

MY HIDDEN 981

Chapter 981: Fu Hanzheng's Love Rival 2

Anthony Gustav could tell that Gu Weiwei was displeased, so he said helplessly, "I'm sorry, I apologize for my rude behavior in the past. Since you said that what I do is not because I truly like you, I think... I will let you see how I have changed."

His brother Ryan had stopped him from going to Fu Hanzheng's wedding, and he had thought that he would never have a chance again, because they were getting married.

However, a few days ago, he received news that her wedding with Fu Hanzheng had been cancelled.

Also, even the divorce certificate had been filed not too long ago.

So he thought that this was the time when he could court her again.

"I don't want to witness it," Gu Weiwei said expressionlessly.

It had not been easy for her and Fu Hanzheng, so what was he doing here?

Having said these words, she returned to her own residence and sighed helplessly.

If Fu Hanzheng were here, this man might have been sent back to Sweden before he arrived in Hua Land.

But because she was divorced from Fu Hanzheng, he could not interfere in her affairs in public, so he did not arrange for such issues to be sorted anymore.

She had forgotten to be wary of these things because she was busy with work.

Also, it was useless to be vigilant. Even if she knew that he was coming, she was not capable of stopping him from entering Hua Land.

Yuan Meng followed her into the house and teased her.

"If you can't marry into the Fu Family, Prince Anthony is a good choice."

"You think that just because you can't buy the potato in the market, you can buy a turnip?" Gu Weiwei snorted.

"I am just saying that if the Fu Family can't stand you, Anthony Gustav will be a good spare tire, right?"

Yuan Meng suggested kind-heartedly. Seeing how the Fu Family avoided her like a venomous snake, she wondered when she would be able to have a happy ending with Fu Hanzheng.

Gu Weiwei poured a cup of water and sized up Yuan Meng suspiciously.

"Tell me the truth, how much do you like Anthony Gustav?"

Yuan Meng touched her nose guiltily. "As much as a box of rare cigars."

Hearing these words, Gu Weiwei turned to Yuan Shuo.

“Take care of your wife. She might betray you for someone else’s cigars one day. She still drools over Anthony Gustav.”

“That was hundreds of years ago. Now, Anthony Gustav is drooling over your beauty, don’t drag me down.” Yuan Meng instantly argued.

Gu Weiwei finished the water, washed her hands and was about to eat dinner.

“If you speak up for Anthony Gustav again, I will fire you. Then you can go and find yourself another job.”

“Alright, alright, I will shut up.” Yuan Meng surrendered.

Even if she did not say anything, he had chased her all the way to Hua Land and he was not going to let her go.

Under the pressure of the family, Fu Hanzheng could not even deal with his love rival. Fu Hanzheng must be very jealous these days.

Yuan Shuo sat Yuan Bao down in his chair and sat down too.

“Ling Yan and her mother seem to be missing in A Land.”

“Needless to say, Gu Siting must have taken them away. They might have already been long gone,” Yuan Meng said.

Yuan Shuo thought for a while and said, “They are probably not dead yet, but they are probably not far from it.”

With Gu Siting’s personality, because Ling Yan and her mother did such a thing, he would not let them die so easily.

“It has nothing to do with us. I don’t want to hear anything about the Gu Family.” Gu Weiwei looked down at her food, totally uninterested in what they were saying.

Chapter 982: Weiwei’s Intention

Yuan Shuo and Yuan Meng exchanged a look but did not end the topic.

“Weiwei, we know that you don’t want to talk about the Gu Family anymore, but if Gu Siting still doesn’t want to give up, we will tell you about the Gu Family. After all... Fu Hanzheng can’t interfere in your personal business on the surface.”

If it had been before, Fu Hanzheng would have stopped the Gu Family from getting any information about her.

Now that they were divorced, the Old Lady of the Fu Family was still recovering. If Gu Siting came to find her again, Fu Hanzheng would not interfere with her affairs, no matter how unwilling he was to just watch Gu Siting do as he pleased.

