

My Life 1581

Chapter 1581: His Biological Daughter

The bodyguard hurriedly handed the letter over.

Mo Chengliang followed suit, "Family head, what's going on? This child of mine not only looks like the eldest miss, but also very much like Yu Yuehan. She's most likely the daughter of Yu Yuehan and the eldest miss. Does this mean that the eldest miss has known Yu Yuehan for four years?"

"..."

Mo Chengxian ignored him and was concentrating on reading the letter in his hand.

Actually, there wasn't much content in the letter. It was just a few simple sentences.

The general meaning was to tell Mo Chengxian the truth about their relationship and the previous lies. At the same time, it also meant that they knew that Mo Chengxian did not want them to be together and did not want to be separated, so they did not dare to come and see him.

However, Xiao Liuliu was Nian Xiaomu's biological daughter and Mo Chengxian's biological great-granddaughter. She knew that he liked children, so she specially sent the child over to see him.

If the old man did not mind, he would let Xiao Liuliu stay here to accompany him.

"Have they really left?" Mo Chengxian held the letter in his hand and swept his sharp gaze toward the bodyguard.

The bodyguard broke out in a cold sweat and said, "Master, they left after putting down the child. We couldn't stop them even if we wanted to."

"B * Stard! What do you take my great-granddaughter for? What should we do if such a young child is scared?"

Mo Chengxian growled in a low voice. Just as he finished growling, he saw Mo Chengliang point at his chest and kindly remind him.

"Family head, it seems that you are the one who scared Little Liuliu."

"..."

Mo Chengxian looked down and saw the small glutinous rice ball in his arms with a pouted mouth and big watery eyes. The coldness on his face immediately disappeared.

He pulled out a kind smile.

"Little Liuliu isn't afraid. Great-grandfather isn't fierce... I was just joking with them just now."

"Really?" Little Liuliu blinked and asked with a confused look.

"Daddi and Momma have left. They don't want Little Liuliu anymore. Does Great-grandfather want Little Liuliu?"

“Of course!”

Mo Chengxian threw away the letter in his hand and reached out to hug the small glutinous rice ball in his arms.

He ordered without hesitation.

“Prepare a room for Xiao Liuliu. It’s close to my place, but you can’t share a room with me. Don’t give it to my sick Xiao Liuliu... Such a young child probably needs a nanny...”

“Xiao Liuliu is three years old. She’s already a big friend.”Hearing Mo Chengxian say that she was young, Xiao Liuliu immediately stretched out three fingers and said.

Mommy and Daddy said that she wasn’t young anymore and could take care of her little brother.

That was why they wanted her to make great-grandpa happy.

As long as great-grandpa was happy, Mommy and Daddy could give birth to her little brother.

Mommy also said that great-grandpa was very rich. In the future, her little brother’s milk powder money would have to be earned from great-grandpa.

1

Xiao Liuliu had to work very hard to make great-grandpa happy and earn a lot of money so that her little brother wouldn’t go hungry!

At the thought of this, Xiao Liuliu crawled out from Mo Chengxian’s arms and circled around him before crawling behind him.

Xiao Pinky clenched her fists tightly and began to massage his back.

As she did so, she asked in a childish voice, “Great-grandfather, are you comfortable?”

“...”

“Great-grandfather is sick. Xiao Liuliu has to take care of great-grandfather!”

Mo Chengxian was so touched that his eyes turned red. Even the people who were watching from the side felt their noses turn sour. This little child was so filial.

Mo Chengliang saw the signs and knew that this child was about to become the family head’s favorite. Without a word, he asked someone to prepare a children’s room for her.

He even bought all the toys that children of this age liked. In just a short hour, he immediately decorated an exquisite and warm princess room.

Chapter 1582: Xiao Liuliu’s Extraordinary Talent

She successfully won Mo Chengxian’s admiring gaze.

The entire Mo family received the news at the same time and rushed over. They wanted to see what kind of three heads and six arms this legendary “Xiao Liuliu”had that could make the old family head lose his soul the moment he saw her.

“The direct descendants of the Mo family all have extraordinary talent. I wonder what the eldest miss’ daughter is good at?”

“Yeah, I heard that the child is very pretty, but I’ve never seen her before.”

“Of course the eldest miss’s daughter looks like the eldest miss, but she’s only three years old. I don’t think there’s anything special about her, right?”

“That might not be the case. When the eldest miss was young, she had a photographic memory...”

The elders sitting in the living room were chatting and laughing merrily.

The topics were all related to Xiao Liuliu.

