

My Life 2061

**Chapter 2061: The rest of my life is long. I am lucky to have you! (9)**

“Xiao Liuliu, little brother will be called Xiao Qiqi from now on, do you like it?”

Shang lingsi bent down and handed little Tang Bao to Xiao Liuliu, asking.

Xiao Liuliu did not understand what a QIQI was, but she understood qi (77) .

She nodded like she was pounding garlic.

“I like it! Little Brother’s name is as good as Xiao Liuliu’s!”

She was Liuliu and her little brother was Qiqi. She liked this name!

“Alright, it’s good that you like it!”

Shang lingsi’s gaze was dotting. When he saw that she was carefully hugging her little brother, he narrowed his eyes in satisfaction.

They were childhood sweethearts and there were no guesses between the two of them.

They could get engaged when they reached adulthood.

The earlier they could get their hands on Xiao Liuliu, the more trouble they would have in the future.

Shang lingsi seemed to have thought of something. He looked at Tang Yuansi and asked, “Who are Xiao Liuliu’s parents? Have they agreed to the marriage of their two children?”

Before Tang Yuansi could reply, Yu Yuehan, who could not bear to listen any longer, immediately stepped forward. He pulled Xiao Tangbao out of Xiao Liuliu’s arms and stuffed him into Tang Yuansi’s arms. Then, he carried Xiao Liuliu and retreated.

In the blink of an eye, Xiao Liuliu was carried to the furthest spot from Xiao Tangbao.

He answered without hesitation.

“I disagree!”

Yu Yuehan held Xiao Liuliu with one hand and held Nian Xiaomu’s hand with the other. After saying these words, he turned around and was about to leave.

It was not wise to stay here for long.

It was better to leave as soon as possible!

When Tang Yuansi saw that Yu Yuehan was about to leave, he pounced forward without a word and hugged Yu Yuehan’s thigh tightly.

“Brother, whether I can convince father-in-law today and successfully get married depends on you... No, it depends on Xiao Liuliu! You Can’t just stand by and watch her die!”

“Let Go! Even if you die in front of me now, you can’t expect me to agree to this marriage! My Daughter is still so young, are you even human? !”Yu Yuehan raised his leg and was about to kick Tang Yuansi.

Tang yuansi dodged in a flash, but he still did not let go of the arm that was hugging him.

He had already made up his mind and would not let go even if he died.

“It’s not like you can’t tell that Xiao Liuliu likes Little Tang Bao. If it’s just a relationship between siblings, what are you afraid of? Can’t you pretend to agree first and make my father-in-law happy? We can discuss the future again... we can discuss it slowly!”

Yu Yuehan replied, “There’s no room for discussion!”

Seeing that he could not deal with Yu Yuehan, Tang Yuansi turned to look at Nian Xiaomu.

Compared to Yu Yuehan, who was a daughter-obsessed person, Nian Xiaomu was obviously easier to convince.

Furthermore, Nian Xiaomu had always liked little tang bao.

Just as Tang Yuansi was about to speak, Yu Yuehan had already covered his face and turned around to emphasize to Nian Xiaomu.

“If you dare to agree to him, I will be angered to death!”

Nian Xiaomu:”...”

Tang yuansi said, “Don’t believe him. He won’t die. You can still have a handsome, smart, and intelligent son-in-law. Didn’t Xiao Liuliu like Little Tang Bao very much and want to bring him home to raise? As long as you agree to the marriage of the two children, Little Tang Bao... No, Xiao Qiqi can be sent to the Yu family Villa Now! Immediately! Immediately! ! ! !”

Yu Yuehan could not take it anymore and kicked Tang yuansi away. “Nian Xiaomu, I am about to die from anger right now!”

Tang yuansi crawled back with determination and said, “He won’t die. If he has the ability, I will let him die for you to see!”

Nian Xiaomu:”...”

When she saw the two men hugging each other, she reached out and hugged the dumbfounded Xiao Liuliu from Yu Yuehan’s arms. Then, she took a few steps back.

With her big belly, she could not hold Xiao Liuliu for too long, so she turned around and placed her on the sofa.

She caressed her little face gently and asked very democratically, “Xiao Liuliu, do you like Qiqi?”.

“Xiao Liuliu, do you like Qiqi?”

## **Chapter 2062: The rest of my life is long. I am lucky to have you! (10)**

“I Like It!”

Xiao Liuliu nodded her head and replied without any hesitation.

After a pause, she added another sentence.

“Qi Qi is good-looking, Xiao Liuliu likes it, fan fan is good-looking too, Xiao Liuliu likes it too...”

In short, Xiao Liuliu liked all the good-looking ones.

“I also like the little brother in Mommy’s stomach.”

