

My Life 1881

### **Chapter 1881: Young Master Fan, you have changed! (13)**

Qiao Yuanfei quickly picked up the call.

“Mommy, why aren’t you picking up the baby’s phone...” a clear child’s voice came from the other end of the phone.

There was a hint of coquettishness.

But there was a hint of tsundere in her tone.

Qiao Yuanfei could almost imagine the expression on that handsome little face now.

The corners of her mouth curled up into a doting smile.

“Mommy has been too busy recently and neglected you. I’m sorry.”

She apologized sincerely and very quickly won the little guy’s forgiveness.

“It’s okay. It’s just that I Miss Mommy. When will mommy come to visit me?” The little guy suddenly became shy. Qiao Yuanfei could not see his appearance, but her heart softened.

She pursed her lips and thought seriously.

“Wait a little longer. Your body hasn’t recovered yet. When it’s fully recovered, Mommy will immediately bring you back to the country, okay?”

“OH.” The little guy seemed very dissatisfied.

He wanted to say something but hesitated.

After hesitating for a moment, he stopped asking this question.

The two chatted for a while more. After making sure that he wasn’t angry, Qiao Yuanfei couldn’t help but mention Xiao Liulu to him.

“She’s a very cute little sister. You’ll definitely like her!”

Xiao Liulu’s pink little face and mischievous big eyes flashed across Qiao Yuanfei’s mind.

In her heart, Xiao Liulu was a little angel. No one would dislike her.

The little guy on the other end of the phone seemed to be in a much better mood when he heard that he was going to have a little sister. The two of them chatted for a while more. Seeing that it was about time, Qiao Yuanfei reminded him to rest.

After hanging up the phone, Qiao Yuanfei put away all the things in her suitcase and walked out of the room.

She had no memory of what happened yesterday, but her mind was indeed a little muddled.

Moreover, after she woke up, she had not eaten a single mouthful of food and was already a little exhausted.

She walked out of the room in a loud voice.

Just as she walked into the living room, she saw Xie Yun and Qiao Yuanxi sitting on the sofa.

Qiao Yuanxi was still holding a grudge against Qiao Yuanfei for making her kowtow six times. He was speaking ill of her in front of Xie Yun, clamoring to tell Qiao Fangfeng.

Seeing Qiao Yuanfei go downstairs, she jumped in fright.

Her eyes were filled with indignation. She wanted to say something, but did not dare to.

Qiao Yuanfei did not look at her. She walked straight to the dining room and asked the butler to prepare food for her.

“This is my home. What right do you have...” Qiao Yuanxi heard her words and was about to say something when Xie Yun stopped her in time.

“Shut up!”

Xie Yun said in a deep voice.

In the past, they did not treat Qiao Yuanfei as a family. No one would care if she was around when they ate.

If they missed the meal, they could only starve.

However, the situation was different now. The Qiao family had a scandal, and now even the Qiao Corporation’s stock price was affected. To solve this problem, the fastest way was Qiao Yuanfei.

If you couldn’t bear it, you would mess up the big plan.

“Your father will be back soon. Be careful, or he’ll skin you alive!”

“...”

Qiao Yuanxi quivered for a moment, daring to be angry but not daring to speak up.

Qiao Yuanfei leisurely ate and drank her fill, and Qiao Yuanchuan just happened to bring Qiao Fangfeng back.

Everyone from the Qiao family had arrived.

Qiao Fangfeng had just been discharged from the hospital, and he was sitting in a wheelchair.

He was no longer wearing a hospital gown, but a set of dark gray home clothes, which was pushed in by Qiao Yuanchuan.

There were also medical staff beside him.

His slightly pale face had a solemn expression.

When he saw Qiao Yuanfei, his expression softened a little. He waved at her and asked her to sit in front of him.

Qiao Yuanfei was slightly startled and stepped forward.

“All of you can sit as well.”

When Qiao Fangfeng saw Qiao Yuanfei sit down, he raised his head and instructed the others to sit on the sofa.

### **Chapter 1882: Young Master Fan, you have changed! (14)**

As the head of the family, Qiao Fangfeng’s aura was still quite strong.

Even though he was sitting in a wheelchair, Xie Yun and the Qiao siblings didn’t even dare to breathe loudly after he coughed once.

“Uncle, the Doctor said that your body hasn’t fully recovered yet. You should drink more water.”

Qiao Yuanxi’s jealous gaze was ignored by Qiao Yuanfei. She took a cup of hot water from the coffee table and brought it to Qiao Fangfeng.

Qiao Fangfeng took the cup of hot water and took a sip. He held her hand and asked her to sit down and talk.

“Are all the injuries on your body healed?” Qiao Fangfeng asked with concern.

