

MY HIDDEN 561

Chapter 561 - Father

Startled, Gu Weiwei smiled.

“Of course.”

She had just been feeling regretful about this hurried meeting, when Martin came down to tell them that they could stay for dinner.

Cayman Dorrans had then come up to her and offered to show her his home.

Cayman Dorrans led the way and told her about the history of the ancient castle. He did not look like the arrogant and profound owner of the Dorrans Family at all.

Gu Weiwei stayed a polite distance away from him and listened to him with a smile.

This was the first time in more than twenty years that she had been so close to her real father, and probably the last time too.

Since she had decided to let go of the past, he should let go of everything that belonged to Gu Weiwei.

Be it the Gu Family or her father.

Standing by the window of the study, Matthew watched the two people talking and laughing in the distance. It did not look like the first time they had met.

As a friend of Cayman Dorrans who had known him for years, he knew him very well and he was not that friendly to anyone that he had just met.

He was making an exception for this Chinese girl today.

Cayman Dorrans led her to the back of the castle, where the Chinese wisteria had already been moved to.

Seeing the astonishment, Gu Weiwei felt complicated.

“Why are there Chinese wisteria?”

Cayman Dorrans glanced at it and said, “My daughter Vivian Dorrans loved Chinese wisteria when she was alive.”

Gu Weiwei pursed her lips and felt a bit bitter.

“She must be very pretty when she blooms.”

“Yes, she looked very pretty when she was blooming but I never had the chance to see her.”

Cayman Dorrans sighed and continued to lead the way.

Gu Weiwei looked at the back in front of her and tried hard to hold back her tears.

She had thought that when he placed her in the Gu Family, he did not think about her for so many years because he had forgotten about her.

Or maybe her existence was not that important to him.

But at this moment, she finally understood what he was thinking.

He had not forgotten about her, and it was exactly because he thought too highly of her that he wanted to give her a safe environment for her to grow up in. He did not want her to grow up in the midst of the mutual deception of the Dorrans Family.

However, the world was unpredictable and everything did not go according to his wishes.

“Did Yuan Shuo tell you anything when he was at the Fu Family?” Cayman Dorrans stopped and turned to her.

Startled, Gu Weiwei came back to herself and said, “When he and Yuan Meng saved Gu Weiwei, she was only injured. They have no idea what happened at the Gu Family.”

“Unknown?” Cayman Dorrans smiled deeply and said, “That is a very casual excuse.”

“If Yuan Shuo had betrayed you and helped Yuan Meng and the Anderson Family to kill her, they would have had many opportunities to do so. They would not have done it so many years later, and they would not have made themselves suspects so easily.” Gu Weiwei said.

Cayman Dorrans said, “It is a fact that the Anderson Family is involved, and it is also a fact that Yuan Meng is a member of the Anderson Family. Yuan Shuo failed in his duty that he swore with his life, but he failed to keep his promise.”

Gu Weiwei stayed silent for a while and reminded him.

“Mr. Dorrans, if you only pursue their mistakes, you may miss the real murderer.”

Cayman Dorrans looked sharp. “The real murderer?”

“When Yuan Shuo and his men saw her last, she was seriously injured but she died when she returned to the Gu Family and her heart was given to someone else. That is what you should be investigating.” Gu Weiwei said.

Chapter 562: Goodbye, Mr. Dorrans

Cayman Dorrans sized her up for a long time and said, “Fu Hanzheng taught you to say that?”

Gu Weiwei sighed. Because of her relationship with Fu Hanzheng, he would only think that she was trying to drive a wedge between him and the Gu Family.

“But that is a suspicious point that needs to be investigated.”

He was a very suspicious and stubborn man. He suspected the motives of everyone around him and he only believed in what he had achieved.

“I can’t deny that it is.” Cayman Dorrans said.

Gu Weiwei let out a sigh of relief. Then he should be checking on the Ling Family.

Although it might not be that easy to find out, as long as he started to check on the Ling Family, Ling Yan and the rest would definitely reveal something.