From time to time, they would look out and look up, waiting to see her true face.

After waiting for a long time, Xiao Liuliu did not come, but the butler came instead.

“The family head said that the young miss has just returned and is unfamiliar with strangers. He is afraid of scaring her, so he won’t see anyone today. Let everyone go back first!”

“...”

A group of Mo family elders who had specially rushed over were chased away before they even finished drinking their tea.

They did not give any face at all.

Even when everyone asked Xiao Liuliu what she was doing now, the Butler did not reveal a single word.

After sending everyone in the living room away, the butler quickly turned around and entered the kitchen. He brought a few desserts from the kitchen and brewed a cup of fresh milk before carrying it to Mo Chengxian’s ward.

Just as he entered the ward, he saw Xiao Liuliu sprawled in front of the coffee table with her chubby hands grabbing the desserts to eat.

There were already a few empty plates in front of her.

The snack that she had just grabbed was already the last piece.

Mo Chengxian was sitting in his wheelchair. He was so anxious that he was about to ask someone to get more when the butler came in with the things.

“Quick, quick, quick, put them all in front of Little Liuliu.”

“Yes.”

The Butler put down the things and then stood respectfully to the side.

Together with everyone else, they watched as the little glutinous rice ball ate all the snacks on the coffee table and drank a cup of milk.

Licking his lips, he patted his belly and burped contentedly.

The discussion that he had heard in the living room suddenly flashed through the Butler's mind. Could it be that the young miss had extraordinary talent and was especially good at eating..

1

The Butler shivered all over!

"Xiao Liuliu, are you full? Do you want to eat some more?" Mo Chengxian saw that she seemed to have not eaten for a few days and felt both distressed and angry.

Why was his maternal great-granddaughter so pitiful that she did not even have a full meal to eat.

"Can I still eat?" Xiao Liuliu heard his words and raised her small head, looking at him with sparkling eyes.

Mo Chengxian answered without hesitation, "Of course! You can eat as much as you want!"

"Then can I take it away?" Little Six asked again.

"Take it away?" Mo Chengxian was stunned. "Who are you bringing it to?"

"The snacks from great-grandfather's house are delicious. Little six needs to save it so that he can take care of his younger brother in the future."

Little six tilted his head and thought for a while. He leaned on the coffee table and counted seriously with his fingers.

"Aunt Shangxin's younger brother, Aunt Bengbeng's younger brother, and the younger brother that mommy gave birth to for Xiao Liuliu... Xiao Liuliu has a lot of younger brothers to raise, but even Xiao Liuliu doesn't have money."

When she said the last sentence, the little glutinous rice ball pouted with a worried expression.

"Xiao Liuliu can't eat so much in the future. She has to save money to raise her younger brother!"

Mo Chengxian:"..."

Mo Chengxian: "What did you say just now? Your mother is going to give birth to a younger brother for you?"

Chapter 1583: Xiao Liuliu's Resentment

Such a small child actually had to bear the heavy responsibility of supporting the family.

They didn't even give him enough food to eat.

This, this, this... they actually mistreated his own great-granddaughter, this was too much!

1

Mo Chengxian pushed the wheelchair forward and was so angry that he almost stood up from the wheelchair.

Did his mo family lack this bit of money to support the child?

He would buy what his little Cutie wanted to eat!

Xiao Liuliu wanted to raise a few younger brothers, so he would raise them for her!

No, it was safer. He had to leave a will or something to prevent him from closing his eyes and kicking his feet in the future. His little cutie had no food and no money to raise a younger brother..

Within a few seconds, countless thoughts flashed through Mo Chengxian's mind.

"Mummy wants to give Xiao Liuliu a younger brother, but Daddy Su is useless and can't even give birth to a younger brother." Xiao Liuliu reached out to wipe her small mouth, turned around, and climbed onto the sofa. She sat down obediently.

The moment the matter of giving birth to a younger brother was brought up, her delicate little face was filled with disdain for Yu Yuehan.

Her small mouth mumbled.

"She has been lying to Xiao Liuliu, she has been lying to Xiao Liuliu, and she hasn't given birth to a younger brother for Xiao Liuliu."

"Aunt Shangxin already has a little brother in her stomach, but mommy doesn't have a little brother in her stomach."

"Daddy only knows how to lie to Xiao Liuliu every day and sleep by himself. He can't even give birth to a little brother by monopolizing mommy by himself..."

"..."

The little glutinous rice ball couldn't wait for her biological brother, so she had a deep grudge against him!

