

My Life 2101

Chapter 2101: The rest of my life is long. I am lucky to have you! (49)

This continued until their cell phones rang at the same time.

They picked up the call at the same time.

“Yu Yuehan, where are you? Bengbeng is about to give birth...”

“Brother Xiaosi, Bengbeng is about to give birth...”

Nian Xiaomu and Shangxin’s voices were heard from the phone at the same time.

The two men, who had despised each other just a moment ago, stood up with a swoosh. They quickly tidied up their clothes before paying the bill and rushing back to the hospital.

Yu Yuehan and Tang Yuansi did not have any internal strife along the way, as they had a good tradition of not having an easy time and not being able to see their brothers having an easy time.

Instead, they lowered their heads and prayed silently.

Needless to say, they were all praying for Tan Bengbeng and her son to be safe.

They had to give birth to a son for Qi Yan!

Tan Bengbeng had given birth naturally.

When they rushed to the hospital, Tan Bengbeng had just entered the delivery room not long ago, so there was still no news about her.

Everyone else had arrived.

Nian Xiaomu was waiting at the entrance of the delivery room with Xiao Yang in her arms.

She had not given birth yet, and Yu Yuehan was afraid that she would catch a gust of wind, so he took off his coat and draped it over her body. Then, he reached out and pulled both her and her son into his embrace.

“Have you been drinking?”

Nian Xiaomu lifted her head and asked when she smelled the faint scent of alcohol on his body.

Yu Yuehan did not drink much. It was just a few glasses.

The car window had been open on the way back, and the smell of alcohol had long dissipated. She did not expect Nian Xiaomu to be able to smell it.

“Did I smoke you? I’m going to change into a jacket.”

“No, I was just curious why you went out to drink on your own since you did not have any social engagements today.”

Nian Xiaomu looked at him suspiciously and mumbled.

“When you and Tang Yuansi came over just now, I seemed to have heard you guys talking about the blessings of the spirits and ancestors. I did not expect that the few of you would like to quarrel with each other so much and care so much about each other in private. Qi Yan would definitely be very touched if he knew that you guys had been praying for Bengbeng.”

Yu Yuehan: “...”

It was best that he did not know, or else he would probably die of anger.

Unlike c-sections, the timing of a spontaneous delivery was very low.

From the start of labor to the birth of the child, the timing of each person’s pain was different.

Some people gave birth not long after entering the delivery room.

Some people could suffer from pain for a day and a night.

The only advantage was that their family members could accompany them in the delivery.

Qi Yan was a doctor to begin with, and he was also a family member.

When Tan Bengbeng entered the delivery room, he had already followed her in.

With him inside, the people guarding outside could at least feel at ease.

Mo Yongheng could not wait for Tan Bengbeng to come out. Several times, he wanted to enter the delivery room, but he was stopped by Zheng Yan.

“Calm down. Bengbeng is very strong. She will definitely be fine. Besides, Qi Yan is already inside. If you go in now, you won’t be able to help and will only cause more trouble.”

Mo Yongheng understood the logic.

However, he only had Tan Bengbeng as his younger sister and was also his only family member.

Even if he understood the logic, he would not be able to calm down.

“Sob –”

Just when everyone was feeling uneasy, a weak cry suddenly came from the delivery room.

It was soft and soft. After crying for a while, there was no more sound.

“You gave birth, right?” Nian Xiaomu grabbed Yu Yuehan’s arm and asked excitedly.

“I think so. Don’t be anxious. The doctor should be able to carry the baby out soon,” Yu Yuehan pretended to be calm as he replied.

In reality, he was as anxious as Nian Xiaomu.

The main reason was that the sound of the crying was different from when Xiao Yang was born.

No matter how one looked at it, such a gentle cry sounded a little like a daughter.

The door to the delivery room opened very quickly.

Qi Yan stayed in the delivery room to take care of Tan Bengbeng while the nurse carried the baby out to announce the good news.

The newborn baby was completely red. It had just left its mother's stomach and was shrinking its neck unaccustomed.

Its small appearance was especially lovable.

"The size is safe, it's a . . ."

Chapter 2102: The rest of my life is long. I am lucky to have you! (50)

"He is... a son."

When the young nurse saw so many handsome men standing at the door, she was so nervous that she almost could not speak properly.