There was no need for him to say it out loud. Everyone present knew that he was asking about the video of Qiao Yuanyuan beating Qiao Yuanyuan up.

“It’s fine.”

Qiao Yuanxi grumbled unhappily as soon as Qiao Yuanyuan spoke.

“Dad, you only asked her, not me? I was beaten up by her and was hospitalized for a week. The doctor even said that my concussion wasn’t light...”

Qiao Yuanxi was about to play the victim when Qiao Fangfeng glared at her and his expression darkened.

He lectured her.

“Haven’t you caused enough trouble? You’re arrogant, domineering, and willful. Usually, feifei is already giving way to you. Even if she really hit you, you must have done something overboard!”

“...”

Qiao Yuanxi was choked speechless.

He didn’t dare to admit that he was the one who tore up the photos of the Qiao couple first.

After all, they were Qiao Fangfeng’s biological older brother and sister-in-law.

He sat down awkwardly.

His eyes were red with grievance.

Although Xie Yun was unwilling, he could only endure it when he thought of the bigger picture.

As for Qiao Yuanchuan, he didn’t like Qiao Yuanxi to be too unruly.

Now that he had been exposed by the reporters, who could he blame?

The living room was quiet. No one dared to speak.

Qiao Fangfeng nodded his head in relief when he heard Qiao Yuanfei say that she was fine.

“You’ve suffered during the period when I was sick. I heard that not only did you have to take care of me at the hospital, you even went around looking for medicine for me. If not for your filial piety, I’m afraid I wouldn’t have woken up... It’s just that...”

Qiao Fangfeng raised his head to look at his disappointing wife and children and sighed.

“I didn’t want to force you to forgive Xixi. She was spoiled and should be taught a lesson. But now that the media is holding onto this matter, it has seriously affected the Qiao Corporation’s stock price. Uncle has a presumptuous request, I hope you can agree to it.”

“...”

Qiao Yuanfei sat quietly on the sofa and did not immediately respond.

She lowered her eyes and stared at her phone.

In her mind, the cold gaze of fan yu before he left suddenly flashed past.

Did He... dislike the way she was good at scheming?

Qiao Yuanfei was a little dazed. Very quickly, she narrowed her eyes.

“Uncle, if you have something to say, just say it.”

“Alright, since you’re so straightforward, I won’t beat around the bush with you. I know that you’ve been wronged in this matter, but for the sake of the big picture, I still hope that you can come out personally and clarify to the reporters that the video was just a misunderstanding. Xi Xi didn’t really want to hit you, but it was just a game between two young people.”

Qiao Fangfeng paused, took a deep breath and continued.

“As for the Qiao family’s abuse of you, it’s all a lie. For so many years, I’ve always treated you as my own daughter. You should be clear that it’s best for you to personally explain and stop these rumors. As for the other negative news, the public relations department will naturally handle it.”

### **Chapter 1883: Young Master Fan, you have changed! (15)**

The only thing that the reporters were not willing to let go of was the Qiao family’s abuse of the adopted child.

Originally, it was just a groundless matter. In the end, the video of Qiao Yuanxi beating someone up turned into a real hammer.

Not only did it make the onlookers dumbfounded, it also made them drenched in blood.

In just two short days, the Qiao Corporation’s assets were shrinking at such a speed that Qiao Fangfeng could not even stay in bed anymore.

If he did not personally resolve this problem, it would be too late!

"I did not hit anyone in the first place. She hit me first. I only returned it..."

Qiao Yuanxi whispered softly behind Xie Yun.

Qiao Yuanfei narrowed her eyes, a dangerous glint reflected in them.

At this point, Qiao Yuanxi still could not learn from her mistakes.

How they bullied her and how they worked together to hit her, not only were the reporters able to capture it clearly, she could also remember it clearly.

Now, with just a simple "The overall situation is more important," she had to personally tell the reporters that everything was a misunderstanding..

Wasn't it laughable?

The corners of Qiao Yuanfei's mouth curved, and her smile carried a hint of mockery.

But she did not show it on her face.

Facing Qiao Fangfeng's inquiring gaze, she nodded her head lightly. "Okay."

Hearing this, everyone present heaved a sigh of relief.

Seeing that she was so easy to talk to, Qiao Fangfeng repeatedly praised her a few times.

"It's not in vain that uncle dotes on you so much. I knew that you were a sensible child!"

"Uncle, you flatter me. I don't dare to forget uncle's kindness in raising me, but..." Qiao Yuanfei wanted to say something but hesitated.

Seeing this, Qiao Fangfeng asked with concern.

"What's wrong? Is there any difficulty? Tell uncle directly!"

Qiao Yuanfei bit her lip and explained with some worry.