Xiao Liuliu rubbed nian Xiaomu’s belly with her small hands and smiled widely.

“...”

Nian Xiaomu was stunned by her answer and could not reply for a long time.

Fan Fan, on the other hand, broke free from fan Yu’s hand. He walked straight to Xiao Liuliu and stroked her head lovingly.

“I like Xiao Liuliu too.”

“...”

Nian Xiaomu really did not expect such an outcome.

Before she could ask Xiao Liuliu for her feelings, she had already asked Xiao Tangbao for a love rival.

This love rival was from the fan family.

Nian Xiaomu was caught in a dilemma.

Xiao Liuliu did not feel troubled at all. She held fan fan with one hand and touched Nian Xiaomu’s stomach with the other.

“Xiao Liuliu is rich and can raise many little brothers. Raising a little brother is also possible.”

“...”

The air seemed to freeze at this moment.

They had only guessed the beginning and not the ending.

Tang yuansi slid off Yu Yuehan’s body and fell onto the ground.

He looked at Xiao Liuliu who was standing in front of him in disbelief.

Was the cute little girl so trendy now?

If his son really liked Xiao Liuliu, he would probably drown in jealousy in the future..

“Hahaha!”

Amidst the shock, Shang lingsi suddenly laughed out loud.

He walked forward and bent down to pick up Xiao Liuliu.

“Good, as expected of the granddaughter-in-law that I have set my eyes on. She has great ambitions!

“Alright, since Qi Qi is not the only person that you like, then there is no need to settle the marriage so

early. When all of you have grown up, I want to see who will be able to take down this mischievous little girl!”

Hearing this, everyone present heaved a sigh of relief.

The happiest person was none other than Tang Yuansi, who immediately got up from the ground.

He chimed in ingratiatingly.

“Uncle Shang is right. The children are all young and probably still don’t understand the situation. When they have grown up, Qiqi will definitely not let you down!”

“...”

Shang lingsi glanced at him and did not say a word.

He carried Xiao Liulu and sat on the sofa with the dignity of a patriarch.

“Since qiqi is not in a hurry to get married, then your marriage with Xin ‘er...”

“It’s very urgent!”

Tang Yuansi rushed forward and opened his mouth nervously.

He was afraid that Shang lingsi would forcefully take shangxin away again if he was too late.

“Uncle Shang, I have had feelings for Xin ‘er since I was young. You should know that I have liked her for many years, even earlier than she liked me. It is only because of my body... I have never dared to get close to her and was unwilling to accept her feelings. I was afraid that I would not be able to take good care of her. Even now, I will always think about how afraid she would be if I were to leave earlier than her and leave her to face this world alone.”

As Tang Yuansi spoke, the light in the depths of his eyes dimmed and a hint of solemnity appeared.

He enunciated each word clearly.

“Until the moment when Qi Qi was born and heard his cries, I suddenly understood that the meaning of life does not lie in length. Instead, it lies in whether we have lived up to our expectations while we were still alive. If you ask me what regrets I still have in my life, I will tell you with certainty that I did not give her a grand wedding to announce to the entire world that I love her!”

### **Chapter 2063: The rest of my life is long. I am lucky to have you! (11)**

Tang Yuansi’s words moved everyone.

Shangxin’s eyes were red as she walked up to him and wrapped her arms around his waist.

Tang Yuansi did not say anything and only hugged her tightly.

He whispered an apology into her ear.

If she had not chosen him, her life would have been very easy.

In the end, she had to endure more and face more because of him..

However, Tang Yuansi was no longer that reckless and self-abased young man. He was now a young father. He understood that the real responsibility was not to push away the person he loved.

Instead, no matter what happened, as long as he was still alive, he would protect her with all his might and give her the happiness she wanted.

As long as she was happy, he would be happy.

“You are useless. All he did was say a few nice words and you are already so touched. What did Father Teach You back then?”

Shang lingsi opened his mouth in disappointment.

Although he did not approve of Tang Yuansi, there were some changes in his gaze.

The anger in his eyes was much less than when he first came in.

When Tang Yuansi heard Shang Lingsi’s intention to relent, he quickly pulled Shangxin along and knelt in front of him.

“Uncle Shang, I can promise you that as long as you agree to let Xin ‘er marry me, I will definitely treat her well in the future. If you can’t do it, you can kill her or cut her up as you wish!”

“Father, even if you don’t like Brother Xiaosi, it’s for the sake of qiqi. He’s still so young, you can’t not have a biological father.”

Shangxin pleaded on his behalf.

Seeing that Shang lingsi still did not agree, Yu Yuehan could not help but open his mouth.