After she finished reporting, she immediately lowered her head with a red face.

"Nice!"

Compared to the reserved tone of the young nurse, Yu Yuehan practically let out a low growl.

Tang Yuansi was so happy that he pounced on him and hugged him!

The two of them celebrated joyfully as if they had won the jackpot.

Nian Xiaomu was shocked by their exaggerated manner.

She stood to the side with Xiao Yang in her arms with a dumbfounded look on her face.

Those who did not know better would have thought that they were the father of the child.

Zheng Yan was also dumbfounded.

When she saw that Yu Yuehan and Tang Yuansi were about to hug each other with tears streaming down their faces, she almost asked if they were about to announce that they were out of the closet..

"Good to have a son! It's great to have a son! We are happy for Qi Yan!"

"Yes, yes, yes, we are happy, we are really too happy!"

Yu Yuehan and Tang Yuansi snapped back to their senses. When they recalled that there was still Mo Yongheng here, they restrained themselves a little.

After all, Mo Yongheng was Tan Bengbeng's biological brother. Although he definitely could not bear to see Qi Yan show off, he could not make it too obvious on account of Tan Bengbeng.

They're brothers.

Bromance is important.

"Is it a son? Is it really a son?" Fan Yu was the last to react, squeezed forward and asked.

Before the nurse could open her mouth to answer, she couldn't help laughing.

Although he would not be like Yu Yuehan and Tang Yuansi, stab in the back secretly pray Tan Bengbeng to have a son.

But that doesn't mean he doesn't understand the stakes.

Anyone could give birth to a daughter, but Qi Yan, who was the most smug, could not.

If he really had a daughter, they would not have a good life..

"Alright, the few of you are almost done. Do you still want me to take a look at the child?" Mo Yongheng coughed lightly and reminded them.

This was Bengbeng's child. His sons and daughters had to call him "Uncle".

Mo Yongheng walked past them and walked in front of the nurse. He lowered his gaze and looked at the baby in the swaddling clothes.

Her little face was red and her facial features were slightly more like Qi Yan's.

Her beautiful Phoenix eyes were completely inherited from Qi Yan's mischievousness.

Her slender and long little fingers were exceptionally beautiful.

She was probably not used to it since she was just born and thought that she was still in her mother's stomach. She had always wanted to curl up like a shrimp.

His two small hands were pressed tightly against his small face like a shy little girl.

The way he pouted his small mouth made one's heart soften.

"You look pretty good. You are much prettier than when Tang Qianqi was born." Yu Yuehan went forward and praised sincerely.

"How do you speak? Do you know how to chat? Do you have to step on my son, Kua Qiyang's son? We are all sons who lost money. Who is more noble than who?" Tang Yuansi shouted indignantly.

He was not really angry.

When children were born, most of them were wrinkled.

Even when his son grew up, he was still not a handsome boy. He was so handsome that even his wife did not love him anymore. He only knew how to address his son every day.

As long as he thought about how Qi Yan was going to experience this kind of suffering soon, his mood was as beautiful as a rainbow after a heavy rain.

It was colorful!

"Forgive me for being blunt, but why do I feel that such an obedient and quiet appearance looks a little like a daughter..." fan yu opened his mouth uneasily.

Upon hearing this, Yu Yuehan and Tang Yuansi turned around and glared at him at the same time.

"Do you know how to speak? Can you still be brothers?"

“Didn’t you hear the nurse say that it’s a son? Can the nurse be mistaken? This must be a son!”

Chapter 2103: The rest of my life is long. I am lucky to have you! (51)

After finishing his sentence, Tang Yuansi turned his head and took a glance at Xiao Budian who was in the nurse’s embrace.

Not to mention, she had a small face the size of a palm and slender fingers.

She also had an obedient look that was curled up into a ball and allowed them to size her up. No matter how one looked at her, she did not look like a devil.

She looked more like a soft and cuddly little princess.

Tang Yuansi’s heart skipped a beat!

He suppressed the uneasiness in his heart and raised his head to ask the nurse.

“Nurse, are you sure that this is a boy?”

“...”

The young nurse was already a little nervous when she saw the crowd of handsome men and beautiful women.

She could not remember what she had said just now.

At this moment, she was stunned when she was asked by Tang Yuansi.

