

My Life 2041

Chapter 2041: Surprise after surprise (1)

The distance between the Tang family's villa and the airport was much faster than fan Yu's private villa.

Therefore, even if fan yu set off first, he would still be slower than Qiao Yuanfei.

However, Tang Yuansi was worried that fan Yu would risk his life to chase after his wife. Hence, when he saw that it was about time, he could not help but rush forward and urge Qiao Yuanfei to set off.

Shangxin took a glance at him and turned around to hug Qiao Yuanfei.

"Don't worry, go ahead. Believe in Fan Yu. He will definitely be a man worthy of your love!"

"..."

Qiao yuanfei did not understand the meaning behind Shangxin's words. However, when she saw how serious Shangxin was, she did not say anything else. She nodded her head and left with fan fan.

Just as Xiao Liulu was about to ask them where they were going, Tang Yuansi immediately reached out and pinched little Tang Bao.

The little fellow cried out in pain.

Xiao Liulu's attention was immediately drawn away and she hurriedly went to coax her little brother.

By the time she regained her senses, Qiao Yuanfei and fan fan had already left the Tang family villa..

Qiao Yuanfei and Fan Fan had already set off, but Tang Yuansi was not idle either.

He took out his cell phone and dialed fan Yu's number.

"Brother, I have tried my best to stall for you, but there's nothing I can do. He has left anyway. Furthermore, it seems like he's heading straight for the airport. You'd better be mentally prepared. I'm afraid that you won't be able to hold him back just by chasing after him like this. After all, he's determined to sever all ties with you..."

"It's not that I'm unwilling to help you, but I can't possibly tie her up and not let her leave... What do you mean by 'tie her up first before we talk'? Are You a Hooligan? Would a gentleman like me do such a Thing?"

"Alright, Alright, Alright. I'll think of a way for you... think of a way..."

"..."

Tang yuansi held his phone and swayed it around in the living room, causing his heart to ache.

He walked forward and took the phone from Tang Yuansi's hands.

"Actually, it doesn't have to be so complicated. If you really love Feifei, why don't you just bring the diamond ring to the airport and propose?"

Shangxin paused for a moment. Seeing that fan yu did not seem to understand, she continued to suggest.

“If you can’t handle the big one, you can at least handle the small one, right? “I think fan fan doesn’t want to part with Xiao Liulu. Why Don’t you use Xiao Liulu as bait and convince fan fan to help you first? “Children are always soft-hearted. Back then, I was pregnant when I came back to settle with brother Xiaosi. The test was effective!”

Tang Yuansi:”...”

Honey, you are talking too much.

If anyone were to know that I was settled by you, I would be laughed at.

Ever since fan yu heard that Qiao Yuanfei had booked a plane ticket and wanted to take fan fan out of the country, he was really flustered.

He sped all the way to the airport. The car stopped at the side and he immediately rushed into the airport.

He followed the flight information given by Tang Yuansi and found the registration counter.

The plane had yet to take off, but he did not see Qiao Yuanfei.

He searched the surroundings but could not find her.

Could it be that he had already gone through the security check after completing the procedures?

That was impossible.

Based on the time given to him by Tang Yuansi, it was impossible for him to travel from the Tang family Villa to the airport so quickly.

Fan Yu forced himself to calm down. His gaze searched for that familiar figure in the airport where people were coming and going.

“The number you have dialed is not answered at the moment. Please try again later...”

Qiao Yuanfei’s call was still not answered.

Where on Earth had she gone?

Could it be that she was really so angry that she was planning to leave him and bring fan fan out of the country?

Fan Yu was just about to call Tang Yuansi when Tang Yuansi’s call came.

“Aiyo, this is bad! I just received news that Qiao Yuanfei is not going to the airport to leave the country. She is going to fetch someone for you...”

Chapter 2042: Surprise after surprise (2)

At the reception hall.

The two people that fan yu could not find were standing at the reception entrance.

Qiao Yuanfei was holding a note in her hand.

Shangxin had stuffed it into her hand before she left.

She had instructed her to wait here.

The person she wanted to see would be there soon.

Qiao Yuanfei clenched the note in her hand nervously at the thought of this.

Other than the flight information, there were three other words on the note: Bai Yueguang.

The girl that Fan Yu had liked for many years.

It wasn't Fu Qian.

It was Nian Xiaomu.

The young madam of the Yu Corporation, the heiress of the Mo family, and Xiao Liuliu's mother..

She was someone that Qiao Yuanfei had never thought of.

It was also because of her that fan fan had been sent back to the country.

It was as if there was a hand pulling them back together.

Many years ago, Fan Yu had rejected her because of Nian Xiaomu.

Now, she was able to be together with fan Yu because of Nian Xiaomu..

