

MY HIDDEN 791

Chapter 791: Nothing Else?

Meng Ruya just could not understand why Qin Man would ignore such an excellent man like Fu Hanzheng.

If you missed your opportunity with someone like Fu Hanzheng, no one else in the entire Hua Land would compare.

“But you are much better than Mu Weiwei.”

“Mu Weiwei is not bad either.” Qin Man praised.

When she had first heard of her from Meng Ruya, she had thought that she was just a pretty face who had no education and only knew how to flirt with Fu Hanzheng.

However, when she heard that the World Youth Forum was inviting her to attend the event, she paid special attention to news about Mu Weiwei and the movie she had directed this year, *Sleepless*. She was a very talented girl.

After meeting her today, she found that she was very polite and not at all like how she was described.

It was a pity that Fu Hanzheng benefited from it, otherwise she would have wanted her to become her niece-in-law.

“Cousin, why do you always encourage others?” Meng Ruya was a bit annoyed.

Qin Man took a look at Meng Ruya in the passenger’s seat. “Ruya, you are so devoted to this path, do you have no other goals apart from men?”

Fu Hanzheng looked cold in front of them, but when his girlfriend showed up, he looked very happy. He looked at the girl so gently that she could not believe that it was the Fu Hanzheng she knew.

But that also meant that he had fallen for the girl.

“Cousin...” Meng Ruya could not believe that she had said such a thing to her.

“Alright, I have a meeting to attend, I will drop you off here, you can make your way home yourself.”

Having said these words, Qin Man found a place to stop.

What Meng Ruya had been expecting did not happen. She angrily got out of the car with her bag. Qin Man must have become stupid after staying in Sri Lanka for all those years.

She had told her so much, yet she was still unmoved.

Qin Man drove away, when suddenly the phone rang. She glanced at the caller ID, put in her earphones and answered the call.

“What is it, Lv?”

“Aunt, you... went to Fu’s Enterprise?” Qin Lv asked.

“Yes.” Qin Man knew what he was going to ask, so she said straightforwardly, “And I met Mu Weiwei who used to write you love letters.”

“...” Qin Lv fell silent.

Qin Man sighed and said, “She wrote so many love letters to you, how can you let this cooked duck fall into Fu Hanzheng’s hands?”

“...Ah?” Qin Lv got confused by her words and mumbled, “Aunt, didn’t you want to take back Fu Hanzheng?”

“Hey, do you all think that I am here to steal her away?” Qin Man was a bit annoyed.

If she really had such thoughts about Fu Hanzheng, she would not have applied to work at the Sri Lankan embassy.

“Could it be... that you’re not?” Qin Lv whispered.

Qin Man pursed her lips and asked, “Were you thinking that if I poach Fu Hanzheng, Mu Weiwei will be yours?”

“...” Qin Lv fell silent. Guilty as charged.

He could not win against Fu Hanzheng, so he did not even have the chance to approach her.

So when his aunt came home to find Fu Hanzheng, he had thought that was the way things would play out.

Qin Man sighed and consoled him.

“It is a beautiful, fanciful idea, but it is a pity that it is not going to work out. I don’t want to poach him away from her, and she is getting married, so don’t think about her anymore.”

Fu Hanzheng was going to marry her, so there was nothing he could do.

After all, he was no match for him.

Chapter 792: What Do You Think?

Hearing her mention their marriage, Qin Lv stayed silent.

“Alright, don’t think about it. Aunt will introduce you to other girls, don’t think about anyone else,” Qin Man said.

Without saying anything more, Qin Lv hung up.

Qin Man sighed. She was in a hurry to attend the meeting, so she did not call him back.

On the other side, Fu Hanzheng and Weiwei finished their food and left the company for the airport, heading for Austria.

Since it was an important project, Fu Shiqin went with them.

The moment he boarded the plane, he asked for a bottle of champagne from the crew and excitedly poured a few glasses.

Gu Weiwei sat down and turned down his champagne offering.