“I remember that Qiqi has not registered yet, right? “If we delay any longer, when the news spreads, qiqi will really have to carry the title of illegitimate child for the rest of his life. Even if President Shang doesn’t feel sorry for Tang Yuansi, he should feel sorry for his own biological grandson.”

Hearing his words, Shang lingsi furrowed his brows.

On the other hand, Tang Yuansi was so nervous that he broke out in a cold sweat.

Yu Yuehan was lying through his teeth. Although he did not hold a wedding with Shangxin, he had secretly taken the household register and registered it a long time ago.

Qiqi’s birth was legal, and the Household Register had also been registered in the morning.

There was no such thing as an illegitimate child.

However, Tang Yuansi did not dare to bring up the fact that he had secretly gotten Shangxin’s marriage certificate with him.

Fan Yu, who had been silent all this while, opened his mouth as well.

“Young Master Han’s words are not without reason. Actually, President Shang, if you think about it from another perspective, your daughter will eventually get married when she grows up. Wouldn’t it be better to marry someone who knows you well and respects you? “Furthermore, they are in love with

each other. Feifei and I are planning to get married next month. If president Shang allows it, the wedding of both families can be held together. Good things come in pairs.”

Tang Yuansi was so touched that he was on the verge of tears when he heard Yu Yuehan and Fan Yu pleading on his behalf.

They would be brothers for the rest of their lives.

Even though they were just plastic brothers, they did not drop the ball at the crucial moment.

These few words were spoken very conscientiously!

Tang Yuansi struck while the iron was hot. “Uncle Shang, I am true to Xiner. I will never marry another woman in my life except for her!”

“Daddy...”

Shangxin followed suit and moved closer to Shang Lingsi’s side. She held onto his arm and acted coquettishly.

Out of the corner of her eye, she caught a glimpse of Xiao Liuliu. She seemed to have thought of something and whispered something into Shang Lingsi’s ear.

A glint flashed across Shang Lingsi’s eyes.

He stood up from the sofa in surprise.

“You didn’t lie to Daddy?”

“...”Shangxin nodded her head with a red face.

Shang Lingsi immediately laughed happily, “That’s settled then. I’ll go back and get someone to prepare your wedding now. You two will get married next month!”

#### **Chapter 2064: The rest of my life is long. I am lucky to have you! (12)**

Shang Lingsi left just like that.

He came and went like the wind.

This left a group of people who were confused and looked at Shangxin in confusion, wanting to know what she had said to Shang Lingsi just now.

Why was Shang Lingsi not willing to let go of Shangxin just a second ago? Why did he go to prepare for the wedding in such a jubilant manner the next second.

Only Tang Yuansi did not ask anything at all. He rushed up to Shangxin happily, carried her up horizontally, and spun around in excitement.

“Xin ‘er, we are getting married. We can finally get married!”

“Put me down first. My Head is spinning...”

Shangxin was disgusted, but she still hugged Tang Yuansi’s neck tightly and laughed out loud happily.

Yes, they were finally getting married.

She had been waiting for this day for a long time.

"I'm sorry. It might not be good for me to interrupt your celebration at this time, but I'm really curious. President Shang has suddenly changed his mind. There won't be any changes to the marriage, right?"

Fan Yu asked worriedly.

He had originally hoped that Tang Yuansi would be his best man. Now, it would be good for them to get married together.

They were both the groom and the best man. It was perfect.

The only thing that he had to worry about was whether Shang lingsi would go back on his word at the last minute..

"My father is a man of his word. He won't." Shangxin got down from Tang Yuansi's embrace and smiled slyly.

It was obvious that there was something fishy going on.

This time, it wasn't just fan Yu who was curious. Yu Yuehan and Nian Xiaomu also strolled forward.

Shangxin scratched her head and looked down in embarrassment.

"Actually, it's nothing much. I just lied to my father and told him that I was pregnant. It's very likely that this child will be a daughter..."

Shangxin felt so guilty that she could not continue speaking.

The few people around them had different expressions on their faces and gasped at the same time.

This method was simply too..

"But you can't hide the truth. If your belly doesn't get bigger after you get married, your father will definitely notice," Qiao Yuanfei reminded her.

Shangxin nodded her head. She had thought about this too.

However, she had no choice in the situation just now.

If it really didn't work out, she would work hard with Tang Yuansi after they got married.

It would be best if they could conceive a second child. If they really couldn't..

When Shangxin thought of this, she raised her head and looked at Tang Yuansi sympathetically. Then, she touched his swollen face that had been beaten up.

"Brother Xiaosi, you might have to get beaten up again."

Tang Yuansi:"..."

- ..

They left the Tang family's villa.

Fan Yu was not in a hurry to bring Qiao Yuanfei and fan fan back to his villa. Instead, he went to the Qiao family's villa.

The arrangements for the wedding had already been made.

