

MY HIDDEN 301

Chapter 301: If He Knew

Fu Hanzheng looked calm. "What does he mean?"

Fu Shiqin drove as he passed on Fu Shengying's message.

"The Dorrans Family are very powerful in Europe, and the Gu Family came back to life because they worked with them, so if we find Gu Weiwei, then we can also make use of the Dorrans Family, so as to open our forces in Europe..."

"Have you forgotten that her surname is still Gu? She was brought up by the Gu Family." Fu Hanzheng snapped.

The Dorrans Family were indeed powerful in Europe but they had many enemies too.

So he only wanted to find Gu Weiwei because he was the Gu Family's enemy.

However, he had no intention of cooperating with the Dorrans Family because that might bring in unnecessary trouble for the Fu Family.

"Yes, that is also what our father is worried about... So if we find her and she still sticks to the Gu Family, we must think of some other way to deal with her instead." Fu Shiqin said seriously.

Gu Weiwei looked out of the window and stayed silent as she listened to their conversation. She could not help but feel that her palms were turning cold.

If they found that she still clung onto the Gu Family, they might kill her instead of releasing her.

Fu Hanzheng spoiled her because he had no idea that she was none other than Gu Weiwei herself... But what if he did know about her real identity?

She did not dare to think any deeper. If he knew that she was Gu Weiwei, what would happen between them?

Also, even if he could accept that she was Gu Weiwei, that did not necessarily mean that everyone in the Fu Family could accept her real identity either.

So she was going to make them believe that Gu Weiwei was already dead as soon as possible and then she could just live on under the guise of Mu Weiwei.

Fu Hanzheng's face sank as he replied. "I know what to do."

Fu Shiqin certainly believed that his brother was smart enough to deal with the situation. That was why he was able to make the Fu Family the most powerful and wealthy family of Hua Land, with no one able to exceed them.

Fu Hanzheng glanced at the girl who seemed distracted next to him.

"Your hands feel so cold!"

Gu Weiwei came back to herself and smiled.

“It was a bit cold in the studio.”

Fu Hanzheng released her hand and swept her into his arms.

Fu Shiqin glanced at them through the back-view mirror and said sinisterly, “Brother, do you think that Gu Weiwei is missing because Gu Siting and that Ling person are involved?”

Fu Hanzheng did not say anything and ignored his words.

Fu Shiqin drove as he made an analysis.

“I had suspected that Gu Weiwei and her brother had a flirty relationship with each other because they are not real siblings but now Gu Siting has found her a sister-in-law and now Gu Weiwei is missing. She must have left home because she is angry that her brother is getting married...”

Gu Weiwei squinted at him and reminded him speechlessly.

“Ling Yan said in her interview that she met the Gu Family because of Gu Weiwei, your gossip doesn’t work.”

Fu Shiqin was even more excited at the news.

“She is angry because she brought her in! She treated her as a sister but that girl only thought of becoming her sister-in-law instead. That was why she got so annoyed that she left home...”

Gu Weiwei did not want to argue with him anymore. Soon, she was going to tell them that Gu Weiwei was already dead.

His speculations were all wrong.

“I am going to go out for business the day after tomorrow. I will leave in the afternoon.” Fu Hanzheng said.

Slightly startled, Gu Weiwei nodded.

“I need to attend the film opening ceremony that afternoon, so I can’t see you off.”

More importantly, she was going to meet Yuan Meng that afternoon as well.

It was great that he needed to go outside for business.

Chapter 302: Big Crisis!

Three days later, the opening ceremony of the Eyes of the Eagle took place.

Gu Weiwei played the lead role Huo Xiaoshi whilst Song Yu was going to play Xiang Linyuan the lead male role. Shen Qiu, the actress who had been in competition with her for the role of Tang Shaoqi was going to play the supporting female role whilst Chu Chen, whose role of Gu Changfeng had once been stolen by Fu Shiyi, was going to play the supporting male role.

Jolin sighed at the sight of the actor and the actress of the supporting male and female roles.

“What luck have you got? Why are you always in the same cast with your opponents?”

Li Xing'er, for example, was in their last film and this time, Chu Chen and Shen Qiu were not going to get along well with her.

They had bought many bots to leave mean comments online because they had lost their roles because of her but since she did not have any dark history, those bots could basically do nothing.

