

My Life 2005

### **Chapter 2005: Showing off, instantly becoming a winner in life! (15)**

Along the way, Fan Yu called his assistant with a gloomy face.

Fan Fan was sitting quietly on the child's seat. After a while, he suddenly raised his head and asked.

"Dad, did mom regret not wanting you, so she secretly ran away? Mom was never willing to leave me behind."

Fan Yu: "..."

Was this his son?

This was probably not sent by an enemy to humiliate him!

Fan Yu gritted his teeth. He would not lose if he lost.

"It's not that your mother doesn't want me, she's just shy. She actually loves me very much, the kind that has been in love for many years, do you understand?"

"OH."

Fan fan kicked his foot casually.

After a few seconds of silence, he added on.

"Little six-six said that adults care deeply about their face. Children should not talk back to them. Pretending to believe them will make you happy."

Fan Yu: "..."

Xiao Liulu was poisonous.

Although fan fan used to be a little expressionless, he was at least a caring baby.

What about now?

A little expert at destroying situations?

He felt extremely humiliated!

Fan Yu: "Stay away from Xiao Liulu in the future."

Buzz —

Fan Yu's cell phone rang.

He looked down and saw that it was a call from Nian Xiaomu.

After hesitating for a second, he did not pick up the call immediately.

There was a saying that went, "Shoot yourself in the foot with a stone."

Fan Yu had a deep impression of it now.

After being single for so many years, he suddenly had a wife and started having sex again. Early in the morning, because he was over the moon, he called Yu Yuehan and the other couples one by one to show off.

He even posted a wave of marriage agreement while he was at it, solemnly declaring that he was about to bid farewell to his single life and step into the palace of marriage.

In the end..

As expected, he had attracted a wave of hatred points.

Now that the marriage contracts had not been signed, Qiao Yuanfei had even run away.

This news could be hidden from the others, but it could not be hidden from Yu Yuehan, who had more informants than a hair in City H..

To be on the safe side, Fan Yu had already set their calls to be rejected one by one before he left the house.

Now that he had received Nian Xiaomu's call, he had a bad premonition.

This call was most likely not from Nian Xiaomu. It was probably from Yu Yuehan!

However, what if he was overthinking things and Nian Xiaomu was really the one who had called him..

After all, Xiao Liuliu was still under his care. Even if she was sent to the Tang family villa to play occasionally, Nian Xiaomu would still call to check on Xiao Liuliu's situation.

If he did not pick up the call, would she be worried that something had happened to Xiao Liuliu?

While Fan Yu was thinking about it, the call was already hung up.

He let out a long sigh and prepared to call Nian Xiaomu back after he picked up Qiao Yuanfei.

In less than three seconds, the phone rang again.

This time, it was a call from Shangxin.

Xiao Liuliu had been sent to the Tang family villa. If Shangxin were to call him now, it was very likely that she was going to send Xiao Liuliu back. It was impossible for Fan Yu not to pick up the call.

"Hello..."

"Hahahahaha! Fan Yu, I heard that Qiao Yuanfei ran away on the spot when she saw your marriage agreement. You have come to this day as well..."

Fan Yu could hear Tang Yuansi's laughter even if he covered his ears.

Fan Yu's face darkened and he hung up the phone decisively.

He was not going to give them a chance to mock him!

Very soon, not only Nian Xiaomu and Shangxin, but Tan Bengbeng and Zheng Yan's calls were also coming in one after another.

With the experience from the past, Fan Yu was now on the edge of his seat.

Regardless of whether they were really in trouble or not, they were all temporarily attributed to the childish behavior of the man behind them.

He did not pick up any of them!

In fact, he had really guessed it right.

Less than a minute after he hung up the call with Tan Bengbeng and Zheng Yan, his phone was filled with “Condolence” messages from all directions.

### **Chapter 2006: Showing off, instantly becoming a winner in life! (16)**

Qi Yan: [ What Did I say? When things get too extreme, they will turn against each other, and when things get too extreme, they will turn into sadness. This person, you have to learn to keep a low profile. If you show off too much, you will not end up well. hahahaha... ]

Mo Yongheng: [ young master fan, when people are emotionally stimulated, it is easy for them to become depressed. Since we are all friends, I can introduce you to a specialist in psychiatry... ]

Tang Yuansi: [ if you have the ability to show off, don't hang up if you have the ability. I am in City H. Do you want me to show off my brotherhood and accompany you to get drunk? ]

Fan Yu only looked at the first half of the message and ignored the second half without even thinking about it.

He put everything into the rubbish bin!

Tang Yuansi and Yu Yuehan's spirits were already in the 2.0 series. He must have lost his mind to drink with Tang Yuansi.

Ugly reject!

“Di di!”

The last message came from Yu Yuehan.

Fan Yu thought about it with his thumb, and it was obvious that he was here to mock him.

Just as he was about to drag his message into the rubbish bin, he caught a glimpse of the contents from the corner of his eye and his finger paused.

[ the surprise is still behind us. ]

Fan Yu parked his car by the side of the road and opened the text message on his phone. He read the entire message.

Not a single word was left out.

There was only one sentence: “The surprise is yet to come.”.

There was nothing else.

Fan Yu immediately narrowed his eyes and carefully pondered over Yu Yuehan's text message.

If he had to believe that Yu Yuehan would let go of the opportunity to mock him, he would rather believe that Yu Yuehan had prepared a big move.

There were many things that Fan Yu had not thought about in detail at that time.

After that, he would think about it carefully. There was nothing that he could not figure out.

He had used the fact that Nian Xiaomu had abducted fan fan and wanted to send him back to be Xiao Liuliu's Playmate.

If it was a coincidence, then it was also a coincidence that Nian Xiaomu had discovered that fan fan's temperament was very similar to his, and his every move was extremely similar to that of his.

As for the fact that he was able to successfully abduct fan fan fan and bring him back, it was definitely due to Yu Yuehan.

Yu Yuehan must have known about the relationship between him and Qiao Yuanfei a long time ago, and he must have also discovered the relationship between fan fan and Qiao Yuanfei. That was why he had specially called him to remind him to take good care of fan fan.

Fan Yu could not help but be convinced by this fellow's black-bellied nature.

If Yu Yuehan were to be like the others and mock him a little, he would forget about it.

Now that Yu Yuehan was not mocking him and was even telling him that there would be more surprises to come, Fan Yu felt that something was not right all over his body..

Fan Yu almost suspected that he had become a masochist.

Gritting his teeth, he ignored Yu Yuehan's text message and continued to drive to chase after Qiao Yuanfei.

"Young master fan, it has been confirmed that Miss Qiao has returned to the Qiao family's villa. I have investigated the Qiao family's villa and found that there was nothing unusual after Miss Qiao arrived at the villa. I heard that she will go to work after breakfast."

Before the assistant could finish his report, he had already sensed the low pressure on fan Yu's side.

After he finished his report in a hurry, he hung up the phone with a strong desire to survive.

On Fan Yu's side, his face was so dark that it was about to drip ink.

On the first day of their relationship, she had rejected his proposal and was still in the mood to go to work?

Did he want to reflect on his poor performance last night so that she could still get out of bed today, or did he want to reflect on his lack of charm first so that she would firmly choose to go to work between marrying him and going to work?

No matter what the reason was, Fan Yu only wanted to tie her up and teach her a good lesson!

He took a deep breath.

Fan Yu threw out his trump card.

He asked his assistant to call Qiao Yuanfei.

“Tell her that fan fan is in my car. If I don’t see her today, she won’t be able to see fan fan for the rest of the month!”