Her little body was curled up on the sofa, and she kept on ridiculing her biological father.

As he ridiculed, he even forgot his original purpose of asking great-grandfather for money to support his younger brother.

Mo Chengxian was also stunned when he heard this.

His Xin 'er was going to give Xiao Liuliu a younger brother, and the Mo family was going to have another child.

He was going to be great-grandfather again?

That's right! Why didn't he think that the Yu family's direct line of descent would be thin, but his xin 'er could be born!

As long as they gave birth to a few more children, there was no need to worry about not having one and a half surnames in the future to inherit the Mo family.

However, that fellow Yu Yuehan did not seem like a person who was easy to negotiate with. What if he did not agree to have his children take his mother's surname..

Wait a minute, why did it become Yu Yuehan who did not agree?

1

He had not even thought about whether he should let them be together!

They actually acted first and reported later..

Mo Chengxian's face darkened.

"They are sleeping together every day now? They are not even married yet, how can they cohabit illegally!"

"Papa and Mama are married, twice! The first time Mama ran away, it must be because Daddy couldn't have a brother, so Mama didn't want him, but because little six is so cute, Mama couldn't bear little six, so she came back!"

Xiao Liuliu sat on the sofa and said with a smile.

A narcissistic small appearance, inexplicably let Mo Chengxian feel a little familiar.

He seemed to be a little similar to someone..

"You're Married? In Nian Xiaomu's name? That doesn't count! How can a marriage with a fake identity be considered real?" Mo Chengxian rejected the idea without hesitation.

His granddaughter, the respected eldest daughter of the Mo family, was really going to get married. How could there not be any elders of the Mo family at the wedding?

It was no wonder that Yu Yuehan was fearless. It turned out that they had even held a wedding.

He must have thought that he had stuffed it into his pocket and eaten it in his stomach. It was a foolproof plan, wasn't it.

Mo Cheng's aged eyes flickered slightly. He reached out and beckoned the butler to his side and lowered his head to give some instructions.

The Butler's expression changed slightly. He nodded respectfully and bent down to leave the ward.

Xiao Liuliu, who was sitting on the sofa, was left behind. She rubbed her little head and tried hard to recall what she had wanted to say to great-grandfather just now?

Chapter 1584: Also Needed A Life-saving Talisman!

Outside Mo Chengliang's villa.

A luxurious luxury car was parked in an inconspicuous corner.

The windows of the car were tightly shut. From the outside, one could not see the people in the car.

Nian Xiaomu sat in the front passenger seat and watched the bodyguards bring Xiao Liuliu into the villa. Later on, she saw a bunch of people from the Mo family. She did not know what had happened inside, but she only saw people coming and going. It was extremely lively.

However, not long after, they were all chased out again.

They were discussing something in low voices as they shook their heads and left.

One had to know that they were all influential elders of the Mo family who had appeared here. Yet, they had been chased out just like that..

“Yu Yuehan, why do I feel that my grandfather seems to be angry? Could it be that he is angry that we sent Xiao Liuliu here and then left? Then, in a fit of anger, he got angry at Xiao Liuliu... No, I have to go in and take a look at Xiao Liuliu!”

Nian Xiaomu reached out and grabbed the car door handle. Just as she was about to get out of the car, Yu Yuehan held her down.

“Have some confidence in your grandfather!”

Nian Xiaomu:”...”

It was precisely because she had great confidence in her grandfather that she was so nervous.

Her grandfather had been an authoritative figure for his entire life. He was not someone who could be easily schemed against.

If any junior dared to play tricks in front of him, the end result would usually be especially tragic!

She had suffered quite a lot when she was young. In the end, she only managed to escape because her grandfather doted on her and did not hold it against her.

However, this was the first time Xiao Liuliu had met her great-grandfather today. Since the two of them had not interacted before, there was naturally no friendship between them.

1

If her grandfather was really angry, he would definitely scare Xiao Liuliu..

Nian Xiaomu had finally recognized her daughter and had not taken good care of her. How could she bear to leave her alone to face the unfamiliar environment and great-grandfather.

“Even if you don’t have confidence in your grandfather, you should at least have some confidence in Xiao Liuliu. She isn’t a child who would let herself be at a disadvantage.”

Yu Yuehan released her and opened his thin lips slightly.

Nian Xiaomu was stunned when she heard this.

The image of the first time she had seen Xiao Liuliu flashed past her mind.

She was a delicate little ball of rice. She looked soft and cute and was very easy to bully.

She had a cute little face and was always smiling at everyone.

