

My Life 1971

Chapter 1971: If this isn't the Devil... (1)

It's not a coincidence, it's a real kiss.

If you ask Qiao Yuanfei how she knew, it's because the next second she was in a daze, the bright lights in the room suddenly went out with a "PA" sound.

It was definitely not a circuit breaker, because from the corner of her eye, she caught a glimpse of the hand on the bedside switch.

It belonged to Fan Yu's hand!

The night was dark.

It was quiet outside the window. The completely dark environment would magnify every single detail.

Qiao Yuanfei's mind was blank. She instinctively wanted to push away the person leaning on her body, but Fan Yu had already flipped over and pressed down on her.

He deepened the kiss just now.

"Wu!"

At this moment, he seemed to have changed into a different person.

Domineering, Domineering, and untouchable.

He didn't even give her a chance to refuse or protest.

Attacking the city inch by inch..

Qiao Yuanfei had lived abroad alone for so many years, so she was quite skilled.

She thought that she was more than enough to deal with one or two perverts.

But at this moment, facing fan Yu, who had suddenly changed his appearance, she was completely in a state of shock for the first half of the sentence.

She had completely forgotten how she should react.

And her shyness had completely stimulated fan yu.

Originally, he just wanted to tease her and take the opportunity to hug her to sleep.

It would be best if there was another scandal tomorrow, saying that he stayed in her room and that their relationship was confirmed.. or something like that..

It didn't matter if the reporters took pictures or not, he could create a scandal by himself.

But now, he was wholeheartedly trying to be a devil.

He wanted to make "Scandals" into "Facts."

Fan Yu increased the pressure on her and easily unbuttoned her pajamas.

Qiao Yuanfei was at a loss at first, but in the end, she was completely under his control and had no way to fight back.

She only felt that everything in front of her was like a dream.

Fan Yu, who had always been elegant like Prince Charming, had become a devil at this moment.

Men seemed to be self-taught in certain aspects.

Fan Yu was very good at flirting.

In the darkness, Qiao Yuanfei was so flirtatious that she was dizzy and allowed him to do whatever he wanted.

Just as she was about to be torn apart and eaten, the door suddenly rang.

Xie Yun's voice was heard outside the door.

"Feifei, are you asleep? Why didn't you turn off the lights when young master fan came out? Are You Guys Alright?"

Xie Yun's voice was very loud, as if he wanted to wake up the entire villa.

Qiao Yuanfei snapped back to her senses and pushed fan yu away, sitting up from the bed.

She lowered her head nervously and tidied up her clothes.

Fan Yu was still lying beside her. His arms were empty, and he had one hand on the pillow.

A few buttons on his shirt popped open. His chest was open, and he looked at the door with a dark expression.

He couldn't have come earlier, but he had to come at this time. Did this Xie Yun come specially to go against him?

It seemed that he was about to succeed.

Perhaps when he woke up, he could still ask Qiao Yuanfei to take responsibility for him under the pretext that he was in a daze the next day and didn't know what had happened..

It was fine now.

There was no hope for him to take responsibility. He was afraid that he would have to explain to her what he wanted to do to her later.

Outside the door, Xie Yun continued to shout.

In just a few short minutes, everyone in the villa woke up.

They all thought that something big had happened and gathered at the door of Qiao Yuanxi's room.

Qiao Yuanxi was still rubbing his eyes, complaining that he had been woken up.

“Mom, when did you become so concerned about her? The last time she caused me to get beaten up, my wounds are still not healed!”

“What do you know? Shut Up!”

Chapter 1972: If this isn't the Devil... (2)

Xie Yun glared at his daughter and continued to knock on the door.

Until Qiao Yuanfei came out to open the door.

Once the door opened, Xie Yun anxiously wanted to squeeze in.

Qiao Yuanfei grabbed the doorknob with one hand and only opened the door a crack, not letting her in.

The flush on her cheeks did not fade for a moment.

But her face had already darkened.

“What's the matter?”

“Auntie is just concerned about you. Seeing that you've brought your friends back, she wanted to ask if you two would like to have some supper,” Xie Yun said as he laboriously glanced into Qiao Yuanfei's room.

He secretly thought to himself, Qiao Yuanfei is really good at tricks.

She actually managed to trick young master fan into going home.

The two of them were locked in the room, talking about visiting the room. This man and woman were alone. If they were to visit the back of the room, they would probably have to visit other people.

If they were to really let Qiao Yuanfei and young master fan be together, would they still have a place to stand in the future?

No matter what she said tonight, she could not let Qiao Yuanfei and young master fan be alone in the same room.

