

My Life 1941

Chapter 1941: I'm trying to coax you 7

After she was done with everything, she suddenly remembered that she had not eaten for a whole day.

She went downstairs and cooked a bowl of noodles without alerting anyone.

When she took it out of the pot, she saw the rising mist and the bowl of dumplings she had cooked for him at fan Yu's villa flashed in front of her eyes.

That was the first time he had fed her something.

His gentleness would mesmerize people..

A bitter smile appeared on the corner of Qiao Yuanfei's mouth. She picked up a piece of noodles with her chopsticks. Just as she took a bite, she heard a voice beside her ear.

"Butler, I'm starving. Cook some supper for me!"

It was Qiao Yuanxi.

Qiao Yuanfei turned her head to look at the stairway. Qiao Yuanxi was dressed in home clothes. He had a ponytail and was wearing slippers as he came down the stairs.

His bossy attitude was no different from usual.

However, when she saw Qiao Yuanfei sitting in the dining room, her footsteps paused, and her eyes became vigilant.

Then, she realized that there was no reason for her to feel guilty, so she tried her best to walk straight into the dining room.

She looked around but did not see the butler.

Just as she was about to call for help, Qiao Yuanfei had already reached out to pick her ears.

"I hate it when people interfere with my eating."

"..."

Qiao Yuanxi's mouth, which had just opened, immediately closed again.

Fortunately, the Butler had just appeared. Qiao Yuanxi quickly vented her anger on the butler.

After a good round of complaints, she finally instructed the butler to prepare supper while she sat in the dining room and waited.

She glanced at Qiao Yuanxi and asked seemingly unintentionally.

"Aren't you with young master fan already? Could it be that young master fan didn't want you and chased you back?"

If it was any other time, as long as Qiao Yuanxi didn't take the initiative to provoke her, Qiao Yuanyuan wouldn't hold it against her.

However, Qiao Yuanyuan was really in a bad mood today.

When she ate alone, she would always think of Fan Yu.

It just so happened that Qiao Yuanxi was in a tight spot. If she had to ask about fan yu at this time, she couldn't be blamed..

She put down her chopsticks and crossed her hands to support her chin.

"Whether fan yu wants me or not, he won't want you either. What's there to be happy about?"

Qiao Yuanxi:"..."

Qiao yuanxi: "Don't think that just because you have more shares than my father that you're so great. To put it bluntly, aren't you just like me, a woman that young master fan looks down on?!"

"..."

It seemed that Qiao Yuanxi had come here today to deliver a human head.

Qiao yuanfei gave her a cold glance.

Qiao Yuanxi said without fear of death.

"Am I wrong? Young Master Fan doesn't want you anymore. Don't think that you're the daughter of the Qiao family now. Do you think that you're on the same level as young master fan? is the fan family something that you can climb up to? Young master fan is just toying with you..."

"Bang —"

Qiao yuanfei pushed the bowl in front of her onto the ground.

The soup noodles spilled all over the floor..

With a sudden sound, not only did the housekeeper run out of the kitchen, even Xie Yun came down from upstairs.

Qiao Yuanfei's face was cold. She turned to look at the housekeeper and said faintly, "Young master fan, you're not obedient."

"Young miss is unruly and broke the rules. Help her pack her luggage and send her out of the Qiao family tonight."

"..."

The Butler was stunned.

Qiao Yuanxi was even more stunned. It took her a while to regain her senses.

"Qiao Yuanfei, what nonsense are you talking about? Your Bowl was clearly knocked over by yourself. I didn't even touch it!"

"..."

“Mom, believe me. I really didn’t touch her bowl. I only said a few words and she suddenly broke the bowl and framed me. It’s none of my business. I don’t want to be chased away!”

Qiao Yuanxi rushed towards Xie Yun and grabbed her tightly as if she was the last straw.

Chapter 1942: I’m trying to coax you 8

Qiao Yuanxi was used to being arrogant and domineering.

Whenever she was unhappy, she would throw things.

Not to mention a bowl, she had also thrown antique vases many times.

Xie Yun only thought that her old habit was acting up. When she saw that the situation was getting serious and she did not dare to admit it, she immediately lowered her voice and lectured her.

“It’s fine if you usually like to bully her, but what time is it now? You still dare to be so arrogant? Do you really want to be chased away?”

Xie Yun was having a headache. Seeing that neither of her two children had lived up to their expectations, she pinched Qiao Yuanxi fiercely a few times in between her words.

Qiao Yuanxi immediately cried out in grievance.

“Mom, I really didn’t... I really didn’t...”

