

My Life 1911

Chapter 1911: Are you the Devil? (5)

The face slapping was like a tornado, so fast that no one had time to react.

Qiao Yuanxi was still feeling smug one second ago, but the next second, the smile on his face froze.

What did he say... a custom-made dress?

Or Fan Yu had someone custom-made it..

Qiao Yuanxi was completely dumbfounded.

He opened his mouth, unable to say a single word.

The reporters present were also stunned.

Everyone was guessing the relationship between Fan Yu and Qiao Yuanfei, but could not get an answer.

In the end, the moment fan yu opened his mouth..

To personally get someone to customize a dress or something... was there even a need to ask?

The reporters were all going crazy. They lowered their heads and started recording frantically, afraid that they would miss out on a single word that fan Yu had just said!

“Custom made...”

Qiao Yuanfei was blocked behind Fan Yu. She stared at his back and wanted to say something.

Hearing his words, she also lowered her head and looked at the dress on her body in shock.

She had never thought that her clothes were everyday clothes that the butler had casually prepared for her.

Only today did she know that it was a custom made dress.

It was no wonder that she had never seen any logo on her clothes.

Qiao yuanfei swallowed her saliva with difficulty and recalled all the clothes that she had been wearing for the past few days.

Then, she combined them with the approximate price of the custom-made clothes that fan Yu had been exposed by the media and came up with a figure that made her gasp.

She felt deeply ashamed that she had unknowingly lived the life of a wealthy lady!

Just when Qiao Yuanfei did not know how to face Fan Yu, the man standing in front of her seemed to have sensed something. He suddenly turned around to look at her and then turned around.

He raised his hand slightly and brushed her hair that fell on her shoulder.

His thin lips opened slightly and his tone was doting.

“There’s no need to wear a formal dress. You look beautiful in everything.”

“...”

Qiao Yuanfei’s mind instantly went blank.

All that was left was white.

His voice kept echoing in her ears.

You look beautiful in everything you wear.

You look beautiful in everything you wear.

You look beautiful in everything you wear..

Qiao Yuanfei was not crazy. The reporters around her went crazy first.

Carrying the camera, they continued to ask the questions that they did not have time to finish.

“Young master fan, what’s your relationship with Miss Qiao? Are the two of them in a relationship?”

“Why did you make Miss Qiao’s clothes? Does this count as a couple’s outfit?”

“Have you moved in together?”

“Young master fan, the two young ladies of the Qiao family seem to like you. I wonder which one you like better...”

“...”

Fan Yu did not answer the previous question.

When he heard this question, Fan Yu suddenly raised his eyebrows and glanced at the reporters who were asking the question.

When the reporters saw that he seemed to want to answer this question, the surroundings instantly quieted down.

The air seemed to have frozen.

Fan Yu’s gaze first glanced at Qiao yuanfei, then turned to Qiao Yuanxi.

Qiao Yuanxi had just been slapped in the face, and now he was a little listless.

But when he noticed that fan yu was looking at her, he immediately stood up with anticipation in his heart and looked at him lovingly.

Even when Qiao Yuanchuan thought that she was a disgrace and wanted to drag her away, she refused to leave.

She stubbornly stood where she was, wanting an answer.

However, Fan Yu's gaze only swept past her and he opened his mouth in a harsh and cold manner.

"The fan family villa is not a shelter. What does she have to do with me?"

Qiao Yuanxi: "..."

The reporters: "..."

Fan Yu narrowed his eyes and ignored the dumbfounded crowd. After the new product launch ended, he held Qiao Yuanfei's hand and left.

Chapter 1912: Are you the Devil? (6)

In the President's office.

Fan Yu was standing in front of the floor-to-ceiling window, making a phone call.

It was as if he was explaining to someone or taking the initiative to make a phone call to explain something..

Qiao Yuanfei could not hear.

It was not because she could not hear from afar, but because of the shock.

From the moment she stepped into the fan group's new product launch today, her mind did not belong to herself.

One shock after another..

Her face was now deathly pale. Her assistant poured her a cup of hot water to calm her down and kindly turned on the television, wanting to help her divert her attention.

However, when the television was turned on, it was filled with news of Fan Yu's relationship being exposed and his ability to protect his girlfriend..

Seeing Qiao yuanfei's face turn even paler, the assistant hurriedly turned off the television.

"Wait, let me see!"

The person who spoke was not Qiao yuanfei, but Fan Yu, who had been standing in front of the French window on the phone just a second ago.

He did not know when he had hung up the phone and walked back to the sofa.

His tall and straight body stood beside the sofa, gesturing for the assistant to give him the remote control and turning a few channels.

