

MY HIDDEN 931

Chapter 931: Gu Siting at the Wedding 2

A strange and urgent voice interrupted the newlyweds who were about to take their vows.

Hearing the voice, Gu Weiwei's hands that were holding the flowers shook. She could tell who the voice belonged to.

When she heard the word 'Weiwei', she seemed to have heard the sound of happiness scattering.

He appeared here and called her that.

It could only mean that he already knew everything and that she was Gu Weiwei.

She could tell that the voice belonged to Gu Siting, and Fu Hanzheng could tell that too. He suddenly looked cold.

Cayman Dorrans' men had been watching him, and he had also arranged for his men to keep an eye on him. He had even arranged for his men to stop him on the way here, just in case.

Unexpectedly, he was here.

Also, he appeared and interrupted their wedding.

After she realized that it was Gu Siting, she took hold of the hand of the man next to her.

Together with them, Yuan Meng, who was scattering the petals for them, realized that it was Gu Siting.

Hearing the exclamation, she dropped the basket of petals.

Why was he here? No way.

There were so many people watching him and stopping him, how could he still be here?

Didn't Yuan Shuo say that he had not seen him?

Didn't he go to Zilina?

He came here because he knew the truth.

She threw a look at Gu Weiwei who was dressed in the wedding gown. It seemed that today's wedding was not going to go smoothly.

Apart from the three of them, it was not until the person who had interrupted the wedding walked in that everyone else realized that it was Gu Siting.

Fu Shiyi and Fu Shiqin released the bridesmaids and walked out of the hall, standing in front of their brother and Gu Weiwei.

"Gu, what do you want?" Fu Shiqin interrogated him.

Damn, he was causing trouble at his brother's wedding.

“Gu Siting, we don’t welcome the Gu Family here, get lost with your men.” Fu Shiyi joined his brother in confronting their family’s enemy.

Gu Siting looked past them and saw Gu Weiwei, the bride who was standing next to Fu Hanzheng and had her back facing him.

“I am just here for someone.”

Instead of confronting Gu Siting, Fu Hanzheng said to Mrs. Fu first, “Take the guests upstairs and leave this to us.”

No matter how this matter was solved, it was not a good idea to do it in front of outsiders.

Also, it would be best if the Old Lady and the rest of them could go upstairs and not be involved.

Of course Mrs. Fu knew that no matter what conflict it was with the Gu Family, she should not allow the guests to stay and laugh at them.

Grandpa Ming and the others, together with Ji Cheng and Luo Qianqian, went upstairs.

After Mrs. Fu arranged for the guests to go upstairs, she went to help Old Lady up.

“Mom, let’s go up too. Leave this to the children.”

However, the Old Lady got up and had no intention of going upstairs.

“The Fu Family should deal with this together.”

Maybe it was because the Fu Family members thought of their deceased family, so they became a bit furious.

Fu Shengying took a few steps and said to Gu Siting who had interrupted the wedding, “Gu Siting, this is the Fu Family’s territory, there is no one here for you.”

Gu Siting looked at Gu Weiwei and said, “This is the Fu Family’s territory, but you are marrying someone from the Gu Family.”

Chapter 932: The Gu Family

Yuan Meng knew why Gu Siting was here, so she did not go upstairs with the other guests.

Hearing what Gu Siting said, she took out the gun from behind her back and pointed it at his head.

“Get out of here if you don’t want me to shoot you.”

Gu Siting threw an indifferent look at Yuan Meng. “I am not here for you, mind your own business.”

She and Yuan Shuo obviously knew that she was Weiwei but they not only hid it but also helped the Fu Family.

Hearing Gu Siting’s words, Fu Shiqin seemed to have heard a joke.

“Did my brother marry someone from the Gu Family?”

His brother and sister-in-law had been together for more than a year, but after being kidnapped by Gu Siting once, he dared to say that his sister-in-law was a member of the Gu Family.