“No thanks.”

Fu Shiqin mumbled as he took a sip of the wine, “Sister-in-law, why do you look so tired? Are you sick?”

“My head hurts.” Gu Weiwei made up an excuse.

Because Yuan Bao was around these days, Fu Hanzheng was forced to abstain from s*x and he had insisted on paying off the debt last night. She was so tired that she felt like she would almost fall apart. It would have been weird if she was still fully awake.

Fu Hanzheng, the culprit, sat next to her and asked with a gentle voice, “There is still a long way to go, do you want to sleep a little more?”

Gu Weiwei turned around and did not want to talk with him.

“We are going to have a meeting in Austria for two days. Are you going to Slovakia with Jolin first, or are you going to wait for us to go there together?” Fu Hanzheng asked as he leafed through the files.

Gu Weiwei said, “Let’s go there first!”

Fu Hanzheng did not object. After all, she needed some time to pick out the clothes and decide on a theme for the wedding photoshoot.

He was very busy and he did not have much time to spend with her.

Gu Weiwei adjusted the angle of the chair and closed her eyes to get some sleep.

Soon after she fell asleep, her phone rang. Fu Hanzheng caught a glimpse of the incoming call, it was from the Qin Family.

He glanced at her and picked it up.

The man on the other end stayed silent for a while and then asked, “Mu Weiwei, are you really marrying Fu Hanzheng?”

After much thought, Qin Lv mustered up the courage to make this call.

Fu Hanzheng countered with a low voice.

“Do you have a problem with her marrying me?”

Qin Lv panicked when he heard Fu Hanzheng’s voice instead of Mu Weiwei’s.

“Uncle... Fu.”

Fu Shiqin, who was drinking champagne alone, stared at the phone curiously when he heard his brother’s tone.

If his brother said something like that, it must be his love rival.

His brother only had Qin Lv and Anthony Gustav as his love rivals.

Fu Hanzheng said, "Anything else?"

"No... no nothing else," Qin Lv said bitterly. It was Fu Hanzheng who answered the call, which had totally ruined his confidence.

He had thought that Fu Hanzheng was just playing with her, but they were really getting married.

Fu Hanzheng said, "Don't call your Aunt any more."

He emphasized the word "Aunt".

On the other side of the phone, Qin Lv stayed silent.

Fu Shiqin took a sip of champagne and when he heard the word "Aunt", he was sure that it was Qin Lv who called.

Qin Lv had met his sister-in-law once during the commercial shoot and his brother had asked Shiyi Culture to turn down all the work related to the Qin Family.

His sister-in-law was always surrounded by people, so Qin Lv never had the chance to meet her.

He must have heard that his aunt Qin Man had met them and heard that they were getting married, so he called her.

Having warned him, Fu Hanzheng hung up and put the phone back.

Chapter 793: A Good Man

Gu Weiwei had no idea that Qin Lv called her.

It took eight hours to fly from Beijing to Vienna, the capital of Austria, and it was only five in the evening because of the six-hour time difference.

Jolin picked them up at the airport and Fu Shiyi, who had just finished filming the commercial in the desert and became sunburnt, was with him.

The moment Fu Shiqin got off the plane, he burst into laughter at the sight of Fu Shiyi, who was wearing sunglasses.

"Second Brother, what are you laughing at?" Fu Shiyi was displeased and kicked him.

If he had not been tricked by him, he would not have been sent to the desert by his brother for the commercial.

In such a place, sunblock would not work at all.

Even if he painted a few layers a day, he would still look like this.

"We are here on business, what are you doing here?" Fu Shiqin stopped laughing and changed the topic so as not to laugh at his red sunburn.

"Can't I see the house our brother bought for our sister-in-law?" Fu Shiyi snorted.

Gu Weiwei frowned. "A house?"

"The place where you are going to take pictures, my brother bought you an old castle," Fu Shiyi said as he complained. "We have been brothers for more than twenty years, when did you ever buy anything valuable for me and Second Brother?"