In the end, he chose a television station that had the clearest picture taken and stopped.

Qiao yuanfei could not help but chuckle when she saw the whole process of "Who am I, where am I, what just happened".

“The level of this batch of gossip reporters is not good. Their photos are just average. Go and ask the colleagues in the group’s publicity department. Those who were present at the time, if there are any better-looking photos, send them to my email.”

“...”

Qiao Yuanfei was finally jolted back to her senses by these words.

She stood up from the sofa shakily.

She slowly turned around and turned to look at Fan Yu.

“You, you, shouldn’t you be explaining our relationship to everyone?”

“Why should I explain?”

Fan Yu raised his eyebrows and fixed the television screen on him speaking on stage. Qiao Yuanfei watched the scene with ‘tenderness’.

Qiao Yuanfei did not notice what he had done. When she heard his question, her voice unconsciously became louder.

She pointed at the television and said.

“Now everyone has misunderstood us... We are dating...”

“Oh, misunderstood?”

Fan Yu opened his mouth casually and put down the remote control carelessly.

Qiao Yuanfei was anxious.

“It’s true. The report is out. Look at those photos. They were taken out of context and sent out. Everyone will misunderstand our relationship. Moreover, we did not use the employee channel today. You brought me into the venue. So many reporters saw it...”

Qiao Yuanfei was speaking excitedly when she suddenly realized that fan Yu was not listening at all.

She instantly choked.

She watched as he walked in front of her. He reached out to grab her shoulder and turned her around. Then, he pointed at the frozen scene on the television.

He lowered his head slightly and whispered into her ear.

“What were you thinking when you looked at me?”

“...”

“Am I good-looking?”

“...”

He was poisonous.

Qiao Yuanfei's brain was not working properly again.

Her breathing was rapid, and she spoke with a big tongue.

After a long while, she could not utter a single word.

Three words floated across the sky: she was finished..

She actually wanted to answer him and admit that he was really good-looking.

She was so seduced that she could not resist at all.

In the end, she used her pee to escape and rushed into the bathroom at lightning speed.

“...”

Fan Yu's arms were empty. He looked up and saw that she had disappeared. The corners of his mouth were curved like a demon's.

He heard a cell phone ringing on the sofa and looked sideways.

It was her cell phone.

The two words “Baby” that flashed on the screen suddenly reminded him of his past.

The phone call that he did not receive last time..

Fan Yu narrowed his eyes and reached out to pick up the phone!

Chapter 1913: Are you the Devil? (7)

He picked up the call at the right time and was very cautious.

He was not in a hurry to speak. Instead, he waited for the person on the other end of the phone to speak first.

Initially, he thought that he would hear the voice of a child. However, after waiting for a few seconds, he did not hear the child speak. Instead, he heard a voice that sounded similar to Nian Xiaomu's!

Fan Yu was stunned.

For a moment, he thought that he was hearing things.

He quickly moved his hand away from the phone and took a glance at the caller ID.

He was sure that it was the “Baby”.

When he placed the phone back to his ear, it was already noisy on the other end of the line. It was like a busy city. Before he could figure out the exact location, the phone was suddenly cut off.

Fan Yu cursed softly.

At the same time, the bathroom door was pushed open from the inside.

Qiao Yuanfei's expression had already returned to normal. She was walking in his direction.

When she saw fan yu holding his phone, her expression was a little stunned.

Fan Yu was not a person who liked to lie.

When she saw him, she admitted frankly.

“Your phone rang just now. It was a person called ‘baby’. Who Are You?”

“...”

Qiao Yuanfei was stunned when she heard him say the word ‘baby’.

When she regained her senses, her first reaction was to rush forward and snatch her phone from his hand. She hurriedly flipped through the call log.

When she saw that the last call she received was really a call from ‘baby’, her face, which had just calmed down, turned pale in an instant.

The color of blood on her lips also disappeared instantly.

She mustered up a great amount of courage and looked at Fan Yu as she asked carefully.

“What did the baby say to you just now? What I meant was that he actually...”

“Is the baby a boy or a girl?”

Fan Yu cut her off. When he met her guilty gaze, a strange glint flashed across his eyes.

He had initially thought that the baby was a boy.

However, he had heard a female voice just now.

If it had been an ordinary female voice, he might not have minded it. However, that voice sounded too much like Nian Xiaomu’s.

If he had not heard wrongly, he could almost be certain that the person was Nian Xiaomu.

However, why did Qiao yuanfei have Nian Xiaomu’s contact information and even used such a misleading term like “Baby”..

“Ah?”

