

My Life 1631

### Chapter 1631: Please Tell Me Your Story (8)

Mo Chengxian: "..."

He didn't just dislike it.

He really didn't like it!

But in front of his precious great-granddaughter, if he told the truth, the little glutinous rice ball would definitely be sad.

She might even be angry with him.

She felt that her parents were not by her side because of his great-grandfather.

Mo Chengxian hesitated for a few seconds and chose a safer way to say it.

"Great-grandfather does not dislike your father. He just feels that your father is not as obedient as you."

"If Daddi is as obedient as Xiao Liuliu, will great-grandfather like Daddi as he likes Xiao Liuliu?" The little glutinous rice ball asked innocently.

Mo Chengxian: "..."

It was impossible.

Just the fact that Yu Yuehan wanted to kidnap his granddaughter and force him to submit, even if Yu Yuehan turned into an angel, he would not like him!

However, in front of Xiao Liuliu..

Mo Chengxian coughed lightly and opened his mouth hesitantly.

"It's not impossible."

"Then you would like him, right?" Xiao Liuliu tilted her head and asked obediently.

Her bun-shaped head looked extremely cute with this action of hers.

Mo Chengxian was unable to say anything negative after she asked this question.

He held back his anger and could only nod his head.

Then, he looked at the little glutinous rice ball that was still sitting in his arms acting coquettishly a second ago. The next second, it slid down in front of him.

He took his short legs and went to the butler to get the phone.

"I want to call Daddi and tell him that as long as he is obedient, great-grandfather will like him and let him and mommy give Xiao Liuliu a little brother..."

Mo Chengxian: "..."

Had he been set up by his own great-granddaughter just now?

1

A three-year-old baby had set him up, and he actually did not realize it?

Wait a minute! When did he say that he had promised to like Yu Yuehan?

Mo Chengxian sat in his wheelchair and was in a mess in the wind..

On the other side of City N.

It was already late in the morning. Only then did Nian xiaomu hold onto her waist and slowly crawled out from under the blanket.

Her neck, chest... were full of ambiguous marks.

As she shifted her body, it was as if all the bones in her body had been dismantled and reassembled. She could not help but gasp.

Turning her head to look at Yu Yuehan, who was sleeping as if nothing had happened, she lifted her leg and kicked him. She wanted nothing more than to kick him off the bed!

In the next second, her ankle was grabbed by a warm and big hand.

Yu Yuehan's hoarse voice sounded slowly beside her ear with a hint of laziness from when he had just woken up.

"What's wrong? Why are you so angry after just waking up? Who offended you?"

"..."Nian Xiaomu glared at him immediately.

There were only the two of them here, yet he still had the nerve to ask such a question?

Did he dare to speak his conscience and say what he had done to her since he tricked her into coming to this hotel a few days ago?

She ate and slept every day, and when she woke up, she ate..

If it was just sleep, then her days would still be considered happy, and she would take it as a vacation.

But if she was paired with someone who was using the excuse of having a second child and demanding without restraint, then it would be different.

She had not had a good night's sleep in the past few days, and the dark circles under her eyes were already starting to show.

This was nothing. Her waist was so sore that even a slight movement now would kill her.

Then, she looked at Yu Yuehan. This man slept even less than her every day, yet he was so energetic that it was frightening!

Now, whenever Nian Xiaomu heard him calling her to sleep, all the hair on her body would stand on end.

In the end, he did not even have the slightest self-awareness and actually asked her who had provoked her.

Nian xiaomu snorted and said, "Yu Yuehan, I feel that you are very much like a human trafficker now!"

Yu Yuehan:"? ? ?"

### **Chapter 1632: Please Tell Me Your Story (9)**

Nian xiaomu: "You tricked me out and prepared to eat and wipe me clean!"

Yu Yuehan:"..."

He did eat and wipe me clean, but he could not bear to part with a complete set of bones.

He liked to eat slowly.

It had been a long time since he had been so relaxed in this rare moment of being alone.

Yu Yuehan reached out and pulled Nian xiaomu into his embrace, who was complaining non-stop. Then, he lowered his head and kissed her on the forehead.

Nian Xiaomu struggled frantically and said, "My back is sore..."

"I will just hug you and do nothing," Yu Yuehan said in a hoarse voice.

He was trying his best to restrain himself. However, if she continued to move around in his embrace like this, he might not be able to guarantee anything.

"If you can believe your words, my waist won't be sore anymore. Let Go of me!" Nian Xiaomu crawled out of his arms in complete disbelief and only sat down when she reached a place that he could not reach.

