

My Life 2017

Chapter 2017: Face smacking! Wife slaves online! (7)

She didn't know what she was panicking about.

Before she came, she had already mentally prepared herself. No matter what she saw, she had to remain calm.

But when she really saw fan yu being so intimate with another woman, she suddenly realized that she couldn't remain calm at all.

It was as if the uneasiness and insecurity in her heart had been confirmed.

The person he liked was really not her.

Judging from their conversation, that girl should have just returned to the country.

Was this the girl he had mentioned when he had rejected the marriage?

Was fan yu treating her so well during this period of time only because that girl was not by his side..

Now that the person he really liked had returned, how should she deal with it?

In just a few short seconds, many messy thoughts flashed through Qiao Yuanfei's mind.

It was as if she could already see fan yu walking up to her with a cheque in his hand, telling her that this was his way of compensating her and proposing to break up with her.

Yu Yuehan must have known about this too, right?

Did he set her up to come over and see this scene so that she would give up?

It was only at this moment that she realized that in everyone's eyes, she had lived like a fool..

To think that she really hoped to be together with fan Yu for the rest of her life.

Qiao yuanfei ran as fast as she could.

The wind did not stop even though she was blinded. Her eyes turned from red to tears and her vision was so blurry that she could not see clearly in front of her.

"Be careful, there's a car!"

Fan Yu's voice was heard behind her.

Qiao Yuanfei suddenly raised her head and saw a car speeding past her on the road.

It almost hit her.

Fan Yu had also caught up to her.

Qiao yuanfei came back to her senses and continued to run forward without thinking.

Before fan Yu could catch up to her, she had already gotten into the car and started the engine to leave.

“Qiao Yuanfei –”

Fan Yu looked at the direction the car had driven off in and could not help but roar in anger.

The only response he got was the dust that had flown away.

Fu Qian, who had been a step slower, saw Fan Yu’s ashen face and was momentarily at a loss for words.

After hesitating for a few seconds, she stepped forward.

“The person who left just now was...”

“My fiancée, Qiao Yuanfei.” Fan Yu turned his head and said as he thought of Fu Qian who had just returned to the country.

He directly revealed Qiao Yuanfei’s identity and did not hide anything.

Fu Qian had a talent in fashion design. After Fan Yu sent her abroad, her progress was even faster.

Within a short period of time, she was heavily relied on by her teachers and her works were even selected to be exhibited in the country.

Fu Qian, who had received a new education abroad, also seemed to have become a different person.

Her cowardice had disappeared.

It was replaced by confidence and vitality. Coupled with her usual pure temperament, it made her look even more innocent and harmless.

In the blink of an eye, she seemed like a little girl who had grown up into a big girl.

However, to Fan Yu, she was still like the little sister next door.

Just like when he found her in a dark corner, she was pure and kind.

Fu Jin was still in prison and Fu Qian had nowhere to go when she returned to the country. When Fan Yu received her call, he subconsciously brought her to his villa.

Just as he was about to settle her down, he went to the Qiao Corporation to arrest her.

He never expected that Qiao Yuanfei would come looking for him at this time and run away without saying a word.

What was going on?

“Your fiancée...”

Fu Xi did not expect that he would have a fiancée. Her expression changed slightly for a moment.

Soon, she returned to normal.

“She seems to have misunderstood. Do you want to go after her? I’m fine here. My luggage is all put away. I’ll go to the exhibition hall to check the decorations later. I can take care of myself.”

“Then be careful on the road. If you don’t know the address, ask the driver to send you there.” Fan Yu gave a few simple instructions, then turned around and prepared to drive back to the villa to chase after Qiao Yuanfei.

Fu Qian stood behind him, watching his back as he left.

Her gaze was slightly deep.

She had never seen him in such a hurry.

In her impression, Fan Yu had always been gentle and refined, calm and noble. He was like a natural prince charming, his every move carried a sense of comfort that made people feel as if they were bathed in the spring breeze.

It made people subconsciously lower their guard in front of him.

There had never been a woman by his side. In the past, she thought that as long as she became outstanding enough, she might have a chance.

But now..

Fu Qian lowered her eyes, and a glimmer of lustre flashed past her eyes.

On the other side.

Fan Yu strode into the garage. Just as he sat in the car, Yu Yuehan’s call came.

Fan Yu glanced at it and did not intend to pick it up.

However, Nian Xiaomu’s call came right after Yu Yuehan’s call was hung up.

Fan Yu gritted his teeth. He knew very well that it was definitely Yu Yuehan’s call, so he picked it up.

“What’s the matter?”

Fan Yu’s voice was extremely cold.

With the incident with Zhuo Liye as a prelude, he really could not put on a good face towards Yu Yuehan.

“Eh, you are actually asking me so politely. Could it be that you haven’t seen him?”

“...”

Fan Yu suddenly had a bad premonition.

A chill ran down his spine and a wave of anger surged into his brain at the same time.

“You knew long ago that Fu Qian was going to return to the country?”

“Were you also the one who lured Qiao Yuanfei here?”

Life chasing two asked again and again.

“...”

On the other end of the phone, Yu Yuehan's silence was enough to explain everything.

Fan Yu almost gritted his teeth.

There was no doubt that if Yu Yuehan were in front of him now, he would immediately go up and have a life and death duel with him!

Taking a deep breath and deciding to curse out loud, Yu Yuehan had already hung up the phone.

Fan Yu: "???"

His breath was stuck in his chest, and he could not get it down.

Now, he only had a heart that wanted to eat someone up!

Fortunately, his phone rang again in the next second.

It was Nian Xiaomu again.

This time, it was really Nian Xiaomu.

"Fan Yu, calm down first. This is actually what happened..."

"..."

Fan Yu was silent for a full ten minutes.

From the moment he heard Nian Xiaomu's explanation to the remaining seven to eight minutes, he did not speak a word.

He lowered his eyes and fell into deep thought.

In the end, he asked worriedly.

"Is this really going to work?"

Fan Yu did not know what the person on the other end of the phone had said, but in the end, he hung up the phone.

He sat in the car and thought for a long time before he finally alighted.

—

"Swish—"

Qiao Yuanfei's car had been driving for an unknown amount of time and where it was going.

In her panic, she just kept driving forward.

Like a headless fly, she just wanted to hide as far away as possible.

When she came back to her senses, the car suddenly stopped by the roadside. She looked back and saw that the empty street behind her had become the most merciless mockery to her.

He did not chase after her at all..

Qiao yuanfei held the steering wheel with both hands, and the back of her hands were so hard that blue veins popped up on the back of her hands.

Her eyes were red, and she tried her best to raise her head so that tears would not fall.

In front of her eyes, Fan Yu was stroking that girl's head with a doting gaze..

He clearly had someone he liked, so why did he still come and provoke her?

A moment ago, he was at the Qiao family's house asking her if she would marry him, but in the blink of an eye, he was stroking another girl's head. Bastard! Scumbag!

"Buzz Buzz..."

Qiao Yuanfei's phone rang.

She hurriedly wiped away her tears and took out her phone with anticipation.
