

MY HIDDEN 921

Chapter 921: Mu Weiwei Is Gu Weiwei 2

“Mu Weiwei?!”

Gu Siting shivered as if struck by lightning.

“How could it be her? How could it be her?”

Gu Yun Che said directly when he saw that he did not believe him, “I’ve told you the answer you wanted. As for whether you believe me or not, it’s up to you to find her.”

Gu Siting looked at the body of the girl in the crystal coffin and asked himself, “...Weiwei. How can you be her? How can you be her? How can you be Fu Hanzheng’s woman?”

...

He did not believe that the girl he knew as Gu Weiwei was with Fu Hanzheng.

Most importantly, he did not believe that Gu Weiwei would fall in love with Fu Hanzheng...

However, when Gu Yun Che said her name, countless questions about Mu Weiwei popped up in his mind.

If it wasn’t her, how could she have looked so much like Weiwei when she was in the Gu family?

If it wasn’t her, why would she mimic her voice so perfectly?

...

All the similarities between Mu Weiwei and Gu Weiwei started to overlap in his mind.

No matter how unwilling he was to believe that the girl he was looking for had become the girlfriend of his enemy, he had no choice but to believe... that it was her.

He should have realized it long ago. How could there be two people who were so similar for no reason? Moreover, they were both so close to Yuan Shuo and the others.

He should have known. He should have known...

Gu Yun Che said calmly like an outsider as he looked at the person whose mind was in a mess and in pain, “She just has another person’s appearance, but the person who resides inside that shell is the person you’re looking for.”

Gripping onto the crystal coffin, Gu Siting seemed to have gone crazy.

One moment, he was saying that it couldn’t be her, the next moment, he was overjoyed and saying that it was her...

"If there is nothing else, I am leaving." Gu Yun Che nodded at Gu Siting and said goodbye. He stopped after a few steps and said, "Of course, if you can't obtain her in the end, you can look for me again. I can help you destroy her."

With that, he quietly left the basement and the Gu residence.

Seeing that Gu Yun Che had left, Kuroda Shio waited in the living room for ten minutes, but Gu Siting still did not come out, so he went down to check.

When he reached the cellar, they saw Gu Siting holding the crystal coffin that contained Miss Weiwei's body and mumbling something crazily.

"President Gu, what happened?"

Gu Siting came back to himself and looked at Kuroda Shio with a deep look.

"Where is Mu Weiwei?"

Kuroda Shio was startled. "Mu Weiwei?"

Why did he suddenly ask about Mu Weiwei? They had not paid attention to Mu Weiwei for a long time after the kidnapping.

The redness in Gu Siting's eyes looked a bit fierce. "Where is she?"

Kuroda Shio thought for a while and said, "A few days ago, we heard that Fu Shengying and his wife were preparing for a wedding in Slovakia. Judging from the situation... it should be Fu Hanzheng and Mu Weiwei's wedding."

Among the three brothers of the Fu Family, only Fu Hanzheng had a girlfriend, and they seemed to be very close.

Therefore, the wedding that the Fu family had prepared in Slovakia must be their wedding.

"Fu Hanzheng and Mu Weiwei's wedding?" Gu Siting gritted his teeth and asked.

Kuroda Shio nodded and said, "I think it's the day after tomorrow."

Chapter 922: Mu Weiwei Is Gu Weiwei 3

Gu Siting asked in disbelief, in "The day after tomorrow?"

She was going to marry Fu Hanzheng the day after tomorrow. He was shocked not because it was Mu Weiwei, but because Gu Weiwei, who had lived with him for more than twenty years, was going to marry Fu Hanzheng.

Weiwei, how much do you hate me?

That's why you can pretend that you don't know me when we meet again and again?

That was why she would rather fall in love with Fu Hanzheng, the enemy of the Gu Family, than come back.

In the end, she actually... wanted to marry him.

"I just got the news this afternoon that Fu Hanzheng and Mu Weiwei have indeed left Hua Land. They must be going to Slovakia for the wedding."

Kuroda Shio did not understand why he reacted so strongly when he heard about Mu Weiwei.