Gu Weiwei smiled helplessly. Mo Jiao chose them to be in his film, mostly because they were skilled and talented to some degree.

She truly had no idea how to deal with those people when they were in the same cast as her.

What was on her mind was whether Fu Hanzheng had left for business or not and whether her meeting with Yuan Meng taking place a couple of hours later, would go smoothly.

“Third Master's new album is going to be released today, and many artists are there to show their support. Do you think you, as the second party in the rumored couple, should go and show some support too? We can make it after we finish our opening ceremony.” Jolin reminded her as he checked the time.

The reality show they had made was going to be aired this week and he was also the boss of Shiyi Culture, so they probably needed to show some support.

“I don't think I will. I have not been feeling well these past two days and I need to go home to rest so that I can be in my best form when making the film.” Gu Weiwei turned down Jolin's suggestion.

If she showed up, it was probably going to be Fu Shiyi who suffered because if she did not see off Fu Hanzheng at the airport today, due to the opening ceremony, but showed up at Fu Shiyi's album release party, then all hell would break loose.

Jolin thought for a while and stopped urging her.

“Then go home and rest after the opening ceremony.”

This film was not going to be as easy as the Long Wind, so she did need to show her best form for the filming.

Otherwise Chu Chen and Shen Qiu were going to laugh at her.

As the full cast arrived at the opening ceremony, the media from different channels came around as well.

The host went onto the stage and introduced the main cast of the Eyes of the Eagle. Then Gu Weiwei and the cast went up onto the stage and received questions from the media whilst saying hello to the audience.

“Mu Weiwei, Shen Qiu, I heard that you two once competed for the role of Tang Shaoqi at the Long Wind and now you are together in the same film, the Eyes of the Eagle. What do you have to say to each other here?”

Shen Qiu threw a look at Gu Weiwei and said with a smile, "This is probably what destiny is like. She did a great job as Tang Shaoqi and I hope that we can create a better performance in the Eyes of the Eagle together."

She had been in the entertainment industry for a long time and she was very capable of answering the media's provocative questions.

Gu Weiwei smiled instead of saying anything more. What she was supposed to say had already been spoken by Shen Qiu.

The opening ceremony lasted for over an hour and when it finished, it was almost four p.m..

She returned to the apartment from the opening ceremony and got changed, ready to go out to meet Qianqian and Ji Cheng and of course, Yuan Meng.

Ji Cheng and Luo Qianqian were just the shield and excuses for her meeting Yuan Meng, so that Fu Hanzheng's men would not pay too much attention to her whereabouts but the moment she returned to the apartment, she found that Fu Hanzheng, who was supposed to be on the plane for his business trip, turned out to be at home.

"Aren't you going on a business trip today?"

"I just got the news that the Yuan Family have been spotted around the capital, so I am going to deal with that matter first before leaving." Fu Hanzheng said.

Gu Weiwei felt a tight grip clench around her heart. She was supposed to meet Yuan Meng in two hours... And the Yuan Family he meant was none other than Yuan Meng's.

Chapter 303: Two Women

"Didn't you fail to find them for so long and now the news has come so quickly?"

She forced herself to calm down and asked in a pretentiously curious tone.

Since he had known that Yuan Meng was in the capital, was he going to get someone to catch Yuan Meng?

"We're not sure yet but we will have an answer in a couple of hours." Fu Hanzheng told her the truth.

Gu Weiwei felt relieved. So Yuan Meng was still okay right now.

It was a good thing that she returned home first, before doing anything else, otherwise she might have been caught on the spot during the meeting with Yuan Meng.

However, when he said that he would have the answer in a couple of hours... did that mean that he was going to find Yuan Meng in a couple of hours too?

She had to think of a way to stop Yuan Meng from being caught.

Although Yuan Meng did not put it straightforwardly, she had a feeling that her master was not doing well since the accident last time.

So only Yuan Meng was going to meet her there.

Once Yuan Meng was caught, Fu Hanzheng was going to find out who had been in contact with her and soon, her master was going to suffer as well.

But she and Yuan Meng only contacted each other at a predetermined hour, so even if she called her now, she might not be able to reach her.

Therefore, she was unable to tell her to leave the capital right now.

She was just in the middle of thinking about what to do when Ji Cheng's call came through.

"Weiwei, have you left home?"

Gu Weiwei walked into the walk-in closet and whispered.

"Something just came up and I may not make it. Can we meet another day?"