If it really did not work out, even if she revealed her identity as the mistress of the Qiao family and risked offending young master fan, she could not let him be together with Qiao Yuanfei!

“There's no need.”

Qiao Yuanfei rejected him very straightforwardly.

The way she blocked the door, it seemed that she did not want fan Yu to have any contact with the Qiao family.

In reality, she was afraid that everyone would see fan Yu's appearance.

Fan Yu's clothes were half-undressed, revealing his clean chest as he lay on her bed.

He supported his head with one hand and narrowed his eyes.

When he heard the movement outside the door, he did not sit up nor did he have any intention of putting on his clothes.

She just laid there leisurely..

He was leisurely, and Qiao Yuanfei's heart was on the verge of death.

If anyone were to come in and see him like this, they would be able to imagine what had just happened to them.

Even if they jumped into the Yellow River, they would not be able to clear their names.

Qiao Yuanfei was stalling for time while hinting at him to get up quickly with her eyes.

Fan Yu, on the other hand, did not react at all as if he was blind.

No, he did react.

He just changed to a sexier and more seductive position and lay on her bed.

Qiao Yuanfei:"..."

Outside the door, Xie Yun was still determined to cause destruction.

In her eyes, Fan Yu must have been bewitched by Qiao Yuanfei for a moment. As long as he did not give them the chance to be alone, Fan Yu would not be captured by Qiao Yuanfei.

"Feifei, young master fan's status is noble. It's rare for him to come to our Qiao family. If you let people stay in your own room like this, if word gets out, people will say that we did not treat you well."

"..."

"Even if young master fan doesn't mind, People's words are terrible. You guys are unmarried. If word gets out, young master fan will marry you!"Xie Yun deliberately emphasized those two words.

One had to know that even if Qiao Yuanfei was the biggest shareholder of the Qiao Corporation, to the fan family, she was just a "Small family".

In addition, her parents had both died.

How could fan Yu's parents accept such a woman as their daughter-in-law?

It was just for fun.

When it came to marriage, one man would probably run faster than the other.

"What nonsense are you talking about? I don't have anything with Fan Yu."

Qiao yuanfei looked at Xie Yun with annoyance. Just as she was about to close the door, Xie Yun suddenly became fierce and forcefully pushed the door open.

He rushed in.

"Young master fan, you must not be fooled by Qiao Yuanfei's appearance. She must have set you up to have sex with her tonight and then forced you to be responsible for her..."

Xie Yun had not even finished speaking when he was shocked by the scene in front of him!

Chapter 1973: If this isn't the devil... (3)

Fan Yu slowly sat up from the bed.

Seeing that there were other people in the room, he stretched out his hand and tidied up his shirt as if he disliked it.

He frowned and glanced at Xie Yun.

He stood up from the bed.

The moment he stood up, he was afraid that people wouldn't notice the mess on the bed, so he even took a look.

This time, it was not only Xie Yun who saw it. The other people who followed behind also saw it.

Xie Yun was even more certain of Qiao Yuanfei's thoughts.

He was certain that she wanted to take the opportunity to pounce on Fan Yu and force him to take responsibility.

He smiled coldly.

"Alright, everyone saw it. Qiao Yuanfei, explain yourself. Young master fan came to Our House as a guest. What did you do to him?"

When the people around them heard Xie Yun's words, they all looked at Qiao Yuanfei at the same time.

Their eyes were filled with contempt.

Qiao Yuanxi was worried that he wouldn't have the chance to slander Qiao Yuanfei. If he didn't take revenge now, when would he do it?

"Young master fan, it's already so late. If it were any other decent girl, she wouldn't have left a man in her room. You have to be careful, don't fall into her trap!"

"Have you said enough? This is my room. If you've said enough, Get Out!"

Qiao Yuanfei was tired of the Qiao family's mother and daughter's tricks.

If they didn't leave, they would call for bodyguards.

"Wait."

Fan Yu, who had been silent all this time, suddenly opened his mouth.

He walked in front of the Qiao family's mother and daughter.

"You said just now that Qiao Yuanfei wanted to set me up?"

No one expected fan yu to speak.

Qiao Yuanfei did not expect it either.

Hearing his words, she was momentarily stunned.

Xie Yun and Qiao Yuanxi thought that Fan Yu had believed their words and were extremely excited.

They nodded their heads vigorously.

“That’s right, that’s right! Young Master Fan, you have a noble status and are a humble gentleman. How would you know that people are evil? Some women would do anything for money, fame and Fortune!”