There was a line between the two of them.

"Alright, what do you have to say now!"

Yu Yuehan:"..."

His wife had already started to avoid him. How were they going to get through this together?

Seeing that he did not speak, Nian Xiaomu spoke first.

"Yu Yuehan, it has already been a few days. If grandfather does not agree to be with us, don't tell me that you are planning to make me stay here with you forever? I am not complaining that it is not good to stay in a hotel. It is just that Xiao Liuliu is at grandfather's place alone. She is still so young, and I miss her a little."

As Nian Xiaomu spoke, she sniffed.

She wanted to use her actions to prove that she really missed her daughter.

At the same time, she was also puzzled as to why Yu Yuehan, who usually missed Xiao Liuliu more than she did, was so calm this time around.

She was his precious baby. Even though Yu Yuehan always hated Xiao Liuliu for snatching his wife while she was sleeping, he actually cared about his little princess in his heart.

In other words, he despised and despised Xiao Liuliu. If he heard anyone say anything bad about Xiao Liuliu, he was afraid that he would directly go up and fight with them to the death.

A typical female slave.

In the end, he did not even mention Xiao Liuliu for a few days.

Was he really so assured?

“Looking at the time, it’s about time.” Yu Yuehan suddenly opened his mouth.

One sentence stunned Nian Xiaomu.

“About time? Who is about time?”

Yu Yuehan glanced at her calmly and said, “It should be about time for Xiao Liuliu to subdue your grandfather.”

Nian Xiaomu: “? ? ?”

What the hell?

Didn’t he send Xiao Liuliu to her grandfather’s side so that Xiao Liuliu could accompany her grandfather to recuperate and make him happy?

Why did it suddenly turn into subjugation!

Yu Yuehan saw her dumbfounded expression and reached out to pull her into his embrace.

He cupped her face with both hands and tried to reason with her.

“Your grandfather dotes on you very much, right? I analyzed the reason. It’s because he doesn’t have a daughter and only has a granddaughter. That’s why he dotes on you especially since you were young. He wishes that he could treat you like a treasure and hide you from others.”

“...” after she thought about it carefully, it seemed to be the case.

Nian Xiaomu did not refute and used her gaze to signal for him to continue.

“However, you should still remember that you did not live in the Mo family when you were young. Instead, you were sent to the Xing family. Therefore, I deduced that missing out on your childhood should be your grandfather’s greatest regret.”

Yu Yuehan’s voice sounded slowly.

If one had any regrets in one’s life, they would become even more persistent when they were old.

Although Xiao Liuliu looked like him, her pair of lively eyes and her mischievous little appearance still resembled Nian Xiaomu very much.

**Chapter 1633: Please Tell Me Your Story (10)**

When Mo Chengxian saw her, it was impossible that he would not think of Nian Xiaomu when she was young.

As long as he treated Xiao Liuliu as an extension of Nian Xiaomu and not just Yu Yuehan's daughter, he would definitely dote on Xiao Liuliu.

He knew his own daughter very well.

Xiao Liuliu might look soft and cute usually and only know how to act coquettishly and act cute, but in reality, she was just lazy.

If the little girl were to use her brain, even the old jianghu would probably fall into her hands.

After all, no one really guarded against a three-year-old baby.

When he sent Xiao Liuliu to Old Master Mo's side, he had made an agreement with her that as long as Xiao Liuliu helped him put in a good word in front of old master mo so that he could successfully marry a wife, he would bring a younger brother back for her.

Yu Yuehan had already thought it through. If they did not succeed in having a child during this period of time, he would first go to the orphanage and choose a good-looking little boy to adopt as Xiao Liuliu's younger brother.

In short, he would first get old patriarch Mo to agree to their marriage!

"Provoke"

After Nian Xiaomu heard his entire plan, she drew in a few breaths of cold air.

With a disgusted expression, she shrank back toward the bedside.

"You even took advantage of a three-year-old baby. It's as if I can see my future. I'm afraid!"

Yu Yuehan:"..."

Yu Yuehan: "Actually, I also feel that I have let Xiao Liuliu down this way, so I have prepared another alternative plan."

"What Alternative Plan?" Nian Xiaomu asked curiously.

Her eyes were filled with curiosity.

Yu Yuehan did not beat around the bush and went straight to the point.

"Let's continue to work hard to have a baby. When you are pregnant, your grandfather will definitely be reluctant to let his maternal great-grandson be born without a father."

"..."

Nian Xiaomu quivered all over.

When she met his dark eyes, she did not see any hint of a joking look in them. She was so scared that she was completely in the middle of it.