However, when they really came into contact with her, they would realize that this little girl was very smart. She was an expert at pretending to be a pig to eat a tiger.

She had a sweet mouth.

No one could withstand her coquettishness and cuteness.

1

When she thought of this, Nian Xiaomu felt much more at ease.

“Then, are we really going to ignore Xiao Liuliu?” Nian Xiaomu asked uncertainly.

No matter how smart Xiao Liuliu was, she was only a little over three years old.

Could she deal with an old man like her grandfather who had lived to the fullest?

Yu Yuehan did not know what he had said to Xiao Liuliu. After he coaxed her a little, Xiao Liuliu was elated. She took the initiative to pat her little chest and promised that she could take good care of her great-grandfather.

Xiao Liuliu did not even listen to her mother who wanted to say a few more words.

The moment she got out of the car, she ran away without looking back.

“Of course not. We only have a more important mission and are temporarily placing Xiao Liuliu with her great-grandfather. We will come back to pick her up after a period of time.” Yu Yuehan’s eyes flickered as a glint flashed across his eyes, he spoke slowly.

“Don’t keep me in suspense. What are you scheming now? Let me tell you, I know grandfather’s temper the best. He will definitely know why you sent Xiao Liuliu to his side. He will not let you pass the test so easily!”

Nian Xiaomu propped her chin up and reminded him.

Initially, she had thought that Yu Yuehan would act as if he was facing a great enemy. In the end, he merely nodded his head with a calm expression to express his agreement and opened his thin lips slightly.

“So, I still need a life-saving talisman!”

Chapter 1585: Glued Together At All Times

Yu Yuehan’s gaze slowly shifted to her stomach.

“What life-saving charm? Why are you looking at my stomach? I have been so nervous since this morning that I haven’t eaten anything. My stomach is empty, but I don’t have any life-saving charms for you...” Nian Xiaomu said halfway through her sentence, suddenly, she thought of something and stared at him with widened eyes.

Could it be that he was thinking of..

Yu Yuehan said, “Xiao Liuliu is already three years old. If we don’t hurry up and give birth to a second child, there will be a generation gap between the two children.”

Nian Xiaomu: “...”? ? ?

Yu Yuehan said, "Now that Xiao Liuliu has your grandfather to take care of her, we can stick together at all times and try our best to give birth to a younger brother for Xiao Liuliu."

Nian Xiaomu: "..."! !

This wasn't the car that was driving to the kindergarten. Let her down!

—

At the Zheng family villa.

The butler and the servants were all downstairs in the elegantly decorated villa.

At this moment, a vague sound of an argument could be heard coming from the room on the second floor. It sounded as if someone was arguing.

"Mom, I have already said that it would be too risky to do this. Now that Zheng Yan hasn't returned home and we can't contact those people, how are we going to answer if dad asks?" Zheng Hao's skinny body paced around the room.

His young face was full of worry.

The things that they thought were foolproof suddenly changed.

If Zheng Yan was fine, but the fact that they hired a murderer was exposed, Zheng Mohong would know that they were the ones who died!

Ling Liwei sat on the sofa in front of him, her expression ugly, "Didn't your dad not ask? Besides, Zheng Yan didn't go home herself, what does it have to do with us? Her legs are on her body. If she doesn't want to go home, I can't just kidnap her back, right?"

"..."

"Hao Hao, calm down. Don't mess up before you know what's going on. Think about it from a different angle. Maybe Zheng Yan didn't come home because those people succeeded!"

A sinister light flashed in Ling Liwei's eyes.

If that was really the case, it didn't matter whether those people reported it to her or asked her for the final payment.

As long as Zheng Yan didn't appear, then her son would be the only heir of the Zheng family!

However, something unexpected had happened and Zheng Yan hadn't shown up. When she thought about it now, she felt a little uneasy.

"Your father has always doted on Zheng Yan the most. Zheng Yan hasn't returned home for so many days and he didn't ask either. Something is wrong. Why Don't you ask your father and find out what he has to say?"

"Me?"

Zheng Hao's expression changed the moment he heard Ling Liwei's instructions.

“Zheng Yan went missing because of us. Now you want me to ask father... I’m not going, I don’t dare to ask!”

Zheng Hao rejected without hesitation.

After thinking for a moment, he walked up to Ling Liwei, squatted down, and held her hand.

“Mom, why don’t We Forget About It? I Won’t argue with Zheng Yan anymore. Let’s go and find her. If something really happens to her, father will definitely not let us off...”

“PA—”

Before Zheng Hao could finish his sentence, Ling Liwei had already given him a fierce slap.