Before, he had thought that Mu Weiwei looked like Miss Weiwei, so he paid special attention to news about her.

But hadn't he already let it go?

He had said that even if Mu Weiwei looked like Miss Weiwei, it would not be her.

Gu Siting pressed the button on the crystal coffin and closed it again.

"We're going to Slovakia."

When Kuroda Shio heard this, he was scared out of his wits. He went over to persuade him.

"President Gu, Cayman Dorrans is still keeping an eye on us. Now that the Gu Corporation's situation has just stabilized, it won't do you any good to get into a conflict with the Fu Family."

Fu Hanzheng and Mu Weiwei were getting married in Slovakia. He was going to Slovakia as soon as he heard the news about them. He was obviously going there to cause trouble.

When he kidnapped Mu Weiwei last time, Gu Siting had ended up cleaning up after the Gi Family's Enterprise and had only managed to finally stabilize the situation.

Now that he was going to cause trouble at someone else's wedding, they would definitely fight to the death.

"I have to go this time."

Gu Siting's usual gentle temperament was gone, replaced by a cold and fierce aura.

How could Weiwei marry Fu Hanzheng? How could his Weiwei marry that damned Fu Hanzheng?

"But..." Kuroda Shio was confused. Why was he ruining Fu Hanzheng's wedding?

"I'm going to take her home."

Gu Siting walked out of the basement and was about to leave.

"Take her... her..."

Shocked, Kuroda Shio thought back to the mysterious owner of the Nine-Eyed Heavenly Jewel.

Could it be... that the man had told him that Mu Weiwei was... Miss Weiwei?

They had found it strange when they kidnapped Mu Weiwei.

How could she be so quick? Her every word and actions resembled Miss Weiwei.

But if she was Miss Weiwei, it would make sense for her to have all the suspicious points about her.

Also, it seemed that this was the only reason why President Gu suddenly cared about her news.

He had to rush to Slovakia to bring her home.

The two of them had just reached the living room when they bumped into Ling Yan coming back from outside.

But was that really Miss Weiwei?

If it were her, she would not have gotten together with Fu Hanzheng and even married him because she knew that he was the enemy of the Gu Family.

Seeing that the two were about to leave, she asked in surprise, "Brother Siting, are you guys... going out?"

Gu Siting ignored her and left for the car without answering her.

Ling Yan asked anxiously, "Brother Siting, it's already so late. Where are you going?"

However, Gu Siting got into the car, closed the door and said to Kuroda Shio, "Drive."

Chapter 923: Mu Weiwei Is Gu Weiwei 4

Kuroda Shio was still in a daze. He got into the car and drove away.

After a few minutes, when his mind was slightly clearer, he asked, "Are we going straight to the airport?"

"No, let's go to the company first. Contact Manager Hou of the overseas enterprise and ask him to come to the company within two hours and follow us to the branch office in Austria." Gu Siting calmly made the arrangements.

He knew that Gu Yun Che would turn up sooner or later. Therefore, he purposely met some famous politicians and businessmen frequently at his home. His purpose was to make Gu Yun Che's appearance seem less suspicious.

Cayman Dorrans had been staying in A Land. If he were to rush to Slovakia at this time, Cayman Dorrans would definitely suspect him.

Therefore, no matter how anxious he was, he could not leave right now.

Otherwise, Cayman Dorrans would send someone to intercept him before he reached Slovakia.

He must not waste any time, otherwise... she and Fu Hanzheng would be married.

"To Austria?" Kuroda Shio looked at the person in the back seat through the rearview mirror. He couldn't figure out what he was thinking.

Didn't he say he was going to Slovakia?

Why did he suddenly have to go to the office and bring Manager Hou to Austria?

Although he was supposed to go there on a business trip, was he not going to Slovakia?

"Contact the plane and tell the Division that everything... must look like we are on a business trip," Gu Siting said coldly.

It was too dangerous to go directly to Slovakia under the watch of Cayman Dorrans.

So that was why he decided to use the scheduled business trip to Austria as a cover.

At this time, as long as he flew to Austria on business, Cayman Dorrans would not suspect that he was intending to go to Slovakia.

However, things would be easier once they reached Austria.