But... did this bastard do something to his sister-in-law?

"Since when did my sister-in-law become a member of the Gu Family? I know that you are shameless, but I never expected that you could be so shameless." Fu Shiyi countered instantly.

He could tolerate people who tried to steal his girl, but he would not tolerate anyone who tried to steal his brother's girl.

Especially when they were from the Gu Family.

Fu Hanzheng said to Old Lady and Fu Shengying, "Go upstairs, we will deal with this."

Weiwei was afraid that if they continued to stay here, the situation would get out of control.

"Yes, let's go up. This is Hanzheng's marriage, let him handle it," Mrs. Fu tried to persuade Old Lady.

Also, Yuan Meng had taken out her gun, which was not a proper scene for them to watch.

"Why should we leave? The Fu Family has never been afraid of trouble from the Gu Family."

Old Lady took a few steps forward and stood next to Fu Shiyi and Fu Shiqin. She said to Gu Siting coldly, "Weiwei is the daughter-in-law of the Fu Family. Even if she has not entered the Fu Family, she is not a member of the Gu Family."

Even though she had not been in contact with the Mu Family for decades, she knew clearly that Weiwei was a child of the Mu Family.

Gu Siting had kidnapped Weiwei before, so that he could use this opportunity to drive a wedge between the Fu Family and himself.

The Old Lady and the others refused to leave, which made Fu Hanzheng feel a bit embarrassed.

If they stayed here, they would know even more.

And what he and Weiwei had not wanted them to know, was being told to them at their wedding in such a cruel way by Gu Siting.

"She is not in your eyes, but in my eyes, she is Gu Weiwei."

Without looking at anyone from the Fu Family, Gu Siting's eyes were on Gu Weiwei's back, hoping that she would turn around and face him.

"I think you are crazy. If you are mental, you should visit a doctor, not come to us." Fu Shiyi snorted when he heard him saying that his sister-in-law was Gu Weiwei.

"Gu Weiwei from your family is long dead. My sister-in-law is also called Weiwei, but her surname is not Gu, and she is not Gu Weiwei either," Fu Shiqin said.

That guy must have gone crazy! When his own Gu Weiwei died, he tried to turn his sister-in-law into Gu Weiwei.

His sister-in-law's surname was Mu, not Gu, and Weiwei was not the Weiwei he had thought.

"It is because Weiwei is dead that she became Weiwei." Gu Siting looked saddened as he saw her still holding hands with Fu Hanzheng. "After Weiwei died, I made a deal with a person who had the Nine-Eyed Pearl. He said that Weiwei's soul could be reborn in the world, and she... was reborn in Mu Weiwei."

Chapter 933: Secret Exposed

Fu Shiyi rolled his eyes.

"You must have read too many fantasy books."

What?

Gu Weiwei was dead and he had made a deal with someone.

What kind of deal was that? Spending so much money to set up an altar?

Then he came to say that his sister-in-law was Gu Weiwei who had been reborn?

No one would believe such a thing.

Fu Shiqin agreed and said angrily with his arms crossed, "If you continue to stay here, do you want us to contact the mental hospital for you?"

Yuan Meng pursed her lips and threw a worried look at Fu Hanzheng and Gu Weiwei.

Everyone else would find Gu Siting's words ridiculous, but the three of them knew that what he had said was true.

Because they knew that Mu Weiwei was really Gu Weiwei.

"Fu Hanzheng, if you truly did not suspect anything, why did you investigate her relationship with the Gu Family?" Gu Siting asked Fu Hanzheng.

He must have suspected that Mu Weiwei was related to the Gu Family, so he had asked his men to investigate the matter.

However, the person next to him was completely different from Weiwei, so even if he suspected her, he could not find the real relationship between them.

Hearing the question, Fu Shiqin could not help but look at his brother.

His brother had asked someone to investigate the relationship between sister-in-law and the Gu Family, and he knew about it?

