

My Life 1871

Chapter 1871: Young Master Fan, you have changed! (3)

Her fever was not light. It was impossible for her not to take the fever medicine.

Fan Yu pressed on her shoulder and refused to let go.

Qiao yuanfei could not run away. Her body tensed up even more.

Seeing that he insisted on feeding her the medicine, she could not avoid it. She opened her mouth and bit his finger.

“Hiss –”

Fan Yu gasped.

In a daze, Qiao Yuanfei immediately wanted to run for her life. She crawled and rolled away from him.

She rolled all the way to the edge of the bed and wrapped herself tightly with the quilt.

Her elk-like eyes looked at him warily.

“Are you a dog? Why did you bite me if you don’t take the Fever Medicine?” Fan Yu stared at the bite marks on his fingers and gnashed his teeth.

What did she think he wanted to do to her?

She looked at him with such eyes.

“I really AM a dog...” Qiao yuanfei glanced at his fingers guiltily and replied weakly.

“...” Fan Yu was exasperated.

Then, he heard her ask in an even softer voice.

“Are you real?”

Fan Yu: “? ? ?”

“It really isn’t real. I’m too tired...” Qiao yuanfei reached out and touched her forehead as if she couldn’t feel her fever. She ignored fan Yu who was standing beside her bed and hugged the blanket to sleep again.

She covered herself with the blanket obediently and closed her eyes to sleep.

Fan Yu: “...”

Fan Yu’s temples were throbbing all of a sudden.

He almost couldn’t control himself to pick her up and give her a good beating.

However, when he thought that she was still having a fever, he was afraid that she was confused from the fever. He controlled his temper and walked to the other side of the bed.

He pinched her chin and forcefully fed her the medicine.

When he saw that she was about to spit it out, he took a sip of the water and lowered his head to block her lips!

“Oh –”

Qiao yuanfei choked and swallowed the medicine in her mouth.

She stared at the handsome face that was magnified in front of her eyes.

Fan Yu was also a little dazed.

He was angry out of embarrassment and completely did not realize what he had done.

By the time he reacted, her soft cherry lips had already made him not want to think anymore.

Meeting her frightened gaze, he calmly narrowed his eyes and let go of her.

His long fingers caressed his thin lips, and the corners of his lips curled up.

There was no silver in this explanation.

“If you obediently take the medicine, I don’t need to kiss you, so don’t expect me to be responsible for you.”

“... then do you need me to be responsible for you?”Qiao Yuanfei’s brain twitched, and she asked in return.

Fan Yu:” ...”

Did she want to die today?

Qiao Yuanfei did not know what had triggered her throughout the night. Her body was burning hot from the fever, and her entire person had become dull and cute.

Not only was she very silly, she was also a little silly.

At first, she suspected that she had seen fan yu because she was dreaming. Later, when she realized that she was not asleep, she thought that it was an illusion.

Later on, she no longer cared whether it was a dream or an illusion. She turned over from the bed and sat up, and began to cry.

As she cried, she ridiculed him.

“You’re clearly a gentleman, why do you only act like a villain in front of me? You’re bullying me!”

“I know you don’t like me, you’ve always been like this... I know that...”

“You Think I’m not a good person, but do you know that I only want to protect myself and the people I want to protect? I didn’t frame Qiao Yuanxi...”

“...”

Qiao Yuanfei didn't even know what she said at the end of her sentence.

She only remembered that her parents' faces kept flashing before her eyes.

Their loving faces said to her in an incomparably gentle manner.

"Feifei, be obedient. We will always be by your side..." but they were long gone. She remembered that.

Chapter 1872: Young Master Fan, you have changed! (4)

She really wanted to be kind.

She really wanted to repay kindness with resentment.

But she couldn't do it.

The purpose of her return to the country was to find out the cause of death of her parents that year.

She didn't want to deal with Qiao Yuanxi. It was Qiao Yuanxi who wouldn't let her off. She was just returning a tooth for a tooth.

Qiao Yuanfei's mind was still in a daze.

It was as if there was a voice talking to her, but she could not hear what it was saying.

She only felt that fan Yu's face was sometimes clear, sometimes blurry.

Sometimes gentle, sometimes fierce.

In the end, she snuggled into a warm embrace and fell asleep..

"Qiao Yuanfei? Qiao Yuanfei!"

Fan Yu hugged the person in his arms, his gaze complicated.

He lowered his eyes and stared at her harmless sleeping face. He wanted to ask her a few times, but she interrupted him.

So much so that in one night, he repeated the question three times, but he still did not get an answer.

