

MY HIDDEN 781

Chapter 781: In Danger?

Yuan Shuo sighed deeply and said, "Will has concealed himself well around Cayman and he has done everything Cayman has asked him to do. Now he is his right-hand man and we are no match for him."

The Dorrans Family stopped cooperating with the Gu Family and the only people Cayman Dorrans trusted were Will and Matthew.

Cayman was already of a certain age and his body was suffering from the pain of losing his daughter. Matthew was not young either, so the heir to the Dorrans Family would be Will Dorrans.

"What if... we give He Linna to Cayman Dorrans?" Gu Weiwei asked.

Yuan Shuo thought for a while and said to her, "Actually... Cayman was seriously ill after he found out about your accident and gradually gave his power to Will. The power center of the Dorrans Family has gradually swayed towards Will and He Linna alone is not going to help much."

Gu Weiwei stayed silent for a long while and then asked, "Will Cayman Dorrans... be in danger?"

"Not yet, but if your identity is exposed or Cayman Dorrans finds out about Will's betrayal, it will be hard to say," Yuan Shuo said.

This time, she deliberately made a movie that could stimulate Ling Yan, so that she could use Ling Yan to lure out the people who helped murder her in the past.

But they had not expected that this hidden mastermind would be Cayman Dorrans' right-hand man.

Gu Weiwei tapped the steering wheel and looked thoughtful.

If the owner of the Nine-Eyed Pearl that Gu Siting was talking about appeared, it would be inevitable that she was still alive.

She had thought that what was revealed was the grudge between her and Gu Siting.

Unexpectedly, the biggest crisis was with the Dorrans Family.

Seeing her remaining silent, Yuan Shuo continued to tell her the rest of what he knew.

"Weiwei, although Cayman has never met you or acknowledged you, I think that one of the reasons why he is in charge of the Dorrans Family is because of you."

"Matthew mentioned that Cayman intended to meet you, but... because Gu Siting knew about his father's death, he had to put aside the plan for the time being. Then... something happened to you."

...

It was probably because of her death that Cayman Dorrans lost the mental stability he had used to hold on to the Dorrans Family, so he started to release his power... Because the person he wanted to protect was gone.

Gu Weiwei smiled bitterly. "But am I still his daughter?"

"Even if you become another person, I think he still wants to see you," Yuan Shuo said.

Gu Weiwei felt a bit displeased. She took a deep breath to calm herself down.

"Now is not the time to talk about this, I need to remind Cayman Dorrans to be wary of Will."

"Don't worry, that old fox Cayman is used to living in danger and he has always been on guard against everyone."

He had put Will in an important position, but he had not told Will about her secret, which meant that he did not trust Will completely.

Cayman Dorrans might be in danger if her identity was exposed, but he should be able to deal with it himself.

Gu Weiwei thought for a while and said, "Then let's pretend that we don't know anything about He Linna, in case we alert him."

"Yes, that is all we can do now." Yuan Shuo nodded and said, "Oh yes, Yuan Meng said that... she met Gu Siting in Barcelona and she told Gu Siting that Ling Yan was the one who ordered He Linna to provoke the Li Family."

"But Gu Siting doesn't believe her, does he?" Gu Weiwei asked with a smile.

Ling Yan's gentle and kind image was a very effective disguise and Gu Siting was a very conceited person. He would not believe what Yuan Meng said, unless he witnessed it himself.

Chapter 782: Prepare a Washboard

"No, he doesn't," Yuan Shuo said helplessly.

But one day, when the truth was right in front of him, he would have to believe it.

"It doesn't matter to me whether he believes it or not," Gu Weiwei said, she checked the time and said, "Yuan Bao is done with school, go and pick him up."

"My boy has caused you trouble these past few days."

Yuan Shuo could almost imagine how displeased Fu Hanzheng looked when he saw Yuan Bao.

"He is a good boy, but he did not inherit anything from his mother."

"Weiwei, have you not told Fu Hanzheng yet?" Yuan Shuo asked worriedly.

If she did not solve the problem between her and Fu Hanzheng, then Gu Siting and Will Dorrans would cause her trouble.

But of all the problems that she had, the most important issue was her relationship with Fu Hanzheng and the Fu Family.

