

My Life 1801

### **Chapter 1801: I, Fan Yu's Woman (1)**

Such a simple name shocked fan yu.

If he had not heard wrongly, the meaning behind those two sentences..

A white light flashed in Fan Yu's mind.

It was as if there was something that he should remember, but he could not recall it no matter how hard he tried.

Then, he heard her mutter, "Hateful..."

Fan Yu:"..."

His face instantly darkened.

What was he doing?

Was he overthinking things?

She did not forget to scold him even in her dreams. How could they possibly know each other.

Fan Yu carried Xiao Liulu down from the pillow and placed her under the blanket. After making sure that she would not kick the blanket again, he strolled out of the guest room.

Just as he reached the door, he saw the butler standing guard at the stairs.

Fan Yu walked up and asked, "Have you called the Qiao Family?"

The butler replied respectfully, "I have, but no one picked up. I specially left a message, but no one called to ask. Since Miss Qiao is not going back to spend the night, no one seems to care."

Hearing this, Fan Yu narrowed his eyes and did not say anything else. He walked back to his room.

—

Qiao Yuanfei had always been a very insecure person since she was young.

It was the first time she slept in an unfamiliar place. When the Sun had just risen, she was startled awake.

She turned her head to look at the unfamiliar surroundings and quickly sat up from the bed.

She reached out to touch her forehead. Her fever had already subsided.

In the room, there was no sign of Fan Yu. There was only Xiao Liulu by her side.

The little glutinous rice ball was still sleeping.

However, she did not sleep under the blanket. Instead, she rolled onto the pillow and lay on her stomach like a groundhog, sleeping soundly.

The strange sleeping posture made Qiao Yuanfei slightly stunned. She could not help but smile dotingly. She touched her little face.

Seeing that she was still not awake, she quietly got off the bed and went into the bathroom to wash her face.

After tidying herself up briefly, she walked back to the bed, lowered her head and kissed Xiao Liuliu. Then, she carried her bag and left.

When he went downstairs, the Butler was already waiting downstairs.

When he saw Qiao yuanfei, the butler's gaze was very gentle. There was not a hint of surprise or disdain on his face. He asked very politely, "Miss Qiao, breakfast is ready. Do you want to eat first?"

Qiao yuanfei gripped her bag tightly. "No need, I'm not hungry. I want to go back first."

Fan Yu had slept very late the night before and had not woken up yet. The Butler had no one to ask and could only turn his head to instruct someone to prepare the car.

Qiao yuanfei quickly stopped him. "There's no need to trouble yourself. I can just go outside and hail a cab."

The butler said, "Miss Qiao, it's still too early. It might not be convenient for you to go out and hail a cab. If young master fan finds out that we have been neglecting our guests, he will also be angry."

The butler nodded at Qiao Yuanfei and walked to the chauffeur to arrange a cab to send Qiao yuanfei back.

Qiao Yuanfei did not reject his good intentions.

However, on the way back, she was thinking about what had happened yesterday.

From fan yu donating such a large sum of money to the hospital, to Fan Yu bringing his goddaughter to the Qiao family Villa to visit her..

If she was not still sitting in the fan family's car, she would almost suspect that all of this was an illusion that she had created.

"Miss Qiao, we're here."

The chauffeur parked the car outside the Qiao family's villa.

Qiao yuanfei came back to her senses and quickly said "Thank you" before she pushed the door open and got out.

Just as she steadied herself, a car brushed past her. Suddenly, it came to a sudden stop.

The car door opened and the person who got out was Qiao Yuanchuan.

Qiao Yuanfei was shocked by what he had done just now. When she saw the person in front of her clearly, she furrowed her brows slightly. She did not intend to argue with him and was about to walk in.

**Chapter 1802: I, Fan Yu's Woman (2)**

Qiao Yuanchuan strode forward and stopped her.

"It's so early. Where did you go? Didn't you stay at home last night?"

"It's none of your business." Qiao Yuanfei glanced at him in disgust, pushed his arm away and was about to go in.

Qiao Yuanchuan wasn't willing to let her off so easily. Seeing that she was about to leave, he simply asked the guard to close the door.

Qiao Yuanfei was immediately blocked outside the main door.

She turned her head to look at Qiao Yuanchuan, who had his hands in his pockets and was swaggering towards her.

Qiao Yuanchuan's eyes were filled with vulgarity. He sized her up from head to toe, and his tone was filled with contempt.

"Ever since you were young, you've always been arrogant. Even when I touched your hand, you would complain loudly to my dad. Now, my dad is only recuperating in a different place and isn't at home, yet you dare not go home for the night. You even came back in a luxurious car early in the morning. Qiao Yuanfei, I've really underestimated you!"