“Did I say that it was a boy? No, no, no. The woman who gave birth to the child is a daughter. Both mother and daughter are safe, and the child weighs six pounds and six taels.”

“...”

It was a bolt from the blue.

Tang Yuansi was the first to freeze on the spot.

Then, it was like a plague.

Yu Yuehan, Fan Yu, and even Mo Yongheng..

All of them were stunned and could not regain their senses for a long time.

On the contrary, Nian Xiaomu was the first to react.

She passed Xiao Yang to Zheng Yan and reached out to carry the newborn “Little Yama” from the nurse’s hands.

She opened the swaddling clothes and took a look.

“I can tell all of you with certainty now that this is not the Little Yama, but a little beng.”

“SOB!”

The baby in the swaddling clothes seemed to have become shy. With a whimper, he raised his two small hands and covered his face.

His pink and tender little cheeks turned bright red once again.

No matter how he looked at it, it looked like he was acting coquettishly, causing others to dote on him.

“Yu Yuehan, pinch me quickly and tell me that this is a dream. I can not accept such a reversal. I am starting to doubt my life.”

Tang yuansi suddenly stretched out his hand and grabbed Yu Yuehan’s shoulders forcefully.

Yu Yuehan’s expression did not look any better either.

What did he mean by ‘one second in heaven, one second in Hell’.

This was it.

They had originally thought that when Qi Yan came out, they would happily extend their arms to welcome him to hell.

However, now..

Qi Yan was afraid that he would send them all to Hell.

“Don’t talk, I want to be quiet.” Yu Yuehan pushed away Tang Yuansi’s face, which was looking for comfort.

However, he did not give up and walked forward to take another look at the baby in Nian Xiaomu’s arms.

“Nian Xiaomu, can you confirm it again? Is it really a daughter?”

“I am very sure. Furthermore, the baby is so obedient. One look and I can tell that he is a caring child.” Nian Xiaomu could not put down her arms and hugged the newborn baby.

When she saw Xiao Bengbeng, she could not help but recall the time when Xiao Liuliu was just born.

She was also soft and cuddly.

“Are you very obedient? Let me give you a hug.”

Mo Yongheng snapped back to his senses and stepped forward.

From the moment he knew that he had gained a little nephew to the moment when his little nephew had become a little niece, his emotions were the most complicated, but he also accepted it the fastest.

Regardless of whether it was his nephew or niece, he had to call him uncle.

Initially, he did not feel anything when he heard that Bengbeng had given birth to a son.

He thought that it was a good thing that Qi Yan did not show off.

However, when he heard Nian Xiaomu say that she was a little princess, his mood immediately changed.

Other than the fact that she was Qi Yan's daughter, she was his biological niece!

"She is very obedient and cute. When she grows up, she will definitely be a caring little baby."

Mo Yongheng praised the little princess in his arms with a doting expression.

The next second, the delivery room's door opened once again.

Qi Yan pushed Tan Bengbeng out of the delivery room.

The voice arrived before the person arrived.

"Where's My Daughter? Hahaha, can you believe it? Bengbeng gave birth to a daughter for me..."

Chapter 2104: The rest of my life is long. I am lucky to have you! (52)

Tan Bengbeng had given birth naturally. Her physical condition was good and the birth was very smooth. Although she looked a little haggard, she still looked pretty good.

She lay on the moving hospital bed and kept looking for her daughter.

Nian Xiaomu carried the child forward and gently placed him beside her.

"The baby is already asleep."

"..."

Tan Bengbeng turned her head and took a glance at the baby beside her. The baby was lying in its swaddling clothes.

With her eyes closed, she slept very well.

Her little hands had been clenching her fists the entire time. Her palm-sized face was no longer red. At this moment, she looked like a fair and tender little princess.

This was the daughter of her and Qi Yan.

When Tan Bengbeng thought of the first child that she had lost, tears welled up in her eyes.

She couldn't help but reach out and gently touch her little face.

"You can't Cry after giving birth. It's bad for your eyes."

Compared to his daughter, Qi Yan was more nervous about Tan Bengbeng.

He didn't have time to show off and hurriedly sent Tan Bengbeng back to the ward.

In the huge VIP ward.

Just like the day Xiao Yang was born, everyone came.