"If you really mind, go and take a look. When you meet Xiao Mumu, you will understand that she will never be a hindrance between you and Fan Yu. You are not anyone's spare tire or substitute because there is only one Nian Xiaomu in this world."

Shangxin's words seemed to ring in her ears again.

It was also because of these words that Qiao Yuanfei stood there.

"Fan fan, do you still remember that Auntie who sent you back to the country?"

As Qiao Yuanfei thought of this, she lowered her head and looked at the little fellow beside her.

Fan Fan's handsome little face lowered slightly. When he heard her words, he raised his head.

"I remember. That Auntie is very beautiful, just like Xiao Liuliu."

Qiao Yuanfei: "..."

Qiao yuanfei: "Then if you see that Auntie again, will you still be able to recognize her?"

"Yes."

Fan fan answered without hesitation.

The Little Guy had a very good memory.

Although he was usually a little facial paralysis, he was also a little facial paralysis with a high IQ.

“Auntie is very good, but the uncle beside her is a little fierce. Every time he sees Auntie praising me for being handsome, he will glare at me.”

Fan fan recalled something and said with a frown.

“Uncle?”

Qiao Yuanfei was stunned for a moment before she realized that the person fan fan fan was referring to was probably Yu Yuehan.

“At that time, when Auntie said that she would send me back to the country to play with Xiao Liuliu, that uncle even secretly warned me not to have any designs on Xiao Liuliu.”

Fan fan pursed his lips as he pointed at his fingers.

At that time, he only wanted to go back to the country to find his mother. He did not come back to play at all.

Who knew that he would meet Xiao Liuliu later..

Xiao Liuliu was really a little cute.

“Xiao Fan Fan!”

A clear and beautiful voice suddenly sounded.

Qiao yuanfei subconsciously raised her head. Before she could figure out the source of the voice, she saw a figure coming out of the airport and rushing in front of them.

Without saying a word, he pulled fan fan from her hands.

He cupped his little face with both hands and looked left and right. In the end, he patted his head and asked happily.

“Little handsome, are you here to pick me up? Why am I so touched...”

“...”

Fan Fan was not the only one who was stunned. Qiao Yuanfei was also stunned.

Especially when she saw the big belly of the person in front of her.

Qiao Yuanfei was completely stunned.

Before she could speak, another person appeared in front of her.

Before the person arrived, the voice arrived first.

The voice was deep and sexy.

There was a hint of nervousness and worry in it.

“Why are you running away when you are pregnant? Aren’t you afraid that you will fall?”

The man walked forward and pulled the pregnant woman away from fan fan with a strong sense of jealousy.

Although the voice was fierce, his eyes were filled with love and doting.

These two people were..

Yu Yuehan and Nian Xiaomu?

Chapter 2043: Surprise after surprise (3)

This thought flashed across Qiao Yuanfei’s mind, and she could not help but take another look at the two people in front of her.

She had seen Yu Yuehan’s photo in a magazine.

However, she did not expect that his aura in real life was more than twice as strong as in the photo.

His handsome face was well-defined.

Compared to Fan Yu’s gentle, jade-like appearance, there was a hint of dominance and unruliness in his deep eyes.

There was no need to do anything on purpose. As long as he appeared, everyone’s gaze would automatically stop on him, as if a king had descended.

It would probably be very difficult to find another person with such a powerful deterrent force other than Yu Yuehan.

Qiao Yuanfei turned her head and looked around. She realized that she was not the only one who had sensed Yu Yuehan’s aura. Everyone was looking in their direction at the same time.

However, other than looking at Yu Yuehan, Nian Xiaomu was also looking at him.

Qiao Yuanfei’s pupils constricted.

Was this the white moonlight in Fan Yu’s heart?

Peerless Beauty, unparalleled intelligence..

It was as if all the beautiful words could be applied to her.

Especially those pair of eyes, which had curved brows and eyes. When they did not smile, they also exuded a sense of affinity.

Just like an angel..

Qiao Yuanfei had only seen this one person who could combine the Queen’s aura and purity into one.

For a moment, she suddenly understood why fan Yu would rather look for his own white moonlight in the vast sea of people than marry her.

Qiao Yuanfei had never thought that she would feel inferior in front of a woman.

“Auntie, this is my mother. We are here to pick you up.” Fan fan looked up at Qiao Yuanfei’s handsome face and did not recognize her as a stranger. Seeing that Qiao Yuanfei did not speak, he took the initiative to explain.

“Your Mother?”

Nian Xiaomu was taken aback and lifted her head to look at Qiao Yuanfei.

She was pregnant and her belly was a little big, but it did not affect her movements at all.

When she heard fan fan’s words, she realized that fan fan was not alone today.

