

MY HIDDEN 861

Chapter 861: No Movie

Dressed in a professional suit, Qin Man gave a present to Gu Weiwei.

“Happy birthday.”

“Thanks.” Gu Weiwei took it and sincerely thanked her.

Honestly speaking, she had not expected that Qin Man would come, nor that she would bring Qin Lv and Meng Ruya with her.

Qin Lv looked at the beautiful girl in front of him and his heart surged. He had forgotten what he was here for.

It was not until Qin Man pushed him that he said, while holding the present he had prepared, “Happy birthday, Mu Weiwei.”

Mrs. Fu had heard about the conflict between Qin Lv and Mu Weiwei from Fu Shiyi, so she went over and took the present from him.

“Why is this child so rude, why doesn’t he call her Aunt?”

Qin Lv smiled awkwardly but did not call Mu Weiwei Aunt.

He Chi gave Fu Shiyi a thumbs up and said with a smile, “Your mother is so amazing! Qin Lv is so angry that he almost vomited blood.”

“Why is he so angry? I already told him that she is my sister-in-law.” Fu Shiyi snorted.

After Qin Man and Qin Lv gave her the presents they had brought, Meng Ruya also did so unwillingly.

“Happy birthday, Weiwei.”

“Thanks.” Gu Weiwei smiled.

Mrs. Fu asked the servant to put away the presents and urged everyone, “Come in and take a seat, I will check with the kitchen, and we will eat when the food is ready.”

Qin Man glanced around the room and said curiously, “Why is Fu Hanzheng not here for your birthday?”

“He was on a business trip and something happened, so he wasn’t able to make it home.” Gu Weiwei smiled.

Hearing the words, Qin Man started to scold Fu Hanzheng unhappily.

“It is too much for him to be absent at such an important time. He is so busy with work that he has no time to spend with you.”

“Master has so many things to deal with, how can he just stay by her side and do nothing?” Meng Ruya said casually with a smile.

Gu Weiwei smiled but said nothing. Before she said anything, Qin Man threw a look of displeasure at Meng Ruya.

“Stop being jealous, you won’t be able to do anything.”

Fu Hanzheng had looked her in the eyes for so many years but he was still getting married to Mu Weiwei, what was she being jealous about?

She had asked Qin Lv to come with her alone, but Meng Ruya just had to come with them and make a fool of herself.

Meng Ruya bit her lips and said, “I will go and see if Aunt needs any help.”

She had tried so hard to drive Mu Weiwei out, but she had never expected that she would return with Fu Hanzheng one day and that she would lose her place here.

“Weiwei, Fu Hanzheng is a workaholic and it is boring to marry him,” Qin Man said as she patted Qin Lv, who was standing next to her and whispered to Gu Weiwei, “If you really regret it, you can consider our Lui.”

“Hey, Sister Qin Man, what are you trying to do here?” Fu Shiyi rushed forward when he heard her.

She was trying to steal away his brother’s girl and replace his brother with her nephew, just because his brother was not around.

Qin Man squinted at him. “What are you so nervous about? You and your sister-in-law are in a lot of gossip together and yet your brother did not kill you.”

Sigh, she shouldn’t have returned home late, otherwise how would she have allowed Fu Hanzheng to steal Mu Weiwei away?

Gu Weiwei looked at Qin Lv and then turned to face Fu Shiyi.

“Take care of them, or do you need help?”

What Qin Lv was obsessed with was the original Mu Weiwei.

And she was no longer that Mu Weiwei.

Chapter 862: Birthday Present

Although Fu Hanzheng was absent from the birthday party, it was still very lively with Mrs. Fu around.

Dinner was ready in the kitchen and Mrs. Fu came out and said, “It is almost time, we can cut the cake now.”

Fu Shiyi, He Chi, Ji Cheng and Luo Qianqian placed candles on the cake, lit them up and asked the servant to turn off the light.

Everyone started to sing a birthday song around Gu Weiwei, and the dim candlelight made it look very cozy.

Under everyone’s urging, she blew out the candles.

When the servant turned on the light, Fu Shiyi and He Chi popped the confetti and ribbons and paper filled the room.

