

My Life 1811

Chapter 1811: I, Fan Yu's Woman (11)

His meeting today was a little long. The little glutinous rice ball had probably woken up long ago.

She was afraid that she would get angry if she couldn't wait for him.

Fan Yu was already thinking about how to coax her, but when he entered the lounge, he found that it was empty.

Not only was Xiao Liulu missing, but the secretary who was taking care of her was also missing.

Fan Yu turned around and walked out.

After coming out of the lounge, he searched the office area outside again.

"Where is she?"

"President fan, don't be anxious. There is a secretary following the young miss. She will be fine. I will make a call and ask!" The assistant quickly took out his phone to make a call.

He asked very quickly.

"Not long after the meeting started, the young miss woke up. She refused to stay in the office no matter what. She insisted on having the secretary send her to the hospital. She said that she was going to look for her pretty sister and her playmates in the hospital."

"..."

Fan Yu heaved a sigh of relief when he heard that she was fine and that she was only going to look for Qiao Yuanfei.

He stretched out his hand and tugged at his tie. He turned around and walked over to his desk to sit down.

"She's still there?"

"Yes, the young miss is having a great time with the children that the hospital has taken in. She's not willing to come back for the time being," the assistant reported respectfully.

Fan Yu's face, which had just eased up, turned dark again.

It had only been a few days?

Xiao Liulu had stopped sticking to him. She only thought about Qiao Yuanfei all day long. Those who didn't know better would think that they were mother and daughter.

Fan Yu's long fingers tapped on the table. He reached out for his phone, stared at a number on the phone for a while, and dialed the number.

When Qiao Yuanfei picked up the phone, her voice was still a little muddled.

After hesitating for a second, she asked, "Fan Yu?"

Fan Yu: "... she didn't save his number?"

Fan Yu coughed.

It was definitely her..., qiao yuanfei quickly continued, "Xiao Liuliu is with me. I heard from your secretary that you want Xiao Liuliu to go back, but Xiao Liuliu refused. I just told her that she was willing to let me send her back. Please wait for a while. We have already left the hospital. It Won't be long before we reach the Fan Corporation."

Qiao Yuanfei had finished what he wanted to say.

Fan Yu could only listen to her quietly and then hang up the phone.

After sitting for a while, he felt a little impatient. Reaching Out, he picked up his suit jacket at the side and walked out of the office.

He was prepared to bring Xiao Liuliu home after Qiao Yuanfei sent Xiao Liuliu over.

Although Yu Yuehan and Nian Xiaomu had left Xiao Liuliu with him, they were not completely unconcerned. He had promised to let Xiao Liuliu video chat with them tonight.

It would be better if they went back earlier.

When fan Yu thought of this, he became much calmer.

It was only when he calmed down that he realized that his earlier emotions had been influenced by Qiao Yuanfei.

Although he did not want to admit it, the longer he interacted with Qiao yuanfei, the greater the change in his impression of her.

He had even started to hesitate whether or not he should help her contact Qi Yan. This was not a good omen..

Fan Yu sensed what he was thinking and a complicated expression flashed across his eyes.

Before he could figure out what he was thinking about, an exclamation suddenly came from the corridor.

Following that, a figure rushed in front of him.

"Director fan, it's me, Qiao Yuanchuan. We've met before. I'm now the person-in-charge of the Qiao family's business. I've just asked someone to report that the person who wants to see you is me!"

"..."

Fan Yu frowned, a hint of impatience flashed across his eyes.

He raised his head and glanced at the person standing in front of him. His gaze caught sight of a woman hiding behind Qiao Yuanchuan, and the corners of his mouth curled up.

Chapter 1812: I, Fan Yu's Woman (12)

Just as he thought that Qiao Yuanfei was trying to be mysterious and was about to expose her, Qiao Yuanchuan happened to notice his gaze. He stood to the side, revealing the person behind him.

At the same time, he introduced her proudly.

“President fan, the last time you asked about my sister, I’ve been thinking about introducing you two whenever I have the chance. This is my sister, Qiao Yuanxi. Not only is she beautiful, she’s also versatile. My mother has put in a lot of effort to groom her since she was young. She can play music, go, calligraphy, and painting easily! “I just finished my overseas classes and returned to China. I brought her here as soon as I got off the plane.”

As Qiao Yuanchuan spoke, he pulled Qiao Yuanxi, who was standing behind him, forward and pushed her in front of Fan Yu.

Fan Yu did not notice that Fan Yu’s face instantly turned cold when he saw that the person in front of him was not Qiao Yuanfei.

Qiao Yuanxi was indeed quite good-looking.