But the atmosphere was completely different.

Tan Bengbeng lay on the bed while Qi Yan held his daughter and sat beside her. The Pride on his face was especially glaring.

“Bengbeng, look at our daughter. She looks so much like me. When she grows up, she will definitely be a devastatingly beautiful woman.”

“She is looking at me. Do you see that? Bengbeng, my daughter is looking at me. I know that she loves Daddy the most! I love her too!”

“Beng Beng, what do you think our daughter’s name is? What should we do? I feel that no name is worthy of my little princess...”

“...”

On the other end of the hospital bed, the family of three was beaming with joy.

On the other end of the ward, Yu Yuehan, Tang yuansi, Fan Yu, and Mo Yongheng were sitting on the sofa with complicated expressions.

Other than the first congratulatory words and their concern for Tan Beng’s health, all of them chose to sit at the seat furthest away from Qi Yan.

If it were not for the fact that their wives were present, they would have already chosen to leave the hospital the moment they saw Qi Yan.

The gentlemanly demeanor and brotherhood had all disappeared under Qi Yan’s endless cycle of gloating.

The fact that they did not go up and gag him was already the last of their kindness.

“I feel that my friendship with Qi Yan has come to an end. Is it too late to break up with him now?” Tang yuansi stared straight at the little glutinous rice ball in Qi Yan’s arms.

He also wanted a fragrant, soft, whimpering, and spoiled little princess.

Not a brat who only knew how to snatch his wife away from him!

Jealousy had caused him to be beyond recognition.

“Not only do I want to end my friendship with Qi Yan now, I especially want to beat him up,” Yu Yuehan said while grinding his teeth.

Mo Yongheng crossed his arms and stood at the side coldly. He lifted his eyes when he heard the sound.

“Go on, don’t hold it in. This is my brother-in-law. I Can’t do anything to him in front of bengbeng. Otherwise, do you think that Qi Yan would still be standing there? “I’m just reminding you to be careful when you beat him up. Don’t hurt Bengbeng and my niece.”

“Can you guys be more mature like me?”

Fan Yu reached out to touch the sunglasses on the bridge of his nose and crossed his legs calmly.

“I’m not jealous of Qi Yan, not at all.”

“Young master fan, your veins are popping out on your temples. Is this not jealous?” Tang yuansi mercilessly exposed him.

Fan Yu: "..."

Fan Yu was trying his best to ignore the movements on the other side of the bed when Qi Yan suddenly walked over with his daughter in his arms.

Chapter 2105: The rest of my life is long. I am lucky to have you! (53)

"Don't hide from me. I'm generous. I'll let you see my daughter."

"My Daughter is with me. She's so cute right after she was born. Do you see that?"

"I'm not bragging. If it weren't for the kindness of my ancestors, ordinary people wouldn't be able to give birth to such a cute little princess. Look at you, you can't do it. Ahahaha..."

Qi Yan squeezed to the front of the sofa and carried the babies who had just woken up in their swaddling clothes. He showed them one by one.

The peak of his life had come so suddenly and so quickly.

He had not expected it himself. hahahahaha..

Yu Yuehan: "Red card warning once."

Tang yuansi: "Red card warning twice."

Fan Yu: "Red card warning thrice."

Mo Yongheng: "Scram!"

Qi Yan was ostracized by the entire team, but he was not angry at all. Instead, he laughed even harder.

He hugged his daughter and swung her around in front of Yu Yuehan and the rest.

"Baby, look here. I Am Daddy."

"Give Daddy a kiss."

"My little princess is so cute. Give Daddy a Smile..."

Everyone: "..."

If looks could kill, Qi Yan would have been cut into a thousand pieces by now.

"Why isn't the baby smiling? It seems like she is a very reserved little girl." Nian Xiaomu walked forward and teased the little one in Qi Yan's arms.

Zheng Yan and Qiao Yuanfei both liked babies very much. When they heard her words, they also went forward and teased the baby in her swaddling clothes.

The few of them coaxed her for a while. The little cuddly ball only blushed and shrunk her neck shyly. However, she did not smile.

"I remember that when Qi Qi and Xiao Yang were born, they laughed after a little teasing."

Nian Xiaomu recalled.

“How can it be the same? That’s a son, and I’m a daughter.” Qi Yan hugged the little princess tightly in his arms.