Qiao Yuanchuan walked up to her and reached out to pinch Qiao Yuanfei's chin.

Qiao Yuanfei slapped his hand away and took a step back.

This time, Qiao Yuanchuan was completely angered by her.

Qiao Yuanchuan grabbed her shoulders with both hands and pulled her in front of him forcefully. His mouth was still dirty.

"Isn't she just a whore? What Chastity Memorial Arch? "How much money did that man give you just now? I'll give you three times that! "From the looks of it, you must be very experienced. You don't have to pretend to be a pure and beautiful woman in front of me. As long as you serve me well, I guarantee that I won't reveal a single word in front of Father."

"In Your Dreams!" Qiao Yuanfei lifted her foot and stomped on the back of his foot.

The pain caused Qiao Yuanchuan's expression to change. He covered the tip of his foot and roared in anger, "Qiao Yuanfei, you're courting death!"

Qiao Yuanfei also raised her voice, "If you dare to touch a single hair on my head, I'll immediately tell uncle. Don't forget, I'm still the eldest daughter of the Qiao family, your cousin!"

"Ptui!" Qiao Yuanchuan sneered, his tone as mocking as possible.

"Others may not know, but you know very well. You're just a child adopted by my uncle from an unknown background. What kind of cousin are you? "Since our family is willing to adopt you and let you live the life of a rich young lady, you should be grateful and repay me properly. Otherwise, if one day my father dies and you fall into my hands, I will definitely make you wish you were dead!"

“...”

It was fine if Qiao Yuanchuan did not mention her background, but the moment he mentioned her background, Qiao Yuanfei instantly turned into a hedgehog.

She raised her hand and slapped Qiao Yuanchuan's face forcefully.

A bright red palm print appeared on Qiao Yuanchuan's face.

Qiao Yuanchuan was instantly stunned by the slap.

“Don't think that you can do whatever you want just because uncle isn't around. I'm warning you, if you dare to touch a single hair on my head, I'll let you take the fall even if I have to die!”

After Qiao Yuanchuan finished speaking, she did not give Qiao Yuanchuan a chance to react and strode towards the duty room.

She asked the guard to open the door for her.

The guard was shocked by the murderous look in her eyes and hurriedly opened the door.

When Qiao Yuanchuan came back to his senses and was about to come up to Qiao Yuanfei to settle the score, she had already entered her room and locked it.

Qiao Yuanchuan kicked the door a few times and realized that he could not open it. He turned around and went to get the key from the butler.

Qiao Yuanfei was not afraid at all.

The moment she closed the door, she sat on the bed and wrapped herself tightly with the quilt.

She held the quilt tightly with both hands, but she could not resist the chills that came from her heart.

### **Chapter 1803: I, Fan Yu's Woman (3)**

Tears welled up in her eyes and flowed out uncontrollably.

The scenes that flashed past her eyes were all scenes of her parents holding her hands and taking her to play when she was young..

At that time, she was the little princess that everyone envied.

She was the baby that her parents took care of in their hands.

But in one night, everything changed.

Her parents who loved her the most passed away. Her background was revealed. All of her family and friends suddenly stood up and said that she wasn't a child of the Qiao family..

At that moment, her sky had already collapsed.

How many times had she stood on a tall building, thinking of closing her eyes and jumping down, and all of this would be over.

But she didn't.

Qiao yuanfei wiped the tears from her face and got down from the bed. She reached into the drawer and took out a photo frame.

Her fingers touched the photo of the family of three repeatedly.

Her voice was very soft.

“Dad, Mom, don’t worry, it’ll be soon...”

A faint light flashed in Qiao Yuanfei’s eyes.

It flashed by.

Hearing the sound of the door being kicked again, she quickly put the photo frame in her hand into the drawer and stood up from the ground.

Qiao Yuanchuan’s roars could be heard outside the door.

“Qiao Yuanfei, let me tell you, don’t think that you’ll be fine just because you took the spare key to the room. I can call the locksmith to come over and tear this door down right now. Do You Believe Me? !”

“How dare you hit me? If I don’t help you set up the rules today, you won’t even know who I am!”

“Don’t think that you can ride on my head just because you have my father’s support. I’d like to see how you’ll explain it when my father finds out that you’ve spent the night outside with some shady man!”

“B \* TCH, open the door for me!”

“...”

Qiao Yuanchuan’s curses were occasionally accompanied by the butler’s words of persuasion.

However, he could not listen to them at all.

He kept kicking at the door, cursing even harsher words.

Qiao yuanfei ignored all of them and turned around to lie on the bed. She sent a message to her colleagues at the hospital, telling them that she would only be able to go to the hospital later to help.