Qiao Yuanfei was on tenterhooks and could not figure out the extent of the conversation between him and the baby.

When she heard fan Yu’s words, she could not help but exclaim in surprise.

“Before I could say anything to him, he hung up the phone. There seemed to be a lot of people over there.”

Fan Yu knew that he was in the wrong and did not hide anything from Qiao yuanfei after he answered the call without the permission of others.

When Qiao Yuanfei heard this, her heart, which had been raised to her throat, fell silent again.

Pursing her lips, she avoided the important points and spoke softly.

“I have worked in the orphanage for quite a long time. When I have the time, I often go to the orphanage or the hospital to help take care of the children. I like to call people babies.”

“Then, do you know Nian Xiaomu?”

Fan Yu asked again.

When he mentioned Nian Xiaomu, the way he looked at Qiao Yuanfei changed slightly.

If the person on the other end of the phone was really Nian XIAOMU, then Qiao yuanfei must have known her.

What a coincidence. Nian Xiaomu had just reminded him that it was time to start a family when he met Qiao Yuanfei. Could it be that all of this was..

Fan Yu’s train of thought had been completely led astray.

The way he looked at Qiao Yuanfei was also full of inquiry.

Qiao yuanfei thought that he had discovered her secret and that was why he was probing her step by step. Her heart was also in turmoil.

“I don’t know her... but I have heard of her. I remember that she is the wife of the president of the Yu Corporation and seems to be your good friend. Why did you suddenly ask me?”

Chapter 1914: Are you a demon? (8)

“...”

Fan Yu choked.

From the look in her eyes, it didn’t seem like she was lying. His gaze narrowed slightly.

“It’s nothing. I was just asking casually.”

Fan Yu turned around and walked back to his desk. He reached out and picked up the car keys.

“The new product launch is over. You can leave now. Xiao Liuliu is at home alone taking care of her brother. I’m afraid she’ll miss us.”

Fan Yu did not wait for Qiao Yuanfei’s reply. He walked forward, held her hand, and led her out.

It was not until the two of them walked out of the president’s office that Qiao Yuanfei finally reacted. She stared at the hand that was holding her hand, her eyes glazed over.

Was it her imagination?

Why did she feel that the way he held her hand was becoming more and more skillful..

Who said that Fan Yu had no romantic history and never brought a female partner to attend events?

Liar!

The way he held her hand was simply too skillful!

On the way back, Qiao Yuanfei had been in a state of emptiness due to the shock she had received today.

Her phone rang several times.

It was all from the Qiao family Villa.

And Qiao Yuanxi.

She did not pick up either.

The reason why the Qiao family Villa called her was most likely because Xie Yun was questioning why she had appeared at the fan corporation's new product launch.

As for Qiao Yuanxi calling her, it was 100% because she had been humiliated by Fan Yu in front of the reporters. She did not dare to seek revenge from fan Yu and wanted to take it out on her.

Qiao Yuanfei did not want to waste her saliva on her.

The phone rang a little annoyingly, so she simply muted it and threw it into her bag.

Speaking of the launch event, Qiao Yuanfei's lost rationality finally came back to her.

She raised her head to look at Fan Yu.

"What happened today..."

"It was just an accident." Qiao Yuanfei did not ask. Fan Yu had already explained.

He grabbed the steering wheel of the car with one hand and glanced at her from the side. His thin lips parted slightly.

"There was a temporary malfunction in the employees' passageway. You could only enter the venue through the CEO's passageway. I initially thought that not many people would notice you. It was I who underestimated the level of gossip from those reporters."

"..."

Could she trust him?

She should be able to.

After all, having a relationship with her wouldn't do fan Yu any good.

There were many disadvantages.

In everyone's eyes, she was just an adopted daughter of the Qiao family. She wouldn't be able to retaliate even if she was bullied.

Anyone would think that she wasn't worthy of Fan Yu.

Fan Yu didn't cut ties with her in public, and even protected her face and taught Qiao Yuanxi a lesson for her. She should be grateful to him and not question him.

“Thank you... What I mean is, what you said for me in front of the reporters just now... Don’t worry, I know you’re helping me, I won’t think too much...”

“I’m telling the truth.”

Fan Yu tilted his hand and the car tilted to the side.

Qiao Yuanfei was about to say something when fan yu reached out to cover her mouth.

“Stop, your IQ is too low. Think carefully before you speak. Don’t affect my driving.”

“...”

Her IQ was not low!

Qiao yuanfei widened her eyes and looked at him unwillingly.

Fan Yu ignored her and only added a sentence faintly.

“It could also be a low eq.”

Qiao Yuanfei:“...”