Fu Shiqin was on the same side as him when this topic was brought up.

"When we were in school, brother gave us all kinds of books, but he never gave us any human-like presents."

Look at how his sister-in-law was treated. Sports cars, jewelry houses and designer clothes were all given to her by his brother, as if they were free.

Gu Weiwei looked at the two of them in amusement and said, "It's probably because you two are not girls."

Fu Shiyi sighed. "If I were a girl, I would be treated differently in this family."

The whole family had hoped that he and Second Brother would be girls, even if one of them was a girl. But they were both boys, which disappointed their mother.

Fu Shiqin said as he walked, "Medicine is so advanced these days, it is totally possible for you to get a s*x change. What about... asking He Chi?"

Fu Shiyi glared at him. "Forget it, it is good to be a man."

Fu Hanzheng ignored his two brothers and led her into the car.

"Shiqin and I are going to meet the collaborators now. There will be a banquet later, go to the hotel and eat something, then get changed and come with Shiyi."

"Is it appropriate for me to attend this event?" Gu Weiwei frowned.

A few hours ago, they had promised Qin Man to not let the public know about their relationship within two years, in case it would ruin their public image.

Although they had been together for so long, they had never been to many occasions together.

"No media is going to be present at the private cocktail party," Fu Hanzheng said.

"Alright, I will be there later." Gu Weiwei nodded.

Fu Hanzheng and Fu Shiqin went straight to the meeting place with the collaborators, while Gu Weiwei went to the hotel with Jolin and Fu Shiyi.

After the three of them ate, Jolin arranged for someone to do her makeup.

"It's not necessary for you to attend such a business banquet."

Sitting next to him, Fu Shiyi put on the mask and said, "Of course it is necessary. What if those women think that my brother is single and want to do something with him?"

Chapter 794: Unexpected Encounter with Will Dorrans

At eight o'clock sharp, Fu Shiyi left the hotel with her and went to the banquet where Fu Hanzheng was.

Since it was a business occasion, the style and gown were simple and elegant. She only wore a pair of diamond earrings and carried a small handbag.

The two of them entered the venue and saw Fu Hanzheng talking with the host of the banquet, surrounded by two sexy foreign women.

"Go now, my brother needs your help." Fu Shiyi took two glasses of wine from the waiter and gave one to her.

Gu Weiwei walked over with the wine and took hold of Fu Hanzheng's arm.

"Sorry I am late."

The two foreign women looked at her in surprise and asked in English, "Mr. Fu, this is..."

Fu Hanzheng smiled. "My wife, Mu Weiwei."

Hearing his words, Gu Weiwei teased in Mandarin.

"Not yet."

"Can you run away?" Fu Hanzheng chuckled.

Hearing his introduction, the two foreign women left.

Seeing him leaving, Gu Weiwei whispered, "Did you ask me to come here to help you block love interests?"

"Not necessarily," Fu Hanzheng said and introduced her to his partners.

Since she was with him, the other women did not approach him anymore.

This was a social occasion for Fu Hanzheng, so Gu Weiwei just had to be a smiling, porcelain vase and occasionally talk with him.

However, she noticed that a tall pale man with a high nose and deep eyes kept looking at her and Fu Hanzheng.

She did not remember seeing this man before, but he kept paying attention to them from time to time, so she asked Fu Hanzheng about him after the conversation.

"Do you know that brown-haired man over there?"

Fu Hanzheng glanced at her. "No, what is it?"

"He has been looking at us, but I don't know him either," Gu Weiwei whispered.

They were just talking when the man approached them with a wine glass in his hand.

"President Fu, Miss. Mu, nice to meet you."

The man raised his glass and took a sip.

“You are...” Gu Weiwei asked with a smile.

The man recognized her and Fu Hanzheng, but when she thought about the events she attended abroad, she just could not remember seeing this man.

“Will Dorrans.” The man introduced himself.

Gu Weiwei smiled and took a sip of wine, trying to conceal her nervousness.

