

My Life 1999

Chapter 1999: Showing off, instantly becoming a winner in life! (9)

Fan Fan's blood flowed from his body, and he was raised by her.

Well, he liked this kind of inextricable connection.

It would be better if he could give fan fan fan a younger brother or sister.

Fan Yu held her head with one hand and pressed it in front of him.

He deepened the kiss.

The previous intimate contact between the two flashed through his mind, and he finally understood why she was so awkward.

His kiss became more and more gentle, as if he was holding a priceless treasure in his hands.

There was no trace of the Tsundere he was when he agreed to let others like him.

His mind was now filled with thoughts of how to tear her apart and eat her up. He wanted to settle this matter before she came back to her senses.

After all, there was still Zhuo Liye eyeing her like a tiger watching its prey.

If he did not strike first, he was afraid that it would be too late.

Once he had made up his mind, Fan Yu carried her out of the study.

Before Qiao Yuanfei could figure out what he was going to do, she was already brought into the bedroom.

Her eyes widened in shock as she looked at Fan Yu, who was taking off his clothes..

He knew that fan fan was not his son's first reaction. Did he want to take a bath?

Wasn't this reaction a little strange?

Qiao Yuanfei sat on the bed in a daze as she wondered in her heart.

Then, she thought about whether it would be inconvenient for him to stay here.

Just as she was about to get off the bed, Fan Yu had already grabbed her shoulders and pressed her onto the bed.

Qiao Yuanfei:"? ? ?"

Didn't he want to take a shower?

Her innocent and ignorant eyes really made it hard for him to do it.

Fan Yu lowered his head slightly and kissed her lips gradually.

In the next second, he heard her confused voice.

“Aren’t you angry?”

“...”

Damn it, angry.

He could only be filled with happiness.

He wanted to keep fan fan by his side to raise her. It was never because he suspected that fan fan was his son.

It was because he felt that this child was fated to be with him.

Whether it was that temperament that was exactly the same as his, or that small, expressionless face, they all looked like little adults.

Now that ‘buy one, get one free’, not only did he get a son, but he also got a wife as well. He could not wait to be happy. What was there to be angry about?

The original plan had not changed.

Fan Fan was still his son. Whether it was biological or adopted, the most important thing now was to convince her to stay and live with him.

The most direct way fan Yu could think of was to eat her up completely and force her to take responsibility for him..

Even though it did not fit his behavior, but as the saying went, who cares about black cats and white cats, a cat that could get a wife was a good cat!

Fan Yu cleared his throat and answered seriously.

“I’m a little angry. Are you trying to coax me?”

“...”

Qiao yuanfei blinked her eyes and looked at him without any mental preparation.

It was as if she did not understand what he said.

Fan Yu saw her silly and cute expression and his eyes narrowed slightly as he kindly explained.

“Let’s say this is a math problem. If I kiss you, my anger value will decrease by 10 points. My current anger value is 100 points. How many times do you want to kiss me?”

“...”

Qiao yuanfei understood and her face immediately turned red.

She stammered for a long time but could not reply.

“Other than kissing you, is there any other way to coax you?”

“Yes.”

Fan Yu seemed to have guessed her reaction and opened his mouth without any hesitation.

Hearing this, Qiao Yuanfei heaved a sigh of relief.

Fan Yu said, "If you sleep, your vitality points will decrease by 100 points. Do you want to give it a try?"

Qiao Yuanfei:"..."

She had thought that she was in love with a prince, but in the end, she realized that it was a big-tailed wolf. What kind of expression should she have?

She looked up and saw fan yu inviting her to sleep. She was speechless.

"I..."

"I actually..."

Qiao Yuanfei opened her mouth a few times, but in the end, she stopped in embarrassment.

Her face was red. If Fan Yu had not grabbed her shoulders and prevented her from moving, she would have already suffocated under the blanket.

"It's okay if you don't have any experience. Just nod your head and I'll do all the hard work."

Fan Yu thought she was shy and made a "Kind"suggestion.

The shameless words shocked Qiao Yuanfei.

Was this still the fan Yu she knew?

That gentle and elegant gentleman... Cough, now he was like a collapsed building, no longer the same as before.

The culprit was her?

Qiao Yuanfei moved her lips. She wanted to sigh, but when the words came to her mouth, they changed unconsciously.

"You're very experienced?"

There was a hint of jealousy in her words.

Fan Yu was stunned. Then, the corners of his mouth curled up.

"No, but I'm looking forward to it."

"..."

Qiao Yuanfei's face was really red. It was as red as a ripe tomato.

What was he talking about? could he say such words casually?

Qiao Yuanfei once again had the illusion that Fan Yu was switched.

Especially the last sentence, "I'm looking forward to it", which made Qiao yuanfei inexplicably feel that the person who was naked was not fan Yu but her.

She covered her face with both hands, not looking at him.

She originally thought that Fan Yu was just joking, but he kept staring at her with a serious expression, as if he was waiting for her answer.

This made Qiao yuanfei confused again.

Did he really want to sleep together?

"Fan fan is already five and a half years old, he can already be a bystander. Don't you think he needs a younger brother?"

Fan Yu asked with a sincere expression.

He didn't mention his younger sister, but he was afraid that Qiao Yuanfei would say that there was Xiao Liuliu.

In the end, it was fine if she didn't mention fan fan, but the moment she mentioned fan fan, Qiao Yuanfei immediately thought of fan fan who was left alone in the guest room. She struggled to get up and go take a look.

Fan Yu didn't stop her.

Because the door rang first.

Speaking of the devil, the person outside the door was fan fan.

"Uncle Fan, my mother is missing..."

Hearing that, the two people in the room turned around and sat up at the same time.

Fan Yu was just about to bully Qiao Yuanfei when he took off his shirt.

He reached out his hand, took the shirt and put it back on.

Qiao Yuanfei had just put on her clothes when she opened the door.

Fan Fan stood at the door with a straight little body and a military posture.

When he saw Qiao yuanfei, his delicate little face broke into a warm smile.

"Mommy."

"Mommy is here." Qiao yuanfei squatted down and hugged him. Just as she was about to pick him up, fan fan suddenly asked.

"Mommy, is Uncle Fan really my father?"

Qiao Yuanfei:"..."

Qiao Yuanfei's body stiffened.

Her posture paused for a few seconds.

When fan fan was adopted by her, he was still very young. She had never told him that he was a child abandoned by his parents.

In Fan Fan's heart, he had always believed that she was his biological mother.

At such a young age, because he was worried that she would be unhappy, he had never been like other children from single-parent families who liked to ask who his father was.

Fan fan would almost never ask this question.

Now that he had asked, it meant that he really wanted to know.

But Fan Yu was not..

"Yes."

Qiao Yuanfei did not know how to answer fan fan fan's question. Fan Yu, who was one step behind her, had already spoken first.

He walked forward and hugged fan fan from the stunned Qiao Yuanfei's arms.

Carrying him, he walked to the sofa in the room and sat down.

He looked at Brahman tenderly and his thin lips parted slightly.