Gu Weiwei looked at him with a serious expression.

“I’ll tell him on his birthday.”

“Okay.” Seeing that she had made up her mind, Yuan Shuo smiled.

“Master, when Yuan Meng lied to you, did you ever think about leaving her?” Gu Weiwei asked.

Yuan Shuo stayed silent for a while and said, “Honestly... I did think about it for a short while, but in the end, I couldn’t let her go.”

Hearing his confession, Gu Weiwei felt even more uneasy.

Seeing her serious expression, Yuan Shuo patted her shoulder.

“Different people will think differently, when faced with such a situation. What I am thinking may not be what Fu Hanzheng is thinking. Don’t dwell on it too much.”

He and Fu Hanzheng were two different people, and they were facing different situations, so what they thought and the choices they made would be different.

“Master, why am I Gu Weiwei?” Gu Weiwei smiled bitterly.

Fu Hanzheng gave her the warmest and best things, but all she would cause him was trouble and pain.

It would be better if she was not Gu Weiwei.

“You met him because you are Gu Weiwei,” Yuan Shuo said.

When she was staying with the Gu Family, she did not meet him and when the original Mu Weiwei approached Fu Hanzheng, he did not fall in love with her.

But after she became Mu Weiwei, Fu Hanzheng fell in love with her.

Fate was such a wonderful thing sometimes.

Gu Weiwei chuckled as she saw a parent picking up their child.

“Alright, go and pick up Yuan Bao, I am leaving now.”

“We need to think about how to handle Will Dorrans. Yuan Meng and I will discuss it first.”

Having said these words, Yuan Shuo opened the car door and went to pick Yuan Bao up from school.

Gu Weiwei did not immediately return to Landscape Villa but drove the father and son back to their own home.

When she arrived at Landscape Villa, Fu Hanzheng called and said that he and Fu Shiqin would be late home.

She only told him to not drink too much and hung up the phone, then she went upstairs to take a shower. She only went back downstairs, when the maid told her that dinner was ready.

As she was eating, Fu Shiqin texted her.

[Sister-in-law, sister-in-law, get my brother a washboard![1]]

She put down the chopsticks and replied leisurely.

[Why?]

Fu Shiqin instantly sent a picture of Fu Hanzheng dancing with a woman.

The woman in the picture was very pretty and elegant, and she was smiling brightly at Fu Hanzheng.

Gu Weiwei raised her eyebrows in astonishment when she saw the picture. So he was dancing with another woman?

[1] It's for him to kneel on as a punishment. It's very painful.

Chapter 783: Prepare a Washboard 2

Although it was not a big deal to dance with other women at a banquet, it was weird for Fu Hanzheng to do so.

After all, he had always turned down invitations from women, even on such occasions.

This woman either had an extraordinary background or... a special relationship with him.

She suddenly lost her appetite and called Fu Shiqin.

“Who is that woman?”

Fu Shiqin threw a look at his brother and whispered, “Your ex-boyfriend Qin Lv’s aunt works at the Ministry of Foreign Affairs. She was sent to the Sri Lankan Embassy and was transferred home last week.”

“Did she talk with your brother before?” Gu Weiwei asked.

The Qin Family was also a famous prominent family in the capital and they were involved in the business field, just like the Fu Family.

Therefore, this woman must have known Fu Hanzheng for a long time.

A female diplomat was a very capable person.

“She tried to date my brother, but he did not agree to it, so she went to work at the embassy in Sri Lanka out of anger. I think she is trying to steal him away,” Fu Shiqin whispered.

“Your brother was even with her before she left, and now she is trying to steal him away?” Gu Weiwei did not regard her as a serious love rival.

If Fu Hanzheng was interested in her, only then could she be her love rival, but he wasn’t interested.

Hmph! What love rival?

“Let me tell you, Grandma was quite satisfied with Qin Man. If you had not appeared and my brother had to get married, it would have been her,” Fu Shiqin said.

His grandma and dad were very satisfied with Qin Man. After all, Qin Man and her second brother were both working in the Ministry of Foreign Affairs and their eldest brother was a successful businessman.

So his parents and grandma were divided into two groups. One was satisfied with Qin Man and the other satisfied with Meng Ruya.