Super Topic Terminator: Fan Yu.

Qiao yuanfei huddled in the front passenger seat. She took out her phone and secretly sent a message to her baby. After confirming that he was fine, she opened the web page and started browsing through the messages.

As she looked at the messages, her gaze became strange.

After a while, her breathing also became strange.

Fan Yu sensed something and turned his head to take a look.

He saw that the person who was fine a moment ago was now staring at his phone page with a red face. His gaze was exactly the same as when the little boy peeked at the initials for the first time!

Chapter 1915: Are you the Devil? (9)

Fan Yu pulled the car to the side and took the phone out of her hand.

“Don’t look...”

Qiao Yuanfei’s hand was empty. She came back to her senses and rushed to him, trying to snatch her phone back.

Since she couldn’t get her phone back, she reached out to cover his eyes.

“Don’t Look!”

“I’ve already sent the link to the web page you were looking at to my phone. If you try to stop me again, what if my hand shakes and I send it to the wrong person...”

Fan Yu opened his mouth faintly.

Before he could finish speaking, Qiao Yuanfei had already sat back down in her seat in fear.

She was as reserved as a student who had done something wrong.

She lowered her head without saying a word.

Upon closer inspection, her face became redder and redder, as if blood would drip out at any moment.

What was it that made her so shy?

Fan Yu brought her phone to his eyes and glanced at the webpage on the screen that he had not had time to close.

When he saw the title on the screen, his pupils suddenly constricted.

He could not help but turn his head to look at her.

Qiao Yuanfei's head was so low that it seemed as if she wanted to bury her head into her own chest..

[Young Master Fan's love affair has been exposed. Let us guess what the eldest daughter of the Qiao family, who was born in an orphanage, used to attract him? Her figure or beauty?]

The following was an eloquent analysis.

Starting from Fan Yu's facial features and figure, he analyzed his needs in that area.

Then, he returned to Qiao Yuanfei and analyzed the compatibility between her and Fan Yu..

Although what he said at the beginning was a fallacy, it was still acceptable. At the end, he was completely fantasizing about fan Yu.

Imagine how crazy he would be once he was released from his abstinence for so many years.

He even started a bet to see if they could go all the way.

He guessed when they would have a child and who their first child would be like..

In short, this post was poisonous.

However, the news of the product launch had just spread. The topic of "Fan Yu's secret love exposed" was at the top of the trending list.

Any post related to Fan Yu's love affair would not be low in popularity.

Although this post was a little ridiculous, the content inside was very eye-catching. The number of clicks was very high.

Qiao Yuanfei was also attracted by the high number of clicks in the beginning, so she clicked on it out of curiosity. She did not expect to see such content..

"I accidentally flipped to it. It's all nonsense, don't look at it."

Qiao yuanfei finally regained her senses and reached out to grab her phone.

Just as she reached out, Fan Yu suddenly raised his head to look at her and asked in a serious tone.

“Do you like sons or Daughters?”

Qiao Yuanfei:“? ? ?”

What Sons and daughters?

With whose sons and daughters? !

“I think daughters are cuter and more obedient. Like Xiao Liuliu, they’ll be a happy fruit. But if you like sons, that’s fine too.”

Fan Yu did not wait for her reply and continued to speak.

Qiao Yuanfei:“? ? ?”

Her brain was unable to think again.

She took a deep breath and kept reminding herself in her heart that if she did not listen, she would not listen!

Qiao Yuanfei’s face was red and her heart was beating as she read the same post. She felt shy and guilty.

After fan Yu finished reading it, his eyes lit up. There was a faint anticipation that people could not understand.

Before returning the phone to Qiao yuanfei, he had even specially sent the links to related posts to his own phone.

Qiao Yuanfei was stunned by what she saw.

Originally, he liked to watch this?

She could not tell that the great president of the Fan Corporation, known as the gentle young master fan, was actually so gossipy.

The second before the car drove into the villa, Qiao Yuanfei had been worried that if she discovered his secret, she would be silenced.

Chapter 1916: Are you the Devil? (10)

After driving into his private villa, she was no longer worried.

Because she was already sure that he wanted to take her dog life.

It happened like this..

Fan Yu, who had gotten the link to the web page, seemed to have discovered a new world.

After entering the living room, he took his cell phone and sat on the sofa, starting to read the gossip on the Internet.

She couldn’t get enough of the cell phone, so she asked the butler to go to the study room and bring his computer down.

Qiao Yuanfei really didn't have the courage to accompany him to read the YY of online friends, so she found an excuse and sneaked upstairs to see Xiao Liuliu and Xiao Tangbao.