“That’s right, that’s right! It’s just one night of sleep and you can marry into a wealthy family. Young master fan is such a handsome and handsome man. Who wouldn’t rush to do such a good thing?”

The mother and daughter chimed in as if they had seen Qiao Yuanfei prepare to scheme against fan Yu with their own eyes.

Qiao yuanfei furrowed her brows. Just as she was about to say something, Fan Yu had already walked up to her.

Blocking in front of her, he opened his mouth indifferently.

“After talking for so long, you guys still haven’t explained clearly. What exactly is she trying to scheme against me?”

“Of course it’s...”

Qiao Yuanxi was about to say something before she could say anything, but she blushed and retreated back.

She said in a sweet voice.

“Young master fan is so bad. To make someone say something like this directly, it’s really embarrassing.”

“...”

Qiao yuanfei was about to vomit.

It was hard for Fan Yu to hear her without blushing or panting.

Did he really believe Qiao Yuanxi’s words and think that she was deliberately trying to seduce him?

She was clearly the one who had suffered the loss just now..

“Young master fan, Xixi is too embarrassed to say it. I will answer on her behalf!”

Xie Yun squeezed to the front and purposely said loudly in front of everyone.

“Qiao Yuanfei is trying to trick you into having sex with her so that you will be responsible for her! The best evidence is that she intentionally left you in her room.”

In the Qiao family’s villa, besides Qiao Fangfeng and his family of four, there were also the housekeeper, servants, and bodyguards.

Once Xie Yun said this, regardless of whether it was true or not, once word got out, everyone would assume that Qiao Yuanfei intentionally seduced fan Yu and that she was a woman who relied on her body to climb up the social ladder.

The slander of such a rumor was fatal to a girl!

If Fan Yu were to get angry because of this and leave, it would be even more perfect!

Xie Yun thought happily in his heart.

After waiting for a long time, Fan Yu did not get angry. He raised his head in surprise.

Chapter 1974: If this isn't the devil... (4)

Don't men care about being slandered and used.

Do they care about being plotted against by a woman?

Especially for someone of Fan Yu's status, if he found out that he was being deliberately approached by a woman, he would probably fly into a rage and want to tear her into pieces.

Why did Fan Yu look like he was not angry, but rather, he seemed to be smiling?

He was really smiling.

Unlike his usual calm and gentle smile, there was a hint of evil in the corners of his mouth at this moment.

He turned around and looked at Qiao yuanfei behind him, his thin lips slightly parted.

"I heard that you're trying to seduce me?"

Qiao Yuanfei:"..."

"Actually, there's no need to go through so much trouble. Even if you don't seduce me, I'm willing to take responsibility for you."

Qiao Yuanfei:"..."

Everyone:"..."

The slap to the face came too quickly, like a tornado.

Xie Yun and Qiao Yuanxi's expressions were completely stunned at this moment.

It was as if they did not understand fan Yu's words. One second ago, they were waiting to see Qiao Yuanfei's miserable appearance, and the next second, they were dumbstruck.

What did he mean by saying that he was willing to take responsibility even if he did not seduce him.

What was the difference between this and a confession?

Were they for real? !

Qiao Yuanfei was also stunned.

When she met Fan Yu's deep eyes, for a moment, her heartbeat really quickened.

When she finally reacted, he probably only saw that there were a lot of people around him. On account of their friendship, he was deliberately protecting her reputation.

After all, if word got out that fan yu might like her, it would be better than others saying that she was deliberately seducing him.

But even if that was the case, her heart was still beating like thunder because of his words.

Qiao yuanfei forced herself to come back to her senses and immediately chased all the people who were watching the show out.

The room instantly fell silent.

Only the two of them were left.

After Fan Yu had used his ultimate move, he seemed to be tired and walked towards her bed. He was about to lie down on her bed again.

Qiao yuanfei quickly pulled him back.

"Just now... you just..."

Qiao yuanfei held it in for a long time, but she did not have the courage to ask him why he did that to her just now.

If Xie Yun had not suddenly appeared to disrupt the situation, they might have already... been doing this and that.

"What do you mean by this and that? Say It clearly."

Fan Yu glanced at her flushed face and asked intentionally with a wicked sense of humor.

Qiao Yuanfei was unable to say it in the first place, but after being teased by him, she became completely mute.

She pulled him forcefully to prevent him from lying on her bed and pushed him out of the door.

"It's very late. Since you're awake, it's time for you to leave."

"..."

Fan Yu failed to tease her and was instead chased away.

He could not help but curse in his heart.