His brother did suspect that sister-in-law and the Gu Family had a connection that they were not aware of. But Yuan Shuo and his family appeared and said that they once knew the Mu Family and they and sister-in-law were old friends.

After that, they stopped investigating anything.

Fu Shengying also threw a look at Fu Hanzheng who had been silent all this time. When they were involved in the Gu Family's affairs, he had also criticized him.

After looking at Fu Hanzheng, he looked at the silent bride.

Normally, when faced with such a person, anyone would argue that they were not that person who they were being mistaken for.

But... she looked weird and did not utter a word.

Also, when they thought about it carefully, Mu Weiwei did act very differently from when she first came to the Fu Family.

It was said that she had changed a lot after leaving the Fu Family and they thought that she had grown up.

But when he thought about it carefully, he realized that it was actually not normal.

But Fu Shiyi did not believe that at all. He stood with his hands on his hips, provoking Gu Siting.

"Continue with the story, let's see what else you can come up with."

Seeing that they still did not fully believe him, Gu Siting glanced at Yuan Meng who was pointing the gun at him.

"You and Yuan Shuo were only with Weiwei for years, but you were so close to her in Hua Land for no reason. Last time, you even risked your life to save her. Actually, you two already knew that she was Gu Weiwei, that is why you helped her."

...

Fu Shengying and the Old Lady exchanged a serious look and then looked at Fu Hanzheng.

This matter sounded incredibly ridiculous, but when they thought about it carefully, everything seemed to make sense.

What Gu Siting said made them suspicious too.

But no one had suspected that she was Gu Weiwei, and they had always been in a good relationship, so they did not care about these small matters.

"Hanzheng, how much do you know and what have you found out?"

They had handed over the power of the Fu Family to Fu Hanzheng.

Therefore, they did not ask him what he was doing.

But this matter...

Chapter 934: Secret Exposed 2

When Fu Shengying asked this question, everyone turned to Fu Hanzheng.

Was everything as Gu Siting had said? He was the one who was closest to her.

And he knew her better than anyone else did.

With Gu Weiwei's hands tightly clenched, Fu Hanzheng looked at Gu Siting calmly.

"Mr. Gu, I think... my wife is not the person you are looking for."

No matter who she used to be, she was now his wife, his Mrs. Fu.

After knowing that she was Gu Weiwei, he had known that one day, Gu Siting would come to find him. But he had never thought of letting her go and giving her to him.

He had thought that if he came to expose her real identity in front of the Fu Family, he would break up with her because of the grudge between the Fu Family and the Gu Family and let him leave with her.

Not to mention that even if she had not told him, he would not allow him to have his wish, even if he had only known everything at this moment.

"Fu Hanzheng, maybe you are not suspecting me, but you already know about it." Gu Siting sneered and asked, "You already knew who she was, and you already knew that her surname is Gu, yet you still want to marry her?"

At the beginning, he was not sure if Fu Hanzheng knew who she was.

But judging from his reaction, he knew.

While everyone was furious and shocked, only he was calm.

"You are crazy! Don't drag my brother down with you, get out of here!" Fu Shiyi drove him out impatiently.

He made up a bunch of stuff here, but he did not believe a single word.

And he even said that his brother knew that his sister-in-law was Gu Weiwei. Didn't his brother know about the situation between the Fu Family and the Gu Family?

If his sister-in-law was really the Gu Weiwei he was talking about and his brother knew about it, they would have broken up ages ago rather than getting married.

"If you didn't know about it, why did you send someone to keep an eye on me? Also, you didn't send someone trusted by the Fu Family, but someone else. You know that I arrived in Austria yesterday, so you arranged for me to be stopped in Slovakia. You know who she is, and you know I know who she is. So you didn't want me to come here, did you?"

...

Fu Shiqin looked at his brother in silence. At this moment, he felt that he had to believe what Gu Siting said.