It would be a lie if she said she was not nervous, when the very mastermind who had caused her death and who had attacked her once, suddenly stood in front of her.

“Hello, Mr. Dorrans.”

Fu Hanzheng sensed that something was wrong with her, so he threw a look at her.

“I heard that Yuan Shuo is very close to you in Hua Land. How is he doing?” Will Dorrans asked with a smile.

Fu Hanzheng said, “Very good.”

Yuan Shuo worked for Cayman Dorrans at the Dorrans Family, so it was not strange that he knew Will Dorrans.

So it must have been because of Yuan Shuo that he had been paying attention to them.

But why was she so nervous?

“It seems that Miss. Fu and Yuan Shuo have a special relationship,” Will Dorrans said.

Yuan Shuo escaped to Hua Land with Yuan Meng and gained the protection of the Fu Family. When Mu Weiwei was taken to the Gu Family by Gu Siting, Yuan Shuo took the risk of returning to A Land to help her.

Ling Yan had stressed repeatedly that this girl was related to Gu Weiwei.

It did look suspicious.

Chapter 795: Unexpected Encounter with Will Dorrans 2

Gu Weiwei chuckled. “Mr. Dorrans is very curious too.”

She thought that he was suspecting her relationship with Gu Weiwei, and this suspicion was most likely caused by Ling Yan.

It was also because of this suspicion that Ling Yan was worried that Cayman Dorrans would find out the truth from her, so she asked He Linna to find Zhou Meiqin, so that the Li Family could hire someone to kill her.

But if Ling Yan suspected her, she would be in trouble, which was why she asked Yuan Meng to arrange for her trusted men to follow her, as her bodyguards.

With Fu Hanzheng’s men in the open and Yuan Meng’s men in the dark, Kerry and his men failed before they could do anything.

Will Dorrans laughed and said calmly, "I don't mean anything else, but Cayman has been hoping to find Vivian's murderer, and Yuan Shuo might be one of them, so we have been hoping to find him."

"Really? I have never heard him mention it," Gu Weiwei said.

This man was testing her words and observing her emotions.

But if she could be seen through so easily, she would have wasted her years of film studies.

"That is a pity. I heard that he went to Barcelona a few days ago but I was in Madrid, so I did not manage to meet him." Will Dorrans sighed.

Originally, he had also received the news that Anthony Gustav had caught He Linna and brought her to Barcelona, and wanted to deal with the matter secretly.

Unexpectedly, Yuan Shuo and his men took her away before he could.

He was not sure if He Linna was dead or alive in their hands, or what she had told them.

When Yuan Shuo and Yuan Meng left Barcelona, they did not bring anyone suspicious with them.

If He Linna had not died in Barcelona, she must have been hidden somewhere in Spain.

But Fu Hanzheng had no reaction to Mu Weiwei's assassination, or He Linna had not betrayed him and they knew nothing about it.

Maybe Yuan Shuo knew about it but did not tell Fu Hanzheng for some reason.

Therefore, Fu Hanzheng had not caused him any trouble.

"It is a pity, but I will tell him what you said," Gu Weiwei said with a smile.

Will Dorrans was not sure if He Linna had betrayed him.

After all, in his opinion, if He Linna had betrayed him, Fu Hanzheng would have done something.

"Thank you, Miss. Mu." Will Dorrans raised his glass to show his gratitude.

Mu Weiwei was young, but she was very clever. They had talked for so long and yet he still could not figure out what Mu Weiwei knew or what it had to do with Gu Weiwei.

"You are welcome." Gu Weiwei chuckled.

Will Dorrans stopped speaking to her and turned to Fu Hanzheng.

"President Fu, I hope that the Dorrans Family can work with Fu's Enterprise in the future."

"I don't think we have the honor." Fu Hanzheng straightforwardly turned him down.

Although the Dorrans Family was trying to clear their name and turn to the proper business market, they still had illegal businesses.

At the end of the day, it was still the underworld's way of doing things.

