

MY HIDDEN 401

Chapter 401: New Positions

It was a very serious matter but after being pampered by Mu Weiwei, Fu Hanzheng was no longer angry anymore.

However, Fu Shiqin was still being smothered with their love all the time.

After resting at home for two days, Gu Weiwei went to do the dubbing for the Eyes of the Eagle.

She went out again following Fu Hanzheng in the morning.

Fu Hanzheng drove her to the place where she was meeting Jolin. "When does work finish this afternoon? I will pick you up."

"Not sure now, I will call you when I am finished."

"Okay."

Fu Hanzheng nodded and did not ask Fu Shiqin to drive away until she went into Jolin's car.

Gu Weiwei spent several hours in the recording room and her assistant gave her some tea for her throat, when she was taking a break.

"Xu, buy me some drug medicine too, okay?"

Her assistant knew that dubbing required a lot of work from the vocal chords, so she went out to buy it.

Gu Weiwei flipped open the eyeshadow palette and then pulled out the super-thin phone hidden inside, she turned it on to see if there was any news from Yuan Meng.

They never used a fixed number to contact each other.

Most of the time, it was just a text sent from a strange number so they could have a contact number and time fixed. In this way, both sides could be reached.

After the phone was on, a message sent from two days before appeared.

It was a message telling her to keep calling a public phone at 12 p.m. until they heard from each other.

Gu Weiwei checked the time and saw that there was 15 minutes until it was 12 p.m.

After 15 minutes, she made the call to Yuan Meng with the number she gave to her at 12 p.m.

"Hey, your Fu Hanzheng is crazy, he keeps looking for me all the time."

Yuan Meng snapped angrily the moment the phone call went through.

"He knew about our meeting." Gu Weiwei sighed.

Hearing the words, Yuan Meng asked anxiously, "What is your situation now?"

“He just found that we met but hasn’t found out who you are. Be careful, he will definitely continue with the investigation.” Gu Weiwei stressed.

Hearing the words, Yuan Meng almost understood what she meant.

“Aha... so Fu Hanzheng thinks that I am a man and that you are cheating on him, right? That’s why he is looking for me!”

Hearing the words, Gu Weiwei truly wanted to strangle her.

“Why did you dress up as a man?! You almost killed me!”

“Better solve the problem in bed. Have fun with him again and again, and everything will be solved. That is how your Master and I solve this kind of problem.” Yuan Meng imparted to her, her experience proudly.

“Stop giving me weird ideas!” Gu Weiwei said with teeth gritted.

Fu Hanzheng did not ask her verbally anymore, but kept on having fun with her in bed!

Thankfully he had work to do today, so he did not do it much the night before, otherwise she would not be able to walk.

“He is a man who can get jealous, don’t be scared.” Yuan Meng found it amusing and continued. “Let me tell you some new positions so that he can feel so much ecstasy that he doesn’t ask anything more.”

Gu Weiwei said, “Let’s break up.”

“Alright, alright.” Yuan Meng stopped teasing her hearing that she was pissed.

“He is hunting you down, so be careful! I can’t talk with you too often and don’t follow Master when he meets me next time.” Gu Weiwei put it forward, straightforwardly.

Every time she was around, she gave her trouble. She was totally scared of her appearing around her.

“Alright, got it.” Yuan Meng agreed.

Two days later, Fu Hanzheng received a picture sent from an anonymous person in an email.

The picture showed a very good-looking man with a very sexy body in a bikini.

Alongside the picture there was one more sentence.

[If I am a man, your woman would have been mine ages ago!]

Chapter 402: Yuan Meng’s Picture

At the headquarters of Fu’s Enterprise.

Fu Hanzheng and several top managers were in the middle of the conference, when he said to Fu Shiqin, after checking the time, “Lock must have sent the documents here.”

Fu Shiqin took over the coffee delivered by the secretary, logged onto his brother’s email and clicked open the new email.

He was drinking coffee as he scrolled down the whole message.

When the picture in the email appeared, he was so frightened that he spilled his coffee all over the screen.

Fu Hanzheng and several top managers turned to Fu Shiqin suddenly, as if he had witnessed a ghost.

Fu Shiqin put down the coffee mug and said, with a strange expression, "Brother, we may need to have a private talk."

Fu Hanzheng stayed silent for a few seconds and said, "Break for ten minutes."