He had suspected that his brother was hiding something from them, but he had told him that it was because Anthony Gustav was coming to the wedding.

His brother had lied. This was what he was hiding from them.

Because this matter was too sensitive to the Fu Family, he did not even reveal it to him and Fu Shiyi. He did not even inform Lei Meng's men.

As for when he found out, it must have been before sister-in-law's birthday. It was then that he realized that something was wrong with his brother.

Also, what happened on their wedding day was very strange.

All the suspicious points were gathered to one answer.

That was, when he found out that sister-in-law was from the Gu Family.

Gu Siting looked at Fu Hanzheng and continued.

"You are not the only one who knows, Cayman Dorrans knows too, otherwise he would not have come to Slovakia with Yuan Shuo, otherwise he would not have kept such a close eye on me. None of you want me to be here, none of you want me to find her."

Old Lady turned to Fu Hanzheng and Gu Weiwei who were standing in silence and asked with a low voice, "Is it true? Is what he said... true?"

Chapter 935: Secret Exposed 3

Neither of them wanted to believe him, but according to Gu Siting and their abnormal reaction.

Everything seemed to point towards the answer that no one wanted to believe.

This was Mu Weiwei who she had brought into the Fu Family, how did she become a member of the Gu Family?

Although she did not believe in such a ridiculous thing, after she left the Fu Family.

Within one night, she had changed so much and suddenly understood everything that she had never understood before.

At that time, she did not suspect anything. She only found it strange and did not ask further.

"What do you mean real? Grandma, do you believe what he says?" Fu Shiyi suddenly changed his tone when he heard the loving Old Lady question the couple. He turned to his family and said, "If you believe this, do you believe that I am his father who was reborn after he died?"

"Fu Shiyi!" Gu Siting looked annoyed when he heard Fu Shiyi insulting his father.

Fu Shiyi turned around and asked with a smile, "Hey, why is my son calling me dad?"

"Fu Shiyi, can you stop causing trouble?" Fu Shiqin whispered with teeth clenched.

Fu Shiyi gritted his teeth and glared at Gu Siting. "How am I causing trouble? You believe his nonsense? He just doesn't like our family and doesn't like our brother and sister-in-law being so happy, so he is here causing trouble..."

"Shut up." Fu Shengying interrupted him.

Old Lady approached Gu Weiwei with a shaking body. "Girl, answer me, is what this man says true?"

Gu Weiwei looked up at the Old Lady, trying hard to press down her tears.

How was she going to answer such a question?

If she denied it, they would find out if Fu Hanzheng had arranged for someone to stop Gu Siting behind their backs.

Even if she denied it, Gu Siting would not believe her and leave this place.

But if she admitted it, it would hurt them deeply.

During the past few days, everyone in the Fu Family had regarded her as part of their family.

But now she was going to tell them that she had been lying to them all this time. She was no longer the real Mu Weiwei, but Gu Weiwei who had been reborn into Mu Weiwei after she died.

Also, she and Fu Hanzheng were lying to them.

“Grandma, don’t force her.”

Fu Hanzheng pulled Gu Weiwei behind him and said to Old Lady, “It was me who wanted to keep it from you guys, not her.”

At this point, even if they denied it, Gu Siting would not leave.

They obviously believed him, so there was no point denying it.

Fu Shengying turned to Fu Hanzheng who was defending Gu Weiwei in astonishment. “You know who she is and you still want to marry her? Have you forgotten that you are a member of the Fu Family?”

They must have known about this when they went to get their marriage certificate in a hurry.

“Dad, she did not cause the grudge between the Fu Family and the Gu Family. She is not really from the Gu Family.”

Fu Hanzheng held her hands tightly and explained to his family patiently.

It turned out that they were trying their best to conceal the truth from them.

Because he knew that for them, it was not an easy thing to accept.

But he had not expected that Gu Siting would tell them everything so cruelly at their wedding.