Gu Weiwei cut the cake with the knife and the servant helped to carry the cake and cut it into pieces.

Old Lady passed a small gift box to Gu Weiwei and said, "Happy birthday, girl."

Gu Weiwei took it and thanked her with a smile.

"Thanks, grandma."

"Open it and see if you like it," Old Lady said with a smile.

Gu Weiwei opened the box carefully and found that inside was a jade bracelet.

"Old Lady, you are being too biased. I have liked you for so many years and you couldn't bear to part with it for me, but now you are being so generous?"

Mrs. Fu looked at the Old Lady, pretending to be wronged. Although young people nowadays did not like to wear jade jewelry, she knew that it was something that the Old Lady treasured.

Gu Weiwei could tell that the bracelet was very expensive, so she said to the Old Lady, "Grandma, this is too expensive."

"We are family now, no need to stand on ceremony," the Old Lady said and asked her to accept it.

Gu Weiwei put away the bracelet and asked the servant to put the gift on the table.

Mrs. Fu also took out the present she had prepared. "I didn't give it to you properly last year, please don't take it to heart."

"Thank you so much for making the arrangements and giving me gifts."

Gu Weiwei was too embarrassed to take it, but Mrs. Fu forced it into her hands.

"Sister-in-law, open it," Fu Shiyi said.

Gu Weiwei threw a look at Mrs. Fu. "Then I will open it."

"Open it," Mrs. Fu said with a smile.

Gu Weiwei carefully opened the box and found a set of jewelry inside. She remembered that it was a rare piece auctioned by the European Royal Family.

He Chi immediately complained.

"The gifts of the rich always exceed my imagination."

After Mrs. Fu gave it to her, Fu Shengying took out an unpacked box from his pocket and said as he placed it on the table, "I don't understand what you girls are thinking, so don't mind me."

"Thanks."

Gu Weiwei thanked him gratefully and opened the lid only to find that it was a car key.

Fu Shiyi got so excited when he saw the car keys.

“Dad, I have asked you for this car for three years, and now you are giving it to my sister-in-law instead of me?”

His father had collected so many good cars over the years and he had been eyeing this one for so many years. His father hadn't even allowed him to touch it and now he was giving it away.

“I have given you a car before,” Fu Shengying said.

“You gave me a car worth a third of my sister-in-law's presents, what do you think? Second Brother and I were clearly adopted by you!” Fu Shiyi complained unhappily.

Sister-in-law had the Old Mansion set up for her birthday and they were giving her presents as if they were free. They were just here for a meal, and if they were in a good mood, they would give them some food.

Fu Shengying squinted at him. “Yes, I picked you up from the trash.”

He Chi patted his shoulders sympathetically and consoled him.

“It is a bit irritating.”

Having consoled Fu Shiyi, he turned around to console Fu Shiqin but found that Fu Shiqin was nowhere to be seen.

“Where is your second brother?”

Chapter 863: Birthday Present 2

Everyone looked around and suddenly realized that Fu Shiqin had disappeared for a long time.

Qin Man took a bite of cake and said, “I haven't seen him since I came in, so I thought that he and Fu Hanzheng were away on business.”

Gu Weiwei frowned. “He was still here when I arrived.”

“Don't worry about him, we can eat our food.” Mrs. Fu was not worried at all and asked the butler to find him.

He Chi gave her his present. “Happy birthday, sister-in-law.”

Seeing him handing over the present, Fu Shiyi put down the chopsticks and said, “Sister-in-law, open it and see if he's given you a fossil specimen. If he has, I will beat him to death right now.”

Gu Weiwei chuckled and opened the present He Chi gave her.

However, as expected, it was a fossil again. Judging from the shape, it was a fossil made of fish bones.

Seeing that the wrapping paper was open, He Chi got up and ran away.

“This is a thousand-year-old fish bone! This kind of fish is extinct, and this fossil is a priceless treasure!”

Fu Shiyi was about to punch him. "These things are given to everyone every year, can't you be more creative?"

"It is a priceless treasure!" He Chi argued.

"So precious? I will turn all the specimens you gave me into soup and you can drink them all." Fu Shiyi got so annoyed. He had known him for so many years and he had given him these fossils every year. That was enough.