Cayman Dorrans looked at her deeply. "When did you meet Yuan Shuo?"

Gu Weiwei thought for a while and gave an ambiguous answer.

"A few years ago, he saved me in Hua Land and got to know my grandfather."

That was what she said to Fu Hanzheng too.

Cayman Dorrans smiled meaningfully and continued to walk forward.

"According to Yuan Shuo's report, he has not been to Hua Land for at least eight years."

"I don't think that he reports all of his whereabouts to you, such as his meeting with Yuan Meng." Gu Weiwei chuckled.

Fu Hanzheng never doubted their explanation, because he did not know Yuan Shuo well.

So he believed what they said.

Cayman Dorrans not only knew Yuan Shuo but also knew where he was, so her words sounded suspicious.

But what was he suspecting?

"Maybe." Cayman Dorrans said.

After that, he did not ask for any more details about when she had met Yuan Shuo.

Before they knew it, they had walked around the whole castle and the butler came over and said to them, "Sir, dinner is ready."

Cayman Dorrans turned around and saw Gu Weiwei behind him. "Let's go, my chef is not a bad cook."

"Thanks." Gu Weiwei smiled.

Gu Weiwei and the others stayed at the Dorrans mansion for dinner, but apart from her, everyone else was very reserved.

They did not dare to speak or make a sound when they were eating.

Martin Green was very nervous throughout the entire meal. He found it incredible that she and Cayman Dorrans could talk so freely.

He lived in Europe and he knew what kind of person Cayman Dorrans was.

It was so strange that Mu Weiwei could talk with him as if they had been friends for years.

After dinner, Cayman Dorrans saw them off and said, as Gu Weiwei was about to get in the car.

"Miss. Mu Weiwei, thank you for having dinner here tonight."

“We should thank you for your hospitality.” Gu Weiwei smiled.

“Miss. Mu Weiwei, for some reason, you give me a feeling of... familiarity.” Cayman Dorrans said.

Startled for a moment, Gu Weiwei laughed.

“I feel the same way too.”

Cayman Dorrans showed a rare smile. “If you ever come here again, you are always welcome.”

Gu Weiwei stayed silent for a moment and said goodbye with a smile.

“Goodbye, Mr. Dorrans.”

“Goodbye.”

Cayman Dorrans watched her get into the car and watched the MG film crew drive out of the manor and disappear into the night.

Matthew came out and stood next to him.

“Cayman, you are too concerned about Fu Hanzheng’s girlfriend.”

Chapter 563: Is Mu Weiwei Related to Weiwei?

There were still a lot of things waiting for him to deal with, yet he had the time to show a little girl around the mansion.

This was not the Cayman Dorrans he knew.

Cayman Dorrans said, as he watched the motorcade leaving, “Gu Siting is right, she does resemble Weiwei.”

Matthew looked at him and laughed.

“When you drove Weiwei away, she was only one years old and you had not met her for more than twenty years. How could you say that she resembles Weiwei when you did not get to meet her?”

Gu Siting said that Mu Weiwei looked like her. After all, he had lived with Weiwei for more than twenty years and it made sense that Mu Weiwei could be like her in some aspects.

But Cayman had never met Weiwei before, so how did he know that Mu Weiwei resembled Weiwei?

No matter what he thought, he could not figure out how he came to this conclusion.

“Seeing her reminds me of Weiwei.” Cayman Dorrans said.

She did not look like her, but when he talked with her, even when he looked at her, she reminded him of Weiwei.

Matthew sighed and said, “Her name sounds a bit like Weiwei.”

Weiwei’s death had been a huge blow to him, so when he saw a girl whose name sounded like Weiwei, he felt that she looked like Weiwei.

Cayman Dorrans ignored Matthew's teasing and went back into the house, talking as he went.

"Do you remember what Gu Siting said about the Heavenly Jewel?"

After a moment of silence, Matthew said, "Do you really believe in such a thing?"