“Still trying to be stubborn? You have to suffer for what you’ve done. The Butler will go and ask for the family law, and I will educate my own daughter myself!” Xie Yun gritted her teeth and said.

Qiao Yuanxi’s expression changed when she heard this.

Asking the butler to ask for the family law meant that he was really going to beat her up.

The Butler quickly brought over the ruler that was used to enforce the family law.

The specially made ruler was usually used to teach disobedient sons a lesson. Girls were delicate and tender, so how could they bear to fight.

Just looking at it hurt.

Qiao Yuanxi’s face instantly turned pale when she saw the ruler.

“Xixi, it’s not that I’m heartless, but if you don’t take the beating, are you really going to be kicked out? Think about it carefully.”

Xie Yun took the long ruler and sighed.

“Mom, it’s really not me, it’s Qiao Yuanfei herself... Ouch!”

Seeing that she still did not repent, Xie Yun insisted that it was Qiao Yuanfei and directly gave her a slap.

Qiao Yuanxi was in so much pain that she rolled on the floor.

After receiving a few slaps, she kept saying that she wanted to move out.

However, she had already been beaten up. How could Xie Yun allow her to be chased out at this time.

If Qiao Yuanxi was really chased out, it would be a disgrace to the Qiao family.

Hence, he dragged her and gave her a few more vicious slaps.

He only stopped when he saw that Qiao Yuanfei's expression had eased up.

He went forward to plead on behalf of his daughter.

"Xixi isn't sensible. I've taught her what she should be taught. After all, we're a family. Look at the matter of moving away..."

"..."

Qiao Yuanxi took a glance at Qiao Yuanxi, who was half-dead, and strolled over to her.

She squatted down.

She enunciated each word clearly.

"I've said before, whoever dares to make me unhappy will bear the consequences. In the past, you were the one who bullied others. Do you understand what it's like to be wronged and bullied by others now? It's fine if you don't understand. As time goes by, I can slowly teach you."

"..."

Qiao Yuanxi widened her eyes and retreated with her last breath.

The way she looked at her was as if she had seen a ghost.

Qiao Yuanfei raised her head and instructed the butler to send a midnight snack to her room before walking upstairs.

She calculated the time. It was almost time for the baby to wake up. She could even video chat with the little guy in a while..

—

In the private villa.

In the living room.

The big one and the little one were sitting opposite each other.

Each of them was holding a pillow.

They maintained the same position for the entire night.

"Daddy Fan Yu, are you thinking about your aunt, so you can't sleep? So is Little Liuliu. I miss my little brother."

The little glutinous rice ball's body was numb. She hugged the pillow and rolled around, rubbing against the sofa.

“I don’t miss her.”

Fan Yu stubbornly replied.

Realizing that it was late, he stood up from the sofa and was about to take Xiao Liuliu to bed when the butler suddenly rushed in from outside.

“Young master fan, there’s a child outside. She says she’s here to look for you!”

The Butler’s nervous voice had changed. His Hand had been pointing in the direction of the door.

It looked like he had been scared silly.

Fan Yu frowned slightly and was about to ask about it when he suddenly saw a small white figure standing outside the door from the corner of his eye..

[Prev](#)

Chapter 1943: I’m trying to coax you 9

It’s a little boy.

He looks about five or six years old.

A little white suit is on his little body.

He has a small suitcase at his feet. Unlike most children who like cartoon versions of suitcases, the suitcase he carries is pure white, just like the little suit he is wearing.

His delicate face is slightly raised, and his expression is a little cold.

His entire body exuded an indescribable calm temperament, and he did not look like a child at all.

Just as Fan Yu was sizing him up, he was also sizing fan yu up..

The two of them looked at each other, and neither of them spoke first.

On the other hand, little six-six, who was lazily lying on the sofa just now, suddenly sat up straight.

Her beautiful big eyes blinked, and her eyes began to shine.

“Good-looking little brother!”

Xiao Liuliu’s little body shifted outward, and her movements were extremely nimble as she slid down from the sofa. She ran towards the door with her short legs.

She had just run a few steps when her collar was grabbed by Fan Yu.

“Xiao Liuliu, you’re a Girl!”

Be reserved!

Fan Yu bent down and carried her up.

The Butler hurriedly explained at the side.

“Young master fan, it’s this child... he said he’s here to look for you...”

The Butler took a long time to recover from his shock.

Looking at the little boy whose temperament was 70-80% similar to Fan Yu’s, he had only felt shocked earlier. Now that he saw the two of them in the same frame, he felt like he was suffocating!

Not to mention an outsider, even he could not help but want to ask if this was the illegitimate child of his young master fan!

Fan Yu took in the Butler’s expression and his eyes moved slightly.

