

My Life 2013

### **Chapter 2013: Face smacking! Wife slave online! (3)**

Qiao Yuanxi rejected Young Master Fan!

She rejected the chance to marry into a wealthy family!

This was a man who was ranked on the same level as young master Han in the business world, the dream lover of thousands of young girls.

He was rejected in public!

It was as if the sound of a broken heart could be heard in the surroundings.

Qiao Yuanxi almost could not catch his breath, suffocating himself to death.

Xie Yun's face was also pale and he could not say a word.

No one would have thought that the person who had been engaged to Qiao Yuanfei since Young was fan Yu.

They also did not expect that when they mocked Qiao yuanfei for seducing fan Yu, it was actually fan Yu who was pestering her to take responsibility..

That child was Qiao Yuanfei's son..

Her and Fan Yu's son?

Their son was already so old..

If any of this news were to be released to the reporters, it would be the headlines of the day.

Now, it was all thrown at their faces... everyone present was paralyzed.

They were all shocked to the extreme and their expressions were expressionless.

Fan Yu wanted this effect.

He was the only one who could bully his woman. If anyone dared to make her unhappy, he would make their entire family unhappy!

However, the most important thing now was to get Qiao Yuanyuan to sign the marriage agreement first.

Otherwise, why would he bring fan fan fan to taunt Yu Yuehan and the others when their reputation was not justified?

Fan Yu raised his hand and prepared the marriage agreement and the signing pen.

"Feifei, you forgot to bring it with you when you went home. I specially brought it over for you."

Qiao Yuanfei:"..."

She didn't forget. She didn't bring it with her on purpose.

But if she said that in front of so many people, it would hurt fan Yu's face too much.

She couldn't say it out loud.

Even if she wanted to scold him for being a scoundrel, she couldn't.

She could only bite her lips and glare at him.

"If you don't need me to be responsible for you, that's fine too. Let's change the method," fan yu suggested kindly.

When Qiao Yuanfei heard that she didn't need to sign the marriage contract, she immediately asked curiously.

Fan Yu's dark eyes turned, and the corners of his mouth curled up.

He spoke in a voice that only the two of them could hear.

"Although I'm a little embarrassed to say this, but last night was also my first time. If I count it, you should be responsible for me."

"..."

Qiao Yuanfei's body slanted, and she almost fell to the ground.

She steadied herself and glared at fan Yu a few times.

Her eyeballs were about to pop out.

Under the puzzled gazes of the crowd, her cheeks turned red, all the way down to her neck..

Before everyone could react, she picked up fan fan and ran out of the door.

"Feifei!"

Fan Yu was about to chase after her, but as he turned around, he suddenly thought of something and stopped in his tracks.

He turned around and glanced at everyone in the Qiao family's villa. His words were full of warning.

"From today onwards, Qiao Yuanfei will be my fiancée, my son's only mother. I will not interfere with the Qiao family's grudges unless she opens her mouth. However, if I hear anyone say anything to slander my fiancée again, I will definitely not be polite to them!"

The last fierce look was directed at Qiao Yuanxi.

Qiao Yuanxi was so scared that he kept retreating.

Fan Yu didn't even spare her a second glance as he chased after the Qiao family's villa.

In the end, it was only a minute's difference. Qiao Yuanfei had already carried fan fan into the car and disappeared before her eyes.

She didn't manage to chase after her daughter-in-law, and her only "Hostage" son had also been snatched away.

He had suffered a great loss this time!

Fan Yu stood outside the Qiao family's front door, depressed. Just as he was about to chase after the Qiao Corporation to stop them, his cell phone suddenly rang.

Seeing the caller ID, his eyes narrowed slightly!

In the car.

"Mom, we seem to have lost dad."

Fan Fan was sitting in the child safety seat. Although he was talking to Qiao Yuanfei, his head kept looking behind him.

He was trying his best to find Fan Yu's figure.

After making sure that fan yu did not catch up, he asked worriedly.

Hearing this, Qiao Yuanfei slowed down the car and looked at the rearview mirror.

Indeed, she did not see Fan Yu's car.

At first, she was worried that he would catch up to her soon, but she did not expect that he did not catch up at all.

Qiao Yuanfei returned to her normal speed. The nervousness in her heart was gone, and her chest suddenly felt empty.

She could not tell what it felt like.

"Daddy won't be lost. He probably just had something to do and went home first." Qiao yuanfei comforted fan fan and continued to focus on driving.

In the next second, she heard the little guy ask again.

"Mommy doesn't like daddy? Daddy just told me that as long as there's a marriage agreement, fan fan and Mommy and Daddy will be together forever, but Mommy doesn't want to sign it."

Qiao yuanfei denied it without thinking.

"No, mommy just... just..."

Qiao yuanfei herself couldn't tell what it was.

She was feeling conflicted right now.

She liked fan yu very much.

He was obviously not a shy person. Once he was in front of her, even if he only smiled casually, she would blush uncontrollably and her heart would beat faster.

Probably like all girls who had just fallen in love, she would not be able to resist him as long as he flirted with her.

But because of this, when she was close to him, she always had a surreal feeling..

That feeling was like the Prince Charming of your dreams suddenly appearing in front of you, confessing to you, and promising to marry you.

It was more of a shock than a surprise.

Because from the moment you fell in love with that person, you never had any hope.

You only wanted to look at him from afar, just look at him..

This kind of little fan mentality made her unable to resist the urge to flee when faced with fan Yu's sudden closeness.

She was worried that when she wanted to reach out to hold him, she would suddenly realize that everything before her eyes was just a dream.

Fate had never favored her, and she was afraid that this was just a heartless joke.

Just like today, she thought that fan Yu would catch up to her, but when she turned around, he was no longer in the stream of cars behind her..

“Swish –”

The car stopped at the Qiao Corporation.

Fan Fan was asleep.

Qiao Yuanfei took her coat and draped it over him. She carried him out of the car and walked into the company.

She brought him to her office and let him sleep in the lounge.

She was just about to focus and finish her work early to accompany fan fan fan when her phone rang the moment she sat down.

She glanced at it. It was not fan Yu's phone call.

It was an unfamiliar phone call.

Qiao Yuanfei was a little disappointed for a moment, but she quickly adjusted herself and picked up the phone.

“Hello, I am Fay.”

“Hello, I Am Yu Yuehan.”The magnetic male voice that came from the other end of the line made Qiao Yuanfei slightly stunned.

When she realized who it was, Qiao Yuanfei sat up straight without realizing it.

Yu Yuehan..

In the business world, there was no one who did not know this name.

What Qiao Yuanfei knew more than the others was that Yu Yuehan and Fan Yu seemed to have an inexplicable relationship.

Friends were not like friends, and enemies were not like enemies.

The purpose of his call today was..

“I have prepared a surprise for you. If you are interested, you can go to Fan Yu’s villa now. Of course, it doesn’t matter if you don’t go. After all, I am not the one who regrets it.”