Cayman Dorrans glanced at Matthew and said, "If it is true, I am wondering if Mu Weiwei has something to do with Weiwei."

"You must be dreaming!"

Matthew could not understand why he thought that Weiwei was related to someone else.

"I asked her how she got to know Yuan Shuo and she said that Yuan Shuo saved her a few years ago and they got to know each other."

"But Yuan Shuo has not been to Hua Land for at least eight years. She is lying."

...

Matthew still found it hard to believe his conjectures. He wondered if he had been possessed by Gu Siting because of his longing for his daughter.

"Even if she is lying, it does not mean that she is related to Weiwei."

Cayman Dorrans raised his hand and said, "Matthew, you don't know, but whenever I see her, I have an indescribable feeling of..."

"It feels familiar, alright?" Matthew said as he followed him into the study and closed the door.

Cayman Dorrans sat down at the desk and said, after thinking for a while, "What was the name of the person who has Weiwei's heart?"

"Ling Yan." Matthew said.

"Check everything that has happened since she met Weiwei." Cayman Dorrans said.

The thought of Weiwei's heart beating inside of her made him very uncomfortable.

Matthew said, "I have already asked my men to check. It will take some time before the actual report is made. You are in too much of a hurry, Cayman."

Cayman Dorrans sighed and said, "Also, keep an eye out for Gu Siting. If the person who gave him the Heavenly Jewel appears, bring him to me immediately."

"Ah?" Matthew found it increasingly strange.

Cayman Dorrans looked profound and said coldly, "If there is any news about Weiwei, I don't want him to know about it."

Chapter 564: Gu Siting's Life

Matthew mumbled.

"How can this be true?"

“Nothing is impossible in this big world.” Cayman Dorrans said with a profound look in his eyes. “If possible, I really hope that this miracle will come to pass, so that I can see Weiwei again.”

He owed Weiwei too much.

So he did not want to miss any chances of seeing her again.

“Should we check Mu Weiwei?” Matthew asked.

Didn’t he say that he and Mu Weiwei were somehow close?

Also, Mu Weiwei had hidden the fact that she and Yuan Shuo knew each other and Gu Siting had mentioned her before. What if there was a connection between them?

If Mu Weiwei was related to Weiwei, the sooner they checked, the sooner they could find out the truth.

Cayman Dorrans thought for a while and shook his head.

“We can talk about it when the owner of the Heavenly Jewel appears in six months time.”

“If what you said is true and Mu Weiwei is related to Weiwei, you would have found her sooner if you knew about it.” Matthew said.

He knew very well how much Weiwei’s death had affected him.

“If we check on her, won’t we be making things difficult for her?” Cayman Dorrans said.

The Gu Family and the Fu Family had too many new and old grudges, so they had to be careful if they checked whether Mu Weiwei and Weiwei were related.

If the Fu Family knew about it, they would suspect her too.

Also, not only would Fu Hanzheng suspect her, Gu Siting would also suspect her.

“I...” Matthew sighed and said, “You suspect that she is related to Weiwei, right? But you are not allowed to find out anything about her?”

“I told you that I don’t want Gu Siting to know anything about Weiwei.” Cayman Dorrans looked sinister as he said coldly, “What we need to do now is to find the real culprit.”

“It has been almost a year since the incident happened and it is not just a matter of time before we find out the truth.” Matthew said.

Seeing that he had been greatly affected after hearing about Weiwei’s death, he wanted to help him find out who the murderer was.

It was just that they had found out too late and it would not be so easy to find out everything.

“No matter how long it takes, I must find the murderer who killed Weiwei and make him pay with his life.” Cayman Dorrans looked cold and lethal.

His daughter would not die in vain.

Matthew nodded. He had known that he would do this, but when he thought of the current situation, he became worried.

“But if we terminate the collaboration with the Gu Family, we will suffer a great loss too. Someone is already objecting.”

For more than twenty years, the Dorrans Family and the Gu Family had been involved in many businesses. If they suddenly stopped the collaboration, both sides would be hurt.

