

My Life 1901

Chapter 1901: Whose child is this? (13)

In other words, he had already noticed that she wasn't really helping the Qiao family..

Qiao Yuanfei's face instantly turned deathly pale.

Her body froze on the spot, unable to move.

Many thoughts flashed through her mind in an instant, but when she met his gaze in the end, she couldn't say a single word.

Was he really willing to help her, or was he testing her?

Could she tell him everything?

Qiao yuanfei fell into an argument..

She bit her lips tightly, lowered her eyes and stared at her palm, not saying a word.

She had been alone for too long.

So long that she felt that no one in this world would help her.

She had endured the pain of losing both her parents.

The helplessness of living abroad alone.

And the baby..

Qiao Yuanfei's eyes turned gray.

The plan was already at the last step, and her goal would soon be achieved.

She didn't need anyone's help. She could let the bad guys get punished by herself.

She didn't want to implicate him..

If she really asked him for help, then it would be no different from getting close to him in order to use him?

She did not want to make herself so unbearable.

She did not want to tarnish Xiao Liuliu's affection for her.

Qiao yuanfei regained her senses and raised her eyes slightly.

"I don't know much about the management of the company. Uncle has never allowed me to interfere in the company's matters. Moreover, the fan corporation has been working with the Qiao family for many years. If you were to cancel the cooperation, people would definitely say that you are adding insult to injury..."

"Do you think I would care?" Fan Yu smiled contemptuously.

Qiao Yuanfei: "..."

But she did care.

Fan Yu could have stayed out of it, but this matter had nothing to do with the Fan Corporation.

There was no need for him to get involved in the muddy waters for her, causing her to be covered in blood.

At the thought of the media throwing dirty water on him, Qiao Yuanfei felt that she could not stand it at all.

It was fine to call her confident or pretentious.

She had already laid out her plan for so long, only missing the moment to close the net.

She did not want to implicate anyone.

"Can you please not interfere in the Qiao family's matters?" Qiao Yuanfei opened her mouth with difficulty.

One could see that fan Yu's expression quickly turned cold after she said this.

The light in his eyes flickered with traces of anger.

His lips curled into a self-mocking smile.

He let go of the mouse and leaned back in his chair.

"Alright, let's not talk about the Qiao family. Let's talk about your life abroad. I heard that you didn't do well in your studies and graduated from a foreign university with great difficulty. What have you been doing for a living all these years?"

"..."

Qiao Yuanfei's body became stiffer and stiffer.

Her hands were tightly clenched into fists.

She stood in front of his desk like a student who had been punished for making a mistake.

"... My Aunt Doesn't treat me well, but my uncle treats me well. He often gives me pocket money in private. It's enough to save one province."

"Is that so? In that case, Qiao Fangfeng treats you well. No wonder he got sick. You were so anxious that you didn't hesitate to go to the hospital to look for Qi Yan."

Fan Yu's tone was indifferent.

After saying that, seeing that Qiao Yuanfei did not say anything, he opened his mouth again.

"You're studying in the most famous financial street. Have you heard of a name?"

"What?"

Seeing that he was no longer asking about the Qiao family, Qiao Yuanfei secretly heaved a sigh of relief and raised her head to look at him.

The corners of fan Yu's mouth curved, and he enunciated each word with a pause.

"The trader who made a name for himself, Fay."

"..."

It was as if Qiao Yuanfei's throat had been grabbed by a giant hand in an instant. She tried her best to tighten her body, not allowing her expression to reveal any traces, but she could not control the slight tremble in her body.

Chapter 1902: Whose child is this? (14)

"I heard that she's a woman and a Chinese. I just don't know what she looks like. All the financial tycoons who are related to her are secretly covering up for her identity. It's really curious, Don't you think so?"

Fan Yu stared at her face. He placed his hands on the desk and slowly stood up.

He walked around to Qiao Yuanfei.

He grabbed her shoulders and made her turn to face him.

He lowered his eyes and stared at her pale face. He opened his mouth casually.

"What's wrong with you? I'm just asking you about a person. Why are you panicking? Wait! Your name is Qiao yuanfei... Fay..."

"I don't know her!"

Qiao yuanfei raised her head and denied without thinking.

She broke free from his shackles and took a step back. She looked straight at him and opened her mouth firmly.

"My major has nothing to do with this, and I've never paid attention to finance. I've never heard of this name."

Fan Yu clenched his teeth. "..."

His warm eyes were filled with a deep light that no one could see through.