The shock in his heart was no less than the butler’s.

However, because he had seen the photo of this little boy in advance, he was mentally prepared. Therefore, when he saw it with his own eyes, the shock was less than others.

However, when he met that pair of eyes that were clearly young but did not stir, the corners of his mouth could not help but curl up.

What a calm little fellow.

“The Butler said that you are here to look for me.”

Fan Yu carried Xiao Liuliu and walked to the door. He bent over and squatted down to look at the “Miniature version” outside the door.

For a moment, he really had the illusion that he was looking at his childhood.

“Yes, my name is fan fan. My mother and Uncle Zhuo like to call me baby.”

Fan fan loosened his grip on the luggage and took out a business card from his pocket. Then, he handed it to Fan Yu obediently.

It was Nian Xiaomu’s business card.

“Aunt Nian asked someone to send me here and said that I could stay at your house.”

After fan fan finished speaking, he lifted his head up and looked at fan Yu with some restraint.

He seemed to have realized that he looked a little similar to himself, and he could not help but take a few more glances at fan Yu.

Before fan Yu could open his mouth to speak, Xiao Liuliu, who was in his arms, could not wait to introduce herself.

“My name is Yu Liuliu. Even my father and mother like to call me Xiao Liuliu. Are you the little brother that my mother found for me? You’re so Pretty!”

The little glutinous rice ball praised her sincerely.

When he met her direct gaze, Fan Fan’s little face, which was expressionless, turned red for once.

He thought for a moment, then turned around and put down his small suitcase. Then, he opened the suitcase with a bang and took out a box of seven-colored candy.

He handed it to her.

“This is for you.”

As soon as she saw the food, little six immediately smiled.

She turned her head and looked at Fan Yu. After making sure that she could have it, she reached out and took it. She opened the box and took out a piece of candy.

She swiftly removed the wrapping paper.

Just when fan Yu thought that she was going to put it in her mouth, she suddenly reached out her small hand and brought it to fan fan’s mouth.

Chapter 1944: I’m trying to coax you 10

“Give it to little brother first.”

“...”

Fan Fan was stunned for a moment. Then, he opened his mouth and swallowed the candy that she had fed him.

He vaguely said “Thank you,”and his little face turned even redder.

“You’re welcome!”

Xiao Liulu happily took back her hand and peeled one for herself.

Fan Yu, who had been left to the side, felt extremely uncomfortable in his heart.

For some reason, he felt as if the cabbage that he had carefully raised was going to be eaten by someone else’s pig..

He kept hinting Xiao Liulu with his eyes that it was time to Peel candy for godfather.

In the end, he was even despised.

“Daddy Fan Yu, are your eyes not feeling well?”

Fan Yu:”...”

He felt very uncomfortable! Very uncomfortable!

For some reason, he felt a little displeased with this little fellow called fan fan.

He held the business card in his hand and asked a few more questions after he was certain that Nian Xiaomu was the one who had asked him to come.

“How Old Are You?”

“Five and a half years old.”Fan Fan stood up straight and maintained his posture for a very long time.

It was obvious that he had a good upbringing.

He had a natural gentlemanly bearing.

He was very popular with young girls, and even the little auntie did not let him off..

“Do your family know that you are going out? At your age, if your family can’t contact you, they will probably be anxious. If that happens, it will be very troublesome if they call the police.”

Fan Yu asked rationally.

Taking in a child was not a problem, but if it turned into kidnapping, then the problem would be serious.

“I have a phone number, and I also left a message for Uncle Zhuo. It Won’t be impossible to contact him...”fan fan took out his children’s phone from his pocket and explained clearly.

“I am here to look for my mother. Once I find her, I will follow her home.”

“...”

That was all?

Fan Yu furrowed his brows.

Wasn’t he still taking the child away without the permission of his parents?

Just as Fan Yu was about to ask the butler to send the child away, his phone rang.

It was Yu Yuehan calling.

It just so happened that fan Yu wanted to ask him as well. It was fine if Nian Xiaomu liked to mess around on her own, but why didn’t he stop her from following him around?

Before fan Yu could open his mouth, Yu Yuehan had already said something.

His pupils constricted slightly as he looked at the child in front of him. There was a clear change in his gaze.

“What exactly are you trying to keep us guessing?”

On the other end of the phone, Yu Yuehan said something that fan yu did not know what to say. After listening to him quietly, his voice became heavy.

However, Yu Yuehan did not open his mouth again. He only told him to take good care of this child before hanging up the phone.

Fan Yu looked at the phone that hung up and could not help but swear.

When he realized that there were two children standing in front of him, he held it in.

He turned his head and instructed the butler to help fan fan bring the luggage in.

