

MY HIDDEN 741

Chapter 741: Hand Kiss

"..." Fu Shiyi glared at the man who had snuck in.

Seriously?

This was his brother's girlfriend, what was he interested in?

Gu Weiwei laughed dryly. "Thank you for your compliment, Mr. Gustav."

"Good to see you," Anthony Gustav said, as he stretched out his arms for a passionate Western-style hug.

Gu Weiwei took a step back with a smile and reached out for a handshake instead.

Anthony Gustav sighed regretfully and reached out for her hand, but he was about to kiss it.

Fu Shiyi reacted quickly and covered Gu Weiwei's hands.

So Anthony Gustav's kiss firmly landed on the back of his hand.

All of a sudden, the air turned quiet.

Gu Weiwei was startled by what she saw. Anthony Gustav was dumbfounded. He looked down at the hand he had just kissed and could not believe that he had kissed a man's hand.

The guests around them were also startled by this shocking scene. The Swedish Prince seemed to like this Movie Queen, who was worth billions, otherwise he would not have asked Mu Weiwei to hug him, when so many female guests had only shaken his hand.

It was not a rare thing in the West.

But what was Third Master Fu doing?

It seemed that he was trying to stop Prince Anthony from kissing Mu Weiwei, but he had always claimed that they were just working partners.

Why was he so nervous? It was just a kiss on the back of her hand!

Fu Shiyi took back his hands, wiped them on his suit jacket and whispered, with his teeth clenched, "How did you sneak in?"

"I would be useless if I can't even get a single invitation card," Anthony Gustav said straightforwardly.

Ever since Weiwei returned to Hua Land, she had been staying at Fu Hanzheng's home and he had not had the chance to meet her.

That was why he had used some tricks to sneak into today's event, so that he could meet her.

Fu Shiyi wiped off the back of his hand and glared at him, as he warned with a low voice, "I am warning you, stay away from my sister-in-law."

However, Anthony Gustav ignored his warning and sat down next to Gu Weiwei.

“Sorry, my seat is right here.”

Fu Shiyi gritted his teeth and said to Gu Weiwei, “Change seats with me.”

Gu Weiwei did not object but sat down in Fu Shiyi’s seat, so that he could sit in her’s.

Fu Shiyi sat down between her and Anthony Gustav, glared at him provocatively and texted his brother about the situation.

Luckily, his brother had the foresight to invite him.

Otherwise, something big would have happened tonight.

Since Fu Shiyi was around, even though Anthony Gustav had snuck into the event, he did not have time to talk with Gu Weiwei.

The moment the event ended, Gu Weiwei left early to meet Fu Hanzheng.

Gu Weiwei had been worried that Fu Hanzheng would get angry, but when they got into the car, he said nothing about it.

However, after this incident, Anthony Gustav did not show up at the site where she was working and he did not call her using a strange number either.

What was even more strange was that after a few days, he left Hua Land, in an almost emotional breakdown.

Gu Weiwei had no idea what had happened, but she was sure that Fu Hanzheng had done something terrible.

Chapter 742: Imprisonment

Gu Weiwei had no idea why and how Anthony Gustav left.

It was not until Fu Shiyi came back from work and brought it up at home.

“Hey, where is Anthony Gustav? I asked Xu Qian, and he said that he returned to the country the day before yesterday,” he said as he glanced at his brother, who was picking out the fish bones for his sister-in-law.

Wasn’t Anthony very persistent?

What had his brother done? Anthony Gustav did not even pursue his true love and returned home without saying a word.

“Nothing, just that there are too many girls who want to court him in Hua Land.” Fu Shiqin put down the ribs and answered his question.

Hearing his words, Fu Shiyi felt that he had missed a great show.

Then he gave Fu Shiqin two pieces of his pork ribs.

“Don’t hold anything back, just say whatever you want to say.”