He Chi dodged his attack and said, "What are you talking about? You can give me whatever you want, but if you dare, I will beat you to death!"

"Stop it," Mrs. Fu said with a straight face.

Only then did Fu Shiyi return to the dining table, sit down and give her the present he had prepared.

"Happy birthday, sister-in-law. I hope that you will be as pretty as a flower and stay in love with my brother forever."

Gu Weiwei took over his gift but did not open it.

After he gave Fu Hanzheng sexy pajamas last year, she was afraid that this dumbass would do the same thing again.

She did not open it, but Fu Shiyi started to complain.

"Sister-in-law, the others' presents have all been opened, so what about mine?"

She was willing to bet that this man did not give her anything good.

"Forget it, let's eat first," Gu Weiwei said as she placed the things aside for the servant.

"No, please open it," He Chi said and hurried to open it.

"Damn you, why are you opening my sister-in-law's present?"

Fu Shiyi stood up and tried to take it away, not wanting him to open it.

The more he refused to open it, the more curious He Chi became.

"You must not have given her anything good."

Gu Weiwei felt her forehead. Seeing Fu Shiyi's reaction, she thought so too.

"It's better than your fossil," Fu Shiyi said.

He Chi took it and asked Gu Weiwei, "Sister-in-law, do you mind me opening it?"

"Damn you, you dare?" Fu Shiyi objected.

He Chi raised the box and said, "If it's not obscene I will stand still for half an hour and a second, and if I don't I'll be your grandson."

"Alright, alright, open it." Fu Shiyi did not stop him.

He Chi opened the box and found that it was not a pair of s*x toys but a very famous couple's watch this year.

Seeing He Chi's dumbfounded look, Fu Shiyi gloated.

"Come on, stand there, for half an hour and a second, or you will be a grandson."

They were just arguing when Fu Shiqin came in from the garden and asked in astonishment, "What are you two doing?"

Chapter 864: Birthday Present 3

Fu Shiyi and He Chi looked at the man who had disappeared for half an hour and returned.

"Where did you go?"

Fu Shiqin waved the phone in his hand and said, "I had a call from work and it was too noisy at home, so I answered it outside."

"I will deal with you later." Fu Shiyi let go of He Chi and turned to Fu Shiqin. "We have finished singing happy birthday to sister-in-law and given her all the presents too. It is so unfair of you to come home now. Our brother is not here, so we can't do anything about the company. Why didn't you come back quickly?"

Fu Shiqin glared at him and sat down at the table, he started eating as if nothing had happened.

"We have given her presents, so shouldn't you do the same?" Fu Shiyi urged.

Fu Shiqin threw a look at Gu Weiwei and said with a smile, "You have received so much, you don't need something from me, do you?"

"Damn, so because our brother is not here, you are not going to give her any presents?" Fu Shiyi said as he stood up to drag him away and punch him.

Fu Shiqin raised his hands in surrender; he was still holding the chopsticks. "I went outside to arrange for the present to be delivered here. I had left the company too quickly and only realised that I had left it when I was on my way here, so I asked someone to send it here. It will arrive soon."

Fu Shiyi sat down next to him and gritted his teeth. "That is more like it. If you didn't give her a present, I would have beaten you up."

The servant brought over the cut cake and gave each of them a slice. The dinner was also very exquisite.

Gu Weiwei received presents one after another and received blessings one after another, making the birthday party very lively.

But the more lively it was, the more she thought of Fu Hanzheng who was absent.

So she went to the bathroom and texted Fu Hanzheng after some hesitation.

[I miss you.]

However, after a few minutes, Fu Hanzheng still did not reply.

After a long while, she returned to the dining room and continued to eat with everyone.

She had just sat down when Fu Shiqin received a call, put down the bowl and said, "The present I have prepared is here. Sister-in-law, wait for me, I will get it for you."

Having said these words, he ran out to get the present.

He quickly returned with a small box tied with a bow.

Seeing that the box was only the size of a palm, Fu Shiyi helplessly said, "Second Brother, are you that stingy?"

Having said these words, he reached out his hand and was about to open it.