“Is the room next to the young mistress’Guest Room?”The Butler asked respectfully as he lifted fan fan fan’s small luggage.

As soon as he finished asking, he was glared at by Fan Yu.

The Butler was dumbfounded.

“Is there only one room in the villa? Arrange for him to be in the room furthest away from Xiao Liuliu!” Fan Yu lowered his voice and enunciated each word.

What little gentleman? According to him, it was a small-tailed wolf.

And it was a small-tailed wolf with rainbow candy in its suitcase!

Fire Prevention, Burglary Prevention, Big Brother Prevention..

His own little cabbage needed to be protected from a young age.

When Xiao Liuliu heard that fan fan was going to stay, she took the initiative to help carry the suitcase.

“Xiao Liuliu likes little brother. The Butler Grandpa brought little brother’s suitcase to Xiao Liuliu’s room. We can stay together!”

Fan Yu:”...”

The Butler:”...”

Fan Fan:”...”

Chapter 1945: I’m trying to Coax You 11

Fan Yu’s body swayed and he almost fell to the ground.

He barely managed to maintain his rationality and explained to Xiao Liuliu.

“Xiao Liuliu, Little Boys and little girls are not allowed to live together. Little brother can only stay in his own room and live alone,” fan Yu emphasized the last four words.

Xiao Liuliu nodded as if she did not understand and asked again.

“Then can little brother live next to Xiao Liuliu? This way, Xiao Liuliu can go and play with him. Xiao Liuliu likes little brother.”

Fan Yu:”...”

Alright, there was no need to say anymore.

He could see it.

His heart was hurting a little, and his head was also hurting a little.

He looked at fan fan again... and his eyes were burning.

Who said that this child was similar to him? He did not feel like it at all now.

When he was young, he was much more disciplined.

He would never take the initiative to give Candy to little girls.

The Butler was still carrying fan fan's suitcase, waiting for Fan Yu's decision.

In front of Little Six, Fan Yu couldn't say anything other than agree.

He waved his hand and told the butler to go make the arrangements.

Fan fan was very obedient, as if he knew that he was being disturbed by someone else. He walked up to fan yu and politely said "Thank you".

Then, he asked.

"Can I call you uncle fan?"

"..."

Fan Yu was taken aback. Seeing that he had such discerning eyes, his gaze became gentle.

"Sure. Speaking of which, we are somewhat fated. It is rare to see the surname fan. Perhaps, our ancestors are from the same family. Since Nian Xiaomu asked you to come here, you can rest assured and stay here. As for the matter of finding your mother, I will get someone to help you inquire about it tomorrow. In City H, it is indeed easier to find someone than Yu Yuehan. It is not without reason that he dared to bring you back. Go upstairs and rest first."

It was rare for Fan Yu to take the initiative to talk so much to a person.

The other party was still a child, so he might not be able to understand what he meant.

However, he said it out of the blue.

After saying this, he was afraid that the villa would be too big, so he got lost and took the initiative to lead him upstairs.

One big and one small, their steps were strangely identical.

Their bodies were also straight.

From the back, other than the difference in height, they were almost exactly the same..

Xiao Liulu had long disappeared.

She followed the butler and arranged a room for the new little brother. She even took the initiative to share her toys with him.

"Little brother, are you hungry? Papa Fan Yu's family's chef cooks are really delicious! However, my beautiful aunt's dumplings are still the best, but my Papa Fan Yu angered my aunt and made her leave. When I talk about it, it makes me cry..."

Xiao Liulu was a little chatterbox.

As soon as she started to mumble something, she started to talk endlessly.

One second, she was still talking about food. The next second, she thought of Qiao Yuanfei and started to ridicule fan Yu.

The two children, who were less than ten years old in total, started to worry about Fan Yu's marriage.

Fan Yu stood at the side, not knowing whether to laugh or cry.

Xiao Liuliu's words, on the other hand, reminded him that the little guy who had just arrived should not have eaten yet. He stepped forward and interrupted the communication between their "Peers".

"Do you have any food that you don't like, or do you like to eat?"

Fan Yu looked at fan fan and his thin lips parted slightly.

He had been taking care of Xiao Liuliu for quite some time, so taking care of another child was not a big deal.

On the other hand, when fan fan heard that Fan Yu had taken the initiative to care for him, his pitch-black eyes flashed and he shook his head.

Fan Yu: "You don't have any food that you don't Like?"

Fan fan replied, "Yes, I like dumplings. My mother's dumplings are also very delicious."

When the Butler heard their conversation, he reminded them at the same time.

"Young master fan, there are some ready-made dumplings in the villa. It's the last time Qiao..."