Her facial features were not as good as Qiao Yuanfei’s, but she exuded confidence and a youthful aura.

She would be the type that many men would like.

“Hello, President fan. My name is Qiao Yuanxi. Please advise me.”

A second ago, Qiao Yuanxi was still very shy and prideful. After she saw Fan Yu’s face clearly, although her face was still red, she could not wait to take the initiative to greet him.

She had never expected that young master fan, who was famous in the business world and had never met her before, would actually notice her and even ask her own brother about her.

After all, although the fan family did not make a fortune in the country and their influence in city H could not compare to the Yu Corporation, Fan Yu was the only noble young master who was as famous as Yu Yuehan!

He was handsome, gentle, and refined.

Many women wanted to pounce on him the moment he returned to the country.

Back then, she had been studying abroad and had received the news.

All she wished was that she could fly back and see for herself.

She did not expect the surprise to come so suddenly and so quickly!

When Qiao Yuanxi heard that Fan Yu had asked Qiao Yuanchuan about her, she did not hesitate and ended her studies early. She booked the fastest flight and rushed back.

She stared at Fan Yu’s noble face and was really excited and excited.

She pretended to be humble.

“My Brother has doted on me since I was young. He always exaggerates when he talks. I have learned some talents, but I only know a little about music, chess, calligraphy and painting. It’s not worth mentioning. President fan, please don’t take it seriously.”

“I’m not exaggerating. President fan, my sister’s talent show has won many international awards!” Qiao Yuanchuan did not spare any effort to matchmake the two of them.

The rich water should not flow to outsiders’ fields.

If the Qiao family could marry the fan family, then the Qiao family’s status in City H would definitely rise.

He did not have to worry about not managing the company well in the future. His father would not be at ease to hand over the family business to him.

After all, he had fan Yu, such a powerful brother-in-law supporting him. What was there to be afraid of?

“Is there anything else?” Fan Yu glanced at Qiao Yuanxi indifferently, ignoring the hand that she extended. His gaze shifted to Qiao Yuanchuan, his thin lips slightly parted.

His cold tone was distant.

A discerning person could tell at a glance that he was already very impatient.

Qiao Yuanchuan was also stunned.

He did not know what had gone wrong.

Fan Yu had clearly taken the initiative to ask him about his sister the last time. His words and words seemed to be interested in his sister.

Why was his attitude so cold when he saw her in person today..

“Ding –”

Just as Qiao Yuanchuan and Qiao Yuanxi were at a loss, the elevator door to the President’s office opened.

Qiaoyuanfei took Xiao Liuliu’s hand and walked out of the elevator..

Chapter 1813: I, Fan Yu’s Woman (13)

When she raised her head and saw the few people standing at the entrance of the stairs, she was instantly stunned.

Recognizing that the people in front of Fan Yu were Qiao Yuanchuan and Qiao Yuanxi, Qiao Yuanfei’s body instantly stiffened, and her expression also darkened.

Although her surname was Qiao, she did not have a good impression of the Qiao family.

Especially this brother and sister pair, they were extremely similar to Xie Yun.

It was just that she had never known that their relationship with fan Yu was so good..

The moment Qiao Yuanxi returned to the country, he did not even have any news of returning to the Qiao family before he directly came to the fan corporation.

Were they very close?

“Fan Yu’s Daddi!”

Little Six had left fan yu for a few hours, and she still missed him a little.

The moment she saw Fan Yu let go of Qiao Yuanfei’s hand, she ran up to Fan Yu and raised her arm to ask him to hug her.

This scene scared the Qiao siblings.

Qiao Yuanchuan and Qiao Yuanxi had never heard that Fan Yu was married or had a child.

But if it wasn’t for his daughter, why would fan yu allow her to call him ‘Daddy’?

And he even hugged her so intimately..

But that wasn’t the most important thing.

The most important thing was..

“Qiao Yuanfei, why are you here?”The first person to question was Qiao Yuanchuan.

He had just been slapped by Qiao Yuanfei this morning and had been beaten up by his own mother for no apparent reason. He was still fuming with anger.

It was already good enough that he had not gone to Qiao Yuanfei to settle the score, but Qiao Yuanfei still dared to appear in front of him.

If it were not for the fact that this was the fan corporation and in front of Fan Yu, he would have lost his cool long ago.

But now, it was more important to help his own sister marry into the fan family. He would settle the score with Qiao Yuanxi later.

Qiao Yuanxi didn’t expect Qiao Yuanfei to appear at this moment.

It was said that a woman’s intuition was the most accurate.

When Qiao Yuanfei appeared, she felt that Fan Yu’s mood had changed.