He stared at her gloomily for a long time.

Qiao Yuanfei stood where she was and met his gaze. She almost felt that she could not bear it.

But she could not move.

If she ran away now, it would be the same as admitting everything.

After a while, Fan Yu saw the thin sweat on her forehead. He could not bear it.

He turned around, clenched his fists, and opened his mouth faintly.

"I still have work to do. You go out first."

"... Okay."

Qiao yuanfei turned around mechanically and took a step forward.

She had only taken two steps when a strong force pulled her back and pressed her against the edge of the desk.

Fan Yu's face was dark as he stared at her.

It was as if he wanted to cut her into a thousand pieces, but in the end, he suddenly smiled.

His smile was extremely evil and made people feel a chill down their spine.

"If I tell you to leave, then leave. You're so obedient. If I tell you to stay, are you going to stay or not?"

His well-defined fingers caressed her bloodless lips.

He suddenly lowered his head and kissed her.

"Oh—"

Qiao yuanfei widened her eyes in shock.

What surprised her even more was that fan Yu's hand slid to her back and unbuttoned her underwear.

He was like a prince who was possessed by a demon and controlled by an evil spirit.

His kiss was domineering and full of plunder.

Qiao yuanfei struggled a few times but could not break free. Just as she was wondering if someone would come, the thought of her bringing supper to the study suddenly flashed through her mind.

This was great.

She really had to use such a sound-proof door..

"Fan Yu..."

"Shout Louder." Fan Yu unbuttoned her shirt and leaned against her ear, exuding a charming breath.

"..."

Qiao Yuanfei was completely speechless. She only felt a numbing sensation that penetrated all her limbs.

Her mind was a complete blank.

She had never seen fan yu like this.

He had always been elegant, making people feel as if they were bathed in the spring breeze.

The outside world's evaluation of him was that he was as gentle as jade, unparalleled in the world.

Today, he suddenly did not seem like a human..

He was like a second personality that had split out from his body, so unfamiliar that it made people fear him.

“You’re afraid of Me?” Fan Yu paused. His long fingers pinched her chin and slightly raised it.

His tone was mocking.

“If you’re afraid of me, do you still dare to lie to me? Yes!”

Qiao Yuanfei’s heart trembled.” ...”

Qiao yuanfei: “I’m not.”

“Bang –”

Fan Yu smashed his fist onto the study table, causing a muffled sound.

He glared at her fiercely.

What a good sentence.

It seemed like she would not shed tears until she saw the coffin!

Chapter 1903: Whose child is this? (15)

Fan Yu stared at the disheveled woman in his arms. His eyes darkened, and just as he was about to stop being a human, he saw her shrink into his arms and take the initiative to hug him.

Her voice was trembling, and she spoke very slowly.

“Fan Yu, don’t be like this... you’re not this kind of person...”

“...”

Fan Yu narrowed his eyes and his body froze slightly.

The rage in his heart was extinguished by her words, “You’re not this kind of person”.

In her heart, what kind of person should he be?

Fan Yu himself was a little stunned.

He was surprised at his own transformation and his possessiveness towards her..

“Knock Knock!”

The door to the study suddenly rang.

Fan Yu reached out his hand to pull her clothes without hesitation and said in a deep voice.

“What’s the matter?”

“Young master fan, the young Miss and Little Tang Bao have woken up and are looking for Miss Qiao, but Miss Qiao is not in the room...” the butler’s anxious voice sounded from outside the door.

Hearing this, Qiao Yuanfei seemed to have grabbed onto a life-saving straw.

She answered in a hurry.

She guessed that Little Tang Bao must have woken up from hunger and asked the butler to prepare the milk first.

After the Butler left, she did not bother to put on her clothes. She covered her chest with both hands and walked out.

When she reached the door, she stopped in her tracks.

She wanted to say something but hesitated. In the end, she did not say anything.

The moment her figure disappeared into the study, the heat in the air instantly disappeared.

Fan Yu leaned against his desk and took out a cigarette from the box beside him and lit it up.

He took a deep breath.

The smoke that he exhaled blurred his expression at that moment.

However, the demonic look in his eyes did not dissipate. It was as if the devil in his body had been activated and was unwilling to leave.

His cell phone rang.

It was a message from Nian Xiaomu.

She asked him about his recent situation, and there was a hint of gossip in her tone.

After thinking for a moment, he made a call and clicked send.

When he saw the words "Successfully sent" on his phone, he heaved a long sigh of relief.