Gu Weiwei had expected that Fu Hanzheng was involved, but she was not as curious as Fu Shiyi, who insisted on getting to the bottom of the matter.

Seeing the two ribs on his plate, Fu Shiqin put down the chopsticks, wiped his mouth and said, “Although Anthony Gustav crazily pursued our sister-in-law, he is still a Swedish prince. There are many girls who like princes in this world, especially a good-looking one like him.”

Fu Shiyi rolled his eyes and said, “So let me guess, our brother revealed his whereabouts to the public, and caused a group of female perverts to go after him and harass him?”

“Bingo!” Fu Shiqin snapped his fingers and continued to eat the ribs.

He was giving him a taste of his own medicine, and the effect was doubled.

Those girls who were obsessed with Anthony Gustav, showed up everywhere he went and even snuck into his apartment.

Anthony Gustav changed accommodations every few days, but they were all discovered by the crazy fans.

Although the bodyguards tried their best to drive them away, they still could not defend themselves.

They followed him everywhere he went, driving him crazy.

A few days later, Anthony Gustav packed up and went home.

Fu Shiyi threw a look at his brother, who was expressionless. “You are too cruel.”

Anthony Gustav was one of the heirs of the Swedish royal family, so they could not do anything to him physically.

But he had been pursuing his sister-in-law, and his brother could not stand it anymore.

Therefore, although he could not mistreat him physically, he could mentally.

It was no wonder that Anthony Gustav ended up being so stressed that he had to return home. He was being tracked and monitored all the time!

When they were celebrating the departure of Anthony Gustav, Li Xing’er was so worried that she could not sleep for days because she saw the report about Mu Weiwei returning to the country.

She wanted to ask Kerry why he had failed, but when she went to the Blue Succubus Bar, she could no longer find him, so she had to meet Zhou Meiqin in the detention center.

The moment Zhou Meiqin saw her, she impatiently asked, “Did you finish the business I asked you to do?”

Li Xing’er shook her head. “It failed.”

“Failed? How did you fail? Did you really find Kerry?” Zhou Meiqin asked in disbelief.

“We can’t find Kerry.” Li Xing’er said. Someone at the Blue Succubus Bar told her that Kerry had failed the mission and died.

And instead of Mu Weiwei dying, she had returned home... unscathed.

If they investigated and found out that she was involved in the assassination attempt, she would probably be sent to jail too.

Chapter 743: Mu Weiwei

“How could that be...” Zhou Meiqin was worried that Li Xing’er did not understand what she was trying to say, so she wanted to ask her directly.

But when she saw the guard standing by the side, she gritted her teeth and swallowed the words.

“Mom, I know what you are going to say, but it failed,” Li Xing’er said.

She had not heard any information about Mu Weiwei for days, so she had thought that she would not return home alive.

In the end, she returned to the country within a few days and participated in an event. She was not dead or injured at all.

Zhou Meiqin gritted her teeth. That man said that Kerry’s men had never failed before, so how could they fail to deal with Mu Weiwei?

“Then... what is the situation now?”

“If we can’t find Kerry, I am afraid that she will come to me.” Li Xing’er said with a tired face.

Ever since Mu Weiwei returned home safe and sound, she had not slept for several nights.

It was not easy for her to have captured Wei Ziting and threatened him to marry her, after such a terrible sequence of events had happened at home.

If Mu Weiwei found out that she had bribed the murderer to kill her, she would probably be sent to jail too.

By that time, she and Wei Ziting would have reached the end of their relationship and the child would be born in jail.

Then her life would be over.

“You are pregnant with Wei Ziting’s child, I don’t believe that the Wei Family will sit and do nothing about it,” Zhou Meiqin said.

“Mom, things are different now...” Li Xing’er sighed.

Although Wei Ziting was married to her, he was not as close to her as before.

Her mother was in the detention center and she had no idea how difficult her situation was.

Zhou Meiqin was not convinced. She just could not understand how Mu Weiwei escaped from Kerry’s hands.