“Actually, I think that you are right. Xiao Liuliu is already three years old and is an adult. It is only right for her to make some contributions to the marriage of her parents! Really, I am speaking from the bottom of my heart. I am thinking exactly the same as you!”

The most Xiao Liuliu could do was to act cute. She could even make her grandfather happy.

If she were to do it, she would have to sell her body. She would definitely be tortured by Yu Yuehan until her back ached and her legs cramped.

Xiao Liuliu was more suitable to settle this score.

After Nian Xiaomu finished speaking, she seemed to feel that it was a little inappropriate for them to be like this.

They were more like biological children.

“Why don’t we secretly go back and visit Xiao Liuliu today?”

This was to prevent Xiao Liuliu from suspecting that her parents had picked her up from the trash can.

The corners of Yu Yuehan’s lips curled up into a smile that was not a smile.

“Haven’t you heard of a saying?”

“What?”

“Parents are true love. Children are accidents.” Yu Yuehan opened his thin lips slightly and exhaled in a charming manner.

Nian Xiaomu: “...”

Before the two of them could discuss whether they should make a trip back, Yu Yuehan’s cell phone rang.

He took a glance at the unfamiliar caller ID and his eyes lit up. He did not pick up the call for a long time.

From the looks of it, he seemed to be a little afraid.

Who was the one who called the number that could make him afraid?

Nian Xiaomu leaned over to take a look at the caller ID and felt that it was a little familiar. After giving it some more thought, she blurted out, “Is this the landline number of little grandfather’s house?”

Nian Xiaomu was famous for having a photographic memory.

It was not difficult for her to memorize a phone number. Since she had recognized it, it meant that she could not be wrong.

She was just about to ask why Yu Yuehan did not pick up. Perhaps her grandfather was looking for them for something.

Before she could finish her sentence, she snapped back to her senses.

**Chapter 1634: Please Tell Me Your Story (11)**

Nian xiaomu asked, "Could it be that grandfather has discovered the reason why we sent Xiao Liuliu to his side and is preparing to capture us and bring us back to be tortured?"

Yu Yuehan:"..."

He was precisely worried about this, so he did not pick up the call.

However, city n was the Mo family's territory, and their whereabouts could not be hidden from old Patriarch Mo. .

Even if they did not pick up the phone, they would still be found.

Yu Yuehan only hesitated for a few seconds before picking up the phone.

"Daddi, great-grandfather has agreed to let you and little brother Ma musheng have a Go!"

A soft and tender voice sounded from the other end of the phone with a hint of tenderness and sweetness.

After she finished speaking, there seemed to be a muffled sound from the other end of the phone, as if someone had tripped and fallen.

Xiao Liuliu's confused voice was immediately heard.

"Great-grandfather, why are you sitting on the floor?"

Mo Chengxian:"..."

Yu Yuehan:"..."

Nian Xiaomu:"..."

Their instincts told them that Xiao Liuliu might have misunderstood something and had forcefully made a phone call. She had even forcefully passed on a message that should not have been passed on.

This had caused Mo Chengxian, who was so dignified, to lose his composure.

However, they waited for a long time, but Mo Chengxian did not lose his temper.

Even Xiao Liuliu's mood did not seem to be affected. She continued to hold the phone and whisper to them.

"Great-grandfather fell down. Xiao Liuliu went to help great-grandfather up. Daddi, are you still there?"

"Yes."

Yu Yuehan said that he did not miss her, but when he heard his little princess'voice, his voice unconsciously became gentle.

When Xiao Liuliu heard that he was still around, she repeated what she had just said.

"Great-grandfather has really agreed to give birth to a younger brother for you and mummy. Daddi, can you tell mummy to give birth to a younger brother for Xiao Liuliu Tomorrow?"

Yu Yuehan: "..."

Nian Xiaomu: "..."

It might be a little difficult to give birth tomorrow.

However, the most difficult thing now was whether old patriarch Mo had really agreed to it?

Yu Yuehan and Nian Xiaomu looked at each other and saw the same doubt in each other's eyes.

Just as Yu Yuehan was about to ask Xiao Liuliu, Mo Chengxian took the call.

"Cough, cough!"

Mo Chengxian coughed twice and cleared his throat.

He did not speak to them right away. Instead, he heard him instruct the people around him to bring Xiao Liuliu out to play.

Yu Yuehan instantly had a bad feeling when he heard the commotion over there.

As expected, Mo Chengxian's attitude turned cold the moment Xiao Liuliu left.