He wished he could shake her awake or throw her into the bathtub to wake her up.

She said that they had known each other since a long time ago?

How long ago?

Why did he have no impression at all.

Fan Yu hugged her with one hand, and with the other hand, he took out his cell phone with difficulty from his pocket and dialed his assistant's number.

He asked his assistant to investigate her in more detail.

Especially the parts where the two of them might have interacted.

After almost an hour, the assistant finally replied.

“Young master fan, you’re thinking too much. You haven’t found anything. Actually, if you want to create the sweetness of a childhood sweetheart, you don’t have to go through so much trouble. Just make up a story...”

Before the assistant could finish his suggestion, he felt the murderous aura from the big boss and quickly hung up the phone.

Fan Yu couldn’t find any clues, so he threw the phone on the bedside table.

He lowered his head to look at Qiao Yuanfei who had taken the fever medicine and snuggled in his arms like a sloth, treating him like a pillow.

He reached out to push her shoulder.

“Qiao Yuanfei, wake up. Tell me what happened before you go to sleep!”

“Buzz Buzz...”

The phone rang.

Fan Yu subconsciously reached out to grab the phone from the bedside table. When he looked closely, it wasn’t his, but Qiao Yuanfei’s.

Fan Yu took a look at the time.

It was already so late, who would still call her?

He glanced at the caller ID and saw the word “Baby” flashing on it. His heart inexplicably trembled.

Out of nowhere, he reached out his hand to pick up the phone for her.

Just as his fingertips were about to touch the phone, a hand suddenly called and knocked the phone away.

Qiao Yuanfei sniffled and rubbed against his chest again, feeling uncomfortable.

It was as if she found it too noisy.

When Fan Yu picked up her phone again, the call was already hung up.

“You’re good!”

Fan Yu took a deep breath and did not argue with her.

He allowed her to hug him and torture him with all her might.

It was late at night when he saw that her fever had finally subsided and she was able to sleep a little better.

He tried to carry her to the bed to sleep well, but just as he was about to lay her down and stand up straight, an arm suddenly hooked around his neck.

Fan Yu was caught off guard, and his body lost balance in an instant, falling onto her chest..

The softness of the touch made his throat tighten instantly!

He wanted to stand up, but the hand that was strangling his neck refused to let go.

He even added another hand. Both hands held his face and kissed his handsome face.

“Baby, be good. Don’t move. Let’s sleep together.”

Fan Yu was stunned and his entire body froze.

He raised his head in shock and looked at the person in front of him.

What did she say just now?

Before fan Yu could think about it, Qiao Yuanfei’s lips directly touched his thin lips..

Chapter 1873: Young Master Fan, you have changed! (5)

Fan Yu’s mind went blank for a moment.

However, the person who kissed him was not afraid of death and bit his lips, mumbling unhappily.

“Not Sweet...”

Fan Yu:”...”

This was the first time he had been kissed forcefully by a woman, and then he was even despised.

What did she take him for?

Fan Yu had never felt that he wanted to strangle a person to death so badly. However, when he met her blushing face, his heart softened instantly when he saw her eyes that had just opened and were filled with bewilderment.

It was so soft that it was a mess.

It was different from when he was facing Nian Xiaomu.

He only wanted to give Nian xiaomu the best for her.

No matter what she did, he was willing to tolerate her, indulge her temper, and let her do whatever she wanted.

Just like how he let his beloved sister do whatever she wanted..

However, when faced with Qiao yuanfei, Fan Yu felt that the word “Gentleman” did not suit him.

In this world, if there was a type of person who could make him feel the urge to kill at any moment, Qiao Yuanfei would definitely be that type of person!

For example, right now.

Looking at her hand continuously touching his lips, asking him innocently if it was jelly or candy, his entire temple was throbbing.

She really wanted to die!

“Let Go!”

Fan Yu controlled his temper and reminded her word by word.

It was late at night and there was only one man and one woman. If she continued to touch him, he could not guarantee anything.

“It won’t hurt to touch him. Are You Fan Yu? Fan Yu is the devil...” Qiao Yuanfei muttered in a low voice and pulled her hand back reluctantly.

Her head still hurt a little and she felt dizzy.

She might really be sick. She had been dreaming about fan Yu the whole night.

She could still hear his voice in her ears.

Even eating jelly would make her angry.

Qiao yuanfei reached out and rubbed her head. She felt her head was very heavy, so she turned around and lay on the bed.

As soon as she lay down, her shoulder was grabbed by fan Yu and he pulled her up.

“Who is the baby?”

Fan Yu’s magnetic voice slowly sounded.