She was prepared to wait until Qiao Yuanchuan had enough trouble and left the Qiao family’s villa before she went out.

However, just as he put down his phone, he heard Xie Yun’s voice coming from outside.

It was sharp and harsh.

“Chuan ‘er, what’s wrong with your face?”

Qiao Yuanchuan was a man after all. Although he was spoiled by his arrogance, he still cared about his face.

Just now, he was cursing at Qiao Yuanfei and wanted to vent his anger. However, when Xie Yun asked him about it, he did not say anything.

He laughed and was ready to fool her.

When Xie Yun saw his reaction, he turned around and asked the butler.

The Butler did not dare to hide anything.

He explained everything he knew.

When Xie Yun heard that Qiao Yuanfei had hit his precious son, how could he remain calm.

He immediately walked forward and slammed the door hard.

“Qiao Yuanfei, open the door! Don’t think that you can hide in your room like a coward just because you hit someone. If you don’t come out now, I will burn your room down. Let’s see where you can hide, you shameless little hoof!”

“Mom...”Qiao Yuanchuan was probably just trying to get Qiao Yuanfei’s attention. He didn’t expect Xie Yun to come back at this time. In the end, it backfired.

At this time, he wanted to put in a good word for Qiao Yuanfei, but when Xie Yun glared at him, he immediately choked.

Xie Yun was still pounding on the door.

He looked like he wouldn’t stop until the door was smashed.

The next second, the door opened from the inside.

Qiao Yuanfei stood at the door, expressionless looking at the mother and son in front of them.

#### **Chapter 1804: I, Fan Yu’s Woman (4)**

It was not that a family did not enter the same house. This sentence was the most suitable description for the mother and son.

If it was not because she could not leave the Qiao family now, she would not want to stay in the same space with them for a day.

“Auntie, why are you looking for me?”

Qiao Yuanfei asked in a neither servile nor overbearing manner.

Xie Yun looked at her calm appearance and then looked at the palm print on his son’s face. He raised his hand and was about to slap Qiao Yuanfei’s face.

“Pa!”It was a heavy slap.

Following that, Xie Yun’s own scream was heard.

When Qiao Yuanfei was about to hit her, she took a step back. Xie Yun’s slap landed on the door and almost broke her hand.

Her expression changed in a second. Her hands were trembling and tears were streaming down her face.

“Mom, Are You Alright?”Qiao Yuanchuan stepped forward and helped her up.

Qiao Yuanfei's lips curled into a mocking smile. When she met Xie Yun's gaze, she looked as if she wanted to eat her up. She had an innocent look on her face.

"Auntie, my face is still hurting from the slap you gave me the day before yesterday. I just instinctively dodged it. Is your hand okay?"

"You!"

Xie Yun was about to get angry when his wrist felt a wave of pain.

After much difficulty, he finally recovered. He wanted to settle the score with Qiao Yuanfei, but Qiao Yuanfei had already opened her mouth slowly.

"Auntie is an elder, so I naturally have nothing to say if you want to educate me. It's just that you're not curious why I would hit your son?"

Xie Yun insulted her indiscriminately, "What other reason could there be? It's all because you're a slut!"

Qiao Yuanfei had heard this kind of words many times, and her heart was unperturbed. Instead, she deliberately went forward and enunciated each word.

"Auntie was wrong. I'm not the one who's being a slut, it's your son. He just told me that as long as I'm willing to follow him, when uncle dies and he inherits the Qiao family, everyone in the Qiao family will listen to me. Even you have to listen to me..."

"Don't even think about it!" Xie Yun's expression changed drastically.

"How can a slut like you be worthy of my son?"

"Whether you are worthy or not, it's not up to you. If you don't believe me, you can turn around and see how worried your son is about me. If you want to hit me, he will definitely jump out and stop you first."

Qiao Yuanchuan deliberately provoked Xie Yun, and Xie Yun was indeed furious. He raised his hand and was about to slap her.

Although Qiao Yuanchuan was a piece of trash, he had never gotten Qiao Yuanfei. He was still worried about her, so how could he bear to let others hit him in front of her? Without hesitation, he reached out his hand to stop Xie Yun, wanting to help her plead for mercy.

In the end, Xie Yun turned around and slapped her.

"You useless thing. I raised you up, but you're not even as good as a woman from an unknown background. I'll beat you to death today, and let you know how powerful you are!"

Xie Yun was so angry that she chased after Qiao Yuanchuan and beat him up.

"Mom, are you crazy? What does it have to do with me?"

Qiao Yuanchuan took a few hits consecutively, and he turned around and ran away with a dumbfounded look on his face.

Xie Yun was in a fit of anger. How could he believe what she said? He chased after her and beat her up fiercely.