"I'm just worried that the reporters won't believe my empty words and groundless explanation. After all, the rumors outside are not groundless. The video of the beating and me being chased out of the Qiao family were witnessed by many people. With just a few words from me, if I rashly whitewash the Qiao family, it might instead make people think that I was being threatened. If the conspiracy theories continue to speculate, I'm afraid it will be even worse for the Qiao Family!"

Qiao Fangfeng narrowed his eyes as if he was trying to figure it out. After a long while, he finally asked.

"What do you think?"

Qiao Yuanfei said bluntly.

"Uncle, you just said that although I'm not your biological son, I was raised by you after all. How the outside world views it is a matter of the outside world. In My Heart, I have always regarded you as an

elder that I respect and should be filial to. Since uncle has also said that I'm a member of the Qiao family, then give me the treatment of a member of the Qiao family so that I can block you's mouth!"

"What do you mean by this? I'm asking you to live and eat in the Qiao family. It's not enough to spend the Qiao family's money and use the Qiao family's money. Don't tell me you want to divide the Qiao family's property?!"

Qiao Yuanxi was the first to jump out and curse.

When he said this, the expressions of the few people present changed.

Xie Yun and Qiao Yuanxi had the same attitude.

It was fine for them to kowtow to Qiao Yuanxi and admit their mistakes. In any case, they could take revenge. However, once the Qiao family's property was divided, they would have nothing to do with it.

What if Qiao yuanfei became even more unscrupulous when she had money?

"Alright, we've been causing a ruckus for half a day just to split the Qiao family's assets. I don't agree either!"

Xie Yun sat beside Qiao Fangfeng and reached out to grab his arm.

He was blowing wind in his ear.

"Fang Feng, we've already been courteous enough by adopting her. She's still not satisfied. She doesn't want to help the Qiao family think of a way to tide over the difficulties. She only thinks of her own interests. This is the good niece that you've acknowledged!"

#### **Chapter 1884: Young Master Fan, you have changed! (16)**

"..."

Qiao Fangfeng's expression didn't look good either.

He stared at Qiao Yuanfei with a profound gaze, as if he wanted to see through her true intentions.

However, Qiao Yuanfei's expression was too calm, so calm that he couldn't see anything at all.

It was as if what she said just now was just a matter of fact.

She didn't have the slightest bit of selfishness.

"Feifei, originally, even if you didn't say it, uncle would definitely prepare a generous dowry for you in the future. However, at this moment, the Qiao Corporation's assets have shrunk seriously. Uncle has uncle's difficulties. If you were to divide the assets and shares, I'm afraid those shareholders would have objections."

Qiao Fangfeng said with a troubled expression.

Qiao Yuanfei met his gaze and smiled slightly.

"Uncle, don't worry. I understand what you mean. What I said just now was not because I was coveting the Qiao family's assets. I just casually mentioned it. After all, the eyes of the masses are bright. No

matter how Nice I say it, as long as everyone compares the assets under my name with Qiao Yuanxi's, they won't believe it."

"..."

"As for what uncle is worried about... actually, I'm a girl. I've been abroad for so many years before I managed to get a graduation certificate and return to China. How could I have any talent in managing a company? Even if uncle really transferred the shares to me, he would just leave them with me for now. When uncle needs them, I'll just transfer them back. I definitely won't have any thoughts."

Qiao Yuanfei's words were filled with righteousness.

The others choked on their words, and Qiao Fangfeng's eyes gradually became filled with admiration.

If it were any other time, Qiao Fangfeng wouldn't have believed her so easily.

But from the looks of it, what she said was indeed the truth.

Even if she was willing to go out and clarify things for the Qiao family, there were videos as evidence, and there were so many witnesses at that time..

As long as they weren't idiots, they would assume that Qiao Yuanfei was forced to come out to clarify things.

At that time, there would probably be even more unfavorable comments pointing at the Qiao family.

If they wanted to explain, they had to do it all at once!

The method that Qiao Yuanfei said was actually a good one.

As long as he transferred a portion of the shares to Qiao Yuanfei's name, the "Rumors" of her abuse would naturally fall apart.

Coupled with her own appearance to clarify things..

The crisis of the Qiao family should be over soon!

Qiao Fangfeng slapped his thigh.

"Alright, let's do it this way! When this matter blows over and you transfer the shares back, uncle will definitely not mistreat you!"

"Thank you, Uncle."

Qiao Yuanfei replied with a smile that did not reach her eyes.

The others wanted to say something else, but they could not come up with a better solution, so they could only shut up.

Qiao Fangfeng quickly got his lawyer to prepare the transfer of shares.

He transferred a portion of his shares to Qiao Yuanfei.