What was more, they used to support the Gu Family and he had no interest in cooperating with them.

Will Dorrans laughed and walked away with his wine in his hand.

Fu Hanzheng lowered his hand and took hold of hers, only to find that her palm was sweating.

“This man makes you nervous?”

Chapter 796: Unexpected Encounter with Will Dorrans 3

Gu Weiwei let out a sigh of relief, took a sip of champagne and said, “Yuan Shuo said that he is very dangerous, so I was a bit nervous.”

“It is okay, the Fu Family and the Dorrans Family don’t have a deep relationship, he will not do anything to you.” Fu Hanzheng consoled her with a gentle voice.

“Okay.” Gu Weiwei nodded with a smile.

Seeing her looking tired, Fu Hanzheng said, “I am going to greet the host of the banquet, and then we can go home.”

“No need, I am fine.” Gu Weiwei smiled.

“It is a social event, and we only need to be polite to her. There is no need to stay here until the very end,” Fu Hanzheng said, put down his glass of champagne and then said a few words to the host.

He then turned around and left with her.

Seeing them leaving, Will Dorrans waved at his assistant who was not standing far away.

The assistant in a black suit approached him. “Boss, what is the problem?”

“Still no signs of Linna in Spain?” Will Dorrans asked.

Mu Weiwei might not be able to tell him anything, but he was still worried about He Linna’s safety.

If it had just been Yuan Shuo who went to Barcelona, he would not have been so worried but Yuan Meng, who was very skilled at interrogating people, was also there. He was afraid that He Linna had said something to her.

Fu Hanzheng did not know that he was the mastermind behind that incident. Either Yuan Shuo and his men had returned empty-handed, or he had other plans.

Maybe it was because he did not want to use Fu Hanzheng to deal with him, but Cayman Dorrans instead.

Cayman cared about Gu Weiwei the most, and He Linna knew that Gu Weiwei had died by his hands.

Cayman was trying his best to find out who had murdered Gu Weiwei all those years ago. If Yuan Shuo and his men found out about it from He Linna and revealed it to Cayman, he would be in trouble.

After all, he had not gained full control of the Dorrans Family yet.

Cayman’s real trusted subordinates and most important forces had not been given to him, or even... revealed to him.

“Not yet, and neither has Anthony Gustav,” The assistant in black suit said.

Will Dorrans took a sip of wine and watched Fu Hanzheng’s car leaving, through the window.

“Watch out for those around Cayman, inform me if he sees anyone suspicious.”

Mu Weiwei did not look suspicious, but she made him feel uneasy.

The attack in Stockholm failed and she spent most of her time with Fu Hanzheng, so he had no chance to do anything more.

“Okay, Boss,” The assistant answered and was about to call someone.

“Also...” Will Dorrans looked very cold as he whispered, “Send someone Chinese to Hua Land and find Yuan Shuo...”

“I am afraid that those who can be arranged to go there are not his match,” The assistant said.

Yuan Shuo had been with the Dorrans Family before and they knew a thing or two about him.

“Let them go, not to fight him, but to bring his son back to me,” Will Dorrans said.

No matter what they found out from He Linna and whether she was or was not still in their hands, only he and Yuan Meng knew about it.

They were skilled, but they had a helpless son.

Chapter 797: Rich and Willful?

Gu Weiwei had not expected that she would run into Will Dorrans at the banquet, but after she returned to the hotel, she kept thinking about how he had asked her questions about Yuan Shuo.

When Fu Hanzheng was taking a shower, she made a call to Yuan Shuo.

“I ran into Will Dorrans at the cocktail party and he kept asking me about you, it was probably to test me.”

Yuan Shuo stayed silent for a while. “I don’t think he will do anything to you again, but He Linna is still missing. What is he going to do?”

Will Dorrans met her and Fu Hanzheng today, so he must have known that Fu Hanzheng had no idea.

She would only guess that he did not tell Fu Hanzheng because of the relation to Gu Weiwei. It seemed that he and Yuan Meng would be in trouble.