Several top managers left the conference and left the space for them to talk.

Fu Shiqin wiped the computer screen free of coffee and turned the computer towards his brother and said, "You have this in your inbox."

Seeing the picture, Fu Hanzheng frowned.

"This must be a photoshopped picture to provoke you. Look at what is written down there!" Fu Shiqin said, as he scrolled down past the stimulating picture.

Fu Hanzheng frowned even more deeply at the sentence.

So this was the picture sent by the person she met?

But was this picture sent because that person noticed their investigation or because she talked with her?

"What did he mean by... if I were a man, your woman would have been mine? He is provoking you! Look at these eyes! He is provoking you!" Fu Shiqin said furiously.

This damned pretty boy. He was declaring a war with his brother before he was found!

Fu Hanzheng replied. "Send the picture to Lei Meng so he can verify the authenticity and... track the IP address of the sender."

"Do you really believe that this is a woman?" Fu Shiqin turned to his own brother and asked with a firm tone.

"It must be a photoshopped picture! He placed his head on a woman's body, look at his face, it is not a woman's at all!"

That face must belong to a man from the look of his eyes and his facial features, but why does he have a woman's body?

Fu Hanzheng's lips pursed. Judging from the shadows of the body in the picture, it could not have been a photoshopped one.

Seeing that his brother was not speaking, Fu Shiqin said firmly, "Let me tell you, this must be a trick between him and Mu Weiwei! She is trying to remove suspicion from herself!"

Fu Hanzheng said, "Leave it to Lei Meng, I am not asking you to do anything."

"I..." Fu Shiqin felt wronged.

He was worried that his brother would trust Mu Weiwei and the pretty boy too deeply, to understand what was going on.

Following his brother's order, he gave the picture to Lei Meng and asked him to verify if the picture was photoshopped. Then he turned to his brother.

"So you trust Mu Weiwei's word that she is a woman?"

Fu Hanzheng squinted at him. "Or should I trust you then?"

She was hiding something else from him about that person, not her relationship with her.

Fu Shiqin surrendered. "Sorry to have asked you!"

He was just being stupid.

No matter how much he said to him, his girlfriend's sweet words were always louder.

On the way back to the Landscape Villa in the afternoon, Lei Meng called and said that the picture was not photoshopped.

Fu Shiqin just could not believe it. "How can it be? If it is not photoshopped, then it is true that the person is a perverted!"

"She is just good at disguising herself." Fu Hanzheng said.

Fu Shiqin looked at his brother. "Now she is a woman, are we still looking for her?"

Looking out of the window, Fu Hanzheng's gaze looked cold.

"Of course."

The picture could prove that they were not in a relationship.

However, they were meeting secretly because they were hiding something he didn't know about.

However, they were meeting secretly because they were hiding something he didn't know about.

Chapter 403: Happy About it?

Since the work was finished early on in the afternoon, Gu Weiwei returned to the Landscape Villa earlier than usual.

When she mentioned investing in their own movie, Fu Shiyi really devoted himself to the suggestion.

He even asked Jolin to deliver her some scripts for her to choose from.

However, most of the scripts were following the popular trends that were currently quite common in the industry.

Even if Dream of a Long Life 2 by Ling Yan was just a leftover, these scripts would be even less than leftovers.

She felt her head aching after reading them for two hours.

Fu Hanzheng came home and spotted her miserable face. He put down his coat and approached her, sitting down next to her.

Gu Weiwei squinted at him and asked curiously, “What are you so happy about?”

Before Fu Hanzheng said something, Fu Shiqin showed the picture sent by Yuan Meng to her by placing it on the table.

“My brother got this today.”

Gu Weiwei took a look at it and flipped over the picture on the table, gritting her teeth.

What on earth was her Master doing? Couldn't he keep his eyes on his shameless wife?!

Seeing her expression, Fu Hanzheng was sure that it was not sent on her request but by her friend on her own initiative.

“Your friend is very cunning.”

Lei Meng found that the IP address was through a foreign bypass and it was impossible for them to find out where she was.

Gu Weiwei felt her forehead. She was just trying to prove to Fu Hanzheng that she was a woman and not in a relationship with her!

She did not need to wear a bikini! Did she even think about her feelings, when she sent such a picture to her boyfriend?!

“Even if this picture is not photoshopped and this is a woman's body, can it be because she has gotten surgery!”