Ji Cheng understood that she was very busy, so she did not ask anything more.

Gu Weiwei hung up and tried to contact Yuan Meng with the other phone but she obviously failed.

She put away the phone and turned to Fu Hanzheng's study, where she was going to come up with plans according to the changing situation.

Fu Hanzheng was in the middle of dealing with the company's files, whilst she was reading next to him, although she could not take in any words written on the paper.

"Didn't you say that you are going out?" Fu Hanzheng asked.

"Oh, Qianqian has to do something else so the meeting is cancelled."

Gu Weiwei lied without changing her expression, whilst being really worried inwardly.

She had told Yuan Meng to be careful but how did she get herself spotted the moment she made a move?

Fu Hanzheng got up to answer a call and she heard some beeping sounds from the computer. She glanced at the screen and saw that his e-mail inbox had just received something.

Any news this time would be related to Yuan Meng, so when she saw that he was answering the phone by the window, she clicked the newly arrived e-mail.

The e-mail showed two pictures – one was of Yuan Meng who looked sexy with big wavy hair. She was very charming and flirty.

The other picture was of the old her – Gu Weiwei.

The picture was taken when she was at a banquet. She was of mixed ethnicity, so her facial features were beautiful with also a hint of European trait. She was dressed in a gown made by Martin Green, looking noble and elegant.

It seemed that he was going to ask his men to find her and Yuan Meng by showing them these pictures.

She was not worried that he would find Gu Weiwei but Yuan Meng was different...

Once the pictures were sent to his men, the Fu Family was definitely going to find the woman within a couple of hours, since they were so powerful.

Having answered the call, Fu Hanzheng turned around and saw her gazing at the computer, so he approached her and asked.

“What are you looking at?”

Gu Weiwei came back to herself, turned around and asked angrily, “Who are these two women?”

Fu Hanzheng glanced at the pictures on the screen and said with an amused tone,

“The people we are looking for.”

Chapter 304: Now

Of course Gu Weiwei knew who these two women were, but as Mu Weiwei, she had to have no knowledge of who they were.

So after hearing what Fu Hanzheng said, she purposefully twisted the meaning.

“So it is true that you like sexy and beautiful women, just like Meng Ruya once told me.”

She said as she gripped his tie, “What do you want them for?”

Seeing his girlfriend getting jealous for no reason, Fu Hanzheng found it very funny and lovely too.

“I don’t like this type of woman, I only like you.”

“No way, they have large boobs and long legs, that’s every man’s type!”

Gu Weiwei kept pestering him only because she was trying to stop him from touching the computer.

“They are not my type.” Fu Hanzheng said as he lifted her up onto the chair and swept her into his arms.

But Gu Weiwei switched off the computer screen immediately and started her interrogation.

“Tell me the truth, are you thinking about paying for some other women, to be in bed with you, when I refuse to do it with you?”

Instead of getting angry at her pestering, Fu Hanzheng found her annoyed face extremely cute and pleasant to look at.

“I have only you in my heart, and I will always have only you in my heart.”

“But you don’t seem to be that passionate these days, you are going to change your heart towards someone else, right?” Gu Weiwei glared at him and pointed at the darkened computer screen.

“You dare to say that you have no interest in either of these two women with their large boobs and long legs?”

Damn it, she could not stand herself anymore!

But if she did not stop him from sending out the pictures to his men, Yuan Meng would surely be caught by the men from the Fu Family.

Fu Hanzheng lowered his head and kissed the babbling girl, then he whispered after their passionate kiss, "Am I being passionate now?"

"No." Gu Weiwei said as she looked up at him and kissed him.

The only way for her to avoid the problem was to waste time with him, so that she would miss the meeting with Yuan Meng.

When Yuan Meng failed to see her, she would realize that something had come up and she would quickly leave the capital.

After a long time, Fu Hanzheng released her lips and whispered, as he brushed the strands of hair behind her ears, "Those photos are of Gu Weiwei and someone from the Yuan Family, that have been sent by a mole from A Land. With these pictures, they could be found very easily."

"Is that so?" Gu Weiwei still showed a face of disbelief.

"So stay obedient, after I tell them what to do, I will come to you." Fu Hanzheng consoled her as he caressed her hair.

"So these women are more important than me after all." Gu Weiwei pretended to be jealous just to drag out the time.

However, internally, she already felt disgusted by her own behavior.