However, he did not drink, nor could he pretend to be drunk and refuse to leave.

Qiao Yuanfei pushed him to the door and even pushed him hard, pushing him out directly.

She closed the door behind her.

Fan Yu turned around and only had time to see her face that was so red that it was about to bleed. The smile on the corner of his mouth became more and more evil.

In the room.

Qiao yuanfei leaned against the door and listened for a long time. When she heard that there was no movement outside, she quietly opened the door and took a look.

After confirming that fan yu had really left, she closed the door again and returned to the bed.

When she laid down, her ears were filled with what he had just said.

“I heard that you want to seduce me?”

“Actually, there’s no need to go through so much trouble. Even if you don’t seduce me, I’m willing to be responsible for you.”

Qiao Yuanfei’s mind seemed to have been emptied. After an unknown amount of time, she still had not fallen asleep.

She turned over and got up, preparing to go to the balcony to get some fresh air.

From the corner of her eye, she saw the cell phone on the bedside table. She suddenly thought of another more important matter.

She hurriedly took the cell phone and turned it on, dialing Zhuo Liye’s number!

Chapter 1975: If this isn’t the devil... (5)

The call was picked up very quickly.

Before Qiao Yuanfei could speak, Zhuo Liye had already asked worriedly.

“Why did you suddenly hang up and turn off your phone? I almost sent someone to the Qiao family to look for you.”

“... my phone is out of battery, I just charged it.”Qiao yuanfei guiltily found an excuse.

She really did not know how to explain her relationship with fan Yu to Zhuo Liye.

In fact, she herself could not figure out her relationship with fan Yu.

After the commotion just now, her mind was in a mess.

Her only thought was to ask why the baby was with Fan Yu.

“Fan Yu?”

Hearing her words, Zhuo liye paused slightly.

He seemed to be very surprised as well.

Then, he said softly, “I thought that it would be at the Yu family Villa. I didn’t expect it to be related to Fan Yu.”

Realizing that Qiao Yuanfei might not understand what he said, he explained it again.

“This incident was a small accident. The person who took the baby away was the wife of the Yu Corporation’s CEO, Nian Xiaomu. She did not have any ill intentions. She only wanted to introduce the baby to her daughter and make friends with her. For this, Yu Yuehan even personally went to my house to explain it to me...”

Although Zhuo Liye had been abroad all this while, he was no stranger to the big families in the country. Yu Yuehan’s name was even more well-known.

In order to prevent any misunderstandings, Yu Yuehan had gotten someone to send him a message the day he took the baby away.

Later on, he personally went to his house to ensure the baby’s safety.

He got him to make a video call with the little fella.

Zhuo liye was only completely at ease after he was certain that the little fella wanted to leave with Nian Xiaomu on his own and was still having a good time.

After all, he was the one who had watched the child grow up with his own eyes. Zhuo liye was very confident in the baby.

Although the baby was young, he was very smart.

Most people would be lucky if they were not deceived by him.

“Nian Xiaomu...”

Qiao Yuanfei was stunned for a moment when she heard this name.

If she remembered correctly, Xiao Liuliu’s biological mother was called Nian Xiaomu.

Combined with Xiao Liuliu’s earlier jokes..

So, the baby was the little brother that Nian Xiaomu had picked out for Xiao Liuliu and brought back to be Xiao Liuliu’s Playmate?

It was because Xiao Liuliu was now in Fan Yu’s care that the baby was accidentally sent to Fan Yu’s side.

What... What kind of fate was this.

Qiao yuanfei choked for a moment.

She couldn’t answer for a long time.

“Fay, What’s wrong? Why aren’t you saying anything?”

Zhuo liye waited for a while. Seeing that the other end of the phone had been silent, he thought that she was still worried, so he continued.

“I’ve already postponed work. I’ll return to the country to pick up the baby in two days. If you’re done with the Qiao family’s matters, I hope that I can pick you up and come back with me.”

There was a hidden meaning in Zhuo Liye’s words.

He wanted to say something more, but he realized that Qiao yuanfei seemed to be absent-minded. He paused for a moment.

He called her twice.

“Huh?”

Qiao yuanfei came back to her senses and quickly patted her face.

“I’m listening. I got it.”

After hanging up the phone, she sat on the bed in a daze. The thoughts in her mind were not Zhuo Liye’s words, but Fan Yu’s.

Was the baby being sent to his side by Fate?

Should she tell him..

Qiao Yuanfei had just had this thought when she pushed it down again.

She could not imagine how fan Yu would react if he found out about the relationship between the baby and her.