Then he arranged a press conference.

He accompanied Qiao Yuanfei to attend the press conference.

—

Fan Group.

President's office.

Knock, knock —

The assistant stood at the door and knocked carefully.

Hearing the sound of "Come in" from inside, he hesitated for a few seconds and mustered up his courage to walk in.

"Young master fan, I just received news that the Qiao family has held a press conference."

"..."

The person at the desk paused.

His handsome face looked up from the document and glanced at the assistant.

The assistant instantly felt a chill down his spine.

He hurriedly reported all the news he had just heard.

"It was president Qiao who had just been discharged from the hospital who personally accompanied Miss Qiao to explain the misunderstanding that happened in the Qiao family some time ago..."

"Misunderstanding?"

Fan Yu interrupted his assistant's words.

The image of her walking out of the hospital covered in injuries flashed before his eyes.

What on Earth was she thinking?

### **Chapter 1885: Young Master Fan, you have changed! (17)**

Xie Yun and Qiao Yuanxi's goal should be to drive her out of the Qiao family. Where did this misunderstanding come from?

The video of the beating was real. He had personally seen her walk out of the hospital with injuries all over her body. Now, she actually wanted to personally clarify that it was a misunderstanding..

Fan Yu closed the contract he had intended to cancel with the Qiao Group. The light on his face instantly turned sullen.

He was defending her injustice, but she didn't take it seriously herself.

What a waste of being a good person!

"Young master fan, actually, you can't blame Miss Qiao. I heard that Qiao Fangfeng also invested a lot this time and transferred 10% of his shares to Miss Qiao. You must know that after this incident, the

Qiao Group's assets have been severely reduced. Qiao Fangfeng was willing to take out so many shares because he didn't treat Miss Qiao as an outsider. Once this news spread to the outside world, the rumors of the Qiao family abusing their adopted daughter instantly disappeared."

In other words, even if Qiao Yuanfei didn't come forward to clarify, with Qiao Fangfeng's actions, everyone's impression of the Qiao family would change.

At that time, the style would probably start to change.

There would definitely be people who would stand up and question Qiao Yuanfei.

Instead of facing enemies from both sides, it would be better to clarify it now.

To leave a good impression on the public.

"As far as I know, Qiao Fangfeng is a very cautious person. Even his own children aren't willing to share the shares in his hands. Don't you think it's strange that he suddenly transferred them to Qiao Yuanfei?"

A faint light flashed in fan Yu's gentle eyes.

If he hadn't guessed wrongly, Qiao Yuanfei had thought of this method to clear his name by transferring the shares, right?

She had not been forced to come out to clarify things.

She had already thought of everything that would follow from the moment she had decided to return to the Qiao family.

Or rather, it would have been a little earlier..

Fan Yu's expression turned even gloomier.

Beep! Beep

There was a notification sound.

Fan Yu was feeling depressed as he randomly picked up his phone and took a glance at it.

He realized that it was Nian Xiaomu who had sent him a message asking him how Xiao Liuliu was doing recently. was she obedient.

Fan Yu forcefully suppressed the frustration in his chest.

Then, he told her about Xiao Liuliu's current situation in the Tang family.

Fan Yu: [ Xiao Liuliu is busy raising her younger brother. She is so happy that she doesn't want to go home. You Don't have to worry. ]

Nian Xiaomu: [ I am not worried about Xiao Liuliu. I am worried about you. I heard from Xiao Liuliu that you have a beautiful aunt living in your villa. She likes her very much and would nag me for a while every time she calls. I am not urging you to get married. I am just concerned about you! ]

Fan Yu: [ ... ]

Nian Xiaomu: [ I do not mean to belittle you. However, I have just received news from Qi Yan that Bengbeng is pregnant. If Zheng Yan sends good news over, I am afraid that your child will... ]

Before Nian Xiaomu could finish her sentence, the smile on Fan Yu's face had already stiffened.

He did not even have a wife, so how could he have a child?

When Yu Yuehan, Qi Yan, and Mo Yongheng kept showing off their babies in front of him, he was afraid that he would want to die at any moment.

Before fan Yu could regain his senses, he received another message on his phone.

It was from Qi Yan.

[ hahahahaha! I'm going to be a father! Can you believe it? My Bengbeng is pregnant! Pregnant! ! ! ! ]

His tone was extremely arrogant and pompous.

A few seconds later, Yu Yuehan's message arrived.

It was probably to inform him of Tan Bengbeng's pregnancy and to provoke him at the same time.

Then, it was Mo Yongheng again..

Fan Yu was in a bad mood.

He couldn't even send a blessing.

He only sent a congratulatory message to Tan Bengbeng and then pretended to be offline.

