jiao had to meet Second Master Fu was at the banquet the other night.

But she was there too and Second Master did not have any contact with her. They were even sitting near each other and they did not say a word.

How did Second Master Fu become her boyfriend within two days?

If Second Master Fu had not come to Dingsheng and flirted with Ling Jiao right in front of their eyes, they would never have believed it.

The agent thought of how they had just threatened Ling Jiao and could not help but feel frightened.

After all, those of Fu’s Enterprise should not be offended.

But they had offended Second Master.

The Artist Director and President Wang had just called him a pretty boy, and Second Master Fu must have heard it from outside.

“Oh yes, President Wang was saying that he is not going to allow someone to stay in the capital, who is that?” Fu Shiqin asked with a faint smile.

“No one, no one.” President Wang laughed dryly.

He could do whatever he wanted at the peak of his career, but in front of the Fu Family, he was not even fit to carry their shoes.

If Second Master knew about this, his good days would come to an end.

He kept blinking at Ling Jiao with a begging look, totally different from his arrogant expression a minute ago.

The Artist Director and the agent were in the same boat as him, so they would not say anything. The only person who could say something was Ling Jiao.

However, Ling Jiao was not going to let him have his way. She chuckled.

“President Wang said that my pretty boy boyfriend and I can’t stay in the capital any longer.”

“Oh?” Fu Shiqin glanced at the three people opposite him and asked, “I am a pretty boy?”

“I didn’t say anything, they did.” Ling Jiao pointed at President Wang and the other two.

Fu Shiqin smiled coldly as he sized up the three people opposite him.

“I wonder how President Wang is going to make me, this pretty boy, unable to stay in the capital?”

“Second Master, it is a misunderstanding, a misunderstanding, I apologize.” President Wang lowered his head and admitted his mistake.

If he had known that Ling Jiao had hooked up with him, he would never have dared to say such a thing

If it had been anyone else, he would have made them unable to stay in the capital.

But this was a member of the Fu Family, and he was afraid that he would not be able to stay in the capital for long.

“A misunderstanding?” Fu Shiqin asked Ling Jiao.

“I am not sure. President Wang said that he likes me very much and wants me to get rid of you and be with him. He also said that he will give me the lead actress position in a blockbuster movie,” Ling Jiao said lightly, ignoring the fact that the three people were sweating and looking very pale.

“President Wang, you are trying to poach my girlfriend and cursing me. That is too much.” Fu Shiqin sounded cold.

President Wang and the other two shivered. Ling Jiao had been silent for three years, why was she suddenly with Second Master Fu? This man came to the company at this hour and heard them slander him.

The three of them felt that they were doomed.

Chapter 1448 Fu Shiqin 3

President Wang wiped off the cold sweat on his forehead and explained nervously.

“Second Master Fu, I was rude just now, please forgive me.”

“Even if I don’t care that you said that I am a pretty boy, I can’t ignore you trying to sleep with my girlfriend,” Fu Shiqin said with a low voice.

President Wang broke out in cold sweat again. “Second Master Fu, it is a misunderstanding. I just said it, and it’s not as if I’ve done anything to her.”

“If I had not come here today, what would you have done to her though?” Fu Shiqin was used to arguing with Fu Shiyi and He Chi, and he never lost to anyone. “Nothing at all, it is just a misunderstanding, please don’t take it to heart.” President Wang explained with a frown.

Fu Shiqin checked the time and said coldly, “You three... are you going to find a reason to quit or should I ask you to resign myself?”

“Resign?” President Wang was startled.

“Are you going to stay here and bully my girlfriend?” Fu Shiqin countered.

President Wang’s legs shook and he begged Fu Shiqin.

“Second Master Fu, this will never happen again, but... it is a bit too much to resign.” It was just a few words that had irritated him and yet he was being asked to resign from his position at the peak of his career in the country. That was too much.

“Second Master Fu, our work is an internal matter of Dingsheng Enterprise, you have no right to decide.” The Artist Director protested.

The Fu Family was wealthy, but they were not a company under Fu’s Enterprise, so he had no right to interfere with their company affairs.

Fu Shiqin sneered, stood up and said, "I don't have the power, but I can talk with your chairman and see if he has the power.