“What are you talking about? I’ve spent so much effort to arrange for you, and it looks like we’re about to succeed. You actually want me to give up at this time. How could I have such a useless son like you!”

Zheng Hao was slapped and did not dare to speak for a moment.

He only looked at Ling Liwei with red eyes.

Ling Liwei reached out and poked his head. “I’m warning you. We’ve already done what we’ve done. There’s no turning back. If you give up now, when Zheng Yan comes back to her senses and finds out that we did it, you’re dead meat!”

Chapter 1586: Exposed! ! [Monthly Pass]

“...”Zheng Hao’s pupils constricted, and a hint of fear flashed across his eyes.

He kept quiet and didn’t dare to say anything more, but his face was still frighteningly pale.

Seeing that she couldn’t count on him, Ling Liwei picked up her phone and was about to call Zheng Mohong.

Before she could make the call, she heard the sound of a car downstairs.

“Is Dad Back?”Zheng Hao asked cautiously.

He walked quickly to the balcony and found that Zheng Mohong’s car was not parked in the courtyard, but Zheng Yan’s car!

“Mom, it’s Zheng Yan!”Zheng Hao’s expression changed abruptly, and he hurriedly turned around and ran into the room.

He ran all the way to Ling Liwei in a panic, propping himself up on the armrest of the sofa.

“Zheng Yan is back. Could it be that she already knows that we did it? If she asks later, how am I going to answer?”

“What are you panicking for!”

Ling Liwei was slightly startled. She snapped back to her senses and immediately shouted in a low voice.

Zheng Hao fell silent after being berated by her. He panted and did not speak.

The next second, seeing that Ling Liwei had put down her phone, he stood up calmly and tidied up his skirt.

“It’s good that you’re back. You Don’t want to alarm your father. Didn’t you want to know if she fell for it? Let’s go down and take a look at our young Miss!” Ling Liwei turned around and walked out arrogantly.

Zheng Hao stood at the same spot and hesitated for a few seconds before following her.

Just as the mother and son walked downstairs, Zheng Yan happened to come in from outside. The three of them bumped into each other, and Zheng Hao subconsciously hid behind Ling Liwei.

Being glared at by Ling Liwei, he lowered his head and didn’t dare to speak.

Ling Liwei crossed her arms and walked in front. “Hey, isn’t this Zheng Yan? She hasn’t been home for a few days. Why is she suddenly in such a good mood today? She’s Back?”

“...”

Zheng Yan was holding her phone as she lowered her head to reply to Mo Yongheng’s message. She was discussing with him what time it would be more appropriate for him to come to her house to propose marriage. Suddenly, she heard Ling Liwei’s voice and her fingers that were typing paused.

She continued to send her message before raising her head to look at the mother and son in front of her.

The scene that flashed before her eyes was the few hooligans who had suddenly kidnapped her that night and wanted to destroy her.

If Mo Yongheng hadn’t arrived in time, she might not even be standing here now.

She hadn’t gotten even with them, yet they still dared to appear in front of her?

Zheng Yan’s beautiful Phoenix eyes narrowed slightly.

“This is my home. Do I need to report to anyone when I Come Back?”

Zheng Yan put her phone into her pocket and walked forward. When she passed by Ling Liwei, she shot her a cold glance. “Auntie Wei doesn’t want to see me so much, why don’t you go tell my dad to chase me away for you?”

Ling Liwei: “...”

Ling Liwei almost choked to death.

Everyone knew that Zheng Mohong doted on his daughter. She was only a stepmother. If he really dared to say something like that, Zheng Mohong would probably be the first to chase her out.

Zheng Yan, this little hoof, was asking the obvious to ridicule her.

Ling Liwei gnashed her teeth in hatred. Just as she was about to say something, she suddenly caught a glimpse of the faint Hickey on Zheng Yan’s neck. She didn’t say a word.

When she took a closer look, it seemed that there was concealer applied on the Hickey.

A hickey that couldn't be covered with concealer, how intense was the kiss?

She looked down again. Not only was there a faint trace on Zheng Yan's neck, there were also some faint traces on her collar. Although she had deliberately used a scarf, there was always something that couldn't be covered up with such obvious traces.

Ling Liwei's eyes lit up. "Good, you haven't been home for so many days. So you were fooling around outside!"

Chapter 1587: Had Succeeded!

Ling Liwei's sudden attack stunned Zheng Yan. She lowered her head to look at the marks on her chest and realized what Ling Liwei was referring to. Her face unconsciously flushed red.