He would definitely feel that she wanted to use the baby to forcefully get involved with him.

He had said early on that he would not like her.

If she had told him, he would have hated her even more.

Chapter 1976: If this isn’t the devil... (6)

She would also hate the baby..

This was something that Qiao Yuanfei could not accept.

She took a deep breath and lay down on the bed.

After thinking carefully, she decided to think of a way to get the baby back first.

—

The next morning.

Qiao yuanfei woke up very early because she had something on her mind.

According to the time that she had agreed with the baby yesterday, she asked her assistant to arrange for a young woman who looked unfamiliar to her to pretend to be the baby’s mother to pick up the baby.

In order to prevent fan yu from getting suspicious, she specifically asked her assistant to arrange for an actor who had a house in the local area.

If it was really necessary, she could ask fan Yu to visit the house.

As long as she could successfully fetch the baby out, it would be fine.

After preparing everything, she couldn't sit still either.

She washed up a little and carried her bag out the door.

When she passed by the living room and saw the Qiao mother and daughter sitting in the living room, her mind suddenly recalled the good things that the two of them had done last night.

Those nasty words..

But when she thought of the baby, she restrained herself first.

When she received the call, she would settle the score with them!

Qiao Yuanfei did not dare to call fan yu. She calculated that at this time, Xiao Liuliu should be awake. She called Fan Yu's villa directly to look for Xiao Liuliu.

The call had just been picked up, and she just happened to step out of the Qiao family Villa's main door.

"Is it the butler? It's Qiao Yuanfei. is Xiao Liuliu awake..."

Qiao Yuanfei had just said her first sentence when her eyes suddenly flashed.

She was startled and raised her head to look ahead.

She discovered that a reporter was taking photos of her with a camera.

She subconsciously thought that because she had just taken over the Qiao Corporation, there were paparazzi secretly taking photos.

But very quickly, she felt that something was wrong.

There were more than one reporter lurking around, but a group of them. In the moment that she was stunned, they had already rushed up like a swarm of bees.

They scrambled to take photos of her and held up the microphone to ask questions.

"President Xiao Qiao, have you seen the news today? Did Young Master fan really stay in your room last night?"

"You can be considered to have met the parents. Are you going to make it public?"

"When will the wedding be held?"

"I heard that you've already met the elders of the fan family. What are their attitudes towards you?"

"When do you plan to have a child..."

"..."

A bunch of questions were thrown at Qiao Yuanfei in unison.

Qiao Yuanfei was stunned on the spot.

She looked at the camera blankly. The expression on her face seemed to say, "Who am I? Where was I? What just happened?"

She had only slept alone, why did the whole world think that she was going to marry Fan Yu?

And that reporter who asked when she was going to have a child with Fan Yu, were you serious?

Qiao Yuanfei took three steps back, her eyes wide open.

After taking a few deep breaths, she lowered her head and took out her phone from her bag, opening today's news.

When she saw the headline of the news, she enlarged the page in disbelief.

[explosive! Young master fan left the Qiao family's villa late at night, suspected to be in a relationship with the eldest daughter of the Qiao family, Qiao Yuanfei!]

There was also a photo of Fan Yu walking out of the Qiao family's villa.

The time shown in the photo was last night..

In the photo, only one side of Fan Yu's face was revealed.

There was a smile on the corner of his mouth with an unfamiliar devilish look.

Once it was announced, the comments below broke 10,000 in a short ten minutes.

Broke a million in an hour.

Qiao Yuanfei casually scrolled down and found Fan Yu's face powder all over.

"Ahhhhh! Did I, young master fan, get possessed by the devil? It's so cool to have such a wicked smile!"

"It's over, I'm in love, the kind of love that lasts forever."

Chapter 1977: If this isn't the devil... (7)

"Live long and see the series... I never thought that when I, Fan Shao, become evil, I would actually be so flirtatious!"

"Add one more, ahhhhh!"

"..."

The following hundreds of entries were all similar screams.

After a while, someone finally remembered the main topic.

"So, is my Prince Charming really together with Qiao Yuanfei? I! Don't! Accept! Accept!"

"Accept or not, I'm currently in deep despair."

"I weakly interjected. This young lady is a little good-looking. Can I say that I quite like her?" "At least she's an overbearing female CEO. If I, young master fan, were to find an online celebrity who only knows how to buy things, I'm afraid that I would directly crash into the wall..."

"..."

A rare piece of news that acknowledged Qiao Yuanfei was drowned in the vast sea of people.

The people at the back were all wailing that they had fallen out of love.