Gu Weiwei stayed silent for a while and nodded.

Although she had promised not to rely on Fu Hanzheng, yet he had still helped her to solve many problems.

Now he could no longer protect her like before, and she had to face many things herself.

“As matters stand, if he has any brains, he will not have thought of kidnapping me again, so there is no need to guard against him in this aspect.”

Yuan Meng thought for a while. “What else can he do apart from that? He can’t possibly wait for you to go home yourself.”

“Of course he won’t wait,” Gu Weiwei looked down and said as she drank the soup. “Most of the time, he will cause conflict between me and the Fu Family, so that I am unable to remain in the Fu Family. Then I won’t have a place in Hua Land and will be forced to go to A Land.”

He did not do anything now, because the wedding had already caused the conflict between her and Fu Hanzheng. If he did anything now, he would only attract her hatred.

Also, her relationship with the Fu Family had reached the breakdown point that he had hoped for.

“He expects you to go home with him in this way. Should I say that he is innocent or naive?” Yuan Meng snorted in amusement.

Even if she had a deep conflict with the Fu Family, she could still live a good life without Fu Hanzheng and the Gu Family. Why did she still have to return to the Gu Family?

He had hurt her time and time again, and now he still wanted her to return to his side. She truly admired his courage.

Gu Siting was far worse than Fu Hanzheng in terms of emotional intelligence.

One was ‘I mistreated you because I loved you’, and the other was ‘I spoiled you because I loved you’. Which idiot would choose the one who would mistreat her?

Gu Siting always wanted to achieve the results he wanted and he never cared about other people’s feelings. And although Fu Hanzheng was unreasonable sometimes, he often spoiled Weiwei.

Especially when everyone was worried about her identity, he did not get angry or turn against her and instead brought her to register their marriage.

Although he had been forced to divorce because of the pressure from his family, his attitude and everything he had done had already destroyed Gu Siting’s chances of impressing Weiwei.

After all, they had seen what Gu Siting had done when he found out that his father had passed away because of Weiwei.

“Master, I need your help with something,” Gu Weiwei put down the bowl and chopsticks and said to Yuan Shuo.

Yuan Shuo nodded and said straightforwardly, “Tell me.”

“Ling Yan and her mother must have gone missing because of Gu Siting. Ling Yan is a public figure after all, so let’s leak some news to the media so that people will notice the disappearance of Ling Yan and her mother. Then, we can lead the suspicion to the Gu Family,” Gu Weiwei said.

“By that time, the media and even the police will be watching the Gu Family. If he wants to cause trouble for you or Fu Hanzheng, he will not be able to do anything.” Yuan Meng chuckled and revealed Weiwei’s hidden intentions.

Chapter 983: Weiwei’s Intention 2

Gu Weiwei smiled and continued to eat, not countering Yuan Meng’s conjecture.

She had made some preparations just to ruin Ling Yan’s reputation.

But because of the accident at the wedding, she and Gu Siting had revealed everything.

But something had changed. Ling Yan was now in Gu Siting’s hands and Gu Siting was the one she needed to be wary of.

She and the elders of the Fu Family were already in a very deep conflict. If he continued to cause trouble, the Fu Family would become increasingly hostile towards her and even see her as the same as Gu Siting.

No matter what Gu Siting did to Ling Yan, she would still ruin her reputation. But now, she could also use Ling Yan to distract the Gu Family, so that Gu Siting could be more obedient.

Yuan Shuo nodded. “That is a good idea. There are so many media companies and the police watching the Gu Family, and Gu Siting will not have time to disturb you in case Ling Yan is discovered.”

“What disturbance? It is called harassment.” Yuan Meng stressed the correct words.

“I have what I need and Jolin has contacted the media. But he has been helping me with the studio opening and I have not told him everything about being with the Gu Family, so you are the most suitable candidate,” Gu Weiwei said. He understood the situation in A Land better than Jolin did.

“Okay, I will find a suitable time to do as you say.” Yuan Shuo agreed.