Fu Shiqin snorted.

“You can try getting surgery within a few days and see if it works.” Gu Weiwei countered.

This dumb man was too annoying – was he expecting that she was cheating on his brother so badly?

Stuck for words, Fu Shiqin changed the subject.

“But there are many lesbian women too.”

Gu Weiwei grabbed the script from the table and slapped him right across the face.

“Damn you, you homosexual!”

“You still want to get a new sister-in-law right? No way!”

Fu Shiqin yelled back, as he ran around with his arms over his head, “She said that if she were a man, you would have been hers already! She doesn't mean anything good!”

“Damn you, her child is three years old! If she truly did something, her husband would be pissed off!” Gu Weiwei snorted.

Fu Hanzheng grabbed hold of Gu Weiwei as she passed him and chased Fu Shiqin.

“That's all for this matter. No more mentioning it.”

“You’re dropping it like this? You thought that I am cheating on you and you were so fierce!” Gu Weiwei snorted.

Seeing that the air was turning to the opposite side, Fu Shiqin snuck into the kitchen, poured himself some wine and got himself some snacks and started to watch the show.

Fu Hanzheng smiled and said gently, “Even if she is a woman, you should stay away from her.”

A woman who sent such a picture, must have been the one who came up with the idea of visiting the male prostitute bar.

She was going to be a bad influence on his girlfriend.

“Don’t change the subject. Did you see the picture?” Gu Weiwei countered, ignoring his words.

“Yes I did.” Fu Hanzheng said.

“How many times?” Gu Weiwei asked.

Fu Hanzheng chuckled. “Not many.”

“What do you mean? So you enjoy her boobs and long legs right?”

....

“...” Fu Shiqin looked at the girl who was interrogating his brother, dumbfounded.

Although the woman in the picture did have a great body shape, albeit with a man’s head, it was difficult to appreciate her body after all.

Chapter 404: Your Shape Only

Fu Hanzheng had no idea if he should cry or laugh at Gu Weiwei’s questions that were asked out of jealousy.

“No, I am not.”

“No way, you men always like this kind of body shape.” Gu Weiwei snorted.

Yuan Meng was tall and had an extremely excellent body shape.

Whenever she went to the beach in a bikini, she always attracted the attention of drooling men and jealous women.

After she got together with Master, she stopped fooling around.

So she often dressed up as a man and went out to have fun with girls, she had many beautiful, young ‘concubines’ in A Land.

She even wanted to take her on as one of them but she resolutely turned her down.

Fu Hanzheng chuckled. “I only like your body shape.”

Hadn’t he been obvious enough in bed, so why had she come up with such questions?

Hearing the words and seeing the man's intentional gaze, Gu Weiwei flushed and did not ask anything more.

Speechless, Fu Shiqin felt that he was once again filled with love, when he was only there for the show.

Weren't they going to argue? What were they doing, flirting with each other here?

Gu Weiwei picked up the picture on the table and tossed it into the dustbin.

"You are not allowed to look at such a picture again, if she ever sends you any more."

Fu Hanzheng frowned. "Is she still going to send me more pictures like this?"

"Not sure." Gu Weiwei replied.

That woman would do whatever she could, just to set her up.

"Then you should stay away from her, or she will have a bad influence on you." Fu Hanzheng replied.

Gu Weiwei nodded. "It is time to end my relationship with such a woman."

She had been an elegant, wealthy lady but after she got to know the Yuan Family, she had been taught how to talk dirty, to drink and how to start fights with people.

Fu Hanzheng touched her head in satisfaction and said to Fu Shiqin, who was still drinking his wine and eating food not far away from them, "What are you still doing here?"

Fu Shiqin pointed at the pile of documents on the table. "Then sign my paperwork so I can go."

He was absolutely unwilling to watch them showing off their love here.

Fu Hanzheng unwillingly released his hands from her shoulders and started to read and verify the documents Fu Shiqin brought to him.

Gu Weiwei went into the kitchen, made a mug of black tea and brought out the tiramisu she had made earlier from the fridge and showed it to him.

"I made it in the afternoon, try it."

Seeing the presented cake, Fu Shiqin drooled.

But it turned out that she only had two pieces, one for herself and the other for his brother.

"Sister-in-law, where is mine?"

"Not prepared."

Gu Weiwei said and dug the spoon into the cake and put it into her mouth.