He wasn’t as cold and distant as before.

The way he looked at Qiao Yuanxi seemed to be different from the way he looked at her..

The jealousy in Qiao Yuanxi’s eyes flashed past.

He had been like this since he was young.

She was clearly the eldest daughter of the Qiao family, but as long as she appeared at the same time as Qiao Yuanfei, no matter how outstanding her performance was, everyone would always be able to see Qiao yuanfei.

She worked harder than Qiao Yuanfei in every aspect, but she was still inferior to her in every aspect. Now, even the young master fan that she liked, was Qiao yuanfei going to snatch him away from her? Was she still shameless? !

Qiao Yuanxi walked right up to Qiao Yuanfei and glared fiercely at her. Then, he turned his head to look at Fan Yu.

Qiao Yuanxi's voice was incomparably gentle, unlike Qiao Yuanchuan's fear of Qiao Yuanfei.

He took the initiative to explain.

"Young master fan might not know, but this is my cousin, Qiao Yuanfei. My uncle passed away early, so she was the only one left in the family. My father valued the brotherhood between us, so he let her live with us. It's just that... speaking of which, I feel a little regretful. This cousin of mine is actually not a child of our family. I don't know which orphanage she was adopted from, so it has nothing to do with the Qiao family at all! "It's also because of this that my cousin's self-esteem has caused her to be a little stubborn. If there's anything inappropriate with her words, young master fan must not mind."

After Qiao Yuanxi finished speaking, he turned his head and sized up Qiao Yuanfei before asking with a smile.

"Cousin, why are you here? The Fan Corporation is not a place where just anyone can come and go as they please. Could it be that you want to kidnap young master fan's daughter to threaten him?"

Qiao Yuanxi's words were very clever, like a white lotus flower.

Chapter 1814: I, Fan Yu's Woman (14)

Every word sounded like she was speaking up for Qiao yuanfei, but in fact, every word was belittling Qiao yuanfei.

With just a few sentences, Qiao Yuanfei was described as an orphan from an unknown background. She stayed in the Qiao family and didn't know how to behave herself. She liked to do uncouth things to attract men's attention..

Seeing Qiao Yuanfei's dark face, she still moved closer to fan yu as if she was there.

She pleaded pitifully, "Young master fan, please, for the sake of my cousin's pitiful background, even if she did something wrong, don't hold it against her. I'll apologize to you on her behalf first. If you don't mind, I'd like to treat you to a meal."

Qiao Yuanchuan also echoed.

"Yes, yes, yes. President fan, you're a great person and don't hold it against me. Don't hold it against Qiao Yuanfei. Today, I'll be the host and treat you to a meal. Treat it as an apology and Welcome XI XI!"

"There's no need. I mind." Fan Yu glanced at the siblings coldly and opened his mouth mercilessly.

Hearing that, the Qiao siblings were both stunned.

It was said that one should never hit a smiling person.

They had been trying their best to please fan Yu, but Fan Yu did not give them any face at all.

The two of them pushed the blame onto Qiao Yuanfei almost at the same time.

After all, before Qiao Yuanfei appeared, although Fan Yu was not warm to them, he was still polite to them.

They had not come in person, nor had he chased them away. He had even spoken to them.

In the end, when Qiao Yuanfei had arrived, Fan Yu had immediately wanted to send her off.

The Qiao family had a partnership with the fan corporation. If they were really chased out, where would they put their face?

In the end, it was all Qiao Yuanfei's fault!

When Qiao Yuanxi saw Fan Yu's figure disappear at the door, his face instantly darkened.

He walked up to Qiao Yuanfei with murderous intent and raised his hand to slap her.

Qiao yuanfei quickly grabbed her wrist and turned around to give her a slap.

With a 'Pa'sound, Qiao Yuanxi fell onto the wall and covered his face in disbelief. "Qiao Yuanfei, who are you? How dare you hit me?"

"I should be the one asking you this! Do you really think you are something? I Can't fight back as your aunt is an elder, it's more than enough to deal with you! If you dare to touch me again, do you believe that I will smash your face right now? !"

Qiao Yuanxi was so scared that her face turned green as she took a step forward.

She quickly hid behind Qiao Yuanchuan and grabbed his arm.

"Brother, you heard it. She just doesn't like me and still dares to hit me. Why Don't you go up and help me slap her a few times to vent my anger?"

Qiao Yuanchuan had feelings for Qiao Yuanfei. How could he do that?

Qiao yuanchuan said, "Xixi, you too. Speak nicely. Why are you hitting her? If word gets out, it'll be bad for your reputation."