With grandfather fan personally supervising it, Fan Yu did not have to worry about anything.

What he needed to do now was to go to the Qiao family's villa and move Qiao Yuanfei's things to his place.

There were some unfinished matters that needed to be dealt with..

"Swish –"the car stopped in front of the Qiao family's villa.

Fan Yu was the first to get out of the car. He went around to the back seat of the car and opened the car door for Qiao Yuanfei.

He carried fan fan out of her arms first. He held the child with one hand and held the car door with the other. When Qiao Yuanfei came out, he immediately held her hand affectionately.

The family of three entered the Qiao family's villa.

The person who opened the door was the butler.

When he saw that it was fan yu who had brought Qiao Yuanfei back, he hurriedly went in to report.

Very quickly, the rest of the Qiao family gathered in the living room.

After the shocking education from last time, there was no longer anyone in the Qiao family who did not know the relationship between fan Yu and Qiao Yuanfei.

And Fan Fan..

That exquisite little face and the appearance of a little gentleman, they were exactly the same as fan Yu.

Just by standing there, one could see the temperament of a young master.

The Qiao family had always been afraid of Qiao Yuanfei. Now that Qiao Yuanfei had brought fan Yu to their house, they immediately felt as if they were facing a great enemy.

### **Chapter 2065: The rest of my life is long. I am lucky to have you! (13)**

In the end, no one looked at them at all. Fan Yu carried the child and led his wife straight upstairs.

"If you can't bear to leave this place, I'll have someone clear out this villa and keep it as it is for you."

Fan Yu sized up Qiao Yuanfei's room and opened his mouth faintly.

When Qiao Yuanfei's parents passed away, she was still too young. There were many things that she couldn't keep at all.

Other than the Qiao Corporation, this villa was the only thing that her parents had left behind.

After they got married, they would definitely not stay here. However, if Qiao Yuanfei could not bear to leave, it would not be difficult for fan Yu to keep a villa as her family home.

“There’s no need. There’s only one thing that I want to take away.”

Qiao yuanfei walked to her bedside table and took out the family portrait that Fan Yu had asked someone to restore for her. She carefully wrapped it up and put it into her bag.

She raised her head and looked around.

It was as if she was saying goodbye to this place that she had lived in for many years.

“In a few days, I will accompany you to offer incense to uncle and Aunt Qiao. Tell them that we are going to get married.”

Fan Yu walked to her side and took the bag for her considerately. His thin lips parted slightly.

Qiao yuanfei raised her head and looked at him in surprise.

Fan Yu raised his eyebrows slightly and frowned unhappily.

“Haven’t you thought about it? We’re about to get married. The sooner we meet the parents, the sooner this matter will be settled.”

Actually, Fan Yu did not want to wait even a day.

But if he wanted to marry Qiao Yuanfei’s daughter, he could not go to meet the parents empty-handed.

Some things still needed time to prepare.

A faint light flashed across fan Yu’s eyes..

They only stayed in the Qiao family’s villa for a short while.

After making sure that Qiao Yuanfei did not have anything she wanted to bring, fan Yu immediately brought the mother and son away.

Leaving behind a group of people waiting in the living room of the villa, they watched nervously as they came and left.

They looked at each other.

Xie Yun was the first to lose his cool. “Hubby, do you think Qiao Yuanfei will let us off?”

Qiao Fangfeng was clearly worried about this matter as well.

Although they had done everything cleanly back then, they had left almost no evidence behind.

After so much time had passed, if Qiao Yuanfei had any evidence, she would have already called the police to arrest them. There was no need for them to put in so much effort to fight for the management rights of the company.

“Just to be on the safe side, let’s go abroad for a period of time to lay low for a while.”

As soon as Qiao Fangfeng spoke, Xie Yun immediately got up and went to pack her luggage.

She did not bring anything with her, only some valuable things.

“Mom, why are we leaving? If we leave now, wouldn’t it be obvious that we’re giving up our home to Qiao Yuanfei? I’m not leaving!”

Qiao Yuanxi lay on the sofa and crossed her arms as she said unhappily.

The Fan Corporation had officially announced the news of Fan Yu’s upcoming marriage.

The outside world was frantically guessing which lucky person would eventually become the young mistress of the fan family.

Without the official explanation, the media started to come up with ideas and made up a list of all the people who had interacted with fan Yu.

The one with the most support was naturally Qiao yuanfei, whom Fan Yu had personally defended.

There were even people who guessed that the wedding was held in such a hurry because Qiao Yuanfei was already pregnant.

The two of them were married with a child..

Qiao Yuanxi looked at the report on his phone and was so jealous that he was about to go crazy.

He refused to leave no matter what he said.