Fu Hanzheng consoled her patiently, "It will only take a few minutes."

Gu Weiwei leaned against his shoulders. "But I am tired, I want to go to sleep now."

With one hand on her shoulder, Fu Hanzheng switched on the computer with the other.

"Five minutes."

Gu Weiwei realized that if she kept pestering him in this way, the trick was soon going to be ineffective, so she made up her mind and toyed with his belt.

"But I want to sleep now."

Fu Hanzheng took a deep breath and gripped her groping hands.

"What are you doing?"

Gu Weiwei smiled sinisterly. "I am stripping you so we can sleep together."

Fu Hanzheng sighed helplessly – what was going on with this little lady today? She seemed so clingy and flirty.

"What on earth do you want?"

He had already told her who these women were, so why was she still making a fuss right now? She was not this kind of girl at all.

Gu Weiwei leaned forward and whispered by his ears in a very flirty tone.

“I want you, now.”

He must not stay in the study any longer, so she was going to do whatever it might take to get him out of the room.

Fu Hanzheng lowered his gaze and said with a hoarse voice, “Are you sure?”

Chapter 305: Now 2

It turned out to be the girl’s kisses that answered his question and it felt that it was a non-negotiable invitation.

He had tried to find out what she was thinking about this issue before but she would only accept his hugs and kisses, even sharing the same bed. However, she had never accepted taking the final step with him.

What happened to her today so that she asked for it of her own accord?

But before he was able to think into it more, he found himself deeply aroused by the girl in his arms.

Soon Fu Hanzheng became dominating and gave her a very deep kiss on her sweet and supple cherry-lips.

Instead of holding back, he started to behave more and more like an invader.

Gu Weiwei softened by the kisses and she put forward a request, panting as her dress was zipped open from behind.

“Not here... back to the room...”

She could not delay any more by constant pestering.

If she kept making a big fuss out of it, then Fu Hanzheng would start to suspect her motivation although he might spoil her so much.

So this was the only sacrifice she could do to stop him from contacting his men... the only thing that could distract a man was nothing other than s*x.

Fu Hanzheng stopped zipping open the dress and carried her out of the study and into the bedroom as she had requested.

On the way there, he had his lips on hers, until when he finally placed her on the bed and released her lips that had received so many kisses.

“No regrets?”

Gu Weiwei smiled brightly, “Why should I have any regrets?”

Fu Hanzheng looked very joyful and then he continued to seal her lips as he removed his blazer.

The dress had been completely unzipped and he pushed his hands in from behind, caressing the girl’s supple and smooth skin greedily.

Then his lips were no longer on hers and instead went down from her chin, to her neck and all the way to her shoulders, where they deftly removed a strap.

Gu Weiwei shrank away from his touch, reached out for his arms and frowned with an embarrassed look.

Fu Hanzheng stopped and said with a very dark look and a heavy tone, "Regretting now?"

Gu Weiwei bit her lips, her face looking red.

"Can you be a little bit more gentle this time, it hurt last time..."

She did not have much experience, and the only time she had s*x was the first time she became Mu Weiwei.

It had not been a very joyful experience and it was actually abuse.

Fu Hanzheng cupped the girl's flushed face in an apologetic way and kissed her gently.

He was thinking that the reason why she had been turning him down all this time was because he had not been gentle enough last time.

For an 18-year-old girl, he did perform terribly on her first night.

So he slowed down and paid attention to her reactions carefully, as he gradually made the girl in his arms lose self control in desire.

Gu Weiwei started to pant quickly as she constantly moaned. The desire that was pulled out of her made her both fascinated and scared but there was no way out when she had reached this stage.

She believed that if she turned down Fu Hanzheng at this moment, Fu Hanzheng would not force her to go on but he would soon go back to the study to give the order to catch Yuan Meng.

Fu Hanzheng kissed her cheek and pampered her.

"Baby, unbutton me."

His breath made Gu Weiwei's ears tickle. She shrank away from the sensation but she still, obediently, reached for his shirt and unbuttoned it.

As the shirt was removed, the man placed her hands on the belt at his lower waist.

"And here too."

Chapter 306: Rejection

Gu Weiwei bit her lips, looked up at him and mumbled.

"Can't you do it yourself?"

"It is the pleasure of exchange." Fu Hanzheng chuckled lowly.

He had stripped her off, and as an exchange, she should do something in return.