His voice was not loud, his deep gaze was fixed on Qiao yuanfei, unwilling to let go of the slightest expression on her face.

He already had a vague guess in his heart, he just wanted to hear an answer from her mouth.

“What Baby? I Am the baby, you are the baby too... stop messing around, my head hurts, I want to sleep...” Qiao Yuanfei finished taking the fever medicine, her fever had subsided, but she was still very exhausted.

She pushed fan Yu’s hand away and fell onto the bed.

She rolled up the blanket and was about to sleep.

Fan Yu did not get the answer he wanted, so he did not stand on ceremony. He lifted a corner of the blanket and lay down.

He deliberately reached out to grab the blanket.

Qiao Yuanfei did not have the blanket to cover her. She immediately frowned and turned around to snatch the blanket from him.

However, her strength could not be compared to Fan Yu’s. She did not manage to grab the blanket, but she was pulled into fan Yu’s arms along with the blanket.

Fan Yu lifted his leg and pressed down on her feet. One of his arms was holding her waist tightly, trapping her in front of him.

Unable to find out who the baby was, he changed the question.

“Did we know each other before?”

“...”

Qiao Yuanfei was trying her best to grab the blanket. Her forehead was covered in sweat.

When she heard his words, her eyes blinked as if she had suddenly woken up. She raised her head and glanced at him.

“Why are you so annoying in your dreams? You stole my blanket and interrogated me... I’m not a criminal...”

Fan Yu:”...”

Qiao yuanfei seemed to be unafraid of death even though she could not beat him in her dreams. She reached out and pinched fan Yu’s face forcefully.

Her brows and eyes curved as she said with a smile.

Chapter 1874: Young Master Fan, you have changed! (6)

“I’ve known you for many years, but you used to be more handsome than you are now. Now You’re Old and fierce!”

Fan Yu:”...”

He’s old..

And fierce..

She really didn’t want to live anymore.

He could strangle her right now. Would she believe it?

But what surprised him even more was that she actually knew him. Why didn’t he have any impression of her?

That was impossible.

If they had really met before, she wouldn’t have remembered him, but he didn’t have any impression of her at all.

“Speak clearly. Don’t keep me in suspense.”

Fan Yu’s voice sank as he continued to ask.

Qiao yuanfei obviously didn’t want to talk anymore. Seeing that he still wanted to speak, she raised her head and covered his mouth.

She kissed him and moved her head away, looking at him with an unsatisfied expression.

“It’s a little sweet now.”

Fan Yu: "..."

It was as if a thread in fan Yu's mind had snapped.

His eyes became deep and dangerous.

He stared at the woman in front of him who was playing with fire time and time again without realizing it.

He took a few deep breaths before he suppressed the evil fire in his heart and did not eat her alive.

"Qiao Yuanfei, are you a pig?"

A fever could turn him into a fool.

If it was someone else who entered her room today instead of him, would she be in this state as well..

Fan Yu's face darkened at the thought of this possibility.

His warm face was tainted with gloom.

However, Qiao Yuanfei was not convinced. She could not pull out the blanket and simply rubbed against his chest to shout.

"I'm not a pig, you're the pig. Let me tell you, I'm not afraid of You in my dreams. If you dare to bully me, I'll bite you... Ugh!"

Qiao Yuanfei did not finish her words and was stuck in her mouth.

The sudden kiss carried traces of anger and a strong sense of punishment.

If Fan Yu was only angry at the beginning, then as the kiss continued, he began to become a little addicted..

Her Red Face, confused eyes, and the way she looked at him timidly... all of these made him on the verge of losing control, and he couldn't help but want to bully her.

But in the end, he still couldn't do it.

Because she was too obedient.

She was very obedient when he kissed her.

She was very obedient when he held her in his arms.

..

As if she was frightened by his kiss that was full of plunder, she suddenly became a marionette. No matter what he said, she would do it.

Even when he told her to close her eyes to sleep, she closed them in a second.

Fan Yu was so angry that it was as if someone had punched him in the chest. His chest was stuffed with cotton, and he could neither swallow nor spit out his anger.

He reached out and pulled open the collar of his shirt, forcing himself to stop thinking about the person who was still in his embrace.

When he heard the sound of her long breathing, he lowered his gaze and stared at her pale face after her high fever had passed. Suddenly, his heart became very calm.

This was the calmness that was rarely seen in the past ten years that he had searched for Nian Xiaomu.

“Qiao Yuanfei.” He called out her name in a low voice.

“Yes...” Qiao Yuanfei had fallen asleep. Her head was burrowing into his chest. It was unknown whether she was mumbling unconsciously or consciously.

