

My Life 2003

Chapter 2003: Showing off, instantly becoming a winner in life! (13)

She was so excited that she wanted to turn over and sit up. As soon as she got up, the soreness all over her body immediately made her gasp.

The blanket on her body slid down, revealing her collarbone that was covered with traces..

Qiao yuanfei shrank back into the blanket with a whoosh.

She wrapped herself tightly with the blanket.

She only had one hand left. She quietly held the marriage agreement and took a serious look at it.

After making sure that she was not mistaken, she was so scared that she threw it out.

Fan Yu was very dissatisfied with her frightened expression.

The man who got up earlier and had already put on his clothes bent down to pick up the marriage agreement and sat down by the bed.

He looked at her with a deep gaze and opened his thin lips slightly.

“Are you dissatisfied with the terms on it? Tell me, I’ll get my assistant to change it.”

Qiao Yuanfei:”...”

Could she say that she was not dissatisfied with the terms on it, but with the person?

She could not.

From fan Yu’s gaze, she could tell that if she really said that, she might not be able to get out of bed alive today.

“It was too sudden. I wasn’t mentally prepared...”

Qiao yuanfei said weakly.

She was speaking from the bottom of her heart.

In fact, she did not even think that one day, she would sleep on the same bed as Fan Yu.

Recalling what happened last night, her face started to turn red again.

In front of Fan Yu, she could never be as calm as she was with others.

“Mentally prepared?”

Fan Yu carefully considered her words and then opened his mouth faintly.

“Then I’ll sit here and wait. You can start mentally preparing now. When you’re ready, we’ll sign the marriage.”

Qiao Yuanfei:”? ? ?”

How could it be like this?

Qiao Yuanfei had finally opened her eyes.

Her whole body was aching. She just wanted to find a place where fan Yu could not see, take a hot bath, and then put on her clothes.

But now, he was sitting in front of her, forcing her to get married..

Although she also felt that the word “Forced”on fan Yu was a little unbelievable.

“I want to take a shower first.”

Qiao Yuanfei’s mind was really a little dizzy.

Without any psychological expectations, she had sex with Fan Yu.

When she woke up, she had not yet digested what had happened last night, and now she was suddenly going to get married..

Anyone would be a little slow-witted when it came to such matters.

After Qiao Yuanfei finished speaking, she looked at fan Yu eagerly, waiting for him to turn around and let her get off the bed to get her clothes.

“What part of your body have I not seen before? From now on, we will be together every day. You have to get used to seeing me honestly as soon as possible.”Fan Yu opened his mouth without moving an inch.

After he finished speaking, his body suddenly leaned forward slightly and kissed her forehead.

“I’ll let you off today. After you’re done showering, we’ll discuss the matter of getting married properly.”

Fan Yu stood up and left the room.

Qiao Yuanfei took advantage of this gap and climbed down from the bed without caring about her discomfort. She quickly entered the bathroom.

After entering the bathroom, she closed the door and made sure that fan yu could not enter. Only then did she gradually come back to her senses. She recalled what he had said before he left..

After she finished showering, she would continue to discuss marriage..

She might have to stay in the bathroom all day and could not get out.

Qiao yuanfei sat on the floor.

—

Outside the bathroom.

Fan Yu did not really leave the room.

After hearing the bathroom door close, he slowly returned.

He instructed the butler to clean up the dirty bedsheets.

He also asked the butler to take out the clothes that she wore yesterday and throw them away.

“Young master fan, the clothes I had prepared for Miss Qiao. After she left last time, you were so angry that you made me throw them away.”

“If this set is thrown away again, I’m afraid Miss Qiao won’t have a change of clothes when she comes out later.”

When the Butler heard fan Yu’s instructions, he explained anxiously.

Hearing this, Fan Yu glanced at him coldly.

“If I ask you to throw it away, then throw it away.”

He just wanted her to have no clothes to wear, so she couldn’t go anywhere and could only stay in his villa.

Would he say that directly?

Fan Yu asked the butler to take everything away and pretended that nothing had happened.

Lying on the bed, holding the marriage agreement, he waited for Qiao Yuanfei in the bathroom.

In his mind, he was thinking about how to persuade Qiao Yuanfei to sign the agreement later.

Fan Fan needed a father?

That was a good reason.

Or, she had just slept with him, so she had to be responsible for him?

This was also not bad.

However, he was the one who acted like a hooligan last night. What if she felt that she had suffered a loss and was unwilling to be responsible for him?

It was fine. At most, he would thicken his skin and force himself to be responsible for her.

This was also acceptable.

In just a short minute, Fan Yu had already thought of more than a dozen ways to trick Qiao Yuanfei.

He was also thinking of how to make use of the fact that she would easily blush whenever she got close to him. His heart rate would increase and he would not be able to think about this weakness properly.

It would be best to grab her hand and help her sign the document when she was shy and had not regained her senses.

After the notarization, it would be too late for her to go back on her words..

Fan Yu went through all the ideas in his mind. Finally, he supported his head with one hand and waited quietly for someone to come out of the bathroom.

Ten minutes had passed.

Half an hour had passed.

When the time rolled to forty-five minutes, fan Yu could no longer lie down and sat up.

After making sure that there was still the sound of water in the bathroom, he forced himself to calm down.

He did not want to panic before he could trick Qiao Yuanfei.

But when an hour passed and no one in the bathroom showed any signs of coming out, Fan Yu jumped out of the bed nimbly.

He walked to the bathroom door and knocked on it.

When he couldn't hear any movement in the bathroom, he suddenly had a bad feeling.

He didn't care about anything else and knocked a few more times.

He couldn't hear any response from the person inside and kicked the door open.

"Bang!"The bathroom door bounced open.

The sound of water continued, but the person who should have been in the bathroom was gone.

Fan Yu took a big step forward. In the end, he only noticed that the bathroom window was open and a bathrobe was missing from the rack.

"Butler!"

Fan Yu growled and asked the butler to check the villa's surveillance cameras.

He quickly came to a conclusion.

Qiao Yuanfei ran away.

She slipped away right under his nose.

Fortunately, fan fan was still there. She left his villa in a hurry and did not have the time to take fan fan away.

"Young master fan, after Miss Qiao went out of the bathroom, she even went to your room to get a man's suit. The last surveillance footage showed her wearing your clothes and driving your car away..."

As the Butler spoke, he handed over the note that was pressed on fan Yu's bedside.

Fan Yu took a look at it.

It was left behind by Qiao Yuanfei.

There was only one sentence on it.

“Fan fan, I’ll have to trouble you to take care of him for a few days. I’ll be going home first.”

Fan Yu:” ...”

She was wearing his clothes and had driven off in his car. She still wanted him to obediently stay behind to help her take care of her son?

Who gave her the courage? !

Fan Yu tore the note in his hand into pieces and walked past the butler.

When he walked downstairs, he saw fan fan who had just woken up and was in a daze looking for his mother. He scooped her up and brought her out of the villa.

Chasing his wife!