“Are you stupid? When did you expect to replace her? When fan Yu really gets married to Qiao Yuanfei, he will definitely avenge Qiao Yuanfei and you will be the first one to be dealt with! “If you don’t leave, if you don’t leave, you can stay here and wait for your death!”

#### **Chapter 2066: The rest of my life is long. I am lucky to have you! (14)**

Xie Yun was so angry that she threw down her luggage and went up to pinch her ears.

“Your father and I are so smart, how could we have given birth to you two idiots? You can’t even compare to Qiao Yuanfei with a single finger, yet you still dare to say that you want to compete with others and fight to the death? !”

“Mom...”

Qiao Yuanxi cried out in pain. She struggled free from Xie Yun’s hand and hid in Qiao Yuanchuan’s embrace.

Xie Yun glared at the siblings and cursed loudly.

“You’re not leaving, are you? If you’re not leaving, then stay here and wait for Death!”

Hearing this, Qiao Yuanchuan and Qiao Yuanxi looked at each other. They seemed to have sensed the seriousness of the matter and hurriedly stood up from the sofa and went upstairs to pack their luggage.

The family of four left the Qiao family’s house silently without alerting anyone..

—

Fan Yu's private villa.

Qiao Yuanfei was helping fan fan clean up his room.

They were going to live here from now on. Adults could choose not to be particular about their belongings, but the children's room still needed to be carefully decorated.

This was Fan Yu's idea.

When Qiao Yuanfei first heard this, she was so moved that tears welled up in her eyes.

In the next second, when she heard fan yu say, "Decorate fan fan fan's room better so that he has a reason to lie to himself to sleep every day," Qiao Yuanfei was instantly moved.

Young master fan, do you still remember that your character is as gentle as jade?

No matter how you look at it now, you look like a wolf with a big tail..

Qiao Yuanfei was pulled by fan fan to decorate the room. Fan Yu leaned against the door frame and watched the mother and son tidy up for a while. When he saw that Qiao Yuanfei's attention was not on him at all, he turned around and left quietly.

He strolled into the study room.

The assistant was already waiting inside.

When he saw fan Yu enter, he immediately reported.

"Young master fan, I just received news that Qiao Fangfeng and Xie Yun are planning to bring their children abroad. They are already on their way to the airport!"

"Oh, their reactions are really quick."

Fan Yu seemed to have expected it. He calmly walked to the desk and pulled out a chair to sit down.

It was said that he had a guilty conscience.

Although Qiao Fangfeng did not admit to what he had done in front of Qiao Yuanfei, when he heard the news of the marriage announced by the Fan Corporation, he immediately panicked.

He wanted to run away just like that..

"Young master fan, looking at the country they chose, they should be guarding against us. If we really let them leave, it will be difficult to find them in the future. Should we stop them now?" The assistant asked worriedly.

Qiao Fangfeng was not a kind person.

People who did bad things would usually leave themselves a way out.

If they really let him escape, there would be endless trouble in the future.

"We have to catch them, but I'm not the one catching them."

Fan Yu reached out to pull out a document from the bookshelf and threw it in front of the assistant.

He opened his mouth faintly.

“Get someone to keep an eye on Qiao Fangfeng and send this document to the police station before he leaves the country.”

Qiao Yuanfei’s parents had died in an accident that year, and everyone suspected that there was something fishy going on.

However, Qiao Fangfeng was the one who had represented the Qiao family to deal with the accident at that time.

He was the one who had done it, so why would he leave any evidence against him?

In addition, so much time had passed. Regardless of whether it was fan Yu or Qiao yuanfei, it would be difficult for them to investigate the incident from that year and reopen the case from that year.

However, it would be different if it was Yu Yuehan..

This was City H.

The territory of the Yu family.

If Qiao Fangfeng was really innocent, he would have nothing to say. However, if he wasn’t, Yu Yuehan would be able to find out how he had hidden the truth back then.

The results of the investigation in Fan Yu’s hands were the wedding gift that Yu Yuehan had given him and Qiao Yuanfei in advance.

### **Chapter 2067: The rest of my life is long. I am lucky to have you! (15)**

With sufficient evidence to prove that the accident at that time was intentional murder, the investigation could be reopened.

When this information was sent to the police station, what was waiting for Qiao Fangfeng and Xie Yun at the airport was not to escape, but the police!

“Does Miss Qiao need to be informed?”The assistant asked uncertainly.

Fan Yu’s eyes narrowed, and his thin lips parted slightly. “There’s no need for that. I’ll tell her after we’ve investigated the matter.”

Their wedding was coming up, and he did not want anything to affect her mood.

From now on, he would shoulder all the hardships for her.

She only needed to take good care of herself and fan fan, and leave everything else to him.

“Yes.”

The assistant took the documents and quickly left the study.