But his brother chose Mu Weiwei over everyone else.

“Why didn’t you tell me about this before?” Gu Weiwei asked.

“You usually have to work at the Ministry of Foreign Affairs for at least eight to ten years, before being transferred to another country’s embassy. If she had not been transferred back, I would have forgotten what she looked like,” Fu Shiqin said.

Hearing his words, Gu Weiwei asked, “Have they finished dancing?”

“They are chatting after the dance.” Fu Shiyi reported the situation in real-time and said with a smile, “Sister-in-law, you were so close to Qin Lv back then. If you had not run into my brother, you would have entered the Qin Family and might have called her Aunt. But now you are with my brother, what a coincidence.”

Hearing his words, Gu Weiwei asked coldly, “What, are you not satisfied with me? Did you want your brother to find you a new sister-in-law?”

“No, definitely not, I am very satisfied with you as my sister-in-law.” Fu Shiqin showed his loyalty, when he heard her tone.

Be it Qin Man or Meng Ruya, they were nothing if his brother did not like them.

Hearing his quick refusal, Gu Weiwei said, “If there is nothing else, I am hanging up.”

“No, sister-in-law, what are you in such a hurry for...?” Fu Shiqin was not ready to hang up.

“I am in a hurry to find the washboard.” Having said these words, Gu Weiwei hung up.

Of course, she did not really have a washboard at home.

It was ten o’clock when Fu Hanzheng and Fu Shiqin returned.

The moment Fu Shiqin entered the house, he took one look at her expression and went into his room.

Gu Weiwei approached Fu Hanzheng and sniffed him.

Then she said to Fu Hanzheng, “A woman’s perfume?”

Seeing her acting like this, Fu Hanzheng chuckled.

“I am sure that I am not wearing any perfume.”

Chapter 784: Jealous

“You do.”

Gu Weiwei countered, although he truly did not smell like perfume.

Fu Hanzheng held her shoulders and directed her upstairs. “Fu Shiqin told you about it?”

“Of course he did! You were dancing with another woman, not me.” Gu Weiwei pursed her lips and her tone was full of jealousy.

Fu Hanzheng took her into the master bedroom and said, “You weren’t dancing with me either, when you were dancing with Anthony Gustav.”

“You...” Gu Weiwei was speechless.

Fu Hanzheng took her into his arms and kissed her lips; he then started explaining.

“I ran into Qin Man, who was transferred back to the country, and the Deputy Minister asked me to dance with her. I told her that we were getting married and invited her to attend the wedding.”

Gu Weiwei felt embarrassed after hearing what he said.

He had handled it so well, which now made her look unreasonable.

Seeing her pursed lips, Fu Hanzheng chuckled.

“Mrs. Fu, any more questions?”

“No,” Gu Weiwei said weakly.

He was so smart that she had no room to be jealous at all.

Fu Hanzheng removed his suit and said, as he glanced at the bed, “Yuan Shuo is back?”

Yuan Bao did not come over today and so it seemed that he had been taken away by his father.

“Yes, he took Yuan Bao home this afternoon,” Gu Weiwei said honestly.

Fu Hanzheng asked, “Then what about He Linna?”

He had a feeling that Ling Yan was not the only mastermind behind Kerry and the Li Family.

But she was missing, and he was not sure who else was involved.

“She is hidden somewhere safe because Anthony Gustav and the Gu Family are searching for her,” Gu Weiwei said.

“Should we send her to them?” Fu Hanzheng asked.

Gu Weiwei thought for a while and shook her head.

“Not for now.”

She had found out what she wanted to know and He Linna was being kept alive, which meant that later on she could deliver her to Cayman Dorrans, as a witness.

“Make sure you pack your luggage tomorrow and go to the airport after lunch.”

Instead of forcing her to say everything that she was hiding, Fu Hanzheng went into the bathroom for a shower.

Gu Weiwei nodded and suddenly remembered that they were meant to be going abroad for the wedding photoshoot this week.

She remembered that she was going to prepare lunch for him for tomorrow, so she took the opportunity to pack her things now.

She had just packed two sets of clothes when Fu Hanzheng's voice arose from the bathroom.