There was no way he could eat the cake she had made, when he kept on saying that she was cheating on his brother.

Feeling wronged, Fu Shiqin desired the cake so badly! He really wanted to have a good taste of it.

She must have done it on purpose, really!

He had begged her to make tiramisu many times before but she had never agreed to and today when she finally made the cake, he was getting none.

Seeing Fu Hanzheng reading the files instead of touching the cake, Fu Shiqin asked with a smile, "Brother, you don't like deserts right? Let me help you with it, we mustn't waste food."

He was speaking as he reached out for the cake.

Fu Hanzheng gave him a cold look. "Still want this when you finished my birthday cake on the sly?"

Fu Shiqin laughed dryly. "You weren't eating it! I was helping you so as to not let it become inedible."

Honestly, Mu Weiwei made excellent cakes.

Fu Hanzheng signed off the file quickly and gave it back to Fu Shiqin.

"You can leave now."

Seeing the cake on the plate, Fu Shiqin was not at all in the mood to leave.

"Brother, just one bite, alright, one bite will do..."

"No way."

Then right in front of his face, he finished the cake.

Chapter 405: Leaving after Flirting

Seeing them finishing his favorite tiramisu, Fu Shiqin felt so saddened that he almost cried.

After he left Landscape Villa, he went out to buy the best tiramisu in the entire city but as he was eating the slice, he still thought that the one made by his sister-in-law seemed better.

When Fu Shiyi started the video-chat with him, he saw Fu Shiqin rapidly eating the cake, whilst looking annoyed.

"What happened to you?"

"My brother... he did not even offer me a slice of cake and even finished it in front of me! He did not even leave a smearing of cream for me to eat." Fu Shiqin said angrily.

Fu Shiyi snorted. "You stole our brother's birthday cake, isn't that enough?"

On his brother's birthday, they had not touched the cake before he stole it away and finished it alone.

"That was a mousse and this is tiramisu, they are totally different!" Fu Shiqin said.

"They are just desserts right?" Fu Shiyi said.

He just could not understand his second brother, who was so fascinated by desserts.

"I think that our brother is never going to escape Mu Weiwei." Fu Shiqin said in distress.

Fu Shiyi replied as he was exercising, on the other side of the video.

“It seems that you were trying to annoy our sister-in-law?”

This dumb-headed man... if he annoyed his brother, he would just be punished by his brother alone but if he annoyed both of them, he would be punished by the couple!

“I...”

Fu Shiqin wanted to spill out the truth but thought of his elder brother’s earlier warning of not mentioning it to anyone else. So he had to swallow down the words.

“Third Brother, if Mu Weiwei has secrets hidden from our brother, do you think that she is a good sister-in-law for us?”

“That is not for you to decide.” Fu Shiyi countered.

Fu Shiqin said, “What if...”

He just could not understand what secrets she was holding from his brother.

His brother was definitely going to be her husband, so she should tell him everything!

“Damn what if! Everyone has a secret! I am keeping your secret of wetting the bed at three years old.” Fu Shiyi teased.

Fu Shiqin reached out for the screen and ended the conversation.

In Landscape Villa.

Fu Hanzheng did not immediately return to the bedroom after finishing his work at 10:30 p.m. in the study.

The moment he entered the room, he saw his girlfriend, who had always worn cotton pajamas, was wearing a sexy, silk slip dress.

She was sitting with her back-facing him, and the thin straps showcased her exquisite shoulder blades and spine.

He approached and touched her shoulders as he chuckled. “Why are you dressed like this?”

Gu Weiwei looked sideways and chuckled.

“Like it?”

Fu Hanzheng leaned forward and was about to kiss her when the girl stopped him.

“Go and take shower!”

Fu Hanzheng had no choice but to take a shower in the bathroom and he did it very quickly.

The moment he came out of the bathroom, Gu Weiwei was already in bed.

They kissed passionately and it was completely breathtaking.

She had to leave home to go to a foreign country tomorrow, so they were relishing in the middle of their passionate kisses.

Fu Hanzheng was in the mood, when he lifted her sleeping gown and frowned as he felt the sanitary pad.

Then he took a deep breath and released her lips.

“On your period.”

“Yes.” Gu Weiwei nodded.

Fu Hanzheng frowned as his lips pursed. “You did it on purpose?”