Fu Shiqin dodged the present thief. "Go away, sister-in-law has to open the present herself."

Gu Weiwei wiped her mouth with a napkin, stood up and walked over.

Fu Shiqin looked around and pointed at the yard outside.

"This present is more suitable to be opened outside, let's go there."

Feeling helpless, Gu Weiwei followed him from the balcony to the garden outside.

"Can we open it now?"

"Right here will do." Fu Shiqin held the gift box with both hands.

"Let's go and see what he is up to." Fu Shiyi and the others followed him to the garden curiously.

Gu Weiwei opened the box and found a remote control inside.

"What is this?"

Fu Shiqin smiled mysteriously. "Sister-in-law, close your eyes and make a wish. Then open your eyes and press the button on the left and then the button on the right."

With the small pink remote control, Gu Weiwei closed her eyes under his urging, but what came to her mind was Fu Hanzheng.

After a long while, she opened her eyes and pressed the left button, just as Fu Shiqin said.

Chapter 865: Proposal

"Bang!" With a loud sound, red heart-shaped fireworks bloomed in the dark night sky.

Then a white heart, a blue heart and a purple heart lit up the night sky one after another.

They were startled for a long time before Fu Shiyi realized what was going on.

"Second Brother, does our brother know that you are setting off such heart-shaped fireworks for our sister-in-law?"

"You are asking for a beating, aren't you? Is that something you can give her?" He Chi added.

Fu Shiqin ignored the two troublemakers and said to Gu Weiwei, who was watching the fireworks, "Sister-in-law, try pressing the right button."

Gu Weiwei looked down at the remote control in her hands and pressed the right button. Instantly, the garden was lit up by numerous small lights.

It was shaped like a star surrounding a heart. It wrapped under the trees and spread out on both sides of the road until it was far away.

Gu Weiwei looked into the distance and saw a very familiar figure standing in the darkness.

Her eyes lit up and she walked towards the man in the distance.

She took a few steps before she ran over anxiously.

Under the illumination of the fireworks and the light, the man who had made her lose hope for the entire night stood in front of her with a rose in his hand.

Seeing the girl running towards him, Fu Hanzheng smiled gently.

Gu Weiwei stopped in front of him and looked at the man who had shown up in such a gorgeous way. She was so happy and annoyed that tears started to well up in her eyes.

"Didn't you say that you are not coming home?"

"I must come home on such an important day."

Fu Hanzheng chuckled and brushed her messy hair behind her ears.

Seeing this man in front of her, Gu Weiwei felt both annoyed and amused.

"What a cheesy surprise!"

Fu Hanzheng gave her the flowers and said with a gentle voice, "Happy birthday, Mrs. Fu."

Gu Weiwei took the flowers and smiled sweetly.

Seeing her accepting the flowers, Fu Hanzheng said, "Also..."

"Anything else?"

Gu Weiwei chuckled. His sudden appearance was already a great surprise.

Fu Hanzheng took hold of her hand and took a step backwards with his right leg. Then he got down on one knee.

With his other hand, he took out the ring he had brought with him.

"Yes, marry me."

Gu Weiwei chuckled. "Mr. Fu, you have already called me Mrs. Fu and taken wedding pictures with me, why are you still proposing?"

"Although it is a bit late, this is a ceremony you should have, Mrs. Fu," Fu Hanzheng said.

Gu Weiwei looked at her empty left hand and said, "So you hid my ring on purpose?"

The day he left, she did not find the ring, but the servant said that the diamond on the ring had loosened and so it had been sent to be repaired.

She found it strange that such a high-end diamond ring would start to become loose within a year.

Fu Hanzheng chuckled and asked as he took the ring away.

"So Mrs. Fu, are you willing to put it on again?"

"Yes, of course." Gu Weiwei stretched out her fingers.

Fu Hanzheng put the ring on her left ring finger, kissed her hand and stood up.

"Weiwei, thank you for coming to my side."

Gu Weiwei took hold of the man in front of her and said with a sob, "I should be the one thanking you for appearing in my life."

Even if she had to die in pain before meeting him, she still wanted to thank fate for letting her meet this man.

Chapter 866: I Miss You

At first, the group of people on the balcony only saw the lights and a person standing far away.