Qiao Yuanxi:"..."

Qiao yuanxi: "Brother, what do you mean by that? You still have feelings for this woman, don't you? I didn't believe it when mom told me, but now it seems like she's really a slut and a scourge! She Can't stay in our house for even a day!"

"..."

"I don't care if you want to support her, but if she dares to block my way, Don't blame me for being impolite!"After Qiao Yuanxi finished her harsh words, the secretary had already walked over to her side and asked her to leave.

Qiao Yuanchuan was no exception.

This was the president's office. Fan Yu had already said that he did not have time and that all the miscellaneous people had to leave.

Although Qiao Yuanchuan and Qiao Yuanxi felt embarrassed, they were the ones who came uninvited today. It was understandable that fan yu did not like them.

Chapter 1815: I, Fan Yu's Woman (15)

Qiao Yuanxi glared arrogantly at the secretary who had sent the message. He walked over to Qiao Yuanfei in his high heels.

He was arrogant.

"Let's go. What are you still standing here for? Don't tell me you think that young master fan will look at you differently after chasing all of us away and let you stay? Stop Dreaming! With your status, you're not even fit to carry young master fan's shoes. Don't even think about climbing onto young master fan's bed!"

Qiao Yuanxi was still certain that Fan Yu had been angered by Qiao yuanfei, so he did not even look at them.

He still did not take the opportunity to ridicule Qiao Yuanfei.

"Whether I'm worthy of carrying fan Yu's shoes or not, it has nothing to do with you. But I can tell you right now that you're definitely not worthy. After all, in a real competition, no matter if it's your face or your breasts, none of them can compare to me. If I Were a man, I wouldn't choose you!"

Qiao Yuanxi's mouth held a mocking smile as she enunciated each word.

When it came to arguing, she had never lost before.

As expected, Qiao Yuanxi was most concerned that she was inferior to Qiao Yuanfei in every way.

When Qiao Yuanfei said this, her expression instantly distorted.

She looked as if she wanted to eat Qiao Yuanfei.

"I'm going to kill you!"

Qiao Yuanxi had just pounced forward when he was grabbed by Qiao Yuanchuan.

"Xixi, calm down. This is the fan corporation. We'll talk about it when we get home. If you blow this up here, Mom and dad will be the first to come after you!"

"..."

Qiao Yuanxi was not afraid of anything. She was only afraid that her parents would cut off her allowance and prevent her from buying things from her sisters.

Moreover, she wanted to leave a good impression on Fan Yu.

After hearing Qiao Yuanchuan's words, she finally regained some rationality.

She stomped her feet.

“Qiao yuanfei, don’t be too pleased with yourself. Even if you beat me by a little, what does it matter? For a big family like the fan family, the most important thing is one’s background. You are an orphan with an unknown background, how can you compare to me?”

Qiao Yuanxi let go of his hand that was covering his face. He swaggered over to Qiao Yuanfei and continued.

“If you’re so capable, you won’t be chased out of the fan corporation like us!”

Before Qiao Yuanxi could finish his sarcastic words, the secretary reminded her to leave as soon as possible.

She immediately turned around impatiently.

“What are you rushing me for? What are you rushing me for? What do you mean by rushing me? You Won’t be rushing her!”

Qiao Yuanxi diverted all the trouble and pointed at Qiao Yuanfei, waiting for the secretary to chase her away.

As long as she did not leave the fan corporation before Qiao yuanfei, she would not lose!

Seeing the secretary look up at Qiao Yuanfei, Qiao Yuanxi was already looking forward to seeing Qiao Yuanfei being chased out.

Who knew that in the next second, the secretary suddenly bowed respectfully to Qiao yuanfei.

“Miss Qiao, you are our distinguished guest. You Don’t have to leave. Young Master Fan is waiting for you in the office.”

Qiao Yuanxi:”...”

Qiao Yuanchuan:”...”

Qiao Yuanxi was just about to make trouble when a few bodyguards came forward and covered her mouth, dragging her out of the fan corporation.

Qiao Yuanchuan looked at the bodyguards who were walking towards him and quickly raised his hands.

“Let’s talk things out nicely. You Don’t have to do anything. I’ll leave on my own!”

The Qiao siblings disappeared.

Qiao Yuanfei stood alone in the corridor, hesitating whether she should go back first or go in to take a look. Xiao Liulu had already poked her little head out from the crack of the door.

After swaying around once and seeing her figure, she immediately pushed the door open and ran out.

She hugged her thighs with both hands.

“Aunt, Father Fan Yu asked me to come out and ask you to go in.”