After all, regarding Gu Weiwei’s death, only he and Yuan Meng were close to the truth.

“Stay safe with Yuan Meng, I should be home before the weekend.”

Gu Weiwei ended the call with Yuan Shuo as soon as the sound of water stopped.

Fu Hanzheng came out of the bathroom in a bathrobe, drying his hair.

“Why are you still awake?”

“Well... Will Dorrans kept asking me about Yuan Shuo and I was a bit worried, so I called Yuan Shuo,” Gu Weiwei said honestly.

“Why do you need to worry about him?” Fu Hanzheng sat down next to her and urged. “Sleep early, I have a meeting with Shiqin tomorrow morning, you can go to Slovakia first. The scenery there is great, so you can take a look around.”

“When will you arrive?” Gu Weiwei asked.

“The night after tomorrow,” Fu Hanzheng said.

Gu Weiwei nodded. She went to bed early while he talked with Fu Shiqin about the meeting tomorrow.

She slept all the way until the following morning. When she woke up, Fu Hanzheng and Fu Shiqin had already left the hotel.

She leisurely ate breakfast with Jolin and Fu Shiyi before heading to Slovakia, which was close to Austria.

They got off the plane and spent a few hours in the car before they arrived at the castle of Chenis that Fu Shiyi had mentioned.

Slovakia could be said to be the country with the most ancient castles in the world, and they saw a few of them on the way.

The castle of Chenis was only one of the hundreds of ancient castles in Slovakia. It was not built by the royal family, but by a noble family in the Middle Ages.

The castle of Chenis was next to a small lake, and the stone walls of the castle were already covered with creeping vines, giving the cold castle some vitality.

“Boss, do you have too much money to spend?” Jolin complained as he sized up the scenery around him.

He bought it at such a faraway place, she might not even be able to live there for a long time.

“It is so vulgar to talk about money.” Fu Shiyi countered Jolin and turned to Gu Weiwei. “Sister-in-law, do you know why my brother bought this castle?”

Gu Weiwei thought for a while. “Because he’s rich and willful?”

Fu Shiyi sighed and said, “Sister-in-law, you are hurting my brother’s feelings. He spent so much effort to buy this place for you.”

“He spent so much effort to buy a place where you can’t even live for a few years, isn’t that just being rich?” Jolin snorted.

Fu Shiyi said, as they walked into the castle, “My brother bought it and is planning to hold the wedding here.”

“Ah?” Jolin glanced at the ancient castle that looked a bit sinister and said, “They are all holding weddings at the Church Beach Hotel, and your brother is choosing here for the wedding?”

“Because it is romantic here, right?” Fu Shiyi said.

Gu Weiwei sized up the surroundings. "I really can't tell."

Chapter 798: The Romantic Way of Tycoons

"Not romantic, but sinister." Jolin added.

Fu Shiyi sighed and explained, as he showed them around, "It is because this castle has a very romantic story of origin."

"What's the story?" Gu Weiwei asked.

Seeing the wine cabinet, Fu Shiyi poured a few glasses of champagne and said, as he sipped the wine "In the nineteenth century, a local young noble fell in love with a girl, who was his childhood friend, and built this castle as a proposal to her. This castle was built fifteen years later and they held a grand wedding, living happily ever after."

Hearing the story, Gu Weiwei smiled.

So that was why he bought this place.

Fu Shiyi finished the story and said to her, "Don't you think that this is a very romantic place?"

Before his brother fell in love, he had always thought that his brother was unromantic.

But this was so romantic.

"It is indeed a wonderful place."

Gu Weiwei nodded. She had not asked much about the wedding, but she knew that the family in the old mansion had chosen many places.

Unexpectedly, he chose such a special place.

Actually, since they started being in a relationship, most of the things he gave her were special presents that took a lot of effort.

Jolin could not help but admire his boss' romantic way of thinking. Rich people were always so extravagant.