“But she is also Cayman Dorrans’s daughter. If he had not interfered, the Fu Family would have taken their revenge,” Fu Shengying said furiously.

Back then, the Gu Family was already in danger because of him, but the Dorrans Family helped the Gu Family at the last moment.

And the reason was because Gu Weiwei came to the Gu Family.

Chapter 936: Wedding Cancelled

Fu Hanzheng knew that they could not accept it at the moment.

So he stopped himself from explaining further. The more he tried to explain, the more they would resist him.

But he did not release her.

Especially when he felt the warmth of her hand turning colder and colder, as if an invisible hand were gripping her heart.

Hearing his brother's words, Fu Shiyi turned to Fu Hanzheng in astonishment and then to Fu Shengying.

What did he mean?

His brother had admitted that sister-in-law was Gu Weiwei, as Gu Siting had said. He had also admitted that he had known about it but had hidden it from his family?

No way. His brother was a smart man and he would not believe such a fantasy.

Seeing Gu Weiwei who did not defend herself, Yuan Meng got a bit annoyed.

It had been Cayman Dorrans who had sent her to the Gu Family, and the Gu Family who had a grudge with the Fu Family, but she had paid the price for being innocent.

Just because she had been Cayman Dorrans' daughter and because she had grown up in the Gu Family.

Everything had become her fault.

She could not bear to see her being wronged, so she said, "Since it was Cayman who did it, the Gu Family is your enemy, if you turn to the Gu Family..."

"Yuan Meng!" Gu Weiwei interrupted Yuan Meng and threw a tearful look at her, indicating that she should stop talking.

At this moment, she did not want to increase the conflict with the Fu Family.

They just could not accept that her surname was Gu and that she and Fu Hanzheng had lied to them.

Yuan Meng gritted her teeth and glared at Gu Siting, who had caused all of this. She had wanted to pull the trigger numerous times.

But Yuan Shuo had stressed that she should not be his opponent until she found out if Gu Siting was somehow related to her rebirth.

So she had to tolerate it and resisted the urge to punch him.

Old Lady coughed and said as she came back to herself, "Cancel the wedding today, let's go."

"Grandma, sister-in-law..." Fu Shiyi asked anxiously.

"The wedding has not been held yet, she is not a member of the Fu Family," Old Lady said in distress.

The images of her family members who had died horrible deaths kept appearing in her mind, so she had to be ruthless.

Fu Shiyi threw a look at his brother and Gu Weiwei who were still holding hands.

The wedding had not been held yet, but they already got their marriage certificate. She was legally a member of the Fu Family.

Also, why did she cancel the wedding just like that? Didn't she know that his brother was still holding his sister-in-law and refusing to let go?

He had known that his sister-in-law was Gu Weiwei, but he still chose to marry her. That was true love.

But because of Gu Siting, they were now going to break up his brother and sister-in-law?

He threw a look at Fu Shiqin, suggesting that he should try to persuade him.

Before they exchanged a look, they heard Mrs. Fu exclaiming, "Mom! Mom, what is wrong?"

The two bridesmaids rushed over and took hold of Old Lady, who had passed out.

"Grandma!"

Fu Shiyi took hold of her and called out to her anxiously.

Seeing that something was wrong, Fu Shiqin ran into the living room and shouted upstairs.

"He Chi, get down here now, someone needs help."

Hearing the words, He Chi and another doctor from the Fu Family rushed downstairs with the medicine box and did a first-aid check on the unconscious Old Lady.

Chapter 937: The Wedding is Cancelled 2

Seeing that something was wrong, Gu Weiwei and Fu Hanzheng hurried over.

He Chi said as he was doing the resuscitation, "Contact the hospital, we have to send her there now."

At Old Lady's age, health problems were always a big deal.

Fu Hanzheng instantly said to Fu Shiqin, "Contact the Taya Hospital and ask the emergency helicopter to come here as soon as possible."

That was the nearest hospital with the best medical equipment.