She punished Fu Shiqin in the afternoon and now she was punishing him.

“What on purpose?” Gu Weiwei played dumb.

Fu Hanzheng looked at her momentary sinister look. “You put on a dress like this on purpose.”

She knew that he would not do anything to her when she was on her period.

So she put on a dress like this and left him cold after flirting with him.

Gu Weiwei pulled the dress back on, yawned and said, “I am catching a plane tomorrow, so I am going to sleep now.”

“Then what about me?” Fu Hanzheng asked.

Gu Weiwei glanced at his manhood that had already risen, and kissed him on the lips with a smile.

“Think of a way yourself, goodnight!”

Having said the words, she turned around and fell asleep with her back facing him.

He misunderstood her and bullied her.

She was not someone that compromised so easily.

Chapter 406: Pay-back

“Think of a way myself?”

Fu Hanzheng spoke fiercely. He just could not stand losing to her.

With her eyes closed, Gu Weiwei suggested kind-heartedly whilst chuckling secretly.

“You can spend the night with Ms. Hand, that would be fun too.”

She was running away tomorrow and due to the busy schedule, she would not be able to come home before the next period arrived anyways.

Fu Hanzheng approached and chuckled too.

“What about...”

Gu Weiwei suddenly curled into herself and said, “Don’t touch me, my belly is in pain.”

Fu Hanzheng gritted his teeth, got up and took another cold shower in the bathroom again.

When he returned to bed, he obediently stayed still and he did not have her in his arms either.

Early in the morning, Fu Hanzheng got up and was getting ready for work, whilst Gu Weiwei got up early too, to catch the morning flight. She was going to take part in the spokesperson contest of MG.

Fu Hanzheng had looked rather annoyed the moment he got up from bed.

Gu Weiwei, on the other hand, was in a great mood. She had a huge appetite for her breakfast and chuckled as she faced the man opposite her.

“How was your evening with Ms. Hand? Didn’t it go well?”

Fu Hanzheng said, “Are you thinking that you will never return after your work?”

“It was you who misunderstood me first so I could not get out of bed after two days!” Gu Weiwei snorted.

“You can repay me in the same way!” Fu Hanzheng replied.

“...” Gu Weiwei was startled for two seconds.

Did he mean that she could also make him paralyzed in bed?

She was not as horny as Yuan Meng who always started the bedroom tussles with her partner.

It was always the girl who had to suffer more in this situation anyways.

Fu Hanzheng checked the time. “When is your flight? I can drive you there.”

“No thanks, Jolin is coming here soon, we are leaving together.”

Gu Weiwei turned him down. He was way too busy a man to waste any time on driving her to the airport.

The moment she finished her words, Jolin’s call arrived.

She picked up the phone and asked him to come in whilst she herself went to get her luggage.

“After the spokesperson’s contest, I am going on the promotional trip. I may not have any interval time to come home.”

Fu Hanzheng frowned. “You are not coming back for New Year’s Eve either?”

The New Year was just around the corner, so she was not even planning to come home for the New Year?

Gu Weiwei thought for a while. “I will think about it.”

She only celebrated Christmas in A Land, not the Spring Festival.

And when Mu Weiwei spent the New Year at the Fu Family last year, not everyone was happy, so if she visited them again this year, Mrs. Fu might not be so happy about it.

She was just talking when Jolin entered. He greeted Fu Hanzheng as he took the luggage.

“Hi, Boss.”

Gu Weiwei put on her coat and said, “Let’s go.”

A few steps away, Fu Hanzheng called out to her coldly.

“Come back here.”

Gu Weiwei suddenly realized what she had forgotten. So she returned and took a hold of his neck and kissed him right on the lips.

“I am leaving now, bye.”

Jolin had wondered what made her return, so as he turned around, he happened to see the couple kissing.

Suddenly, he felt choked by the sweetness.

Then he took the luggage, walked out and entered the car. Then he asked Gu Weiwei as he saw her coming in, “What is with you and Boss? He doesn’t look so happy.”

“Men can also be displeased every now and then.” Gu Weiwei chuckled.

He was displeased, because he was not satisfied.

She was paralyzed by him for days a while ago and she had not been that happy either.

Well, well, well, repayment always came.

Jolin just could not understand the situation and instead gave her the pile of documents from the backseat.

“These are some documents about MG and the works designed by Martin Green. You must work hard on it to understand their style and orientation.”

