

My Life 2051

Chapter 2051: Surprise after surprise (11)

When Shangxin saw that Yu Yuehan was looking at her, she quickly raised her hand to assure him.

The punch that Tang Yuansi received was not any lighter than Yu Yuehan's, and his face was swollen.

Shangxin's heart ached terribly when she saw this. She was afraid that they would start fighting again.

"Dad, are we going to Uncle Tang's house too? I Miss Xiao Liuliu," fan fan, who had been standing obediently by the side, leaned over to fan Yu's side and muttered softly.

After he finished speaking, his pitch-black eyes sneaked a glance at Yu Yuehan.

At such a young age, he already knew how to read People's expressions.

He knew that Yu Yuehan had fought with Tang Yuansi because of Xiao Liuliu.

If Yu Yuehan knew that he liked Xiao Liuliu too, he might get beaten up as well.

He was still young and could not beat her up.

However, Xiao Liuliu was very cute and he still liked her very much.

"Alright, let's Go Too!"

Fan Yu was elated that he had successfully proposed to Nian Xiaomu and successfully found his wife.

He agreed without hesitation.

His gaze landed on Nian Xiaomu, who was at the side, and his gentle gaze shifted slightly as he held Qiao Yuanfei's hand and walked forward.

"You're back."

Fan Yu opened his thin lips slightly and introduced Qiao Yuanfei to Nian Xiaomu.

"This is my fiancée, Qiao Yuanfei."

Qiao Yuanfei was stunned for a moment and took the initiative to extend her hand toward Nian Xiaomu.

"Hello..."

Before she could finish her sentence, Nian Xiaomu had already extended her hand and gave her a big hug.

She said with a smile,.

"I know who you are. To be honest, I have investigated you from the moment I first laid eyes on fan fan. Just now, you pretended not to know him when you got off the plane. It was just to create a surprise proposal for someone. Welcome to our big family."

"Thank you." Qiao Yuanfei was slightly taken aback before she smiled along with him.

She looked at Nian Xiaomu gratefully.

With this smile, all the knot in her heart disappeared into thin air.

It was just as Fan Yu had said when he confessed to her.

Each of them was unique. There would eventually be someone who would appear in your life, hold your hand, and spend the rest of their lives with you.

When Qiao Yuanfei thought of this, she subconsciously raised her head to look at Fan Yu.

She just happened to meet his dotting gaze..

The two of them held each other's hands tightly at the same time.

—

At the Tang family's villa.

The airport was bustling with noise and excitement for a while.

At this moment, Fan Yu was standing in front of the floor-to-ceiling windows of the Tang family's living room. He called his relatives and friends one by one to announce that he had ended his bachelorhood and was about to get married.

"Grandfather, don't worry. I've already asked someone to arrange the wedding... Yes, yes, yes, I'll definitely arrange it. There's no need to worry about other things. It's just that Feifei isn't willing to go with me to get the marriage certificate in advance. She respects you very much. If you were to ask her, she would definitely give you face..."

"What do you mean 'forced'? Doesn't grandfather want to have a granddaughter-in-law sooner? I already know about fan fan's matter. Speaking of which, I feel that fan fan lacks a younger brother and sister. If grandfather can convince Feifei to get the marriage certificate with me earlier, perhaps by the time of the wedding, we'll have a second child..."

Qiao yuanfei, who was standing beside him, could not help but blush when she heard his shameless plan to force a marriage.

Unable to take it anymore, she turned around and saw Yu Yuehan and Tang yuansi, who were still sitting on the sofa and staring at each other.

Xiao Liulu coaxed little Tang Bao to sleep and coaxed herself to sleep as well.

The moment Yu Yuehan arrived at the Tang family villa, he saw that his little princess and Little Tang Bao were sleeping on the same bed and were even hugging each other. Immediately, he wanted to have another 300 rounds with Tang Yuansi.

However, he was held down by Nian Xiaomu and shangxin.

At this moment, both of them were occupying the sofa at one side and were using their eyes to kill each other.

When Qiao Yuanfei saw that the situation was not looking good, she retracted her footsteps that she had just taken a step forward.

Chapter 2052: Surprise after surprise (12)

Yu Yuehan: “Despicable! You are cheating!”

Tang Yuansi: “What cheating?”? Speak properly. Xiao Liulu likes my son and loves sleeping with Little Tang Bao. Is it not good to cultivate a good relationship from a young age? You are too overbearing and don’t know how to respect your child’s wishes. Be careful that Xiao Liulu doesn’t like you.”

It was rare for Tang Yuansi to get back at Xiao Liulu.

He couldn’t be happier.

When he saw Xiao Liulu taking the initiative to Hug Little Tang Bao to sleep, it was the first time that he wanted to hug his son and kiss him a hundred times!

This little brat was too good at his job!

“Hiss –”

Tang Yuansi was too smug and drew in a breath of cold air when he pulled on the wound on his face.

Yu Yuehan said, “Serves you right!”