Austria borders Slovakia, and it took approximately two hours to get there.

Even if Cayman Dorrans noticed that he was going to Fu Hanzheng's wedding, he would not have time to stop him.

Although Kuroda Shio did not react at first, after hearing this arrangement, he immediately understood what was going on.

On the way to the company, he had already called Manager Hou and contacted the plane flying to Austria at the airport.

After Gu Siting had arranged everything, he stayed silent and sat in the back seat alone.

Even when they arrived at the company, only Kuroda Shio went in to collect some documents and waited for Manager Hou to come out.

Kuroda Shio sat in the driver's seat and glanced at the person behind him.

There were so many questions he wanted to ask, but he knew that he shouldn't ask at this time.

Gu Siting sat in the back seat motionlessly, his face expressionless.

However, only he knew that his emotions were in complete turmoil.

He had waited so long for news about her.

But the news of her marrying Fu Hanzheng had come instead.

They had lived together for more than twenty years, yet in the end, she was marrying Fu Hanzheng whom she had known for less than two years.

No, he could not watch such a thing happen. He could not watch her, whom he had so desperately searched and waited for, marry the enemy he hated the most.

Also, Fu Hanzheng would never really love her, at least not the real her.

The Fu Family hated the Gu Family as much as he hated the Fu Family.

As long as her surname was still Gu, Fu Hanzheng would never truly love her.

As long as her surname was still Gu and she was still Gu Weiwei, she could not marry Fu Hanzheng.

Chapter 924: Chenis Castle Wedding

After Gu Siting and his men boarded the plane to Austria for the business trip, Cayman Dorrans had been receiving reports from his subordinates in the middle of the night, which made him feel uneasy.

Watson called Yuan Shuo, who was already resting. "Cayman wants to see you."

Yuan Shuo glanced at his sleeping son and followed him to Cayman Dorrans' room.

He must have seen something going on with Gu Siting if he called him over at this time.

Hence, he asked the moment he entered, "Did Gu Siting do anything?"

"I just received a call. Gu Siting left A Land with his men?"

Cayman Dorrans was worried. He looked fine, but he felt uneasy.

"When?" Yuan Shuo grew nervous as well.

Watson said, "An hour ago."

"Where did he go? Why did he go? Do you have any clues?" Yuan Shuo asked.

It was Fu Hanzheng and Weiwei's wedding the day after tomorrow. Of course they would be nervous if Gu Siting left the country.

"Austria. According to their company's schedule, they should be going to the branch office to inspect their work for the next two days. Also, they should bring their employees with them. It looks like they're really going on a business trip," Watson replied.

Cayman Dorrans looked at Yuan Shuo.

"Could it be that... we're thinking too much into it?"

The itinerary had been set long ago, so this was not considered a suspicious trip.

"Have you verified everyone Gu Siting has met recently?" Yuan Shuo asked.

Cayman Dorrans went to the Gu Family a few days ago. Gu Siting said that he wanted to postpone the meeting, but he only said that they would meet within two months.

"Confirmed. No one suspicious," Watson replied.

Yuan Shuo paced back and forth in silence. He glanced at Cayman Dorrans and reminded him, "Although it does look like he's on a business trip to Austria, don't forget that Slovakia is right next to Austria."

If Gu Siting found out something behind their backs and went to Slovakia, none of them would be able to stop him.

The plane would arrive in two hours.

Although everything seemed reasonable for him to be going to this place, he was not about to miss out on anything.

After a few seconds of consideration, Cayman Dorrans decided.

"Watson, get ready. We're going to Austria with him."

Yuan Shuo thought for a while and said, "No, we're going to Slovakia."

“To Slovakia?” Cayman Dorrans was stunned, then delighted and excited.

Yuan Shuo threw a look at him. “Don’t be so excited. We are not going to see her. We are just going to stop Gu Siting, just in case.”

He knew that this sly old fox wanted to attend the wedding.

However, it was not the time for them to meet again.

It was not much better for him to attend Weiwei and Fu Hanzheng’s wedding than for Gu Siting to attend their wedding. Both of them were troublesome people.

Cayman Dorrans gave him a sideways glance and said grimly, “Go wake up your son. We’ll be on our way.”