Fu Shiqin made a call and said after they agreed, "The helicopter has taken off. It will take 15 minutes."

Seeing his unconscious grandma who was on the verge of death, he became very scared.

However, Gu Weiwei was the one who was more scared and worried.

The Old Lady had been the one who had taken care of her throughout the entire time at Fu Family, but today, she had become so angry because of her.

If anything happened to her, she would be the cause of her trouble.

After a few minutes, Old Lady's heart rate recovered under He Chi's persistent resuscitation.

"Maybe it is because of the anxiety, but we need to check at the hospital for the details."

The family doctor who came with her, was using the oxygen generator to oxygenate the Old Lady.

The hospital's emergency helicopter soon arrived and the medical staff came in with a stretcher.

He Chi carried the patient into the ambulance, talked with the medical staff and said to the Fu Family, "The helicopter is limited, I will follow her, you can drive there yourselves."

"Drive, Shiqin, go and drive!" Mrs. Fu urged anxiously.

The group of people rushed out and were about to take the car to the hospital.

Fu Shengying stopped and turned to Gu Weiwei, who was about to go with them.

"Don't come."

Gu Weiwei ceased her steps and released Fu Hanzheng's hands.

"You can go to the hospital first."

The Old Lady passed out because of her, and if she went to the hospital now, not only would she not be able to help them, but it would also intensify the conflict.

Fu Hanzheng was not able to stay with her at this critical moment.

Fu Hanzheng looked at her worriedly and said to Fu Shiyi, "Stay and arrange for the guests to leave."

"Got it, you can go now." Fu Shiyi nodded and urged them to leave.

He knew that his brother was still worried about his sister-in-law.

Letting him stay and arranging for the guests to leave was just a cover, the purpose was to let him stay and keep his sister-in-law company.

Also, he had to prevent her from being taken away by Gu Siting.

Gu Weiwei watched Fu Hanzheng and his men get into the car and drive to the hospital.

Fu Shiyi looked at her and explained, "Sister-in-law, grandma and dad just can't accept it. Don't take it to heart, my brother will be back after dealing with things at the hospital."

Grandma and father had experienced the death of Uncle and Aunt, so they hated the Gu Family deeply. So they could not accept that her surname was Gu.

Even if nothing was her fault.

But the Gu Family was their taboo.

Also, Gu Siting was here today, which made the situation even more chaotic.

"Okay." Gu Weiwei nodded.

Then she walked towards the hall.

"Sister-in-law."

Seeing her going this way, Fu Shiyi followed her.

Gu Siting was still in the hall. If she was taken away, how was he going to explain when his brother asked him for her?

Chapter 938: Satisfied?

The hall that was decorated with fresh flowers was no longer as sweet as before, only a room full of loneliness and silence.

Seeing the beautiful young girl in the wedding gown returning, Gu Siting approached her joyfully.

However, what greeted him was not a greeting of jubilation, but a loud slap.

Gu Weiwei looked at the man in front of her with hatred. "Gu Siting, are you satisfied now?"

Even when he had agreed to remove her heart to give it to Ling Yan, she had never hated him so much.

The crisp sound of the slap echoed across the quiet hall.

Fu Shiyi, who had followed her in, shrank in fright.

But when he saw that she was hitting Gu Siting, he almost clapped in delight.

He had wanted to slap this guy like this for a long time, but he had never had the chance.

Not only Fu Shiyi, but Yuan Meng was also startled. But she showed no sympathy to Gu Siting who had been slapped.

It was just that she knew that she had never been a violent person, so it was the first time for her to see her acting like this.

She had been living in the Gu Family for more than twenty years and this was probably the first time she had slapped Gu Siting.

But this man deserved a beating.

Gu Siting tasted something sweet in his mouth and blood trickled out of the corner of his lips – apparently, she had slapped him hard.

However, he knew that he owed her and it was inevitable that she would be angry.