Nian Xiaomu: “...”

Shangxin: “...”

What could they do when the two fathers were so childish?

“Where’s the Butler? Didn’t he go to get the agreement? We haven’t seen him for a long time.” Yu Yuehan did not like Tang Yuansi, so he stood up from the sofa and asked.

The Butler happened to come down from upstairs.

He hurriedly brought the agreement in his hands to Tang Yuansi.

“President Tang, this is the agreement that the young Miss signed previously.”

Before Tang Yuansi could make a move, Yu Yuehan had already taken over the agreement from the butler. After a quick glance, he confirmed that it was the same agreement that Tang Yuansi had taken a photo of for him to see. He tore it into pieces and threw it into the trash can.

“He’s jealous, he’s purely jealous!”

Tang Yuansi looked at the agreement that was thrown into the trash can with a regretful expression and opened his mouth indignantly.

He turned around and hugged Shangxin to seek comfort.

“Daddi –”

A tender voice sounded from the stairway.

Xiao Liuliu had just woken up, and her soft hair was puffy from her sleep.

Her voice still carried the sound of a little child.

She called out vaguely.

When she saw that the people sitting in the living room were really Yu Yuehan and Nian Xiaomu, she immediately ran down the stairs.

“Xiao Liuliu!”

Yu Yuehan finally waited for his little princess to wake up. Without a word, he stepped forward.

“Slow down and don’t fall.”

His tone was as gentle as it could be.

There was no trace of the domineering and domineering attitude that he had when he was fighting with Tang Yuansi just now.

When he bent down to pick up Xiao Liuliu, his gaze was so doting that it seemed as if he was going to be bored to death.

Xiao Liuliu also knew how to cheer him up. She raised her little head and gave him a peck on the cheek.

Her chubby little hand even wiped off her own saliva and acted coquettishly in her baby voice.

“Daddi, Xiao Liuliu misses you very much!”

“I miss you very much too!”

Yu Yuehan’s heart was about to melt.

He hugged his little princess tightly and could not help but kiss her a few times.

As he thought of something, he turned his head to look at Tang Yuansi proudly.

In front of Tang Yuansi, he let Xiao Liuliu kiss him a few more times.

“See, this is the benefit of being a daughter. A person like you who only has a son would not understand.”

Tang Yuansi:”...”

Tang Yuansi narrowed his eyes. He did not have a daughter, so he could only suppress his dissatisfaction.

When he saw Xiao Liuliu looking at him, his heart moved slightly.

He suddenly opened his mouth.

“Xiao Liuliu, there seems to be crying upstairs. Is little brother awake?”

“Little brother...”

When Xiao Liuliu heard Tang Yuansi’s words, her ears immediately perked up.

She listened nervously for a second. Before Yu Yuehan could say anything, she quickly slid down from his embrace.

She turned around and ran upstairs.

Her actions were so fast that no one could react in time.

Yu Yuehan did not even have the chance to stop him. He could only watch helplessly as his little princess ran away for the sake of another family's brat.

"Daddi, you play by yourself first. I'll go sleep with little brother First!"

Chapter 2053: The rest of my life is long. I am lucky to have you! (1)

Yu Yuehan:"..."! !

Yu Yuehan watched helplessly as his little princess ran upstairs because of Tang Yuansi's words.

His heart felt like it was being pulled out of the cold.

Tang Yuansi did not let go of this opportunity to strike a blow. He leaned over to his side and asked with hypocritical concern.

"Brother, is your heart okay? Do you need me to call for 120 emergency treatment for you? "Actually, think about it this way. Xiao Liuliu will eventually get married in the future, and you can't keep her by your side for the rest of her life. Since she will get married sooner or later, it's better for you to pick someone who is pleasing to the eye. It's better than having an unsightly brat appear out of nowhere in the future and steal him away for you without saying a word, right?"

"..."

"Although my son is younger than Xiao Liuliu, as long as the two children like each other, it won't be a problem for the two of them to be a few years apart! "Moreover, think about it carefully. The Tang family is in City H. Although it's not close to the Yu family villa, it's definitely not far. If You Miss Your Daughter, you can meet her anytime. In the future, you can even visit her when you have a grandson. Chenghuan is your son... think about it, think about it carefully. Is it equivalent to not getting married if you get married? "You will not suffer a loss in this business!"

Tang Yuansi's first sentence was to provoke Yu Yuehan. After that, he was sincerely analyzing the situation for him.

He was not really doing it for Yu Yuehan's good.

However, if Yu Yuehan did not agree to Xiao Liuliu being his daughter-in-law, this mountain would be hard to climb.

In order to have the capital to show off in the future, Tang Yuansi decided to hold back his anger for a while and shake hands with Yu Yuehan first.

It was fine if Yu Yuehan really did not agree.

Anyway, he had copied the agreement that the Butler had taken out to tear up for him. He had long locked the copy that Xiao Liuliu had personally signed in his own safe.