They were crying their eyes out, and Qiao Yuanfei could not help but feel sad for a few seconds.

By the time she realized that she was the female lead in the news, the surrounding reporters' microphones were already squeezing onto her face, asking her to respond.

"Miss Qiao, you've been silent all this time. Did you acquiesce to the news on the Internet?"

"How long have you been dating young master fan? Does it mean that the wedding date is coming?"

"Miss Qiao, did Young Master Fan Really Sleep in your room last night?"

"..."

Qiao Yuanfei looked at the reporter in front of her in shock and opened her mouth.

She wanted to say something, but she couldn't say a single word.

How could she explain something that she didn't even know?

All she wanted to know now was how fan Yu's photo of him leaving her house was taken.

It was fine if it was taken, but she wasn't the only one in the Qiao family's villa. How could those reporters be so sure that fan yu was sleeping in her room?

Many people knew that Qiao Yuanxi had previously fallen for Fan Yu.

Now that Fan Yu had come to the Qiao family's house, if he really stayed overnight at the Qiao family's house, wouldn't Qiao Yuanxi be more suspicious than her?

Many questions flashed through Qiao Yuanfei's mind.

In the end, there was no reasonable explanation for every question.

If it was really as she had deduced, then when Fan Yu saw the news, would he misunderstand that she was the one who did it..

When Qiao Yuanfei thought of this, she subconsciously wanted to explain it clearly to the reporters.

"It's not what you think. Fan Yu and I are actually..."

"Shua—"

Behind the crowd, a black sports car suddenly stopped in front of the Qiao family's villa.

The eye-catching exclusive license plate instantly attracted everyone's attention.

After a few seconds, the reporters surrounding Qiao Yuanfei seemed to have suddenly woken up. With a bang, they all ran towards the black sports car.

"Young Master Fan!"

“Young master fan, did you specially come to the Qiao family’s house to pick up your fiancée?”

“Young master fan, have you met the parents of both parties? Is it convenient for you to tell us about the wedding date?”

“...”

Amidst the anticipation of the group of reporters, Fan Yu slowly pushed open the car door.

Facing everyone’s gazes, he alighted from the car.

Dressed in a white suit, he had handsome features and was as gentle as jade.

The sunglasses on the bridge of his nose blocked his ink-like eyes.

His gaze swept through the crowd before finally landing on Qiao Yuanfei, who was standing not far away.

He walked past the crowd expressionlessly and walked in front of her.

He reached out to take off his sunglasses and looked down at her.

“...”

From the moment Qiao Yuanfei saw him, she was completely dumbfounded.

It was as if she could not believe that he would appear at this time..

Did he see the news and come to find her to denounce him?

Chapter 1978: If this isn’t the devil... (8)

Qiao Yuanfei was anxious to explain and clarify their relationship with the reporters.

“Did you see the news on the internet? I just saw it too. I haven’t figured out what happened exactly, but don’t worry, I will explain it to everyone...”

“How do you explain it?”

Fan Yu opened his mouth calmly and asked expressionlessly.

He seemed to have realized that whenever he was sullen, Qiao Yuanfei’s reaction would be very nervous.

When people were nervous, it was easy for their brains to short-circuit.

For example, now..

When he continued to ask, “Didn’t I come to the Qiao family’s Villa Last Night?” As long as Qiao Yuanfei’s brain was not damaged, she should have denied it in front of so many reporters.

However, when she met Fan Yu’s gaze, she actually could not say anything and just nodded blankly.

“Not only did I come to the Qiao family’s villa, I even sent you back to your room. I stayed in your room for a long time, right?” Fan Yu asked again.

“Yes.”

Qiao Yuanfei’s mind was already empty.

Whatever fan yu asked now, she would react instinctively.

When she saw the shocked expressions of the reporters, she snapped back to her senses and wanted to explain that nothing had happened between her and fan Yu. He only sat for a while before leaving, but no one was listening to her..

The reporters had gone crazy.

They surrounded fan yu and kept asking him when they were going to get married.

Would the wedding be held in China or abroad.

Would it be open to the media..

Wait a minute, the question that made Qiao yuanfei almost despair.

She looked at fan Yu with a pleading gaze, hoping that he would be able to clarify even a single sentence.

Fan Yu’s expression was very calm. He turned around and met the gazes of all the reporters. Just when everyone thought that he would say something, he just pulled Qiao yuanfei into the car and left.

He left just like that..

Qiao Yuanfei was in a state of shock the entire time.

This state continued until they arrived at Fan Yu’s private villa. They had not recovered from it.