They had been out for quite a while. Although there was a butler and a nanny specially hired to take care of the two children in the villa, Qiao Yuanfei was still a little worried.

It wasn't until they saw the two little ones sleeping soundly together in the guest room.

Little Tang Bao fell asleep with the bottle in his mouth.

The nanny didn't put him in the crib, but on the big bed.

Little Liuliu was sleeping next to him.

Miraculously, Little Liuliu, who usually slept on her stomach and even on the pillow, slept exceptionally well today.

She lay straight beside Little Tang Bao and only hugged her little brother with one small arm.

The two people's heads were together, and it was extremely warm.

Qiao Yuanfei's heart was extremely warm from this scene.

She walked forward and couldn't help but kiss them.

Who knew that she would accidentally wake up Xiao Liuliu with a kiss.

The first second that the little glutinous rice ball opened her eyes, she reached out and rubbed her eyes.

After confirming that the person in front of her was Qiao Yuanfei, she immediately broke into a big smile and wanted to hug him in her baby voice.

Qiao Yuanfei had just carried her up when Little Tang Bao woke up as well.

He grinned and looked as if he was going to cry if he did not give her any milk.

Qiao Yuanfei could not take care of the two children at once. Just as she was about to call for the nanny to help, Fan Yu happened to walk in from outside the door.

Qiao Yuanfei did not think too much about it and greeted him.

"Little Tang Bao is hungry and wants to drink milk. Help me brew some milk."

"..."

Fan Yu's eyes narrowed slightly as his gaze swept across the scene in front of him. Without hesitation, he stepped forward and took the milk bottle. Under Qiao Yuanfei's guidance, he brewed milk for Little Tang Bao.

"You hold Xiao Liuliu. I'll feed Little Tang Bao."

Qiao Yuanfei was worried that he had never fed such a small baby before, so she said worriedly.

Xiao Liuliu had just woken up. She was still a little dazed, so she did not fight to feed her little brother.

“No need.”

The corners of Fan Yu’s mouth curled up. He skillfully carried Little Tang Bao and stuffed the pacifier into his little mouth.

Little Tang Bao spat it out in disgust. Just as he was about to cry, Fan Yu coldly threatened him.

“If you dare to cry for a while, I’ll send you home. I Won’t let you see Xiao Liuliu for a month.”

“...”

Little Tang Bao, who had just opened his mouth and didn’t have the time to cry, suddenly sobbed.

He didn’t know whether it was because he smelled the fragrance of milk or he really understood his threat, but he silently held the pacifier in front of him and drank the milk pitifully.

Seeing this scene, Qiao Yuanfei was very gratified.

But it did not make her happy for long. Xiao Liuliu suddenly crawled out of her arms. His movements were very gentle and careful, as if he was avoiding something.

He was still mumbling something.

“Auntie has a little brother in her stomach. I Can’t hold Xiao Liuliu anymore. It will crush my little brother...”

Qiao Yuanfei:“? ? ?”

What was that?

“Papa Fan Yu told Xiao Liuliu that if Xiao Liuliu could take care of her little brother alone for a day, he and pretty auntie would give Xiao Liuliu another little brother. Adults can’t lie to children. Auntie must have a little brother in her stomach!”

Qiao Yuanfei:“...”! !

Chapter 1917: Are you the Devil? (11)

What little brother?

Where did he get a little brother from? !

She had only attended the fan group’s new product launch together with Fan Yu. It was one thing for the Internet to guess that they had already hidden their marriage, but Xiao Liuliu had even thought of their children..

The moment Xiao Liuliu opened her mouth, Fan Yu had thought of covering her mouth.

But the little glutinous rice ball was too fast.

He was still holding Little Tang Bao in his arms, so he couldn’t free his hands.

She had already shaken him completely.

When he saw Qiao Yuanfei's expression as if she had been struck by lightning, he lowered his eyes slightly.

Sensing the way she looked at him, his expression didn't change.

"Xiao Liuliu is still young. She only likes her little brother, so she'll say that to anyone she sees. You Don't have to take it to heart."

Qiao Yuanfei:"..."

Was that so?

Before Qiao Yuanfei could digest this information, Xiao Liuliu was already muttering unhappily.

"I don't say that to everyone I see. I only want a little brother because I like pretty aunties. Daddy fan yu pinky-hooked with someone else and wanted to give Xiao Liuliu a little brother. He even forgot about it."

The little glutinous rice ball once again crawled into Qiao Yuanfei's arms. Her two chubby little hands held Qiao Yuanfei's cheeks.

She complained in a serious manner.