Gu Weiwei did not bother to read those things. Martin spent years designing clothes for her at the Gu Family and no one could know more about his style and orientation than her!

Chapter 407: Interview of MG Spokesperson

The Headquarters of MG was located in Milan, Italy.

Jolin, together with her assistant, settled down in the hotel. The three of them had some food and the assistant said happily, “It is still early in the afternoon, let’s go and check out the Church!”

“We still have interviews tomorrow, so we had better sleep early.” Jolin said.

If she was able to become the spokesperson of MG Asia, then his girl would take a huge leap into the fashion industry.

He was not worried about her appearance and natural qualities but since the Eyes of the Eagle was not yet out in cinemas, she was not that popular yet. This was a disadvantage for her.

If MG cared more about fame and popularity, they would not succeed if some top actresses from the film industry were also there for the interview.

“Let’s go and check it out. It is not very far away either.” Gu Weiwei said.

Jolin glanced at her curiously. “You seem to know a lot about this place, you even acted as a guide in the car.”

“I speak foreign languages better than you so I read the road-signs.” Gu Weiwei chuckled.

Well, she used to be a wealthy lady, who always went to different fashion shows every year and spent a lot of money on everything.

She had been to Milan hundreds of times, so of course she knew this place well.

Jolin nodded and did not dwell on it more.

Gu Weiwei ate lunch, got changed into some casual clothes and showed them the Church.

Since there were not many fans here in this foreign land, they did not have to go out in disguise. They had a very pleasant time.

The Gothic style Church looked magnificent and Xu was so excited that they did not return to the hotel until deep into the night.

Jolin saw her back to her room and said at the doorstep, “You did not read a thing about MG, focus on it now! Just get some information about it. Every contestant is well prepared for this chance and you must be prepared too.”

Every other fashion brand had already signed on their new spokesperson, so there was no chance for them with those brands these days.

MG must be very competitive for the interested ones.

Also, not only stars from the film industry but some famous models too, were among the competitors.

“Alright, alright, I will read it now.”

Gu Weiwei asked him to leave, returned to the room and talked with Fu Hanzheng briefly; she then went to bed early.

Early in the morning, she arrived at the headquarters of MG and the representative showed them the rules of the interview.

The interview would go like this – everyone would put on a dress from MG and make a one-minute VCR to show the elegant style of MG.

She was just reading the interview regulations when Jolin took the clothes she was supposed to put on.

She and the assistant had just entered the fitting room when they ran into Li Xing’er who had just gotten changed.

Li Xing’er smiled as she saw her.

“What a coincidence that you are also here.”

She had topped the popularity ranks due to a TV-series as well as a new movie.

Wei Ziting had also helped her to deal with some internal relations, so she made it to the interview for the spokesperson’s contest.

But what did Mu Weiwei have?

The Eyes of the Eagle had not yet been released and the only work she had was a supporting role of the Long Wind.

Gu Weiwei smiled. “Yes, it is a coincidence.”

Having said the words, she entered the fitting room with her assistant.

Li Xing’er had been heavily teased in the fashion industry because of her overly sexy actions at the film festival.

She had spent a long time doing non-profitable activities and due to the new works with her that were on air, she gained her popularity back again.

Xu was helping her get changed as she mumbled, “What are we going to do? She is far more well known than us. What if she gets to be the spokesperson...?”

Chapter 408: Meeting with Ling Yan Again

Instead of making any more comments, Gu Weiwei consoled her assistant, got changed and went out for the shooting of the short VCR.

As she came to the lounge, she found that many people were here for the interview and most of them were from Asia.

There were several top movie stars from different countries, as well as a few slender and tall supermodels.

Jolin got increasingly worried. He had expected that the competition would be high but he had not expected that it would be this high.

“Oh man, we are doomed. Look at those people over there, they are all prize-winning icons.”

His girl was good-looking but she was not well known nor had she gained many awards.

Gu Weiwei glanced about and saw that they were all better-known figures than her.

Jolin noticed that she was not wearing any jewelry, so he frowned and said, “My girl, we are supposed to look elegant and noble. Why are you wearing none of the jewellery I borrowed for you!”

Everyone present was wearing a few pieces of precious jewelry and she was wearing none, she only got changed into a dress and wore a simple hair-style.