She had reminded Mo Yongheng to restrain himself more than once. However, this man seemed to be addicted to it. He even confidently said that this was a "Land encirclement campaign" to warn the others that she was already taken.

It was fine now. She wasn't sure if other people knew that she was taken, but Ling Liwei definitely knew.

Look at her current self-satisfaction. It was as if she had grasped onto something that could be used against her. She wanted nothing more than to call everyone over.

In fact, that was what Ling Liwei was really thinking at this moment!

Zheng Yan hadn't returned for a few days and nights. The moment she returned, her body was covered with these traces. What did that mean?

It meant that the people she had sent had succeeded!

Although she didn't know what had gone wrong in the middle of it, causing those people to not send her the video of the assault and ask her for the rest of the payment, that wasn't important anymore.

She only wanted to know that Zheng Yan, this little hoof, had indeed been trampled on.

If she didn't go home these few days, she was afraid that she was hiding in some small corner, afraid that others would find out..

The corner of Ling Liwei's mouth curled up into a sinister smile.

The more afraid Zheng Yan was, the more she wanted everyone to know that she was already a piece of trash, so stop putting on the airs of a young miss!

"What happened?"

The Butler ran out of the kitchen when he heard the sound.

In the villa, the other servants also looked over.

Ling Liwei's shout alarmed the entire villa.

"Aunt Wei, what are you doing?"

Zheng Yan frowned and looked at Ling Liwei, who had deliberately made things worse.

She really could not understand how this woman, who had smiled sweetly at her when she was young and said that she would take good care of her, had become like this.

If it was not for Mo Yongheng, who had repeatedly reminded her on the way back to the villa, to keep her composure and not get into an argument with Ling Liwei and her son to avoid alerting the enemy.

Right now, she really wanted to ask Ling Liwei how she managed to send people to kidnap her and humiliate her. Yet, she was so aggressive and stood on the moral high ground, as if she wanted to punish her.

Wouldn't her conscience hurt?

Wouldn't she feel sorry for her father?

Didn't she think of helping her son accumulate some evil virtue? !

"What did I do? I want to ask you what you did. Although the times are different now, you're an unmarried girl. You Didn't go home at night and came back early in the morning, and you're still covered in these... unsightly things. Zheng Yan, let me tell you, your mother died early. In any case, I'm still your mother in name. Your father is busy with work, I can't watch you become like this!"

When Ling Liwei saw that there were more and more people around her, she pretended to be disappointed and pulled the scarf around Zheng Yan's neck on purpose.

She wanted the people around her to clearly see the Hickey on her neck..

All of a sudden, there were whispers around her.

"Are the rumors true? Is Miss's private life really that chaotic?"

"Don't talk nonsense. I've watched the eldest miss grow up. She's not that kind of person..."

"But you saw it too. Don't tell me those marks on her neck were all caused by mosquitoes. There aren't any mosquitoes that big..."

"I heard from the people outside that the eldest miss is so good at business because she's willing to put in a lot of money. To put it bluntly, she's the one who's willing to accompany her business partners. You know that!"

Chapter 1588: Meant For Her To Collapse!

"I've heard of it too. I didn't believe it at first, but now..."

"..."

Hearing everyone's discussion, the corners of Ling Liwei's mouth curled up into a triumphant smile.

This was exactly the effect she wanted.

If Zheng Yan was really ruined by the people she arranged, and now she was being torn apart in front of everyone's eyes, throwing salt and dirty water on her, even the strongest person would probably collapse.

What Ling Liwei wanted was for her to break down.

As long as Zheng Yan was not successful, Zheng Mohong would not always be biased towards her. When that time came, the person who could enter the MO Corporation as an intern would naturally be her son.

However, Ling Liwei waited and waited, but she did not see any change in Zheng Yan's expression.

Instead, she saw mockery in her eyes.

She was mocking herself?

What right did she have to mock her? The person whose reputation was in tatters was her, Zheng Yan!

Ling Liwei thought about it again. It must be because Zheng Mohong was not at home. Just as she was thinking about how to make the matter bigger, she saw Zheng Mohong walk in from outside.

"Mohong..." Ling Liwei was slightly stunned and shouted in surprise.

It was work time now. Why did he suddenly come back?

However, none of this was important now. If Zheng Mohong came back at this time, it was as if the heavens were helping her!

Ling Liwei gritted her teeth and stomped her feet. Her eyes were red as she ran towards Zheng Mohong who had just entered the house.