Fu Shiyi led them to the long hall of the castle and said to Gu Weiwei, "Your marriage is not going to be made public anyway, so the wedding will only be for those who know about your relationship and some important guests. This place is quite large and hidden away, so no media reporters will find this place."

Without saying a word, Gu Weiwei admired her surroundings.

The three of them had walked around castle grounds once, before the photographers and stylists arrived.

"Mrs. Fu, do you need to talk with us about the style of photoshoot you want?"

Gu Weiwei thought for a while and shook her head with a smile.

"I have no objections."

Since Fu Hanzheng was the one who hired her, she must be very skilled, so she did not need to worry.

“Then if it is convenient for you, you can choose the clothes for the shoot first. If there is anything you are not satisfied with, we can make the preparations in two days time,” the stylist suggested.

No mistakes could be made in the wedding pictures of Boss and his Lady.

Therefore, they had to be prepared before Boss arrived.

“Okay.” Gu Weiwei nodded and followed them to the clothes rails.

Fu Shiyi looked around and straightforwardly said, “You can’t have any of these low-cut, sexy ones.”

Jolin looked at him speechlessly and complained.

“It is your brother and sister-in-law who are doing the wedding photoshoot, not you! You have no right to speak!”

“If my sister-in-law dares to wear such a dress, my brother will pluck out your eyes!” Fu Shiyi said with arms crossed.

“...” Jolin touched his nose. It seemed that Boss did care about her clothes.

That was why Mu Weiwei never wore a dress that went above the knees, and why she always covered herself up.

The stylist broke out into a cold sweat and asked the assistant to remove all the sexy outfits.

Chapter 799: Love

During the two days when Fu Hanzheng was in the meeting in Austria, Gu Weiwei and the stylist finished choosing the clothes, deciding on the makeup style and walking around the castle.

Chenis Castle was not in the city, and before Fu purchased it was purchased by Fu Hanzheng, it was private property, so no tourists would visit it. It was a beautiful and peaceful place.

Fu Hanzheng remained busy for the two days and then he rushed to Slovakia the night after finishing work. It was already midnight when he arrived at Chenis Castle.

Gu Weiwei knew that they were coming, so she asked the servants to prepare supper and waited for them on the sofa, with a blanket over her legs.

She heard the sound of a car coming from outside in the middle of the night, so she quickly put on her shoes and went out. Sure enough, she saw a man in a suit getting out of the car.

“Why are you still awake?” Fu Hanzheng took hold of her hands and asked with a low voice.

“I was asleep, but now I am awake.” Gu Weiwei chuckled.

Fu Shiqin walked behind her and weakly sat on the sofa.

“Sister-in-law, is there anything to eat?”

The moment he finished his work, Fu Hanzheng rushed over without letting anyone eat a single bite. He was so hungry that he almost passed out on the way.

“Yes, in the kitchen,” Gu Weiwei said.

Having heard the words, the man, who had been feeling weak just a moment ago, got up and went into the kitchen to look for food.

Fu Hanzheng looked around the castle and asked her, “Do you like this place?”

Although he had bought it, he had only seen pictures and videos, and he had never visited it in person.

“Very much.” Gu Weiwei nodded with a smile and asked, “So, are we going to hold the wedding here?”

“Yes, but if you like somewhere else, that is fine too,” Fu Hanzheng said.

Although he liked this place a lot, the wedding was not his alone, so he had to respect her opinion.

“I like it here, we don’t need to choose another place,” Gu Weiwei said as she leaned her head against his shoulder.

This place was the perfect choice for both the purpose and the privacy of the wedding.

Fu Shiqin ate his food and did not forget to greet his brother with a plate for him.

“Brother, if you don’t eat now, I will finish everything.”

Fu Hanzheng got up to wash his hands and ate with his brother.

Due to the busy work in the day and the fact that he had just flown over, he took a rest after eating.

Early in the morning, when Gu Weiwei was doing her makeup, he took some time to answer a few calls from the company and made the necessary arrangements.