Chapter 1816: I, Fan Yu’s Woman (16)

Just like that, Qiao Yuanfei was pulled into the president's office by Xiao Liuliu.

Fan Yu was inside.

At this moment, his tall and straight body was sitting in front of his desk.

Against the light, the outline of his face was somewhat blurry, but it seemed more noble and distant.

He crossed his hands and held his chin.

He stared expressionlessly at the computer screen in front of him.

When he heard the sound of footsteps, he did not even raise his head from the computer screen.

Qiao Yuanfei was held by Xiao Liuliu as she approached him step by step. Just as she walked to his side and was about to say something, from the corner of her eye, she suddenly caught a glimpse of the scene on his computer screen that was somewhat familiar.

She was startled. After realizing that it was not her misperception, she took another step forward.

She was almost standing beside Fan Yu.

From this angle, she could clearly see that what was playing on his computer screen was the surveillance video from the corridor just now!

With a click, Fan Yu moved his finger and the screen on the computer screen just happened to stop when Qiao Yuanfei was speaking.

If she remembered correctly.., what she said at that time was, "Whether I am worthy of carrying fan Yu's shoes or not has nothing to do with you. But I can tell you right now that you are definitely not worthy. After all, if you really want to compete, whether it is your face or your breasts, none of them can compare to me. If I were a man, I would not choose you!"

Qiao Yuanfei:"..."

If she could still console herself at the beginning that the surveillance footage was silent, Fan Yu might not be able to understand what she said.

Then, when fan Yu pressed the pause button and then raised his head to look at her chest, she knew that he could read her lips..

Her face was visibly blushing.

Yet, he was making things worse.

With a faint smile, he said, "She's indeed not as good as you."

Qiao Yuanfei:"..."

Qiao yuanfei: "I suddenly remembered that I still have something to do at the hospital. I've sent Xiao Liuliu back. I'll be leaving first."

Qiao yuanfei turned around and was about to run away.

Fan Yu suddenly reached out and grabbed her wrist.

"I have a business meeting tonight. I'm worried that Xiao Liuliu will be at home alone. If it's convenient for you, I'd like you to help take care of her for a few hours."

"Me?" Qiao Yuanfei turned her head in surprise.

Didn't he not believe in her character and always felt that she had ulterior motives?

Why did he suddenly trust her?

"Xiao Liuliu likes you. If it weren't for you coaxing her, she wouldn't have gone to bed obediently. She would have stayed up all night waiting for me." As Fan Yu spoke, he raised his wrist to look at the time.

Qiao Yuanfei had seen Xiao Liuliu Act coquettishly and throw a tantrum before.

She thought for a moment and nodded in agreement. "I'll inform the hospital and get someone to cover for me. Tonight, I'll help you take care of Xiao Liuliu. Take it as a thank you for helping me just now."

Although fan Yu didn't mention the Qiao siblings, Qiao Yuanfei wasn't a fool.

If he didn't have the intention to protect her, she would have been chased out just now as well.

Fan Yu unceremoniously accepted her "Thank you".

He reached out to switch off the computer and stood up from the chair.

With one hand in his pocket, he picked up the car keys on the table with the other hand. "I'll send you back first."

Qiao yuanfei held Xiao Liuliu's hand while Xiao Liuliu held fan Yu's.

When they left the fan corporation, there was a 100% chance that they would turn their heads.

Qiao Yuanfei wanted to let go of his hand several times, but Xiao Liuliu held it very tightly. When he saw that she was about to let go, he would tilt his head and ask her, "Auntie doesn't want to hold Xiao Liuliu's hand. Does she want to hold hands with Father Fan Yu?"

Qiao Yuanfei: "..."

Just as she thought that Fan Yu would remain silent, he suddenly stopped in front of the car door.

"Why don't you leave the Qiao Family?"

Chapter 1817: I, Fan Yu's Woman (17)

"..."

Qiao Yuanfei's body suddenly stiffened. She looked at fan Yu with surprise. She did not expect him to suddenly ask this question.

"With your ability, you can live well even if you leave the Qiao family. Why do you have to stay?" Fan Yu turned to Qiao Yuanfei and opened his thin lips slightly.

He had gotten someone to investigate Qiao Yuanfei. Her major was business management and investment and finance.

It was not a normal course of study. She had put in a lot of hard work.

She had shortened the time by two times compared to normal people. After completing the entire course, she began to practice.

She was once a prominent figure in the most famous financial street overseas. She was known as the most talented trader.

After returning to China, she suddenly seemed to have changed into a different person.

She did not have the heart to work and just took an unimportant position in the Qiao family's business. Then, whenever she had a vacation, she would go to the hospital's shelter to help take care of the children.