Chapter 1946: I'm trying to coax you 12

The Butler only mentioned one word, and before he could finish his words, Fan Yu had already turned to look at him.

It was as if he did not even want to hear any form of address related to Qiao Yuanfei anymore.

The Butler paused for a moment and cautiously changed the way he asked.

"Young master fan, do you want to cook the dumplings?"

"Cook, cook all the dumplings. Don't let me see them again." After fan Yu finished speaking, he turned around and left the room first.

He left behind a few people in the room who were all dumbfounded.

With Xiao Liuliu taking care of fan fan, the butler went to cook the dumplings without worry.

When the dumplings were ready, he went upstairs to call for fan fan.

Xiao Liuliu naturally wanted to eat as well.

But Fan Yu..

The Butler stood at the door. He tried to knock a few times, but he could not muster up the courage.

But he cooked the dumplings that young master fan loved the most. If he was not asked to eat them, if he was investigated after the incident..

Before the Butler could come to a conclusion, Fan Yu's door was already opened.

“Young master fan...”

“The dumplings are ready?” Fan Yu’s face was expressionless, his thin lips slightly parted.

The butler said, “Yes, they are all ready. I was afraid that it would not be enough, so I also cooked two more portions of children’s noodles.”

Fan Yu said, “Give the noodles to fan fan and Xiao Liuliu. I will eat the dumplings.”

The Butler was speechless

Young Master Fan, didn’t you say that you didn’t want to see those dumplings again?

Fan Yu ignored the butler’s stunned gaze and walked past him, striding down with vigorous steps.

In the dining room, the two children had already sat down obediently on the children’s chairs.

Each of them held a fork in their hands, waiting for the dumplings to come up.

In the end, they waited for a bowl of noodles.

Fan Yu, who was sitting opposite them, held a large bowl of dumplings and calmly pulled out a chair to sit down.

“Alright, you can start eating now. After you finish eating, sleep early.”

“...”

Fan fan stared at the dumplings in his bowl and did not say a word.

Little six could not hold it in any longer and raised his hand to ask.

“Father Fan Yu, why don’t little brother and I have dumplings? Little six wants to eat dumplings too!”

Fan fan followed up with a whisper.

“I want to eat dumplings too.”

Fan Yu:“...”

Fan Yu picked up a dumpling with his chopsticks and narrowed his eyes. He could still see that night when Qiao yuanfei carried the dumpling into his study and told him that she had personally made the dumpling for him.

The corners of his mouth curled up into an arc.

It was as if he was smiling like a devil, enunciating every word.

“This is the dumpling that she specially made for me. Of course you don’t have it.”

Xiao Liuliu:“...”

Fan Fan:“...”

The Butler stood at the side. When he saw this scene, he covered his eyes in disbelief.

Young master fan, you've changed!

Fan Yu doted on Xiao Liuliu after all. When he saw her aggrieved expression, he picked up a few dumplings from her bowl.

When he turned around and saw fan fan looking at him, he gritted his teeth and endured the pain to give up his love and also picked up a few dumplings for him.

Seeing that the Butler was also looking at him, Fan Yu raised his eyebrows.

"It's too late. The dumplings are not easy to digest. Children should eat more noodles."

The Butler:"..."

He almost believed it.

"The dumplings my aunt makes are delicious!"Xiao Liuliu was happy as long as there was something to eat.

She took a bite of the dumplings and happily narrowed her eyes.

She did not forget to show off to fan fan fan how much Qiao Yuanfei loved her.

After listening to Xiao Liuliu, the person that fan Yu had deliberately ignored began to appear in front of his eyes again and again. He was also slightly lost in thought.

When he came back to his senses, he found that the little guy sitting opposite him was staring at the dumpling in a daze.

He didn't know what he was thinking about, but he was very absorbed in his thoughts.

"What's wrong? The dumpling isn't Delicious?"Fan Yu saw that he was in a low mood and asked.

Fan fan pursed his lips and looked at the dumplings in his bowl again.

"They're good. I was just thinking about my mother..."

Chapter 1947: I'm trying to coax you 13

His mother?

Something flashed through Fan Yu's mind. It was so fast that he didn't have time to catch it.

It was only the first time he heard the little guy say that he missed his mother. Fan Yu raised his eyebrows slightly and looked at him again.

He couldn't help but feel curious. What kind of parents could give birth to such a stable child.

From what the little guy had mentioned earlier, there seemed to be only one mother and uncle among the parents. What about his father?

How come he had never heard him mention his father before?

“Your mother can make dumplings?”

Fan Yu’s chopsticks paused, and his thin lips parted slightly.