Even if she had become quite popular after making the movie, and had around two bodyguards with her, she would not be able to beat those killers.

But she was not dead and came back unharmed.

Was she really lucky or did she have someone backing her?

The mother and daughter talked for half an hour and the visiting time came to an end.

Li Xing'er left the detention center with a serious face. She had been paying attention to the news in Stockholm, Sweden. A few days ago, the news reported that Mu Weiwei was attacked.

She had no idea what they had found out.

She had thought that it would work, so she used Wei Ziting's account to transfer the money.

If she was found... she would be doomed.

She went to the parking lot and was about to get into the car, when the window of a car parked next to hers rolled down.

"Li Xing'er, you come to this detention center so often, it seems that you like this place."

Seeing the girl sitting in the car, Li Xing'er turned pale.

"Mu... Mu Weiwei, what are you doing?"

Gu Weiwei pushed open the door and got out of the car with a cold smile.

"Shouldn't I be the one asking you that?"

Li Xing'er took a step back and looked very guilty.

"What do you have to ask me?"

She did not know if it was because of fear or something else, but her voice started to tremble.

Gu Weiwei chuckled and reminded her.

"I was attacked in Stockholm, shouldn't I ask you about it?"

Li Xing'er's face turned even paler. If she had not been holding onto the car door, she would have lost her balance.

"What does being attacked have to do with me?"

Chapter 744: Deal with Li Xing'er

Seeing that she was not going to give up, Gu Weiwei took out an invoice of Wei Ziting's account.

"The recipient of this money is one of the murderers who attacked me in Stockholm."

Li Xing'er's face had lost all color. She held the car door nervously, not knowing what else to say.

"Maybe I should ask Wei Ziting why he transferred the money."

“Don’t ask him, it was me... I transferred the money and I bribed the murderer. What do you want?” Li Xing’er knew that it was useless to come up with excuses, so she admitted that she had hired the murderer to Mu Weiwei’s face.

If Mu Weiwei had the evidence with her, she could be sent to jail as long as it was given to the police or a lawyer. There was no need for her to come to her.

So he must have some other purpose.

“Good, as long as you are willing to admit it.” Gu Weiwei folded the paper and glanced at Li Xing’er’s belly. “You are already married to Wei Ziting and you don’t want to get divorced, or go to jail and have this child.”

Unconvinced, Li Xing’er gritted her teeth and asked, “What do you want?”

“I want to know how you found Kerry and his men.” Gu Weiwei did not want to beat around the bush and asked straightforwardly.

It was impossible for the Li Family to find such a person.

So someone must have offered them this opportunity.

Also, it must have something to do with the Anderson Family, the man, and Ling Yan, who wanted her dead.

Li Xing’er thought for a while and did not answer her.

“He is dead, why are you asking?”

She had the chance to send her to jail, yet she was asking her these questions. What was she up to?

“You just need to answer me. If you don’t answer me, I can leave it to the police, and you can answer them slowly.” Gu Weiwei was smiling, but what she said sounded very threatening.

Li Xing’er sneered. “So you are not going to hand me over to the police?”

“Let’s see if what you are talking about is worth anything. If it is, I won’t try to kill you and your child by sending you to prison,” Gu Weiwei said.

If she wanted to find that person as soon as possible, she could not just wait for the news from Yuan Meng.

If she could find the person who had helped the Li Family and found Kerry, she might be able to find out more.

Li Xing’er was not convinced. “Are you that kind-hearted?”

“Whether I am or not, do you have a choice?” Gu Weiwei sneered and said, “Either you tell me, and I will let you go if I am in a good mood, or I will tell the police at the police station.”

Li Xing’er thought for a while and said, “My mother asked me to find Kerry at the Blue Succubus Bar. She said that someone introduced him to her.”

Since she was going to die anyway, she would take the risk.