In front of them was fan Yu, who had been silent the entire time they had left in front of the reporters..

What was the difference between that look of his and his acquiescence?

Although he had taken her away from the reporters, it was the same as saving her.

But he had taken her away just like that. It was no different from being caught by the reporters when he went to pick her up.

Qiao yuanfei gripped her phone tightly with both hands. She no longer had the courage to look at the news on the Internet.

Now..

Probably..

Already..

She wouldn’t be able to clear her name even if she jumped into the Yellow River..

Wait, why would fan yu suddenly go to the Qiao residence?

“When you called Xiao Liuliu, she was eating breakfast. I was the one who answered the call.”

Fan Yu grabbed the steering wheel with one hand and steadily parked the car in the garage.

He glanced sideways at her as if he could see her confusion, and his thin lips parted slightly.

Hearing this, Qiao Yuanfei was stunned.

So, he heard that she was surrounded by reporters on the phone, so he deliberately went to save her?

A trace of warmth welled up in Qiao Yuanfei's heart.

She couldn't complain anymore.

"But those reporters seem to have misunderstood what you said just now..."

"HMM?"

Fan Yu raised his eyebrows slightly and curled the corners of his lips nonchalantly.

"Did I say anything? I don't remember. Life is my own. I don't have to care too much about what others think."

Qiao Yuanfei: "..."

Including the misunderstanding that they were a couple, that they had met their parents, and that they were engaged?

Fan Yu pushed open the car door and got out. He walked to Qiao Yuanfei's side and opened the car door for her.

"You're just in time. Fan Fan's family is coming to pick him up today. I'm worried, so it's good that you're coming along to take a look."

Chapter 1979: If this isn't the devil... (9)

Qiao Yuanfei's heart twitched.

She didn't dare to tell fan Yu that the reason she went out today was actually to pick up fan fan.

Just as she was worried that she had no reason to come to Fan Yu's villa again and was about to ask Xiao Liuliu for help, she was surrounded by reporters.

By accident, Fan Yu picked up her phone and even brought her here.

Fan Yu closed the car door and took Qiao Yuanfei out of the garage.

In the courtyard, fan fan and Xiao Liuliu were playing together.

Under the sunlight, Xiao Liuliu slightly raised her small face and smiled with her eyes curved.

Fan Fan was wearing a white sportswear and a pair of small white shoes. The zipper of his coat was not zipped up, and the sunlight shone on his body, causing the metal zipper to glow with a golden light.

He was a head taller than Xiao Liuliu, and the expression on his small face was serious and serious.

His hands were behind his back, and he was leaning forward slightly. No one knew what Xiao Liuliu was saying.

Fan Yu and Qiao Yuanfei walked forward curiously at the same time.

As they approached, they immediately discovered that there were two baby-like dolls on the grass.

Beside them were milk bottles, diapers, and small clothes... a series of baby products.

"Little brother likes to drink milk, so it can't be too hot. Raise your hand a little higher to feed him."

"You have to wear the diapers first. Little Brother is a boy, so you can't strangle him too tightly. It will hurt."

"The clothes are at the end. Every time little six-six helps little brother put on pants, little brother Will Blush. I don't know if he's shy, Hehe..."

Little Six-six put on clothes for the cloth doll on the grass and taught fan fan how to take care of the baby.

He kept muttering.

"When the little brother learns how to take care of the baby, we can go pick up the little brother and raise him together. Xiao Liuliu misses the little brother a little."

Fan Yu:"..."

Qiao Yuanfei:"..."

Was it not enough that she liked raising the little brother? She was even planning to form a team to raise the little brother?

"Aunty!"

When Xiao Liuliu saw Qiao yuanfei, he threw the doll in his hand aside and ran over to beg for a hug.

Fan Fan's eyes lit up as well.

But when he saw fan yu standing beside Qiao Yuanfei, he blinked his eyes and stood on the spot cautiously.

He called out.

"Uncle Fan, aunt."

Qiao yuanfei carried Little Six-six. Fan Yu walked forward and bent down to pick fan fan up.

"Did you receive a call from your mother? What time will she come to pick you up?"

"..."

Fan fan glanced at Qiao Yuanfei and leaned his small head on fan Yu's shoulder. It was rare for him to take the initiative to hug fan fan fan, as if to say goodbye.

He replied softly.

“Today, my mother will be here soon.”

After fan fan finished speaking, the Butler really rushed in from outside the main door.

“Young master fan, there’s a woman outside who said that she’s fan fan’s family and came specially to pick him up.”

“It’s Your Mother?”