"Mohong, you have to make a decision on this matter. I am a stepmother and I have never had any weight in this house. I will tolerate other matters if I can for the sake of the children. However, if you don't take good care of what happened today, I'm afraid that Yanyan will... SIGH!"

Ling Liwei's hesitant attitude caused Zheng Mohong's brows to furrow.

"What's wrong with Yanyan?"

He raised his head and saw Zheng Yan standing in front of the sofa. He pushed Ling Liwei away and walked forward quickly.

He looked at her from head to toe.

After confirming that his precious daughter was fine, he let out a light sigh.

He turned to look at Ling Liwei. "Isn't Yanyan Fine?"

"Dad."

Zheng Yan held Zheng Mohong's hand and pursed her lips. Her expression was a little nervous. "There's something I want to talk to you about in private."

"What is it?" Zheng Mohong looked down at her.

Ling Liwei saw that Zheng Yan seemed to want to change the topic, she scoffed. "What else could it be? Of course it's those unspeakable things that she did! Mohong, take a good look at your precious daughter. Those marks on her neck and chest are not what a proper girl should have!"

Upon hearing this, Zheng Mohong seemed to have suddenly realized that he had overlooked something. His gaze swept across Zheng Yan's neck and his pupils constricted!

Without waiting for Zheng Yan to explain, Ling Liwei was already ahead of him.

"Mo Hong, it's been a few days since Yanyan went home. A single girl is out there, hanging out with some unknown person, causing her to have such a worldly aura. I know that I'm a stepmother, so I can't say too much. I'm afraid that others will think that I can't tolerate others. But look at Yanyan's current appearance. If her dead mother were to see it, I'm afraid that even the coffin wouldn't be able to cover it!"

Ling Liwei thumped her chest and stomped her feet.

Her exaggerated expression made her seem like an old mother who cared about her daughter.

Zheng Yan didn't care about what she said, but she cared about her father.

Moreover, she still carried the mission that Mo Yongheng had given her. In the end, before she could say anything, Ling Liwei had ruined it.

"Father, this is what I wanted to tell you... but it's not what you think..."

Chapter 1589: Tell Me Everything You know!

"What else do you have to say? Do you think you can fool your father with just an excuse? There are so many pairs of eyes here. The young miss of the Zheng family has embarrassed the Zheng Family!"

Ling Liwei walked to Zheng Mohong's side and reached out to hold his arm.

She squeezed out an expression of heartache.

"Mohong, it's not that I want to say this, but you usually spoil Yanyan too much. That's why you spoil her so much. You spoil her so much that she doesn't know the immensity of Heaven and earth. There are some things that I didn't want to say initially, but with the situation today, I can't not say it!"

Ling Liwei paused and continued.

"You only saw Yanyan's outstanding work. Do you know what everyone is talking about in private? Everyone says that when the eldest daughter of the Zheng family talks about business, she relies on her body to do it. Her wrists are very powerful..."

"Nonsense!"

Zheng Mohong suddenly turned his head and glared at her. He reached out and pushed her away.

Ling Liwei did not expect him to have such a big reaction. She was caught off guard and was pushed back a few steps. She only stopped when she bumped into the armrest of the sofa.

She roared with red eyes.

“Everything I said is true. If you don’t believe me, Ask Hao Hao. His friends are all laughing at him for having a shameless sister. Do you know how ostracized he is?”

“...”

Zheng Mohong turned his head to look at Zheng Hao.

Zheng Hao quivered all over. His young face lowered slightly, not daring to look Zheng Mohong in the eye.

Hearing Ling Liwei’s words, he did not agree. He only clenched his fists tightly and pursed his lips, not saying a word.

Ling Liwei hit the armrest of the sofa angrily.

“Mohong, can’t you see that Hao Hao is a filial child? He is unwilling to tell the truth because Gu Nianzhi is his sister. He thinks that he is protecting his sister. But everyone already knows what Yanyan did. How can he stop Youyou’s mouth by himself?”

“...”

“If you don’t believe me, you can ask anyone in the villa. I’m sure everyone is familiar with the rumors about the eldest daughter of the Zheng family.”

Zheng Mohong’s face darkened when he heard this. He reached out and pulled the butler over.

“Tell me, tell me everything you know!”

“This...”

The Butler looked panicked and wanted to say something, but he stopped himself.

Ling Liwei immediately berated him from the side, “President Zheng wants you to say it. Why are you still standing there? Just tell the truth. It’s not like we’re asking you to spread rumors and slander. What are you afraid of?”