Yuan Meng looked at her curiously. “What about Anthony Gustav? Will he continue to live opposite us and be our neighbour?”

“What else can I do? Can I drive him away?” Gu Weiwei countered.

If he liked living across the street, he could stay there. She would not be able to come home often due to the busy work ahead anyways.

Yuan Meng thought about it and gloated.

“You may not care, but your ex-husband will get jealous.”

Fu Hanzheng had never tolerated his love rivals.

Now that Anthony Gustav was living opposite them, Fu Hanzheng should be the one suffering the most.

If it were in the past, he would have tied him up and sent him back to Sweden. But because of Old Lady, he could not do anything to Prince Anthony.

Gu Weiwei thought for a while and frowned.

Fu Hanzheng was so jealous...

After dinner, she went upstairs to take a shower and called Fu Hanzheng, to check if he had returned home from work.

However, as expected, Fu Hanzheng was still at the company, so he put down his work when he heard her voice.

“Are you free these days, let’s meet?”

“Can we really meet?” Gu Weiwei asked discreetly.

“I can make the arrangements if you have time,” Fu Hanzheng said.

After the divorce, they had not met for more than half a month.

In the past, even if she was out for work, he would visit her every two weeks. It was rare for them to not see each other for so long.

Every day when he came home and saw the wedding pictures in the room, he often could not fall asleep.

Gu Weiwei thought for a while. “I can make the arrangements, you will be easily discovered.”

The old mansion would know about the meeting place he had arranged if he organized it.

If it was her plan, he just needed to show up at the place they had agreed on.

Fu Hanzheng chuckled. “Okay, you can make the arrangements.”

Although they had not met for more than half a month and his father, and the rest of his family, no longer suspected them, it was easy for them to be exposed if he arranged the meeting.

Chapter 984: Fu Hanzheng’s Second Love Rival

“Send me a copy of your schedule.” Gu Weiwei reminded him.

She could not make it too obvious, she had to make it look like she was just there by accident, so she had to match his schedule.

“Okay.” Fu Hanzheng did not turn her down.

Gu Weiwei did not end the call until she was sure that he had left the company after work.

Soon, Fu Hanzheng sent her the schedule for the next month.

She leafed through it carefully and came up with an idea.

Next week, she had work to do as a guest for the anniversary of a brand she had previously been the spokesperson for, but her event ended at seven p.m.

However he was also attending a banquet in the building at eight. As long as she was late, he could meet her if he came early.

However, he had to make careful arrangements.

But the thought of meeting him soon made her smile.

The following day, she asked Jolin to arrange everything. She made a call to Fu Hanzheng and spent the following days working on the opening of the studio.

This was because the moment the studio was opened, the filming of the new movie would start soon after.

So when the studio was opening, Yi An, who had worked on the Long Wind before, as well as Mo Jiao, the director of the Eyes of Eagle, Song Yu, the lead actor of Sleepless and Qiu Ling, were invited.

For one thing, it was for the opening of the studio, and for another, it was for the opening of the new movie.

Yi An and Mo Jiao each delivered a flower basket and shook hands with her as if they were old friends.

“You little girl, you are killing us with your talent.”

However, it was just a joke and not a threat.

Truly talented people tended to cherish each other.

Mo Jiao threw a look at the studio and sighed.

“Weiwei, if you are free, come visit us.”

After the Eyes of Eagle, he had hardly met an actress who was so smart and talented.

Unfortunately, she had already started to become a director, so she was definitely not going to take any more of their roles.

“Okay, I will visit you when I have time.” Gu Weiwei agreed happily.

“I regret that I did not choose you to be the female lead.” Yi An looked at the young and beautiful girl in front of him and sighed unconvinced.

It was a pity that the Long Wind only made her the supporting actress, otherwise the box office would have been more than that.

Mo Jiao could not help but feel proud. “I am much luckier than you, Yi.”

Although the Eyes of Eagle did not reach the box office of ten billion yuan as Sleepless did, it was still a very high-level result. It had won several prizes in a row and it was almost the most award winning movie he had made in recent years.