Nian xiaomu, who was on the other side of the ocean, was so shocked that she almost dropped her phone into the toilet bowl when she saw the "It's so good to be a demon" exclamation in Fan Yu's message.

She staggered out of the bathroom and went to interrogate Yu Yuehan.

What kind of medicine did he ask Xiao Liuli to feed fan Yu? He was such an outstanding young man, yet he had become a devil!

Fan Yu did not know what had happened on Nian Xiaomu's end.

However, when he spoke out the feelings in his heart at this moment, the pent-up frustration in his heart became much more relaxed.

The education that he had received since he was young had never allowed him to do anything out of line.

He had never felt that there was anything wrong with it.

Until he met Qiao Yuanfei. He had tried to force her to speak a few times, but he had forcefully restrained himself.

He suddenly realized that he seemed to be restrained by something.

He could not even express his most genuine emotions.

Fan Yu stubbed out his cigarette in the ashtray and walked back to his chair. Just as he was about to sit down, he saw a small floral underwear hanging on his chair..

His gaze deepened, and the image of her coyly curled up in his arms flashed before his eyes.

He took a deep breath.

He wanted to be a devil again.

Fan Yu picked up his phone and took a photo of the thing on the chair. Then, he flipped to the name in his address book and chose to send a MMS message.

There were also text combinations.

[you left your thing in my study. It seems that you are very persistent with the little floral bra.]

—

In the guest room.

Qiao yuanfei rushed into the room and began to tidy up her clothes.

As soon as she lowered her head, she realized that she had left something behind.

Chapter 1904: Whose child is this? (16)

However, under such circumstances, she couldn't go back to retrieve it.

She could only take a new one from the wardrobe and put it on.

Just as she finished putting on her clothes, the housekeeper came up with the prepared milk. She was busy taking care of Little Tang Bao and Xiao Liuliu. She thought that when fan Yu left the House Tomorrow, she would go to his study to look for it.

However, just as she sat down by the bed with the milk bottle, her cell phone rang.

Sending a message at this time was most likely an emergency.

Qiao yuanfei shook the milk bottle in her hand, took out her cell phone with one hand, and opened the message.

The moment the photo entered her eyes, she was completely dumbstruck.

The milk bottle in her hand fell to the ground with a bang!

Little Tang Bao, who was in the crib, was so frightened that he kicked his legs. Little Six-six also climbed up from the pillow with a whoosh. She grabbed her hair and stared with her muddled eyes at Qiao yuanfei, whose cheeks instantly turned red as if she was about to catch fire..

“Fan Yu, you bastard –”

Through the long corridor and a soundproof door, Fan Yu, who was sitting in the study, could clearly hear her angry roar.

He sighed again. It was so good to be a devil!

–

From that day onwards.

Fan Yu and Qiao Yuanfei lived under the same roof and never appeared in the same picture again.

Whenever fan Yu returned, Qiao Yuanfei would bring Xiao Liuliu and Little Tang Bao to the courtyard to bask in the Sun.

Once Fan Yu went upstairs, she would bring Xiao Liuliu and Little Tang Bao to play in the living room.

When Fan Yu slept, she would also bring Xiao Liuliu and Little Tang Bao back to their rooms to sleep.

In short, she would do everything she could to avoid fan Yu.

In the end, Fan Yu began to wonder if he was the only one in the entire villa..

When Qiao Yuanfei went downstairs to pour milk for Little Tang Bao, he blocked her at the stairway.

His tall and straight body leaned against the guardrail and reached out to pull his tie.

He raised his eyebrows.

“How long are you going to hide from me?”

“I’m not.” Qiao yuanfei lowered her head. Before she could even look at him, her ears were already red.

If she spoke to fan Yu a little more, her face would probably turn red as well.

Fan Yu seemed to have thought of something as the corners of his mouth curled up in a devilish manner.

“If it’s because of little broken flower...”

“I don’t understand what you’re saying! Little Tang Bao is hungry. I’m going to go feed him milk.” Qiao yuanfei seemed to have been switched on to Popeye mode. She pushed fan yu away with a sudden push and ran into the room without looking back.

The door closed with a bang!

“TSK TSK.”

Fan Yu stood at the stairway and stared at her retreating figure. His smile became more obvious.

“With just this little mental fortitude, if he knew that there were surveillance cameras in my study, he would probably fight me to the death.”

In other words, he was already merciful by only sending her photos of the little flowers.

If he was any worse, he would have sent her a video.