Hearing the words, Gu Weiwei asked, "Who introduced her to him?"

"She did not tell me anything, but asked me to find this man and give him the money." Li Xing'er told her everything she knew.

Gu Weiwei pursed her lips thoughtfully – someone was trying to kill her.

This man who introduced Kerry to Zhou Meiqin was the key.

"Ask Zhou Meiqin about the person who introduced her to Kerry and then tell me, then... I will not pursue this matter for the time being, so that you can have this child without worries."

Li Xing'er looked at her, wondering what she was up to.

"How will I know if what you say is true or not?"

"Believe what I say, and maybe then you can still be Mrs. Wei outside. If you don't believe me, you can go to jail." Gu Weiwei said impatiently.

She had her future in her hands and yet she still dared to bargain with her.

Li Xing'er thought for a while and answered, "Okay, I will get the information for you."

Gu Weiwei said, "Three days, I am only waiting for three days."

Chapter 745: Deal with Li Xing'er 2

With the evidence presented by Gu Weiwei, Li Xing'er had no choice but to help her find out who had helped her mother find Kerry.

Since visiting hours had ended, she had to go home and meet her mother the following day.

When she thought about it, after she returned home, she had a feeling that Mu Weiwei was not as simple as she had thought.

Mu Weiwei had evidence that could put her in jail, but instead of giving it to the police, she came to ask her about the person who helped Zhou Meiqin hire Kerry.

Kerry was already dead, so why was she still trying so hard to find this man?

If it had been just to find the murderer, she and her mother would have been the culprits behind the murder, and it would have been Kerry who had killed her. But now she was in a hurry to find an unimportant middleman, which was very unusual.

Or could it be that this informant... had other intentions, when he offered her mother a way to murder the girl she wanted to kill?

If it had not been for that reason, Mu Weiwei would have already sent her to jail.

Although she had quit the entertainment industry, with Mu Weiwei's popularity, she was still the focus of the paparazzi, albeit negatively.

She did not have a manager or her own team, so Wei Ziting was the one who arranged everything for her.

So she suggested to Wei Ziting at dinner, "Brother Ziting, I want to visit my mother tomorrow."

Wei Ziting looked at her curiously. "Didn't you just go there today?"

"I went there today and saw that my mother was not feeling well, so I thought of... giving her something to help her," Li Xing'er said.

Of course she did not dare to say that it was because of her deal with Mu Weiwei.

Although she had no idea if Mu Weiwei would really let her off, if she gave her what she wanted.

But now, she had no other choice but to do so, in order to avoid the worst case scenario.

Wei Ziting thought for a while. "You are pregnant now, what if something happens to you?"

Due to the conflict with Mu Weiwei, she had been attacked by Mu Weiwei's fans.

Even if she was going out now, she had to be very careful.

"I can still move around now, if you don't want me to visit my mother, I can't go out when I am heavily pregnant, it's better to go now," Li Xing'er said, as she pursed her lips pitifully.

Wei Ziting stayed silent for a while and agreed to send her there the following day.

"Eat first, someone will drive you there tomorrow."

Li Xing'er smiled. "Thank you, Brother Ziting."

Wei Ziting put down the bowl and chopsticks and was about to leave for the study, when he said, "Xing'er, your parents are in this state now, and they are getting what they deserve. I don't want to see any more conflict between you and Mu Weiwei."

Li Xing'er's hand that was holding the chopsticks shook. "I understand, Brother Ziting."

If he knew that she and her mother were trying to kill Mu Weiwei, he would probably leave her for real this time, even if she was pregnant with his child.

But Mu Weiwei was not dead. She just hoped that she would keep her promise and when she got the information she wanted, she would be spared.

Wei Ziting turned around and went into the study.

He had married Li Xing'er without telling anyone but the entire family objected to it, and his parents and grandfather even wanted him to break off the relationship.

He did not know how long this marriage would last.