"Don't think that the two of you can act recklessly just because you have Xiao Liuliu's help. My Great-granddaughter is so adorable. Won't it hurt your conscience to use her?"

This was definitely a great-granddaughter fetish.

The main topic of the conversation was no longer whether they agreed to Yu Yuehan and Nian Xiaomu being together. Instead, it was that they dared to use his great-granddaughter.

Damn it!

Yu Yuehan: "..."

Nian Xiaomu: "..."

The two of them did not dare to retort after being scolded, in the end, Mo Chengxian said, "My baby misses the both of you. Come back for a while. As for the marriage, don't even think about it! Don't think that you can force me to give in just because you have a second child outside. The Mo family can afford to give birth to as many Xin'er as you want. It just so happens that the family name of the unmarried child is Mo.."

After Mo Chengxian finished speaking, he hung up the phone with a thud.

Yu Yuehan: "..."

Nian Xiaomu: "..."

Nian Xiaomu took a glance at Yu Yuehan and asked weakly, "Then, do we still have to work hard to give birth to a younger brother now?"

Yu Yuehan: "..."

“Let’s go back and see Xiao Liuliu first.” Yu Yuehan pulled Nian Xiaomu along as they changed their clothes and walked out.

Just as they walked out of the hotel entrance, they saw a figure flash past them at lightning speed!

### **Chapter 1635: Speed Of Life And Death! (1)**

They crashed straight in their direction..

“Be careful!”

Yu Yuehan instinctively reached out and pulled Nian xiaomu into his embrace. Turning sideways to avoid them, he raised his eyes and glanced at them warily.

When he realized that the other party was just a hotel cleaner, he was in a hurry to leave with the cleaning tools in his hands. He had almost bumped into them by accident.

When she snapped back to her senses, she hurriedly apologized.

“I’m sorry, I’m sorry. Are the two of You Alright?”

The cleaner who was carrying the cleaning tools was a middle-aged woman. When she realized that she had almost bumped into someone, she looked very panicked.

Nian Xiaomu quickly comforted her and said, “We’re fine. Don’t worry.”

The cleaner apologized profusely a few more times before she carried the cleaning tools and left.

Nian xiaomu turned around and pounded Yu Yuehan’s chest. “You were so nervous just now and scared the old lady. She thought that you were going to eat her up.”

Yu Yuehan’s eyes flickered as he allowed her to pound him a few times. Reaching Out, he grabbed her wrist gently and pulled her into his embrace.

His voice was neither loud nor soft, but carried a hint of a deep voice.

“Although Mo Kun is already in jail awaiting sentencing, du Li is still at large. It’s not wrong to be a little more vigilant. This person is sinister and vicious, and no one can trace his back. However, he is most likely the one responsible for Mo Kun’s evil deeds. Back then, Tan Bengbeng was ambushed and almost had a miscarriage. It is said that he was the one who gave Mo Kun the idea.”

Yu Yuehan had never told Qi Yan about this matter. He was worried that Qi Yan would do something extreme because of the pain of losing his son.

A person like du Li would naturally be punished by the law. There was no need for him to dirty his hands.

The most important thing now was to find him!

“City n is the Mo family’s territory. After grandfather woke up, he had already instructed a large number of people to look for his whereabouts. However, there was no news at all after such a long time. could du Li have already left City N?”

Nian Xiaomu asked.

If du Li had already left this place, then they would definitely not be able to find him if they kept looking for him in city n.

However, this also meant that Du Li was too busy running for his life and no longer had the guts to do anything to them.

“It’s possible. However, we still have to be careful before we find out his whereabouts. What if he has not left city n and has been lurking around us instead of being discovered? Then, this person is really too dangerous!”

Yu Yuehan narrowed his eyes, and a cold and ruthless glint was reflected in his eyes.

Others might not be very clear about this, but he had gotten someone to investigate the matter of Du Li from Mo Kun.

Just like Mo Yongheng and Tan Bengbeng, Du Li was also a secret guard.

Such a person had an obvious characteristic — they were extremely good at disguising and concealing their whereabouts.

They were the ones who would act as they pleased.

Back when Tan Bengbeng had stayed in the hospital to be a doctor, even he had not noticed it.

Not to mention Mo Yongheng, who had stayed by the side of the Mo family head and managed the MO Corporation on behalf of the Old Mo family.

If not for the fact that everyone was being honest with each other now, who would have thought of the true identity of the siblings?

With such an analysis, the degree of danger du Li posed was far beyond their imagination!

“Let’s go.”

Yu Yuehan narrowed his eyes and held Nian Xiaomu’s hand as they walked toward the hotel parking lot.