Gu Weiwei lowered her head, reached out for his belt and unbuttoned it after a long struggle.

The evening fell and the phones and mobiles kept ringing in the study, yet none of these caused any disturbance to the couple tangled together in the bedroom.

The warmth of skin against skin made both of them shiver and pant out of breath.

Fu Hanzheng gently went through the foreplay and carefully tried to thrust as he kissed her simultaneously.

“Oh!” Gu Weiwei gasped and frowned instantly.

His size was not something for her to accept that easily.

It was not her first time doing it, but it still hurt a great deal.

Fu Hanzheng stopped and did not dare to move an inch. Then he gently kissed her eyebrows, face and caressed her.

Gradually, she relaxed because of his gentle kisses and the man upon her moved faster and faster.

His kisses were mild, yet his body was wild.

In the dimly lit room, the low, panting sound of the couple arose little by little...

A long while later, the passionate sounds eventually ceased.

Gu Weiwei panted as she lay lazily in her man's arms and her slightly reddened body sweated as she looked at the afterglow outside the window, feeling rather pleased that finally, she had managed to stop Fu Hanzheng from sending out the pictures to his men.

With the girl in his arms, Fu Hanzheng kissed her hair and ears in a gentle way.

“What is wrong with you, so willing to do it with me?”

Although he had been very satisfied with what she had done with him today... it wasn't like her and he couldn't help but find it weird.

Gu Weiwei thought for a moment after staying silent for a while and then she mumbled, “Your kisses were so passionate just now... So you can throw me to the bed but I can not do the same thing to you?”

Fu Hanzheng chuckled. “Of course you can and you can do anything you want.”

Gu Weiwei laughed dryly. She truly was forced after all!

Fu Hanzheng brushed her hair behind her ears, kissed her lips, turned over and switched on the light.

“I will answer a call in the study, I will be back soon.”

Gu Weiwei's heart skipped a beat. She instantly turned over and took hold of him.

“Must you do that now?”

If he went to the study now, he would definitely try to send the pictures to his men so that they could look for Yuan Meng but right now, Yuan Meng was waiting for her in the restaurant.

“I will be back in a few minutes.” Fu Hanzheng pampered her as he spoke patiently.

Gu Weiwei bit her lips and said determinedly, "But I still want you."

Damn, she asked Yuan Meng to help her but before they even met each other, she had to give up so much just to save her.

Fu Hanzheng raised his eyebrows in astonishment, feeling very startled at his girlfriend's request.

"Didn't you just turn me down?"

Gu Weiwei's face turned burning red. "That was a minute ago... but now I have changed my mind."

Fu Hanzheng kissed her lips and pampered her.

"Give me five minutes, I will be back after I tell them what to do."

Gu Weiwei didn't release him but pushed him back onto the bed and said, as she lay on him, "No way."

Fu Hanzheng thought for a while and compromised.

"Three minutes, okay?"

The girl's face was reddening and her eyes were shining; she was putting forward a request that could not be turned down by any man but what he needed to tell his men was of great importance too.

Seeing that he was not persuaded, Gu Weiwei's expression sank and she turned her back to him.

"If you leave this bed right now, you are never allowed to get in it again in the future."

Chapter 307: A Dutiful Boyfriend

"...."

Fu Hanzheng thought for a second and wisely chose to stay in bed.

What he was going to do was of great importance, of course, but his girlfriend was even more important and if he disappointed her in bed, he would basically lose his dignity as a man.

Phones and mobiles rang constantly in the study but in the bedroom, the atmosphere was hot and sexy.

Gu Weiwei was worried that Fu Hanzheng's men would find Yuan Meng, so she refused to let him leave but tried her best to make him stay in the bedroom.

From evening till the morning, she sacrificed a great deal for Yuan Meng, so that she could escape.

Fu Hanzheng felt very satisfied and energized as he swept the tired girl into his arms, asking with an amused tone, as he kissed over her smooth neck, "Want more?"

Gu Weiwei threw a look at the morning light outside the window and shook her head feebly.

If it wasn't because she was so exhausted, she would have kicked him off the bed.

Fu Hanzheng kissed her sweaty temple, put the blanket over her, climbed off the bed and put on his robe before going to the study.

He sent the pictures to his men who were supposed to find the women and then turned to the bathroom to take shower.

After he left, Gu Weiwei got up too.

