

My Life 1995

Chapter 1995: Showing off, instantly becoming a winner in life! (5)

Qiao Yuanfei was so frightened that she stood up again.

She grabbed the hem of her clothes awkwardly.

She looked like a child who had made a mistake but had not thought of how to admit it.

She looked at fan Yu with a weak, pitiful and helpless gaze.

That Gaze Made Fan Yu's Heart Ache.

His voice unconsciously softened.

"I can not ask about other things first, but fan fan is my son. I can not let him stay outside forever. But don't worry, I will not let you mother and son be separated. As long as you are willing, you can also move in with us..."

"Fan fan is not your son."

Qiao yuanfei suddenly opened her mouth.

As if she had mustered up her courage, she said this in a serious tone.

Her words, which did not have any expectations, immediately stunned fan Yu.

Fan Fan had called her mother, and now she was saying that fan fan was not his son.

What she meant was, fan fan was born with someone else?

Impossible!

Fan Yu almost rejected this conjecture.

Even though his confidence came out of nowhere.

"At this point, do you think there's any meaning in your words? Fan Fan is not my son. Could it be that you gave birth to him alone? Or do you want me to do a paternity test with fan fan before you're willing to tell me the truth?"

Fan Yu's voice sank.

His plan to use fan fan's method to move in with Qiao Yuanfei had not succeeded, but Qiao Yuanfei's words had provoked him so much that he almost lost his mind.

Fan Fan's facial features did not look like his, but the way he dressed and the aura he exuded was almost the same as his.

He had previously been engaged to Qiao Yuanfei. was this not enough to explain the problem?

In Fan Yu's mind, he had already figured out how he had gotten to know Qiao Yuanfei and how he had accidentally met fan fan... Hmm, he had a rough guess.

He was only waiting for Qiao Yuanfei to admit it herself.

“We didn’t have sex, how could we have a child...”Qiao yuanfei heard fan Yu’s low growl and shrunk her neck, muttering softly.

Fan Yu didn’t hear it clearly and raised his eyebrows.

“What?”

“I said, whether we slept together or not, you didn’t lose your memory. Don’t you know? How could there be a child as big as fan fan!”Qiao Yuanfei raised her head and roared angrily out of embarrassment.

When she noticed fan fan turning over on the bed, she covered her mouth immediately as if she had been disturbed.

Her face was slightly red.

Fan Yu was already in a daze.

He followed her gaze and looked over. After a few seconds of Daze, his eyes were as dark as a storm.

The question that he had been ignoring was mentioned by her. Only then did fan yu realize that he had taken some things for granted too much.

He had always thought that he had known Qiao Yuanfei since a long time ago. Even though he had no impression of her at all, since they had already reached the point where they were discussing marriage, there might have been some romantic incidents between the two of them, with fan fan..

After all, there were examples like Nian Xiaomu by his side.

He had never doubted the fact that fan fan was his son from the moment he knew about it.

Now that Qiao Yuanfei had asked him this question, he was really stumped.

So, fan fan was really not his son?

Fan Yu turned his head to look at Qiao Yuanfei, his heart sinking bit by bit.

Compared to suddenly having another son, he could not accept that her son’s biological father was not him!

This meant that in her life, there had once been a man who was very important to her, who made her willing to risk her life to give birth to fan fan.

To be an unmarried mother.

And that person was not him.

“Can we change the topic somewhere else?”

Qiao Yuanfei suddenly asked.

She kept her eyes on the direction of the bed, as if she was worried that fan fan would hear what she had just said.

Fan Yu stared at her deeply, and in the end, he turned around and walked out of the door.

The two of them entered the study.

Fan Yu did not sit down. Instead, he walked to the window, placed one hand on the windowsill, and looked up into the distance.

His tall and straight body exuded an estranged aura.

There was also a sense of loneliness that lingered around him..

Qiao Yuanfei's heart inexplicably tightened. She took a deep breath and walked to his side.

"Fan fan is not related to you by blood. He is also related to me. Actually... He is my adopted child."

"..."

Fan Yu suddenly turned his head and looked at Qiao Yuanfei in shock.

For a moment, he suspected that he had heard wrongly.

Until he saw the phone that Qiao Yuanfei handed to him.

"This is the adoption certificate that I asked my assistant to send me."

There was indeed an adoption certificate on the phone. However, the adopter was not Qiao Yuanfei, but his grandfather.

Fan Yu narrowed his eyes slightly, as if he could not understand what was going on.

Qiao Yuanfei did not keep him in suspense. She pursed her lips and began to explain.

"Do you remember when you were eighteen years old, grandfather fan once mentioned a marriage to you..."

That year, he had just come of age.

Because of the older generation, the Qiao family and the fan family still had a good relationship.

It was only because her parents had passed away, and Qiao Fangfeng and Xie Yun had falsified the DNA evidence, saying that she was not the child of her parents at all.

Therefore, she had almost lost contact with the fan family.

That year, she was 16 years old. She had just been sent abroad to study when grandfather fan found her.

He said that he was going to take her to meet someone very important to her.

At that time, she was still young. She did not know what the old man was up to.

That was until she saw the extraordinarily handsome fan yu in the villa outside the fan family.

At that time, he was wearing a white shirt and a pair of casual pants of the same color.

He was standing in front of the swing in the courtyard, making a phone call.

Grandfather fan was holding her hand at that time, pointing at fan Yu in front of the swing. He told her with a smile that this was the fiancé that her parents had arranged for her before they died. When they asked her if she liked him, her face was red, she could not say a word.

The handsome youth's eyes were filled with gentleness.

He was a gentleman, gentle as jade.

This was her first impression of Fan Yu.

It was the first time she fell in love. It was only at that moment.

It was just that Qiao Yuanfei at that time did not understand.

She stood there in a daze as she watched grandfather fan let go of her hand and walk to Fan Yu, telling him the news of their engagement.

What he saw next was his merciless rejection.

“If grandfather only felt pity for her, he could have adopted her and let her live in the fan family. However, this is a modern society, arranged marriages should not exist anymore. I already have a girl I like, I will never like her.”

When Qiao yuanfei walked up, she only had time to see the cold face of the youth as he walked away from her.

He raised his eyes to look at her, his gaze extremely cold.

That was a completely different aura from the gentle temperament on his body.

That was not the first time she had met him. It was said that they had met when they were young, but that time was the one that left the deepest impression on her.

Later on, grandfather fan tried every means possible to set them up, but Qiao Yuanfei rejected him.

He did not like her, and she did not want to force him.

Later, when she saw fan yu again, he was in the hospital..

This was an accident.