At the same time that she looked at Qiao Yuanfei, Qiao Yuanfei was also unable to look at her because of fan fan’s words.

When their eyes met, the expressions in their eyes changed slightly.

Just as Qiao Yuanfei was hesitating and did not know how to greet Nian Xiaomu, Nian Xiaomu had already pounced forward.

“You are fan fan’s mother?” “My name is Nian Xiaomu. Perhaps you have heard fan fan mention my name before. I am Xiao Liuliu’s mother... the future in-laws. Aiyo, although it is a little embarrassing to say this, fan fan and Xiao Liuliu are really a good match. From the moment I saw him, I felt that he and I were fated to be together. If you don’t have any objections, why don’t we arrange a child marriage for them first, and then we can kiss them even more?”

“...”

Qiao Yuanfei was still struggling over Nian Xiaomu’s position in fan fan’s heart when she suddenly heard her words and was stunned.

The Nian Xiaomu that she had imagined should be arrogant, outstanding, and distant..

However, this person in front of her... was a little too approachable.

“My mother’s name is Qiao Yuanfei.” Fan fan turned around and said to Nian Xiaomu when he saw that Qiao Yuanfei was stunned.

Nian Xiaomu nodded her head hurriedly and said, “I know, I know. Fan Fan, quickly tell your mother whether you like Xiao Liuliu or not. If you like Xiao Liuliu as well, let’s settle this matter as soon as possible...”

Before Nian Xiaomu could finish her sentence, Yu Yuehan could not take it anymore and reached out to cover her mouth.

Before he could go to the Tang family to deal with Tang Yuansi, who wanted to abduct his daughter, she wanted to force his little princess onto fan fan’s son in front of him.

Chapter 2044: Surprise after surprise (4)

Was she serious?

Was she so serious that she wanted to infuriate him to death? !

Yu Yuehan forcefully pulled Nian Xiaomu into his embrace. Raising his dark eyes slightly, he recognized the person in front of him and opened his mouth calmly.

“Fan Yu’s girlfriend, you shouldn’t have appeared here just to pick up the plane, right?”

“...”Qiao Yuanfei did not expect Yu Yuehan to have such sharp eyes and was at a loss for words for a moment.

After all, she did not know Nian Xiaomu. Even if it was out of concern for her as a friend, she should have followed fan yu instead of coming here by herself.

“My mom came over specially to visit Auntie. My dad will be here to pick us up in a while.”

Before Qiao Yuanfei could think of a way to answer Yu Yuehan’s question, fan fan had already answered it for him.

When Fan Yu was mentioned, his huge black eyes were filled with admiration.

Yu Yuehan shot a glance at him and narrowed his evil eyes slightly.

Eh

This did not fit the pattern at all.

Didn’t everyone say that a son was close to his mother and a daughter was close to his father.

Why did Fan Yu, this son, seem to be very protective of him?

He had such a capable son, yet he still had not gotten a wife?

It was useless!

When Yu Yuehan saw that Nian Xiaomu was about to speak, he quickly covered her mouth.

He lowered his voice and warned her.

“I know that you want to praise this little rascal. I have already said that even if you praise him to the heavens, I will not agree to his betrothal with Xiao Liuliu.”

Nian xiaomu tugged at his hand unhappily.

“Yu Yuehan, this isn’t right. You are ruining Xiao Liuliu’s happiness!”

“Hah, you are treating Xiao Liuliu well by casually matchmaking her like this? Tang yuansi even told me an hour ago that Xiao Liuliu had secretly kissed Xiao Tangbao and that she and Xiao Tangbao were in love. He wanted me to fulfill their wish. Do you believe him?”

Yu Yuehan said in a contemptuous tone.

Every single one of them wanted to kidnap his little princess. In their dreams!

“Yes!”

Nian Xiaomu’s eyes lit up and she grabbed onto Yu Yuehan’s arm in surprise.

“Little Tang Bao can do it too. That’s right!”! How could I have forgotten about Little Tang Bao? When he was born, he had liked Xiao Liulu very much. Xiao Liulu had liked him too. At that time, she had been clamoring for a younger brother to take care of. It seemed like it was fated. When I meet Shangxin, I will have to discuss the marriage between the two children with her properly... Mmm!”

Yu Yuehan could not stop and covered her mouth again.

He gritted his teeth.

“Nian Xiaomu, don’t be unscrupulous just because you are pregnant. If I really want to teach you a lesson, it won’t work even if you are pregnant. I will give you a red card as a warning!”

Nian Xiaomu:”...”

She could not afford to offend a man who had not eaten meat for a few months, so she admitted defeat.

Nian xiaomu blinked her eyes aggrievedly and pointed at Qiao Yuanfei with her finger.