Not long after, the butler arrived.

He knocked on the door and came in. When he saw fan Yu sitting in front of the desk, he went forward to report.

“Young master fan, the old CEO asked someone to send the wedding dress and wedding dress over by air. He said that he wants you to try out a sample so that the designer can remake it according to your size.”

“Where’s the young madam?”

Fan Yu stood up, closed the documents and placed them on the bookshelf. At the same time, he asked. The wedding had yet to take place, and Fan Yu could not wait to get everyone in his villa to change the way they addressed him.

The young mistress was asking about Qiao Yuanyuan.

Without waiting for the butler to answer, he thought that Qiao Yuanyuan should still be helping fan fan arrange the room, so he opened his mouth.

“You go and make the arrangements first, I’ll go and call her myself.”

Then, he walked past the butler and walked towards the children’s room on the second floor.

After entering the room, he scanned the room.

The room was already set up. Fan Fan’s handsome figure was lying on the custom-made bed that he liked and he was sleeping soundly.

However, he did not see Qiao Yuanfei..

Where did she go?

Fan Yu frowned slightly and turned around to search the bedroom.

Finally, he found the living room.

He searched the entire villa but he did not see Qiao Yuanfei.

Finally, she could not hold it in anymore and asked the butler.

“Qiao Yuanfei went out?”

“This... I don’t know...”the Butler was also at a loss.

Fan Yu was about to make a phone call when a guard who came in to deliver the things said in a low voice.

“Young madam just left not long ago. When she left, she was still on the phone. I think she went to work.”

Fan Yu asked, “What did you say?”

They had set a wedding date. It was the first day they were officially living together, yet she was still in the mood to go to work?

“When I opened the door for young mistress, I thought I heard her asking her secretary to help her make an appointment. It was someone with the surname Zhuo. I didn’t hear his name clearly,”the guard added.

To Fan Yu, this was a huge blow.

Someone with the surname Zhuo. Other than Zhuo Liye, fan Yu could not think of another person with the surname Zhuo!

Why hasn’t Zhuo Liye left yet? !

Fan Yu could not hear anything else. All he could think of was why Qiao Yuanfei had asked Zhuo Liye to meet her at this moment.

Could it be that she was regretting it and wanted Zhuo Liye to elope with her?

No, if they were really going to elope, why did they have to meet at the company?

Furthermore, Fan Fan was still at home.

Fan Yu could remain calm whenever Qiao Yuanfei wanted to meet anyone except for Zhuo Liye.

He was the only other man that Qiao Yuanfei could trust.

Even fan fan knew that Uncle Zhuo liked his mother. How could he be at ease when such a person appeared at such a sensitive time?

“Prepare the car, I’m going out.”Fan Yu opened his mouth without hesitation.

“Young master fan, The Wedding List will be sent to you one after another. You need to take a look at it. If you go out at this time...”the Butler was anxious.

Before he could finish his sentence, Fan Yu had already walked past him and left the living room.

The Butler immediately shouted anxiously.

“Young master fan, at least tell me where you are going!”

“Catching adulterers –”

### **Chapter 2068: The rest of my life is long. I am lucky to have you! (16)**

Fan Yu said this and quickly left his villa.

On the way, he called Qiao Yuanfei twice, but no one picked up.

They were about to get married, but she didn’t pick up his call.

Could it be that she really changed her mind at the last minute and wanted to elope with Zhuo Liye?

Fan Yu’s heart suddenly panicked.

He stepped on the accelerator and the car rushed out like an arrow leaving the bow.

–

Qiao enterprise.

Qiao Yuanfei received a call from her assistant and rushed back to sign a document.

She closed the document and handed it to her assistant.

"I'm here today because I have another matter for you to arrange. The request is all here. Please hurry up..."

Before Qiao Yuanfei could finish her sentence, her secretary had already knocked on the door.

"President Qiao, President Zhuo is here. He's waiting for you in the reception room."

"I understand."

Qiao Yuanfei raised her head and responded. She then looked at her assistant. "Go and look for him according to the instructions from the higher-ups. If you have any problems, feel free to contact me."

The assistant took the documents and left the president's office.

Qiao Yuanfei simply tidied up the things on her desk and walked towards the reception room.

In the spacious reception room.

A set of dark gray leather sofa was placed on the table.

At this moment, there was a cup of coffee on the table.

A faint steam was rising from the mouth of the cup.

It carried a strong coffee aroma.

Zhuo liye leaned against the sofa with his legs crossed and his arms supporting his head lazily.

When he heard the footsteps, he raised his eyes to take a look and a hint of a smile appeared in his eyes.

"Are you done?"

"Yes, I've almost finished the things I need to deal with. I called you here because I want to talk to you about what I have on you..."

