

My Life 2007

Chapter 2007: Showing off, instantly becoming a winner in life! (17)

The assistant's reply came very quickly.

"Young master fan, Miss Qiao said that she can not see her son this month, and she doesn't want to see you."

Fan Yu:"..."

She could actually endure not seeing fan fan for a month?

The next second, Fan Yu reacted.

Today was the last day of the month..

She had promised not to see fan fan for this month, and tomorrow would be a new month.

To put it bluntly, she had only promised not to see fan fan for a day.

"Dad, low IQ is contagious. Can I go to Uncle Tang's house to play with Xiao Liulu First?"

Fan Fan, who was sitting on the child's chair, mercilessly attacked him.

Fan Yu:"..."

Fan Yu: "No!"

Fan Fan was now the most advantageous hostage in his hands, and he absolutely could not leave his sight.

The car soon stopped at the Qiao family's villa.

What fan Yu had asked his assistant to do was just to distract Qiao Yuanfei's attention so that he could silently come to the Qiao family's villa to stop them.

The car had just stopped when he confirmed that Qiao Yuanfei was still in the Qiao family's villa. Fan Yu was just about to show off when he caught a glimpse of a black car parked at the Qiao family's entrance from the corner of his eye. His eyes instantly narrowed!

This car..

Was Zhuo Liye's car!

Was this the surprise that Yu Yuehan had mentioned?

Fan Yu took a deep breath and could not suppress the anger in his chest.

He was about to be poached, yet Yu Yuehan was still in the mood to watch a good show. were they brothers?

Fan Yu, who was dizzy with anger, could not remember that he and Yu Yuehan were not brothers to begin with. They were rivals in love.

Rivals in love!

It was probably the kind of relationship where one could be particularly happy just because one was unhappy with the other.

Fan Yu did not know where his confidence came from, but he got off the car aggressively with the anger of catching an adulterer.

After taking a few steps, he remembered that fan fan was still in the car, so he turned back and booked fan fan as well. Then, he held fan fan's hand and walked forward.

As they walked, he brainwashed fan fan.

"Fan fan, this is the marriage agreement between father and mother. You Don't need to understand what a marriage agreement is. You just need to understand that with this marriage agreement, father, mother, and fan fan will be together forever. As for you, Uncle Zhuo, no matter how good he was to you in the past, you can't speak up for him later, understand?"

"It's right to be grateful, but you have my blood in You. Even if you want to be grateful, you have to be first in line. Zhuo liye is now trying to snatch your mother away from me... Love rival, do you know what that means? "It doesn't matter if you don't know. As long as you know that even if your uncle Zhuo is a good person, it doesn't stop me from hating him."

"..."

Fan fan seemed to understand, but he didn't. His small hand obediently held fan Yu's hand.

Until he saw Zhuo Liye get out of the car.

"Uncle Zhuo!"

Fan Fan was so excited that he was about to step forward.

Just as he took his first step, Fan Yu quickly grabbed his collar.

He pulled him back to his side.

He shook the marriage contract in his hand again, reminding fan fan fan of what they had agreed on just now.

"If you throw yourself into Zhuo Liye's arms in front of me now, I will die of anger."

Fan Yu opened his mouth very seriously.

Fan fan glanced at him, his pitch-black eyes innocently rolled up as he pursed his lips.

"I want to go and brag to Uncle Zhuo that I have a father. is that not allowed?"

"HMM? ? ?"

Fan Yu was stunned for a moment before he regained his senses.

Without a word, he let go of the hand that was grabbing his collar.

“Go on, Pikachu! Praise your handsome, suave, elegant, handsome, handsome, and intelligent father that is unparalleled in the world. Praise him to your heart’s content. Don’t be polite!”

Brahman:”...”

He was not Pikachu, a childish father.

Chapter 2008: Showing off, instantly becoming a winner in life! (18)

“Uncle Zhuo.”

Although fan fan despised fan yu in his heart, when he really walked in front of Zhuo Liye, he still couldn’t help but open his mouth.

“Uncle Zhuo, I have a father now.”

As fan fan said this, he turned around to look at Fan Yu who was behind him.

His eyes were filled with excitement.

Zhuo Liye was already mentally prepared. When he heard his words, he wasn’t too surprised.

Zhuo liye bent down and picked him up. He followed Zhuo Liye’s gaze and looked at Fan Yu who was behind him.

Even if fan yu was fan fan fan’s biological father, it would not affect Zhuo Liye’s decision.

In Zhuo Liye’s heart, Fan Yu had allowed Qiao Yuanyuan to take care of the child all those years ago by herself. In essence, Fan Yu was no different from a scumbag man.

A father like this, other than being related to fan fan by blood, was nothing!

Not to mention making Zhuo Liye believe that fan yu could take good care of the both of them.

Fan Yu could feel Zhuo Liye’s hostility.

He also knew that he had misunderstood his relationship with fan fan, but he liked this kind of misunderstanding.

Only by making Zhuo Liye believe that he and fan fan were biological father and son, would he be able to snatch fan yu from Zhuo Liye’s hands more justifiably.

“Fan fan, what did father show you just now? Tell Your Uncle Zhuo, let your uncle Zhuo be happy too.”Fan Yu strolled forward and opened his mouth slowly.

In his flat tone, there was a subtle undertone.

Fan fan tilted his head. Although he did not see the signature on the agreement, he still remembered the meaning of the agreement.

Following fan Yu’s instructions, he told Zhuo Liye.

“Uncle Zhuo, my father and mother have a marriage agreement. Daddy told me that we will live together from now on and will not be separated.”

Fan fan saw that Zhuo Liye's expression was not too good, so he thought about it and added on.

"Uncle Zhuo, don't be sad. If you miss me in the future, I can bring Xiao Liuliu to see you. Xiao Liuliu is very cute, she is the cutest girl I have ever seen..."

At this point, the topic had already changed.

Fan Fan's focus was all on Xiao Liuliu.

He kept praising Xiao Liuliu, praising her until his face turned red.

From the moment Zhuo liye heard the words "Marriage agreement", his expression became stiff.

His eyes revealed a look of disbelief.

He could not accept that Qiao Yuanfei had forgiven fan yu so quickly and even married him..

Zhuo liye could no longer hear what fan fan said after that.

Until fan Yu stepped forward and took fan fan fan from his arms.

"I wonder if Chief Zhuo is busy with the rest of your schedule. If you have time, you are welcome to come to our wedding."

Murder kills the heart.

Fan Fan's unclear explanation, coupled with fan Yu's intentionally misleading words, made zhuo liye unable to even fake a smile.

"Are you kidding me? If you guys were really married, Fay wouldn't still be living in the Qiao family's Villa."

Zhuo Liye wasn't that easy to fool.

Hearing this, Fan Yu's lips curled into a devilish smile.

He leaned slightly closer to Zhuo Liye's ear and teased.

"President Zhuo's words are the joke. It's true that Feifei is currently in the Qiao family's villa. However, she slept on my bed yesterday. I didn't control my strength well and hurt her. She ran back this morning in a fit of anger. If I didn't meet President Zhuo, I would have already gone in to coax my wife."

"..."

Zhuo Liye did not expect fan yu to say such shameless words. At this moment, he could not even maintain his gentlemanly demeanor.

However, he was not related to Qiao Yuanfei. If he really wanted to settle the score with Fan Yu, he would not be able to find a position.

Other than gnashing his teeth, he could do nothing.

He had to watch fan yu show off in front of him!