It was as if she was responding to him.

The corners of Fan Yu’s mouth curled up. He placed his arm across her waist and closed his eyes.

—

Qiao Yuanfei felt dizzy after sleeping.

She had been fighting with Fan Yu in her dreams.

It was bad luck for her to win, and bad luck for her to lose. In the end, she did not know what she was doing.

Then, it was dawn.

The only thing she remembered was the feeling of being hot and cold in her dreams.

So when she woke up, she subconsciously went to look for the quilt.

She pulled the quilt and found that it could not be pulled

Chapter 1875: Young Master Fan, you have changed! (7)

She followed the blanket and saw that there was someone sleeping beside her. She was so frightened that she immediately sat up from the bed.

She lowered her head and anxiously checked the clothes on her body.

When she found that the clothes on her body were still there, she did not have time to let out a sigh of relief when the man beside her had already woken up.

His handsome face tilted slightly. The moment he opened his eyes, Qiao Yuanfei was stunned.

Fan, Fan Yu..

How could it be him?

How could he be here? !

If he was here, then everything that happened last night was not a dream... including the fact that she reached out to touch his face and even kissed him..

Qiao Yuanfei's mind seemed to have been struck by lightning in an instant.

She could not utter a single word for a long time.

She watched as Fan Yu sat up from the bed.

The blanket that she could not move just now slid down from his chest as he stood up.

He was not wearing any clothes..

His upper body was smooth and his muscles were well-defined. Under his modest and gentlemanly appearance, he had a shockingly strong physique.

His honey-colored chest did not look like someone who had been working in an office all year round.

Qiao Yuanfei was a little engrossed in the sight. When she regained her senses, she raised her head and met Fan Yu's teasing gaze.

"Is it Nice?"

"..."

Qiao Yuanfei's face turned red.

It was neither an answer nor a non-answer.

By the time she reacted, this was no longer fan Yu's private villa, but a hotel. There was a hint of vigilance in her eyes.

"Why are you here? Last Night..." Qiao Yuanfei looked past fan Yu and looked at the hotel's door.

The door was fine. It didn't look like it had been pried open.

She had checked the floor-to-ceiling windows on the balcony before she went to bed. They were still tightly shut.

Where did he come from?

How did the hotel security not find anyone?

"Don't look at me like that. If I hadn't come over last night, you might have been burnt to a pulp and no one would have noticed." Fan Yu unhurriedly lifted the blanket and got up.

He didn't mind at all that he wasn't wearing any clothes.

He didn't explain to her that he wasn't wearing any clothes because his shirt had been kneaded into pickles by her last night.

He directly reached out and pressed the intercom, asking someone to give him a set of clean clothes.

After hanging up the phone, he glanced sideways at Qiao yuanfei who was still stunned on the bed, and the corners of his mouth curled up into a cold smile.

“Don’t flatter yourself. I’m not interested in taking advantage of you. I didn’t come here because I was worried about you. It’s just that Xiao Liuliu is too noisy and worried about you living alone outside. She insisted that I come over to take a look and take a video of you being fine.”

“...”

Qiao Yuanfei didn’t say anything. She made an ‘Oh’in her heart.

He didn’t have to emphasize it on purpose. She also knew that he wasn’t concerned about her.

But if he cared so much about Xiao Liuliu, did it mean that he liked children?

If he knew..

“Ding Dong! Ding Dong!”

The doorbell rang.

Qiao Yuanfei’s train of thought was interrupted and she snapped back to her senses. Fan Yu had already stepped out of bed and strolled to the door.

The person who delivered the clothes wasn’t the hotel’s waiter, but Fan Yu’s assistant.

Fan Yu had just taken the shirt from his assistant and put it on when the assistant reported.

“Young master fan, the hotel security just said that there are a few people downstairs who are suspected to be gossip reporters, and there are more and more of them. If nothing goes wrong, they should be coming for Miss Qiao.”. “There is another piece of news. The hospital has just received news that Miss Qiao’s uncle is awake and is currently being interviewed by reporters...”

Before the assistant could finish speaking, Qiao Yuanfei had already reached out to pick up the remote control on the bedside table and turned on the television.

Chapter 1876: Young Master Fan, you have changed! (8)

He turned on the television station that was broadcasting the interview live.

The first thing he saw was the white walls of the hospital ward and the white hospital bed.

Qiao Fangfeng was lying on the hospital bed. The pillow that was propped up made him look a little more energetic.

However, his eyes were still a little cloudy. He could tell that he must have been very sick previously.

When he was being interviewed by the reporters, there were a few medical staff standing beside him.