Facing the small face in front of him, he always had the feeling that he was looking at a miniature version of himself.

His facial features were clearly not that similar to his, but that calm temperament of his really resembled him.

“The dumplings my mother made were very delicious, just like this one.”

Fan fan lowered his head and took a bite of the dumplings in his bowl.

He said seriously.

“The same?”

Fan Yu was stunned for a moment before he laughed softly.

When he heard those words, it was as if he could taste the taste of his mother from Qiao Yuanfei’s dumplings.

As expected of a child, everything tasted the same.

It was probably because he missed home and his mother.

“I will get someone to help you find your mother tomorrow. Eat your fill first and then go back to your room to sleep.”

Fan Yu saw that the little guy was absent-minded, so he didn’t ask any more questions.

In a few seconds, he finished all the dumplings in his bowl and then put down his chopsticks.

He patiently waited for the two little ones to be full and brought them upstairs.

They didn’t need fan Yu to take care of them. In fact, the two children could take care of themselves.

Especially Xiao Liuliu, who acted like they knew each other the moment she saw her little brother.

She didn’t even walk steadily and kept thinking about holding her little brother’s hand.

In the end, it was fan fan fan who held her hand and brought her upstairs.

The two little ones walked in front and fan Yu, who was walking behind them, looked at their figures that followed their every step. He felt as if he had been forgotten by the entire world..

Heartbroken!

He suddenly didn’t want to have a daughter anymore.

In the future, he would have to watch a stinking brat come and ask her out on a date every day. What a despairing scene it would be.

It was still better to have a son. Once he was brought up, he could go and kidnap someone else's daughter.

"Little brother, my room is very big. Do you want to come and sleep with me?"

Xiao Liuliu stopped at her own door and invited him with a sincere expression.

Fan Yu was shocked!

Without waiting for fan fan to speak, he immediately rushed forward and stood between the two of them.

He picked fan fan up.

"Fan fan has just arrived. He needs to be taken care of by an adult. He will sleep with me today!"

Then, with lightning speed, he carried fan fan into the room and closed the door!

Leaving Little six-six standing at the door stunned..

In the room.

Fan Yu put fan fan down as soon as he entered the room. He opened a crack in the door and carefully looked outside.

After making sure that little six did not chase after him, he suddenly let out a sigh of relief.

Turning around, he saw fan fan's upright little body, obediently standing on the spot, looking up at him.

Fan fan: "Uncle, can we go to sleep now?"

Fan Yu:"..."

He had never brought such a young boy to sleep before.

Should he help him brush his teeth and wash his face?

Where were his pajamas?

Did he have the habit of getting up in the middle of the night to Pee..

Fan Yu rubbed the space between his eyebrows, feeling a headache.

Why did he bring this little ancestor in?

"Go and get your luggage. You can sleep here with me tonight."

An adult could not go back on his words.

Fan Yu held fan fan's hand and personally went to the guest room to carry his luggage.

Fan fan was very obedient.

Whatever fan yu said.

After washing up, he got into bed and politely said good night to fan Yu.

Chapter 1948: I am coaxing you 14

He closed his eyes and his long eyelashes drooped over his eyelids.

Quiet and sensible.

Fan Yu walked forward and he was already asleep.

Probably because he had been on the plane for a whole day, the expression on his small face was a little tired. He did not move even when he fell asleep.

For some reason, Fan Yu's heart suddenly tightened.

Looking at the small face in front of him, he felt an indescribable heartache.

He reached out and gently touched his forehead, helping him to push away the bangs on his forehead.

After covering himself with the blanket, he dimmed the lights.

He originally wanted to sleep, but when he really lay on the bed, he kept feeling that something was wrong. He tossed and turned, unable to fall asleep.

In the end, he sat up from the bed and looked sideways at the little guy beside him.

Seeing that he did not recognize strangers at all and was still sleeping soundly, he lay down again and continued to sleep..

—

Qiao enterprise.

Qiao Yuanfei had just taken over the company and had too many things to deal with.

She had been busy for half a day before she had the time to stop and drink some water.

Being busy was sometimes a good thing. It could make people forget some people and things that they wanted to forget.

For example, Fan Yu..

Qiao yuanfei lowered her eyes to hide the loneliness in her eyes. Even though she knew that it was impossible, she could not help but glance at her phone.

There was no phone call from him, nor was there any information about him.

It seemed that he really wanted to draw all boundaries with her..

Qiao Yuanfei took a deep breath and did not allow herself to continue thinking.

When she saw the date circled on the schedule, she raised her head to ask her assistant.

“Have you booked the plane ticket that I asked you to book previously?”