"Weiwei, get me a towel."

Gu Weiwei was confused. She remembered that there was a towel inside when she was taking a shower.

But she still found a new one for him.

However, when she entered the bathroom, she was pulled into the shower by him. She was carried out of the bathroom with only a towel wrapped around her waist and legs.

She lay on the bed for a long while, before she came back to herself and angrily removed his hands from her body.

"Stay away from me."

However, Fu Hanzheng got even closer and whispered, "Shouldn't you compensate me for the delay because of that little boy?"

Because the little boy stayed in their bed every day, he could not do anything.

"You just had it..." Gu Weiwei exclaimed furiously.

Fu Hanzheng kissed her flushed face and unreasonably said, "The location was not good, so I did not perform well."

Gu Weiwei wanted to dodge but she had come out of the bathroom with only a towel wrapped around her, she found that there was nothing she could do.

The man's gentle kisses were so captivating that she gradually forgot to avoid him and allowed him to do whatever he wanted.

The next morning, she was so worn out by him that she punched the bed in frustration.

Chapter 785: Late Present

Shengxi Town in A Land.

After Yuan Meng returned to the Anderson Family safely, she fulfilled her promise and told Gu Siting about the birthday present Gu Weiwei left for him.

The present was at an ancient high-end, handcraft store in Shengxi Town. After Gu Siting returned from Barcelona, he went straight to Shengxi Town.

He followed the address Yuan Meng gave him and found the store, where he gave Gu Weiwei's name and contact information.

The staff checked the records and said, "This item has been here all this time. Miss Gu did not come when she was supposed to pick it up, and we could not reach her, so we kept it."

"Please give it to me." Gu Siting's voice sounded a bit nervous and hoarse.

"Please wait."

Having said these words, the staff member called her colleague into the storeroom and found the present that had been stored inside for over a year.

After cleaning off the dust, she gave it to Gu Siting.

"I am sorry, Miss. Gu made it herself but it looks a little old after being left here for so long."

"It's okay." Gu Siting took the box, thanked the staff and left. He carefully held the gift with both hands.

Kuroda Shio, who was waiting outside, opened the door when he saw him coming out.

Gu Siting got into the car and slowly opened the faded wrapping paper.

He put aside the wrapping paper and carefully opened the box.

Inside the box was a hand-made porcelain cup. The color was clear and soft, and the drawing on the cup was also very vivid and interesting.

When he took it out and saw the shape and pattern of the cup, his eyes showed bitterness.

During a summer vacation, when she was in middle school, he had made such a cup with her. He designed the shape and she designed the patterns.

They had made two cups, but only one was completed successfully.

The one successful cup was still in the Gu Family home, but after so many years, she had successfully made the cup again by herself.

It was only after she had been gone for such a long time that he found the present that should have been delivered to him.

Kuroda Shio sat in the driver's seat and glanced at the man behind him through the rear-view mirror.

"President Gu, are we leaving now?"

A long while later, Gu Siting carefully put away the cup and held the box with both hands, as if it were a very precious treasure.

"Let's go."

All the way back to the Gu Family's mansion, from Shengxi Town, he held the gift and did not let anyone else touch it.

Kuroda Shio suddenly heard Gu Siting ask from behind him, "Kuroda, if everything could be redone, would things be different to the way they are today?"

Kuroda Shio thought for a while and said, "There will be news about Miss Weiwei soon, right? There is still a chance."

He thought that even if they could start over, he and Miss Weiwei would still end up like this.

He was stubborn and conceited. It was not until he lost Miss Weiwei that he realized that he could not let her go.

Therefore, if Miss Weiwei had not died, he would not have realized his true feelings, even if she was living next to him.

Because of Miss Weiwei's arrival, he had lost his father who he deeply respected.

And because of his dead father, he had distanced himself from Miss Weiwei and eventually lost her too.

As for the Nine-Eyed Pearl, he did not know if it could find Miss Weiwei, but even if it did, after experiencing life and death, how could she possibly return to him?

With the last present in his arms, Gu Siting mumbled, "Yes, there is still a chance."

They would have a chance to meet again, and he would have a chance to bring her back to him.