### **Chapter 1886: Young Master Fan, you have changed! (18)**

What's wrong with having a wife?

What's wrong with having a child?

He was single and proud!

Beep! Beep

Nian Xiaomu had been busy with something earlier on. After a long while, she sent him another message.

[ I went to a city for a vacation with Yu Yuehan. In the end, I bumped into a little boy who looked just like you when you were young. He was so handsome that I wanted to steal him back to be Xiao Liuliu's child-rearing husband! ]

There was also a photo attached at the back.

The photo did not appear in the buffer state for the time being.

Fan Yu finished reading the text first. The image of Nian Xiaomu asking him over the fence when she was young flashed past his mind, and the corners of his mouth curled up into a helpless smile.

On the other hand, she was worried for Xiao Liuliu.

It was not enough that she had booked a baby Tang Bao. She had even set her sights on the children abroad while they were on their honeymoon abroad.

Fan Yu's pupils constricted when the photo was zoomed out.

He stared at the little boy who looked exactly like him on the phone and was momentarily stunned.

It wasn't that his facial features were very similar, but rather, it was his temperament.

At such a young age, his aloof and self-satisfied look was really similar to when he was young.

However, there was a hint of arrogance between his brows.

He looked very handsome when he was young.

No wonder he caught Nian Xiaomu's attention.

Nian Xiaomu: [ I had been squatting beside him for a long time and wanted to wait for his parents. In the end, I did not realize that he had an adult by his side. How could such a young child be so independent? He went out to play by himself and returned home by himself. What would he be like when he grew up? If Yu Yuehan had not stopped me, I would definitely have secretly followed him home! ]

Fan Yu: "... Calm Down. Otherwise, you will be treated as a human trafficker."

Nian Xiaomu was still very excited. "I feel sorry for Xiao Liuliu. There was once a chance for her to have a harem of three thousand men. It was her mother who did not seize it for her!"

Fan Yu: "..."

Have you considered Little Tang Bao's feelings?

Fan Yu had just put down his phone and was still immersed in the impact that the photo of the little boy had brought to him.

His assistant had already reminded him by the side.

"Young master fan, there's a live broadcast of the Qiao Corporation's press conference. Do you want to take a look?"

"There's no need."

Fan Yu threw his phone on the table, his face turning gloomy again.

It was as if there was something blocking his chest.

If she wanted to deal with the Qiao family, all she had to do was to tell him. There was no need for it to be so complicated.

However, she did not say anything. She did not hesitate to put herself in such a dangerous position and take revenge at her own expense. What did the Qiao family owe her that she did not care about it?

“Get Someone to investigate the cause of death of President Qiao and his wife. I don’t want to see all the information on the surface. I want the truth!”

The assistant said, “This... young master fan, it has been so long. If there really is something fishy going on, it will be difficult to find out after such a long time.”

Fan Yu’s gentle eyes narrowed and the corners of his mouth curved into a half-smile.

His thin lips parted slightly.

“If it’s easy to find out, then there’s no need for me to investigate. Just go ahead and investigate. However, this matter must be carried out in secret. Don’t alert anyone from the Qiao family.”

“Yes.”

The assistant quickly left.

The CEO’s office suddenly became quiet.

Xiao Liulu went to the Tang family, and Qiao Yuanfei returned to the Qiao family. His life seemed to have turned into a pool of stagnant water in an instant, without a single ripple.

This kind of quiet after the noise was so quiet that it made it hard for people to breathe.

It was as if his heart had been hollowed out.

Fan Yu reached out and rubbed the space between his eyebrows. He picked up his coat and walked out.

After getting into the car, he turned the steering wheel and headed straight for the Qiao Corporation’s press conference.

### **Chapter 1887: Young Master Fan, you have changed! (19)**

When the car arrived at the venue, it was completely surrounded by bodyguards.

The Qiao family’s matter and its influence were not limited to the Internet.

From the looks of it, if the matter was not properly resolved, the Qiao Corporation might not be able to survive this crisis.

No wonder Qiao Fangfeng was such a cautious person. He was willing to take the risk of transferring his shares to Qiao Yuanfei as a bargaining chip to clear his name.

Fan Yu did not enter the venue. Instead, he drove the car to the back door.

He parked it in an inconspicuous position.

The car window was not opened. He only unfastened his seatbelt.

He took out his phone and entered the live broadcast platform that his assistant had mentioned. He watched the live broadcast of the press conference.

Qiao Yuanfei’s face quickly appeared on the screen.

Fan Yu stared at her slightly lowered head. Her timid appearance was completely different from when she was in front of him.

In front of him, she would easily blush. With just a slight tease, it was as if she wished she could dig a hole and bury herself in it.