Facing the camera, he spoke very slowly and clearly.

“... you don’t have to ask about the video of the beating. I’ve watched it. It’s Yuan Xi’s fault...”

“I’ll make Yuan Xi apologize to Yuan Fei... I’ve watched Yuan Fei grow up since she was young. There’s no such thing as abuse. She’s always been a part of the Qiao family...”

“I’m very grateful for everyone’s concern for the Qiao family, but please understand my feelings as a parent. Help me find Yuan Fei first and let the child go home...”

“...”

Qiao Fangfeng’s attitude was very humble, like a worried parent who had run away from home.

In an instant, he won the favor of all the media outlets.

The reporters asked a few more questions. They were all concerned about whether he knew that his daughter did not like Qiao Yuanfei and whether he had ever made things difficult for Qiao Yuanfei in the past..

Qiao yuanfei watched for a while and did not wait for the live broadcast to end before turning off the television.

She was expressionless.

Fan Yu had already put on his clothes. When he heard that there were reporters downstairs, his eyes flashed and his expression became calm.

Qiao Yuanfei had just moved out of his villa. In just one night, the reporters received news of her location.

The biggest possibility was that she had revealed her location and was waiting for the reporters to find her.

It seemed that he had underestimated her.

She did not need his concern at all. She was afraid that she would still find him a hindrance.

If he had not appeared last night and the reporters had gone to the hotel today, they would have seen a homeless woman who had been kicked out of her home. She would have been so sick that no one would have noticed her..

The reporters would have criticized Qiao Yuanxi without her saying a word.

Fan Yu’s expression darkened slightly. He gave her a deep look and quickly walked out of the room.

“Fan Yu...”

Qiao Yuanfei had just turned off the television. There was still a hint of sarcasm at the corner of her mouth. When she turned around and saw his back view as he left, she was slightly stunned.

She did not understand how she had offended him again.

Her instincts told her that he seemed to have misunderstood something. Just as she was about to chase after him to ask, she saw Qiao Yuanxi and Xie Yun coming down from the elevator just as she ran to the door..

Qiao yuanfei stopped in her tracks.

Her gaze instantly turned cold and distant.

She was on guard.

The next second, she realized that Qiao Yuanxi's expression today did not seem right.

Before she could figure out what was going on, Xie Yun, who was following behind Qiao Yuanxi, had already reached out to pull Qiao Yuanxi and reminded him in a low voice.

"You're here to apologize today. Bear with it. Don't forget what you promised your father. If the company is gone, your good days will be gone too!"

Qiao Yuanfei couldn't hear what the mother and daughter said, but judging from their expressions, she could roughly guess what they were talking about.

The Qiao family was in a scandal. Besides Qiao Yuanxi, who everyone wanted to beat up, the Qiao Corporation was the first to bear the brunt of it.

If they wanted to stabilize the stock price, they couldn't let the situation continue to develop.

They would let Qiao Yuanxi apologize to her, calm her down first, and then persuade her to move back to the Qiao family. They would come forward to clarify that everything was a misunderstanding, and it would be more effective than anyone's explanation.

Was she going to applaud this shameless mother and daughter of the Qiao Family?

Qiao Yuanfei's gaze turned scornful. When she saw Xie Yun who was about to greet her, she turned around and entered the room, closing the door forcefully!

Chapter 1877: Young Master Fan, you have changed! (9)

With a 'bang', it was like a slap on the faces of mother and daughter Xie Yun.

Xie Yun's face instantly sank.

One had to know that Qiao Yuanfei had lived under her hands for so many years, how would she dare to give her such a look?

If it wasn't for the fact that they were here today to seek peace, she wouldn't have let Qiao Yuanfei off with this cold shoulder!

"Mom, you saw it. She was deliberately making things difficult for us and making things difficult for us. Dad even asked us to apologize to her. What right does she have?"

Qiao Yuanxi shouted as soon as she saw Qiao Yuanfei close the door.

Xie Yun glared at her but didn't say anything. The phone rang first.

It was Qiao Fangfeng Calling.

He went straight to the point and asked them if they had invited her back.

Qiao Yuanxi's bared fangs and brandished her claws immediately restrained herself. She did not dare to say a single word and hid behind Xie Yun as if she was mute.

Xie Yun hurriedly explained.

“We’ve just arrived and haven’t even spoken yet. Don’t worry, I’ll definitely get Xixi to apologize to Feifei today and bring her back.”

Hearing this, Qiao Fangfeng gave a few more instructions before hanging up.

Xie Yun’s expression turned even uglier.