Fu Shiyi recognized who it was the moment Gu Weiwei ran over.

"Ah, it's my brother!"

He Chi poked Fu Shiqin's elbow. "Second Brother, how dare you keep such a big secret from us."

"That's right, it is so unfair of him to not bring us along for such an important matter." Fu Shiyi expressed his displeasure.

Fu Shiqin squinted at them. "It's because you two are unreliable."

Actually, his brother had also arrived at the Old Mansion soon after his sister-in-law had arrived.

But in order to prepare for the surprise, he did not enter the house.

Also, if he had disappeared with Fu Shiyi and He Chi, everyone would realize that something was wrong.

So he did not tell anyone that he was cooperating with his brother.

Qin Man looked at the sky full of heart-shaped fireworks and the lovely heart-shaped light in the garden and shivered.

"Your brother is too much! He is already so old and yet he is still playing such a childish surprise."

Although she said that, she was actually more shocked that Fu Hanzheng, a cold-hearted man, would do such a thing for someone.

She had thought that he would never fall for a single woman in this world.

She had never expected that Mu Weiwei would turn him into a totally different person.

“Sister Qin Man, this is called romance between couples.” Fu Shiqin corrected her with a smile.

Fu Shiyi followed along and said, “You are not used to such lovey-dovey stuff.”

Standing next to Qin Man, Qin Lv looked a bit disappointed when he saw the couple standing together.

He would probably never have the chance to stand by her side in this lifetime.

As long as Fu Hanzheng was around, he would never be able to approach that position.

No matter how unwilling he was, he could not get close to that position at all.

Standing next to her, Meng Ruya looked at the surprise Fu Hanzheng had prepared for Mu Weiwei and saw him waiting for her with roses in his hand. She looked very jealous.

If Mu Weiwei had not shown up, everything here might have been hers.

But Mu Weiwei was the one he cared for.

Mrs. Fu and Fu Shengying were both shocked and pleased to see their cold-hearted son doing such things for a girl.

Over the years, they had seen many girls who were as good as him, but none of them were as good as the girl he liked.

They had been displeased when they first heard that he was in a relationship with Mu Weiwei, but they became relieved when they saw Mu Weiwei.

“It seems that we will have to go to Slovakia in a few days to prepare for her wedding,” Mrs. Fu said.

Fu Shengying nodded in agreement. “Yes, we should go earlier.”

Seeing his brother getting down on one knee, Fu Shiyi guessed that it was a proposal.

So he whistled and hooted at them.

“Kiss!”

He Chi complained, “The wedding pictures have already been taken and the wedding date is set, and it’s only now that you are proposing to her? Isn’t that the wrong order?”

“Don’t care about these details.” Fu Shiqin stressed.

His brother had been feeding the mosquitoes outside for more than an hour for this surprise.

He had planned to let his sister-in-law know half an hour later but he did not know why his brother was so anxious. It was only just now that he had texted him and asked him to start the surprise.

However, only Fu Hanzheng knew why he was so nervous.

Everything was because of the sentence ‘I miss you’.

Chapter 867: Good Boyfriend

The fireworks went on for half an hour and the sky was continuously filled with heart-shaped fireworks that were dazzling.

After the proposal, Fu Hanzheng was not in a hurry to bring her home, but allowed her to watch the fireworks in his arms.

Fu Shiyi and the others did not disturb them, but were driven into the room by Mrs. Fu.

Ji Cheng and Luo Qianqian were still watching the fireworks outside the window when Ji Cheng sighed with envy.

“Other people’s boyfriends are always so outstanding.”

“Tell that to your cousin instead of me.” Luo Qianqian snorted.

She had thought that it was strange that Fu Hanzheng had broken his promise to Weiwei because he had never done so before.

It was such a strange day. He said that he was not coming home and he truly did not show any signs that he was coming home.

Although Weiwei had been laughing with them, she had been trying hard to suppress the disappointment in her heart because he was not home.

So the reason was because he was trying to give her a surprise.

She could tell how surprised Weiwei was, just by seeing how she ran towards him.

“It is great that Weiwei and Fu Hanzheng are getting married.” Ji Cheng sighed again.