However, there had never been such a timid and panicked look in her eyes.

Upon closer inspection, the light did not penetrate deep into her eyes.

She was acting.

He could tell at a glance.

Fan Yu placed his phone in front of him, took out a cigarette from the hidden compartment, and lit it up.

He rarely smoked.

Only when he was bored would he smoke.

The green and white smoke lingered on his handsome face, outlining an unspeakable sense of decadence.

Sexy, charming, and seductive.

His eyes were fixed on the person in the video, listening to her voice and the way she spoke, which was completely different from the way she usually spoke in front of him. The light in his eyes became more and more dangerous.

He admitted that he had allowed her to get close to him in the beginning to test her intentions.

But now, he felt as if he was lifting a stone and smashing his own foot.

Seeing her act in front of Qiao Fangfeng and the Qiao family, he would rather her beg him to help her.

She clearly knew that if she really opened her mouth, he would help her for Xiao Liuliu's sake.

Fan Yu took a deep puff of his cigarette. He was so excited that he choked on his cigarette for the first time.

Without waiting for the press conference to end, he turned off his phone.

He waited outside for as long as the press conference lasted.

When it ended, his assistant sent him a message telling him that the Qiao Corporation's stock price was on the rise.

The corner of his mouth curled into a mocking smile.

From the corner of his eye, he caught a glimpse of Qiao yuanfei, who was walking out from the back door of the venue. He started the car and drove towards her.

Qiao yuanfei left the venue before everyone else in the Qiao family.

She was looking down at her phone when a car suddenly drove in front of her. She instinctively took a step back.

Unexpectedly, the car stopped in the next second.

The car window slowly rolled down.

“Get in the car!”

“... Fan Yu.” Qiao Yuanfei did not expect to see him here. She was stunned for a moment before turning her head to look around.

After confirming that there were no reporters, she quickly turned around and asked.

“Why are you here? When I called you earlier, no one answered. I thought you were angry...”

Fan Yu interrupted her, “Get in the car. Don’t make me repeat myself for the third time.”

Qiao Yuanfei: “...”

Qiao Yuanfei sensed his anger and quickly opened the car door to get in.

Without waiting for him to speak, she fastened her seatbelt.

She felt like a child waiting for a parent to educate her. The key was that she did not know what she had done wrong.

Her heart was filled with anxiety.

“Where are we going now?”

Qiao Yuanfei waited for a long time, but Fan Yu did not speak. She could not help but ask.

### **Chapter 1888: Young Master Fan, you have changed! (20)**

Fan Yu’s expression softened, and he said, “Go pick up Xiao Liuliu.”

“Pick up Xiao Liuliu? But didn’t you say that Xiao Liuliu can’t bear to part with Little Tang Bao and wants to stay in the Tang family for a few more days?” Qiao Yuanfei asked in confusion.

She felt that he was still acting strange today.

She wanted to ask him if he had watched the live broadcast of the press conference, but after thinking about it, she felt that it was a personal matter, so it was a little strange to ask.

She endured it.

“Didn’t you say that you Miss Xiao Liuliu?”

Fan Yu turned his head and glanced at her. Without waiting for Qiao Yuanfei to explain, he had already started the car and left the venue.

“...”

Qiao Yuanfei did not expect that he would pick up Xiao Liuliu in advance because of her casual words.

Her heart moved slightly.

The nervousness from before also disappeared in an instant.

She sat quietly in the car.

No one spoke, but they were in the most comfortable state.

This continued until the car arrived at the Tang family villa.

Qiao Yuanfei suddenly became nervous again.

She did not know Tang Yuansi and Shangxin, but she had heard of these two people's names.

Would she be misunderstood if she went in with fan Yu to pick up Xiao Liulu?

Her reputation was not important, but she was currently in the limelight. She did not want to bring him any trouble.

"I won't go in. Can I wait for you in the car?"

"Get out."

Fan Yu went around to the passenger seat, reached out to open the car door, and propped one arm on the door.

He looked down at her.

"..."

Qiao Yuanfei wanted to say something, but Fan Yu had already reached out to undo her seatbelt and pulled her out of the car.

He held her hand and walked straight into the Tang family's villa.

Qiao yuanfei tried to pull her hand back a few times, but he didn't let go. Instead, he held her even tighter.

It was as if he was deliberately opposing her.

When Qiao Yuanfei first realized that he would be such a scoundrel, Fan Yu had already pulled her into the living room before she could regain her senses.

Xiao Liulu was lying on the sofa eating.

One of her calves was straddling the edge of the sofa with a lollipop in her mouth. In front of her was a fairy tale.

When she heard the commotion and turned around to see them, she immediately slid down the sofa happily.

"Papa Fan Yu!"