Due to her good looks, Gu Weiwei saved a lot of time on makeup and finished within one hour.

Seeing the girl in the wedding gown, Jolin said to the stylist, “Aren’t you going to give her diamond jewelry to wear?”

The stylist said, as she helped to organize the group, “You don’t need accessories to make you look better.”

With such a face, even the most beautiful jewelry would pale in comparison.

Gu Weiwei adjusted the dress and left the room with the dress in hand after making sure that everything was fine.

Fu Hanzheng had just finished the call, when he saw the girl coming towards him with a dress in her hand. He could not help but look surprised and delighted.

Although they had been together for a long time and she had accepted his proposal it didn’t feel as real as it did now.

It was not until this moment when he saw her like this that he truly felt that she was going to become his wife.

Chapter 800: Love 2

Seeing that they were ready, the photographer went over to explain.

“The natural light is good at this time, so can we shoot the outdoor scene first?”

“Sure,” Fu Hanzheng answered and led Mu Weiwei ahead.

The photographer, who was walking behind them, quickly pressed the shutter and took a picture when he saw them walking out hand in hand.

The groom was tall and seemed to be saying something to the bride. The bride turned her head and smiled, looking sweet in the picture.

The photography team brought them to the place where they were going to be filmed, and straightforwardly said, after they had decided on the scope of their activities, “Due to the filming, you two can have some interactions with each other in this area. I will do the shooting.”

The two of them were so good-looking that they did not even need to look for the best camera angle. They could actually make a blockbuster.

Also, the groom was the Boss and the bride was the Lady Boss, so he did not have the guts to instruct them in the styling.

“Freestyle interaction?” Gu Weiwei glanced at the photographer – so irresponsible.

Hearing the words, Fu Shiyi said with a smile, “He just wants you to be free to kiss and hug.”

Fu Shiqin was on the phone, when Mrs. Fu called to ask how they were doing.

“Mom, just you wait, I will send you a picture.”

Having said these words, he hung up and took a picture of Fu Hanzheng, who was laying in Mu Weiwei’s arms, and sent it to his mother.

Mrs. Fu quickly replied: [I finally feel that your brother is getting married, take more pictures.]

She had been worried about his marriage for years even though he was not worried at all.

Now that she was no longer worried, he was the one in a hurry to get married.

They were not satisfied with the places they had suggested for the wedding, so he had to buy a place in Slovakia to be the wedding venue.

After reading the text, Fu Shiqin kept taking pictures of Fu Hanzheng and Mu Weiwei, and sent them all to his mother.

Fu Hanzheng and Gu Weiwei did not need much guidance from the photographer. They held hands and hugged each other naturally, as if they were on a normal date.

The photographer checked the pictures and found nothing wrong with them. Then he pointed at a place that was not too far away from them.

“The groom will lead the bride towards the lake and we will take a few kissing pictures there.”

The photographer’s assistant took the large veil and went over to cover the two of them with it.

“Groom, you can kiss your bride now.” The photographer reminded him.

Gu Weiwei asked shyly, “Where?”

“Kiss anywhere you want,” The photographer said.

Gu Weiwei looked at the man in front of her and was about to communicate with him, when Fu Hanzheng lowered his head and kissed her on the forehead.

Then he kissed the tip of her nose.

Finally, he kissed her lips.

The camera in the photographer’s hand kept clicking, and he took many pictures of the two of them kissing under the veil.

“Alright, no more kisses.”

However, the two of them had totally forgotten that they were taking pictures.

The photographer smiled awkwardly and mumbled, “So much love.”

He felt that Boss did not ask him to come to take their pictures, but actually just wanted him to be an audience member that witnessed their love.

“Way too much.” Fu Shiyi snorted.

This was not a wedding photoshoot, but a show of love!

When the photographer asked them to freely interact with each other, they were forced to accept their bombardment of love as spectators.

The two of them were so lovey-dovey in front of everyone, and today’s public display of affection was too sweet.