"Fan Yu's Daddi has turned bad. Now, he's like my Daddi. He uses Xiao Liuliu as an excuse when he does something bad. My mom says that this is called saying what you mean but not saying what you mean. He's purposely deceiving the girl he likes. Auntie, you have to be careful!"

Qiao Yuanfei:"..."

Fan Yu:"..."

His goddaughter had turned into a little spy. He stabbed his knife into her heart.

Fan Yu's calm expression had already frozen.

Holding his phone, he pretended to have an urgent call and walked out of the guest room in a hurry.

When he reached the door, he could still hear Xiao Liuliu's childish ridicule.

"Papa Fan Yu is the same as my papa. He said that he would give Xiao Liuliu a little brother, but he couldn't even give birth to one. He only wanted to trick the pretty aunt away from Xiao Liuliu..."

"..."

Fan Yu stumbled.

He quickly held onto the door frame.

Xiao Liuliu, you know too much!

- ..

After fan Yu left, he didn't appear again for the entire night.

Qiao Yuanfei was thinking about the news online and kept scrolling through the internet with her phone.

Little Tang Bao was still young after all. He had been away from his biological parents for too long. Since he was fine, Shangxin missed him a little.

She said that she would pick him up the next day.

The next day, Qiao Yuanfei did not wait for Shangxin. Instead, she received a call from the Qiao family Villa first.

Initially, she thought that Xie Yun had called, but Qiao Yuanfei did not intend to pick up.

However, very quickly, Qiao Fangfeng's number appeared on her phone screen.

She was told to return to the Qiao family as soon as possible.

"I'll send you back."

Fan Yu, who had disappeared for an entire night, appeared in front of Qiao Yuanfei after receiving the news from the butler.

The people of the Qiao family were not easy to deal with.

Although Qiao Fangfeng seemed to treat Qiao Yuanfei quite well at the moment, he was not her biological uncle after all. To put it bluntly, he was still worried.

"There's no need. My uncle hasn't seen me for a few days and is worried that something might happen to me, so he asked me to go home to take a look. It would be inconvenient for you to go with him..."

Qiao Yuanfei said with some hesitation.

The Qiao Corporation's stock price had already stabilized.

In addition, the media had suddenly exposed her relationship with Fan Yu.

With the Fan Corporation as a backer, the Qiao Corporation's stock price had soared the moment the stock market opened today..

The shares in her hands were no longer as worthless as when Qiao Fangfeng had transferred them to her.

Qiao Fangfeng was a suspicious person. If she hadn't guessed wrongly, calling her back this time should be because he suddenly felt uneasy and wanted to take back her shares.

Chapter 1918: Are you a demon? (12)

If Fan Yu were to follow..

Qiao Yuanfei's eyes flashed and a dark light flashed across her eyes.

She bit her lip.

"I can take a taxi back by myself. If anything happens, I will give you a call. Fortunately, Shangxin will be coming to pick up Little Tang Bao soon. You Don't have to worry that no one will help you take care of the child."

“Do you really think that I’m letting you stay here just to let you take care of the child?” Fan Yu suddenly asked.

Qiao Yuanfei was stunned and her heartbeat suddenly quickened.

“What, what do you mean?”

“...”

Fan Yu stared at her for a while and did not explain. He turned around and instructed the butler to prepare the car.

“I won’t send you back. I’ll get the chauffeur to send you back. After you meet your uncle, I have something to tell you.”

“...”

Qiao Yuanfei wanted to ask a few more questions, but seeing that he did not want to say anything more, she shut her mouth in embarrassment.

The Butler quickly arranged a car to send her out of the fan family’s villa.

On the way back to the Qiao family’s house, the expression of fan yu kept flashing through Qiao Yuanfei’s mind.

She was guessing what he wanted to say to her..

As she was thinking, the car suddenly stopped.

“Miss Qiao, we’ve arrived,” the driver said respectfully.

Qiao Yuanfei:”...”

They’ve already arrived? So soon.

She turned her head to look out the window. The villa that she had lived in for many years had suddenly become unfamiliar.

Her biggest obsession had been to take back what belonged to the Qiao family and what belonged to her. But now that she was looking at the villa in front of her, her desire for revenge had inexplicably faded..

She pushed the door open and got out of the car.

When she reached the door, Qiao Yuanxi had already received the news and walked out.

When he saw her, his eyes were filled with jealousy that could spew fire.

“Seducing young master fan in public, our Qiao family’s face has been completely disgraced by one person. Qiao yuanfei, you still have the face to come back? !”

Qiao yuanfei glanced at her indifferently and the corners of her mouth curled up.

A mocking smile hung on her face.