She waited until he went into the bathroom, put on clothes and went into the walk-in closet, where she turned on the other phone she had hidden.

Sure enough, Yuan Meng had sent her a message and left a new number, asking her to return the call.

Seeing that Fu Hanzheng would still spend some more time in the bathroom, she made the call as she hid herself in the walking closet.

“Why didn’t you show up?”

Yuan Meng asked straightforwardly the moment she received the call.

“The Fu Family has noticed you coming into the capital and now they are desperately looking for you.” Gu Weiwei said with a feeble and low voice.

Slightly startled, Yuan Meng asked, “Why do you sound so feeble, are you injured?”

Gu Weiwei simply did not dare to explain to her what had happened, so she just said to her seriously, “They have your picture, so be careful not to be discovered. We will set a date to meet after this crisis passes.”

“My picture?” Yuan Meng mumbled with a strange tone. “Why do you know so much about it?”

“I don’t have much time to explain but be careful, I will contact you soon.”

Gu Weiwei told her the news briefly, hung up and switched off the phone before hiding it away.

After the call, she let out a sigh of relief.

Then she walked out whilst supporting herself against the wall. However, she reached her limit when she reached the living room.

Fu Hanzheng came out of the shower and saw her moving forward with difficulty, feeling both concerned and amused.

“What are you doing out here?”

Having spoken, he picked her up.

“I am thirsty, I need to drink some water.” Gu Weiwei said with a lazy tone.

Fu Hanzheng carried the girl back to the room and then returned with a cup of water. Then he fed her the water with her still in his arms.

“See, you should not have been so forceful last night!”

She did not permit him to get out of the bed but now, she herself could not get out of the bed.

“Stop being proud about it.” Gu Weiwei snorted.

Fu Hanzheng chuckled and kissed her on the face softly.

“Get some sleep now.”

He returned to the study and received a call from Fu Shiqin who had already gone abroad.

“I have arrived, did you find the Yuan Family and Gu Weiwei?”

Fu Hanzheng said, “Not yet.”

“They can’t even find anyone with pictures in their hands? Those dumb people!” Fu Shiqin got very furious.

“Something happened. Postpone the conference to the day after tomorrow and I will go there tomorrow night.” Fu Hanzheng said.

Fu Shiqin was a bit annoyed. “You already told them to postpone the meeting to tomorrow but now you want me to postpone it again, to the day after tomorrow?”

“Weiwei is not feeling well. I can’t leave now.” Fu Hanzheng said.

They had just had s*x and if he left her for the business trip now, he would not be considered a dutiful boyfriend.

Chapter 308: A Dutiful Boyfriend 2

“....”

Fu Shiqin got so annoyed when he heard the answer.

He knew it! He knew that whatever his brother had done must have been because of his girlfriend...

So his girlfriend was more important than anything, including work and brothers, right?

“Brother, are you sure you are part of the Fu Family, not the Zhou Family?”

“What?” Fu Hanzheng’s tone sounded dark.

Instead of caring about what his tone sounded like, Fu Shiqin, who was extremely furious, complained continuously.

“Don’t you think that you are like the King You of the Zhou family, who was the most self-indulgent ruler in history?”

The meeting that required his presence was of great importance but he postponed the meeting just because his girlfriend said that she was not feeling well.

What else could a self-indulgent ruler be like?

Yeah?

Fu Hanzheng countered with a cold voice. “If I were that king, what punishment do you think you would get for what you had just said?”

Startled for three seconds, Fu Shiqin suddenly changed his tune.

“Brother, I can talk with them about postponing the meeting, just stay with your girlfriend at home. Work is nothing, right? Of course your girlfriend is more important than anything else in the world, please say hello to my sister-in-law.”

He hung up after spilling out those words but the moment after he ended the call, he kept cursing.

“Fatuous, bastard, monster!”

After ending the call with Fu Shiqin, Fu Hanzheng changed into his pajamas.

Although he had not slept for the entire night, he was still full of energy working in the study, as if he had consumed supplements.

He also kept smiling every now and then.

Gu Weiwei did not wake up until the afternoon and as she thought of what happened last night, she just could not help but feel ashamed. She hid herself in the blanket and refused to come out.

She had been forced by circumstances to do that last night but as she thought over it, she felt so terribly embarrassed.

Fu Hanzheng sensed that she might be waking up soon, so he returned after finishing his work. He lifted the blanket.