Especially when she took the initiative to hug him, shivering in his arms, and said that he shouldn't be this kind of person..

God knows, every time he watched this video these past few days, he would regret bringing Little Tang Bao back.

Wasn't a little six-six enough to cause a ruckus?

With little Tang Bao, he couldn't even find the opportunity to be a devil.

Fan Yu stood at the stairway for a few seconds. Recalling the news that was announced by the Qiao Corporation today, he walked back into the guest room.

The moment Qiao Yuanfei saw him, her entire body tensed up, and her posture of hugging little Tang Bao became stiff.

Fortunately, Xiao Liuliu was there. Before she could speak, Xiao Liuliu had already pounced in front of Fan Yu and opened her arms to beg for a hug.

Fan Yu, who had always doted on Xiao Liuliu, didn't hug her immediately for the first time.

Instead, he looked at Qiao yuanfei.

"I have news that I want to tell you first."

Chapter 1905: Whose child is this? (17)

"What?"

Qiao yuanfei became more and more nervous because of his serious tone.

Fan Yu didn't say anything. He bent down and picked up little six, who still had her arms open, and kissed her on her little face.

He slowly raised his head to look at Qiao Yuanfei.

"You Want to know?"

"..."

"Beg me!"

Qiao Yuanfei:"..."

This was still the fan Yu that she knew?

Was he the Devil?

Qiao Yuanfei chose to check the news herself.

She had just picked up her phone when fan yu had already carried Xiao Liuliu to her and reached out to hold her hand.

“Forget it, I’ll tell you.”

“...”

So, what exactly was he trying to say?

“Actually, it’s nothing much. It’s just that the Qiao Corporation announced the new quarter’s results today, and the company’s earnings have already stabilized. The stock price that fell due to the scandal has also steadily recovered. Simply put, the Qiao family has already recovered.”

Fan Yu casually opened his mouth.

His gaze was fixed on Qiao Yuanfei.

“From the looks of it, you don’t seem happy.”

“... No, I’m very happy. My uncle’s condition has started to improve. With the Qiao Corporation in his hands, it will definitely get better and better,” Qiao Yuanfei replied softly and didn’t speak again.

In her mind, she was thinking about another matter.

If the Qiao Corporation really wanted to recover its strength, it would not be so fast.

On the surface, the news was usually just to stabilize the stock holders.

But this was enough.

As long as the Qiao Corporation’s stock price was stable, her uncle should not be at ease to keep his shares in her hands.

In a short while, he would probably ask her to return the shares, right?

A cold light flashed across Qiao Yuanfei’s eyes, and a mocking smile appeared at the corner of her mouth.

She remembered that Fan Yu was right in front of her, and quickly hid the emotions in her eyes.

“Aren’t you going to the company today?”

“Are You Kicking Me Out?” Fan Yu’s face turned black.

Qiao Yuanfei: “...”

Qiao Yuanfei: “That’s not what I meant. I just remember that usually at this time, you have already left the house. Did you stay here especially to tell me about the Qiao Family?”

“No, the fan corporation has a new product launch today. They invited many industry colleagues and reporters to attend. You’ve been cooped up at home for a few days. Do you want to go out with me?”

Fan Yu carried Xiao Liulu and walked in front of her. He placed Xiao Liulu beside her and reached out to tease little tang bao in her arms.

The intimate posture made them look like a family of four.

A young couple with two children.

The scene was warm and beautiful.

Qiao yuanfei herself was slightly dazed.

“The reporters may still be looking for me. If I go out with you...”

“Didn’t I say just now that the Qiao family’s matter has been suppressed very well? Now it has calmed down. The reporters are no longer so sensitive to the Qiao family’s news. In addition, I asked you to attend the press conference. I only asked you to go out for a walk, not to stand up for me. You Don’t have to appear in front of the reporters.”

Fan Yu pinched little Tang Bao’s nose and opened his thin lips slightly.

Qiao Yuanfei was very moved.

The fan group’s new product press conference was a grand event that many industry peers wanted to attend. It was another ticket that was hard to come by.

In such a business setting, there would definitely be many opportunities to learn.

She wanted to become an outstanding figure like Fan Yu. Learning from him was the best shortcut.

But..

Qiao yuanfei raised her head and looked at him with some misgivings.

Fan Yu was not an ordinary person.

Although he was amiable and polite to everyone, in reality, he was only amiable on the surface.