The butler replied, “Yes, in reply to CEO Zheng, I have indeed heard some rumors about the eldest miss. The rumors are really unpleasant to hear. I have watched the eldest miss grow up and believe that she is not that kind of girl. That’s why I have never taken them seriously and have never spread those unbearable rumors!”

“What kind of rumors are so unbearable to hear?”Zheng Mohong’s body trembled as he stared at the butler.

The Butler was speechless.

He didn’t dare to say anything for a long time.

Zheng Mohong let go of his hand and turned to look at the people beside him. Everywhere he looked, everyone was avoiding him. No one dared to tell him what kind of rumor it was.

The more it was like this, the more it explained how terrifying the rumor was!

“Mohong, take a good look. This is the daughter that you hold in your hands. You treasure her so much, but she doesn’t know how to love herself at all. In order to enter the company, she didn’t hesitate to use this method to compete with Hao Hao. Hao Hao even treated her as his elder sister and protected her everywhere. He even refused to say that he was ostracized by his companions!”

Ling Liwei see Zheng Mohong face ugly, slowly walked to his side.

Chapter 1590: Face Smacking! An Unexpected Backer

Just as he was about to say something, Zheng Mohong did not look at her. He walked straight past her and walked in front of Zheng Yan.

His usually amiable face now had a serious expression.

His voice was low, and he enunciated each word.

“Yanyan, Tell Daddy, What’s Going On? As long as you say that you didn’t do it, Daddy Will Believe You!”

Zheng Mohong had heard the rumors in the business world for a long time, so it was impossible for him not to hear any rumors.

However, his Yanyan had been beautiful since she was young. The boys who liked her could line up from the entrance of the kindergarten to the entrance of the university. There were always some people who loved but couldn’t be loved, and they liked to spread rumors outside.

He had heard so much, so he didn’t care anymore.

Until today, when he heard Ling Liwei’s words, saw Zheng Hao’s silence, and saw all the housekeepers and servants in the villa stammering..

Only then did he suddenly realize that something seemed to be different from what he had imagined.

“Dad, I didn’t!”

Zheng Yan answered without hesitation.

Her resolute attitude made Zheng Mohong’s heart instantly relax.

“You have never disappointed dad since you were young. Dad believes in you.”

“Mohong!”

When she heard the conversation between the father and daughter, and saw Zheng Mohong being brushed off by Zheng Yan with a few words, Ling Liwei couldn’t hold it in any longer and walked forward.

She pointed at the Hickey mark on Zheng Yan’s neck.

“Are you blind? It’s so obvious. You obviously just hooked up with a wild man, yet you still believe her words? Are You Waiting for the day you become a grandfather for no reason before you ask her who the father of her child is?”

“What are you saying? Shut Up!”Zheng Mohong’s eyes flashed with anger as he growled.

“Why should I shut up? Zheng Yan did it herself, why would she be afraid of others talking about it? Ask her yourself, where has she been these few days? who has she been with? What has she done? If she is really innocent and I have wronged her, I can immediately apologize to her!”

Ling Liwei said aggressively.

Since they had already fallen out, if Zheng Mohong could not destroy Zheng Yan’s image in his heart today, Zheng Mohong would definitely resent her for slandering his daughter.

She was going to be the unlucky one.

Ling Liwei’s eyes turned stern. She would not let such a thing happen no matter what.

“You can’t say it, right? What Job? What business trip? They are all excuses. To put it bluntly, she is fooling around with men.”Ling Liwei placed her hands on her waist, seeing that Zheng Yan did not speak, she thought that she must have guessed correctly and instantly became spirited.

He pretended to speak earnestly.

“Actually, if it’s a serious relationship, it’s not a big deal if you can’t help it. But if it’s not a relationship, but an unspeakable deal... Mo Hong, if you really feel sorry for your daughter, you must find out the man who bullied Yanyan today no matter what. At least Yanyan is innocent!”

Zheng Yan: “Dad, there’s no need. Actually, I’m coming back today...”

“Why not? It’s such an important matter. Your Dad and I will definitely make a decision for you!”Ling Liwei cut her off harshly.

She was trying her best to encourage Zheng Mohong to investigate the person who ruined Zheng Yan’s innocence.

No matter who the person was, as long as they had a bit of cooperation with the Zheng Corporation, they would be able to prove Zheng Yan’s crime of selling her body to do business.

If it was just an ordinary person... then Zheng Yan’s private life would be a mess.

Since Zheng Yan’s innocence was gone, she wouldn’t be able to escape from her hands no matter what!

“President Zheng, Young Master Yong is here —”