“Get up, take a shower and eat something first. Then you can sleep again.”

“I feel pain in my waist, legs, and my whole body, I don’t want to get up.” Gu Weiwei kept squeezing herself into the blanket.

“I just ran some water in the bathtub, so you can take a bath.”

Having said this, Fu Hanzheng moved the blanket and carried her up from the bed before walking towards the bathroom.

The bathtub had been filled up with hot water. He put her down and was about to remove her clothes when Gu Weiwei gripped his hands.

“You... can go now.”

“Aren’t you hurting everywhere? You are sure you can do it by yourself?” Fu Hanzheng’s eyebrows raised.

“Yes, I can!” Gu Weiwei insisted.

“Call me when you are done.” Instead of forcing her, Fu Hanzheng said and left.

He did not go far but waited for her outside the bathroom... just in case, so that he could hear her when she called out his name.

Gu Weiwei removed her clothes and stayed in the bathtub for half an hour. The warm water had made her body relaxed and the pain she was feeling had greatly reduced. Then she put on the towel and climbed out of the bathtub.

However, it was not until she finished the bath that she realized that he did not get her any clothes. She opened the door and got slightly startled when she saw the man standing outside.

"I haven't got any clothes to change into."

Fu Hanzheng picked her up and walked towards the walk-in closet.

"Just support me, I can do it by myself." Gu Weiwei said.

Fu Hanzheng carried her to the walk-in closet and grabbed the clothes for her to change into.

"Just save yourself some trouble."

When she was dressed, she was carried to the dining room.

"Get something to eat. You can sleep more if you are still feeling exhausted."

With soup in her hands, Gu Weiwei took a few sips and suddenly realized something.

"Can you... get someone to buy the pills?"

Fu Hanzheng's eyebrows raised. He looked nervous.

"What pills?"

Gu Weiwei pursed her lips and said with a red face and a small voice, "The pill, you know. I was not in the safe period yesterday."

Chapter 309: Obedient

She could not get the pill herself and she could not even ask her agent or the assistant to get the pill for her, so she had to turn to him instead.

Fu Hanzheng's face sank. He got her some dishes and stayed silent.

Seeing that he did not approve of her idea, Gu Weiwei understood that he would be a little unhappy, considering that he had the intention of marrying her and fathering a child.

"I am just 19 years old and I don't want to get pregnant and have a child. Also, I need to be prepared for that at least, right?"

She had many, many things to do and if she somehow had a child, she would not be able to do anything else.

Fu Hanzheng thought for a moment and realized that she was indeed too young to become a mother.

"Eat now, I will ask someone to bring it here."

Gu Weiwei glanced at him discreetly. "Are you upset?"

"It is okay, you are too young to become a mother. I can wait." Fu Hanzheng said.

But honestly speaking, he was upset... However, he did not want to increase the distance he had shortened because of such a tiny matter.

They were going to have a very long life together and they did not need to hurry when it came to children.

Gu Weiwei let out a sigh of relief inwardly. She picked up the chopsticks and gave him some dishes as a way of thankfulness.

“Aren’t you supposed to go somewhere for a business trip?”

“I will leave tomorrow night.”

Gu Weiwei thought for a while. “Because of me?”

Fu Hanzheng looked up. “What else?”

Gu Weiwei smiled. “Second Master will not be happy about it.”

Fu Shiqin had once complained that before she appeared, nothing could stop his brother from working but after she had appeared, nothing could stop him from staying with his girlfriend, including work.

“He would not dare to be unhappy about it.” Fu Hanzheng said.

Gu Weiwei. “...”

She felt sympathetic towards Fu Shiqin – what a brother he had!

After she finished the food, Fu Hanzheng asked.

“Want to take a rest back in bed?”

Gu Weiwei opened her arms, waiting for him to pick her up.

“Yes, but I want to read the script and I need to make a call to my agent.”

Fu Hanzheng carried her back to the room and brought her the script and phone.

“Anything else?”

Gu Weiwei blinked. “Can I have you?”

She could tell that although he had said nothing, he looked displeased.

So she had to be obedient at this hour.

Fu Hanzheng checked the watch. “I have an important call to make. I will be back in half an hour.”

Gu Weiwei nodded and went back to bed alone. With her back leaning against the pillow, she made a call to Jolin and turned down an offer for a promotional photo shoot.