Chapter 1906: Whose child is this? (18)

Actually, he did not like to be close to others. He attended all sorts of occasions and had never had a female companion by his side.

Would she cause trouble for him if she followed him?

“We’ve already left the house, so Xiao Liuliu and Xiao Tangbao...”

“There’s a housekeeper. I’ve even hired a housekeeper. You Don’t have to worry.” Fan Yu took the sleepy Xiao Tangbao from her arms and put a pacifier on him. The little guy fell asleep very quickly.

He gently put Little Tang Bao into the crib.

What he actually wanted to say was that with Xiao Liuliu around, Little Tang Bao didn’t care who took care of him.

To put it bluntly, he only wanted Xiao Liuliu.

As for Xiao Liuliu, that was even easier to solve.

As long as he told her that he had gone with the pretty aunt to give birth to her little brother, Xiao Liuliu would probably take the initiative to take care of Little Tang Bao, not to mention obediently staying at home.

Fan Yu did not say these words.

He only looked sideways at Qiao yuanfei.

“Go and change your clothes. I’ll wait for You Downstairs.”

Qiao yuanfei nodded. She had just walked to the wardrobe and opened the door when fan Yu suddenly stopped and turned around to look at her, asking kindly.

“Your little broken flower is still with me. Do you want me to bring it over?”

“Bang –”

Qiao Yuanfei’s hand trembled, and the wardrobe door clamped her hand.

She raised her head angrily, and Fan Yu’s figure had already disappeared at the door.

“Bastard!”

–

Due to the incident with little broken flower, Qiao Yuanfei’s face was still red even when she got into the car. She was unwilling to make any eye contact or verbal contact with fan Yu.

She lowered her head and pretended to look at her phone. Her mind was filled with the image of him standing at the door and asking her seriously if he still wanted little broken flower..

She could not help but look down at her chest.

After making sure that the underwear she was wearing today was not the little flower pattern, she suddenly let out a sigh of relief.

Soon, she found that she had relaxed too early.

Today was a cloudy day. There was a drizzle in the sky. It was the kind of rain and fog.

When the wind blew, it would be very cold.

Qiao Yuanfei did not look at the weather forecast before she went out. She was wearing a sleeveless long skirt.

She didn’t have a shawl.

When the car window opened, she couldn’t help but sneeze.

Seeing this, Fan Yu was about to take off his suit jacket. When he took it off halfway, he thought of something and put it back on.

Not only did he put it back on, he even fastened the buttons tightly, afraid that she would come and snatch his clothes.

Qiao Yuanfei:”...”

Stingy.

Qiao yuanfei rubbed her nose and silently cursed in her heart.

She lowered her head and continued to look at her phone without saying a word.

When the car suddenly stopped by the roadside, she subconsciously thought that she had arrived at her destination and raised her head.

She realized that it was not the fan corporation but a trendy women's clothing store.

"Wait for me for a while, I'll go down and buy something."

Fan Yu did not even pull out his car keys. He pushed open the car door and got out.

He went quickly and came back with only a bag in his hand.

Once he got in the car, he handed it to Qiao Yuanfei.

"It should be your style. Just make do with it for now."

"..."

Did he get out of the car to buy her a shawl?

Qiao Yuanfei was touched.

She decided to take back all the words she had said about him being ungentlemanly just now.

"Thank you."

Qiao yuanfei thanked him and took out the shawl from the bag with an expectant look.

When she saw the small flowers on it, the smile on her face froze.

She was stunned for a full three seconds.

When she came back to her senses, she wished that she could strangle him to death with the shawl in her hand!

If this was only the beginning of today's misfortune, then Fan Yu would let her understand what true despair was..

Chapter 1907: Are you the Devil? (1)

Qiao yuanfei hugged the little floral shawl in her arms. She would rather die of cold than wear it.

Fan Yu did not force her. He turned on the heater in the car considerately.

Although the two of them were silent, they arrived at the fan corporation in Harmony.

The venue for the new product launch was the conference hall on the first floor.

Qiao yuanfei originally thought that Fan Yu would bring her directly to watch the grand event through the internal channel. In the end, he brought her into his office without saying a word.

"Aren't we going down to attend the press conference?"

Qiao Yuanfei asked curiously.

Fan Yu took off his suit jacket and hung it casually on the sofa. He raised his eyes and glanced at her.

“No Rush. Are you thirsty? What would you like to drink?”

“...”

Qiao Yuanfei looked at him somewhat blankly.