Qiao Yuanfei took a step back and went back to her room without hesitation to change into a set of clothes. She picked up her bag and left.

After a long morning, when she walked out of the front door of the Qiao family's villa, her stomach was already growling with hunger.

Only then did she remember that she had a low fever last night and fell asleep without even eating dinner.

Just as she was about to find a place to eat, her phone in her bag rang.

It was an unfamiliar phone number.

She frowned and picked it up.

Fan Yu's indifferent voice came from the other end of the phone, "Where are you?"

### **Chapter 1805: I, Fan Yu's Woman (5)**

Qiao Yuanfei was stunned. She was a little surprised that fan Yu would call her at this time, but she thought about it. She had left without saying goodbye, so it was normal for him to call and ask.

"I'm at home. I just left the house and was about to go to the hospital."

Qiao yuanfei paused and added.

"My Fever has subsided. Thank you for taking care of me yesterday."

"I'm not the one who's worried about you. It's Xiao Liuliu. She wants to talk to you," fan yu said coldly. Immediately, the other end of the phone went silent.

After a few seconds, Xiao Liuliu's childish voice came from the other end of the phone.

"Aunty, I'm at the hospital with Papa Fan Yu. Papa Fan Yu is very worried about Aunty. He woke Xiao Liuliu up early in the morning and asked her to go out. However, she didn't see Aunty even when she came to the hospital. She's hungry. Papa fan yu even asked Xiao Liuliu to act cute and trick aunty into coming to have breakfast with us..."

Before little six could finish speaking, his voice suddenly stopped.

Immediately after, Fan Yu coughed.

Before Qiao Yuanfei could react to what was happening, she heard fan Yu's voice again.

It was gentle and deep. "Don't listen to Little Six's nonsense. It was she who woke up early in the morning and didn't see you. She insisted that I bring her out. I wasn't worried about you."

Qiao Yuanfei: "..."

If she wasn't worried, then she wasn't worried. There was no need to emphasize it to her over and over again.

She was a girl after all. Couldn't he save some face?

Moreover, he kept emphasizing it. It felt like there was no silver in this place..

Qiao yuanfei reached out and touched her nose. She couldn't answer for a moment.

Fan Yu seemed to have realized that he had said too much. He coughed lightly again and said with his thin lips, "Since we're already here, we can have breakfast together. Hurry up. Xiao Liuliu and I will wait for you at the hospital."

Qiao Yuanfei did not have the chance to speak. He had already hung up.

She came back to her senses and quickly stuffed her phone into her bag. Then, she ran to the roadside to hail a car and rushed to the hospital.

When she was about to arrive at the hospital, she saw an extraordinarily handsome figure standing by the roadside in the distance. In his arms was a delicate little ball of rice.

Xiao Liuliu was sleepy. Her little face was wrinkled and she was yawning.

She turned her head and rubbed against fan Yu's shoulder again.

Her little appearance was extremely cute.

As soon as she got close to them, Qiao Yuanfei hurriedly instructed the driver to pull over. Then, she quickly paid the driver and pushed the door open to get out of the car.

"Auntie!"

Xiao Liuliu had sharp eyes. With one glance, she noticed Qiao Yuanfei getting out of the car. She happily waved her little hand and called out to her.

Without waiting for Qiao Yuanfei to walk to her side, she slid down from fan Yu's body and ran forward.

She threw herself into Qiao Yuanfei's arms and begged for a hug.

"Little Liuliu hasn't seen Aunty since she woke up. Little Liuliu Misses Aunty!"

"I miss you too." Qiao yuanfei hugged her soft and cuddly little body and felt a warmth in her heart.

If there really was an angel in this world, then Little Liuliu must have been sent by an angel.

It was just that this angel would occasionally transform into a little devil.

Like now.

After Qiao Yuanfei kissed her, Xiao Liuliu suddenly pointed at fan yu and said, "Daddy Fan Yu Misses Aunty too. Aunty wants to kiss Daddy Fan Yu?"

Fan Yu:" ..."

Qiao Yuanfei:" ..."

Xiao Liuliu, are you a devil?

"Aren't you hungry? Let's Go Eat Breakfast." Fan Yu walked forward as if nothing had happened. He took Xiao Liuliu from Qiao Yuanfei's arms and walked towards the restaurant near the hospital.

Qiao yuanfei followed closely behind.

Fan Yu was not very familiar with this place, but Qiao Yuanfei often came here. Seeing that he did not speak, she took the initiative to speak up.

### **Chapter 1806: I, Fan Yu's Woman (6)**

"I know a good breakfast shop nearby, but... the quality isn't that high. It's just a 24-hour snack shop. The old master's cooking is very good, so..."

"You lead the way."