After getting an affirmative answer, she reached out to pick up her phone and called her baby, preparing to give him a surprise.

The little guy kept saying that he missed her and wanted to return to the country as soon as possible. When he heard that she had already booked the plane ticket and was going to pick him up, he would definitely be overjoyed.

When Qiao Yuanfei thought of this, the corners of her mouth involuntarily curled up.

No one answered the first time, so she called again.

Still no one answered..

Qiao yuanfei glanced at the time. Usually at this time, the baby would not not answer the phone.

Was it because he did not bring his phone with him when he participated in the event?

For No Reason, Qiao Yuanfei felt a little uneasy.

She flipped through the chat records with Zhuo Liye and found the organizer he mentioned. She personally called him to inquire.

The reply she received was that the baby did not participate in the event at all!

“What did you say? What do you mean by not participating at all?”

Qiao Yuanfei’s face instantly turned pale.

If the information was not wrong, but the baby had really gone missing..

That would not happen!

That would not happen!

Zhuo Liye had told her yesterday that the baby was fine, and they had even talked on the phone.

It was impossible for the baby to have gone missing for two days.

Perhaps she had made a mistake with the organizer of the event, so she could not find the person on the phone.

Qiao yuanfei forced herself to calm down and dialed Zhuo Liye’s number.

“He’s gone? How can that be? The baby even sent me a message this morning to tell me he’s safe. It’s a voice message. I’m sure he’s fine. Don’t worry, I’ll call him now and get someone to check his location.”

On the other end of the phone, Zhuo Liye’s calm and steady voice greatly comforted Qiao Yuanfei.

“Fay, I’ve always treated my baby as my own son and will not let anything happen to him. Calm down for a few minutes first. I’ll inform you as soon as I find him.”

In a skyscraper on the Financial Street.

In the Magnificent CEO’s office.

Zhuo liye hung up the phone. Just as he was about to ask his secretary to look for someone through the internal line, the Secretary knocked on the door and entered.

Behind him was a person with an extraordinary demeanor.

“President Zhuo, Young Master Han from the Yu Corporation is here. He said that he has something important to see you about... It has something to do with fan fan.”

Chapter 1949: I am coaxing you 15

In China.

Qiao yuanfei could not wait for Zhuo Liye’s news at the company and was anxiously calling the baby.

Just when she could not hold it in and wanted to immediately go abroad to look for him, Zhuo Liye’s news came.

There was not much explanation, only two short sentences.

Tell her that the baby was fine and did not go missing, but that it was inconvenient to answer the phone.

He also promised her that he would personally pick up the baby in two days and bring the baby to her side unscathed.

When she heard that the baby had not gone missing, Qiao Yuanfei’s worried heart finally returned to her stomach.

She wanted to find out what was going on with Zhuo Liye, but the call was answered by her secretary.

“Miss Qiao, our President Zhuo is holding an emergency meeting to arrange the work to be done. He has instructed me. If you call, I must let you know that young master fan fan is doing very well. President Zhuo has just met young master fan fan fan through his friends. He has confirmed that he is very safe and is having a good time. He told you not to worry.”

“... Thank you.”

When Qiao Yuanfei heard that her baby was fine and that she had even met Zhuo Liye, she was completely relieved.

She was relieved that Zhuo Liye was handling things.

He was busy arranging work, probably to find time to pick up the baby.

In another two days, she would be able to meet the little guy..

Qiao Yuanfei’s mood gradually changed from the panic just now to anticipation and joy.

However, she was still a little worried. After thinking for a while, she asked her assistant to compress the meetings for the next two days and try to solve them together.

She wanted to go abroad early and pick up the baby personally.

The little guy would definitely be happy to see her.

“Achoo-”

“Achoo-”

“Achoo-”

After three consecutive sneezes, fan fan stood by the bed and reached out to rub his little nose.

Feeling guilty, he hid himself like a child’s phone.

He mumbled softly.

“I’m sorry, Mommy.”

“Who are you sorry for? You just woke up and you’re standing in the corner?” Fan Yu walked in with a glass of milk in his hand. When he saw the little guy talking to himself, he opened his mouth lightly.

He didn’t hear it clearly just now. He only heard the words “I’m sorry.”.

The Little Guy was young, but his thoughts were quite heavy.

The first day he stayed at his place, he woke up early in the morning.

He ate breakfast obediently and then played with Xiao Liuliu.

At 10 o’clock Sharp, he took out an Olympian math book from his suitcase and sat straight on the small desk that he had custom-made for Xiao Liuliu.

At first, Xiao Liuliu wanted to play with him, but he found that he was unmoved. In the end, the infected person also held a book and looked at him with admiration.