In the future, when Little Tang Bao grew up, he would let little Tang Bao take this agreement and hold Xiao Liuliu responsible..

“Looking at your treacherous appearance, you don’t have any good intentions.” Yu Yuehan glanced at him and opened his mouth coldly.

What Tang Yuansi said made sense.

However, no one would think of finding a husband for their daughter when she was four years old.

Now, whenever Yu Yuehan thought of someone stealing his little princess away from him in the future, he would gnash his teeth in hatred.

He tried his best to ignore this sorrowful question.

However, Tang Yuansi kept reminding him, reminding him that he wanted to kill someone!

“Brother, it’s not right for you to talk like that. I’m discussing this with you out of goodwill...” just as Tang Yuansi was about to approach him, Yu Yuehan had already turned around and looked at fan Yu.

To be more precise, he was looking at fan fan who was beside Fan Yu.

He crossed his arms and raised his eyebrows as he sized up the little fellow in front of him.

He slid his long fingers down to his chin and touched it. A faint light flashed across his eyes as he opened his mouth calmly.

“You are right. Xiao Liuliu will definitely get married in the future. I should really choose a son-in-law that is pleasing to the eye. I think that little fellow called fan fan is not bad. He sees light in Xiao Liuliu’s eyes and will definitely like Xiao Liuliu as well. Most importantly...”

Yu Yuehan paused for a moment and looked sideways at Tang Yuansi. The corners of his mouth curled up in a wicked manner.

He enunciated each word carefully.

“Fan Yu has a wife now. She looks more pleasing to the eye than you!”

Tang Yuansi: “...”

What was this?

This was a personal attack!

Furthermore, why did he have to implicate his son if he did not like him?

This was too much!

Tang Yuansi took a deep breath.

“You better think this through. Even if fan Yu has a wife now, he was still your love rival back then. If his son marries Xiao Liuliu, it will be equivalent to giving him a chance to win back the city. It will be difficult for you to show off in front of him in the future!”

Chapter 2054: The rest of my life is long. I am lucky to have you! (2)

Yu Yuehan:”...”

Tang Yuansi’s words made Yu Yuehan hesitate.

It made sense when he thought about it.

He had been ahead of Fan Yu in every aspect of his life. If he were to marry his little princess into the fan family in the end, wouldn’t all his efforts be for naught?

Yu Yuehan raised his eyebrows and looked at fan yu.

Fan Yu was still standing in front of the French window making a phone call to arrange the wedding.

He sounded as happy as he could be.

When people were happy, they could not help but be smug.

“Uncle, I’m getting married. Today’s phone call is to invite you to my wedding with Feifei... Yes, we’re childhood friends and have a son...”

“Aunt, it’s like this, I’m getting married... Feifei is very beautiful and smart...”

“Aunty, I want to ask if you have the time recently. I’m Getting Married...”

“...”

Yu Yuehan’s ears quivered as he listened.

He had praised his wife over and over again and emphasized that he had a son. wasn’t he sick of it?

Why did Fan Yu look more and more familiar the more he looked at him..

By the time Yu Yuehan realized who he looked like, he could no longer listen to him anymore.

When he looked at fan fan again, he immediately became displeased with him.

Tang Yuansi was right. He could not give fan yu the chance to show off in front of him.

If Xiao Liuliu really wanted to marry, she would marry the son who could not marry Fan Yu!

With this comparison, Tang Yuansi’s son suddenly became less annoying..

“Ten years of brothers, do you still not trust my character? If Xiao Liuliu really marries into the Tang family in the future, I will definitely treat her as my biological daughter and Dote on her!”

Seeing that Yu Yuehan’s expression was not right, Tang Yuansi was about to strike while the iron was hot to settle this matter.

The next second, he saw Yu Yuehan's lips curl into a frivolous smile.

"Even if fan Yu's son can not marry, who says that Xiao Liuliu will marry your son?"

The world was so big, yet his little princess was still so young.

He was not anxious at all!

As long as his little princess was happy, he would be able to support her even if she did not marry for the rest of her life!

Tang Yuansi:"..."

After all this fuss, he had come up empty-handed?

His heart was broken!

Tang Yuansi turned around to look for Shangxin to console him. However, when he turned around, he realized that Nian Xiaomu and Shangxin, who had been in the living room earlier on, had disappeared.

Just as he was about to ask the butler, Nian Xiaomu and Shangxin appeared at the staircase entrance at the same time.

Shangxin was carrying Little Tang Bao, who had just woken up.

Nian Xiaomu was holding Xiao Liuliu's hand, and Xiao Liuliu was holding a milk bottle in her hand.

It wasn't hers, but Xiao Tangbao's.

As soon as she reached the ground floor, she immediately trotted into the kitchen and asked the nanny to help her prepare the milk.

She stood at the side obediently and Tiptoed to watch.

She was even muttering to herself.

"You can't be too hot. Little Brother is hungry and will cry if he can't drink the milk. Xiao Liuliu will cry too!"