She gestured to Yu Yuehan that there were still people watching.

He would not say anything that was inappropriate for a child.

Yu Yuehan had successfully protected his little princess, so he could finally look Qiao yuanfei up and down in a calm manner.

He swept his gaze across the surroundings, but did not see Fan Yu’s figure. He raised his eyebrows slightly.

“Did the two of you sneak out?”

“...”

Qiao Yuanfei really did not know how to respond.

Apart from the fact that Yu Yuehan did not give any leeway to the others in terms of his aura, he was also very eloquent when it came to his words.

The truth was revealed in an instant.

Qiao yuanfei only felt awkward and a trace of hesitation.

Everyone knew about the matter between her and Fan Yu, but the most important woman in Fan Yu’s heart was not her.

She did not know how to deal with it at all, and she suddenly did not understand why shangxin had insisted on making this trip.

“I’m sorry to have disturbed you guys, i...”

Qiao Yuanfei was about to take fan fan away when Nian Xiaomu suddenly spoke up.

“Fan Yu is here!”

Chapter 2045: Surprise after surprise (5)

It was only four words, but it gave Qiao yuanfei a fright.

Even though fan fan had just said that her father would come to pick them up, Qiao Yuanfei did not take it to heart. She just assumed that fan fan was missing fan Yu and said it out of habit.

When she really turned around and saw fan yu walking over from not too far away, her heart skipped a beat.

She retreated unconsciously. If not for fan fan being by her side, she would probably have turned around and run away by now.

That's right.

She really wanted to run away.

That was because she had no idea how to face fan yu right now.

She would rather that she was really prepared to bring fan fan fan away and not specially come over to visit Nian Xiaomu.

With Fan Yu's intelligence, he would immediately understand her purpose of coming here as soon as he saw her.

He would definitely be angry, right?

He would be angry at her for coming over to pick her up on her own accord.

He would be angry at her for adding to Nian Xiaomu's troubles.

She had even brought fan fan with her..

Qiao Yuanfei's mind was in a mess. All she could think of was the reason why fan Yu might be angry.

The only reason why he wasn't angry was probably because he had seen his own white moonlight. Joy had overwhelmed his anger, and he did not have the heart to argue with her at this moment.

If that was the case, she would rather have him get angry at her than to see him turn a blind eye to her in front of everyone else..

She was afraid that she wouldn't be able to take it.

Qiao Yuanfei did not dare to look at Fan Yu, but she could not help but raise her head to look at him.

When she saw him striding toward her direction, she was so nervous that she even turned around to look at her surroundings. She wanted to make sure that Nian Xiaomu was standing beside her.

Fan Yu was walking toward her. was he here to look for her or Nian Xiaomu?

At this moment, Qiao Yuanfei could not remember at all. She had not told fan yu that she was here. How would fan yu know?

Right now, all she could think about was how fan Yu would introduce her in front of Nian Xiaomu..

“Daddy!”

Before Qiao Yuanfei could think of an answer, fan fan had already walked to the front happily when he saw Fan Yu.

Fan Yu glanced at him and reached out to touch his head, but he did not hug him. Instead, he walked past his small body and continued walking forward.

Seeing this scene, Qiao Yuanfei’s heart sank bit by bit.

As expected, the moment his white moonlight appeared, there was no one else in his eyes.

Qiao Yuanfei’s eyes were a little bitter. She subconsciously wanted to turn around and not look at Fan Yu. The next second, she saw a handsome figure stop in front of her.

Without giving her any chance to react, he reached out and forcefully pulled her into his embrace!

It was a familiar aura and posture.

The person in front of her was both unfamiliar and familiar.

He was clearly the face that she loved the most, but the panic and anxiety on his face was something that she had never seen before.

She had never seen such a flustered and exasperated look on Fan Yu before..

Furthermore, he had walked right up to her without even looking at Nian Xiaomu..

Qiao Yuanfei was dumbfounded.

“Why didn’t you pick up my call? You know that I am very worried about you... I am worried that you are going to leave without me as long as you have a son.”

As Fan Yu spoke up to this point, his arms were tightly wrapped around the person in his embrace.

His magnetic voice carried a rarely seen domineering tone.

“Qiao yuanfei, this is my first time in a relationship. I might be a little slow and use the wrong method, but I’m willing to learn. Please give me some time and don’t give up on me so easily, okay?”

As Fan Yu spoke, he lowered his head and gently kissed her ear.

His tone carried a hint of pleading, causing one’s heart to soften instantly.

Qiao Yuanfei not only softened her heart, she was also dumbfounded.

Looking at Fan Yu in front of me, I just feel like I am in a dream.