Fan Yu turned around to look at her and faintly opened his mouth.

He agreed a little quickly, but Qiao Yuanfei was instead stunned. When she came back to her senses, she hurriedly walked to the front.

When Little Six-six heard that there was delicious food, he quickly slid down from his arms and took the initiative to hold Qiao Yuanfei's hand, walking on his own.

Fan Yu saw that his arms were empty in an instant, and then he looked at the two people in front of him who were holding hands and walking in a row. He furrowed his brows slightly.

Little Traitor.

With beautiful women and food, he forgot about godfather.

Fan Yu's heart was just a little upset, but the little glutinous rice ball seemed to have sensed it. She turned her little head and waved at him.

"Father Fan Yu, come quickly. Little Six-six, take this little hand for you!"

Fan Yu:"..."

A little person!

The three of them walked in a row. The Man was handsome and the girl was pretty. The child they were holding was exquisite and cute, and they turned their heads 100% .

Fan Yu saw little six-six's happy look, and the corner of his mouth held a doting smile.

Qiao yuanfei, on the other hand, was so nervous that her breathing was not smooth. She turned her head several times to look at Fan Yu, trying to make sure that he did not hear what the people around them were talking about.

Everyone seemed to have misunderstood.

They thought that they were a family of three..

Did he not mind?

"Be careful!" Just as Qiao Yuanfei was lost in her thoughts, Fan Yu suddenly leaned towards her and pulled her.

A car drove past.

He frowned.

“You were still lost in your thoughts on the road, how many lives do you have?”

Then, he naturally switched places with her and let her walk to the inner side of the road.

Qiao yuanfei had just said “Thank you” when a series of medium-sized screams sounded behind her.

“Did you guys see that? He’s really handsome!”

“More importantly, he dotes on his wife. Even when he scolds others, he still scolds them so movingly.”

“Why do I feel that he looks so familiar...”

“Handsome guys all look the same. It’s not strange that he looks familiar, it’s just that the one I met today is exceptionally handsome!”

“I like the little sister. This little sister is a little beautiful.”

“The handsome parents, even the children are winning at the starting line. This must be an angel...”

“...”

Qiao yuanfei could not help but turn her head to look at Fan Yu again.

He was wearing a silver-white suit today. This color suited him very well. He was gentle, refined, and handsome beyond compare.

His three-dimensional facial features, no matter which angle one looked at them from, were so handsome that it made people scream.

When he was focused on looking at a person, he could easily make your heart beat faster.

It was as if he was born with a kind of magic that made people unconsciously let down their guard in front of him.

However, she was a little more sober than others. She knew that his gentleness and courtesy were just his courtesy.

In fact, no one should be able to truly enter his heart.

“We’re here. It’s here. The place is a little simple and crude. If you’re not used to it, we can change to another place.” The more Qiao Yuanfei looked at Fan Yu, the more she felt that this roadside snack shop really did not deserve his status.

She secretly complained in her heart that her brain had been screwed by the door just now and she had actually brought him here.

Fan Yu glanced at her but did not say anything. He held Little Six’s hand and pushed the door open to enter.

They found a seat and sat down.

In a normal snack shop, the tables were not big and there were no compartments.

Everyone sat in a row. The small tables were also relatively close to the small tables.

Fan Yu's tall body sat down, and suddenly it seemed that the place was even smaller.

### **Chapter 1807: I, Fan Yu's Woman (7)**

Just as Qiao Yuanfei was about to ask them if they wanted to go somewhere else, Fan Yu had already asked the waiter to bring them the menu.

Xiao Liulu was sitting in his arms, her little finger poking at the snacks on the menu, her eyes shining.

She didn't know the words, but she could see the pictures!

Before fan Yu could ask her what she wanted to eat, she had already poked at several pictures. "This, this, this... and this!"

"..."

Qiao yuanfei looked at Xiao Liulu, who was about to order all the snacks in the shop, in horror. She even forgot what she was going to say just now.

She stared blankly at Fan Yu, who did not object at all and directly placed the order.

She was about to open her mouth to remind him, but fan yu had already looked at her from the side. His thin lips parted slightly. "Are you prepared to stand like this until we finish eating?"

Qiao Yuanfei:"..."

Qiao Yuanfei hurriedly sat down opposite him.

Just as she sat down, Xiao Liulu abandoned fan Yu and sat beside her.

They sat on the same bench.

There were no children's chairs in the snack shop. Qiao Yuanfei was afraid that she wouldn't be able to reach them, so she hugged her in her arms and let her sit on her lap.

Qiao yuanfei remembered what she wanted to say just now, so she quickly opened her mouth and said.