She took the milk bottle from the nanny and took a sip.

After making sure that the temperature was just right, she ran to the sofa with the bottle in her hand.

Shangxin had already sat down with little Tang Bao in her arms and was tying his Little Weibo.

Xiao Liuliu lay on the edge of the sofa and lowered her head to give Little Tang Bao a kiss on his handsome little face. Then, she stuffed the pacifier into his mouth with familiarity.

"Drink the milk obediently. Big Sister Loves You the most!"

"..."

Little Tang Bao drank two mouthfuls of milk forcefully. When he heard what she said, he suddenly stopped as if he could understand her.

His big black eyes blinked, and he shrank his neck as if he was shy.

In the end, he giggled again.

He raised his two small hands with great effort, wanting to grab the milk bottle by himself. He drank the milk anxiously and gracefully.

However, his big eyes kept staring straight at Xiao Liuliu.

As if to ask, I am so obedient?

Chapter 2055: The rest of my life is long. I am lucky to have you! (3)

The interaction between the two of them seemed to be a world apart.

The people around didn't even have the chance to interrupt.

Little Tang Bao drank all the milk in one go, and his little arms kept reaching towards Xiao Liuliu, begging for a hug.

Xiao Liuliu quickly took off her shoes and climbed onto the sofa.

"Aunty, can I hug my little brother?"

"Yes..."

"No!"

A cold voice interrupted.

Yu Yuehan saw that the situation was not right and walked forward, bending down to carry Xiao Liuliu.

He touched her hair and forced a smile.

"Daddy likes little brother too. Let Daddy hug him first, okay?"

As Yu Yuehan spoke, he conveniently placed Xiao Liuliu on the sofa furthest away from Little Tangbao.

He reached out and took Little Tang Bao from Shangxin's embrace.

He lowered his gaze and sized up the Little Fellow in his embrace.

Little Tang Bao grew up very quickly.

Compared to when he was just born in the hospital, his face was a little rounder and carried a little bit of baby fat.

His eyebrows and eyes had also grown up. He picked out all the advantages of Tang Yuansi and Shangxin, and his facial features were handsome.

Furthermore, he was a little glutinous rice ball. This little face was already very eye-catching.

What would happen if he grew up?

He was afraid that he would bring harm to countless ignorant young ladies.

Yu Yuehan's gaze narrowed slightly as he frowned in dissatisfaction.

If he were to really be together with this little rascal, how much jealousy would his little princess feel?

She was very, very dissatisfied!

"Yu Yuehan, he smiled at you. Little Tang Bao seems to like you very much, but he has never smiled at me before." Nian Xiaomu had unknowingly walked to his side and teased Little Tang Bao who was in his arms.

When she saw that the little fella had suddenly smiled, she could not help but speak out in jealousy.

When Yu Yuehan heard this, he snapped back to his senses and lowered his head to take a look.

The little fella in his arms was grinning and acting cute at him with a pair of curved eyes and a fawning expression on his face.

It was as if he knew that Yu Yuehan did not like him and was trying his best to attract more people for himself.

He was really going to live to the fullest!

Yu Yuehan narrowed his black eyes and opened his mouth unceremoniously.

"Save it. It's useless even if you smile at me. I am a traditional person and I don't accept sibling relationships. You have no chance!"

Nian Xiaomu was about to ask him what he was talking about when Little Tang Bao, who was smiling, burst into tears the next second.

He cried miserably and heartbreakingly..

If Nian Xiaomu firmly believed that Yu Yuehan would not lay a hand on a baby, she would have suspected that Yu Yuehan had secretly pinched little tang Bao when she saw him crying like this.

Nian xiaomu only assumed that Yu Yuehan did not know how to carry a baby, which made little Tang Bao feel uncomfortable.

She took the baby from his hands and coaxed little tang Bao gently.

Yu Yuehan opened his mouth several times to clarify things for himself. In the end, he did not know how to convince Nian Xiaomu to believe that such an unreliable speculation that a spiritual soul might be living in the body of a baby..

Forget it, he was the only one who was awake.

He would just let her coax him.

It would definitely be useless.

"You made little Tang Bao cry, yet you are still making sarcastic remarks? I will give the child to you, but you better coax him well. Otherwise, you can sleep by yourself tonight!"

Nian Xiaomu tried to coax him but failed. Seeing that Shangxin was also unable to coax him, she stuffed little Tang Bao back into Yu Yuehan's arms.

The little fellow cried for a long while, and his little face turned red from crying.

He was really sad. With a blink of his eyes, the bean-sized tears started to fall.

Nian Xiaomu's heart clenched when she saw this. She patted Yu Yuehan's shoulder and asked him to hurry up and pacify him.

"He wanted to cry himself. What has it got to do with me?"

Yu Yuehan hugged the soft little fellow and could not help but laugh when he saw how pitiful he was crying.