"Weiwei, the Fu Family will never accept you, come home with me."

Before Gu Weiwei answered, Yuan Meng snorted.

"Who gave you the cheek to ask her to go home now?"

Gu Siting thought for a while and realized that she had known about him and Ling Yan.

So he explained, "I have broken off my engagement with Ling Yan, and it is not what you think."

"Gu Siting, I have no interest in knowing your relationship with her, and I will not go home with you either." Gu Weiwei sounded determined.

Although the Gu Family was where she grew up, it was never her real home.

After he transplanted her heart into Ling Yan, that was no longer a place for her to go.

She had planned to let go of these things and start her life with Fu Hanzheng.

But he came to her and on the day of her wedding, he ruined her wedding and made her a sinner in the eyes of the Fu Family.

Gu Siting wiped off the blood at the corner of his lips and tried to persuade her.

“Weiwei, you just saw that the Fu Family will never accept you. You will not be happy with Fu Hanzheng.”

Gu Weiwei sneered and asked sarcastically, “Will I be happy if I return to the Gu Family?”

He had caused her conflict with the Fu Family, because he wanted to force her to go home.

For so many years, he had always been thinking about himself. As long as he reached the goal he wanted, he did not care what others would suffer.

“Weiwei, let’s forget about the past and start over.” Gu Siting looked at the young girl in front of him with anticipation and said, “Without Ling Yan and without Fu Hanzheng, only we can return to our home and be at our best.”

No matter what happened between her and Fu Hanzheng over the past year, he did not care. What he wanted was for her to return to him.

Gu Weiwei looked lethal as she looked at the man who kept asking her to return to the Gu Family.

“Gu Siting, do you know how I died?”

“I will take revenge for you, the murderer who stabbed you.” Gu Siting reached out for her and begged her. “Come home with me, Weiwei.”

Chapter 939: Do You Know How I Died?

Gu Weiwei looked at him, sounding very annoyed.

“Gu Siting, I did not die by the hands of those assassins, I died by your hands.”

“Mine...?” Gu Siting’s voice trembled as he asked in confusion.

“Yes, you, you and Ling Yan.”

Gu Weiwei approached him and explained, “I woke up after being in a coma for a few months and Ling Yan was by my bedside. She said that she was very sick and was going to die. She said that only if my heart was given to her, would she be able to survive. She injected me with lethal drugs and I was totally helpless in bed.”

...

Hearing her words, Gu Siting quaked and shook his head in disbelief.

No, that was not true.

That was impossible.

Gu Weiwei's cold look pierced his heart and she continued speaking.

"You then arrived, although I couldn't open my eyes, I heard a voice. I tried hard... to ask you for help, but you told them to remove my heart."

...

Gu Siting's face gradually lost color. When he heard the last sentence, he felt that his world was falling into despair.

"It is not like this, Weiwei, it is not like this..."

"You killed me, you dug out my heart and transplanted it into her." Gu Weiwei interrupted his explanation and interrogated him, "Gu Siting, you still want me to go home? What right do you have to make me see your disgusting face?"

"Impossible, Ling Yan would not do that, impossible..."

Gu Siting did not believe that she had not been seriously injured, but had died because of him and Ling Yan.

"It is your problem if you don't believe me, but I will never forget it." Gu Weiwei said one word after another as hatred gushed out of her eyes, "To you and the Gu Family, I hate nothing more."

Gu Siting felt that the girl's sharp gaze was digging out his heart bit by bit.

Was that why she kept countering Ling Yan in the film industry?

That was why she kept appearing in front of him but pretended not to know him.

...

Ever since he found out that she was Mu Weiwei, he had lied to Cayman Dorrans and rushed past Fu Hanzheng's men.

He had finally met her and he thought that he could finally bring her home.

Unexpectedly, they were already separated by a huge gulf.

Hearing their conversation, Fu Shiyi was very frightened.

What he knew was that the Fu Family had found out that Gu Weiwei passed away because of an assassination.