Yuan Shuo returned to his room and helped his sleeping son to put on his clothes. He was too lazy to wake him up, so he carried him and left the room.

Little Yuan Bao rubbed his eyes in a daze. “Dad, where are we going?”

“To see your mama,” Yuan Shuo said.

Yuan Meng was also in Slovakia, so she could meet her son. After all, it had been a while since she last saw him.

As for Gu Siting, he hoped that he was not there for the wedding at Chenis Castle.

Chapter 925: Chenis Castle Wedding 2

Slovakia, Chenis Castle.

On the day of the wedding, Madam Fu woke up early in the morning to supervise the decoration of the hall with fresh flowers.

Gu Weiwei had also woken up early. After breakfast, she went to the hall and saw that Mrs. Fu was instructing people to place the decorations.

“Mom, have some coffee.”

Madam Fu took the coffee cup and took a sip. “I got someone to prepare breakfast. Have you eaten?”

“I just ate. I heard that you woke up at four.” Gu Weiwei felt a bit sorry for her.

“Alright, the decoration will be done soon.” Mrs. Fu knew that she was tired and hurried her. “It’s getting late, you should let the makeup artist to do your makeup.”

Gu Weiwei nodded and said to Mrs. Fu gratefully, “Mom, you’ve worked hard.”

Mrs. Fu smiled. She had raised three sons, and all of them had made her worried, but none of them had asked her if it was difficult.

It was still better to have a daughter, but having a daughter-in-law now was also not bad.

Gu Weiwei went upstairs, greeted Fu Hanzheng and went to the dressing room specially prepared for her.

The makeup artist was already waiting in the room. As it was Martin Green and Merlin who had brought her here, the two of them were already waiting.

“We must make her the most beautiful bride,” Merlin told the makeup artist.

Martin Green gave him a dissatisfied look and instructed the makeup artist, “This is a wedding, not a fashion show. Don’t put too much makeup on her, it’s only natural for it to be light.”

With such good looks, there was no need for makeup.

Gu Weiwei looked at them and said helplessly, “You two can wait outside.”

“No, I have to keep an eye on you. In my wedding dress, you have to be perfect from head to toe, to step out of this door.” Merlin sat down on the small sofa with the air of someone who wouldn’t relent until she’d finished her makeup and changed into her wedding dress.

Martin Green sat down with him and spat.

“Then if today is not perfect. Would you not let people get married?”

This perfection freak was too much.

“Exactly,” Merlin said.

The makeup artist’s mouth twitched as she felt the pressure.

Fortunately, the bride was good-looking enough to support Merlin’s design. Otherwise, she would have been killed today.

“Isn’t my wedding dress good? Why did you choose him?” Martin Green complained.

“My design is better, of course.” Merlin snorted proudly.

With such good looks, of course, she would be perfect for his design.

As the two were arguing, Ji Cheng and Luo Qianqian, who were the bridesmaids, came over.

The two makeup artists’ assistants took on the task of putting on makeup for them.

Ji Cheng sat down at the dressing table and threw a curious look at Gu Weiwei.

“Weiwei, are you nervous?”

“Why, are you nervous?” Gu Weiwei asked in amusement.

Luo Qianqian could not stand it and complained, “The bride is not nervous. Why are you nervous as a bridesmaid?”

She woke up early in the morning and had run to the washroom because she was too nervous.

“This is my first time being a bridesmaid. Can I not get nervous?” Ji Cheng pursed her lips.

Weiwei was the most popular actress at this year's Film Festival, so she was not nervous at all.

Luo Qianqian had been a bridesmaid for her relatives in the past, so she was used to it.

But she wasn't like them. It was normal for her to be nervous.

Luo Qianqian consoled her. "The guests are all acquaintances, so it won't be too embarrassing even if you embarrass yourself."

Chapter 926: Chenis Castle Wedding 3

On the other side in another room, Fu Hanzheng had already changed into the suit, the tie, and the cufflinks given by Gu Weiwei.

In addition to that, he was in high spirits because of the joyous occasion. From his looks to his temperament, he had become so much more approachable.