Yu Yuehan’s goal was to get Xiao Liuliu to help him appease Old Master Mo. he did not really want to elope with Nian Xiaomu, so the hotel they were staying at was in the suburbs.

They would arrive at Mo Chengliang’s villa in less than an hour’s drive.

Nian Xiaomu did not know if he had really tired her out, but she felt drowsy as soon as she got into the car.

### **Chapter 1636: Speed Of Life And Death! (2)**

She yawned and closed her eyes to sleep.

“Call me when you arrive.”

She mumbled. Yu Yuehan glanced sideways at her tired face and bent down to fasten her seatbelt. Then, he lowered his head and kissed her on the chin.

His large warm hand was placed on her flat lower abdomen through the thin fabric of her clothes.

She exhaled like a charm.

“You can sleep so well. Do you have a younger brother?”

Snap

Nian Xiaomu lifted the corner of her eyes and cast a sidelong glance at him. Then, she slapped his hand away forcefully and growled.

“What younger brother? I didn’t sleep at all because of what you did to Me Last Night!”

Nian Xiaomu was so sleepy that she could barely open her eyes. She did not even have the strength to bicker with him. After glaring at him, she hugged her stomach and fell asleep instantly.

In her dream, she really dreamt that she had a younger brother.

Her stomach was so big that it looked like it was about to give birth.

Yu Yuehan sat next to her and asked her carefully about her meals, drinks, and fruits. She would do whatever she wanted to do, regardless of how hard she worked.

She really could not put down that handsome face even in her dreams.

With one hand holding her stomach, she caressed his face with the other and asked him if he wanted to listen to the movements of the fetus.

In the end, he ignored her and even grabbed her hand to make her swear that they would never give birth to another child after giving birth to this one.

He had been a monk for more than half a year and was only one wooden fish away from becoming a monk..

Before she could laugh at him, Xiao Liuliu realized that someone was looking down on her younger brother and had already run up to her.

She touched her stomach and reprimanded Yu Yuehan.

“Xiao Liuliu, don’t Love Daddi Anymore!”

Her delicate and pretty face forced a serious expression, causing the people around her to burst into laughter..

It was a scene so blissful that one could even feel that they were dreaming in their dreams.

“Birth younger brother...”

Nian Xiaomu’s eyes were tightly shut, and her eyebrows were curved. Even in her sleep, she could not help but raise the corners of her mouth.

She mumbled softly.

Just as she finished speaking, the car suddenly jolted.

She woke up from her dream and turned around to look at her surroundings in a daze.

“What happened?”

Their car was driving steadily on the road, and there was a slope in front of them. At this time, Yu Yuehan should have slowed down. Why did she feel that the car was moving a little too fast?

She turned her head to look at Yu Yuehan and realized that his expression did not look right.

When she realized that she had woken up, she did not care about her immediately. Instead, she kept staring at the dashboard of the car.

“The brakes of the car seem to have been tampered with. When the car sped up, it was very fast, but there was no reaction at all when you stepped on the brakes,” Yu Yuehan said calmly.

He turned his head and took a glance at Nian Xiaomu.

Nian Xiaomu did not understand what kind of message he was trying to convey from his gaze, but she could see the road ahead.

If they were to drive down such a steep slope at high speed, the car would definitely fly out!

“It’s Du Li. It seems like we have underestimated him. He has not left City N at all. He is right beside us!” Nian Xiaomu’s expression changed abruptly. A pair of sinister eyes seemed to have appeared before her eyes, just like a devil in the dark night.., a pair of green eyes stared at her without blinking.

It made all the hair on her body stand on end. Both of her hands gripped the seatbelt tightly.

Some unfamiliar yet familiar scenes flashed past her eyes.

It was as if a pair of eyes like this had also been staring at her in the raging flames a few years ago.

Cold, bloodthirsty, terrifying..

No, she was different from before. She was not alone now. She still had Yu Yuehan!

Nian Xiaomu forced herself to calm down. Taking a deep breath, she looked at the car that was getting closer and closer to the steep slope and spoke in a deep voice.

### **Chapter 1637: Speed Of Life And Death! (3)**

“We must jump out of the car immediately!”

There wasn’t much time left for them to hesitate. If they did not jump out of the car now, they would be in danger if they were trapped in the car when the car flew down from the steep slope later on!

At the current speed of the car, even though it was dangerous to jump out of the car, at the very least, the chances of them surviving were much higher.

Nian Xiaomu thought that the idea that she had thought of was the safest one.

However, Yu Yuehan pursed his lips and did not speak.