"Auntie Pretty!"

She first called out for Fan Yu, but in the end, she threw herself into Qiao Yuanfei's embrace.

Fan Yu: "..."

"Xiao Liuliu misses you guys so much!"

The little cuddly ball rolled into Qiao Yuanfei's embrace and acted coquettishly.

Fan Yu: "... "he did not believe it!

The moment the butler saw Fan Yu, he had already gone upstairs to inform Tang Yuansi and Shangxin.

Very soon, they came down from upstairs.

"We had just heard about Beng Beng's pregnancy and were about to greet you when you came."

Tang Yuansi had just opened his mouth when he saw Qiao Yuanfei standing beside Fan Yu and his gaze changed.

Shangxin was also stunned.

The words that the two of them wanted to tease each other were all choked up at the same time.

Not Bad! Fan Yu's counterattack had caught them off guard..

Shangxin snapped back to her senses and hurriedly went forward to greet him.

"Take a seat, take a seat, Butler, pour some tea!"

The four of them took their seats at the same time.

Tang Yuansi forced himself to remain calm while Shangxin had an expectant look on her face.

Qiao Yuanfei was a little nervous and unconsciously tightened her arms around Xiao Liuliu.

Only Fan Yu was calm and unhurried, as if this matter had nothing to do with him.

He introduced them expressionlessly.

"Qiao Yuanfei, this is Tang Yuansi and Shangxin."

It was just a simple sentence.

Shangxin waited for a long time but could not wait for the next sentence. She asked impatiently.

"What's the use of just saying a name? Where's the relationship? Get to the point!"

Fan Yu: "..."

Qiao Yuanfei: "..."

### **Chapter 1889: Whose child is this? (1)**

Qiao Yuanfei was not a person with a thin skin. However, when it came to matters related to Fan Yu, she could not help but blush.

When she heard Shangxin's words, her face flushed all the way to her neck.

"You might have misunderstood. It's because of Xiao Liulu..."

"She was staying at my place previously." Fan Yu interrupted Qiao Yuanfei's words casually.

Tang Yuansi: "...!!

Shangxin: "...!!

Qiao Yuanfei: "...!!

There was too much information in these words. Qiao Yuanfei was shocked when she heard them.

Tang Yuansi and Shangxin sucked in a breath of cold air.

The way they looked at Qiao Yuanfei became more amiable.

"We are all on the same side. Treat this place as your own home. Don't stand on ceremony!"

"All of you, sit down first. I need to take a call."

Tang Yuansi took his phone and left.

Why would he need to take a call? His phone did not ring at all.

He was going to call Yu Yuehan!

Qiao Yuanfei came to her senses and wanted to explain subconsciously.

"It's not what you guys think. Actually, I was just..."

Shangxin said, "It's alright. You Don't have to explain. We all understand. We are all adults and we are not that gossipy. It's just a concern between friends. I hope you don't mind."

"I don't mind, it's just that I... I..."

The more Qiao Yuanfei was in a hurry to explain, the more she stuttered.

After holding it in for a long time, she did not know how to tell Shangxin that she was only staying at Fan Yu's villa.

Nothing had happened between them.

But when she said this, why did it feel like she was regretful that nothing had happened..

Before Qiao Yuanfei could think of a way to clear her name, Shangxin had already grabbed her hand.

"Alright, Alright, I know that you are thin-skinned, you don't have to say anything else, I understand!"

Qiao Yuanfei: "..."

No, you don't understand!

Qiao Yuanfei saw that Shangxin had completely misunderstood her and turned to look at Fan Yu, waiting for him to explain.

Fan Yu did not seem to understand her pleading gaze and raised his eyebrows.

“Do you want to drink fruit juice or tea?”

Qiao Yuanfei:”...”

She might need to drink some human blood to calm down.

“You’ve been having a fever for the past few days and your resistance is too weak. Drink some fruit juice to replenish your vitamin C.”

Fan Yu ignored the shock in her eyes and made a decision for her.

The intimate tone and the information revealed in her words made people misunderstand her even more.

Qiao yuanfei opened her mouth slightly but could not reply for a long time. In the end, she took the fruit juice handed to her by the butler and drank it all in one gulp.

Shangxin seemed to have noticed her shyness and did not ask about the two of them anymore. Instead, she asked Xiao Liuliu to bring Qiao yuanfei upstairs to see Little Tang Bao.

When she heard that she was going to bring Qiao Yuanfei to see her little brother, Xiao Liuliu’s eyes lit up.

She pulled Qiao Yuanfei and walked upstairs.

As they walked, she mumbled to herself.

“Xiao Liuliu knows how to raise her little brother now. Little Brother loves drinking the milk that I feed him the most.”