According to what she knew, the Fan Corporation’s new product press conference was about to begin. If they didn’t take the opportunity to enter now, wouldn’t it be too conspicuous later?

Qiao Yuanfei’s worries had just surfaced, but she immediately thought that every corporation had a secret internal channel.

Perhaps fan yu could arrange an employee channel for her to enter in a low-key manner later.

In that case, she would indeed not have to go down so early and be barely recognized by the reporters, causing unnecessary trouble.

“A cup of hot water would be fine, thank you.”

Fan Yu nodded and reached out to press the intercom, getting his secretary to send two cups of water in.

Qiao Yuanfei sat on the guest sofa and looked at fan Yu, who was calmly handling the documents in front of his desk.

She wanted to speak a few times, but she held it in.

She could only keep looking up at the time.

She secretly muttered in her heart, the fan group’s new product launch is about to start, do they really not need to come in early?

“You suddenly realized that I’m very good looking today and kept staring at me?”The moment fan yu signed the document and closed it, he opened his mouth mockingly.

His meaningful gaze swept past Qiao Yuanfei’s face, which was unable to react in time.

Her expression was a little dazed, with a hint of naivety.

When she heard what he said, she was not in a hurry to retort. Instead, she licked her lips.

It was as if she was tacitly agreeing with what he said.

This reaction of hers greatly pleased Fan Yu.

A faint light flashed across his eyes. He was filled with anticipation for what was going to happen next.

He kept the documents that he had signed and stood up from his office chair.

“It’s about time. Let’s go.”

“... Where are we going? The press conference?” Qiao Yuanfei was still struggling with how to answer his question and subconsciously asked back.

When she asked, she realized that she had made a fool of herself.

It was rare that Fan Yu did not laugh at her today, so he kindly replied, “Yes, I’ll bring you to the fan group’s new product press conference.”

As he said that, he calmly raised his arm and let Qiao Yuanfei hold his arm.

“There’s no need to be so formal, right? Didn’t we sneak in through the employee channel to take a look?”

Qiao Yuanfei stared at his arm, her movements a little hesitant.

The corners of Fan Yu’s mouth curved into a smile that was not a smile.

“What’s wrong with the staff passageway? Taking the staff passageway can also increase the sense of ritual. This is what life is all about.”

“...”

Although Qiao Yuanfei did not quite understand how this had anything to do with the sense of ritual, she still held his arm when she heard that he made a lot of sense.

The two of them left the CEO’s office together.

When they got off the elevator, Qiao Yuanfei looked at the words “CEO’s private elevator” on the elevator and vaguely felt that something was wrong.

Before she could recover from her shock, the elevator had already arrived.

Fan Yu took her and strolled towards the press conference hall.

Chapter 1908: Are you a demon? (2)

The moment she arrived at the door and saw the main door of the conference hall, Qiao Yuanfei’s slow-witted mind connected in a trance.

Just as she was about to let go of Fan Yu’s hand, someone had already opened the door of the conference hall.

Caught off guard, she met the gazes of the guests and reporters inside..

Qiao Yuanfei: “...”!!

Countless gazes and spotlights seemed to focus on her in an instant.

Qiao Yuanfei was stunned on the spot.

What flashed before her eyes were pairs of eyes filled with anticipation, which turned from anticipation to surprise, and finally to disbelief..

Then, the reporters stood up from their seats as if they had gone crazy, raising their cameras and frantically taking pictures.

Qiao Yuanfei's eyes were hurting from the Flash.

She was about to raise her hand to block when a strong arm pulled her back to protect her.

When she regained her senses, all she saw was fan Yu's back.

The security guards at the scene also started to maintain order.

"Everyone, take your seats. Our new product launch is about to begin..."

The moment the security guard stepped forward, the reporters who were stopped became even more agitated.

If they were just taking photos, then there were already people who couldn't help but want to interview fan Yu.

"Young master fan, you've never brought a female companion to a public event before. Can you tell us about the relationship between you and the girl behind you?"

"Young master fan, is this your girlfriend? May I ask if she's the orphan adopted by the Qiao Family?"

"How long have you two been in a relationship? Is It True Love?"

"Young master fan brought her here today. Is he preparing to announce his relationship to the public..."

"..."

The Reporters' voices rose and fell one after another. There were so many questions that it was impossible to answer.

Qiao Yuanfei was so confused that she did not even need to answer them.

Qiao Yuanfei's mind was already muddled.

She was stunned by Fan Yu. After a long while, there was no response.