“We are here for the clothes, not for the jewelry.” Gu Weiwei said.

Jolin thought about it and found it reasonable. Jewelry might steal the show from the clothes.

“What about... calling Boss and asking him to help you?”

Gu Weiwei squinted at him. “No.”

As long as she asked him for help, all of her achievements would be because of his help, rather than her own abilities.

“You are in a fierce competition! Your movie is not yet released and everyone else is more famous than you. It would be impossible to get it unless you cozy up to your boyfriend.”

Jolin moved away from the assistant and begged with a small voice.

“Didn’t you tell me to stay clean from those powerful in the field rather than cozying up to them to get something?” Gu Weiwei asked speechlessly.

“But Boss is different!” Jolin whispered.

He disapproved of her cozying up to anybody in the field because he had no idea of her relationship with Boss.

But he was certainly going to beg her to cozy up to the big boss no matter what.

As long as she called him and flattered him, they could just skip the interview totally.

This mission was way too important. If she missed it, she might not be able to get a chance to go for any interviews, of such a top-notch fashion brand, within a year’s time.

“Can’t you be more confident about me?” Gu Weiwei glanced at him.

“I...”

Seeing that she was not taking his words seriously, Jolin got very annoyed.

What was the point of having a boyfriend that was so powerful like that, when she did not use him!

They were just arguing about it when Li Xing’er’s voice arose.

“Sister Ling Yan!”

Gu Weiwei followed the voice and saw that Ling Yan was here too. They were dressed in the same kind of dress for the interview.

And alongside her were two top managers of MG.

Jolin sighed helplessly. “Damn, we are totally done for.”

He had been very stressed by other competitors but now a legendary movie queen, with a widespread name, was here.

Not only he thought so, everyone else on set thought the same thing. Two people were whispering behind Gu Weiwei’s back.

“It seems that we are here in vain. Martin and the Gu Family have had years of cooperation and Movie Queen Ling always wears their dresses.”

“And she is the future Mrs. Gu, she has such a high reputation. This job is designed for her!”

....

Gu Weiwei sneered inwardly. Martin did work with the Gu Family but he signed the contract for her own sake.

She dismissed him after he finished designing the wedding gown, so he could return to his own place for his own fashion career.

As for Ling Yan... she always asked her for clothes and after she died, she picked up whatever she had left.

Chapter 409: Embarrassment

When Ling Yan appeared, every female star in the room walked forward and greeted her happily.

After the second voice incident last time, Jolin had hated this movie queen to the deepest degree.

If it had not been because of Xue Qing’s drug news, the second voice incident would not have disappeared so easily.

And now, she was still presenting herself as the movie queen. Had she forgotten what embarrassment she had caused to herself last time?

He poked at Gu Weiwei and said with a small voice, “Ask for help, get the job from her!”

Had she thought that just because she had Gu Siting, she could get everything?

His girl’s boss was even more powerful than Gu Siting.

“Let’s see if I can get the job first.” Gu Weiwei said.

She understood Martin’s works and his personality.

She might not necessarily lose in this competition.

Also, if she had to ask Fu Hanzheng for help to fight against Ling Yan, she would have been reborn in vain.

Since Li Xing’er and Ling Yan had met before, they soon started happily chatting with each other.

She had known that she might not be able to get the job due to the competitors around her but because Movie Queen Ling was here, no one else would be able to get the job anyways.

It was always better to let the Movie Queen get the job than someone else.

Especially when the Movie Queen had been seriously bullied by Mu Weiwei, due to the second voice incident. Li Xing’er had also received mean comments because she had shown support for Ling Yan.

If Movie Queen Ling Yan could get the MG spokesperson role, then she would take revenge alongside her.

She always got the best resources from the movies and she even gained popularity in the voice program.

She just could not believe that Mu Weiwei was always doing well in everything.

As long as Movie Queen Ling got this job, the Gu Family could just pass on a message to the fashion industry, so Mu Weiwei would never be able to get any fashion resources.

When everyone else was away, Li Xing'er reminded Ling Yan.

"Sister Ling Yan, Mu Weiwei is here too."

Ling Yan's smile stiffened. She saw Mu Weiwei in the direction Li Xing'er had pointed and started to look fierce.

She had never been embarrassed during the past few years or trapped for one night in a specimen lab that was full of body parts.

Seeing Ling Yan's expression, Li Xing'er sneered.