She was the only one left in the Mu Family and Li Jiacheng had never regarded her as his daughter. Without Fu Hanzheng, she would have been very lonely.

But because of Fu Hanzheng, she looked so happy that she was shining.

“Yes.” Luo Qianqian agreed.

She had seen so many couples, but when she looked at Mu Weiwei and Fu Hanzheng, she only felt one thing – destiny.

It seemed that she was the one Fu Hanzheng had been waiting for, the one destined to enter his life...

And Yuan Shuo was also paying attention to the outside and was thinking the exact same thing.

No one was better for her than him.

Hopefully, when she told him everything, Fu Hanzheng would still love her with the same determination.

Fu Hanzheng loved her because he did not know about her secret, but she had known from the beginning that this was someone she should not have fallen in love with. She had known that if she fell in love with him, she would fall into a bottomless abyss, but she still chose to stay by his side.

Many people thought that she was very lucky to be liked by Fu Hanzheng.

But who knew how difficult it was for her to fall in love with Fu Hanzheng.

She was afraid that he would not love her in the future, but yet she was deeply in love with him at the same time...

After a long time, the fireworks ended.

Gu Weiwei turned to Fu Hanzheng and said, "Let's go home."

"Yes, let's."

Fu Hanzheng answered and led her back along the path illuminated by the lights.

The moment they entered the room, Fu Shiqin asked for credit.

"Sister-in-law, are you satisfied?"

Gu Weiwei nodded. "Yes."

She had thought that he was really not coming home. Although she was forcing herself to celebrate with everyone, she was actually feeling very disappointed.

But this present of his had cured all of her disappointment. How could she not be satisfied?

He Chi, who had been forced by Fu Shiyi to keep the bet, cried out for help when he saw them coming inside.

"Sister-in-law... help!"

"You bet on it yourself, there are still ten minutes left, so finish it!"

Fu Shiyi checked the time and showed no intention of letting He Chi go.

Gu Weiwei threw a sympathetic look at He Chi, but she had no intention of saving him. Instead, she held hands with Fu Hanzheng.

Fu Hanzheng checked the time and said to Mrs. Fu, "It is getting late, so we are leaving now."

Chapter 868: Shameless

It had been less than three minutes since he entered the house, and he had already said that he wanted to leave. Of course, Mrs. Fu wouldn't accept it.

"So you came here just to see Weiwei and propose to her? Do you think we are invisible?"

To think that his girlfriend was upset because he didn't come back, yet when he arrived they couldn't even celebrate with her.

The moment he entered the house, he said that he was leaving. Sometimes, she really wondered if this heartless person was her son.

Gu Weiwei took hold of his hands and said, "You haven't had dinner yet. Eat before you leave."

Fu Hanzheng glanced at her and then went into the dining room.

Little Yuan Bao was still eating the cake at the dining table. His face was covered with the cake and he blinked when he saw Fu Hanzheng.

Then, he pushed his unfinished cake towards the middle of the table.

“Here!”

Fu Hanzheng took a look at the cake that he had half eaten and pushed it back.

“Finish it yourself.”

They had just sat down when Meng Ruya brought over a tray of food.

“Young Master, the dishes are all gone, so I made some vegetables.”

Fu Hanzheng threw a cold look at Qin Man instead of looking at the food served by Meng Ruya.

Qin Man sighed speechlessly. This was the Fu family’s house. Why was she being so attentive?

Was she trying to show how virtuous she was in front of his fiancée?

“It’s getting late, and we’ve eaten, so we won’t disturb you.” Qin Man took the food and urged the others. “Lui, Ruya, let’s go.”

“Cousin...”

Meng Ruya, who rarely came over, obviously did not want to leave so soon.

Mrs. Fu didn’t look too happy either. “It’s getting late. You have work to do tomorrow, so I won’t keep you.”

How could the kitchen staff let her do whatever she wanted?

It was also her fault. Why did she fall for such a person in the past?

Fu Shiqin sat down and brought the food over.

“I’ve been busy the whole day. I haven’t had my fill just now, so I’ll eat first.”

Meng Ruya gritted her teeth and was dragged away by Qin Man, they left the Fu family mansion.