His sharp black eyes swept across the surroundings.

"I am not sure if du Li has only calculated the route that we are going to take and tampered with our car, or if someone else is also guarding here."

If it was just a problem with the car, jumping out of the car was the best choice.

However, if du Li was also nearby..

If they jumped out of the car together, it would be equivalent to jumping into the Tiger's den together.

Furthermore, with the current speed of the car, if they suddenly jumped out of the car, they would be severely injured even if they did not die.

He could avoid injuries to the greatest extent possible, but with Nian Xiaomu's skills, he was afraid that she would not be able to do so.

He had to make a decision.

Yu Yuehan narrowed his eyes. Suddenly, he turned his head around and grabbed the back of Nian Xiaomu's head. Then, he opened his thin lips slightly.

"Do you see the road guardrail in front of you? I will drive the car over in a while and drive past the guardrail to slow down the speed of the car. You must seize the opportunity to open the car door and jump out of the car immediately. Do you understand?"

/ please keep reading on MYBOXNOVEL(dOt)COM.

"..."

Nian xiaomu nodded her head, indicating that she understood what he meant.

However, she suddenly realized something in the next second.

"What About You? If the car wants to drive past the guardrail, the car door on your side won't be able to open. What will you do?"

"..."

"Do you want me to jump out of the car alone and drive the car down the steep slope by myself? I don't agree! If you want to go down, let's go down together!" Nian Xiaomu guessed what he was thinking and said without thinking.

She had just dreamt of the happy scene of the four of them. The Yu Yuehan in her dream was so real and gentle.

When she woke up from her sleep, she did not even have the time to tell him that she had dreamt that they had a younger brother and that he wanted to separate her from him.

She would never agree to that!

"Nian Xiaomu, be more rational. If the two of you want to jump out of the car together, there is no time at all. Get off first. I will drive the car to the other side of the guardrail in the shortest amount of time and make myself jump out of the car! Believe me, I will not let anything happen to me."

Yu Yuehan held the back of her head tightly and kissed her forehead.

They were both very rational people and had a thorough analysis of the situation in front of them.

Hugging each other would only put both of them in danger.

She would be able to escape safely first. With his abilities, it would be much easier for him to survive.

However, Nian Xiaomu was still afraid.

The car was driving at such a fast speed. If he did not manage to drive the car to the guardrail on the other side in time, he would have already driven down the slope..

“Nian Xiaomu, think about Xiao Liuliu. She is only three years old. What will she do if we all die here? Don’t hesitate anymore and listen to me!” Yu Yuehan narrowed his eyes, as he looked at the guardrail that was getting closer and closer to the car, he let go of the hand that was holding the back of her head.

Both of his hands gripped the steering wheel forcefully.

“Yu Yuehan!”

Nian Xiaomu’s eyes were red as she held onto his hand tightly.

“I believe in you and I am obedient. However, you have to promise me that everything will be fine. If you dare to die, I will definitely not shed a single tear for you. I will immediately bring Xiao Liuliu to marry fan you and let your daughter Call Fan Yu Daddy. You will die of anger!”

Yu Yuehan:”...”

#### **Chapter 1638: Speed Of Life And Death! (4)**

Yu Yuehan used the tip of his tongue to press against his upper jaw. He felt that he was so angry that he was about to spit out blood.

However, when he met her red eyes, his voice became gentle even though he was so afraid that his face had turned pale. He opened his thin lips slightly and enunciated each word clearly.

“Alright, I Promise You.”

Yu Yuehan stared at her greedily for a few seconds before the corners of his mouth curled up into a doting smile.

“Nian Xiaomu, I love you!”

As soon as he said his heartfelt confession, he covered his mouth with one hand.

Nian Xiaomu’s face was dark and her eyes were red as she sobbed.

“Don’t tell me this now. It sounds like your last words. We still have a long time to live together in the future. When we are safe, tell me a hundred times that you love me every day from now on!”

“D \* mn Du Li. If he wants to die, he should have said it earlier. If I am not dead today, I will not be polite with him tomorrow. I will have the entire Mo family go out and search the place thoroughly. I will dig him up even if it takes three feet to dig him up!”

“I just dreamed that I am pregnant with my little brother. Oh No, if my little brother is really in my stomach now, what will happen to my little brother when I jump out of the carriage later?”

“The heavens and the earth are in heaven and the Earth are in spirit. The Jade Emperor, the Great Emperor, the Grand Supreme, and the Old Lord are all gods and Immortals. The fairies have always been honest and kind-hearted. They have never done anything bad ever since they were young. Please protect us...”

“...”