Her entire aura was like that of a real young lady from a wealthy family. There was no trace of her usual cowardice and cowardice.

Hearing Qiao Yuanxi's curses, she reached out her hand to stroke her long hair and spoke with a smile.

"Whoever has disgraced the Qiao family, they know very well. Compared to you, who is shameless, I admit defeat."

"What do you mean? Now that you have been exposed by the reporters to have seduced young master fan, I am not as Shameless as you!" Qiao Yuanxi rushed up and wanted to make a move.

She had already held back a bellyful of cowardice at the fan corporation yesterday.

Young master fan had mocked her in front of so many people for not recognizing her worth.

He had even said that she was inferior.

This matter had already spread like wildfire. Who in the upper-class society would not step on her when they saw her?

Forget it.

She did not get young master fan and Qiao yuanfei had succeeded. Now, the internet was filled with news of her relationship with young master fan.

They even ridiculed her, saying that she, the dignified eldest daughter of the Qiao family, was inferior to an orphan adopted by the Qiao family..

Her entire life had been ruined by Qiao Yuanfei.

She was going to tear Qiao Yuanfei's face apart today. Let's see what else she could use to seduce young master fan!

"Slap—"

The sound of a fierce slap was painful to hear.

Qiao Yuanxi was so dizzy from the slap that he fell to the ground. He covered his face in disbelief as he looked at Qiao yuanfei, who had attacked ruthlessly.

It was as if he had never seen her before.

"What? You think I shouldn't fight back and just stand there and let you hit me?"

Qiao Yuanxi smiled contemptuously and squatted down slowly. He reached out and lifted Qiao Yuanxi's chin.

He stared at her confused face and the corner of her mouth that was bleeding.

Chapter 1919: Are you a Demon? (13)

"TSK TSK, how pitiful. Such a pretty face, yet there's a palm print on it..."

Before she could finish her sentence, Qiao Yuanxi was so frightened that he shrank back.

With both hands on the ground, Qiao Yuanxi looked at Qiao Yuanfei in shock, as if she had suddenly changed into a different person.

Qiao Yuanxi was a paper tiger, a weakling who was tough on the outside but weak on the inside.

Qiao Yuanfei knew this a long time ago.

But she did not expect that he would be so cowardly. With just a slap, he had frightened her to such an extent.

He had not learned the viciousness and shrewdness of her parents at all.

Qiao Yuanfei withdrew her hand and took out a handkerchief in disgust, wiping off the fingers that had touched Qiao Yuanxi.

She walked past her and entered the Qiao family's villa.

After Qiao Yuanxi recovered from his shock, he ran in as well.

The moment he saw Qiao Fangfeng and Xie Yun sitting on the sofa in the living room, he immediately ran over crying.

"Dad, Mom, look at my face. You have to stand up for me!"

Qiao Yuanxi was crying like a pear blossom in the rain. The palm print on her face was also red and half of her face was swollen.

Qiao Fangfeng and Xie Yun's expressions changed. They asked her what was going on at the same time.

Hearing that it was Qiao Yuanfei who had hit her, Xie Yun was so angry that she was about to flare up. However, Qiao Fangfeng shot her a warning glance.

"Feifei isn't someone who causes trouble for no reason. Let her tell us if she attacked first."

"I was just trying to scare her. I didn't even touch a single finger of hers, yet she beat me up to this state and even warned me. You Don't know how terrifying her gaze was just now. Dad, Mom, I almost couldn't come back to see you guys..."

Qiao Yuanxi was crying miserably, and she was telling the truth.

For a moment just now, she really felt that if killing someone wasn't against the law, Qiao Yuanfei would definitely kill her!

"Don't say too much. You've been tormenting this family day after day. Do you think that you haven't tormented this family enough?"

Qiao Fangfeng said resentfully.

"I asked your brother to attend the fan corporation's new product launch on my behalf. Why are you following me to join in the fun? "You even said such nonsense in front of so many reporters. If it wasn't for young master fan's magnanimity, our collaboration with the fan corporation would have been ruined just because of you. Why aren't you reflecting on your actions and causing trouble everywhere? Are you trying to anger me to death? !"

“Dad, I wasn’t trying to help you get a rich husband...” Qiao Yuanxi thought about how fan Yu had been snatched away by Qiao Yuanfei and wanted to say something. Qiao Yuanchuan had already come down from upstairs.

Hearing her words, Qiao Yuanxi smiled contemptuously.

“My good sister, with your IQ and skill, I think you should save your breath. Don’t talk about getting dad a rich husband, everyone in the upper class knows that the eldest daughter of our Qiao family is a fool who sells goods on the street. You live in our Qiao family, and the Qiao family has been treated as a shelter.”