The three of them were just talking about some ideas about the movie when Song Yu and Qiu Ling arrived one after the other.

“Director Mu, congratulations!”

Song Yu shook hands with her and Qiu Ling passionately hugged her.

Due to the popularity of Sleepless, Qiu Ling now had a lot of resources, so she was quite grateful to her.

They were just greeting each other when Fu Shiyi arrived and delivered three flower baskets.

"I am not opening a flower store, why are you giving me so much?" Gu Weiwei whispered.

"One from me, one from Second Brother and one from my elder brother, three is enough," Fu Shiyi said.

Gu Weiwei was speechless. She could not say no to him in front of everyone and some of the media reporters.

Jolin was about to inform them about the opening ceremony when another guest came in. Before Gu Weiwei could react, Fu Shiyi already asked him, "Qin Lv, what are you doing here?"

"This building is mine, and as the landlord of the studio, I would like to congratulate you," Qin Lv said pompously.

Chapter 985: Jealousy

Fu Shiyi turned to Gu Weiwei. "Why did you rent his place?"

Gu Weiwei frowned. "It was not him who signed the contract."

"Uncle Wang is the agent," Qin Lv said.

"You..." Fu Shiyi put his arms over his shoulders and forced him into a corner. "Have you forgotten that she is your aunt?"

"She was before, but not anymore, right?" Qin Lv said with a smile.

Her and Fu Hanzheng's wedding in Slovakia had been cancelled and they were divorced.

So there was nothing wrong with him appearing next to her again.

"Even if she is not now, she will be sooner or later," Fu Shiyi said with his teeth clenched.

"Who knows what will happen in the future." Qin Lv moved away Fu Shiyi's arm and greeted everyone with a smile.

Fu Shiyi scratched his head anxiously. His brother and sister-in-law had just divorced, not really broken up.

What did he mean by coming to suck up to her the moment he heard about the divorce?

Gu Weiwei now knew that the building of their studio was under Qin Lv's name, so she asked Jolin, "Did you not find out anything before?"

"Because the location and the rent are both good, we signed it and it was Mr. Wang who signed it." Jolin glanced at Qin Lv's direction and asked with a small voice, "What should we do now? We are open for business, can we still close it and return the rent?"

Gu Weiwei thought for a while. "Forget it."

At this stage, if they left the place, they would have to find another place. It would take them another month.

It was just a rented apartment and they would not have much contact with each other.

However, Fu Shiyi was not happy and said as he took hold of her, "What about not opening today but somewhere else?"

If his brother knew that her studio was in the building under Qin Lv's name, he would be so jealous that he and Fu Shiqin would drown.

"You make it sound so simple. There are so many people watching the opening ceremony, and you want to change to another place just like that?" Gu Weiwei glared at him.

If she moved to another place, it would take some time before the renovation was completed. Where did she have the money and time to squander?

"But..." Fu Shiyi got so anxious. His poor brother was getting jealous.

"Even if you are afraid that I will climb over the wall, you should at least let me find a better wall than your brother's, right?"

Having said these words, Gu Weiwei left the room under the urging of Jolin and several staff.

Fu Shiyi could not persuade her, so he stared at Qin Lv, trying to stop him from approaching her.

Did he think that his brother and sister-in-law's divorce would give him the opportunity?

As long as his brother was around, nothing would happen.

The opening ceremony was brief and the media interviewed the reason behind Gu Weiwei's departure from Shiyi Culture.

She already had the experience of dealing with the media, so she was able to deal with the media's questions freely.

When the media asked about the new movie, Life Reboot, which was about to start, someone came to deliver flowers one after another and congratulated the opening of the studio.

Gu Weiwei could not accept it, so she gave the flowers to Jolin and her assistant.

Although Qin Lv was an unexpected guest, he had not invited anyone else, had he?

Where did these flowers come from?

She was just feeling confused when a tall and handsome foreign man came in with a bunch of flowers.