Movie Queen Ling could easily crush a small star like Mu Weiwei.

Gu Weiwei looked up and smiled as she saw Ling Yan looking in her direction.

"Movie Queen, what a coincidence."

Ling Yan's smile stiffened even more. "Hello Miss. Mu, we meet again."

Damn, why was she Fu Hanzheng's girlfriend?

She could not do anything about her.

She would never have made it to the interview of this kind of famous brand due to her low reputation, so she must have got some help from Fu Hanzheng.

"It is very normal that we run into each other, since we are in the same industry." Gu Weiwei chuckled.

They were just talking when Martin Green came in with his assistant, informing everyone to get ready and to be prepared for the shooting of the VCR interview.

Ling Yan smiled and stepped forward.

"Hi Martin, long time no see."

Martin Green looked at Ling Yan for a few seconds and thought for a long while with a frown.

"Who are you?"

This was a total embarrassment.

Everyone around was startled. Didn't Martin work as a private designer for the Gu Family for years? Why didn't he recognize the future Mrs. Gu?

Chapter 410: Weiwei's Wedding Gown

Martin Green's reaction was quite confusing. After all, it was said that Movie Queen Ling and Gu Siting had known each other for years.

He stayed with the Gu Family for years, how could he not recognize Gu Siting's girlfriend?

Also, even if he did not know her from the Gu Family, Ling Yan was famous because of Dream of a Long Life and she had gained so many prizes. How could he not recognize her?

Ling Yan's smile stiffened and said with a smile.

"You designed the clothes for me in the movie, Dream of a Long Life..."

Martin Green suddenly remembered after hearing her words.

"Oh, Weiwei mentioned you, Ms. Li Yan."

His assistant signed inwardly and reminded him with a small whisper.

"Mr. Green, her name is Ling Yan, not Li Yan!"

Reminded by his assistant, Martin Green apologized instantly.

"Sorry, I don't remember the names of people who I am not friends with, I didn't do that on purpose."

Due to the apology, Ling Yan felt even more embarrassed.

He was openly saying that he did not know her well.

Also, they had met several times and when Dream of a Long Life was mentioned, it was not her, the lead actress, who was remembered, but Gu Weiwei who was behind the scenes.

"It is very normal that you don't remember my name well, since we haven't met each other for years."

Martin Green asked the assistant to get the photographer ready and turned to Ling Yan.

"Please, is Weiwei with you now? I haven't been able to reach her for ages."

Ling Yan smiled. "Sorry, no. She is busy, so she doesn't show up so often these days."

Gu Siting had once stressed that before the Dorrans Family and the Gu Family came to an agreement, the news that Gu Weiwei passed away should not be mentioned.

Martin Green sighed in disappointment and then suddenly thought of something and seriously asked, "Oh yes, why did you take away Weiwei's wedding gown?"

"It was a present from Weiwei and Mr. Gu." Ling Yan said.

Could he not mention Gu Weiwei any more?

"No! She would never give it away to anyone. That's her wedding gown!" Martin Green looked serious and said to Ling Yan, "Please tell Mr. Gu that I am very angry about this."

Seeing Martin's unfriendly tone with Ling Yan, Jolin laughed inwardly.

When she called out his name earlier, people had assumed that she was very familiar with him but Martin Green did not even remember her name.

Ling Yan smiled without saying anything but a sneer flashed across her eyes.

Yes, that was her wedding gown but she was dead, wasn't she?

Gu Weiwei watched the scene in which Ling Yan and Martin Green met. Martin Green had met Ling Yan before, maybe at least seven or eight times.

But Martin had a bad habit. He barely remembered the names of anyone who did not interest him.

Therefore, even if Ling Yan was Gu Siting's fiancée and even if she played the lead role of Dream of a Long Life and gained endless prizes, for Martin who only focused on his own world, he did not know her at all.

The staff came and informed Martin Green that the interviews were going to start very soon.

Martin Green told the interviewees about his designing ideology as well as the feeling he would like to get out of this dress.

As he glanced over the crowd, he paused at the sight of Gu Weiwei and approached her after he had finished the speech.

"Are you... Mu Weiwei?"

The crowd who were waiting for the interview looked at this newbie from Hua Land in astonishment. Martin Green failed to recognize the famous Ling Yan but he recognized this new actress from Hua Land.

What was going on?