Chapter 2056: The rest of my life is long. I am lucky to have you! (4)

With a smack, she received a slap on her shoulder.

Nian Xiaomu was so angry that she glared at him.

"How can you still laugh at a time like this? If you continue to cry, I'm afraid that your eyes will go blind from crying!"

"..."

The smile on Yu Yuehan's face disappeared.

Although he knew that this little fellow would not go blind from crying, he knew that if he continued to laugh at Nian Xiaomu, he might have to stay alone in the empty room at night since she was so nervous.

It wasn't worth it.

He pondered for a moment and stared at the Little Fellow in his arms with a playful look in his eyes.

He opened his thin lips slightly.

"Alright, stop crying. Actually, it's not that you don't have a chance at all. It all depends on your performance. Do you understand?"

"..."

Little Tang Bao in his arms sobbed. His tears were hanging by the edge of his eyes and were about to fall. He widened his eyes and stared at Yu Yuehan.

It was as if he was suspecting if he was speaking the truth.

Even though he could not speak, Yu Yuehan somehow felt that he understood what he was saying.

He could not help but laugh out loud.

Little Tang Bao pursed his lips. Knowing that he was being laughed at, he tilted his face and looked for Xiao Liuliu pitifully.

“Daddi, I want to hug little brother. Little Brother must be crying because he can’t see Xiao Liuliu. Xiao Liuliu, just give him a hug!”

Xiao Liuliu, who was only at Yu Yuehan’s thigh, tugged at his shirt anxiously.

When she heard Little Tang Bao’s crying, she was about to cry herself.

With Red Eyes, she reached out and wanted to hug Little Tang Bao.

“What’s there to be anxious about? He will cry when he is hungry and cry when he is sleepy. It’s fine.” Yu Yuehan did not feel sorry for Little Tang Bao, but he felt sorry for his little princess.

When he saw that Xiao Liuliu was anxious, he lifted her up with one hand without a word.

With one hand holding a child, he turned around and placed the child on the sofa. Then, he placed Little Tang Bao into Xiao Liuliu’s arms.

In an instant, Little Tang Bao, who had been crying listlessly just a moment ago, stopped crying with a swoosh.

It was just a small hand that held tightly onto Xiao Liuliu’s clothes.

It was as if he was afraid that Xiao Liuliu would abandon him.

Xiao Liuliu patted his small chest and grumbled unhappily as she coaxed little Tang Bao.

“Little brother will only cry like this when he doesn’t see Xiao Liuliu. Daddi doesn’t even know.”

Yu Yuehan:”...”

Xiao Liuliu, don’t you feel that such an ambitious brat is by your side?

It’s very dangerous!

Yu Yuehan had already made up his mind that he would bring Xiao Liuliu away when Little Tang Bao fell asleep later.

From today onwards, he would reject Xiao Liuliu from staying at the Tang family Villa.

Not even for a day!

No!

He still had to think of a safer way, such as sending Xiao Liuliu abroad earlier or something like that.

He wanted to prevent Xiao Liuliu from seeing this brat again!

Yu Yuehan sat down on the sofa in a huff.

When he saw Xiao Liuliu, who was busy taking care of her little brother and had completely ignored him, he crossed his arms and looked sideways at her.

If looks could kill, Little Tang Bao would have been decapitated by now!

In a strange atmosphere, Fan Yu finally finished his phone call.

With a face that deserved a beating, he held Qiao Yuanfei and fan fan and walked forward.

“The wedding date has been set. It’s next month. We can inform Qi Yan and Mo Yongheng that they’re back now. It’s a good opportunity for us to get together properly!”

Whether they got together or not was actually secondary. The important thing was that he already had a wife.

Fan Yu did not wait for anyone else to answer. He took out Qi Yan and Mo Yongheng’s phone and prepared to call them personally.

As soon as the call was dialed, Qi Yan picked it up immediately.

“I’m very busy next month. I don’t have time. Goodbye!”

Mo Yongheng also picked it up immediately and then hung up immediately.

Fan Yu was stunned when he saw the Tang family’s butler running in excitedly from outside!

Chapter 2057: The rest of my life is long. I am lucky to have you! (5)

His expression was one of shock and disbelief.

He stumbled his way into the living room.

“President, President Tang, someone is coming from outside...”

“If someone is coming, then so be it. Why are you panicking?”

Tang yuansi furrowed his brows. When he saw the flustered butler, he thought of the two calls that fan Yu had just gotten hung up on and teased him.

“Don’t tell me that Qi Yan and Mo Yongheng came back early and hung up on you on purpose to give you another surprise.”

He had easily seen through his trick.

When he heard this, everyone in the living room focused their gazes on the entrance of the living room.

They were waiting for the person who had shocked the butler to appear.

The Butler regained his senses in a panic and hurriedly said, “President Tang, the person who came is...”

“Alright, it’s just Qi Yan and Mo Yongheng who scared you to such a state. I have already guessed it. You can leave first.”Tang yuansi interrupted the butler’s words nonchalantly.

