

My Life 1993

Chapter 1993: Showing off, instantly becoming a winner in life! (3)

The person who called this time was Mo Yongheng.

He was taking Zheng Yan on their honeymoon in the outskirts of city N. It was convenient for him to take care of elder Mo and make a baby.

In the end, Zheng Yan's stomach had yet to move. The news of Fan Yuxi becoming a father had given him quite a scare.

On the phone, Mo Yongheng's reaction was similar to Qi Yan's.

It was just that his taunting skill had been halved and his level of concern had increased.

"Young master fan, How has your life been recently?"? What I meant was that if there was anything unhappy or uncomfortable, you could actually look for me to talk about it. A person who has been repressed for a long time is prone to problems. In medicine, this is known as..."

"I'm not sick."

Fan Yu interrupted him and confidently opened his mouth.

Mo Yongheng was stunned for a moment before he continued.

"I know. I understand how you're feeling right now. All patients are like this. They keep thinking that they're not sick. I don't have any other intentions. You should know that hypochondria is actually a type of mental illness. It depends on the individual's condition to determine whether they need systematic treatment or not. Actually, I know quite a few professional doctors here. If you need them..."

"I don't need it."

Fan Yu once again interrupted Mo Yongheng's concern.

He did not want to listen to Mo Yongheng's nagging anymore, so he directly opened his mouth.

"I really have a son. His name is fan fan, Fan Yu's fan. The child's mother gave him to me. We were childhood sweethearts. We've known each other since we were young. She... is very good in all aspects. The most important thing is that she loves me very much."

Fan Yu added the last sentence with reasonable evidence.

If Qiao Yuanfei did not love him, would she have given birth to his child without a word?

Looking at the time, when she gave birth to fan fan, she was still studying abroad.

If she did not love him deeply, why would she insist on giving birth to fan fan all by herself.

Well, he only said one fact.

He did not feel guilty at all.

After fan Yu finished speaking, Mo Yongheng did not say anything for a long time.

Just when he thought that the call had been hung up, he took a look at the phone and realized that it had not been hung up yet.

He leaned back to his ear, but he still did not hear Mo Yongheng's voice.

Just as he was about to speak, he suddenly heard Zheng Yan's voice from the other end of the phone.

She was not talking to him, but to Mo Yongheng.

"Why do you look like you've Lost Your Soul? Did Fan Yu feed you poison?"

"No."

Mo Yongheng finally spoke again.

There was only one word.

After about three seconds, he added through gritted teeth.

"Fan Yu is a father now. He said that his son is five and a half years old. Can you believe it?"

If this news was true, then he would really be the one at the bottom of everyone..

He could not accept this fact.

Therefore, Fan Yu's call was hung up again.

It was his duty.

Who asked him to have a wife and a son now.

His son was already five and a half years old.

It was only right for everyone to be envious and jealous.

He was magnanimous and did not care about it.

Fan Yu received calls one after another.

Other than Yu Yuehan and Tang yuansi, who were able to remain calm since they already had a child, the other two people really received a huge blow.

However, the moment they thought about how their fixed rankings would change in an instant, everyone felt depressed..

The only person who was happy was fan Yu.

With this happiness, he did not even care about Qiao yuanfei's concealment.

All he needed to do was think about her being pregnant and risking her life to give birth to his child in a foreign country.

The pain, pity, and guilt in his heart had reached an extreme level.

"Are they both asleep?"

After fan Yuqun finished mocking everyone, he finally put down his phone and turned to ask the butler beside him.

“Yes, Miss Qiao and fan fan are sleeping in the guest room. They’ve been asleep for quite a while.”

The Butler reported respectfully.

Fan Yu walked up the stairs.

When he reached the stairs, he suddenly stopped and turned to look at the butler.

“Butler, did I tell you that Fan Fan is my son?”

The Butler: “? ? ?”

Fan Yu: “Actually, there’s nothing to brag about. I just wanted to tell you that fan fan is not someone else’s child. He is my son, the son of Qiao Yuanfei and me.”

Fan Yu went upstairs, leaving behind a butler who was dumbstruck.

In the guest room.

Qiao Yuanfei could not fall asleep at first.

She was very nervous.

She was so nervous that her body was stiff. Lying on the bed, she couldn’t even turn over.

Fortunately, the little guy next to her didn’t notice. With his mother’s company, he fell asleep very quickly.

Seeing her son’s peaceful sleeping face, Qiao Yuanfei’s tensed nerves suddenly relaxed.

She couldn’t wait for Fan Yu for a long time. In the end, she actually fell asleep unknowingly.

When Fan Yu walked into the guest room, the room was quiet.

There were only two faint sounds of breathing.

It was very similar.

The mother and son even slept in the same position.

They lay on the bed and slept obediently, as if they were still in the military training after falling asleep.

When Fan Yu’s gaze met the mother and son, his gaze became gentle.

He walked lightly to the side of the bed.

Without making any sound, he stood by the side of the bed with his hands folded and looked at them quietly.

Then, he took out his phone and sent a message to his assistant.

He asked his assistant to continue investigating the marriage between him and Qiao Yuanfei. What exactly was going on..

“Okay.”

Just as Fan Yu sent the message, Qiao Yuanfei, who was sleeping on the edge of the bed, suddenly turned her body.

She was murmuring softly.

She seemed to be dreaming.

Her brows were tightly knitted, and she was not sleeping well.

Her hands were tightly gripping the blanket, and her lips were moving slightly.

Her expression was very ugly.

She was having a nightmare.

Fan Yu realized this and bent down to grab her hand, his thin lips slightly opening.

“Qiao Yuanfei, wake up.”

She did not react, and the cold sweat on her forehead grew more and more.

It was as if she was dreaming of something even scarier.

Fan Yu tightened his grip on her hand and directly lifted her up from the bed. He let her lean into his embrace and reached out to Pat her face.

“It was just a dream. Open your eyes and look at me!”

“...”

Qiao yuanfei woke up.

She opened her eyes in a daze and saw Fan Yu in front of her. Her eyes widened instantly as if she had seen a demon that was even more terrifying than the one in her dream.

Fan Yu:”...”

Then, she seemed to have recalled something and turned her head to look at her side.

When she saw fan fan who was still sleeping peacefully at the side, she heaved a long sigh of relief.

“What Did you dream about? Why Are You So Scared?”

Fan Yu wiped the cold sweat off her forehead for her, and his voice was unbelievably gentle.

This was his son’s mother.

In the past, he did not know, but he always felt that she did not care about him at all.

Now that he knew, he did not need to ask anything. Just based on fan fan's existence and fan fan's name, he was sure that she had him in her heart.

As for the rest, he could ask her slowly in the future.

However, with Qiao Yufei's personality, if he asked her properly, he might not be able to get anything out of her.

The light in fan Yu's eyes flickered, and his expression suddenly became serious.

He coughed lightly and let go of her.

He was the first to stand up from the bed and walked to the sofa at the side to sit down.

He used his gaze to signal Qiao Yufei to sit opposite him.

Once she sat down, he went straight to the point.

"Are you going to tell me about fan fan's background, or do you want me to get someone to investigate it?"