Chapter 746: Deal with Li Xing'er 3

Under Wei Ziting's arrangement, Li Xing'er received her visitation rights and met Zhou Meiqin again.

Zhou Meiqin was also curious about her arrival.

“Didn’t you come here yesterday? What are you doing here today?”

Li Xing’er was in a hurry to finish the deal with Mu Weiwei, so she did not beat around the bush.

“Mom, I want to know who introduced you to Kerry?”

Startled, Zhou Meiqin sized up her daughter.

“Why are you asking this?”

“Tell me, this man is very important to me now,” Li Xing’er said straightforwardly.

If she had the information about this man, Mu Weiwei might still send her to jail, but if she did not get the information, she would definitely send her to jail.

Although she had lost her career and her parents were in jail, at least Wei Ziting was married to her.

Also, she was going to live a carefree life and she did not want to go to jail for this matter and give birth to this child inside a prison cell.

Zhou Meiqin looked at her and thought that she was trying to find someone else through that man.

“If you don’t succeed the first time, you won’t get a second chance.”

“Mom, that is not what I mean. I just need to know who that person is,” Li Xing’er said.

She admitted that she was no match against Mu Weiwei.

She had never won against her before and now, even after hiring a killer, she still had never won. Instead, she had forced herself into a corner.

Zhou Meiqin said, “I promised not to reveal anything about him, otherwise... I will be in trouble.”

He was not someone to be trifled with.

“Mom, tell me, this is very important to me.” Li Xing’er got a bit anxious.

“No.” Zhou Meiqin shook her head.

“Mom!” Li Xing’er bit her lips. She knew that the visit would be monitored, so she mouthed the words – ‘if I don’t know who he is, I will go to jail too.’

Zhou Meiqin had always been smart, so she soon understood what she meant.

But she still thought for a while before saying the name.

“Someone called He Linna. She was bailed out a few days ago.”

“Mom, did you come to her or did she come to you first?” Li Xing’er asked.

Zhou Meiqin said, “She came to me.”

She had been a bit hesitant at first, but after being incited by that woman and truly hating Mu Weiwei, she agreed.

Li Xing'er sighed helplessly. "I think we are being used."

She was finally sure why Mu Weiwei asked her about this man.

The real killer was the person who had set her up, or the person related to He Linna. Her mother and herself were just used as the knives.

Someone was trying to get rid of Mu Weiwei through someone else, but they did not want any of them to find out about who they are.

When they found out about the grudge between the Li Family and Mu Weiwei, they arranged for someone to instigate their mother to hire someone to kill her. They were blinded by their hatred, so they did what the other party suggested, without any suspicion.

If Mu Weiwei had not approached her, she would never have known that they had been used.

Zhou Meiqin turned pale and stayed silent for a long time.

She did not think too much about it at that time, but now that she had said that, she felt that she had been led by the nose by He Linna.

Chapter 747: Uncle Fu

After visiting hours, Li Xing'er left the detention center with a heavy heart.

She was just thinking about how to contact Mu Weiwei when she saw Mu Weiwei's car.

The window rolled down and Gu Weiwei straightforwardly asked, "Got it?"

Li Xing'er did not tell her immediately. "Will you really let me go if I tell you?"

"Are you qualified to negotiate with me?" Gu Weiwei countered coldly.

"You said that if I asked, you would let me go," Li Xing'er said.

Gu Weiwei did not want to waste any more time and said, "You are just pawns being used, I am looking for someone else."

If it had not been for the fact that someone had lured them into a trap, she and Zhou Meiqin might not have had the courage to do such a thing or even thought of doing something to her outside the country.

"My mother said that it was a woman who came to her and offered her the way to find Kerry," Li Xing'er said.

Gu Weiwei nodded thoughtfully – it was exactly what she had expected.

"Who is she?"

"A woman named He Linna. As for whether it's her real name or an alias, I don't know. She was bailed out a few days ago." Li Xing'er told her everything she knew.