Cayman Dorrans was not moved, he just said, “The first clause of the collaboration between the Dorrans Family and the Gu Family, is that Vivian lives in the Gu Family all the time. Now that she is gone, I am not in the mood to work with them anymore.”

It was already very kind of him not to kill Gu Siting.

Even if he had to face some losses, he was not willing to work with the Gu Family anymore.

“Alright, I understand what you mean. I will try my best to persuade the others to stop the collaboration.”

All these years, although Weiwei was not by his side, he had never given in when it came to his daughter.

Chapter 565: Look Clearly, I have Breasts

After dinner at Cayman Dorrans’s mansion, Gu Weiwei and her friends returned to the hotel.

The moment she entered the room, she saw a man dressed in a leather jacket, smoking leisurely, as if he were at home.

She was startled by what she saw but before she could say anything, Lei Ning, who was walking behind her, had already flown across the room and started fighting with him.

Fists and legs had no eyes, and in just a few moments, the chairs and tables were smashed into pieces.

In the end, Lei Ning’s dagger was pressed against the man’s neck and the man’s gun was pressed against her forehead.

“Lei Ning, we are family, don’t be so nervous,” Gu Weiwei said.

It was not a man in her room but Yuan Meng who was dressed as a man.

Even though the Dorrans Family was trying to catch her, she still came to meet her right under Cayman Dorrans’s nose.

Should she praise her for being brave or dumb?

Hearing her words, Lei Ning sized up Yuan Meng and withdrew her blade.

Yuan Meng took the opportunity to hold Lei Ning and tease her.

“Little beauty, you are quite skilled.”

Annoyed, Lei Ning was about to throw her over her shoulder.

However, Yuan Meng was prepared and did not let her get what she wanted.

By this time, Lei Ning started to fight with her again.

Standing next to the wall, Gu Weiwei and Jolin did not speak until they finished fighting.

“Are you done yet? Want to have another fight in the square?”

Yuan Meng picked up the wig and put it back on.

“She looks so cute, why is she so cruel?”

“Enough, you are not a man, why are you flirting with girls?” Gu Weiwei complained.

Especially when Lei Ning was a cute and fierce girl.

Yuan Meng put on the wig and lit another cigarette.

“You met Cayman Dorrans?”

“Okay, let’s talk.” Gu Weiwei found a place to sit down.

Yuan Meng glanced at Lei Ning and Jolin. “Can I talk with her alone?”

Lei Ning sized her up. “No.”

With the cigarette in her mouth, Yuan Meng removed her coat and lifted her clothes.

“Look clearly, I have breasts, I’m not a man.”

“...” Startled for two seconds, Lei Ning opened the door and left with Jolin.

Yuan Meng got dressed and blew out a smoke ring.

“You saw him but you didn’t say anything?”

Actually, as long as she and Cayman Dorrans acknowledged each other, she and Yuan Shuo would have nothing to do with each other.

“Can I say it when I am like this?” Gu Weiwei sighed.

She was living as Mu Weiwei and she would not be recognized by Cayman Dorrans.

What was more, it involved the grudge between the Fu Family and the Gu Family.

“You have been searching for him for so many years, are you not satisfied?” Yuan Meng asked.

Although Yuan Shuo had been hiding everything about the Dorrans Family from her for years, she knew everything about the Anderson Family.

“At least they have some sort of closure. Since Gu Weiwei is dead, let them think that she is dead.” Gu Weiwei said.

She might not be able to reunite with Cayman Dorrans. If she did in her current situation, she would pay a great price doing so.

She was already satisfied that she could meet him up close and have dinner with him.

Yuan Meng tapped the cigarette and said, "I don't think it will go as you wish. The Anderson Family received the news that Gu Siting will know where you are in half a year."

Chapter 566: Everything

Gu Weiwei squinted. "Know where I am?"