“You heard it. Your father means that if we don’t invite Qiao Yuanfei back today, you don’t have to go back either.”

Qiao Yuanxi:”...”

If it was any other time, she would have already thrown a tantrum at the eldest lady.

If she didn’t go home, she wouldn’t go home. If Qiao Yuanfei could stay in a hotel, couldn’t she?

If she ran away from home for a few days, her father would definitely be reluctant to part with her.

When that time came, Qiao Yuanfei might still be the one apologizing to her.

But it was different now.

There were reporters outside who wanted to surround her, and there were also viral videos on the Internet. They had long recorded her appearance.

If she met those people who had been bullied by her, she might not even know how she died.

When Qiao Yuanxi thought of this, he grabbed Xie Yun’s arm without saying a word.

“Mom, I’m your biological daughter. You have to save me!”

“You’re useless. If it weren’t for you, would I have come here to see Qiao Yuanfei’s expression? Go and knock on the door!” Xie Yun dragged Qiao Yuanxi forward.

The hotel doorbell rang again and again, but no one answered.

In the end, they could only use their hands to knock.

They knocked until their hands went soft. The people in the room acted as if they didn’t hear anything, showing no intention of opening the door.

In the end, the security guard of the hotel came.

“If you are not guests of our hotel, please leave as soon as possible!”

“We are here to look for someone.”

The reporters were right outside. Xie Yun did not dare to say anything. He knocked on the door and was filled with anger. He did not dare to vent his anger and explained in a good tone.

Qiao Yuanxi was smart for once. She ran up to the security guard and grabbed his hand.

“My cousin is in the room. I’m sure of it, but she didn’t respond even after we knocked on the door for so long. Could something have happened? “Your Hotel didn’t let anyone take a look. If something really happened in the room, wouldn’t you be implicated?”

“...”the security guard hesitated.

Qiao Yuanxi didn't have the time to expose her identity. She pointed at her own face and asked.

“Look at me properly. Don't you recognize who I am? “I am the eldest daughter of the Qiao family from the videos of people being beaten up online. The one in the hotel room is my cousin who was beaten up by me. Now that she has locked herself in the room, what if she doesn't think things through...”

Before Qiao Yuanxi could finish his sentence, the security guard's expression changed.

He hurriedly used the walkie-talkie to inform the front desk to send someone up to check.

“Ka-cha –”

Before the front desk of the hotel could come, the door of the room had already been opened from the inside.

Chapter 1878: Young Master Fan, you have changed! (10)

Qiao Yuanfei stood at the door and looked coldly at Xie Yun and her son who were putting in all their effort to perform.

The security guard saw that she was fine and quickly left.

Xie Yun and Qiao Yuanxi were afraid that she would close the door again, so they quickly squeezed into the hotel room together.

Knowing that Qiao Yuanxi was unable to open the door, Xie Yun was the first to speak.

“Yuanfei, we're family after all. Yuanxi did something wrong, but it was you who made the first move. She was so angry that she hit you like that in the hospital. Now that your uncle is awake, she asked me to bring Yuanxi to apologize to you...”

Xie Yun Winked at Qiao Yuanxi as she spoke.

Qiao Yuanxi quickly went forward.

She apologized without any sincerity, “I'm sorry.”

Xie Yun continued to speak.

“Look, even if you made the first move, Xixi had personally come to apologize to you. What else are you unwilling to accept? “Let's not talk about other things. The Qiao family has raised you for so many years. Even if you didn't make any contributions, you still had to work hard. It's fine if you don't think of me as a good person, but don't you care about your Uncle Anymore?”

With a light “Sorry”and a few words of moral kidnapping, you want me to go back?

Qiao Yuanfei sat on the sofa, leisurely flipping through the magazine in her hands.

She didn't interrupt Xie Yun's performance, nor did she respond.

Xie Yun's saliva was dry from talking alone. She didn't even want to drink a glass of water.

Seeing that she was still so nonchalant, she immediately became angry.

“Qiao Yuanfei, no matter what you say, I’m still your elder. What kind of attitude is this?”

“You finally couldn’t hold it in anymore?” The corners of Qiao Yuanfei’s mouth curled up into a smile. Her mocking smile made Xie Yun calm down instantly.

She stared at Qiao Yuanfei warily.

She kept feeling that this person in front of her was different from the obedient Qiao Yuanfei in her impression.

Before coming here, she was sure that Qiao Yuanfei wouldn’t dare to go against her.

Now, she suddenly lost her confidence..

Qiao Yuanfei had been waiting for this moment for a long time.

She calmly changed her sitting posture, slowly picked up the cup in front of her and took a sip.