Gu Weiwei pursed her lips and thought for a while. As long as she knew that it was this person, she would at least be able to find out something, no matter if it was her alias or her real name.

Li Xing'er asked, as she looked at the well-dressed girl in the car, "I have told you everything I know. Do you really mean what you say?"

Gu Weiwei glanced at Li Xing'er's belly and said, "Since you helped me to get this information and for the sake of the child in your belly, I will not pursue this matter."

She had unknowingly helped Mu Weiwei get back the company and properties of the Mu Family, and Li Jiacheng and Zhou Meiqin were already paying the price.

If Li Xing'er had not been pregnant with this child, she would have thrown her into jail.

But for the sake of this little life, she did not want to do so.

Li Xing'er let out a sigh of relief.

Gu Weiwei glared at Li Xing'er and warned.

"I will let you off this time, but if there is a next time, it will not be as simple as sending you to jail."

Having said these words, she closed the window and drove away from the parking lot of the detention center.

Standing on the spot, Li Xing'er sighed as she watched the car leaving.

She was not convinced, but she knew that she was no match for her.

She did not want to fight with her anymore.

Gu Weiwei called Yuan Meng.

"Any progress?"

"This man only knows that a foreigner has told Kerry that he wants him to do the assassination. Only Kerry knows who he is, but Kerry is already dead." Yuan Meng was annoyed and scolded the people next to her. "I told you to catch Kerry, beat him till he was half dead and bring him back."

"Boss, we did not kill him, but the Fu Family did."

"I..." Yuan Meng said as she held the phone. "You heard it yourself. The Fu Family killed him. It's not that I'm useless."

"I found out that a woman named He Linna was the one who helped Zhou Meiqin in jail. Can you and Master find out anything from him regarding this?" Gu Weiwei said.

Yuan Meng thought for a while and said, "If we are in Hua Land, I can't get involved. Can't you ask Uncle Fu to do it?"

Chapter 748: Uncle Fu 2

Gu Weiwei gritted her teeth. "Of course I could but if I can find He Linna, why would I ask him?"

"I just don't understand why you don't ask your boyfriend for help when you are in trouble. What is your boyfriend's purpose? Is he just there to warm the bed?" Yuan Meng snorted.

“Let’s get down to business.” Gu Weiwei stopped her from changing the topic.

Yuan Meng took a puff of her cigarette and complained.

“I am talking about serious business. You asked me and my man to help you instead of him. You owe me!”

“You spent so much of my money, do you truly owe me nothing?” Gu Weiwei asked.

Yuan Meng was frightened by her question.

She used to only kill people, but after she got together with Yuan Shuo, she could not do anything else apart from being a wife and a mother. She had indeed spent a lot of money.

“Oh, He Linna, right? I will get someone to check on her.”

“They must know that I am still alive, so they will be on guard, do it as soon as possible.” Gu Weiwei reminded her.

“Got it,” Yuan Meng answered and then asked, “You are not confessing to Fu Hanzheng just because you want to solve the problem yourself, are you?”

“Even if I tell him, I will tell him when it’s just him alone first. I am not ready to confess to his family,” Gu Weiwei said honestly.

But if Fu Hanzheng was involved in the investigation, the old mansion would definitely know about it.

Therefore, they had to solve the problem in secret.

“You are right,” Yuan Meng said.

Fu Hanzheng might be able to accept her because he loved her, but the rest of the Fu Family might not.

She had to make Fu Hanzheng accept her, so that they could face his family together.

“Also, help me keep an eye out for Cayman Dorrans’ enemies. That mysterious man is coming at me because I am Cayman Dorrans’ daughter; I must be his enemy,” Gu Weiwei said.

Yuan Meng snorted in amusement.

“Keep an eye out for his enemies, don’t you know how many people your father has offended?”