But in this way... you will no longer be able to establish yourselves in the capital."

"Second Master Fu!" President Wang stopped him and said unwillingly, "I will submit my resignation letter to the company within three days." If he really went to meet the chairman, neither the chairman nor the board of directors would offend Second Master Fu just to protect him. Then he would definitely be driven out of the company. Also, he would have a hard time in the capital.

Apart from the shares in Dingsheng, he had other properties in the capital. If Second Master Fu was determined to make him unable to stay in the capital, the loss would be unimaginable.

He was a wise man who understood the times. He should resign of his own accord. At least that way he could make a fortune by transferring the shares and he could continue to stay in the capital. He would not suffer too much.

"President Wang!" The Artist Director had not expected that he would bow down so quickly.

"Since President Wang is so understanding, I will not meet your chairman." Fu Shiqin took hold of Ling Jiao's shoulders and said, "We are going out to eat, you can do whatever you want."

Seeing them leaving the meeting room, President Wang felt his blood pressure rising and he almost ended up being sent to the hospital.

Ling Jiao whispered as they entered the elevator, "Are you really going to drive them out of the company?" "Trust me, I can definitely kick them out of the company," Fu Shiqin said proudly. "That is not what I meant, but... Will you not be in trouble?" Ling Jiao asked.

After all, they were just in a cooperative relationship and she did not want to take advantage of him.

"Why would I be in trouble? Unless they have the guts to mess with me." Fu Shiqin snorted.

Apart from his brother and sister-in-law, he had never been afraid of anyone in Hua Land.

"True."

Ling Jiao did not ask anything more. Since the three of them had left the company, if she didn't see them she didn't have to think about them.

Chapter 1449 Fu Shiqin 4

After leaving Dingsheng Entertainment, Fu Shiqin drove her to a Thai restaurant that he knew about.

The dishes had just been served when Xu Qian called.

"Second Master, something is wrong with the plan, Boss asked you to come home."

"I am eating out, you have to let us eat." Fu Shiqin snapped. "I have already informed you, so hurry up." Xu Qian hung up without saying anything more.

Ling Jiao threw a look at him. "If you are busy with work, you can go home early. I can go home after eating."

“No hurry, we still need to eat.” Fu Shiqin picked up the chopsticks and said as he ate, “In order not to reveal any flaws, we need to find out what we both like and hate.”

Having heard his words, Ling Jiao sent a file to his phone.

“I thought of that too. I made a list last night, so you just need to take a look.”

Fu Shiqin clicked open the file and nodded.

“When I am done, I will make a list of my own and send it to you.”

“Okay,” Ling Jiao replied.

“Oh yes, there is an important banquet the day after tomorrow, come with me,” Fu Shiqin said.

Ling Jiao frowned but still agreed.

“Okay, I will make sure I’m ready.”

After they ate, Fu Shiqin drove her home.

“Oh yes, do you know how to drive?”

“Yes, I have had my driver’s license for years, but I sold my car last year,” Ling Jiao said honestly.

Hearing her words, Fu Shiqin drove over to a car dealership and gave her a card.

“Sometimes, it will not be very convenient for me to pick you up. Pick a car for yourself.”

“I can take a taxi, there’s no need.” Ling Jiao turned him down.

They were not a real couple, they were just cooperating with each other. She felt bad accepting such an expensive thing. “If you, my girlfriend, are going on a date with me and you need to take a taxi, I will be so embarrassed if this gets out.” Fu Shiqin stuffed the card into her hands and said, “It is not owned by you, you are just borrowing it from me, so that you can drive around.

After you buy the car, go to the mall and buy some clothes and accessories. Not only will I need you to accompany me at the banquet the day after tomorrow, I will also need you to accompany me to other events in the future.”

“Alright.” Ling Jiao did not turn him down.

She should not wear cheap clothes to the banquet or other occasions where she would meet people Fu Shiqin knows.

But she did not have the money to buy these things right now.

At most, she could just pay him back after the collaboration ended. “Oh yes, you better pick out a birthday present.” Fu Shiqin stressed. “Isn’t your birthday months away?” Ling Jiao asked.

They had exchanged information and she was sure that it would not be his birthday next week.