Chapter 2046: Surprise after surprise (6)

The Fan Yu in her dream was completely out of her expectations.

Just as she was about to pinch herself, Tang Yuansi and Shangxin appeared at the airport not too far away.

Tang Yuansi was holding a huge bouquet of red roses in his hands.

Holding Shangxin's hand, he walked step by step to Qiao Yuanfei and Fan Yu and handed the red roses to Fan Yu.

"This is all I can do for you, brother. You can only rely on yourself for the rest!"

"Wah—"

As Tang Yuansi's voice fell, many pink balloons suddenly appeared around Qiao Yuanfei.

They circled around her and formed a circle.

In the middle of the balloons, there were only her and fan Yu.

Fan Yu took out a box from his pocket with the red rose that Tang Yuansi had passed to him. In front of everyone, he suddenly knelt down on one knee.

With just a simple action, he grabbed Qiao Yuanfei's throat in an instant.

Her heart was pounding like thunder.

The sound of her heart beating seemed to be able to jump out of her throat every second.

When she saw fan yu kneeling down on one knee in front of her, she guessed something in her heart, but she did not dare to continue guessing.

There was some hope that she would rather not have, but she could not bear the final disappointment.

"Qiao Yuanfei, missing you at a young age is probably the most regretful thing that I have ever done in my life. The heavens were merciful to be able to meet you again, and they gave me a chance to turn over a new leaf. They allowed me to learn to cherish the people that I should cherish in my life..."

Fan Yu's confession rang out slowly.

In front of Nian Xiaomu, there was no one else in his eyes but Qiao Yuanfei.

"Luck is nothing more than a reunion. Happiness is to be able to hold your hand again and look forward to the rest of our lives together..."

The rest of our lives are long and we are lucky to have you.

"Qiao Yuanfei, will you marry me?"

Will you marry me?

As soon as these words were uttered, tears fell from Qiao Yuanfei's eyes.

Ever since she heard fan yu say that he wanted to look forward to the rest of his life together with her, her body could not help but tremble slightly.

She resisted the urge to listen until the end. Before fan Yu could take out the ring from the box, she had already rushed forward and pounced into his embrace.

She nodded frantically.

“Don’t say anymore. I’m willing to marry you... I’m willing to marry you...”

She would never let her imagination run wild again.

She would never want to run away from him just because she felt insecure.

At this moment, Qiao Yuanfei completely understood Shangxin’s intentions.

They all knew.

All of them knew that Fan Yu was preparing to propose to her.

It was neither a coincidence nor a coincidence that Yu Yuehan and Nian Xiaomu had rushed back. They had come specially to untie the knot in her heart.

Perhaps fan Yu had loved Nian Xiaomu very much in the past, but it was already the past.

The past could not be recalled, and the future was within reach.

When all of them gathered together and allowed fan yu to propose to her in front of Nian xiaomu, not only did they help fan yu to prove his intentions, but they also sincerely treated her as a friend and a new member of the big family..

How could Qiao Yuanfei not be touched by such sincerity?

She had always felt that she was an unlucky person.

When her parents passed away early, she had been wandering around on her own for revenge.

At this moment, she suddenly wanted to thank fate.

It was likely that the suffering she had gone through previously was to accumulate luck points so that she could meet fan Yu and these friends..

“Thank you... Thank you all...”

Qiao Yuanfei lifted her head from fan Yu’s embrace and looked at Shangxin and Nian Xiaomu gratefully.

Just when she was so touched that she was about to burst into tears, a slightly cold metal ring was suddenly placed on her finger.

She lowered her head and saw that it was fan Yu’s diamond ring that had proposed to her.

He did not care about the people around him at all. He was holding her hand and admiring his “Masterpiece” with satisfaction.

Chapter 2047: Surprise after surprise (7)

It was so beautiful.

The ring was beautiful, and so was his wife.

In his heart, she was like a diamond, sparkling and translucent.

Fan Yu took her hand, lowered his head slightly, and planted a kiss on her hand.

“Hold my hand, and grow old together.”

“...”

Qiao yuanfei felt that he was extremely narcissistic just a second ago when he stared at the ring, but in the next second, she was completely moved by his words.

She threw herself into his arms and hugged him tightly, refusing to let go.

“I’m sorry, I’m sorry, I shouldn’t have not believed you... I should have been more confident, I should have believed you...”

Qiao yuanfei choked on her words.

She was just anxious to express her thoughts.

Fan Yu held her face with both hands and lowered his head to kiss her lips.

The gentle kiss was filled with tenderness and doting.

The corners of his lips curled up slightly.

“In my heart, you are unique.”

Everyone was unique.

There was no need to compare yourself to anyone, nor should you belittle yourself.