Chapter 786: Late Present 2

Back at the Gu Family's mansion, Ling Yan nervously looked at Gu Siting.

She knew that he had gone to Barcelona to find He Linna, and that was the same He Linna who had helped her to set up the Li Family.

If they found her, they might find out that she was in cahoots with Will Dorrans.

"Brother Siting... you are back?"

Ignoring her, Gu Siting went into the study.

Ling Yan looked at Kuroda Shio and asked, "Did you find her?"

Kuroda Shio shook his head. "Something happened, we can't find her."

After Yuan Meng made the offer, President Gu agreed without hesitation.

He Linna was either dead or in Yuan Meng's hands, but no one knew where she had hidden her.

Anthony Gustav asked his men to search through Barcelona but failed to find He Linna, who had been taken away by Yuan Meng.

Ling Yan let out a sigh of relief. If they could not find her, she would be safe for the time being.

She had tried everything she could to open the crystal coffin these past few days, but to no avail.

Also, the Gu Family had so many servants and security guards, so she did not dare to cause too much of a ruckus. So until now, she had not achieved anything.

After learning from Kuroda Shio that they had not found her, she boldly brought tea to Gu Siting's study.

When she entered the room, she saw Gu Siting staring at two porcelain cups on the table.

“Wasn’t there only one cup?”

She had heard from Gu Weiwei that she had made this cup with Gu Siting during a summer vacation, when she was in middle school. One cup broke inside the kiln, so this was the only finished product.

So why were there two of them now?

“Weiwei left this in Shengxi Town,” Gu Siting said.

Ling Yan pursed her lips and thought back, soon after Gu Weiwei’s accident it was Gu Siting’s birthday, although he hadn’t celebrated that birthday.

The handmade porcelain cup left in Shengxi Town must have been made by Gu Weiwei for his birthday.

She reached out for it but was stopped by Gu Siting.

“You are not allowed to touch this.”

Ling Yan shivered and shrank back.

Gu Siting had been behaving very weirdly these days and he treated her like a stranger.

“You must not have eaten anything when you came home. Is there anything you want to eat? I will ask them to prepare it.”

“No need, you can leave now.” Gu Siting did not want to be disturbed.

Ling Yan bit her lips and was about to leave.

Gu Siting suddenly thought of something and stopped her.

“Hang on.”

“Anything else, Brother Siting?” Ling Yan turned around and asked with a smile.

Gu Siting looked up at her and asked, “Do you know He Linna?”

“He... He Linna?” Ling Yan tried hard to maintain the smile on her face and pretended to know nothing.

“Who is He Linna?”

“The woman who instigated the Li Family to hire killers to kill Mu Weiwei,” Gu Siting said.

Ling Yan shook her head with a smile. “No, how would I know someone like that?”

Why did he ask her that?

Had he found something?

Gu Siting thought for a moment and said, “Yuan Meng said that you are the mastermind behind He Linna, what do you have to say to that?”

“My work has been affected because of Mu Weiwei, but... I have no reason to kill her, not to mention that she is Fu Hanzheng’s girlfriend.”

Ling Yan knew that if Gu Siting had believed Yuan Meng, he would not have asked her.

He asked her, but he did not believe what Yuan Meng had said.

Chapter 787: Surrounded

Gu Siting looked at Ling Yan and said after a long silence, "You can leave now."

The moment Ling Yan left the study and walked out of the door, her legs turned to jelly.

Hearing that Gu Siting was back, Mrs. Gu rushed home and saw Ling Yan standing at the door of the study with a pale face.

"What happened to you?"

Ling Yan came back to herself and shook her head.

"Nothing, I just feel a bit unwell. I just need to take a rest."

Having said these words, she stopped leaning against the study door and walked away, placing her hand against the wall to support her.

Seeing her leaving, Mrs. Gu pushed the door open and entered the study.

In the study, Gu Siting was wiping the porcelain cup he had brought home, not even noticing that someone was coming in.

Mrs. Gu looked at the desk for a long while and said, "Is that what Kuroda said Weiwei left behind in Shengxi Town?"

Gu Siting put it down. "It is the birthday present she prepared for me that year."

Mrs. Gu sat down and asked, "Mrs. Ling said that you proposed to break off the engagement with Ling Yan?"