Then she continued to read the script and got herself prepared for the new show.

After an hour later, Fu Hanzheng came in with a paper bag and a cup of water.

Standing by the bedside, he took out the pill and gave it to her.

Gu Weiwei took it and swallowed it with the water.

She had just finished taking the pill, when she saw Fu Hanzheng putting boxes of stuff into the drawer next to bed.

“Why... did you get those things?”

She asked him to get the pill but he got condoms too and... there were so many of them.

Fu Hanzheng closed the drawer and said calmly, “Since we aren’t planning on having a child right now, I can’t possibly ask you to take pills all the time.”

“But you didn’t need to get so many!”

Gu Weiwei took a glance at the closed drawer and thought of the boxes of condoms he had just put in, feeling that soon she was going to drop dead in this bed.

She had no idea that because of the crazy proposal she had put forward the night before, her boyfriend thought that she would never be satisfied unless they did it three or five times in one go.

Chapter 310: Stay Away

“Considering what we did last night... it’s not a lot.” Fu Hanzheng said.

“...”

Gu Weiwei felt her forehead, feeling helpless and totally stuck for words.

How greedy did he think she was, so that he had bought so many condoms?

Damn Yuan Meng, she had totally pushed her into the trap. Yes, she did it to help her to get through the crisis but now she herself was confronted with an even bigger crisis.

Fu Hanzheng grabbed some documents from the study and came to her side, keeping her company.

Gu Weiwei moved herself an inch away from him. “You can work in the study now, I... I don’t need you to keep me company for the time being.”

Her legs would soften whenever she caught sight of him and she was worried that something would happen, if he kept staying next to her in this very bed where they had fun throughout the night.

Fu Hanzheng glanced at her sideways. “Is it because you were not satisfied last night, so you don’t want me to be in bed with you now?”

He did remember clearly what she had said to him the night before – if he left the bed, he would never be allowed into it again.

“I... I need some sleep, you can go to the study.” Gu Weiwei was totally traumatized by the condoms he bought.

“I will stay with you.” Fu Hanzheng said.

“No.” Gu Weiwei shook her head resolutely to turn him down.

If there had been any other way to keep him away from study the night before, she would have chosen that instead of having s*x with him.

But now, she was going to be buried in the pit that she herself had dug.

Fu Hanzheng smiled and said, as he fully saw through her,

“I will not touch you again, but of course... if you are in need of me I can spare some mercy to...”

“Ahhh!”

Gu Weiwei felt so annoyed and upset, so she moved herself away from him and kept flipping through the script placed on the blanket.

Fu Hanzheng’s lips raised and turned his eyes to the documents.

After two pages, his phone rang and he picked it up the moment he caught sight of the caller.

It was Lei Meng, the man in charge of the Fu Family’s security and information.

“Boss, we have not found Gu Weiwei but we have found that the other woman appeared at a restaurant in the capital last night.”

Fu Hanzheng said, “Did you find her?”

“No, she stayed at the restaurant for ten minutes before leaving. She seemed to have noticed something, so she hid herself away after she left. We have not yet found a trace of her after she left the restaurant.” Lei Meng said.

Gu Weiwei was leaning against him, so she could hear every word they said.

It seemed that Yuan Meng had been cautious about covering her own tracks when she failed to meet her. That was why the Fu Family had not found her.

She must have had enough time to leave the capital last night.

Fu Hanzheng stayed silent for a moment. “Just keep looking, find them as soon as possible.”

“Yes, Boss!”

Fu Hanzheng hung up and glanced at the girl who was reading the script.

“Look at you! We missed the best time to catch the women.”

Gu Weiwei snorted when she heard the words, looking displeased.

“Alright, alright, it is my fault. Then stay away from me, so I won’t ruin anything of yours.”

The very reason why she threw herself into his arms was because she was trying to stop him from finding that woman.

If he had caught that woman, then she would have done everything in vain.

Fu Hanzheng took hold of the girl who had become a bit annoyed. “I am not blaming you.”

Gu Weiwei flung off his arm over her shoulders. “You are! I was not stopping you. It was you who chose to stay.”

Fu Hanzheng pinched her chin and kissed her lips.

“Well, you told me not to return if I got off the bed, so of course I could not leave.”

Although he had missed the best moment to find that woman, if the search continued, the woman would always be found.

Because it would be a huge crime, if he had disappointed his girlfriend.