Unexpectedly, it had been Gu Siting and Ling Yan who had caused her death.

Artificial brain death?

Heart removal?

How crazy were these people that they wanted her dead?

He did not know how much his brother knew about these things, but he felt very sorry for him.

The darling he cherished and cherished so deeply, had been harmed like this before.

He stepped forward and stood next to his sister-in-law.

“Gu Siting, can you get out of here now?”

However, he had underestimated how shameless he was.

After a long silence, Gu Siting said to Gu Weiwei, “If you want revenge, you can punish Ling Yan however you want, as long as you come home.”

Fu Shiyi got so annoyed that he laughed and said, “If she wants revenge, my brother will be very willing to help, be it killing her or you.”

Chapter 940: The Fu Family Won't Take You In

Ignoring Fu Shiyi's words, Gu Siting looked at Gu Weiwei, waiting for her answer.

“If I want to kill her, I can kill her even if I don't go back.” Gu Weiwei looked at him coldly and said, “But if you still want me to go back, you can forget about me being the bargaining chip between the Gu Family and the Dorrans Family.”

Maybe Gu Siting came to her because he had feelings for her, but it was also because of the family interest.

“The Fu Family will never accept you. Even if it were not for the Gu Family, they would not accept you because you are Cayman Dorrans's daughter.”

Gu Siting took a deep breath. He knew that no matter what he said today, she would not leave with him.

“Weiwei, you can come home whenever you want.”

Having said these words, he turned around and left the hall, leaving Chenis Castle with his men.

She hated him so much that she would not leave with him.

But he would not give up.

Now, he was going back to find Ling Yan, who had caused him to lose her.

He had always been fooled by her gentle appearance.

If it had not been for her, Weiwei would not have died and fallen in love with Fu Hanzheng after becoming Mu Weiwei.

She did not deserve Weiwei's heart or to live in this world any more.

...

After Gu Siting left, Gu Weiwei sat down in the small hall.

“Third Master, get the guests to leave.”

It was impossible for the wedding to take place again.

Fu Shiyi said to Yuan Meng, "You are not allowed to leave her."

"Of course not!" Yuan Meng said and sat down next to Gu Weiwei.

Only then did Fu Shiyi go out and get a car ready. He contacted his brother's private jet crew and went upstairs to meet Ming Zongyuan and the others.

"Sorry, my grandma is unwell and went to the hospital. We can't hold the wedding today."

He could not possibly tell them that the wedding was not going to be successful because Gu Siting claimed that his sister-in-law was from the Gu Family.

So he could only say that it was because grandma was sick.

"Suddenly ill?" Ming Zongyuan was startled and asked, "What is the situation now?"

Could it have something to do with Gu Siting who interrupted the wedding?

They were all wondering why Gu Siting of A Land was here, ruining Fu Hanzheng's wedding.

But it was a family matter after all, and they could not ask him directly.

"My brother has sent her to the hospital and her life is not in danger. I just don't have time to receive you guys. I have arranged a car and you can use it when you are ready to drive you to the airport."

Unconvinced, Ji Cheng and Luo Qianqian asked Fu Shiyi, "Master Three, where is Weiwei? How is she?"

"She is fine, but my brother and sister-in-law don't have time to see you off." Fu Shiyi said with a smile, not revealing that Gu Weiwei was still in the hall.

His sister-in-law would not be able to meet anyone else in her current mood.

"The wedding is cancelled today, so when will it be held again?" Ji Cheng asked.

"Well..." Fu Shiyi touched his ears and laughed dryly. "I will inform you when the date is confirmed."

His grandma and father were not in a good mood for the wedding to be held again.

He understood the pain of his grandma and father losing their loved ones, but because of the grudge from the past, his brother had lost the person he loved. He was not very supportive.

After all, his brother was a cold-hearted person. Apart from his sister-in-law, he would not be so devoted to another woman.