"Yes." Gu Siting admitted.

Mrs. Gu sighed and said, "Siting, why are you always so self-centered? You did this to Weiwei and now to Ling Yan. You were the one who agreed to be engaged to her and now you are the one who wants to break off the engagement."

"You are right. Even if she has Weiwei's heart, she is not her, not like her at all," Gu Siting said calmly.

Mrs. Gu was a bit angry at her son's stubborn and conceited ways. "When you agreed to the engagement, I reminded you of that fact but you insisted on getting engaged, and now you want to cancel the engagement. Why can't you ever think of others?"

Gu Siting said coldly, as he touched the porcelain cup, "You don't like her either, there's no problem."

"Siting, it is not that she is the problem now, it is you." Mrs. Gu sighed deeply and said, "You distanced yourself from Weiwei because of your father and got together with Ling Yan. You have never thought about Weiwei or Ling Yan. You have always thought about yourself."

"Really?" Gu Siting laughed at himself and did not refute Mrs. Gu's accusation.

“Weiwei did not know anything back then, so you distanced yourself from her. She never understood what was going on and kept asking me about it. She kept trying to think of a way to talk to you about it, but you refused to see her and you ended up with Ling Yan,” Mrs. Gu said.

Gu Siting said, as he touched the porcelain cup in his hands, “Mother, do you know how painful it is for me to try so hard to forget about her, but still be unable to let her go?”

She knew nothing, but he knew everything.

He could not hate her, but he could not love her either. Every day, he felt as if he had walked into a dead end.

Mrs. Gu stayed silent in astonishment. She felt sorry for Weiwei, but she had forgotten that he was the one suffering the most.

“Don’t you have any feelings for Ling Yan?”

What was so wrong with Ling Yan that he had no feelings for her?

“No,” Gu Siting answered without hesitation.

He tried very hard to forget about Weiwei and fall for Ling Yan, but he failed.

“What are you going to do if the person who gave you the Nine-Eyed Pearl does not show up and Weiwei is no longer around?” Mrs. Gu asked.

Gu Siting looked up at Mrs. Gu calmly. “He will show up and Weiwei will definitely come home too.”

“...” Mrs. Gu stayed silent.

She also hoped that what he had prayed for would come true, so that Weiwei could come back and save him from this desperate situation.

But he had not expected that when he finally found her, he would be pushed into another abyss of despair.

Chapter 788: Reason?

At the headquarters of Fu’s Enterprise in the capital city.

Gu Weiwei got up late in the morning because she had spent too much energy the night before.

When she was about to go downstairs for lunch, the servant was almost done preparing the meal.

“Master asked me to pack your luggage, please check over it and then the driver will drive you to the company.”

Gu Weiwei was indeed too lazy to drive there herself, so she was thankful that the driver would be driving her. She went upstairs and checked her and Fu Hanzheng’s luggage, then she asked someone to carry the luggage into the car.

Gu Weiwei arrived at the company before the lunch break started. The moment she entered Fu Hanzheng’s office, she found that apart from Fu Hanzheng and Fu Shiqin, there was also Meng Ruya,

whom she had not met for a long time, as well as Qin Man, who had danced with Fu Hanzheng at the banquet the night before.

Seeing her coming in, Fu Hanzheng stood up and took the things from her hands and gave them to Fu Shiqin.

Then he led her over to the sofa and sat down.

Qin Man glanced at her and urged Fu Hanzheng.

“Aren’t you going to introduce us?”

Gu Weiwei took off the mask and offered her hand to her.

“Hello, I am Mu Weiwei.”

Qin Man shook her hand. “I am Qin Man.”

Due to her work at the Ministry of Foreign Affairs, Qin Man only wore light makeup and had undyed, natural black hair. She looked very capable in her fitted suit.

They politely shook hands but Gu Weiwei did not initiate a conversation.

Qin Man sized her up with interest and smiled meaningfully.

“Actually, apart from work, I am here today to see what kind of little vixen has taken away the man I failed to get back then.”

Before Gu Weiwei said anything, Fu Hanzheng stressed the actual events to her.

“I courted her.”