"Fay, have you really thought about it?" Zhuo liye suddenly interrupted her and asked abruptly.

Qiao Yuanfei was stunned and raised her eyebrows to look at him in confusion.

Zhuo liye reached out to pull his tie, stood up from the sofa, and walked towards Qiao Yuanfei.

He grabbed her shoulders and pulled her towards him.

He lowered his eyes and stared at her.

He asked unwillingly.

"Is the news of the marriage announced by the Fan Corporation True? Are you really going to marry Fan Yu?"

“Yes.”

Qiao Yuanfei did not expect him to ask this. She returned to her senses and nodded her head honestly.

“I like Fan Yu. The person I have always liked is him. I just don’t have the courage to admit it. Every time I come into contact with him after returning to the country, I will remind myself that he doesn’t like me... but I still can’t help but want to get close to him.”

Qiao Yuanfei licked her lips and looked at Zhuo Liye seriously.

There were some things that could be hurtful to say now.

But if she didn’t say it now, it would be unfair to Zhuo Liye.

“I’m very sorry that I didn’t tell you earlier that I have someone I like. I always thought that you only treated me as a friend, so i . . . Thank you for helping me hide my identity all these years and for loving fan fan.”

Other than apologizing, Qiao Yuanfei did not know what else to say.

Her apologetic gaze gradually cleared Zhuo Liye’s mind.

Realizing what he was doing, Zhuo Liye quickly let go of her and took a step back.

He rubbed his face tiredly.

“I’m the one who should be apologizing. You’ve helped me earn a lot of money all these years. The Zhuo family’s rapid development in the Financial Street is all thanks to you. I was the one who lost my composure just now.”

Zhuo Liye was a person who could take things as they came.

He was certain that the other party did not have him in his heart, and he did not allow himself to be unreasonable.

His gaze swept across the document in Qiao Yuanfei’s hand, and the corners of his mouth curled into a bitter smile.

“You asked me to come here today, do you want to do a cut with me?”

Zhuo Liye had already guessed what the document in her hand was.

The light in his eyes dimmed little by little.

“It’s not a cut, I just want to hand over the project that the Zhuo family is carrying out in my hands. You have so many financial experts under you, even without me, there won’t be any big problems.”

Seeing that he had brought up serious matters, Qiao Yuanfei took the document and sat on the sofa.

She started the project in front of Zhuo Liye.

The Zhuo family had developed so rapidly in the financial street these few years. It was inevitable that Zhuo Liye had his own unique vision.

But if one were to say that his most unique vision was the first time he saw Qiao Yuanfei's talent in the financial field and immediately took it for his own use.

All these years, the projects that Qiao Yuanfei had handled were all the most profitable projects in the Zhuo family.

Such a genius trader, in both public and private, Zhuo Liye could not bear to give it up to Fan Yu.

But the person in her heart was not him..

Zhuo liye narrowed his eyes and ultimately chose to let go.

He picked up a pen and signed the document that Qiao yuanfei had brought over.

"If there is anything that you need me to do in the future, I will still be your right-hand man." Qiao Yuanfei took the document that Zhuo Liye had signed and said gratefully.

Hearing this, Zhuo Liye's eyes flashed with a trace of emotion.

He nodded.

"If fan Yu bullies you in the future, just tell me. Your parents are no longer around, but you still have me, your brother. I will help you settle the score with Fan Yu!"

"Thank you."

Qiao Yuanfei's eyes reddened slightly. She knew that he had really let go, and the heavy burden in her heart also disappeared.

She had lost her parents at a very young age.

Her uncle and aunt had ulterior motives. She was almost like an orphan.

In all these years abroad, Zhuo Liye was the first person to appreciate her and give her warmth.

To a certain extent, Qiao Yuanfei had already regarded him as family.

The person she was most unwilling to hurt was Zhuo Liye.

"Silly."

You deserve the best.

Zhuo Liye looked at her with a profound gaze. He did not say these words out loud, but only gently opened his arms.

"You handed all your work over to me at the last minute. I'm afraid that I won't be able to wait until your wedding and will have to go back first. Do you want to give me a farewell hug?"

"..."

Qiao Yuanfei was stunned for a moment. Then, with tears in her eyes, she allowed Zhuo Liye to hug her.

His embrace was very warm, bringing with it his usual calmness and doting.

He opened his mouth to exhort her.

“Take good care of yourself and fan fan. When you have time, bring the little one to visit me.”

“Yes, yes...”

Qiao yuanfei raised her head and tried her best to hold back her tears. They were still like broken beads that kept falling down.

She hurriedly reached out to wipe them off. Just as she was about to get out of Zhuo Liye’s embrace, a muffled sound of a door being kicked came from behind.