"Cayman Dorrans went to the Gu Family because he wanted to take away your body. It is said that Gu Siting wants you to stay there, so that he can know where you are in half a year's time." Yuan Meng said.

Gu Weiwei thought about what she had said and stayed silent for a long time.

Fu Hanzheng had also told her that Gu Siting and Cayman Dorrans might have reached an agreement, which is why he did not take away her body.

It seemed that Yuan Meng knew the reason.

"Cayman Dorrans made an agreement with Gu Siting on this matter, so he did not bring you home." Yuan Meng said and looked at her. "If this news is true, Gu Siting will know who you are in six months time."

Gu Weiwei's heart sank. Half a year later, she and Fu Hanzheng would be getting married.

If what Yuan Meng said was true and Gu Siting knew where she was, then the wedding would not go as smoothly as she had expected.

If it was before, she would not have believed it.

But she had been reborn in someone else's body after she died, so of course she could be open to believing some ridiculous news.

"If he really knows half a year later, you have to make plans." Yuan Meng said.

Gu Weiwei took a deep breath. "I won't admit it."

No one would believe that she was Gu Weiwei, even if he came to her and told her that she was Gu Weiwei.

"Even if you don't want to admit it, he will not allow you to marry Fu Hanzheng." Yuan Meng said.

That was what she was worried about. If Gu Siting found out about the secret that she and Yuan Shuo had been keeping for her...

In the past, he had distanced himself from her, refused to see her and even slept with Ling Yan.

But when she was gone, he started to search for everything about her.

If he knew that she had become Mu Weiwei and that she was going to marry Fu Hanzheng, he would not let it go.

"If I am not allowed to marry Fu Hanzheng, what else does he want me to do? To return to the Gu Family?" Gu Weiwei smiled coldly.

If he dared to ruin her marriage with Fu Hanzheng and make her unhappy, then none of them would have a good time.

Yuan Meng said straightforwardly, "Of course he would make such a request."

She had never liked Gu Siting. She had told Weiwei that she had been blinded by love but Weiwei had stubbornly denied it.

Luckily, after her death, she had better taste and fell in love with Fu Hanzheng.

"Stop talking about me, don't you care about Master and Yuan Bao?"

Gu Weiwei changed the topic, not wanting to talk about her relationship with Gu Siting anymore.

"If I had to busy myself worrying about them, I would have thrown them away already." Yuan Meng said.

She knew her man and her son too well.

Even if she was gone, they would not miss her that much. Yuan Bao might even eat more when she was not around.

Gu Weiwei smiled helplessly. "Alright, you win, they are not for you to worry about. Master is doing well with the recovery and Yuan Bao is being very obedient at the Fu Family."

Yuan Meng nodded, not surprised at all.

Gu Weiwei stayed silent for a few seconds and asked, "Everything... is okay when you returned to the Anderson Family?"

Yuan Meng said, "Except for a foreign man who wants to flirt with me all the time, nothing else matters."

Gu Weiwei was speechless.

Master, someone is trying to steal your girl!

Chapter 567: Everything (2)

They were just talking when the door was opened and a tall foreign man with blonde hair entered the room.

"You are so naughty, sneaking away again..."

Yuan Meng took out the gun from behind her waist and shot at the man.

"Damn, if you yell so disgustingly, I will shoot you!"

"..." Gu Weiwei threw a look at Yuan Meng and then at the blonde man who had rushed in.

This must be the man she was talking about, the foreigner who had been trying to flirt with her.

Sh*t?

Fu Hanzheng seemed to have told her that Yuan Meng's real name was Jiang Se and her name changed, after she joined the Yuan Family.

The blonde man raised his hands in surrender and greeted Yuan Meng, when he then noticed Gu Weiwei sitting next to her.

"Oh, hello, I am Alex Anderson, the fiancé of Se."

"Fiancé?!" Gu Weiwei looked at Yuan Meng in astonishment.

Her son was three years old, how could she have a fiancé?

"Damn it, if you mention the word fiancé again, your brains are going to explode!" Yuan Meng reminded him angrily.