Qiao Yuanxi was getting anxious from being ridiculed.

“Are you my brother or not? Do you think you’re some kind of good-for-nothing...”

“Shut up!”

Qiao Fangfeng sat on the sofa. He was only wearing his home clothes and his chest was heaving up and down violently.

He seemed to be very angry.

A hand was pressing on his chest.

“All of you, you don’t think of making any progress all day long and only know how to fight among yourselves! How could I give birth to two good-for-nothings like you two!”

“Alright, Alright. Both of you, get out of my way. Your father has just been discharged from the hospital. Don’t anger your father.”

After all, he was his own son and daughter. Xie Yun hurriedly stepped out to smooth things over.

He was helping Qiao Fangfeng calm down and pouring water for him.

Taking advantage of the time when no one was paying attention, he lowered his voice to remind him that business was more important.

Chapter 1920: Are you the Devil? (14)

Qiao Fangfeng’s eyes flickered slightly. After all, he was someone who had experienced major events, so his aura was slightly more stable.

He didn’t pay attention to the quarrel between the children anymore. He raised his hand and beckoned Qiao yuanfei to sit beside him.

He cleared his throat and said.

“Feifei, uncle has been in the hospital for the past few days and hasn’t been able to take care of you properly. On the other hand, where have you been? Your Aunt said that you haven’t seen anyone all day, so uncle was very worried about you when he heard that.”

“...”

Qiao yuanfei lowered her head and did not immediately reply.

Qiao Fangfeng, on the other hand, was anxious and said it himself.

“Yesterday, Xi Xi came back and said that she saw you at the fan corporation’s new product launch. I didn’t believe it, but when I saw the news today... Tell Uncle the truth, what is the relationship between you and Young Master Fan Now? “The fan family is not a family that we can climb up to. If you really are with young master fan...”

“Uncle, you’re thinking too much. Fan Yu and I are just ordinary friends.”

Qiao yuanfei furrowed her brows and denied.

She had never thought that she would have anything to do with fan Yu, nor did she want to implicate him in the Qiao family’s Muddy Waters because of her matter.

“It’s good that you understand.”

Qiao Fangfeng secretly heaved a sigh of relief when he heard what she said.

After a few seconds of silence, he spoke again.

“Actually, uncle called you back today. Other than worrying about you, there’s another matter that I want to discuss with you. You See, the Qiao Corporation’s stock price has stabilized, and I’ve been discharged from the hospital. In order to prevent the board of directors from saying anything, Uncle wants to discuss with you and take back the shares in your hands.”

“...”

“Don’t worry, uncle has already considered it for you. He will leave a small villa under your name and prepare a generous dowry for you. Fan Yu isn’t suitable for you, but uncle’s friend in the business world has a pretty good child. He’s the youngest son of the old Wang family. He’s about the same age as you, and he’s a handsome and talented person. He’s very suitable for you!”

“...”

Qiao yuanfei knew the person that Qiao Fangfeng was talking about.

Everyone in the business world knew that Old Wang had a wife at home, but he was constantly having affairs outside.

His sons followed suit, while his youngest son followed suit the most. He had all sorts of abilities, but he was very good at making jokes and drinking to flirt with girls.

Some time ago, he was arrested for almost raping a waitress in a bar because of a drinking incident.

He had been locked up for a long time before he was released.

Qiao Fangfeng actually wanted to introduce such a person to her.

He really thought that she was a little white rabbit who did not know the affairs of the world and could be manipulated by them.

Qiao Yuanfei's eyes darkened.

A dangerous light flashed across her eyes.

She did not show any expression on her face, but pretended to be obedient.

She nodded.

Qiao Fangfeng immediately slapped his thigh and continued to say in satisfaction.

"I've watched you grow up. I won't not think about you. However, the matter between you and young master fan is currently in a heated discussion. There are also many gossips outside. The Wang family's intention is to keep the wedding simple and keep a low profile so that people won't laugh at us."

"Uncle's intention is that the Wang family will feel wronged after marrying me?"

Qiao Yuanfei suddenly asked.

She was so angry that she almost laughed.

Qiao Fangfeng sensed that something was wrong and quickly comforted her.

"Uncle, that's not what you mean. We can still discuss about the wedding. We can take it slow. When you transfer your shares back, uncle will personally go to the Wang family to help you negotiate. I will definitely let you get married in a glorious manner without any wrongs!"

Qiao Yuanxi mocked from the side.

"Being able to marry into the Wang family is already a blessing for you. Don't be ungrateful."