When Fan Yu first received her information, he had already been suspicious.

There were only two possibilities for a truly capable person to suddenly have a huge change.

Either she was tired and wanted to change her lifestyle.

Or she was putting on an act to confuse the others.

Fan Yu had never been sure which one Qiao Yuanxi belonged to.

Until just now, when he saw from the surveillance footage that she was arguing with the Qiao siblings... There was hatred in her eyes!

Even though she had concealed it very well and it seemed like she was only fighting back to protect herself because Qiao Yuanxi treated her badly.

However, her every move did not escape his eyes.

Furthermore, his assistant told him that after Qiao Yuanfei returned to the country, all the news related to her on the financial street seemed to have disappeared overnight..

He was even more certain that the reason why Qiao Yuanfei gave up everything to return to the country was not that simple.

"... What do you mean by that?" Qiao Yuanfei's expression froze for a moment.

In just a second, a bitter smile appeared on her lips.

"My parents are dead, and my only family member is my uncle. Although the Qiao family treats me badly except for my uncle, at least I'm not an orphan if I stay in the Qiao family."

"..."

Fan Yu furrowed his brows and looked at her fixedly.

A complicated light flickered in his warm eyes, as if he wanted to see through her eyes and into her heart to see if she was lying.

This was the first time that Qiao Yuanfei felt like her worries had been seen through by a single person. Her eyes subconsciously moved away.

When she raised her head again, Fan Yu no longer looked at her. Instead, he put Xiao Liuliu into the car. He opened the car door for her.

Qiao Yuanfei heaved a sigh of relief. She said "Thank you" and bent down to get into the car.

The moment the car door was about to close, she seemed to have heard him say, "Don't do anything that you'll regret."

It was a very light sentence, so light that Qiao Yuanfei wasn't even sure if she was hallucinating.

When she came back to her senses, he had already closed the car door.

—

Fan Yu sent Qiao Yuanfei and Xiao Liuliu to the villa. He didn't get out of the car and left directly.

In the huge private villa, besides Qiao Yuanfei and Xiao Liuliu, there was only one Butler left.

Although the Butler was older, he was a very good person.

He kept asking Qiao Yuanfei what she needed, and tea and snacks were constantly sent to the living room.

Qiao Yuanfei asked him to rest a few times, but he refused. He just stood by the side and waited on her.

Xiao Liuliu leaned on the sofa and ate the children's biscuits in her hand, she mumbled, "Grandpa Butler is happy. My Father-in-law's family has never had a beautiful aunt. It's almost becoming a Buddhist temple. If the beautiful aunt stays here, Grandpa Butler will be even happier!"

Chapter 1818: I, Fan Yu's Woman (18)

Qiao Yuanfei was dumbfounded.

The butler nodded his head vigorously.

Fan Yu was a well-known gentleman. Regardless of whether it was his business partner or the people around him, he was gentle and courteous.

Even in his own villa, he would never shout and order the servants around.

It would be a pity if such a good person were to be single for the rest of his life..

The Butler hesitated for a second and could not help but speak up.

"Miss Qiao, I know it's a little strange to say this all of a sudden, but my young master is a really good person! "I've been taking care of him for many years. He doesn't smoke or drink, and he doesn't mess around with relationships. Other than his work, he only plays sports and travels, and he especially likes children!"

Qiao Yuanfei:"? ? ? ?"

She was only here to help take care of Xiao Liuliu. Why did she seem to have walked into the wrong venue for the blind date.

When did Fan Yu's market become so bad?

If he was willing to get married, the women who wanted to marry him would probably line up into several streets.

How could she have a chance..

"It's different, Miss Qiao. You're different from the others!" The Butler said emotionally. "Young master fan has never brought a woman back to the villa to spend the night. You're the first!"

She was the first and only woman who could sleep here.

From the Butler's point of view, Fan Yu had been enlightened. How could he not be excited?

"The first..." Qiao Yuanfei was stunned. A look of surprise flashed across her eyes.

A normal man, especially a man with good conditions, at this age, even if he did not get married and have children, he should have been in love several times.

Fan Yu was so well-off, yet he was so clean. Could it be... that he had some hidden illness?

Qiao Yuanfei looked at the butler with a gossipy expression. The Butler did not realize that he was praising her too much.

He kept emphasizing to Qiao yuanfei that Fan Yu was not interested in women and would not look straight at the opposite sex when he attended events.

There were also many women who came to him voluntarily but were thrown out by fan Yu personally..

And so on and so forth.