The Butler was about to say something when he suddenly choked.

He wanted to say something but hesitated. However, he could not find the opportunity to speak.

This was because Tang Yuansi had already turned his head and teased fan yu, asking him to please him.

Among the five of them, apart from fan Yu, he was the only one who had yet to hold a wedding. In other words, he was the only one who could be fan Yu’s best man.

Fan Yu's wedding was held in such a hurry that no one would be able to find someone more suitable than him in a short period of time.

Tang Yuansi turned around and sat on the sofa. He leaned against the cushion and stretched out one of his legs as he teased.

"Come, come, little fan, massage my legs first..."

Before Tang Yuansi could finish his sentence, the sound of footsteps could be heard from outside the door.

It sounded steady and powerful.

It sounded a little like Mo Yongheng.

This time, Tang Yuansi was even more certain that his guess was correct. He even stretched out his other leg and was prepared to continue teasing fan yu.

However, before he could finish his sentence, he saw an imposing figure appear at the entrance of the living room.

It was a black suit with a close-fitting cut that outlined a tall and straight figure.

Every corner of his firm face seemed to contain a boldness that could not be underestimated. The corners of his eyes that were slightly raised gave off an evil aura.

He had maintained his appearance very well. When he was middle-aged, he looked like he was in his early thirties. His entire body exuded a mature charm.

The person who came in was not Mo Yongheng... it was Shangxin's father, the CEO of the Shang Corporation, and Shang Lingsi, the female maniac who had once terrified both the black and white factions!

Bam

Tang Yuansi fell down from the sofa.

He looked at the person who had walked in from outside with a pair of stunned eyes as if he had seen a ghost.

"Daddy!"

Shangxin called out subconsciously, but her expression was not much better than Tang Yuansi's.

She had been hiding the fact that she was with Tang Yuansi from her family.

She had liked Tang Yuansi since she was young. It was always brother Xiaosi calling her brother Xiaosi, causing Shang lingsi, who loved his daughter excessively, to have a particularly strong opinion of Tang Yuansi.

She had always felt that Tang Yuansi was sent by the heavens to go against him. He had never had good intentions since he was young and wanted to kidnap his precious daughter.

Later on, it was Shangxin who chased after Tang Yuansi. Tang Yuansi had repeatedly rejected her. Although Shang Lingsi understood the reason, he had long been seething with anger when he saw that his beloved daughter was heartbroken.

Now, they were finally together.

Shangxin had gotten pregnant before marriage and had given birth to a child. However, Shang Lingsi, the father, was still kept in the dark..

One could imagine how tragic the situation would be when he came knocking on the door!

Yu Yuehan pulled Nian Xiaomu to stand furthest away from Tang Yuansi without any hesitation after he heard Shangxin calling him Daddy and confirming that the person who had come was really Shang Lingsi.

Chapter 2058: The rest of my life is long. I am lucky to have you! (6)

What was a brother to me?

At this moment, of course, the wife was more important!

Fan Yu's reaction was almost exactly the same as his.

Tang Yuansi was the one who did this unjustly. He did not want to get involved in this matter in the first place, not to mention that Tang Yuansi was still showing off in front of him just now.

Heh, one must still be kind in life.

Look at how quickly retribution came!

"Dad, why are you here..."

Shangxin snapped back to her senses and was about to step forward to explain when Shang Lingsi's gaze swept across the living room. In the end, he locked onto Tang Yuansi, who was lying on the floor and had yet to get up. He walked past her, picked Tang Yuansi up, and punched him in the face!

This punch was different from Yu Yuehan's punch just now.

Although Yu Yuehan wanted to punch Tang Yuansi, he was still mindful of their brotherhood, so he knew what to do.

He did not really hit him ruthlessly.

It was obvious that Shang Lingsi was aiming for death with this punch.

After he punched him, he threw another punch.

Blood immediately oozed out from the corner of Tang Yuansi's mouth.

Without hesitation, Yu Yuehan reached out to cover Nian Xiaomu's eyes. When he thought of Xiao Liuliu, he lifted his head and looked over worriedly.

Xiao Liuliu sat at the edge of the sofa very calmly with little Tang Bao in her arms.

She opened her eyes wide and covered little Tang Bao's eyes. Yu Yuehan could not hear what she said, but judging from the shape of her mouth, it seemed like she was coaxing the Little Fellow in her arms.

"Little Brother is not afraid, Big Sister Is Here..."

Yu Yuehan suddenly had a heart attack! ! !

Turning his head to look at Fan Yu, he saw that Fan Yu had already hidden far away with Qiao Yuanfei and fan fan. He looked like he was watching a show as he watched Tang Yuansi get beaten up.

He was just short of adding that he deserved it.

Tang Yuansi was still getting beaten up.

Even though Shang Lingsi was really furious, he could tell that he would not really take Tang Yuansi's life.

However, if he continued to beat him up, he would probably be severely injured.