"Weiwei, congratulations, I look forward to our collaboration."

It was Anthony Gustav, who had just moved to Yijing Pavilion and become her neighbour.

Chapter 986: Love Rival

Wait a minute, he said... collaboration?

She saw the middle-aged man walking behind Anthony Gustav. He was the investor who had invested in their new movie, Life Reboot.

Then it was obvious. The money was from Anthony Gustav, and the investor was just the agent who hid his identity.

If she could barely accept that the studio was opened in Qin Lv's building, of course she would be very displeased if Anthony Gustav became the investor of the movie.

The journalists were also startled by the arrival of this member of European Royalty, and then they realized that someone was asking a question.

"Prince Anthony, are you saying that... you are working with Movie Queen Mu Weiwei on the new movie?"

Anthony Gustav chuckled and looked charming.

"Yes, she is an actress I admire very much."

The reporter glanced at the roses in Anthony Gustav's hands. "Prince Anthony, you brought roses. Do you mean something special?"

"Roses, of course, represent love." Anthony Gustav did not conceal his pursuit.

"Mu Weiwei, are you dating Prince Anthony?" the reporter asked quickly.

Gu Weiwei laughed dryly and replied, "No, I am still young and I just want to develop my career. Also... Prince Anthony is not my type."

What was going on today? Why was everyone causing her trouble?

Qin Lv was more than enough, and now Anthony Gustav was here too.

If she had not been able to strike a verbal blow at him in front of the media, she would have thrown him out.

Anthony Gustav sighed in disappointment but blinked and said,

"The path to pursuing love is never smooth or fast. I accept rejection but I won't give up."

Still young?

She had once been married to Fu Hanzheng and now she was divorced. Was she still young and only desiring a career?

Gu Weiwei gritted her teeth and showed a polite smile, trying hard to control herself from hitting him.

In the studio, Fu Shiyi dragged Jolin into a corner and interrogated him when he saw Anthony Gustav popping out.

"Why are you working with sister-in-law's love interests? You rented Qin Lv's building and opened a studio for her and now you have accepted Anthony Gustav's investment. Are you trying to p*ss my brother off?"

“How would I know that they are the people behind those two agents?” Jolin countered innocently.

The other party had given him such a good offer, he would be stupid not to sign.

But it seemed that he was now in trouble.

These two seemed to be Boss’ love rivals.

“You pig-brained man, my brother is furious!” Fu Shiyi glared at Anthony Gustav who was standing beside Weiwei.

His brother had finally cut off all available paths for the love interests and gotten the marriage certificate with Weiwei.

Well, after the divorce, she was free again.

These love interests, who had retreated, were now here.

Anthony Gustav had shown his love in such a high profile way today, so he would definitely be on the hot search list online tonight and he would definitely hit the headlines tomorrow.

Finally, the ceremony and the press conference came to an end and Anthony Gustav suggested that they should leave.

“I booked a restaurant, let’s go and celebrate?”

“No.” Gu Weiwei straightforwardly turned him down.

Yuan Meng looked at Anthony Gustav, who was still holding the flowers. “Hey, not only did you move in, but you also got involved in the movie we are going to make. You really don’t quit.”

Anthony Gustav smiled at Yuan Meng and said, “I want to thank you for teaching me how to properly like someone.”

Yuan Meng suddenly thought of the book on flirting with girls that she had given him and regretted it deeply. So it turns out that this man was hired by her.

Chapter 987: Love Rival 2

“Moved in opposite to you?” Fu Shiyi heard another explosive message and asked, “When did he move in opposite to you?”

“Not that long ago. He came here soon after we moved in. Now, we are living opposite each other.” Yuan Meng was enjoying the show.

Anyway, Weiwei was so devoted to Fu Hanzheng that it did not matter how many men she had surrounding her. She had never thought of anyone other than Fu Hanzheng.

“So...” Fu Shiyi realized that he had lowered his voice. “Why didn’t you tell me or my brother about this?”

“As if you can do anything about it,” Yuan Meng said.

