

My Life 2015

### **Chapter 2015: Face smacking! Wife slaves online! (5)**

Surprise?

Qiao Yuanfei was instantly stunned.

She did not know Yu Yuehan at all, so why would Yu Yuehan suddenly prepare a surprise for her?

“I...”

Qiao Yuanfei was about to ask when Yu Yuehan’s call was already hung up.

She looked at the black phone screen and fell into a daze.

She had never interacted with Yu Yuehan before. The gossip she heard in the business world was all about his cold and ruthless deeds.

Only when it involved the young mistress of the Yu family, Nian Xiaomu, would Yu Yuehan change his style.

Qiao Yuanfei would occasionally hear about such unbelievable words as “Wife slave” and “Daughter slave” from others, but she had never seen them with her own eyes.

The only place that she had interacted with Yu Yuehan was probably Xiao Liuliu.

However, the soft and cute Xiao Liuliu was really hard to imagine that there was any similarity between her and Yu Yuehan.

Such a character had inexplicably told her and prepared a surprise for her..

What was going on?

Fan Yu’s villa..

Qiao Yuanfei carefully recalled Yu Yuehan’s words and could vaguely sense that this matter was related to Fan Yu.

However, when she called him again, there was no answer.

Yu Yuehan’s private phone call was not made public, and she was also unable to confirm whether this call was real or not.

What if it was just a play that Fan Yu had directed and acted in, and he wanted to trick her into walking right into his trap.

Qiao Yuanfei was deeply conflicted.

On the other hand, Fan Yu slept alone for a while. As if he had heard the sound of a phone call, he rubbed his eyes and came out of the lounge.

“Mommy, is Daddy coming to pick us up?”

“...”

Qiao yuanfei quickly put down the phone and reached out to carry him up.

She touched his soft hair.

“Why did you wake up so quickly?”

“I dreamt that Daddy Was Gone. Mommy, Daddy said that we would always be together. Is that true?” Fan fan raised his head and asked Qiao yuanfei with an uneasy expression.

Qiao yuanfei had never seen such a childish side to fan fan.

Sometimes, she felt that her son was too smart, too steady, and too sensible to be a child.

However, when he did reveal his tender side occasionally, it would make her heart ache endlessly.

Qiao yuanfei fell into a deep state of self-reproach.

The phone call from Yu Yuehan just now flashed past her mind again. After thinking for a moment, she pressed the internal line to let the Secretary in.

“I have something to attend to, so I’ll have to postpone today’s meeting.”

Qiao Yuanfei turned her head to look at fan fan. Initially, she had wanted to bring him along, but fan fan had an idea of his own.

“I’ve made an appointment with Xiao Liuliu. She’s going to pick me up and we’re going to visit the little brother she likes.”

“...”

Qiao Yuanfei did not force him. She instructed her secretary to take care of fan fan and left the office with her bag.

Just as her figure disappeared from the door, fan fan slid down from his chair.

Ignoring the secretary who stayed behind to take care of him, he mysteriously ran into the lounge and used his child’s phone to call Xiao Liuliu.

He lowered his voice to report the situation.

“I’ve told mom everything you told me. Are you sure that if you say this, Mom will really agree to let dad live with us... Mom is now looking for Dad...”

The two spies were still exchanging information.

Qiao yuanfei, who had already walked out of the Qiao Corporation, was completely unaware.

She drove straight to fan Yu’s private villa.

Very soon, she stopped in front of Fan Yu’s villa.

She was initially worried that she would be discovered, so she did not dare to park directly at the entrance. She only parked opposite the road.

However, when she pushed open the car door, she discovered that there was already a car parked outside fan Yu's villa. Moreover, it was a lady's car..

### **Chapter 2016: Face smacking! Wife slaves online! (6)**

The reason why Qiao Yuanfei knew so much about this car was that she had just seen the new season's auto show last month.

The focus of the auto show was this goddess car.

Many of the designs on the car were tailor-made for women, and there was a lot of hype about it.

At that time, there were also a few articles.

Qiao Yuanfei had seen all of them, so she had an impression of them.

Now that a car like this was parked in front of Fan Yu's villa, it meant that someone was looking for him, and it was a woman.

Qiao Yuanfei had a strange feeling in her heart.

He did not chase after her and fan fan. Was this the person?

Qiao Yuanfei, who had been hesitating about whether to go in a second ago, had unknowingly walked in at this moment.

The guard knew her.

Seeing that she was not going to stop her, he respectfully asked if she needed to go in and inform Fan Yu.

"No need to trouble yourself. I can go in by myself."

Qiao Yuanfei stopped the guard.

She nervously pursed her lips and walked in softly.

Just as she approached the living room, she heard laughter coming from inside.

It was a woman's laughter.

She was smiling very sweetly.

When people heard her voice, they could not help but imagine the image of a sweet-looking young girl with a gentle personality.

A woman's sixth sense had always been a very magical thing.

When Qiao Yuanfei looked in from the door and saw the woman in the living room, her eyes narrowed slightly.

She wore a white baseball cap on her ponytail.

She wore a white t-shirt with light blue jeans and a pair of white canvas shoes..

From the side door, the woman's posture was very young and her facial features were very three-dimensional.

With just a glance, Qiao Yuanfei could feel that she was very beautiful.

What made her heart thump was that this woman gave her a very special feeling.

That feeling of being full of vitality would make people fascinated. Even people who did not know her could not help but want to take a few more glances at her, wanting to get close to her..

Who was she to Fan Yu?

From Qiao Yuanfei's angle, she could not see Fan Yu.

Moving forward, she could roughly see fan Yu sitting on the sofa. He was not sitting with that girl, but sitting opposite her.

There was a faint smile on his face, which somehow made people feel a little dotting.

His gaze was gentle as he looked at the person in front of him.

He opened his mouth slowly.

"Why didn't you tell me you were coming back? I asked someone to pick you up at the airport."

The moment fan yu opened his mouth, the girl in front of him stood up from the sofa, walked up to him and sat down beside him.

The two of them were almost leaning against each other.

Qiao Yuanfei's body stiffened. Just as she was anticipating fan Yu to push the girl away, the girl suddenly leaned against his ear and said something.

Immediately after, Qiao Yuanfei saw that not only did fan yu not push her away, he even reached out his hand to caress her head lovingly.

His thin lips parted slightly.

"Mischievous!"

These two simple words carried a hint of indulgence.

The intimate interaction was as if a third party could not interfere at all..

The color on Qiao Yuanfei's face faded bit by bit.

She looked at the scene in front of her in disbelief.

Yu Yuehan's reminder from that phone call seemed to ring in her ears again.

She finally understood that the "Surprise" he had mentioned was not a real surprise..

She suddenly lost the courage to enter.

"Miss Qiao, why are you standing outside?" The Butler's voice suddenly rang out.

Qiao yuanfei raised her head and met the butler's surprised gaze. She snapped back to her senses.

She then looked towards the living room. When Fan Yu and the girl beside him heard the Butler's words, they turned their heads to look in her direction.

Qiao yuanfei panicked and instinctively turned her head to run out.