Qin Man raised her eyebrows in surprise and asked, “So you are admitting that you stole our Xiao Lui’s girlfriend?”

“She was not his girlfriend,” Fu Hanzheng said.

Qin Man squinted at him. “Without your interference, she would have become my niece-in-law.”

Gu Weiwei’s lips twitched – what was going on?

It did not seem to be the style of a love rival.

After arguing for a long time, Qin Man threw a look at the young girl and said to Fu Hanzheng, “You even have the heart to take such a young girl, you monster!”

Sitting next to Qin Man, Meng Ruya gritted her teeth. What was Qin Lv’s aunt doing?

She had thought that she was here to teach Mu Weiwei a lesson or try to get Fu Hanzheng back from Mu Weiwei.

So what was she doing now?

“Take care of your nephew, be polite when you see her and don’t think about anything you shouldn’t,” Fu Hanzheng warned coldly.

Qin Lv had not given up, but he did not have a chance to approach her.

“Are you scared I’ll try to steal your love?” Qin Man snorted.

Seeing Qin Man talking with his brother, Fu Shiqin was startled.

Wasn’t she here because she heard that his brother had a girlfriend and so wanted to come and steal his brother away?

Why did it sound like she was trying to steal away his brother’s girlfriend?

“Sister Qin Man, are you not here to steal my brother from my sister-in-law?”

“Steal your brother?” Qin Man snorted and said, “He was blind for a while when he was young. Who would fall for him at this age?”

Hearing her words, Meng Ruya looked displeased.

Fu Hanzheng was so good-looking and so wealthy, which woman would not like him?

Fu Shiqin blinked in astonishment. “Didn’t you go to Sri Lanka because you failed to court my brother?”

Chapter 789: Thanks

“Because of him?”

Qin Man glanced at the man, who was holding his girlfriend.

“Going to the embassy of Sri Lanka was a good opportunity, and I had to go through a lot of trouble to get there.”

“Is it really not because of my brother?” Fu Shiqin was not convinced.

“He’s not that compelling,” Qin Man said straightforwardly.

She was happily walking the path she wanted to take, and she was going to be in the political field for a long time. She was not going to be able to go far if she was tangled in the love of a man.

Fu Shiqin felt his forehead – was his brother so unattractive?

Well, women who worked in the government might have different perspectives.

Having said these words, Qin Man glared at Fu Shiqin and said, “Second Brother, did you think that I was trying to poach Fu Hanzheng last night, so that I could spread the news to Mu Weiwei and fan the fire?”

She knew very well what the twin brothers of the Fu Family were like.

“I did not.” Fu Shiqin felt a bit guilty.

He had only reported what he had seen to his sister-in-law. He wasn’t the one trying to fan the fire, was he?

“No way, I know what you are thinking.” Qin Man snorted.

She was used to dealing with foreign diplomats in the Ministry of Foreign Affairs, so she was quite smart.

“Well let’s eat, my sister-in-law’s food is getting cold.” Fu Shiqin pointed at the lunch on the table and went to start eating.

Fu Hanzheng threw a look at Qin Man and said, “We are going to eat now, and we need to catch the plane later, so you can leave now.”

However, Qin Man had no intention of leaving, but shamelessly said, “I haven’t eaten either.”

“There is none for you,” Fu Hanzheng said.

Qin Man looked at Fu Shiqin. “I will eat yours.”

“If you eat it, what will I eat?”

Fu Shiqin was not pleased. He had been so antsy the entire morning waiting for his sister-in-law to deliver the food, and now someone was trying to steal it away from him.

“Eat less and maybe you can lose some weight,” Qin Man said as she stood up and picked up his lunch box and chopsticks. “Look at Third Brother and then look at how fat you are. Don’t you have any self-awareness?”

Fu Shiqin said, “I am not the one eating someone else’s rice!”

He was just slightly fatter than Fu Shiyi.

Qin Man grabbed Fu Shiqin’s lunch and started to eat.

Fu Hanzheng ignored her and continued to eat with Gu Weiwei as usual. Seeing her looking listless, he asked with a small voice, “Still not recovered?”

Seeing her sleeping soundly, he left without waking her up.

Gu Weiwei squinted at him. “Eat your food.”