It was unknown whether he was reading or looking at someone.

After lunch, he played with Xiao Liuliu again.

When it was time for his afternoon nap, he didn’t need anyone to remind him and went to bed on his own.

Just as Fan Yu was about to wake him up, he came in and woke up by himself.

Even his clothes were already put on.

Wouldn’t such a young child Laze in bed?

Every time he went to call Xiao Liuliu, the little glutinous rice ball would spend at least half an hour lazing in bed. When she really couldn’t stay up, she would simply crawl into his arms and roll around coquettishly.

She wished that she could stick to his body and sleep for another ten minutes..

She was so delicate and adorable!

“Here’s your milk.”

Fan Yu narrowed his eyes and stopped comparing the difference between raising a son and raising a daughter.

When he woke up, he led him to the sofa and asked him to sit down.

He turned his head and instructed his assistant to come in.

He asked calmly.

“You said that you’re here to look for your mother. First, tell me what your mother’s name is and what she does.”

Chapter 1950: I’m trying to Coax You 16

Since fan Yu had promised to take care of this child, he would definitely take good care of him.

However, his time was limited. He had to take care of two groups and also take care of Xiao Liuliu..

Although it would be fine if he had another little boy now, it would be a good thing for fan fan if he could help him find his mother earlier and send him to his family.

He had said that he would help him find her, so naturally, he was not lying.

Fan Yu had specially asked his assistant to come over today to record his mother’s characteristics so that he could help him find her.

“You don’t even remember your mother’s name?”

Fan Yu waited for a long time but did not get an answer. He subconsciously made a judgment.

He rubbed the space between his eyebrows with a headache.

He did not even know her name, which was a little troublesome.

“Do you have a photo of your mother? Contact Information? It doesn’t have to be a phone number, email or other social media accounts can also be used.”

“...”

There was still silence.

Fan fan straightened his small body, lowered his head, and stared at his fingers, not knowing anything.

“Then what do you remember? Tell me yourself.”

Fan Yu’s heart was as dead as ash as he asked.

Fan Fan’s small face was paralyzed, and he raised his head to look at him.

After hesitating for a few seconds, he looked at the assistant behind him.

Fan Yu’s brows furrowed slightly. He seemed to have sensed something and ordered his assistant to go out first and close the door.

Only the two of them were left in the room.

Fan Yu stretched his legs and opened his mouth calmly.

“There’s no one else here now. Do you have something you want to tell me?”

“Uncle fan, Can I stay with you for two more days?”

“...”

“My mother still doesn’t know that I’m here to look for her. I haven’t thought about it yet either. I’m afraid that she’ll get angry.”

Fan fan nervously licked his lips.

At the mention of his mother, he finally revealed a hint of childishness that a child should have.

He missed his mother.

But his mother didn’t have time to take care of him. If she knew that he wasn’t obedient and snuck back, she would definitely be angry.

He did not want to make his mother angry.

He only wanted to sneak a glance at his mother. Uncle Zhuo said that his mother was very busy right now.

He wanted to remind his mother to take care of her body.

“...”

Fan Yu quietly listened to all of his words. His heart moved slightly.

He could not answer a single word.

The way he looked at him changed slightly.

His big hand rubbed his head.

“I got it. You can stay here as long as you want. However, there is one thing that you must not let your family be unable to contact you.”

Fan Yu was just reminding her casually.

The parents should know about the child that Yu Yuehan had sent over to his place.

Perhaps he and Nian Xiaomu had seen that fan fan was too sensible and were afraid that he would be bored to death by himself, so they had sent him over to be Xiao Liuliu’s Playmate.

Xiao Liuliu’s personality was very healing. When fan fan was with her, she was more like a child.

Fan Yu turned around and walked out.

When he reached the door, he suddenly thought of another matter.

“Oh right, why did you only mention your mother and uncle? Where is your father?”

“I don’t have a father.”

Fan Yu met his gaze and answered very calmly.

It was as if he had answered the same question hundreds of times and was numb to it.

However, because of this answer, Fan Yu's heart throbbed violently.

He still had something to do in the afternoon, so he had to make a trip to the company.

The two children at home were all thrown to the butler. Even the butler might not be able to handle them.

"Father Fan Yu, can you get pretty aunt to take care of us?" Xiao Liulu stood on the sofa. When she heard that Fan Yu was about to leave, she asked with an expectant look on her face.

Fan Yu: "..."

It was not easy to ignore someone, but when Xiao Liulu mentioned her, his head hurt again.

What was even more terrifying was that before he could say anything, Xiao Liulu had already run to the villa's landline.

Her little finger nimbly dialed Qiao Yuanfei's number!