It moistened her throat.

“You didn’t just come here today to apologize to me and persuade me to go home, right?”

“...”

Xie Yun narrowed his eyes and wiped away the scheming in his eyes.

He pretended to be concerned.

“What are you saying? We are all family. How Can We Harm You? “Your uncle woke up and didn’t see you. He is very worried now. I brought Xi Xi here to apologize to you because I wanted to calm things down so that your uncle can rest in peace.”

His words were filled with righteousness.

Anyone who heard it would think that he was an elder who had to compromise.

Qiao Yuanfei did not forget how Xie Yun hugged her tightly when Qiao Yuanxi attacked her in the hospital. He did not allow her to fight back and allowed Qiao Yuanxi to abuse her.

Now, he had completely forsaken her!

Qiao Yuanfei sneered.

“I can go back, but I’m afraid that such a light apology is not enough.”

“Then what do you want?” Xie Yun saw that she had relented and quickly asked.

Qiao Yuanfei did not look at her. She took out the family photo that Fan Yu had helped her fix from her luggage and placed it on the coffee table. Then, she looked at Qiao Yuanxi.

“I want her to kneel down and kowtow to my parents to apologize!”

“...”

Xie Yun was stunned.

Qiao Yuanxi took a few steps back and stared at the photo that she had placed on the coffee table. His eyes were filled with anger.

“You want me to kneel down? Do you think you are worthy... In your dreams!”

Qiao Yuanxi turned to look at Xie Yun.

Before she could ask Xie Yun to help her, Qiao Yuanfei had already opened her mouth coldly.

“Say one more word and make another sound.”

Chapter 1879: Young Master Fan, you have changed! (11)

Qiao Yuanxi:”...”

Xie Yun:”...”

“Qiao Yuanfei, don’t go too far. You’ve been holding a grudge for such a small matter until now. Don’t forget, if it weren’t for my parents adopting you, you wouldn’t even know where you are today!”

Qiao Yuanxi had never suffered such humiliation since he was young, and he was about to flare up.

Before he could finish his sentence, Qiao Yuanfei had already taken out her phone and waved it in front of her.

There were countless missed calls on it. All of them were unknown numbers.

Needless to say, most of them were reporters.

Qiao Yuanfei smiled contemptuously. “Guess if I were to make a random call now, would there be a reporter rushing over immediately?”

“...”Qiao Yuanxi’s face turned pale.

The word “Reporter”was now her Achilles’heel.

Qiao Yuanfei pinched Xie Yun and her daughter’s sore spot and asked on purpose.

“Actually, there’s no need to go through so much trouble. I heard that there are reporters downstairs. If you think that I’m ungrateful, why don’t you let everyone come up and judge me?”

Qiao Yuanxi was not the only one whose face was pale. Xie Yun’s face was also ashen.

Before they came out, Qiao Fangfeng had repeatedly reminded them to bring her back in a low-key manner.

The Qiao Corporation’s stock price had fallen to its lowest point after the opening of trading for two consecutive days. It could no longer afford any scandals.

“Xixi, for the Qiao family’s sake, when it’s time to swallow one’s pride, you have to swallow one’s pride. Are you afraid that you won’t be able to teach her a lesson in the future?”Xie Yun lowered her voice and reminded her.

“But, she asked me to kneel down for her...”

Qiao Yuanxi was still unwilling, but when she thought about how she would not even have the chance to turn the tables in the future if the Qiao family fell, she could only clench her teeth and walk forward.

Kneeling in front of the coffee table, she kowtowed three times towards the photo.

“Are you satisfied now?”

“It’s Alright, but three isn’t enough. You said two sentences just now, so there are still two more kowtows to go.” Qiao Yuanxi sipped his water slowly and reminded her.

Qiao yuanxi: “You!”

Qiao yuanfei: “Add another one.”

Qiao Yuanxi: “...”

Qiao Yuanxi’s face turned red and he wanted to pounce on Qiao Yuanfei and tear her apart.

In the end, he had no choice but to lower his head and kowtow three more times.

Just as he was about to get up from the coffee table, Qiao Yuanfei’s hand tilted and a cup of water was poured onto her body.

The warm tea made Qiao Yuanxi immediately let out a pig-like cry.

She got up from the ground and shook her clothes without caring about her image.

“Qiao Yuanfei, how dare you throw hot water at me, I...”

“Bang!”

Qiao yuanfei placed the cup in her hand on the coffee table and stood up from the sofa.

She looked at Qiao Yuanxi who was stunned and bent down slightly, reaching out to lift her chin.