Fate connived at injustice, but as long as you were willing to believe, there would always be someone who would appear in your life and teach you the meaning of waiting, in order to better meet..

Just like them.

Fan Yu held the back of her head with one hand and hugged her tightly.

He pressed his chin against the top of her hair gently, not wanting her tears to be seen by others.

This was the last time. He would not let her cry again in the future.

“I suddenly feel a little miserable. Other families all have confessions and romantic proposals, but I was the only one who clung on to get married. Who gave me the courage to stand at such a large-scale dog slaughtering scene?”

Shangxin, who was beside him, was so touched that her eyes turned red. She poked Tang yuansi, who was beside her, and said indignantly.

Tang yuansi, who was caught off guard by the proposal from others:” ...”

He also wanted to ask what gave him the courage to bring his wife to such a scene that would bring no benefits at all?

He must have lost his mind and did not have the time to clean it up.

Seeing that he was about to become a bachelor on singles day, Tang Yuansi turned around and hugged Shangxin with a strong desire to survive.

“Xin ‘er, I heard that you took a fancy to a dress two days ago. Shall I go and buy it for you now?”

“We passed by a flower shop when we were on our way here. The Champagne and roses inside are especially good for you. No, you are even prettier than the Roses!”

“Xin ‘ER, my chest feels a little stuffy. It seems like I am about to have a heart attack. I need you to perform mouth-to-mouth resuscitation for me...”

Shangxin glared back at Tang Yuansi after he finished the second half of his sentence.

Shangxin could not bear to listen to his vulgar words and turned her head away with a red face.

Tang Yuansi took the opportunity to hug her from behind and quickly confessed his love to her in a voice that only the two of them could hear. Finally, he managed to preserve his status as a married man!

On the other side.

Nian Xiaomu stood in front and looked at Fan Yu, who had finally found his true love, with the gratified gaze of an old mother.

She touched her stomach subconsciously.

This was great.

Fan Yu had found his partner, and she and Yu Yuehan had a second child.

Everyone looked happy.

Nian Xiaomu was focused on the two people hugging each other in front of her. She did not notice that Yu Yuehan’s expression was getting darker and darker beside her..

When he saw that she was not getting any attention, he walked forward in frustration and pulled Nian Xiaomu to him.

He covered her eyes.

“Yu Yuehan, what are you doing? I Can’t See!”

Nian Xiaomu had just opened her mouth when her mouth was covered as well.

Nian Xiaomu:”...”

Yu Yuehan said, “You ended your honeymoon early so that you could come back to witness fan Yu’s happiness. Now, you are still staring at him in front of me. Nian Xiaomu, I am jealous.”

Chapter 2048: Surprise after surprise (8)

When a man who was nearly 1.9 meters tall, handsome, tall, and domineering said “Nian Xiaomu, I’m jealous” to you in a coquettish tone like a little kid who couldn’t eat candy, what kind of reaction would he have?

Nian Xiaomu’s first reaction was shock.

Blinking her eyes in shock, she reached out and pulled off his hand that was covering her eyes. Sizing him up from head to toe, she wanted to make sure that he was serious.

After she was sure that he wasn't joking, she reached out and touched his forehead without hesitation.

"TSK TSK, that's not right. You Don't have a fever. I even fed you some medicine before we went out. Why did you suddenly fall ill..."

Yu Yuehan:"..."

Yu Yuehan: "I'm not sick!"

"Then what nonsense are you talking about? Fan Yu already has someone he likes. I was just taking a look at you, but you are acting all weird. Some men are so narrow-minded that they are as small as the eye of a needle."

As Nian Xiaomu spoke, she deliberately lowered her head and touched her belly.

"Dashun, you can't imitate your father in the future. He has such a bad temper and has such a bad bearing. Do you know that it's easy for him to not find a wife?" "Your mother, I, did not have good eyesight back then. I took one more look at the crowd, and my lust made me lose my mind before I fell into the pit..."

Nian Xiaomu's mouth was covered again.

The corner of Yu Yuehan's mouth twitched slightly. "Nian Xiaomu, you don't love me anymore. You Used to coax me whenever you were angry at me!"

Nian Xiaomu, who had been reprimanded, lifted her finger and pointed at Tang Yuansi who was at the side.

She raised her eyebrows.

"Young Master Han, did you see that? That is the correct way for couples to open up. If Tang Yuansi dared to be like you, he would probably be a single dog by now. So, do you understand now?"

Yu Yuehan:"..."

"We are both women chasing after men. Look at Shangxin's current life and what kind of life I am living? The reason why I am still keeping you around is definitely because I am kind!"

Yu Yuehan took a deep breath and hugged her tightly. Then, he smirked and teased her.

"Isn't it because I am good-looking?"