In comparison, Fan Yu's expression had always been very calm. In the face of everyone's curious gazes, he was neither in a hurry to explain nor was he in a hurry to clear his name.

His handsome figure stood proudly.

His gentle gaze swept across everyone present.

His gaze was clearly not sharp, but for some reason, it still made people respect him.

No one noticed that his hands behind his back had been holding Qiao Yuanfei's hand.

He held her hand tightly, as if he was afraid that she would run away.

Seeing that she had no intention of running away, he turned around and smiled.

Charming all living things.

He coughed twice to make the venue quiet down.

The assistant quickly stepped forward to stabilize the situation.

“Thank you all for taking the time to attend the fan corporation’s new product launch. The launch is about to begin. If anyone has any questions, young master fan will reserve some time for everyone to ask questions after the launch. Please take your seats first...”

This was the fan corporation after all.

The reporters who had been invited to attend the launch did not dare to rashly provoke fan yu.

After hearing the assistant’s words, even if everyone was not concerned about the new product launch, they could only suppress their emotions and take their seats first.

When they saw fan yu holding Qiao Yuanfei’s hand and bringing her to the first row of seats and asking her to sit beside him, there was another wave of gasps in the venue!

The host quickly went up to the stage and announced the start of the press conference according to the procedure of the press conference.

As the president of the Fan Corporation, Fan Yu was the first to go up to the stage to speak.

His voice was very pleasant to hear, neither too fast nor too slow.

Qiao Yuanfei sat in her seat. Unlike the admiring and admiring gazes of the crowd, she only had a dull look on her face, as if she had never recovered from the scene just now..

Chapter 1909: Are you the Devil? (3)

She... attended the press conference with fan Yu under the watchful eyes of everyone?

Where’s the employee channel? !

Qiao Yuanfei’s brain exploded with a bang.

When she really reacted to what had just happened, her eyes immediately widened as she looked at fan Yu on the podium.

Their eyes met. Fan Yu’s expression was calm as he smiled faintly at her.

His calm posture and decent speech made it impossible for anyone to take their eyes off him.

Qiao yuanfei heard the sound of her own heartbeat.

Something had gone out of control at this moment.

She subconsciously reached out to press her chest. When she thought of his smile just now, she had even forgotten that they were surrounded by reporters.

The way she looked at Fan Yu was all captured by the camera.

Fan Yu’s speech ended very quickly.

He walked calmly down from the podium.

Many of the reporters around could not help but stand up. The security guards immediately stepped forward to maintain order.

Fan Yu walked steadily in front of Qiao Yuanfei.

He was not in a hurry to take a seat. Instead, he placed one hand on the table. As if he was worried that the misunderstanding was not deep enough, he leaned over slightly and whispered something into Qiao Yuanfei's ear.

Soon after, a doting smile appeared at the corner of her mouth. Under the curious gazes of the crowd, she sat down.

Instantly, the atmosphere in the venue exploded.

The flashes of the cameras flashed crazily, causing Qiao Yuanfei to be unable to open her eyes.

Her expression was as dull as ever. She was even more stunned than the reporters who could not hear what fan Yu had said to her.

Because... she could not hear anything either!

No, he did not say anything at all. He just walked up to her inexplicably and stepped back with a smirk on his face.

Qiao Yuanfei did not have time to react to what was going on. The reporters at the scene were already high.

Fortunately, there were enough security guards at the fan corporation's new product launch event. When the host went on stage, the scene was already under control.

Qiao Yuanfei held onto the belief that she was here to learn. In the end, she sat on her seat in a daze. Her mind was filled with the scene of them opening the door just now and seeing a dark mass of people in front of them..

The questions from the reporters drifted past her ears one by one.

It was as if an infinite loop had been activated.

She had no idea when the launch ended.

By the time she reacted, the reporters had already surrounded fan Yu.

She had just stood up from her seat when she was pushed to the side.

Countless microphones were raised in front of fan Yu, trying to get some gossip out of him.

"Qiao Yuanfei, why are you here?"

A sharp female voice suddenly sounded.

Qiao Yuanfei raised her head and realized that the person standing not far away from her was Qiao Yuanxi.

Qiao Yuanxi, who was wearing a small dress and had deliberately dressed herself up, could also be considered a beauty.

With her exquisite makeup and the temperament that Xie Yun had specially nurtured for her since she was young, it was difficult for her to be ignored when standing in a crowd.

However, when compared to Qiao Yuanfei, she did not look good enough.