Seeing this, Mrs. Fu immediately said to the butler, “Prepare a new set for Young Master.”

Meng Ruya was basically dragged out by Qin Man and she didn’t let go of her until they got into the car.

“Meng Ruya, do you not know shame? The Qin family still wants to keep some face.”

“What’s wrong with you? Didn’t I just go into the kitchen? I used to go into the kitchen all the time when I came over...” Meng Ruya complained as she rubbed her wrist that was hurting her from being dragged away.

“I didn’t care what you used to do before, but now that they are engaged, he did not even look at you. You are sticking to him like a piece of fur on a dog’s skin. Fu Hanzheng might not like you, but right now, even I don’t like you.”

Qin Man, who was in the Ministry of Foreign Affairs, put on a serious expression.

“Just because you can’t catch Fu Hanzheng, why can’t others?” Meng Ruya was not convinced.

Qin Man gritted her teeth and glanced at Meng Ruya and her nephew Qin Lv.

“I didn’t bring you here today so you could pester them. I wanted you to know the truth so you could stop harassing people and making a fool of yourselves.”

Qin Lv pursed his lips and silently opened the car door to get in.

He had recognized the truth, but... he could not reconcile with it.

Meng Ruya was shocked by Qin Man’s words. She gritted her teeth and got into the car, not daring to talk back.

Although Qin Man was also a famous daughter from a rich family in the capital, she was also decisive because she worked in the Ministry of Foreign Affairs.

She was still a little afraid when she was scolded by her.

Chapter 869: You Want To Talk To Me About This?

As soon as Qin Man and the other two left, Ji Cheng and Luo Qianqian came over to say goodbye to them.

“Weiwei, we have class tomorrow, so we are going home now.”

Gu Weiwei thought for a moment and said to Fu Shiyi, “Third Master, can you send them off please?”

Fu Shiyi had just asked He Chi to stand upside down for half an hour and when he heard that Weiwei was going to send him to drop the girls off, he ran over.

“Sure, but...”

“But what?” Gu Weiwei frowned.

Fu Shiyi clapped and smiled. “Lend me the car you were just given.”

Gu Weiwei gave him the car keys and warned him, “Be careful, safety first.”

“Got it. I’ll definitely send your little sisters home safely.”

Fu Shiyi took over the keys and called Ji Cheng and Luo Qianqian to follow him.

“Wait for me.”

He Chi got up after standing upside down for half a minute and followed him.

“Get lost, didn’t you drive yourself?” Fu Shiyi asked.

“I drank.” He Chi got into the car.

After He Chi and the others left, Yuan Shuo went to wash Yuan Bao’s face and said goodbye to them.

Gu Weiwei remembered that they were going to the Dorrans Family, so she sent them out and asked him to drive her car home, because she would be leaving with Fu Hanzheng later.

Yuan Shuo put Yuan Bao into the car and said to Gu Weiwei, "Yuan Meng is back. If you need anything in my absence, just look for her."

"Thank you, I understand. Take care," Gu Weiwei said.

Yuan Shuo got into the car and fastened his son's seatbelt before driving out of the Fu family mansion.

When Gu Weiwei returned to the house, Fu Hanzheng was still having dinner, so she helped Mrs. Fu and the servants tidy up the house.

Because of her birthday party, there were many decorations arranged around the house, so there was a lot to pack away now.

"Go and stay with Hanzheng. We can clean up ourselves."

Feeling someone looking at them, Mrs. Fu spoke gently to Gu Weiwei.

"I will spend a lot of time with him, so I might as well spend some time with you now." Gu Weiwei insisted on cleaning up the house.

After all, Mrs. Fu had been busy with her birthday party all day, and she could not just leave with Fu Hanzheng after receiving so many presents.

After dinner, Fu Hanzheng sat down in the living room with Fu Shengying and the Old Lady for a while and talked about work.

Mrs. Fu said, as soon as the house was cleaned, "Alright, it's getting late. You guys should go back and rest."

If she didn't let them go, a certain someone would voice his opinion again.

Having said these words, she asked the servant to move all the presents Weiwei had received into Fu Hanzheng's car.