Like a little old lady, Nian Xiaomu begged all the gods and Buddhas.

In the end, she turned to look at Yu Yuehan.

Holding back her tears, she just looked at him and did not say anything.

Yu Yuehan knew that she kept on talking so that he would not cry.

She was always like this. Whenever she was nervous or sad, she would talk too much.

She tried her best to be funny, but it was just to hide the fact that she was about to break down.

He knew it, he knew it all.

“Nian Xiaomu, wait for me.”

After a thousand words, Yu Yuehan only said this one sentence.

As the car approached the steep slope, a guardrail appeared at the intersection of the road and the road.

However, the distance between them and the road was very short, so they had to seize the opportunity!

Yu Yuehan turned the steering wheel and drove straight toward the guardrail.

At the same time, he reminded Nian Xiaomu.

“Undo your seatbelt and hold on to the car door tightly. Don’t hesitate when you jump out of the car and protect yourself!”

“...”

Nian xiaomu bit her lip and used all her strength to rub her lips.

As she looked at his well-defined side profile, tears uncontrollably rolled down from her eyes. She was so upset that she could not speak, but she still followed his instructions and completed all of her actions.

She could not let him worry.

She could not be a burden to him either.

He said that he wanted her to believe in him, and she believed him!

If they were to live together, she would accompany him even if he were to really die.

It was just a little earlier and a little later. She was not afraid.

As she thought of this, Nian Xiaomu gradually calmed down. She gripped the car door tightly with both her hands so that the impact of the car crashing into the guardrail would not knock her out.

Bang

One side of the car hit the guardrail and drove past it.

The speed of the car was forcefully slowed down.

It was at this moment!

“...”

Nian xiaomu bit her lips tightly. As she looked at the person who was right in front of her, she felt a sense of fear that letting go would be the end of her.

She hesitated, she was afraid, she could not bear to part with him..

Yu Yuehan seemed to have sensed her emotions. Turning his head to look at her, he shouted loudly, “Nian xiaomu, don’t hesitate, Jump!”

“Yu Yuehan, if you dare to die, I won’t care about anything else. I will definitely look for you in the netherworld. Just you wait!”

After Nian Xiaomu finished shouting, she pushed open the car door without any hesitation. Hugging her head with both hands, she jumped out of the car!

### **Chapter 1639: Speed Of Life And Death! (5)**

The speed of the car was not considered too fast, so she rolled twice on the ground before stopping.

She did not care about the injuries and abrasions on her body. She gritted her teeth and quickly got up from the ground. She wanted Yu Yuehan to jump out of the front passenger seat as well, but the car had already reached the end of the railing on the level ground..

It was too fast, and there was no time at all.

Yu Yuehan was only lying to her.

At such a speed, it was only possible for one person to jump out of the car.

The other person would definitely stay in the car and follow the car down the steep slope..

No! He could not go down!

Nian Xiaomu pressed down on her arm, which was in so much pain that she had lost consciousness, and ran forward a few steps.

As she looked at Yu Yuehan, who had not jumped out of the car all this while, her heart felt as if it had been pinched by a huge hand in an instant. Her eyes were so red that they looked as if they were about to burst.

“Yu Yuehan!”

Following her heart-wrenching roar, the sports car in front of her rushed down the steep slope. It was as if the roller coaster had arrived at the most exciting part.

The speed increased to the maximum in an instant along with the slope.

The entire car went out of control.

It floated up from the road and was in a weightless state. Before it drove down the steep slope, it had already flown out!

When the car landed on the ground, it rolled a few times before it finally crashed into a huge boulder by the side of the road.

There was a loud “Bang!” and sparks flew in all directions.

“Don’t –”

Nian Xiaomu cried out in despair and staggered to rush down the slope. Just as she reached the steep slope, she heard another loud explosion from the car.

The sky-high flames seemed to have lit up half the sky red.

She stopped in her tracks and stared blankly at the scene before her.

Everything seemed to have disappeared before her eyes.

All that was left was this sea of flames..

It was exactly the same as when her parents died three years ago.

She was supported by Tan Bengbeng and stood at the entrance of the Mo family Villa. She watched helplessly as her parents were burned to death in the fire. She wanted to go back and save them, but she could do nothing.

All she could do was listen to their urging over and over again, telling her to run faster.

Yu Yuehan also told her to run.

He had even promised her that he would not die.

His solemn promise and gentle voice seemed to still linger in her ears..

“Nian Xiaomu, wait for me.”

“Nian Xiaomu, wait for me.”

“Nian Xiaomu, wait for me...”