Gu Weiwei said, "Can you tell me what is going on! Fiancé?"

"This foreigner asked me to marry him, but I did not agree." Yuan Meng said calmly.

Also, that was before she went to the Yuan Family.

Gu Weiwei sized up Alex Anderson thoughtfully – he must be a descendant of the Anderson Family.

Since Yuan Meng was so close to him, she must not have been mistreated in the Anderson Family.

"But I asked you to marry me and you are my fiancée." Alex Anderson said in broken Mandarin.

"I am a woman with a man and a son." Yuan Meng repeated what she had said countless times.

But Alex Anderson laughed.

"I told you that I don't mind their existence, even if we all live together."

With the gun in her hand, Yuan Meng resisted the urge to pull the trigger.

"Are you planning to sleep with my man too?"

If it had not been for the fact that Anderson had saved her before and this man's surname happened to be Anderson, he would have died many times in her hands.

She had known for a long time that this man liked both men and women.

Gu Weiwei felt her forehead. She could not stand their messy relationship anymore.

"Well, if you have nothing else to say, I am going to the airport."

She had to go to Paris tonight and meet Merlin tomorrow to discuss the details of the wedding gown.

Yuan Meng checked the time and realized that she was in the territory of Dorrans and being with the golden-haired foreigner was not ideal.

"I will think of a way to find out how Gu Siting will find out about the news in half a year's time. If possible... let's stop it from happening first."

“Thanks.” Gu Weiwei smiled and said, “Let me know if you find anything.”

Yuan Meng nodded and suddenly asked, “Actually, why don’t you hide in Fu Hanzheng’s arms and let him fight with Gu Siting?”

“That is the last thing I want to do. Before he knows about it, I want to stop all the rumors.” Gu Weiwei said.

He had given her too much and she had to deal with some of the problems that she had brought herself.

She did not want anything to ruin her and Fu Hanzheng’s happiness, so before she presented all of her past to Fu Hanzheng, she had to deal with everything in secret.

Yuan Meng sighed and swallowed her words.

She knew that she did not want Fu Hanzheng and the Fu Family to know about her past and for it to then affect their relationship, but it was too much for her to face everything alone.

Chapter 568: Failed Blind Date

Gu Weiwei said goodbye to Yuan Meng and Alex Anderson at the hotel, packed up her things and hurried to the airport.

She planned to fly to Paris in the latter half of the night and discuss the details of the wedding gown with Merlin the following day.

As she was waiting for the plane at the airport, the group chat that had been silent for a long time suddenly became lively again.

Fu Shiyi: [I am extremely good-looking, high class and very wealthy, so why am I so unpopular in the blind dating department?]

Fu Shiqin: [Isn’t that normal? Do you really think that everyone loves you?]

He Chi: [Oh my, the blind date turned south!]

...

On the day that Gu Weiwei left the capital and came to Italy, Fu Shiyi woke up early in the morning and asked the stylist to make him look very handsome.

He even asked someone to draw on eyeliner for him.

Then he went to the place where he was supposed to meet his blind date.

However, the meeting place was not a café, but the venue of the French Renault Formula 1 series in Asia.

Coincidentally, Fu Shiyi was a man who liked racing and sports cars, but he had never had the chance to watch such a competition because of work, so today was the perfect time for him to watch it.

He and his blind date had arranged to meet at a spot where they could watch the competition together.

But when the competition started, he was so excited that he totally forgot that he was there for a blind date.

The competition was very exciting. The number 17 racing car that he had been optimistic about, was overtaken by two others in the eighth round and he was so annoyed that smoke almost erupted from his ears.

Finally, number 17 gained the lead position in the thirteenth round and managed to take the championship.

When he saw the car heading towards the finish line, he grinned widely with his hands on his hips.

When the competition ended and all the drivers came out, it was not until the 17th driver removed his helmet that he realized that it was a female driver...

And she was the only female driver.

“Damn, so beautiful?”