The Old Lady was still recovering after the operation and she was still suffering susceptible to overstimulation. Could Fu Hanzheng really care about Weiwei?

If he had known that Anthony Gustav was living opposite them, he would have tormented himself to death from being so jealous.

So why tell him?

But even if she did not tell him today, he would find out tomorrow.

Fu Shiyi threw a glance at Gu Weiwei who was still talking with Yi An and Mo Jiao.

She had just moved out for a few days and now the flies were coming to her one after another.

Anthony Gustav lived opposite her, and Qin Lv stayed in the building of her studio, guarding where she lived and where she worked. His brother wanted to meet his sister-in-law, but he could not do so now.

Sigh, his poor brother.

He could not see his wife or deal with his love rivals. How humiliating was that?

After Gu Weiwei drove away Anthony Gustav and Fu Shiyi drove away Qin Lv, they decided to eat together.

After all, it was not easy for Yi An and Director Mo to come here.

But just as they sat down in the dining room and ordered the dishes,

Anthony Gustav appeared. "What a coincidence that you are here for dinner. Do you mind if I join you?"

He was still asking when he sat down.

Gu Weiwei gritted her teeth. She had to show some respect to this Swedish Prince in front of Yi An and Mo Jiao.

Within five minutes after Anthony Gustav sat down, Qin Lv appeared.

Same lines and the same routine.

"What a coincidence! You are eating here too, do you mind if I join you?"

...

Fu Shiyi just could not stand it any more. He struck the table and snapped.

"Enough, you two! There are so many restaurants in the entire capital city, how can there be such a coincidence that we end up in the same restaurant?"

These two fellows had not gone far from the studio and had been watching them. They had followed them in because they saw them coming to this restaurant.

Anthony Gustav exchanged a look that was filled with hostility.

"What a coincidence."

“Great, didn’t you say that you are here for dinner? Who are you eating with? Why are you eating with us instead of your guests?” Fu Shiyi furiously argued.

Yi An and Mo Jiao, as well as Song Yu and Qiu Ling looked at the table full of people, feeling that something was wrong.

Anthony Gustav seemed to be courting Mu Weiwei and the young master of the Qin Family seemed to be interested in her too.

Third Master was so annoyed... could it be that he was in a relationship with Mu Weiwei?

After all, the gossip about them had been circulating across the internet several times and judging from what he was doing to Anthony Gustav and the young master of the Qin Family, it was very suspicious.

Why had they not noticed that Mu Weiwei was so popular with men before?

Chapter 988: Love Rival 3

She had wanted to invite Yi An and Mo Jiao for a meal, but due to the arrival of Anthony Gustav and Qin Lv, the meal was not very pleasant.

After the meal, Anthony Gustav and Qin Lv tried to pay the bill, but the waiter said that Mu Weiwei had already paid.

Fu Shiyi glanced at his sister-in-law, who had texted Jolin at the table.

Jolin had then used the excuse of going to the bathroom to leave and had paid the bill ahead of time because he did not want this to happen.

They walked out of the restaurant and said goodbye to each other.

Seeing Yi An and Mo Jiao, Gu Weiwei was also about to get into the car and leave.

“Weiwei, if there are any problems with the studio, you can contact me anytime,” Qin Lv approached her and said.

“Thank you for your kindness, but I don’t think that is necessary.” Gu Weiwei turned him down.

She did not want to have anything to do with any of them, because Fu Hanzheng would be displeased.

Instead of being disappointed by her attitude, Qin Lv smiled politely.

“Then, thank you for dinner today.”

“No, don’t say thank you, you two are just scrounging for food!” Fu Shiyi snapped.

Without saying anything more, Qin Lv got into his car and left.

Seeing everyone else leaving, Anthony Gustav said to Gu Weiwei, “Weiwei, let’s go home.”

“Damn, why are you making it sound as if my sister-in-law wants to go home with you?” Fu Shiyi was very annoyed.

“Aren’t we neighbors?” Anthony Gustav said confidently.