Fu Shiqin reminded him, "Brother, there is an important meeting tomorrow at nine am, don't be late."

If he was late for work, his salary would be deducted but if his brother was late for work, it would apparently be justified!

Fu Hanzheng threw a look at him, opened the car door and got into the car. Then he asked Gu Weiwei to fasten her seatbelt before driving off.

"The Dorrans family came to find Yuan Shuo but he didn't go. Is he actually going to meet Cayman Dorrans?"

"Yes, he is going tomorrow," Gu Weiwei said calmly.

Fu Hanzheng pursed his lips and guessed that this must be their decision.

"So, you wanted to talk to me about this the other day?"

Gu Weiwei thought for a moment and said, "Yes. We'll talk more about it when we get back."

She was very sure that in the car was not the right time for them to talk about that matter.

Since she had brought it up, she had to resolve this matter today no matter what.

However, for some reason... she began to pray that the journey back would be longer. If it was longer, she would be able to gather up enough courage.

Chapter 870: Fu Hanzheng, I am Gu Weiwei

On the way home, Gu Weiwei stayed silent and continuously twisted her fingers.

Clearly, she was making a difficult decision.

Fu Hanzheng noticed, but did not ask her about it. He drove them home in silence.

He could guess what she wanted to talk about, so he was mentally prepared to listen to everything she said.

However, he did not expect that the moment she opened her mouth, everything far exceeded his expectations.

Although it was quite a distance from the Fu family mansion to the Villa, they still reached home within an hour.

The two of them took the things from the car and brought them inside.

Gu Weiwei put everything away and asked the man, who was resting on the sofa, "What do you want to drink?"

"Tea, please." Fu Hanzheng took off his suit jacket and loosened his tie.

Gu Weiwei made two cups of tea and put them down on the table.

Fu Hanzheng called out to her, "Come here."

Gu Weiwei sat down next to him and was immediately pulled into his arms. A gentle kiss was placed on her forehead.

"Weiwei, you don't have to tell me if you don't want to," Fu Hanzheng said in a low voice.

At first, he was really curious about what she was hiding from him.

But on the way back home, seeing how anxious she was, he suddenly felt relieved that he hadn't pressured her.

She was already by his side and was about to marry him. Why should he put her in such a difficult position, just to satisfy a moment of curiosity?

"No, I should tell you, and I must," Gu Weiwei said determinedly.

Even if she did not tell him today, Gu Siting would tell him in the future.

She didn't want him to learn the secret in such a cruel way.

Fu Hanzheng loosened his grip, tidied her hair and said gently, "Fine. Tell me."

Gu Weiwei pinched her fingers and said anxiously, "Haven't you always wanted to know what my relationship with the Gu Family is and what my relationship with Gu Weiwei is? Why do I know Yuan Shuo and why did I help them to investigate Gu Weiwei?"

...

Fu Hanzheng took hold of her restless hands and interrupted her as he heard her trembling voice. "Weiwei, don't say anymore."

"Fu Hanzheng, let me continue, this is the answer you need to know," Gu Weiwei said firmly.

Fu Hanzheng sighed. "But... you are very upset right now."

Gu Weiwei looked at his hands that were holding hers and took a deep breath to calm herself down.

"Fu Hanzheng, you have no idea... I have been lying to you for a long time."

She had been lying to him the moment he started to look for Gu Weiwei.

He had been trying to find out the real relationship between her and the Gu Family, but he had missed the truth because she and Gu Weiwei were two completely different people.

Fu Hanzheng chuckled. "What did you lie to me about?"

However, despite his laughter his eyes darkened.

Gu Weiwei lowered her eyes and said without looking into his eyes, "Why do I seem to be a different person after chasing me out of the Fu Family? Why do I always have an inexplicable relationship with the Gu family? Why did Gu Siting come to find me? You have been curious about these things countless times and investigated them, but you never got the real answer."

...

Fu Hanzheng looked at the woman who was talking with a lowered head.

"Right. I've never been able to figure out why."

Gu Weiwei took a deep breath and looked up at him slowly. She burst into tears the moment their eyes met.

"Because I am not Mu Weiwei, I am Gu Weiwei."