There were very few female racers in the racing industry but every single one of them were very skilled.

He watched from afar for a long time until the Old Lady called.

“Shiyi, have you met the girl on the blind date yet?”

“Not yet, she seems to be late.” Fu Shiyi suddenly remembered that he was here for a blind date.

“Call her, grandma will be waiting for your good news.” Old Lady urged.

Fu Shiyi ended the call with the Old Lady and called his blind date.

The call did not go through the first time and it was not until the second time that someone finally answered.

“Blind date?”

The girl’s voice was very sweet and pleasant. It was very noisy in the background and it sounded like she was at the racing track too.

“I say, since we are on a blind date, can’t you show up on time? I am very busy too...”

“I am not late.” The girl chuckled.

Fu Shiyi looked up and saw a handsome girl in a uniform, walking through the crowd towards him.

17... number 17?

Was that good-looking female driver here for a blind date?

Startled for two seconds, Fu Shiyi said, “You are... Ding Dongdong?”

Shouldn’t she be a sweet gentle girl?

Why was she so handsome?

“You are...” Ding Dongdong sized him up and hung up. “Fu Shiyi?”

“I am.” Fu Shiyi removed his sunglasses and said.

Of course He was Fu Shiyi, how could he not be when he was so famous?!

Chapter 569: Failed Blind Date 2

Her looks and figure were his type, and even her hobbies were the same as his.

Fu Shiyi was feeling a little excited and invited her out for a drink.

“It is still early, how about... some coffee?”

Ding Dongdong brushed her hair away from her face and said, “Sorry, I am not interested in having coffee with you.”

“Not... interested?” Fu Shiyi, who rarely got rejected by women, found it hard to believe that he had been turned down.

“Yes, I am not interested in having coffee with you or seeing you ever again.”

Although Ding Dongdong said no, she continued to gently smile.

“Give me a reason why!” Fu Shiyi was so annoyed that he placed his hands on his hips.

Apart from his brother, he had never lost to anyone else.

They had only met for five minutes and yet he had been turned down by his blind date.

He had woken up early in the morning so that he could impress her with his on-trend hairstyle and latest outfit, yet she had turned him down.

“No reason, I just don’t like people like you.” Ding Dongdong was still smiling. He noticed that there were faint dimples showing on her cheeks.

Fu Shiyi stared at her for a few seconds and found her a bit familiar but he could not remember where he had seen her before.

“I mean... have we met somewhere before?”

She did look familiar when she smiled, especially with those dimples.

Ding Dongdong found it funny. “Third Master Fu, if you flirt with girls like this, you will quickly become outdated.”

Fu Shiyi gritted his teeth. “Alright, let’s not talk about that. You have only met me for a few minutes and yet you are sure that you don’t like me?”

“I don’t like narcissists like you.” Ding Dongdong said with disdain.

“Narcissist?” Fu Shiyi got so annoyed that he stuttered. He pointed at himself and said, “I am just being confident, don’t you understand?”

So what if he was a narcissist?

What was wrong with that?

“I don’t understand and I don’t want to understand either. Goodbye.”

Having said these words, Ding Dongdong turned around and left without looking back.

“You... you will regret it!”

Fu Shiyi was very annoyed. He was such a good-looking man but he was turned down the moment he met his blind date.

He was an expert at flirting with girls but he was turned down. How would his reputation survive if word got out?

But when he saw Ding Dongdong walking away, he frowned.

Not only did she look very familiar when she smiled, but she also looked a bit familiar from behind.

Could she be one of his ex-girlfriends? But he had always had a very good memory and he could remember the names of all his ex-girlfriends. None of them were called Ding Dongdong.

Not far away, Ding Dongdong picked up a call from her friend.

“Dongdong, how is your blind date with Fu Shiyi going?”

“I just had it.” Ding Dongdong said and turned around.

“He did not recognize you?”

“No.” Ding Dongdong said.

“True, you have lost so much weight that even I can’t recognize you, let alone him recognizing you.”