“If I see any more pictures of you touching my parents, what I throw at you will not be warm water, but hot water that has just been boiled!”

“...”

Qiao Yuanxi was so scared that her face turned green.

She widened her eyes and looked at Qiao yuanfei, who was full of energy. She could not believe that this was the person she had always known.

She was just an orphan adopted by the Qiao family. Why was she more noble than her?

Xie Yun was also surprised.

She felt that Qiao Yuanfei was a completely different person.

Seeing her daughter being bullied, she wasn’t happy either.

But when she thought of Qiao Fangfeng's instructions, she held back her dissatisfaction and went up to persuade him.

"You've finished kowtowing and apologizing. Shouldn't you pack your things and go back with us?"

"When did I agree to go back with you?" Qiao Yuanfei took a step back and sat on the sofa again.

Her legs crossed elegantly and she looked at the sullen Xie Yunmu and her daughter with a smile.

Chapter 1880: Young Master Fan, you have changed! (12)

"What do you want?" Xie Yun did not dare to believe it at first, but now that he looked at the situation, he understood.

Qiao Yuanfei would definitely not go back with them if she did not vent her anger today.

She could not help but remind her.

"Don't forget, I'm Your Elder. Don't tell me you want me to Kowtow to You Like Xi Xi?"

"Don't worry, Auntie. I Can't take your gift. But if you want to kowtow to my parents, my parents can still take it."

Xie Yun: "..."

She gritted her teeth and knelt down without saying a word. She knelt down on the coffee table and kowtowed a few times to the Qiao couple's photo.

She made up her mind. No matter what, she had to make Qiao Yuanfei agree to go back with her.

With the Qiao Corporation, she was the high and mighty Mrs. Qiao.

If the Qiao Corporation collapsed, she would have nothing left.

Wealth and honor came from risks.

Moreover, she only had to temporarily lower her head to Qiao Yuanfei.

When this matter was settled, she would definitely teach Qiao Yuanfei a lesson!

A sinister light flashed across Xie Yun's eyes.

She narrowed her eyes and stood up from the ground.

"Is this okay?"

"..."

Qiao Yuanfei's eyes sparkled. She did not expect Xie Yun to be so shameless.

She reached out to put away the photos of her parents and put them back into the suitcase. Then, she pulled the suitcase that she had already packed and left the room.

After avoiding the places where she might meet the reporters, she left the hotel through the back door.

She returned to the Qiao family's villa.

Qiao Yuanfei would still be staying in her own room.

The mess caused by Qiao Yuanxi had already been cleaned up by someone. The furnishings in the room were similar to before she left.

However, some things had already changed..

Qiao Yuanfei put her luggage away and subconsciously took out her phone to call fan yu.

The image of him leaving earlier still kept appearing in her mind.

No matter what, she had a fever yesterday and it was him who took care of her for the whole night. She should have thanked him.

"The number you have dialed is not answered at the moment..."a mechanical voice came from the phone.

Qiao Yuanfei tried a few times and hung up embarrassedly.

She called Xiao Liuliu.

Xiao Liuliu called her as soon as she arrived at the Tang family home.

Qiao Yuanfei had the phone records in her hands, but she wasn't sure if she could find her.

She just wanted to give it a try and dialed the number.

She didn't expect someone to pick up the call so quickly.

A voice similar to a butler's sounded on the other end of the phone.

When she heard that she was looking for Xiao Liuliu, she politely asked her to wait for a moment.

Not long after.

"Auntie, I'm your cutest Xiao Liuliu. Did you miss me?"

Little Liuliu's childish voice was clear and bright.

In an instant, it healed Qiao Yuanfei's depressed mood.

The little glutinous rice ball lived in the Tang family and could raise her little brother every day. She lived a very happy life.

However, she was still thinking about Qiao Yuanfei and Fan Yu.

She asked Qiao Yuanfei in front of Fan Yu. Now that she was chatting with Qiao Yuanfei, she kept mentioning fan yu.

"Is aunt with Father Fan Yu? Xiao Liuliu also wants to talk to Father Fan Yu."

"... he's not here."Qiao Yuanfei heard that name and her heart stopped.

He came to the hotel yesterday to report to Xiao Liuliu. Now that he had already done so, he probably did not want to see him again.

Qiao Yuanfei was not willing to talk about this topic with Xiao Liuliu anymore. She changed the topic and chatted for a while before hanging up in a hurry.

She lowered her eyes dejectedly and stared at the black phone screen, thinking of Fan Yu.

The next second, the phone rang again.

Her gaze focused, and the two words "Baby" flashed on the screen!