Nian Xiaomu struggled with her dying breath and said, "Would you believe me if I said that it was because I was afraid that my two children would not have a father?"

Yu Yuehan replied, "Keep pretending. Just now, when I was hugging you to sleep on the plane, I heard you praising me in your sleep for my good looks. You were secretly praying to the gods and praying that the son you gave birth to would look exactly like me."

Nian Xiaomu:"..."

She did not believe it!

Nian Xiaomu raised her head and glared at Yu Yuehan indignantly. As she stared at him, she suddenly retracted the words that she had just said in her heart.

If she believed her, then it would be better for her son to let him be.

It would be best if they looked exactly the same and were extremely handsome!

She was such a disrespectful dog..

When Yu Yuehan saw how guilty she looked, his vanity was greatly satisfied. He hugged her from behind and gently stroked her belly.

As he lifted his head and looked at Fan Yu, his eyes sparkled.

Even though he said that he was jealous, he was actually blessing her in his heart.

In the next second, he felt a movement in his palm, and his body froze slightly.

Just now..

“Nian Xiaomu, your son seemed to have kicked me.”

He spoke in a surprised tone.

Yu Yuehan, who had never experienced this stage since Nian Xiaomu was pregnant, was extremely nervous and expectant.

He held Nian Xiaomu’s stomach every day, wanting to hear the baby move. However, he did not hear it even once after a few months..

The little fellow would cause a ruckus in Nian Xiaomu’s stomach every day. However, whenever he got close to her, she would immediately fall silent.

Yu Yuehan was so angry that he gritted his teeth. In the past, he had stayed by Nian Xiaomu’s side for an entire day.

In the end, he had been left out for an entire day..

But now..

At the instant that Yu Yuehan was shocked, his palm trembled again!

Chapter 2049: Surprise after surprise (9)

Yu Yuehan hugged Nian Xiaomu tightly in excitement and turned her around so that she could face him.

Then, he carefully placed his palm on her stomach.

“He kicked me just now. He really kicked me!”

Yu Yuehan emphasized repeatedly, and his tone was full of surprise.

Nian Xiaomu could feel that the two kicks were very firm. She was in so much pain that she could not speak. Just as she was about to complain, she saw that Yu Yuehan was so happy that he looked like a fool.

Initially, she wanted to throw a tantrum. However, when she saw his surprised look, she suddenly felt that her stomach no longer hurt.

Her heart skipped a beat.

She could not help but reach out to touch Yu Yuehan's face and let out an "Mm".

"The baby is greeting you. He said that he likes Daddy very much."

"Is that so? Did he really say that he likes me?" Yu Yuehan's deep black eyes shone as he stared fixedly at her bulging stomach.

Men always said what they did not mean.

They might say that they did not love their son, but he was really their own child. How could they not love him.

He was just being stubborn.

Furthermore, Nian Xiaomu was not sure if the child in her belly was a son or a daughter.

Seeing through his thoughts, Nian Xiaomu did not want to coax him anymore.

Just as she was about to turn her head to look at Fan Yu, her body was pulled back by Yu Yuehan.

She heard him speak in a serious tone.

"Nian Xiaomu, my son can not be called Dshun. We need to discuss the matter of his name."

Nian Xiaomu: "..."

Must it be so real?

It was just a simple kick, and he was immediately filled with fatherly love and started to care about his son's name?

Back then, when she was angry and said that she would call him Yu Dshun if she gave birth to a son, he was not worried at all.

She had also called him Dashun for a few months, but he did not correct her. Now that he had touched the fetal movement, he immediately disagreed..

Young Master Han, you have lost your cool. Please pick it up.

Nian Xiaomu did not have the heart to tell him that the little fellow might not know who he was at all. He might just flip his body in her stomach and kick his legs comfortably.

Nian Xiaomu refused to discuss this issue and replied perfunctorily.

"Let's talk after you come down, sir."

She was watching fan yu propose to her. Who would want to discuss their son's name with him now?
Furthermore, she felt that the great shun was pretty good.

How auspicious.

It just so happened that she could form a great shun with Xiao Liuliu. It was simply perfect!

"Nian Xiaomu..."

Yu Yuehan wanted to say something more, but Nian Xiaomu had already walked past him. She took two steps forward and stood together with Shangxin.

"I will go back with you guys to pick up Xiao Liuliu later."

She had not seen the little glutinous rice ball for a few months. Even though she was video-chatting almost every day, she would still miss her even if she could not see her with her own eyes.

If it were not for the fact that Xiao Liuliu liked to follow fan yu and did not mention that she missed them, Nian Xiaomu would have flown back long ago.

Yu Yuehan did not care about the name of his second child at the mention of Xiao Liuliu.