Qiao Yuanfei's clothes were not as luxurious as hers, and her makeup was also very simple and elegant, almost without makeup.

But even so, when Qiao Yuanfei stood in front of her, her otherworldly facial features and the aura around her still suppressed Qiao Yuanxi by a bit.

The Qiao family had been the focus of everyone's leisure time for a while now.

Thanks to the video of the beating, everyone now knew that the two young ladies of the Qiao family were not on good terms.

The moment Qiao Yuanxi appeared, everyone's gaze instantly focused on her.

When Qiao Yuanxi saw so many people looking at her, she thought that her outstanding makeup had attracted everyone's attention, so she immediately reached out to do her hair.

Chapter 1910: Are you the Devil? (4)

The Qiao family was the partner of the fan group. The Qiao family would definitely receive an invitation to the fan group's new product launch.

Qiao Fangfeng's body had not recovered, so it was inconvenient for him to attend.

The representative sent by the Qiao family was Qiao Yuanchuan.

Qiao Yuanxi heard that Fan Yu would personally host the launch and pestered Qiao Yuanchuan to bring him here.

However, when she reached the door, she realized that two people could not enter with just one invitation.

She stomped her feet in anger and waited in the car for a long time. When the press conference was about to end, the security guards let down their guard and sneaked in.

She did not manage to catch up to what had happened in front of her. The moment she entered, she saw Qiao Yuanfei standing beside Fan Yu..

She could not help but shout out.

Now that she thought about it, she realized that the reporters were all looking at her, completely ignoring the fact that Qiao Yuanfei's dress and makeup were not as good as hers. Her heart suddenly felt a little more confident.

No matter what, she was the rightful eldest daughter of the Qiao family.

Qiao Yuanfei's family background and education were not something that an orphan like Qiao Yuanfei could compare to.

Qiao Yuanfei must have come here to seduce young master Fan. Shameless!

She could not stand by and watch her succeed!

With that thought in mind, Qiao Yuanxi's gaze turned sinister. He pretended to bump into his sister at the venue, his face filled with surprise as he walked forward with the bag in his hand.

"Cousin, I know that you have a crush on young master Fan, but the Fan Corporation did not invite you to the press conference. If people find out that you snuck in like this, they will laugh at our Qiao family."

After Qiao Yuanxi finished speaking, she glanced at the reporters around her from the corner of her eyes.

She realized that everyone's expressions were very strange, and their eyes were filled with surprise.

She was even more certain that Qiao Yuanfei didn't have an invitation letter in her hand, so she must have snuck in to seduce young master Fan.

If she could expose Qiao Yuanfei in front of everyone, not only would Qiao Yuanfei lose face, but young master Fan would also despise her.

Qiao Yuanfei had made her a laughingstock. She would definitely not let go of this opportunity to take revenge for herself.

Qiao Yuanxi made up his mind and raised his voice even higher.

"Furthermore, cousin, even if you want to come, you should at least change into a decent dress. I've never even seen what brand of dress you're wearing. If people who don't know you don't know your bad taste, they'll think that our Qiao family has fallen."

Qiao Yuanxi's words didn't sound like much. He was thinking about Qiao Yuanfei in every way.

But if he thought about it carefully, he was slapping Qiao Yuanfei in the face.

He was mocking her for not knowing about famous brands and wearing cheap clothes.

The surrounding reporters had long smelled the scent of war. They just didn't expect Qiao Yuanxi to be so direct.

For a moment, they all turned their heads to look at Qiao Yuanfei.

Qiao Yuanfei was a little lost in her thoughts and did not pay attention to Qiao Yuanxi at all. When she heard her words, she subconsciously lowered her eyes and glanced at the dress on her body.

She moved to Fan Yu's villa because it was a spur of the moment idea.

Fan Yu did not give her time to go back and get a change of clothes. The dress she was wearing now was a regular outfit that the Butler had prepared for her previously.

She had not paid attention to what brand it was.

Now that she was being mocked by Qiao Yuanxi in public, her eyes sparkled. Just as she was about to speak, a noble figure had already walked up to her.

He stood in front of her.

Fan Yu raised his eyes slightly and glanced at the little dress that Qiao Yuanxi was wearing.

Qiao Yuanxi thought that she had successfully attracted fan Yu's attention. She raised her head and puffed out her chest excitedly, putting on the most elegant posture.

The next second, he heard him opening his mouth coldly.

"I had someone custom-make the dress on her. With your taste, you really can't tell."