"Although the snacks in this shop are very delicious, the boss is a real person and has a lot of food. There are only three of us. Did you order too much just now?"

As Qiao Yuanfei spoke, Fan Yu added two more breakfast packages.

He raised his head to look at her, and the corners of his mouth curled up.

It was rare that he didn't put a cold face on her. Instead, he laughed out loud.

He closed the menu.

"You're thinking too much. Those orders weren't for us. They were only for Xiao Liulu. The other two packages are for you and me. There are only two packages in this shop, and I haven't eaten either of them, so I'll order one each. You can eat whichever you want later. Just give me the other one."

Qiao Yuanfei's eyes widened. "You mean, you just gave Xiao Liuliu..."

Qiao Yuanfei was so shocked that she didn't know what words to use to describe the dozen or so snacks fan yu had just ordered.

After holding it in for a long time, she could only lower her head and look at the little glutinous rice ball sitting in her arms.

Xiao Liuliu's small face and cute appearance made Qiao Yuanfei instantly believe that fan yu doted on her goddaughter too much, so even though she knew that she couldn't finish it, she still gave Xiao Liuliu so many snacks.

Forget it.

In a while, she could also bring some back to the children in the hospital.

Qiao yuanfei thought to herself.

It wasn't until the waiter brought out all the things they had ordered that she realized that she was wrong.

One plate.

Two plates.

Three plates..

..

The snacks in front of her disappeared bit by bit at a visible speed.

In the end, only a small piece of mung bean cake was left. A small glutinous rice ball seemed to have realized that she was being stared at all the time. Its small face turned red, and its big eyes fluttered as it raised its small face to look at her.

The small tongue licked the crumbs at the corner of its mouth embarrassedly and raised the mung bean cake in its hand to ask.

"Auntie, do you want to eat it?"

"... No, I don't want to eat it." As soon as Qiao Yuanfei finished speaking, Xiao Liuliu had already happily put the small piece of mung bean cake into her mouth, chewed it, and swallowed it.

She patted her round little belly in satisfaction and smiled with her eyes curved.

"Xiao Liuliu is full!"

Qiao Yuanfei: "... she was dumbfounded.

"Xiao Liuliu is usually so... can she eat?" Qiao yuanfei asked weakly.

Fan Yu said with a half-smile, "When you take care of her for a long time, you will find that she is already very restrained today."

Qiao Yuanfei: "..."

With the interlude of Xiao Liuliu, the awkwardness of this breakfast eased a lot.

### **Chapter 1808: I, Fan Yu's Woman (8)**

Before he left, Fan Yu asked the shopkeeper to pack some snacks suitable for children and brought them to the hospital to visit the children.

Qiao yuanfei stood beside him and saw him holding the menu and communicating with the shopkeeper seriously, asking which snacks were suitable for sick children. Her heart warmed slightly.

When she finally left the snack shop, the person carrying the snacks became Xiao Liuliu.

Not only did the little glutinous rice ball eat a lot, it also had a lot of strength.

Carrying a few bags of snacks, she happily ran forward with her short legs.

"Xiao Liuliu, slow down. Be careful not to fall." Qiao Yuanfei was worried and chased after her, wanting to help her carry the bags.

Xiao Liuliu refused to let her go and said seriously, "I can do it myself. Mama said that if I eat too much, I have to work. Otherwise, I will become a Big Fat Man."

She smiled as she carried the bag and continued to run forward.

Qiao Yuanfei: "..."

Qiao yuanfei: "Xiao Liuliu's mother..."

"Don't worry, Xiao Liuliu is not abused. Her mother loves her very much. It's just that... you will understand in the future." Fan Yu did not know how to explain it. Xiao Liuliu had a mother who liked to keep good-looking little brothers.

Such a mother who liked to keep good-looking little brothers seemed to have raised Xiao Liuliu to be better than them.

"..."

Qiao yuanfei followed them with a blank look on her face.

After arriving at the hospital, Fan Yu first brought Xiao Liuliu to visit the children in the hospital. Then, he separated from Qiao Yuanfei and went to the ward to visit Shangxin and Little Tang Bao.

Shangxin had given birth naturally and could actually be discharged from the hospital very early. However, she was worried about little tang bao giving birth prematurely, so she stayed in the hospital to observe him for a period of time.

When fan Yu brought Xiao Liuliu into the ward, Tang Yuansi was helping her pack up her things and preparing to be discharged.

"Aunt Shangxin, has little brother grown up? Can he be brought home to be raised by Xiao Liuliu?"

Xiao Liuliu darted forward and tugged at the corner of Shangxin's shirt as she asked.

She spoke again without waiting for Shangxin's reply.

"I promised aunt pretty that I would let her visit Fan Yu's Daddy's house to look after little brother when I can take care of him."

