

My Life 2009

Chapter 2009: Showing off, instantly becoming a winner in life! (19)

Zhuo Liye's face was dark as he turned around and got into the car again, leaving the Qiao family's villa.

He even forgot to greet fan fan.

"Uncle Zhuo..."

Fan fan saw the car speeding away and leaned on fan Yu's shoulder in a daze.

Fan Yu hugged him with one hand and raised his eyebrows.

The Glint of a Victor flickered in his eyes.

Look, he had taken care of Zhuo Liye in just a few moves.

If this was the surprise that Yu Yuehan had prepared, then he had underestimated him too much.

He was now Qiao Yuanfei's man who "Lived up to his name".

He had the confidence.

He was not flustered.

After fan Yu had taken care of Zhuo Liye, he carried fan fan slowly towards the Qiao family's villa.

Just as he reached the door, he saw that familiar figure standing in the living room. He reached out and took the folder from the butler, intending to head to the office.

Qiao Yuanfei was not the only person in the living room.

Qiao Fangfeng, Xie Yun, Qiao Yuanxi and Qiao Yuanchuan were all there.

It could be said that the whole family was neat and tidy, all sitting on the sofa.

No one noticed fan yu at the door, but their eyes were all focused on the Hickey mark on Qiao Yuanfei's neck.

It was deliberately left by Fan Yu.

If it was left in the most conspicuous position, even if she wore high-collared clothes, it would be difficult to block it.

Judging from the color of the kiss mark, it was obvious that it was new.

It was like a child spitting on his favorite food and claiming it as his own. Fan Yu wished he could announce to the world that Qiao Yuanfei was his woman.

He saw that the kiss mark was pleasing to the eye, but others might not see it..

This time, the first person to lose his cool was Qiao Yuanchuan.

“You didn’t come back last night, but you came back early in the morning wearing only a bathrobe. Feifei, did someone bully you? Tell me, I’ll help you settle the score with him!”

Qiao Yuanchuan said in an unfriendly tone.

Things were different now. Qiao Yuanfei had become his blood-related cousin. He could no longer have any thoughts about her, and he could not bear to see others trample on her.

“My good brother, are you stupid? He’s obviously willing to do it. Otherwise, he would have called the police the moment he woke up. Do you think it’s your turn to be the flower guardian?”

Qiao Yuanxi mocked him in a harsh manner.

After walking around Qiao Yuanfei once, he felt a little timid when Qiao Yuanfei glared at him.

When he thought about how he was telling the truth, he became a little tougher.

“Qiao Yuanfei, although you are in charge of the Qiao family now, my father is also the second largest shareholder of the Qiao Enterprise. Your elders can’t interfere with other matters. This concerns the Qiao family’s reputation and purity. You Can’t possibly not let him speak, right?”

Qiao Yuanxi’s words directly and morally kidnapped Qiao yuanfei.

It raised her actions alone to the image of the entire Qiao family.

Even all the unmarried girls in the Qiao family had been implicated.

It was as if if Qiao yuanfei made even the slightest mistake, everyone would suffer as well.

“Oh?”

Qiao yuanfei sneered.

She turned around and glanced at Qiao Yuanxi indifferently.

Had she forgotten how she had clung onto fan Yu’s thigh in front of all the reporters back then? How she had even been despised in public?

She did not mind reminding Qiao Yuanxi.

“No matter how much I like young master fan, it’s just a public confession. What’s wrong with modern women bravely pursuing their own happiness? “As for you, you’re an unmarried girl. You spend the night outside every day. It’s fine if you don’t behave yourself, but don’t drag the rest of the Qiao family down with you.”

Qiao Yuanfei:”...”

These words could be said to have double standards.

Qiao Yuanxi’s incessant entanglement with fan yu was called courageously pursuing love, while Qiao Yuanfei’s falling in love with fan Yu became unscrupulous.

Chapter 2010: Showing off, instantly becoming a winner in life! (20)

Xie Yun was currently feeling jealous and hating Qiao Yuanfei for scheming against them and taking away the management rights of the company.

At this moment, she also echoed coldly.

“Some people think that they can fly to the top just because they have young master fan on their side. In my opinion, I’m afraid that all their efforts will be for naught.”

“Mom, you’re flattering her already. Who knows if it’s young master fan or not? I’ve heard that those old men in the business world especially like to interact with female executives. They say that they can do business while taking advantage of them. They call this business social interaction...”

Before Qiao Yuanxi could finish her filthy words, Qiao Yuanfei had already slapped her hard on the face.

“If you continue to spout nonsense, I’ll Smash Your Face!”

“Ah!”

Qiao Yuanxi was slapped and her body fell to the side. She even bumped into the armrest of the sofa.

She cried out in pain.

When she came back to her senses, her blood immediately rushed to her head.

He jumped up from the ground.

He covered his face and accused.

“Why did you hit me? I was just telling the truth. Do you dare to say that you didn’t use those dirty methods to get to the top? “Even if your man is young master fan, he’s just a higher-class benefactor. How is he different from those women who rely on their bodies to get to the top? “Do you really think young master fan will marry you? “Wake up. Even if young master fan really said that, he was just coaxing you on the bed. Once he got out of bed, he pulled up his pants. Do you think he’ll admit to it?”

“...”

Qiao yuanfei clearly knew that Qiao Yuanxi was intentionally spouting nonsense because he was jealous of her.

However, she could not help but think of the scene when she woke up this morning.

It seemed that fan Yu really did promise to marry her after they had sex..

Was he really just saying that casually?

If she had been willing to sign the marriage agreement, would he really have married her?

Qiao yuanfei suddenly lost her confidence.

She frowned and really did not want to bother with Qiao Yuanxi anymore.

Just as she was about to walk past her and leave, Qiao Yuanxi acted as if he saw her guilty conscience and got high.

He laughed out loud.

“Qiao yuanfei, am I right? Young Master Fan Will Never Marry You. Even if he offers himself to you, he will only be toyed with by others. He will be thrown away like a broken shoe very soon!”

“Do you think that you can use public opinion to force young master fan to marry you just because you put in so much effort to find a group of reporters to cooperate with your acting?” “As far as I know, none of the elders of the fan family have shown up yet, and they are even more unwilling to respond to this matter. To put it bluntly, they just don’t like you.”

“Let me guess, how long will it take for young master fan to Get Sick of you? A month? A week? Or will he get sick of you after just one time... by then, I’m afraid that you won’t even be as good as me!”

“...”

Qiao Yuanxi’s words were getting more and more unpleasant.

Seeing that she was speaking so confidently, almost everyone around them believed her.

The way they looked at Qiao yuanfei gradually became sympathetic.

It was as if they had already foreseen the outcome of her being mercilessly abandoned..

Qiao Yuanfei’s face darkened and she was about to say something..

“Mommy!”

A crisp voice suddenly sounded.

Fan fan ran in from the door and under everyone’s shocked gazes, he ran straight towards Qiao Yuanfei.

Qiao yuanfei instinctively hugged him.

Following that, Fan Yu walked in.

Facing everyone’s gazes, he walked step by step towards Qiao Yuanfei. However, he did not look at Qiao yuanfei, but instead looked at fan fan in her arms.

He waved at fan fan on purpose.

“Fan fan, be good. Mommy is busy. Come to Daddy First.”

He said “Mommy”and “Daddy”.

In addition, fan fan was dressed and had the same temperament as him. Everyone present went crazy!