The moment he walked up and saw Tang yuansi, he thought of another more important matter.

A cold glint flashed across his eyes as he walked up to Tang Yuansi.

He reached out his hand.

"Hand it over!"

He had promised to accompany Nian Xiaomu to bring up the topic of returning to the country, and he had not only rushed back to congratulate Fan Yu.

He was afraid that Tang Yuansi would go to heaven if he did not return soon!

How dare he have designs on his little princess? Tang yuansi must have recovered from his heart attack, but his brain must be damaged!

"Xin 'er, it's getting late. Xiao Liuliu and Little Tang Bao are still at home. Let's go back first."

The moment Tang Yuansi saw that something was amiss, he pulled shangxin along and was about to leave.

How could Yu Yuehan let him leave just like that?

He took a big step forward and was about to strangle her without saying a word.

Chapter 2050: Surprise after surprise (10)

Tang yuansi dodged to the side and followed closely behind with a sweep leg..

In just a few short seconds, the two of them had exchanged blows a few times.

They were about to start a fight at the airport!

“Yu Yuehan, calm down. Tang Yuansi’s body is just fine. You are bullying him!” Nian Xiaomu shouted.

Even though Tang Yuansi’s methods were a little black-bellied, she had already told Shangxin that she was going to arrange a child marriage for the two children. Furthermore, she liked Little Tang Bao, so she did not feel that there was anything wrong with signing the agreement.

However, it was different in Yu Yuehan’s eyes.

The Little Princess that he had raised from such a young age was so precious that she was afraid of pain.

Tang Yuansi actually dared to steal her away when he was not around. This was intolerable!

If he did not give Tang Yuansi a beating today, he would not be able to get back at him.

Therefore, the agreement was fake and the beating of Tang Yuansi was real..

Nian Xiaomu and Shangxin could tell that this was why they tried to persuade him.

Tang Yuansi was not a pushover either.

When he was adopted by the Yan family, his two older brothers were both exceptional geniuses. Tang Yuansi was influenced by them and his skills were not bad. However, due to the fact that his body was unable to exercise vigorously, he did not dare to attack casually.

It would take some effort for Yu Yuehan to hold him down and beat him up.

The two of them fought back and forth. Although it was a fight, it gave people the illusion that they were using their bodies to communicate.

For a moment, Nian Xiaomu and Shangxin did not know whether they should persuade him or not.

The one who was the most dumbfounded at the scene was Fan Yu, who had just successfully proposed to her and was showing off. However, he was stolen from the limelight.

Fan Yu: “? ? ?”

This was the only time in his life, why couldn’t they give him some face?

Qiao Yuanfei was also dumbfounded.

She had never expected that Yu Yuehan and Tang Yuansi, who seemed to be so honorable and refined, would actually attack them as they wished... and they were really going to attack them!

Nian Xiaomu: “I’m sorry, they haven’t seen each other for a long time and are using a special method to bond with each other. Can you guys just take it as a martial arts performance to celebrate the success of your marriage proposal?”

Shangxin said, “If not, we can just treat it as an acrobatic performance.”

Qiao Yuanfei: “...”

There was a “Bang”.

Tang Yuansi received a punch on the face.

Shangxin turned around to take a look and immediately felt her heart ache.

However, since Tang Yuansi was in the wrong, she could not say anything.

Nian Xiaomu could see through her thoughts and knew that she could not persuade Yu Yuehan at this point in time. After thinking about it, she reached out to hold her waist and shouted with her stomach sticking out.

“Yu Yuehan, my stomach hurts!”

Bang

Yu Yuehan was only distracted for a moment before he received a punch on his face.

Even though he was annoyed, he still walked over to Nian Xiaomu without hesitation.

He held her shoulders nervously with both of his hands.

He lowered his gaze and asked.

“What’s wrong? Why does your stomach hurt all of a sudden? Let’s go to the hospital...”

“I’m fine. The baby kicked me a little too hard just now. It’s fine now,” Nian Xiaomu mumbled guiltily. When she saw that his face had darkened, she stood on her tiptoes and kissed him.

She gently touched the spot where he had been punched on his face.

“Does it hurt?”

“...”

“Yu Yuehan, I don’t like it when you fight. My Heart Will Ache if you get hurt.”

Nian XIAOMU had a sincere look on her face, and it was impossible to tell that she was acting.

The gloominess that Yu Yuehan had initially felt stuck in his chest dissipated instantly when he heard her say this.

Forget it. He was a magnanimous person and would not bother with Tang Yuansi.

It was more important to retrieve the agreement before going to the Tang family to pick up his little princess!

“I did not bring the agreement out and left it at home. I can testify for Brother Xiaosi!”