Fu Shiyi and Fu Shiqin had already changed into their best man suits. The twins looked alike, and they were standing next to Fu Hanzheng in identical outfits.

No matter how one looked at it, the scene was pleasing to the eyes.

Seeing his handsome brother, Fu Shiyi could not help but sigh.

"I never thought that my brother would get married one day."

"Brother, what he meant was that you should live alone and never get married." Fu Shiqin translated what he meant.

Hearing the words, Fu Shiyi wanted to strangle Fu Shiqin to death.

"I'm just sighing. It was just an accident that our brother got married. I didn't mean it that way, I didn't mean it that way..." he said as he punched Fu Shiqin.

Mrs. Fu and Fu Shengying came in, threw a look at the three brothers and saw Fu Shiqin and Fu Shiyi standing together.

Fu Shengying was satisfied.

"Well, you finally look good after cleaning up a bit."

Fu Shiqin's face sank instantly. "Are you our father?"

Fu Shiyi protested as well. "Does a father say that about his son?"

He Chi, who was watching from the side, was already slapping the wall from laughter.

This was undoubtedly his biological father. But how could he insult his own son like this?

As they were laughing and joking, Fu Hanzheng's phone rang.

Seeing that he was about to answer the call, Mrs. Fu's face darkened.

"Didn't I tell you to leave all your work aside on such an important day?"

Fu Hanzheng took a look at the caller and said, "I'm going out to take a call."

"Marriage is the most important thing. If you don't answer one or two calls, the company won't collapse," said Mrs. Fu.

It was fine if he was a workaholic, but he wasn't even focused on getting married.

"It's an important call." Fu Hanzheng went out with the phone and answered the call when no one was around. "What happened?"

It was not the company who called, but someone who had been keeping an eye on Gu Siting.

"Boss, Gu Siting has left A Land to go to Austria. Although he seems to be on a business trip, I think it is necessary to keep an eye on him."

"Austria?" Fu Hanzheng frowned.

He was in Austria, it was very close.

At this point, he did not think it was a coincidence.

"Right. And Cayman Dorrans brought people to Slovakia last night too, but they are staying in the main city area."

Fu Hanzheng said after a moment of silence, "Got it. Keep an eye on Gu Siting's whereabouts."

Gu Siting had come to Austria which is right next to Slovakia, and Cayman Dorrans had also brought people to Slovakia. Although there was no definite news at the moment, it would be best if it was not directed at them.

He only wanted today's wedding to go smoothly and give her a gentle and sweet wedding.

As for the rest, he would deal with it later.

Fu Shiqin thought that something was really going on at the company. After all, it must be a special phone number for his brother to pick up on such an important day.

Therefore, they soon caught up to him.

"Brother, did something happen at the company?"

"Nothing?" Fu Hanzheng replied calmly.

"You don't look like you are fine. Could it be that our company's shares have fallen? That is not right," Fu Shiqin mumbled.

His brother's expression made it look like something big had happened.

Chapter 927: Chenis Castle Wedding 4

In Austria, which bordered Slovakia, Gu Siting received news that Cayman Dorrans had also left A Land.

Therefore, he had no choice but to postpone his trip to Slovakia and make new arrangements.

He pretended not to know anything and took care of work at the branch office.

Kuroda Shio went to his temporary office to report.

“Cayman Dorrans and Yuan Shuo brought some people to Slovakia, but they stayed in the main city area and did not attend Fu Hanzheng’s wedding.”

Pursing his lips, Gu Siting considered what Cayman Dorrans was after. He was obviously after him.

But why had he chosen to go straight to Slovakia instead of following him to Austria?

Could it be that... he already knew about Weiwei?

Yuan Shuo went back and was still with Cayman Dorrans.

If Cayman Dorrans knew, it was most likely what Yuan Shuo had told him. And Yuan Shuo... knew before any of them that she was Weiwei.

That was why he risked his life to save her when he kidnapped her to the Gu family.

There were so many suspicious points in front of him, but at that time, he did not expect it at all.

“Where... is their wedding?”

“Chenis Castle, Fu Hanzheng bought the place,” Kuroda Shio said.