Shangxin would not be able to take it if others did not feel sorry for him.

She rushed forward to stop him the moment she regained her senses.

"Father, if you continue fighting, Brother Xiaosi will be beaten to death..."

"I am going to beat him to death today!"! "This B * Stard. It is one thing for him to kidnap you to the Tang family without a word, but you actually dare to hide the fact that you are pregnant and have a child? "My daughter, Shang lingsi, has been following a B * Stard for no reason. Even my grandson has become an illegitimate child. I will beat him to death!"

Shang lingsi waved his hand and Tang Yuansi took another punch.

If it was anyone else, Tang yuansi would at least be able to protect himself even if he could not retaliate.

However, he was facing Shang Lingsi now. Forget about not being able to defeat him, even if he could, he would not be able to defeat him.

In an instant, he became a piece of meat on a sticky plate and was at the mercy of others.

He was beaten into a pig's head.

"Xin 'er, don't bother about me. It's my fault. I deserve it. Let Uncle Shang beat me up,"Tang Yuansi said in a feeble voice.

It was true that he was miserable, but he was definitely faking it.

Tang Yuansi was not a fool. He should have known that he could not take it and had to admit defeat.

The more miserable he was, the less angry Shang lingsi would be.

Otherwise, he would really be crippled..

The moment he spoke, Shangxin's heart ached even more.

She grabbed Shang Lingsi's arm and started crying.

“Dad, I was the one who pestered brother Xiaosi and used my pregnancy to force him to be with me. If you want to beat him up, just beat me up too.”

“...”

“After you beat us to death, Little Tang Bao will become an orphan. Do you have the heart to do that?”

As Shangxin spoke, she turned her head to look at Little Tang Bao, who was being hugged by Xiao Liuliu.

Shang lingsi’s body trembled slightly as he narrowed his evil eyes.

Although the expression on his face did not change much, he did not continue to beat up Tang Yuansi.

His gaze followed Shangxin’s line of sight. He only glanced at Little Tang Bao before his gaze finally landed on Xiao Liuliu.

His eyes lit up!

Chapter 2059: The rest of my life is long. I am lucky to have you! (7)

Shang lingsi quickly let go of Tang Yuansi and stood up. He walked forward and pointed at Xiao Liuliu in surprise.

“This is also my granddaughter?”

Shangxin:”...”

The corner of Tang Yuansi’s mouth twitched slightly.”...”

He knew that this would be the case.

If Shangxin had given birth to a daughter, he would have carried the child to visit his father-in-law happily.

However, he had given birth to a son.

What did it mean to have a son?

In the eyes of his father-in-law, it could not offset the anger of his beloved daughter being taken away.

The best outcome would be to be beaten up like today..

He would definitely not be able to get a wife.

Tang Yuansi had initially wanted to risk having a second child and try his best to give birth to a daughter before returning to visit his father-in-law. He did not expect Shang lingsi to receive the news so quickly and come knocking on his door..

At this moment, he had even set his sights on Xiao Liuliu.

Tang Yuansi pursed his lips with difficulty and chose a very safe answer.

“Xiao Liuliu is my goddaughter. You can also be considered to be my godgrandfather.”

“You only did it?”Shang lingsi raised his eyebrows in dissatisfaction.

When he heard that Xiao Liuliu was not his granddaughter, he was about to return and beat up Tang Yuansi again.

Shangxin rushed forward to stop him and pointed at the neglected little Tang Bao in Xiao Liuliu's arms.

"Dad, this is my son, your biological grandson!"

"I saw him. He still looks like Tang Yuansi and doesn't look like me at all. I think he will only anger me to death when he grows up." Shang lingsi glanced at him indifferently and said unhappily.

He pulled Shangxin and walked out.

"Go back with Dad. I can't rely on Tang Yuansi. Dad will find you a better one."

"Daddy..."

Shangxin turned pale with fright. She did not expect Shang lingsi to be so angry and was dragged along passively.

When Tang Yuansi saw that his daughter-in-law was going to be gone, he hurriedly got up from the ground.

However, if Shang lingsi really wanted to bring his daughter along, who would dare to stop him?

"Wah –"

Little Tang Bao, who had been ignored all this while, seemed to know that he was being despised by his grandfather and that he was going to lose his mother. He burst into tears.

"Little Tang Bao..."

Shangxin's heart skipped a beat as she struggled to break free from Shang Lingsi's shackles. She ran back to the sofa and picked up little tang Bao from Xiao Liuliu's arms.

"Mommy Is Here, Don't cry, Don't Cry."

When Shang lingsi heard the pitiful cries of the little fellow, he stopped in his tracks and turned around to look back.

Shangxin quickly carried Little Tang Bao forward.

"Dad, I really want to be together with brother Xiaosi. Seeing that Little Tang Bao is still so young, do you have the heart to separate us?"

"..." Shang Lingsi didn't say anything. He lowered his gaze and stared at the little guy in her arms.