Ding Dongdong went over to a hidden corner and sneaked a peek at Fu Shiyi, who was still standing there with his hands on his hips.

“He seems to be angry?”

“Angry, are you not on a date?”

“He asked me out but... I turned him down.”

Seeing Fu Shiyi’s annoyed expression because he was turned down, Ding Dongdong could not help but laugh.

“Rejected? Didn’t you wait eight years for him? Why did you turn him down?”

Seeing Fu Shiyi leaving, Ding Dongdong said, “When has he ever cherished anything that is given to him?”

He would not cherish her if she was too easy to get, especially because he was Fu Shiyi.

She did not want to repeat what had happened eight years ago.

Chapter 570: Flirting

Fu Shiyi was deeply affected by the failure of the blind date.

After a gloomy day, he called her again to ask her out.

Unexpectedly, he was turned down by Ding Dongdong again.

So he complained in the group.

But not only did they not console him, they even rubbed salt into his wounds.

That night, after Fu Shiqin and He Chi both got off work, they went to drink with Fu Shiyi.

“Come on, let’s get drunk so that we can rid our minds of our worries. Then we can drink to our hearts’ content.”

Fu Shiqin poured him a glass of wine and consoled him.

However, Fu Shiyi still felt depressed after drinking it.

“She turned down someone like me, is she blind?”

“It is just a failed blind date, why must you be so hurt about it?”

He Chi could not understand why he had been so depressed for the last two days, just because of this matter.

Fu Shiyi asked furiously, “When did I get hurt? When did I get hurt, huh?!”

Fu Shiqin and He Chi exchanged a look and asked curiously, “How are you not hurt?”

“This is not because there’s a problem with me, it is just her lack of taste.” Fu Shiyi argued.

“That is because you have not met her standards.” Fu Shiqin said.

He was just someone in the entertainment industry and yet he thought that he was the most charming and loveliest person!

Fu Shiyi asked, “Second Brother, what do you mean?”

Fu Shiqin and He Chi exchanged a look and curiously said, “Alright, alright... let’s not talk about you anymore. Tell me, who was your blind date?”

Fu Shiyi showed them the picture.

“Ding Dongdong. She is a dancer and is also very good at car racing.”

Fu Shiqin and He Chi took the opportunity to memorize her contact details.

“Oh my, isn’t that the number one driver of AFR in Hua Land?”

Hearing their words, Fu Shiyi instantly told them what he had seen.

“Let me tell you, it was very exciting to watch her in action. She was overtaken by two others in the middle of the race, even though she had always been in the lead position. In the last few rounds, she took the opportunity to counterattack...”

Fu Shiqin frowned as he saw Fu Shiyi's starry eyes.

Could it be that this man had failed to seduce her and was now the one being seduced?

Fu Shiyi had two dreams, one was to become an actor who made a living because of his face and the other was to become a racing car driver.

His first dream had been realized but not his second dream. Now, he had gone on a blind date with a rare female racer and he was so excited.

He Chi said, "Third Brother, are you interested in her?"

"Do I like her?" Fu Shiyi snorted and brushed his hand through his hair. "I want her to fully realize my charm and prove her own capability."

Fu Shiqin raised his glass. "Good luck."

"If I can't flirt with her, my surname will not be Fu." Fu Shiyi swore that he was not going to be defeated.

The following day, he went to change his style and once again, confidently called Ding Dongdong to invite her for a coffee.

Once again... he was ruthlessly rejected.

Just as he was about to smash the phone, Fu Shiqin sent him a text.

It was a picture of him and Ding Dongdong drinking coffee together.

What was more, he had captioned it with something infuriating.

[It is not that difficult to meet Dongdong.]

"Damn you, Second Brother!"

Not only Fu Shiqin but also He Chi, went to have a cup of coffee with Ding Dongdong.

He also took some pictures and sent them to Fu Shiyi.

Fu Shiyi was so annoyed by them that he almost vomited blood. He called them on the spot and told them to end their friendship.