When she heard the end, Qiao Yuanfei's mouth could not close, and she was so shocked that it turned into an "O" shape.

She really did not dare to continue listening, so she hurriedly told the butler to stop talking.

She reached out and hugged little six, then lowered her voice and asked, "Do you think that I know some extraordinary secret and will be silenced?"

Little Six's little face was dumbfounded."? ? ?"

Fan Yu did not come back during dinner.

Qiao Yuanfei brought Xiao Liuliu to eat by herself.

The Butler was not sure if he was too happy, but he made a table full of dishes and kept urging Qiao yuanfei to treat this place as her home and eat more.

He even complimented fan yu along the way.

Qiao Yuanfei felt a little dizzy listening to him. She kept feeling that something was wrong.

She wanted to explain her relationship with fan Yu to the butler, but every time she opened her mouth, the butler would always interrupt her.

After eating, Qiao Yuanfei felt relieved and hurriedly carried Xiao Liuliu upstairs.

After playing on the balcony for a while, she prepared to bathe her and then coax her to sleep.

Just as she took out her little clothes and wanted to bring Xiao Liuliu into the bathroom, Xiao Liuliu pulled her out.

“Go to Fan Yu’s Daddi’s room to take a shower. It’s big there!”

“...”

Qiao Yuanfei was dragged into Fan Yu’s room in a daze. When she saw the big bathtub in his bathroom, she finally understood what Xiao Liuliu meant.

She drained the water and tested the temperature of the water.

Everything went smoothly.

It wasn’t until Xiao Liuliu entered the bathtub that everything went out of control.

By the time Qiao Yuanfei fished her out of the bathtub like she was fishing for fish, she was half wet.

She didn’t bring any clothes with her, and her clothes were wet. As soon as she felt the wind, she couldn’t help but sneeze.

Xiao Liuliu ran to the wardrobe and took out a fan Yu shirt from inside and handed it to her.

“Auntie can wear this!”

Chapter 1819: I, Fan Yu’s Woman (19)

Qiao Yuanfei: “...”

When she saw that she was holding fan Yu’s shirt in her hand, Qiao Yuanfei was completely stunned.

When she came back to her senses, she hurriedly asked her to put it away.

“Auntie is fine. The clothes are just a little wet, and it will dry in a while... Achoo!” As Qiao Yuanfei spoke, she couldn’t help but sneeze again.

She had really caught a cold.

When Xiao Liuliu was showering, it was too noisy. Not only were her clothes a little wet, but they were also almost wet.

If she slept like this, she would definitely catch a cold.

Her fever had just subsided two days ago. If she wasn’t careful..

“Aunty, do you dislike Papa Fan’s clothes? Then Xiao Liuliu will find you a new one.” Xiao Liuliu pursed her lips, hugged the clothes, turned around, and ran back to the wardrobe.

Her small hands rummaged through the wardrobe and took out a fan Yu shirt.

“Is this considered new?”

“...”

Qiao Yuanfei didn't know how to explain it to her. The problem wasn't that it was new or old, but that fan Yu's clothes couldn't do it.

If he came back later and saw that she was wearing his clothes... she wouldn't be able to explain it even if she had ten mouths.

Moreover, it was also very impolite to wear someone else's clothes without the permission of others.

Qiao Yuanfei thought for a moment, then went into the bathroom to take a towel and wrap it around her body. She then held Xiao Liuliu's hand as they went downstairs to look for the butler.

“Miss Qiao, there are no women's clothes in the villa. I really don't know where to get them for you in such a short time. Otherwise, just like what little miss said, you should wear young master fan's clothes first. They are all new clothes anyway. You should change into them first, then give me your wet clothes. I'll get someone to blow-dry them for you right away. It won't take long before you can change back.”

The Butler had a troubled look on his face as he tried to come up with a plan.

Seeing that Qiao Yuanfei was still hesitating, he spoke again.

“If Miss Qiao is afraid that young master fan will come back and find it awkward, then you can rest assured. Young master fan is attending a very important business banquet today. He has already told us that he will not come back too early. Otherwise, he would not have specially asked you to come over and help take care of young miss.”

Having said that, Qiao Yuanfei insisted on not wearing fan Yu's shirt, which made her appear pretentious.

She could only take one and go upstairs to change.

Qiao Yuanfei was very thin, with fair and slender legs. When she was only wearing a white shirt, even Xiao Liuliu was stunned.

She pointed at her fingers and kept circling around Qiao Yuanfei.

“Auntie is good-looking, Auntie is really good-looking!”

Qiao Yuanfei held her little body that was about to spin and lowered her head to look at the clothes on her body.