Gu Siting checked the time and said, “Have you found the person I asked you to arrange?”

Kuroda Shio placed the tablet on the table. Inside was a surveillance video of a room.

In the video, there was a young man who was wearing the exact same suit as him.

“Half an hour later, take him to Zilina in Slovakia. Be careful not to be discovered,” Gu Siting said.

Cayman Dorrans had been keeping an eye on him. He would not be able to go to Slovakia to stop Weiwei and Fu Hanzheng’s wedding if he did not distract him.

Hence, he found a substitute to go to Zilina with the company for him.

Zilina was in Slovakia, but not anywhere near where they were holding their wedding.

However, given Cayman Dorrans’ suspicious nature, he would still send people to keep an eye on him.

As long as his men were lured away by the substitute, he would no longer attract attention.

“President Gu, I’ll go with you.” Kuroda Shio was worried.

Cayman Dorrans was in Slovakia, and Fu Hanzheng was in Slovakia as well. He would be in big trouble if he tried to stop the marriage.

“People will get suspicious if you don’t follow the decoy.”

Although Gu Siting looked tired, he knew exactly what he should do.

Kuroda Shio thought for a while and could only listen to his arrangement.

“In that case, let me know when you get there. I’ll bring someone over.”

Gu Siting nodded slightly. "Get ready and set off as soon as possible. Time is running out."

He had to get there before their wedding. Kuroda Shio would have to lead his men ahead of time and lure away the people who were watching him.

"President Gu, be careful," Kuroda Shio said and left the office to make arrangements.

Miss Weiwei had met President Gu more than once, but she had never revealed her identity.

Now she is going to marry Fu Hanzheng. Even if President Gu went to see her, she might not be willing to come back with him.

However, even though he wanted to persuade him, he knew that he wouldn't listen.

Chapter 929: Chenis Castle Wedding 6

They had just finished dressing Gu Weiwei up when Mrs. Fu came over.

The moment he entered and saw the young girl dressed in the wedding gown, she was so amazed that she could not utter a word.

No wonder that man treasured her so much. She was indeed a pretty girl.

"So pretty."

"Mom, you have been waiting for too long," Gu Weiwei said.

The matter that could have been solved within two hours, took three hours to finish preparing because Merlin had to force her.

"No hurry, no hurry, it is fine for me just that someone is impatient," Mrs. Fu said meaningfully.

Since Weiwei woke up early in the morning to have her makeup done, Fu Hanzheng had not seen her for hours.

He had walked past the makeup room several times.

Gu Weiwei chuckled. Of course she knew who she was referring to.

"Alright, if you are ready, I will inform them to start," Mrs. Fu adjusted her veil and said with a smile.

"Yes." Gu Weiwei nodded.

Mrs. Fu reminded Ji Cheng and Luo Qianqian with a smile.

"You two bridesmaids, stay with her, someone will come to get her soon."

"Got it, Auntie," Ji Cheng and Luo Qianqian replied.

Apart from Ji Cheng and Luo Qianqian, everyone else had left the makeup room and gone downstairs for the ceremony.

Gu Weiwei and the others were upstairs and had no idea what was going on down there. Soon, they heard the sweet sound of music coming from down below.

After listening to the tune, she turned to Luo Qianqian with a smile.

“You wrote it?”

“Your wedding song has to be unique,” Luo Qianqian said with a smile.

After she found out that they were getting married, she had composed a song that belonged to them alone and planned to use it on the day of their marriage.

“It’s very sweet,” Gu Weiwei said.

“But it is not as sweet as you and your Uncle Fu.” Ji Cheng raised her eyebrows with a smile.

Gu Weiwei chuckled and paid attention to what was going on outside, waiting for Fu Hanzheng to arrive.

However, after a long time, there was still no sound from outside, which annoyed her.

“What, you can’t wait any longer?”

Seeing her staring at the door, Luo Qianqian easily saw through her.

“Yes, I can’t wait.” Gu Weiwei chuckled.

She had been waiting for this day for too long.

Also, it was not an easy thing to wait.

As she waited, she missed him more and more.

She thought of how she felt when she was alone.

She thought of how they had reunited after returning from the Gu Family.