Seeing them flirting with each other, Qin Man protested.

“Let’s eat then, I don’t need any of your displays of love, thanks.”

Fu Hanzheng said, “Finish the food and leave.”

“I told you that I am here for business,” Qin Man said.

“You are finished with your business.” Fu Hanzheng frowned impatiently.

Fu’s Enterprise was involved in some military industries as well as some overseas industries, so they had to be involved in the economic support of Hua Land and its allies.

Qin Man came here today to talk with them about an overseas project led by Hua Land.

“Who said that I am here for business that’s only related to you?” Qin Man asked and looked at Gu Weiwei next to him. “I have business to do with Mu Weiwei.”

Gu Weiwei was startled. “Me?”

She had thought that Qin Man was her love rival, but it turned out that she was not interested in Fu Hanzheng at all.

But if she was looking for her because of work... She did not think that she had anything to do with the Ministry of Foreign Affairs, so why was she looking for her?

Chapter 790: Women

Qin Man finished the food, put down her chopsticks, wiped her mouth and said, "Well, in two months time, there will be a World Youth Forum in New York, it's mainly for those with some influence and a good public image. You are undoubtedly the most popular, young filmmaker in Hua Land this year and you also do charity work, so you are the most suitable candidate."

...

Gu Weiwei thought for a while and looked at Fu Hanzheng.

"Can I go?"

"I am asking you, why are you asking him for permission?" Qin Man said and glared at Fu Hanzheng. "Men should not interfere with women's lives."

Fu Shiqin sat next to him angrily. Seeing Qin Man's intimidating expression, he was glad that his brother did not like her.

Well, he was glad that his sister-in-law was so gentle and lovely.

Fu Hanzheng said, "You can decide for yourself."

Gu Weiwei thought for a while and realized that this was a good opportunity to promote herself as an artist.

"Thank you. You can send the details to my agent."

Seeing her agreeing, Qin Man smiled with satisfaction.

"Okay, someone will contact your company, but we have one more request."

"What is it?" Gu Weiwei asked.

Qin Man looked at her and then at Fu Hanzheng.

"Don't let the media know that you are in a relationship with Fu Hanzheng and that you are married, otherwise it will be bad."

There was a rather large age difference between the two of them. If she got married to him at the age of 20, not everyone would understand that it was a blessing.

Gu Weiwei thought for a while and said, "We have no intentions of making it public."

"No problem." Qin Man nodded.

Seeing that they had finished the conversation, Fu Hanzheng straightforwardly asked, "Can you leave now?"

Qin Man checked the time and said, "I have a meeting to attend, I am leaving now."

Gu Weiwei smiled politely and was about to see her off, when Qin Man smiled at her and said, "Don't treat me as your love rival, I am really not interested in this old piece of meat. The young and handsome ones are much cuter and more interesting than him."

"..." Gu Weiwei laughed dryly.

"Ruya, let's go."

Qin Man called out to Meng Ruya who was standing next to her, looking displeased.

The two of them left Fu Hanzheng's office and got into the car downstairs. Meng Ruya could not help but ask, "Cousin Qin Man, are you really going to watch Fu Hanzheng be taken away by Mu Weiwei?"

"Why not? She is young, pretty and talented." Qin Man put on the seat belt and sighed regretfully as she drove. "What a pity that Fu Hanzheng got such a wonderful girl."

If Lui managed to win her heart, she would have belonged to the Qin Family.

"Cousin Qin Man, with your family background and intelligence, it is not difficult to get her back for your nephew" Meng Ruya said.

She could not get what she wanted, but she also would not let Mu Weiwei get what she wanted either.

She had thought that Qin Man came to Fu Hanzheng for something else, but she was really only here for business.

"There are so many things waiting for me to do, and you want me to waste my time on men?" Qin Man snorted with amusement.

She knew that Meng Ruya was not convinced that Mu Weiwei, the little girl, had succeeded, when she herself was not married into the Fu Family.

So when she no longer had a chance of succeeding, she tried to get her to join her team.

Fu Hanzheng was indeed an excellent man in terms of looks, but he was just too annoying.

She regretted that she had confessed to him in a moment of impulse. It was futile to ask her to poach him now... she had no interest or time.