"Auntie Pretty?" Shangxin was stunned and looked at Xiao Liuliu in confusion.

She did not seem to understand when she had another auntie.

Fan Yu had just picked up little tang Bao when he heard that something was wrong with Xiao Liuliu's words. He was about to cover her mouth when it was already too late.

The little glutinous rice ball seemed to know what he was going to do. She moved her small body to the side of the crib and immediately poured out beans. She told Shangxin everything that had happened in the past few days.

"Daddy Fan Yu bullied Aunt Pretty, but aunt pretty wasn't angry. However, a fierce villain hit Aunt Pretty, and aunt got angry."

"Aunt was even sick. Daddy Fan Yu obviously wanted to visit aunt, but he pretended not to. He tricked Little Liuliu into making a phone call."

"We tricked aunt pretty into going home yesterday! We even slept together..."

"..."

Shangxin's expression was as though she had been struck by lightning.

This information was too much for her to digest.

Just as she was about to ask how she slept, a large hand had already covered Xiao Liuliu's mouth tightly.

Fan Yu's brows were tightly knitted together, and there was a complicated expression on his handsome face.

When he met Tang Yuansi and Shangxin's gossipy eyes, he opened his mouth and wanted to explain something, but he felt that there was no way to do so. In the end, he could only say one sentence.

"I met that woman at the entrance of your ward. Her goal is to ask Qi Yan for help."

### **Chapter 1809: I, Fan Yu's Woman (9)**

"Then how did they find you? They even went back to the villa with you. Could it be that you suspected that she was a bad person, so you started to..." Shangxin had a gossipy look on her face.

Tang Yuansi could not take it anymore and covered her mouth with his hand.

He asked directly.

"Qi Yan has already brought Tan Bengbeng out of the country for their honeymoon. Did you not tell her?"

“She wouldn’t believe me even if I told her.” Fan Yu’s eyes flashed as he seemed to have thought of something, he continued, “I didn’t have a good impression of her in the beginning. Later on, I realized that she wasn’t as bad as I thought. In addition, Xiao Liuliu likes her very much. That’s why I took the opportunity to visit her when I came to the hospital.”

What he meant was that he had nothing to do with Qiao Yuanfei.

The reason why he brought her back to the villa and had dinner with her was all because of Xiao Liuliu.

Tang Yuansi and Shangxin looked at each other and both of them fell silent.

Fan Yu continued to hug Little Tang Bao and tease him.

Little Tang Bao leaned lazily against his arm. He blinked his big eyes and glanced at him. His eyes remained slanted as if he was looking for Xiao Liuliu’s figure.

However, Xiao Liuliu could not be bothered with him at this moment. She kept following behind Shangxin and sabotaged fan Yu.

“Father Fan Yu is not being honest at all. He clearly likes pretty sister just like Xiao Liuliu. Yesterday, he kept touching pretty sister’s forehead. Now, he’s saying that he doesn’t like her anymore.”

“I also heard that he asked the Butler Grandpa to buy medicine for pretty sister. He said that it’s better to be prepared... Auntie, what does he mean by ‘better to be prepared?’”

“Actually, it’s not important. When Xiao Liuliu slept last night, she did not sleep very well. In the middle of the night, she saw Father Fan Yu sneaking into the room. He stood by the bed and sneakily touched pretty sister... Oh!”

Once again, Xiao Liuliu’s mouth was successfully covered by Fan Yu.

This time, it wasn’t just Shangxin. Tang Yuansi also looked at him in shock.

“Brother, I didn’t know that you were so free-spirited.”

Fan Yu:” ...”

Fan Yu: “Qiao Yuanfei had a fever, so I worked overtime very late. I was worried that Xiao Liuliu would be alone with her, so I went to the guest room to take a look. It’s not what Xiao Liuliu meant.”

Tang Yuansi replied, “An explanation is just a cover-up.”

Shangxin replied, “There is such a thing as a cover-up.”

Fan Yu:” ...”

Forget it, let them think whatever they want.

He gave up on struggling.

Shangxin wanted to be discharged from the hospital, and Tang Yuansi wanted to help her carry her son. Hence, the position of the chauffeur naturally fell to Fan Yu.

Along the way, the two of them took advantage of the fact that fan Yu was driving and did not have the time to pay attention to what they were doing to send Yu Yuehan and Nian Xiaomu a message.

Tang Yuansi had found Yu Yuehan first.

Tang Yuansi: [ give me a new sports car under the Yu Corporation and I will sell it to you as a piece of great news. After you hear this, you will definitely experience the true sweetness of your honeymoon trip. Lying is like lying to a puppy. ]

Yu Yuehan replied very quickly.