Although she knew that this was a new shirt and fan Yu had never worn it before, when she thought that it was his clothes, she felt that something was wrong.

Before she could regret it, Xiao Liuliu had already picked up the clothes that she had changed out of and sent them downstairs to the butler to be dealt with.

Qiao Yuanfei didn't even have the chance to regret it.

It was late at night, and there was no one else in the villa. Only the old and the Young had her.

With Xiao Liulu by her side, Qiao Yuanfei didn't have the time to let her imagination run wild. She hugged her and told her stories for a while. Then she heard Xiao Liulu mumble a lot of gossip. In the end, how did she fall asleep? Even she didn't know..

—

At the main door of the private villa.

A dazzling sports car stopped at the door.

The window of the car rolled down, revealing Fan Yu's handsome face with sharp edges.

The sports car's engine was turned off, and the lights in the car were all dimmed.

His warm eyes faced the moonlight. The sparkling moonlight reflected bits of light in his pupils.

The High Bridge of his nose cast a shadow on his nostrils..

Chapter 1820: I, Fan Yu's Woman (20)

He cast a sidelong glance at the entrance of the villa and placed his arm on the car door. However, he did not push the door open and alight from the car for a long time.

Nian Xiaomu's smiling and angry face, Xiao Liulu's mischievous and mischievous appearance, and... Qiao Yuanfei's unfathomable forbearance flashed past his eyes.

He was not a kind person.

If it were not for Xiao Liulu, he would not have given Qiao Yuanfei the opportunity to get close to him again and again.

In fact, his impression of her up until now was still very complicated.

She was not an absolute bad person, but she had too many secrets.

Fan Yu took out a cigarette from the hidden compartment of the car and lit it up.

He took a deep breath and exhaled.

The white smoke lingered on his handsome face, as if even the night sky had become blurry.

He finished the cigarette.

He put out the cigarette, pushed open the car door and got out, strolling inside.

The Butler was still awake.

Seeing fan Yu return, he hurried forward to welcome him.

"Young master fan, you're back. The hangover tea is ready, and there's Supper..."the Butler was halfway through his words when he smelled the smoke on Fan Yu's body, and he was stunned.

His old eyes looked at fan Yu in shock, as if he suspected that he had smelled wrongly.

He had served young master for many years. His young master rarely smoked, almost never. He would only smoke once in a while when he was in a bad mood or when he was busy with work. Sometimes, he would not even touch a cigarette for half a year.

Why was it that tonight..

The Butler thought of Qiao Yuanfei who had slept upstairs and quickly said.

“The young miss is asleep, but Miss Qiao hasn’t left yet. I went upstairs to take a look just now. The door was closed, and it was very quiet inside. She must have fallen asleep with the young miss.”

“Mm.” Fan Yu’s eyes flashed, but he did not say anything. He took off his coat and handed it to the butler, then turned around and walked upstairs.

When he reached the top of the stairs, his footsteps paused again, and he turned around to look at the butler.

“Did Anything Special Happen Tonight?”

“Young master is saying...” the Butler was a little hesitant.

Fan Yu reached out to take off the watch on his wrist while glancing sideways at the butler.

The Butler immediately felt a chill down his spine and hurriedly said, “Nothing else, but there is one thing that has something to do with Miss Qiao.”

Fan Yu’s expression softened slightly as he raised his eyebrows to signal for the butler to continue.

The butler said, “Miss Qiao accidentally wet her clothes when she helped Miss Qiao take a bath tonight.”

“...” fan yu frowned.

What kind of big deal was this?

He waved his hand and told the butler to go down to rest first before he walked up the stairs himself.

“Young master...” the Butler wanted to say something but hesitated. Fan Yu’s figure had already disappeared at the corner of the stairs.

—

The night was dark.

The huge villa was quiet.

Only the sound of light footsteps could be heard in the corridor.

Fan Yu had both his hands in his pockets. His footsteps were steady. When he pushed open the door of the guest room, he deliberately lowered his movements.

He walked into the room, but there was no one inside.

The empty bed and the cold air reminded him that this place had been empty for at least a night.

Where were Qiao Yuanfei and Xiao Liuliu?

Didn't the butler say that they were asleep..

Fan Yu thought of something and turned around to leave the guest room. He walked towards his own room in the master bedroom.

When he reached the door, he heard a muffled sound coming from the room.

It was as if something had fallen to the ground.

When he thought of Xiao Liuliu's weird sleeping posture and her restless personality, he felt a chill down his spine. Without thinking too much, he pushed the door open and walked in with large strides.

As soon as he walked to the bedside, he was stunned..