Immediately after, a cold shout was heard.

“What are you doing?”

It was an extremely familiar voice.

Qiao Yuanfei’s sluggish mind was still the first to recognize that the owner of the voice was Fan Yu.

She turned around and saw fan yu standing at the door. His face was ashen as he stared at the two people who were hugging each other..

In the next second, Fan Yu walked forward and pulled Qiao yuanfei from Zhuo Liye’s embrace.

His sullen face darkened slightly. Just as he was about to flare up, he caught a glimpse of Qiao Yuanfei’s reddened eyes and the tears on his face. His pupils constricted abruptly.

He turned his head and glared at Zhuo Liye fiercely.

“What did you do to Feifei?”

Qiao yuanfei saw that the situation had become awkward and hurriedly explained, “Fan Yu, you misunderstood. It’s not about Zhuo Liye. I was the one who asked him to come over...”

“Fay, this is a matter between US men. You Don’t have to worry about it.”Zhuo Liye suddenly opened his mouth and interrupted Qiao Yuanyuan’s explanation.

His words were equivalent to tacitly admitting that he wanted to compete with fan Yu.

Fan Yu’s eyes narrowed and the light in his eyes turned cold.

The Fan Corporation had officially announced the marriage between him and Qiao Yuanfei, and Zhuo Liye was still doing this. was he trying to have a fight with him?

“If you’re a man, then come and Fight!”

Just as Fan Yu’s thoughts flashed through his mind, Zhuo Liye had already opened his mouth.

Hearing this, Qiao Yuanfei was stunned.

Zhuo Liye had clearly given up just now, so why did he suddenly want to fight with Fan Yu..

Before she could figure out what was going on, Fan Yu, who had been provoked one after another and was already seething with anger, had already punched Zhuo Liye.

These men usually looked mature and steady, full of gentlemanly demeanor.

But in reality, when they fought, each one was more ruthless than the other.

Their fighting ability was not inferior to that of the hooligans on the streets.

The Qiao Corporation's reception room was almost demolished without much effort.

The two of them tacitly avoided the position where Qiao Yuanfei was standing. As they fought, they saw that they were about to fight outside the meeting room.

The meeting room was so noisy that the employees outside heard the noise and came over one after another. One by one, they stuck their heads out, wanting to see what was going on inside.

Qiao Yuanfei was stunned for a few seconds. When she came back to her senses, she hurriedly shouted at the two of them.

"Fan Yu, Zhuo Liye, stop for a moment. If you have anything to say, say it!"

"..."

No one paid any attention to her words.

The fight was still going on.

Fan Yu's attacks were ruthless, and Zhuo Liye's face was soon covered in wounds.

The area around his cheekbones swelled up.

He had been at a disadvantage for three consecutive moves.

It was said that jealous men were very scary. At this moment, Fan Yu was perfectly proving this point.

The usually gentle and gentle man seemed to want to beat Zhuo liye up to the point where he didn't even recognize his mother.

Let's see if he still dares to poach his own corner!

"Fan Yu, quickly stop, stop hitting me!"

The more Qiao Yuanfei pleaded for mercy, the harder fan Yu's attacks became.

The two people who were still evenly matched in the beginning gradually became clear about the outcome of the battle.

Zhuo Liye was no match for Fan Yu after all.

If they continued fighting, they would probably be badly injured.

"Qiao, President Qiao, What's Going On? Should we call the police?"

The secretary squeezed in from the crowd outside the door. When she saw the scene in front of her clearly, she cried out in surprise.

“Why do you need to call the police? Go and call the security guards to come up and separate them!” Qiao Yuanfei called out.

“Yes, yes, yes.”

The secretary suddenly came back to her senses and quickly turned around to call the police.

However, once the security arrived, it would be too late.

Qiao Yuanfei was anxious and immediately raised her head to shout.

“Fan Yu, Zhuo Liye is only here to wish us a happy wedding. He will be leaving soon!”

“Chi –”

Fan Yu’s fist, which was about to swing out, stopped in mid-air.

He turned his head to look at Qiao Yuanfei in disbelief. He had a surprised expression on his face, as if he suspected that he had heard wrongly.

“There are also the project documents that I had just handed over to him on the coffee table. If you don’t believe me, you can look at them yourself,” Qiao Yuanfei added.

Hearing this, Fan Yu immediately released Zhuo Liye and stepped forward.

He picked up the documents on the coffee table and quickly scanned through them. After confirming that what Qiao Yuanfei said was true, his expression instantly became complicated..

“He was the one who invited me to fight first.” Fan Yu pointed at Zhuo Liye and quickly shifted the blame.

“Cough cough...”

Zhuo Liye took a few punches and was about to speak when he suddenly coughed.
