

My Life 2021

Chapter 2021: Face smacking! Wife slaves online! (11)

Although Qiao Yuanfei was angry, in the end, she didn't really call him Zhuo Liye.

If Zhuo Liye didn't express his feelings for her and only treated her as a friend, then it would be considered asking a friend for help.

But now that she already knew that Zhuo Liye liked her, if she asked him to attend such an occasion again, it would be taking advantage of him.

She was not so impulsive that she completely lost her mind, and she did not want to hurt Zhuo Liye.

Qiao Yuanfei narrowed her eyes and looked at the secretary with a smile.

"It's still early. I'll go back and change my clothes first. Let's meet at the venue then."

After greeting him, Qiao Yuanfei had already started to plan in her heart. If she could not bring a male partner, what should she do if her aura was not strong enough?

She had to put on makeup that had its own aura, and it would be best if she matched it with a set of better-looking clothes.

As the saying goes, the Buddha relies on gold to disguise the person, and the clothes to disguise the person.

If you lose, you won't lose!

Qiao Yuanfei did not expect that the moment she walked out of the door of the Qiao Corporation, she would immediately run into Zhuo Liye, who was looking for her.

"Fay, where are you going?"

Zhuo Liye was dressed in a suit, and the corners of his face were firm and firm. He was as mature and steady as ever.

He was a few years older than Qiao Yuanfei, and he had immersed himself in the financial world. He always had an indecipherable aura about him.

A simple sentence coming out of his mouth always made people think too much.

Before Qiao Yuanfei could figure out why he was here, Zhuo Liye had already explained why he was here.

"Fan Yu isn't a good person. He doesn't deserve you!"

Qiao Yuanfei: "..."

"I know what I said is a little unfair. You might think that I'm not slandering him on purpose because of love, but when you look at this invitation letter, you'll understand everything."

As Zhuo Liye spoke, an invitation appeared in his hand.

Unfortunately.

It was the one that Qiao Yuanfei had seen in the office just now.

“The designer on this invitation is called Fu Xi. She has a close relationship with fan Yu. It’s said that once she returned to the country, Fan Yu has always been by her side, never leaving her side. Now, he has even sponsored her fashion show. I’ve asked people to inquire about this woman’s background, but it’s all blank. The only thing I found out is that she’s studying abroad. The names of her emergency contacts and guardians are all filled with fan Yu. If you say that they have no relationship at all, I won’t believe it even if you beat me to Death!”

Zhuo Liye could admit defeat.

As long as Fan Yu was sincere towards Qiao yuanfei, he had tried his best to fight for her. In the end, the person she loved was not him. He could let go.

But he absolutely could not accept losing to someone who played with Qiao Yuanfei’s feelings!

So the moment he received the news, he immediately sent someone to investigate Fu Qian’s background.

He did not expect that he would really be able to find out about this.

Zhuo Liye took a step forward and grabbed Qiao Yuanfei’s hand.

“Fay, you don’t have to accept me. I came to look for you today just to let you see Fan Yu’s true colors.”

“...”

Qiao Yuanfei did not know what to say for a moment.

If it was any other time, she might have explained for fan Yu.

But now..

Although she still felt that fan Yu was not such a person, it was just that she was in a rage just now and could not think clearly.

Now that she heard Zhuo Liye say that fan Yu was not good, she subconsciously wanted to retort.

After all, he was the only man that she had ever loved. Her trust in Fan Yu was far higher than the others..

“If you don’t believe me, I’ll bring you there myself to take a look.”

Seeing that she did not speak, Zhuo Liye pulled her to the parking lot.

After getting in the car, they headed straight to the clothing exhibition venue.

“Wait a minute, I have not changed clothes!”

Qiao yuanfei thought of something and shouted.

Chapter 2022: Face smacking! Wife slaves online! (12)

She originally wanted to change her clothes and put on makeup, but now that Zhuo Liye had interrupted her, she could only wear her work clothes to attend the event.

How lacking of an aura.

If there really was a confrontation between two armies, she would lose to that girl called Fu Qian if she stood in front of others.

No, no, no!

This absolutely wouldn't do!

At Qiao Yuanfei's insistence, Zhuo Liye sent her back to Qiao family's villa.

Then he went to the venue.

A famous fashion design master personally led his most trusted team to create this grand banquet.

The venue was beautifully decorated.

When Qiao Yuanfei followed Zhuo Liye into the venue, the show had not yet begun.

In front of the runway, the guest area was already crowded.

It was bustling with activity.

After listening carefully, the focus of everyone's discussion today was not only the design master, but also "Fu Qian".

"I heard that she's a genius young lady. She didn't study abroad for long before she became an important figure in the master team."

"What is this? I received news that the tie-dye fashion show concept was brought up by her. All the clothes and fabrics on display today were dyed by her personally."

"She's both talented and beautiful. No wonder even young master fan thinks highly of her."

"So you've all heard about that gossip? I still don't believe it. Didn't you say that young master fan and that Qiao family's eldest daughter are going to be together? Why did you suddenly change people?"

"..."

The few of them gathered together and were in the midst of a heated discussion.

No one noticed one of the female protagonists standing not far away, Qiao Yuanfei.

Qiao Yuanfei's expression was very calm. From the first time she saw Fu Qian to hearing other people's discussions, she had already adapted very well.

Compared to Zhuo Liye insisting that she come over to see Fan Yu's true colors, she had more thoughts in her heart. Instead, she came over to see what exactly fan Yu was up to.

In her heart, she actually did not believe that fan Yu was a scumbag.

If he really could not let go of his white moonlight, he would not be together with her and even to the point of discussing marriage.

Moreover, she was not even sure if Fu Qian was his white moonlight.

She had to come over to take a look.

“Fay, if you feel uncomfortable and don’t want to stay here, I can take you away immediately.”

Zhuo Liye heard those rumors and looked at her with some worry.

Compared to letting her see fan Yu’s true colors, he was more worried about her emotions.

“I’m fine, it’s just a few gossips. Let’s go, let’s go to the front and take a look.”

Qiao yuanfei walked forward with a bright smile.

This kind of smile in Zhuo Liye’s eyes made him think that she was forcing a smile. His heart instantly ached.

He hurriedly followed behind her and protected her as she walked forward.

The venue was very large.

The crowd in the venue surged.

Qiao Yuanfei did not deliberately look for her colleagues in the Qiao Corporation. Instead, she followed the invitation letter in her hand, trying to find her corresponding position.

In the end, she did not find her position, but was instead found by someone.

The person who found her was a staff member in the venue.

“Hello, Miss Qiao. I’m very glad that you can find the time to come here in your busy schedule. I wonder if it’s convenient for you to go backstage with us now. Our designer, Miss Fu Qian, wants to see you.”

“Fu Xi?”

Qiao Yuanfei was obviously stunned.

She had come with the intention to investigate, but she was still hiding to observe, and the other party had already come directly to her door.

Wasn’t this pace a little too fast?

Could it be that they were ready to declare war the moment they met..

“Please lead the way.”

Qiao Yuanfei hesitated for a second and agreed very straightforwardly.