Cayman Dorrans had been driven out of the Dorrans Family but had returned and taken back the power. So many people had died and he had offended so many people that they all wanted to skin him alive.

If that wasn’t the case, he would have dared to keep her by his side and wouldn’t have sent her to stay with the Gu Family for so many years.

Gu Weiwei sighed. “Forget it, forget it.”

Cayman Dorrans would not have sent her to the Gu Family if he had not had so many enemies.

“By the way, you are trying your best to find that mysterious man but what about Ling Yan?” Yuan Meng reminded her, in case she had forgotten about the white lotus.

Gu Weiwei smiled coldly. "How can I forget about her? Just you wait, I will reveal the true face of this legendary Movie Queen to the world. Then I won't have to do it by myself."

"You are right. You don't need to do anything to her after exposing her. Not only your own father, but the Gu Family will not let her off either. She will dig out your heart from inside her chest... and return it to you." Yuan Meng suddenly realized something.

Ling Yan had lost to her in the box office, so many media outlets were already questioning her acting skills.

When they found out about her shameful deeds, she would be stepped on no matter how high she currently stood.

"Check on He Linna as soon as possible, and... keep an eye on the Gu Family as well." Gu Weiwei reminded Yuan Meng.

As the time to her soul's whereabouts being revealed approached, she felt increasingly nervous.

She had thought that after she became Mu Weiwei, she would be able to let go of the past and live with this new identity.

But fate was always taunting her, making her unable to let go of everything.

Chapter 749: Ling Yan's Situation

"I know, but I might not be able to stop him," Yuan Meng said.

After all, only Gu Siting knew who that man was.

Although she had people keeping an eye on him, and Cayman Dorrans had people keeping an eye on him, none of them knew who would be the master of the Nine-Eyed Heavenly Jewel.

Gu Weiwei sighed. "He will find out. It's the worst possible situation."

If it was inevitable, she had to face it.

"Alright, let's stop talking. I am going to find He Linna," Yuan Meng said.

Gu Weiwei ended the call with her and returned to Landscape Villa.

Because Mu Weiwei was still alive, Li Xing'er had not slept well for days, and Ling Yan, who was far away in A Land, was even more anxious than Li Xing'er.

On Gu Siting's side, the owner of the Nine-Eyed Pearl was about to appear again.

Her movie's reputation and box office were way behind that of Sleepless and Mu Weiwei was not dead, so nothing had gone smoothly.

After learning that Mu Weiwei had returned home unscathed, she tried to contact the man she had met before, but failed.

She and her mother, Ji Fang, waited anxiously every day, feeling that they were only waiting for the truth to be revealed and for the day when they would die.

It was a good thing that Gu Siting was too busy to meet her, otherwise she would have been exposed.

It had been days since the failed assassination of Mu Weiwei, and that man was finally willing to meet her.

Since they had not been able to contact each other for days, Ling Yan inevitably sounded a bit angry.

“Didn’t you say that it would work? What wouldn’t fail?”

“There was not only Fu Hanzheng’s men, but also another group of men who were protecting her. Kerry’s men have almost totally been wiped out,” that man said.

Ling Yan gritted her teeth. “What should we do now? We are running out of time.”

If Gu Siting and Cayman Dorrans learned of Gu Weiwei’s soul’s whereabouts, she and her mother would be doomed.

“There is no time or opportunity for a second attempt.”

Ling Yan could not sit still.

“Are you saying that you are not going to do anything about it?”

“They could have easily found out about the Li Family’s involvement in the assassination, but nothing has happened and Li Xing’er is still outside. What does that mean?” The man asked Ling Yan.

Ling Yan was confused and had no time to think about it.

“I don’t care what it means, but if Mu Weiwei doesn’t die, none of us will have a good time.”

“That means that the Fu Family is still investigating and they must have seen through someone trying to kill her. They must have realized that it was a borrowed knife.” The man coldly reminded her.