Why was this voice so familiar?

It was so familiar that it felt like it was a part of her life, but she had forgotten about it.

Had she forgotten about it?

No, she remembered.

It was a day many years ago.

She had just returned from her secret training abroad and was about to officially enter the Mo Corporation.

Her grandfather had organized a grand business reception to welcome her.

She remembered that there was also an exhibition of ethnic handicrafts held at the same time that day.

It was an exhibition that the Mo family held every year.

Because of her return, that year's event was especially grand.

Everyone was waiting for the Mo family's eldest daughter to appear, but she was holding a glass of red wine and hiding in a corner, watching the crowd pass by.

Until she saw a person.

His dark eyes were like a deep pool, reserved and profound.

His outstanding handsome face could be said to be peerless.

His short black hair fluttered in the wind, his white shirt matched with his black suit pants, and he simply wore it, giving off a cold and ascetic feeling.

He was clearly standing in the bustling crowd, but his expression seemed to have isolated the entire world.

He did not gather together like the others, toasting and exchanging drinks.

He held his wine alone and stood quietly in front of those outstanding crafts, looking as beautiful as a painting.

Almost at first glance, she remembered him.

But at that time, she didn't know who he was.

She only felt that he was the same as her, not suitable for grand banquets outside.

It was more suitable to stand in the exhibition hall.

She had already seen all the national handicrafts in the exhibition hall.

There were many excellent works that she recommended to her grandfather for him to display.

The reason why the Mo family would display these handicrafts on a regular basis was to help those unknown craftsmen who had devoted their entire lives to national handicrafts.

It was to give them a good platform so that their works could be seen by more people.

One of Nian Xiaomu's favorite works was the double-sided fan that he was looking at at this moment.

As the ink was spilled, it outlined a beautiful scenery of a mountain village.

There was also a hint of simplicity in the movement of the human figures.

With such a brush stroke, it was as if one could feel the simplicity and beauty of the scene in the painting.

On the back of the fan, there was a picture of a family of three sitting under a ginkgo tree to cool off. A small child was playing and running around his parents' knees..

Next to them was a piece of handicraft that had just been made.

The inheritance of the craftsmanship was silently revealed from the painting.

The production of the fan was also very exquisite. Whether it was the exquisite workmanship of the fan or the painting on the fan, they had deeply moved her.

However, she did not expect that the strange man she had suddenly met would like the same work as her.

He had been standing in front of the double-sided fan booth with a wine glass in his hand for nearly ten minutes.

He didn't even move his feet.

She didn't know why, but when she looked at him in front of her, she suddenly felt like she was looking at a painting as well.

Then, she couldn't help but find a pencil and a piece of drawing paper. She began to sketch his sketch in front of the person in front of her.

The more she drew, the more she felt that he looked good.

His facial features were distinct, his nose bridge was tall, and when his thin lips were pursed into a line, he looked a little cold and thin.

However, the perfect outline of his face was like the favored child of God. No matter how one looked at it, it was extremely beautiful.

Yes, he was a good-looking little brother.

It was a pity that she didn't know him.

When she finished drawing, she originally wanted to give it to him, but when she really finished drawing, she couldn't bear to give it to him.

Of course, such a good-looking little brother's portrait was for her.

On second thought, he must be tired of looking at her beautiful face in the mirror every day.

If she wanted to send him a different one..

Hence, she kept the sketch that she had just drawn and drew a new one based on her own appearance.

When she raised her head after she had finished drawing, the person who had been standing in front of the booth earlier on had disappeared.

She passed through the crowd with the sketch in her hand. When she was about to look for him, she realized that he had gone to find someone to inquire about it and wanted to pay for that double-sided fan.

How was she going to hook up with the handsome little brother?

At that time, Nian Xiaomu had thought that she had to make a different appearance.

It was definitely impossible for her to be the eldest daughter of the Mo family. She was way too rich and overbearing.

Furthermore, if her identity was revealed, the people around her would definitely be fawning over her. How was she going to properly seduce the little brother?

Therefore, she thought about it and decided to keep a low profile and leave a good impression first.

Hence, she found the person-in-charge of the exhibition hall.

She asked the person-in-charge to tell the little brother that the fan had already been booked in advance.

She was the one who had booked it.

It was fine if the little brother wanted the fan, but he could only talk to her.

It was difficult to deal with the many people in the exhibition hall, so Nian Xiaomu arranged for the venue to be in the courtyard outside the exhibition hall.

The light was a little dim, but it did not affect her appreciation of the little brother's face. As for whether the little brother could see her clearly, that was not important.