[ it is illegal to act as a proxy for illegal drugs. Has the Tang corporation fallen to such a State? Pitiful/pitiful/Pitiful ]

Three emojis were sent consecutively.

Tang Yuansi: [ ... ] get lost!

Tang Yuansi: [ you can still continue to be brothers if you speak properly! I'm telling you, Fan Yu gave up Nian Xiaomu and fell in love with someone else. Do you dare to believe me? ]

This time, Yu Yuehan was silent.

He did not know what he was doing.

After about three minutes.

Tang Yuansi only received another reply from him.

Yu Yuehan: [ are you talking about Qiao Yuanfei? She met Fan Yu at the hospital. She even slept at his house yesterday. ]

Tang Yuansi: [ ? ? ? How did you know? ]

Yu Yuehan: [ I have already promised Xiao Liulu that if she can help fan yu find a girlfriend, I will give your son to her to raise. ]

### **Chapter 1810: I, Fan Yu's Woman (10)**

Tang Yuansi: [ sorry to disturb you, did I see Something Wrong Just Now? That's my son! ! ! I want two new sports cars, no haggling! ]

Yu Yuehan: [ ... I choose to change people. ]

Tang Yuansi: [ Sorry, I take back what I said just now, and I can consider giving you a sports car at my own expense. ]

Yu Yuehan: [ two cars, no bargaining. ]

Tang Yuansi: [ ... ]

Shangxin's style was completely different from Nian Xiaomu's.

Shangxin: [ there's a situation. Xiao Liuliu's true and reliable confession. Fan Yu spent a good night with a young and beautiful woman last night! Congratulations! ]

Nian Xiaomu: [ I was wondering why that big-tailed wolf suddenly pounced on me and kissed me excitedly for three minutes just now. So it was because of this. ]

Shangxin: [ ... ]

Nian Xiaomu: [ fan yu is a little slow to warm up. Back then, I was focused on keeping him as my mistress, but he had always doted on me like I was his younger sister, causing me to be unable to do anything about it. In the end, we separated with regret... Don't you think that we should add fuel to the fire for him? ]? He would probably not be able to hold hands with his daughter-in-law until next year! ]

Shangxin: [ this is a little too much information. Brother Xiaosi just cried and told me that young master Han had lied to him about the two sports cars and wanted me to use this screenshot to threaten you to return it. ]

Nian Xiaomu: [ ... ]

Fan Yu, who was "Cared for" by everyone, drove the car with a cold expression on his face.

All the way until they arrived at the Tang family villa, he did not realize that a series of "Black" deals had been formed around him without him knowing.

Before he got off the car.

Tang yuansi patted his shoulder. Apart from thanking fan yu for sending them back, he even spoke with a sincere tone.

"Brother, for the sake of everyone's happiness, make your move when it's time! Don't Dawdle too much when you're young and in love. Life is too short!"

Fan Yu:"..."

Tang yuansi and Shangxin returned to the Tang family villa. Fan Yu still had to deal with the work of the company and could not stay any longer. Thus, he brought Xiao Liuliu to the company.

Xiao Liuliu felt sleepy after eating her fill and fell asleep while lying on the sofa.

Fan Yu had a meeting Midway. He carried her to his lounge and asked his secretary to stay behind to take care of her.

The meeting lasted for a few hours.

When Fan Yu walked out of the meeting room, he was in a hurry to go back and check if Xiao Liuliu had woken up. His assistant had already rushed forward and reported in a low voice.

"President fan, the eldest young master of the Qiao family is here. He said that he brought someone to see you and asked if you have the time."

"Who are you talking about?" Fan Yu stopped in his tracks.

He turned his head to look at his assistant.

Because of Qiao Yuanfei, he had inexplicably become a little more concerned about the matters of the Qiao family.

Even he himself did not notice it.

The assistant quickly reported, "The eldest young master of the Qiao family, Qiao Yuanchuan. He was the one who represented the Qiao family to renew the contract and discuss the collaboration. You had just entered the meeting room when he came. He waited for a full few hours and even brought someone with him. He said that he had specially brought someone to see you."

As the two of them were talking, the meeting secretary happened to bring the meeting minutes over to Fan Yu.

Fan Yu casually flipped through two pages. As he walked forward, he was guessing if the person who followed Qiao Yuanchuan over was Qiao Yuanfei.

It shouldn't be.

When he left the hospital, he heard her tell Xiao Liuliu that she was on leave today and would stay in the hospital to take care of those children for the entire day.

Then there was no need to see her.

Fan Yu closed the meeting minutes in his hand and said faintly, "Tell him that I don't have time today."

As soon as fan Yu finished speaking, he pushed open the office door and walked straight to the lounge.