However, the other party was just investigating and they might not be able to find him.

But if he tried to do it again in a hurry, he would give himself away.

Logically speaking, Kerry’s men should not have failed, but the men who had suddenly appeared had caught them off guard.

Hearing his words, Ling Yan felt even more uneasy.

“Didn’t you do it very discreetly? They shouldn’t be able to find out anything about us.”

They were supposed to face the Gu Family and Cayman Dorrans, but now the Fu Family was investigating them too. They were really being attacked from all sides.

“No matter how discreet you are, there are still some traces that can’t be erased. I am not going to get involved in this matter. You better take care of yourself.”

Having said these words, the man was about to leave and end the meeting.

“What do you mean, you are not going to do anything about it?”

“Yes, I won’t,” the man said straightforwardly.

“Don’t forget that we are in the same boat. If they find out about me, you won’t be able to run away either.” Ling Yan warned him through gritted teeth.

She had no other helpers now, and if this man decided to leave her alone, she would be doomed.

Chapter 750: Ling Yan’s Situation 2

The man sneered.

“In the same boat?”

“I told you that I have evidence to back it up. If you don’t help us get through this, I will reveal you to the Gu Family and Cayman Dorrans,” Ling Yan said.

The man snorted and said, “Even if they find out, you are the one who will die first and I... it will not be that easy for them to kill me.”

“You...” Ling Yan was so angry that her breathing trembled, but she had nothing to say.

“I am different from you. I have been planning every step of the way to deal with Gu Weiwei and I am ready to fight against Cayman Dorrans. So even if they know that I am the culprit, I am not afraid.” The man sized up the desperate woman in front of him and sneered. “But if you are discovered by them, you will die.”

“What... are you going to do to get me through this?” Ling Yan gritted her teeth and asked him. “I can do anything, I don’t want to die yet,” she said.

“Anything?” The man sized up the woman who was begging him, and smiled mockingly. “Sorry, I really can’t tell what you are worth.”

She was above average in terms of looks but she was not smart enough, if she was she wouldn’t have ended up like this.

Therefore, he would be an idiot if he wasted his time on such a useless person.

“Please, help me one more time. I don’t want to die, I really don’t want to die.” Seeing that threatening him was useless, Ling Yan begged him for help.

However, he was not moved by her tears and begging.

“You are not going to live for long anyway. You have Gu Weiwei’s heart, and you will have made a fortune this year. Don’t be so greedy.”

He did have the ability to save her, but it was not worth the effort to save such a worthless person.

Ling Yan burst into tears. Was she really out of options?

That man looked at her coldly, leaned forward and whispered, “Since you helped kill Gu Weiwei back then, I will show you another way.”

He had to admit that Gu Weiwei’s death had dealt a huge blow to Cayman Dorrans. He had become very haggard after hearing the news.

He even became seriously ill and went to the hospital.

“What way?” Ling Yan asked.

The man smiled and said, “Didn’t you say that Gu Weiwei’s soul is still in this world because of the Nine-Eyed Pearl?”

Startled, Ling Yan did not understand what he meant.

Seeing her confused expression, the man continued.

“The owner of the Nine-Eyed Pearl is here to tell Gu Siting where Gu Weiwei is. If the Heavenly Jewel is destroyed, will that person be able to tell them where Gu Weiwei is?”

“Or rather, without the Nine-Eyed Pearl, would Gu Weiwei still be here?”

...

Hearing his words, Ling Yan suddenly became more cheerful.

Yes, it was all because of the Nine-Eyed Pearl.

Without that thing, the owner of the Nine-Eyed Pearl would not be able to tell Gu Siting anything about Gu Weiwei. In fact, without the Nine-Eyed Pearl, Gu Weiwei’s soul would not exist in this world.

Why had she not thought of this solution before? She might not be able to kill Mu Weiwei, but she could definitely get the Nine-Eyed Pearl from the Gu Family.