“You...” Fu Shiyi was speechless.

They were all trying to take advantage of his brother and sister-in-law’s divorce.

If sister-in-law had not moved out, they would not have had the chance to approach her.

Ignoring Anthony Gustav, Gu Weiwei said goodbye to Fu Shiyi.

“It is getting late, you should go home too.”

Having said these words, she got into the car and urged Yuan Meng to drive away.

Jolin glanced at Anthony Gustav’s car and asked her discreetly, “Weiwei, will Boss beat me to death if he knows about it?”

After all, he had not been careful enough and chose the place owned by Qin Lv as the studio. To top that off he had once again not been careful enough and now Anthony Gustav was the investor of Life Reboot.

If Boss knew that he was the one who gave his two love rivals an excuse to approach her, he would definitely beat him to death.

“Don’t worry, I will kill the two of them first,” Yuan Meng said as she drove.

Gu Weiwei threw a look at Jolin and said calmly, “No, you didn’t expect it to happen.”

Also, Fu Hanzheng would not interfere with her affairs on the surface, so he would not do anything to Jolin.

“So... Boss doesn’t care about these things?” Jolin asked.

Before, whenever a man appeared around her, Boss would get very jealous.

And after she moved out of Landscape Villa, Boss had not seen her for more than half a month.

But she had not explained to him in detail what happened between them.

“He can’t do anything about it now, it is not a big deal,” Gu Weiwei said.

If he was involved in these matters, it would mean that he had not cut off all ties with her. If the Old Lady knew about it, it would not be beneficial for her postoperative recovery.

Chapter 989: Meeting Plan with Fu Hanzheng

Seeing that she still did not want to talk about the past, Jolin did not ask.

“I don’t care. If Boss starts to pursue the matter and you can’t keep me safe, you won’t be able to find such a capable assistant.”

“Got it, I promise that he won’t touch a single strand of your hair,” Gu Weiwei said confidently.

Jolin patted his chest and felt relieved.

“But I am afraid that you and Anthony Gustav will make the headlines tomorrow.”

After all, a famous member of European royalty and a Movie Queen in Hua Land would definitely attract attention.

Therefore, even if they wanted to suppress the news, they could not.

“Forget it, let them post it, it is not real anyway,” Gu Weiwei said tiredly.

When she was with Fu Hanzheng, there was nothing else apart from the occasional gossip about her and Fu Shiyi.

After Sleepless, she stayed silent for a while. Now that there was such a big piece of news, the media would not let it go so easily.

Also, it was not worth spending money to press down such unrealistic news.

“It is true that you are not together, but it is true that Anthony Gustav is courting you,” Yuan Meng said.

Her relationship with Fu Hanzheng had never been exposed. Now that such a handsome and charming Swedish Prince was courting her, her fans and netizens must be looking forward to her marrying into the royal family.

After all, not everyone had such an honor.

Hearing her words, Gu Weiwei glared at the driver.

“What did you teach him?”

Anthony Gustav was not like this before, although what he was doing now was useless to her.

But the people around them would think that she was pretending to be noble when even a member of the royal family was trying to court her.

This month, Gu Siting came to her and caused her to cancel the wedding and get divorced.

Now Qin Lv and Anthony Gustav were wandering around her in different ways, and Fu Hanzheng was going to get jealous.

She had been very busy with work these days and now she had to deal with a bunch of men.

Yuan Meng shrank her neck guiltily and stayed silent.

She had no idea that the Swedish Prince was so devoted. He had been rejected by her so many times and yet he still chased her all the way to Hua Land.

Ignoring her, Gu Weiwei said to Jolin, “Have you made the arrangements for the day after tomorrow?”

The day after tomorrow, she was going to meet Fu Hanzheng.

Before Jolin said anything, Yuan Meng smiled sinisterly.

“The room has been opened in someone else’s name, disguise yourself after the event and Fu Hanzheng will come to you.”

“Room?” Gu Weiwei raised her eyebrows.

