

My Life 2001

**Chapter 2001: Showing off, instantly becoming a winner in life! (11)**

“My blood flows in your veins. If you are willing, from today onwards, I will be your father.”

“...”

Fan fan raised his head to look at him as if he understood something.

Fan Yu patted his head and continued.

“The three of us can live together in the future. Not only will you have a mother, but you will also have a father. Don’t You Miss Xiao Liuliu? You can see her often in the future and play with her. As long as you are happy, your parents can give birth to a younger brother and sister for you...”

Fan Fan’s eyes began to light up when he heard that he could play with Xiao Liuliu often.

As he listened to the end and heard that Father and mother would give birth to a younger brother and sister for him, his eyes began to sparkle.

He was filled with anticipation.

Fan Yu saw that the “Pie” was almost thrown away, and he slowly opened his mouth.

“Tell me now, do you want me to be your father?”

“Father!”

Fan fan called out clearly.

A rare look of worship appeared on his little paralyzed face.

He stared at fan yu without blinking.

“...”

Fan Yu’s heart trembled.

An indescribable throbbing followed by the word “Father” penetrated through his limbs and bones.

Fan Fan was different from Xiao Liuliu.

Xiao Liuliu still had her own biological parents, but fan fan only had him and Qiao Yuanfei.

They were his most important family in this world.

Fan Yu hugged his arm and unconsciously tightened it.

He passed fan fan and looked at Qiao yuanfei, who was standing at the door in a daze.

His eyes were filled with endless gentleness..

—

— at night.

Fan Fan, who had a father, was so excited that he couldn't fall asleep. For the first time, he stuck to fan Yu like a child.

He was like fan Yu's little tail, following him wherever he went.

Qiao yuanfei could not even find a chance to speak to Fan Yu alone. She could only follow behind them like fan fan followed Fan Yu.

Until fan fan was tired from all the trouble and it was time for him to sleep.

"I'll bring him upstairs to take a bath."

Qiao yuanfei found an excuse and was just about to bring fan fan away.

As she took a step forward, fan fan turned around and asked fan Yu with an expectant look on his face.

"Father, can I take a bath with You Tonight?"

Fan Yu nodded his head happily and agreed.

And so, Qiao Yuanfei's plan fell through again.

Sitting in the guest room, waiting alone for the "Father and son" who were taking a bath together in the bathroom.

Fan Fan's happy laughter kept ringing in Qiao Yuanfei's ears.

Qiao Yuanfei's heart was slightly touched.

Fan fan rarely laughed so happily.

He did not even have the expression of a normal child. He always had an expressionless face, like a little facial paralysis.

Qiao yuanfei sometimes wanted to make him laugh, but in the end, it was fan fan who made her laugh.

Now, it was only because he had a father that fan fan suddenly became like a normal child.

Qiao yuanfei could not bear to tell him that fan Yu was not his father.

But if she didn't tell him, could it be that she really wanted to stay in fan Yu's villa and live with him..

At the thought of this, Qiao Yuanfei's face started to turn red again.

The bathroom door opened at this time.

Fan Yu carried fan fan fan, who had finished showering, and walked out from inside.

The father and son were not wearing any clothes, only a towel was wrapped around their waists.

Ignoring Qiao yuanfei, who had been waiting on the sofa until she was stiff, Fan Yu took out fan fan's clothes from the wardrobe and helped him put them on.

He also took a hairdryer and dried his hair for him.

He was like a qualified father throughout the whole process, taking care of fan fan meticulously. Until he finally coaxed fan fan to sleep..

When Fan Yu turned over and sat up from the bed, it was already very dark outside the window.

He did not hesitate to get off the bed and walked towards Qiao Yuanfei!

### **Chapter 2002: Showing off, instantly becoming a winner in life! (12)**

Qiao yuanfei stretched out her long arm and scooped her up from the sofa, then turned around and walked towards her bedroom.

Qiao Yuanfei was still debating whether she should move in with fan Yu, but Fan Yu didn't give her a chance to choose.

After entering the bedroom, he kicked the door.

He turned around and pressed Qiao Yuanfei against the door.

Fan Yu had dressed fan fan, but he was not wearing any.

There was only a towel on his body.

Qiao yuanfei used one hand to push Qiao yuanfei away. She subconsciously wanted to push him away, but instead, she touched his firm chest muscles.

Her palm trembled, and she immediately pulled it back.

Seeing his smooth chest, Qiao yuanfei blushed from her face to her neck.

"You, you stay away from me."

"If you don't Blush First, I'll listen to you." Fan Yu approached her, his thin lips stopped in front of her, and his breath was charming.

"..."

Qiao Yuanfei's face turned even redder.

He was so close to her that she couldn't even think.

In her pocket, her phone was ringing.

Qiao yuanfei finally found an excuse to ask fan Yu to stay away from her. In the end, she took out her phone and saw the words "Zhuo Liye" flashing on the screen. The low pressure in the room instantly swept over again.

Before Qiao Yuanfei could react, Fan Yu had already hung up the phone for her.

He also turned off his phone and threw it aside.

"My Phone!"

Qiao Yuanfei was just about to grab her phone when Fan Yu's other arm reached to her side.

He lowered his head and accurately sealed her lips.

Some things, once experienced, twice experienced. After three times, they would turn into spirits.

This was especially so for those who had failed the first two times. Now that they were stimulated, they were determined not to give her a chance to escape.

“Fan Yu...”

The unfamiliar feeling made Qiao Yuanfei feel a little uneasy.

She unconsciously called out his name.

Fan Yu’s kiss did not stop. His voice was gentle as he replied.

Meeting her elk-like eyes, his long fingers caressed her brows and eyes as he opened his lips faintly.

“Fan fan said that it’s not enough that he only has little six as his sister. He even wants a younger brother. I’ve already promised him that you will have a child with me, right?”

Qiao Yuanfei:”...”

No matter how innocent Qiao Yuanfei was, she knew what he wanted to do now that he had said those words.

She liked fan Yu.

She had liked him since a long time ago.

He was the one who had just fallen in love with her, and he was the one who had always been in love with her.

She should be very happy, but she was just nervous and subconsciously wanted to escape..

In the end, before she could open the door, she was grabbed back by Fan Yu.

Qiao Yuanfei could not remember how her clothes were taken off.

She only felt a chill, followed by his burning body.

She was like a small boat in the ocean, trying hard to catch something, but she could not catch anything. She could only drift with the current..

She sank into his world.

Until he took her for himself inch by inch.

“It hurts...”

Qiao Yuanfei had just shouted when her lips were sealed.

Fan Yu’s gentle whispers rang in her ears.

There was an apology.

There was a heartache.

There was also a love speech so sweet that she suspected that she was hallucinating..

When she felt that she had reached heaven, he used fierce plunder to pull her back to hell.

Men were all unreliable big-tailed wolves!

Qiao Yuanfei had already forgotten how it ended.

Before she fell into a deep sleep, she only felt that it was a dream.

The most incredible dream she had ever had in her life.

Until dawn broke through the sky and the first ray of sunlight penetrated the window.

She squinted her eyes in a daze and saw the marriage agreement that someone had thrown at her... she was suddenly startled awake!