She thought of how he had proposed to her on the night of her birthday.

...

That cold man seemed to have given her his entire life of gentleness.

She was just thinking when she heard the sound of footsteps coming upstairs.

Then came the chuckles of Fu Shiyi and Fu Shiqin.

“We’re here to pick up the bride!”

Her father should have taken her downstairs and led her to Fu Hanzheng.

But she did not have a father, so Fu Hanzheng was coming upstairs to pick her up.

Ji Cheng and Luo Qianqian went to open the door and saw a very handsome man standing outside the door, holding a bunch of flowers.

Standing in the room, Gu Weiwei could not help but smile when she saw the man standing outside the door.

Fu Hanzheng approached her with the flowers and asked with a gentle voice, "Mrs. Fu, are you willing to marry me downstairs?"

Chapter 930: Gu Siting at the Wedding

Gu Weiwei took the flowers and nodded with a smile.

"I do."

She placed her hand in his large palm.

They smiled at each other and were ready to go downstairs hand in hand.

Seeing the two of them walking together, Ji Cheng finally understood what the term 'a beautiful couple' meant.

She realized it meant people like them.

Fu Shiqin walked with Luo Qianqian and Fu Shiyi with Ji Cheng, and the four of them were leading the way for the new couple.

Fu Hanzheng knew that it was not convenient for her to go downstairs in the wedding gown, so he walked very slowly and helped her to walk.

Gu Weiwei hated Merlin who designed the wedding gown. The wedding gown was indeed beautiful, but she could not see her feet even as they were going downstairs.

She was worried that she would miss the step and fall downstairs with Fu Hanzheng.

The best men and women had walked for a while and when they turned around and saw that the bride and groom had not followed them, they had to stop and wait.

Seeing them leaving in a hurry, Fu Shiyi said straightforwardly, "Forget it, brother, just carry her down."

Fu Hanzheng thought that it was a good idea and asked her, "What about..."

"I can walk on my own." Gu Weiwei insisted on walking on her own.

Finally, she walked downstairs.

Hand in hand, they walked along the red carpet towards the hall where the ceremony was taking place. Yuan Meng and He Chi were walking on both sides of the red carpet, scattering the rose petals as they walked.

The white and pink petals flew into the air and landed on the ground.

It fell upon Gu Weiwei's veil and upon Fu Hanzheng's shoulders, giving out a faint scent of flowers.

Gu Weiwei whispered as she walked, "I missed you just now, before you came."

Fu Hanzheng chuckled. "What a coincidence, me too."

Yuan Meng complained as she could not stand their sweet talk.

"I have seen sweet people, but I have never seen anyone as sweet as you."

It had only been a couple of hours since they last met, and now she was suffering from lovesickness?

She did not find it was normal for her and Yuan Shuo to be separated for half a month or even a few months. Who was as tired of them as them?

But when she thought of Yuan Shuo, she could not help but look at Gu Weiwei and Fu Hanzheng who were walking hand in hand.

Yuan Shuo said last night that he was worried that Gu Siting was going on a business trip in Austria, which was next to Slovakia.

Therefore, he and Cayman Dorrans were also in Slovakia but they were living in the main city.

Cayman Dorrans did want to attend the wedding, but he was not in a position to attend it, so he did not come.

Hopefully, Gu Siting was in Austria because of work and not because of Weiwei.

Yuan Shuo called early in the morning and said that Gu Siting and his men had gone to Lina. Although Lina was in Slovakia, it was still a distance away.

So they were not here for the wedding.

With so many people watching him, yet still unable to discover him and the Nine-Eyed Heavenly Pearl's owner, if he was still able to run here, she would truly be convinced.

As she was thinking about these things, the group of people had already finished walking through the corridor.

The host, Mr. Ming Yuan, said a few words of blessing and called out loudly.

"Now, let us invite our groom, Mr. Fu Hanzheng, and the bride, Miss. Mu Weiwei, in to formally start their wedding."

Fu Hanzheng and Gu Weiwei exchanged a look and walked into the hall arm in arm.

However, she had just taken a few steps when a strange noise arose from outside.

"Weiwei!"
