

My Life 2011

Chapter 2011: Face smacking! Wife slave online! (1)

Qiao Yuanxi, who had been mocking Qiao Yuanfei a moment ago, was now dumbstruck.

No matter how hard she racked her brain, she had never thought that fan Yu and Qiao Yuanfei would have a child..

And it was a child that looked at least four or five years old..

Could it be a misunderstanding?

This child was not theirs at all?

Qiao Yuanxi had suffered many losses, and this time, she was unusually calm.

But when she saw the child called fan fan, although his facial features were not very similar to Fan Yu's, his clothes, and the way he carried himself, they were almost exactly the same.

That indescribable sense of resemblance seemed to be silently telling everyone that they were father and son.

Qiao Yuanxi could not even ask a single question.

Until she turned her head to look at Qiao Yuanfei, and an idea flashed through her mind!

This little boy looked so much like young master fan, so it was highly possible that he was young master fan's son.

But he did not look like Qiao Yuanfei at all.

Could it be that Qiao Yuanfei was trying to curry favor with young master fan's son in order to use this opportunity to ascend to the throne?

What a dirty trick!

Qiao Yuanxi was certain that fan fan had nothing to do with Qiao Yuanfei, and when he saw the shocked faces of the people around him, unable to regain their senses, he was extremely jealous.

Why did she not get anything she wanted, and Qiao Yuanfei had gotten everything she wanted.

Young Master Fan's heart.

The status of the young mistress of a wealthy family that everyone envied.

And now, there was also a handsome son.

Even if he was only a stepmother, that child was young master fan's son. His status was noble, so what did it matter if he had given birth to him?

In the end, Qiao Yuanfei was the one who ruined her plans.

Otherwise, everything that had happened today would belong to her!

Even if she could not obtain it, she would not let Qiao Yuanfei off easily!

Qiao Yuanxi steeled her heart and rushed in front of Fan Yu.

“Young master fan, you must not be deceived by this woman. She was still showing off in front of me just now. She got close to you only to marry into the fan family and become the young mistress. She did not truly love you at all!”

“I’m not afraid to tell you that Qiao Yuanfei has been engaged to someone for a long time. I heard that when she was studying abroad, that family even came to her and asked her to fulfill the engagement. Although it didn’t work out, who knows if she had anything shameful to do with her fiancé at that time. Such a woman is not worthy of you at all!”

“Think about such a scheming daughter. Can She really treat your son well?”

Qiao Yuanxi’s accusations came one after another, so fast that no one could interrupt him.

Everyone in the Qiao family’s villa was still shocked by fan fan’s appearance, their mouths Agape.

At that moment, when they heard her words of provocation, they all gasped.

Especially when they heard that Qiao Yuanfei had long been engaged to Qiao Yuanxi. Others had blank looks on their faces, but Qiao Fangfeng more or less knew about this matter.

He immediately had Xie Yun stop Qiao Yuanxi.

“I think what Xi Xi said is right. Although we don’t know the specifics of the engagement, it is indeed true. We Don’t blame her. As for the rest... she is doing it, others are watching. Xi Xi merely said what she thought.”

Xie Yun didn’t listen to Qiao Fangfeng and instead continued to add fuel to the fire.

She knew very well that the power of the Qiao Corporation was now in Qiao Yuanfei’s hands.

They wouldn’t be able to get it back.

If she was allowed to marry into the fan family successfully, with young master fan as her backer, the mother and daughter wouldn’t have a good day in the future.

Since that was the case, it was better to fight to the death.

If young master fan really believed their words and dumped Qiao yuanfei, he might come back to help them.

When that time comes, they would have the capital to fight back!

Thinking of this, Xie Yun’s blood was boiling.

He was so excited that he couldn’t hear Qiao Fangfeng’s advice at all.

“Young master fan, regarding the engagement, I can testify that before Qiao Yuanfei’s parents passed away, they indeed arranged a child marriage for her. Later on, because her parents passed away, the

two families had less contact with each other. Gradually, we forgot about this matter. When Qiao Yuanfei was young, she often followed her parents to the other party's house as guests. She can be considered to be childhood sweethearts with that Little Boy!"

As soon as Xie Yun finished speaking, the surroundings were once again filled with sighs.

At this moment, all the housekeepers, maids, and bodyguards in the Qiao family Villa were crowding around.

Their expressions were changing one after another.

They were so shocked that they did not even know what to put on their faces.

"Childhood sweethearts?"

Fan Yu raised his eyebrows, and his warm eyes were filled with a complicated light.

His expression was a little sluggish.

He did not remember much about the things that happened when he was young.

In his memory, he only remembered the time when he met Nian Xiaomu at his grandmother's house.

This was the only obsession he had when he was young.

He did not remember anything from before that.

He did not expect that he had such a relationship with Qiao Yuanfei.

Perhaps he was really too young at that time..

What about her?

She should have been younger than him at that time. Did she remember?

Fan Yu suddenly had such a question in his heart. He looked at Qiao Yuanxi who was only a few steps away from her with some anticipation.

Qiao Yuanxi seemed to have just remembered something. He looked at her with a burning gaze that made her feel uncomfortable all over. She subconsciously avoided his gaze.

She did not expect that her reaction would be interpreted as guilt in the eyes of others.

Immediately, Qiao Yuanxi's voice became louder.

"Young master fan, you saw it with your own eyes. This woman has been lying to you from the beginning to the end. She is not worth your liking at all..."

"She is not worth it. Are You Worth It?"

Fan Yu suddenly opened his mouth and slowly interrupted Qiao Yuanxi's words.

He raised his eyebrows slightly and looked in her direction.

It did not look like he was mocking her. Instead, it looked like he was really asking a question.

Qiao Yuanxi was stunned for a moment before a wave of joy surged into her heart.

She had thought that fan Yu would finally be able to acknowledge her existence and realize that she was more suitable for him than Qiao Yuanfei.

She clenched her fists and did not allow herself to act as eagerly as before. She hesitated for a moment before speaking shyly.

“Young master fan, you know the answer but you still ask.”

“I’m sorry, I don’t know and I don’t want to know.”

Fan Yu’s tone suddenly turned cold.

Facing Qiao Yuanxi’s astonished gaze, he walked towards her step by step.

His cold gaze swept across her face, and every word that came out of his mouth smashed onto Qiao Yuanxi’s face like a hailstorm.

“You’re right, Qiao Yuanfei did have a marriage contract a long time ago, because I am the one who has a marriage contract with her, the fiancé that you all speak of.”

Boom!

It was a simple sentence, but when they looked at it separately, they could clearly understand every word.

When they were put together, it was as if no one could understand it.

The people who had been shocked by fan fan fan’s appearance earlier were now turned into puppets.

The entire living room was so quiet that it was as if there was not a single person.

Fan Yu seemed to think that he had not given them enough stimulation. He held fan fan fan’s hand and walked in front of Qiao yuanfei, pushing his son into her arms.

He opened his mouth faintly with an extremely aggrieved tone.

“Feifei, our son is already so old, yet you are still not willing to marry me. Are you planning to abandon him randomly?”

Double Kill!

After the first wave of stimulation, a heavy bomb followed.

Strangers were like Jade, and young master fan, who was a gentleman without equal in the world, was despised and despised..

Someone was not willing to marry young master fan?

Unexpectedly some people do not want to marry young master fan! ! !