Shangxin knew that he still cared about his grandson, so she quickly stuffed little tang Bao into Shang Lingsi's arms.

"Dad, look carefully. Actually, Little Tang Bao looks very much like me. Look at his eyes, his little mouth... doesn't he look like me? If he looks like me, then he looks like you, Dad."

When Shang lingsi heard that his grandson looked like him, he couldn't help but take another look at him.

After thinking about it carefully, it did look a little similar.

Shang lingsi weighed the little fellow in his hand. Just as he was about to say something, he saw the little fellow, who was still teary-eyed just a second ago, suddenly grin and smile at him.

Shang lingsi's chest trembled."..."

Having lived for more than half his life, what kind of person had he not seen before? He was stunned by the Smile of a baby.

After a long while, he regained his senses.

In his daze, something was tugging at him.

Shang lingsi turned his head and saw a pretty little girl grabbing his trouser leg. She blinked her big eyes and asked him defensively.

"Do you like Little Brother Too? But Uncle Tang has already agreed to give little brother to Little Liuliu."

Chapter 2060: The rest of my life is long. I am lucky to have you! (8)

Standing in front of the tall Shang lingsi, her small body looked even smaller.

With her soft and small appearance, Shang lingsi could flatten her with one hand.

But her eyes were really good-looking. Not only was she good-looking, but her eyes were shining with determination, as if she was willing to sacrifice herself for her little brother. She did not look like a child at all.

Shang Lingsi's heart skipped a beat. He carried Little Tang Bao and squatted down to look at her.

"Your name is Xiao Liuliu?"

He liked this little girl the moment he laid eyes on her.

Not only was she pretty, but she was not afraid even when she saw him beating up Tang Yuansi. Instead, she protected Little Tang Bao in her arms like a little adult.

Her courage and boldness were in line with the style of the Shang family.

At first, he thought that she was his granddaughter, but he was happy for nothing.

But now, it seemed that she might not be someone from the Shang family.

It seemed like she had taken a fancy to his grandson..

"My name is Yu Liuliu, and my nickname is Xiao Liuliu."Xiao Liuliu introduced herself politely.

She was neither servile nor overbearing, but she looked a little cute. Shang lingsi was stunned when he saw her.

This little glutinous rice ball was as cute as his Xin 'ER when she was young!

If he could give him such a cute granddaughter, it was not impossible for him to agree to Tang Yuansi and Xin 'ER's marriage.

It was a pity..

“Uncle Shang, Xiao Liuliu likes Little Tang Bao very much. I have already decided to let them arrange a baby marriage. Xiao Liuliu has also agreed to it herself!”

At the crucial moment, Tang Yuansi risked his last shred of hope and walked over to Shang Lingsi’s side as he spoke.

Even if he did not have a granddaughter, how could he not have a granddaughter-in-law?

His granddaughter would still have to worry about her being abducted by others in the future, but his granddaughter-in-law was different. She would definitely stay at his house.

In this way, his granddaughter-in-law had a greater advantage.

When Tang Yuansi saw that Shang lingsi seemed to like Xiao Liuliu very much, he hurriedly held Xiao Liuliu’s hand and waved her in front of him.

“Xiao Liuliu, this is my younger brother’s grandfather. Do You Know What Your Name Is?”

“I know.”

Xiao Liuliu raised her small head. There was a smile on her pink little face as she called out sweetly.

“Grandfather!”

“...”

Her childish words of ‘grandfather’ made Shang Lingsi’s heart melt.

Tang Yuansi’s analysis made sense.

It was not a loss for him to have such an adorable granddaughter-in-law without a granddaughter.

What did she say her name was?

Yu Liuliu, Xiao Liuliu..

Even her name was so cute. She must have grown up with cuteness.

Shang lingsi narrowed his eyes and tried his best to look calm. He opened his thin lips slightly.

“Have you named my grandson?”

“Not yet,” Shangxin replied.

Tang yuansi knew that Shang lingsi would not ask about this for no reason, so he added with great discernment.

“Xin ‘er and I both feel that you should be the one to name the child.”

Tang Yuansi’s words were exactly what Shang lingsi wanted.

He lowered his eyes and pondered for a moment before he spoke.

“Tang Qianqi, take the meaning of the son of the qilin. Also, don’t call Little Tang Bao anymore. Your nickname Will Be Qiqi.”

Qiqi, wasn’t the homonym ??

It just so happened that it matched with Liuliu.

Tang Yuansi instantly understood Shang Lingsi’s thoughts.

Even though Shangxin did not understand why Shang Lingsi wanted to change little Tang Bao’s nickname, when she saw that Shang Lingsi did not seem to be angry with Tang Yuansi anymore, she walked forward happily and teased the little guy in his arms.

“Little Qi, you have a name now. Are You Happy?”

“PFFT...”

Even though the little guy could not speak, he seemed to like this name very much as he replied Shangxin while puffing out milk bubbles.