“Of course, where else are you going to meet? You two will attract attention wherever you go, so I thought it better to get you a room. You can do whatever you want,” Yuan Meng said.

Jolin explained after Yuan Meng finished speaking.

“If you don’t want to be discovered, it is better to meet in the room.”

“Forget it, let’s leave it at that,” Gu Weiwei replied. There was really no suitable place for them to meet.

Hearing her agreement, Yuan Meng asked with a smile, “What about... getting you something else?”

“No need!” Gu Weiwei knew what she was going to say, so she objected resolutely.

“No, you are finally meeting up, you must enjoy yourselves.” Yuan Meng implied.

She was willing to bet that the two of them would not just talk and end up sleeping together.

Meeting and connecting in such a way after a long time, was the best way to express a relationship.

Chapter 990: Warning

At the headquarters of Fu’s Enterprise.

Fu Shiqin and the staff were working overtime with his brother as usual.

Suddenly, some news notifications rang on his phone.

He glanced at it and continued to work. Then he suddenly came back to himself and picked up the phone to check.

[The Prince of Sweden expresses his love to Mu Weiwei who’s net worth is billions!]

[Mu Weiwei, the Movie Queen who is worth billions, may marry into the Royal Family of Sweden!]

[The Prince of Sweden has been courting Mu Weiwei for a long time!]

...

“Damn, damn...” Fu Shiqin got very annoyed when he saw the news.

“Second Master, what is it?” An employee passed by and asked worriedly when he heard his voice.

“Something is wrong, something is very wrong.” Fu Shiqin went straight to his brother’s office with the phone and said loudly, “Brother, brother, the S-rank alarm!”

Fu Hanzheng signed the files without looking up.

“If it has nothing to do with work, just shut up and go home.”

“It is about sister-in-law,” Fu Shiqin said.

Sure enough, Fu Hanzheng put down his work the moment he heard his words.

“What is it?”

Seeing his brother getting anxious, Fu Shiqin was not in a hurry.

“Didn’t you say that it has nothing to do with work? Let’s talk at home.”

He was not interested in anything else, but when he heard that it was about sister-in-law, he understood everything.

“I will give you three seconds, if you don’t want to tell me then...” Fu Hanzheng sounded cold.

Fu Shiqin got so frightened by his brother’s lethal look that he reported what he had just read.

“Anthony Gustav is in Hua Land and he expressed his love for sister-in-law at the opening ceremony of her studio. The news about them is all over the internet.”

“Him again.” Fu Hanzheng squinted. He had thought that Ryan would make him behave himself when he warned him last time.

“I think he must have heard about your divorce, so he came here again.” Fu Shiqin analyzed.

Fu Hanzheng looked even more sinister. He would have known before he entered Hua Land.

But because she could not pay too much attention to news about her these days, no one paid much attention to these things.

But this man came to Hua Land and made such a big fuss.

“Also... he is the investor of sister-in-law’s new movie,” Fu Shiqin said to his brother.

Fu Hanzheng looked lethal. “That is all?”

“Also... Fu Shiyi just said that Anthony Gustav also lives in Yijing Pavilion and... he lives opposite sister-in-law’s home,” Fu Shiqin whispered.

If it were before, such a love rival would not even have the chance to show up in front of sister-in-law.

Now that his brother and sister-in-law were divorced, his brother could not pay too much attention to sister-in-law due to the family’s objection.

So much so that he did not even know that his love rival was here.

Before Fu Hanzheng could figure out the reason behind Anthony Gustav’s appearance, Fu Shiqin continued.

“Also, the building where sister-in-law’s studio is located... seems to belong to Qin Lv. He went to the opening ceremony today too.”

They had been divorced for less than a month and Gu Siting was still eyeing his sister-in-law. It turns out that Anthony Gustav and Qin Lv were also here to cause trouble.

Fu Hanzheng gritted his teeth. “They think that their opportunity will come when we are divorced.”

Both Qin Lv and Anthony Gustav must have thought that they could continue to court her because they knew about their divorce.