“Xiao Liuliu also knows how to change his diaper.”

“Xiao Liuliu reads many stories every day and then tells my little brother bedtime stories. When my little brother sees me, he smiles...”

The little glutinous rice ball talked about her experience in raising her little brother with great accuracy.

Qiao Yuanfei’s nervousness eased a lot.

When she saw the soft little guy in the crib, she couldn’t help but take a few more glances.

He had exquisite and handsome features, a high nose bridge, and his small mouth was tightly pursed when he slept.

His small appearance was half like Tang Yuansi and half like Shangxin.

He had combined the strengths of both his parents. It was no wonder that Xiao Liuliu was so bewitched that she kept talking about raising her little brother while she slept.

**Chapter 1890: Whose child is this? (2)**

Qiao Yuanfei couldn't help but reach out her hand and lightly touch his little face, but there was no reaction.

"Little brother doesn't like people touching his face, he only likes Xiao Liuliu!"

The little glutinous rice ball squeezed forward, stood on Tiptoe, and touched the crib.

Just as her hand touched the Little Guy's face, the little guy in his sleep seemed to be able to recognize it automatically. The corners of his mouth curved up, and he smiled.

"..."

This was the first time Qiao Yuanfei had seen such a situation, and she could not regain her senses for a long time.

Xiao Liuliu smiled happily with his eyebrows curved up.

He had a cheeky little face.

"Aunt Shangxin said that little brother likes me the most!"

Fan Yu slowed down a little and followed him upstairs.

As soon as he walked in, he saw Qiao Yuanfei, who was stunned by the side of the crib.

"What's Wrong?"

"No, nothing... It's just that Little Tang Bao seems to recognize Xiao Liuliu..." Qiao Yuanfei hesitated for a moment, but she could not think of a suitable way to express her surprise.

She had originally thought that she would see fan Yu's curious gaze.

But his reaction was very calm, as if he had known all along.

"Don't treat this little fellow like a baby. She's been a shrewd person since birth and only likes to stick to Little Liuliu. When she grows up in the future, I'm afraid she'll be amazing."

Fan Yu bent down to pick up Little Liuliu and scratched her little nose.

"I'm here to pick you up. Go pack up your things."

"Can I bring my little brother with me?" Xiao Liuliu asked reluctantly as she looked at the crib with her fingers.

She had only raised her little brother for a few days, but she had already developed feelings for him.

When she thought about separating from her little brother, her big black eyes immediately became watery.

Fan Yu was a little surprised by this.

From the corner of his eye, he glanced at Qiao Yuanfei, who was standing at the side, and the corners of his mouth curved up.

“It’s not impossible. If someone is willing to help you take care of your little brother, perhaps your aunt Shangxin will be at ease and let you bring your little brother back to take care of him for a few days.”

“...”

Xiao Liuliu was stunned, and he raised his head to meet fan Yu’s gaze.

His big eyes blinked, and he immediately slid down from his embrace and ran to Qiao Yuanfei.

“Aunt, can you take care of your little brother with Xiao Liuliu?”

Qiao Yuanfei jumped in fright. “No, Xiao Liuliu, my little brother is too young. I’m afraid that I...”

“You can learn if you don’t know how to raise a child. You’ll have to learn anyway in the future. When I first started taking care of Xiao Liuliu, I didn’t know anything either. It was just a practice session.”

Fan Yu opened his mouth faintly.

Qiao Yuanfei: “...”

Qiao yuanfei: “But I’m no longer living in your villa. Even if I’m willing to help take care of Little Tang Bao, it’s not convenient.”

“Won’t it be convenient if you move back here?”

Fan Yu replied very quickly. Then, as if he realized something was wrong, he added on.

“In any case, it’s only a few days. Let Little Liuliu have a transition in her emotions.”

Qiao Yuanfei: “...”

If he said so, if she rejected little Liuliu again, little glutinous rice ball would probably be heartbroken.

Qiao Yuanfei didn’t insist.

Instead, she asked Xiao Liuliu to ask Shangxin.

She prayed in her heart that perhaps Little Tang Bao was too young and Shangxin would be reluctant to let them take him away.

In the end, in less than a minute, Xiao Liuliu ran back happily.

“Aunt Shangxin has agreed!”

Qiao Yuanfei: “...”

Qiao Yuanfei was dragged by Xiao Liuliu to clean up little Tang Bao’s milk powder and diapers. She was in a daze the entire time.

After she digested the news that she was going to live with fan yu again, she suddenly realized that fan Yu, who had been standing in the room just a moment ago, had disappeared.

She was just about to walk out the door when Xiao Liuliu had already grabbed her and was in a hurry to let her carry Little Tang Bao.