Fan Yu glanced sideways at fan fan. Fan fan pursed his lips and did not speak.

He glanced at Qiao Yuanfei again.

Fan Yu noticed his gaze, but because Qiao Yuanfei was holding Xiao Liuliu in her arms, fan Yu subconsciously treated fan fan’s gaze as if he was looking at Xiao Liuliu.

Thinking that he couldn’t bear to leave Xiao Liuliu, fan yu reached out and touched his head.

“If you’re still in City H in the future, you can come over often to play with Xiao Liuliu.”

Fan fan pursed his lips and said nothing.

The Butler quickly brought the woman outside in.

She was a young woman who was dressed rather well. She wasn’t very good-looking, but she looked quite artistic.

She gave people a feeling that she was quite similar to fan fan.

At first glance, she did look a bit like a mother and son.

But..

Fan Yu glanced at the woman in front of him and felt that something was wrong.

Chapter 1980: If this isn’t the devil... (10)

Fan Fan had sneaked back to the country to find his mother. He still remembered the first time he saw fan fan.

He was so sensible that he was not like a child. He told him very seriously that he would leave when he found his mother.

Fan Fan’s reaction was too calm..

A faint light flashed in fan Yu’s eyes.

He carried fan fan and went forward.

Before fan fan fan could react, he asked, “Are you fan fan’s mother?”

“I’m not, I’m just his aunt.”

The young lady smiled and replied.

At the same time, she waved at fan fan.

“Fan fan, why aren’t you calling me aunt anymore? Quickly call me to let this uncle rest assured. Your mother asked me to come pick you up, we have to leave quickly.”

“...”

Fan Fan stole a glance at Qiao Yuanfei. Seeing her nod, he raised his head and called the young lady “Aunt”.

It wasn’t his mother, it was his aunt.

Qiao yuanfei had purposely changed her identity just in case.

After all, if it was her mother, she would definitely know fan fan very well.

If fan Yu casually asked a few questions and the other party couldn’t answer them, it would be exposed in an instant.

His aunt was much more normal. Her temperament was similar to his mother’s, so it was normal that she did not know fan fan very well.

Most importantly, fan fan was five and a half years old, he would recognize his aunt.

As long as he said yes, Fan Yu should not be suspicious.

The moment she heard fan fan call out to her, the young lady immediately went forward and carried him from fan Yu’s hands. She put him down and reached out to help him tidy up his clothes.

She lovingly touched his face.

“Alright, say goodbye to Uncle Fan and then we’ll go home.”

“Goodbye, Uncle Fan.”

Fan fan obediently raised his head to bid farewell to Fan Yu and waved his hand.

When he turned his head to look at Xiao Liuliu, he also said goodbye to her.

“Xiao Liuliu doesn’t want little brother to leave. We agreed to go to little brother’s house to eat dumplings together!”

The little glutinous rice ball ran up and hugged fan Yu’s thigh coquettishly.

“Father Fan Yu, I don’t have a Little Big Brother anymore if Little Big Brother leaves. Can you bring Xiao Liuliu to recognize the door? This way, Xiao Liuliu can often go and play with Little Big Brother in the future.”

Fan Yu:”...”

Fan Yu also felt a little reluctant to part with fan fan.

If possible, he also wanted to keep fan fan.

Raising another child was not a problem for him.

Especialy since fan fan was so much like him.

It gave him an indescribable feeling.

Seeing that he was going to be taken away, Fan Yu also had mixed feelings.

But he was not a child, so he could not act coquettishly like little six and ask for a younger brother.

Seeing that fan fan was going to be taken away, he stepped forward at the right time and stopped the young woman.

“I’m sorry, my daughter likes fan fan very much. If you don’t mind, can you leave your address and contact information so that the two children can contact each other in the future?”

“... sure.”

Before the young woman came, Qiao Yuanfei had already made all the arrangements.

There was also an address in City H.

The young woman thought that she would be able to take fan fan away smoothly after giving the address, but fan yu still did not let her go.

She turned around and instructed the butler to arrange a car. He wanted to personally send fan fan fan home. In Little Six’s words, he wanted fan fan to “Recognize the door”.

“Yes.”

The Butler did not know what fan Yu was thinking, but he had a vague feeling that there was something wrong.

He quickly went down to arrange a car.

“Young master fan is too polite. We are already very sorry that fan fan fan has asked you to take care of him for so long...”

“Can I ask, what is the name of Fan Fan’s father?” Fan Yu suddenly asked.

“...”

The young woman’s expression changed.

The person who asked her to pick up the child didn’t tell her this!