“It is not for me, it is for my sister-in-law. It is my sister-in-law’s birthday next week and she does not like any of the presents Fu Shiyi and I have given her before. You are a girl who understands how women think, so pick one...”

“Your sister-in-law?” Ling Jiao raised his eyebrows in astonishment.

She had heard him mention his brother and sister-in-law several times, but she had never heard of Fu Hanzheng getting married.

“You will know when you meet her. Don’t buy jewelry, my brother gives her diamonds and jewels all the time. It is boring, so just pick something valuable and meaningful,” Fu Shiqin said.

“...” Ling Jiao was speechless. That sounded like picking a gift was going to be rather annoying.

Fu Shiqin checked the time and turned on the engine.

“Buy the car and then go shopping. Wait for me at Fu’s Enterprise.”

“...Okay.” Ling Jiao agreed.

Chapter 1450 Dad!

At villa seven.

Fu Shiyi finished his work in the afternoon and returned home, where he kept watching the video tutorial of how to make mandarin fish.

He was just reading, when a notification flashed across the screen.

(Second Master of the Fu Family has lunch with a pretty girl and spends a fortune on a luxurious car just to make her smile!]

Seeing ‘Second Master of the Fu Family’, he wondered if it was news about Fu Shiqin, so he clicked on it.

Then he saw the report saying that Fu Shiqin had brought a pretty girl to a Thai restaurant for lunch and even went to a car dealership to buy a car for the pretty girl.

The picture attached to the article was not very clear. It could be seen that the man was Fu Shiqin, but the woman’s facial features were too blurry to be seen clearly because her face was covered in mosaics.

“Damn, these media companies are so unprofessional. They should take a clearer picture.

We don’t even know what this woman looks like, and they dare to write that she’s a beauty. What if she is as ugly as a monster?”

Gu Weiwei came out with her sleeping son and mumbled as she saw Fu Shiyi alone, “What are you talking about?”

“Nothing, I just saw the gossip about Second Brother. The headline said that he brought a pretty girl to dinner and spent a fortune on a car.”

“Really?” Gu Weiwei was startled.

This seemed to be something that only Third Master would do, not something that Fu Shiqin would do.

“See?” Fu Shiyi gave her the phone.

Gu Weiwei sat down on the sofa with the child in her arms, reading the news with one hand while the other held her son.

“It seems that your Second Brother is moving on in life.” “That is impossible!” Fu Shiyi just could not believe that a single man like Second Brother would fall in love with a woman.

Gu Weiwei returned the phone to him. “If you can be with Ding Dongdong, why can’t Second Master be in a relationship?”

“Because I told him that he will always be a single man!” Fu Shiyi said proudly.

He had been so successful in his love life all these years and Fu Shiqin, on the other hand, had never dated a single girl. Now that he had been showing off his love, Fu Shiqin must not have been able to stand him and his brother showing off their love to him and found an actor to show off with.

Gu Weiwei laughed dryly. “Forget it, of course you would think that.”

“I bet that the girl in the news is either as ugly as a monster or an actress hired by him,” Fu Shiyi said confidently. “Can’t you hope for someone better for him?”

Gu Weiwei glanced at him. She knew that they were always setting each other up, but there was no need for them not to look forward to good things for each other. “I just got into a relationship and now there is gossip that he’s in a relationship? He must be acting.” “That might not be the case!” Gu Weiwei felt helpless. Fu Shiyi played the video and said as he watched, “A piece of gossip has popped up all of a sudden and it is obviously not true. If he really brings home a girlfriend, I will call him dad.”

“What will your father think if you call Fu Shiqin dad?” Gu Weiwei teased. Fu Shiyi said, “Anyway, Second Brother will forever be single. He will be single for the rest of his life.”

Gu Weiwei stood up with Youyou in her arms and paced back and forth in the living room.

“Really? I don’t think that will be true.”

“If it is not true, I will call you dad,” Fu Shiyi said.

“No, don’t call me that, I would not dare to have such a big son like you.” Gu Weiwei turned him down.

Fu Shiqin pursed his lips and asked, “Sister-in-law, can I bring Dongdong with me to your birthday next week?”

At sister-in-law’s birthday, his elder brother would definitely show off his love again. It would be very pitiful if he did not have a girlfriend by his side to show off his love with too.