Although he said that he did not care, he still wanted to see his little princess smile at him in his heart.

However, no matter how much he teased her, Little Bengbeng would not smile.

She only stared at him with her beautiful big eyes without moving.

When she was tired of looking at him, she would close her eyes and fall asleep.

Even when she was hungry, her cries were very reserved.

It was as if she did not have any emotions and would not laugh.

“She must be regretting it now that she realized that she had reincarnated into the wrong body,” Tang Yuansi said coldly from the side.

“Who would regret having such a father?” Yu Yuehan added.

Fan Yu: “I agree.”

Mo Yongheng: “I agree very much.”

Qi Yan: “...”

Qi Yan: “All of you are jealous of me. All of you are jealous. I don’t believe it! My Daughter is only young. She will definitely smile at me in two days.”

Yu Yuehan: “It’s so scary to lie to yourself and others.”

Tang Yuansi said, “It’s so scary to lie to yourself and others.”

Fan Yu said, “It’s so scary to lie to yourself and others.”

Mo Yongheng said, “Beng, beng, it’s still not too late to change the father of the child now.”

Qi Yan: “...”

It was also his ability to draw so much hatred and make the few people who did not like each other fight against others in unison.

Qi Yan humphed unwillingly.

“My Little Princess is just shy. Even if she doesn’t smile at me, she won’t smile at all of you. It’s useless for all of you to be jealous of me. I just have a daughter now. How about it? Why Don’t you all bite me?”

Everyone: “...”

“Alright, Alright. Stop talking so much. Can you guys be more mature?”

Seeing that the atmosphere was not right, Nian Xiaomu quickly stepped out to smooth things over.

She took Xiao Bengbeng from Qi Yan’s arms and walked over to Yu Yuehan.

“Give her a hug. It’s the same as when Xiao Liulu was born...”

Before Nian Xiaomu could finish her sentence, Xiao Bengbeng, who was in her swaddling clothes, suddenly opened her eyes and smiled at Yu Yuehan.

Chapter 2106: The rest of my life is long. I am lucky to have you! (54)

She was really smiling.

Her beautiful eyebrows and eyes were curved, and she had an exceptionally sweet smile on her face.

It was just that one moment, and Nian Xiaomu was so shocked that she was stunned.

Just when she thought that the scene just now was just an illusion, Xiao Bengbeng, who was in her swaddling clothes, had already raised the back of her hand and covered her eyes. She blushed shyly.

“...”

Nian Xiaomu was completely unable to regain her senses.

Yu Yuehan was the same.

It wasn’t just the two of them. When Nian Xiaomu carried the child over to give it to Yu Yuehan, everyone looked at her. Everyone present had seen that smile just now.

“Hahaha... What did I say? Qi Yan, how does it feel to be despised by your own biological daughter? Are You Alright?”Tang Yuansi was the first to laugh out loud.

“We are all brothers, how can you speak like that?”Fan Yu frowned and looked at Tang Yuansi.

Although he said that he should be more polite, he turned his head and asked.

“Medicine King, you should have something like the quick-acting heart-saving pill, right? “Do you want to give yourself one first? After all, you are the first person I have seen being despised by your own little princess... Hahaha, I really can’t help but laugh.”

Even the gentle and gentle fan Yu was like this. The reactions of the others could be imagined.

Not to mention a few men who were at loggerheads with Qi Yan, even Zheng Yan and Qiao Yuanfei who were outside the battle couldn’t help but Mutter.

“Didn’t they say that daughters are close to their fathers? Why Is Qi Yan’s daughter only close to young master Han?”

“Don’t tell me that smile just now was really sweet.”

“I suddenly understand why all of them are clamoring to have a daughter. However, if the daughter doesn’t kiss herself, it seems pretty miserable...”

Just like Qi Yan now.

Zheng Yan and Qiao Yuanfei simultaneously looked at Qi Yan who was carrying Xiao Bengbeng back from Nian Xiaomu’s hands.

He was staring at his little princess in disbelief.

He tried his best to calm himself down.

In the end, he squeezed out a smile with all his might and coaxed his little princess with the gentlest voice he could muster.

“Come, give Daddy a smile. Daddy loves you the most in this world, do you know that?”

“Daddy knows that you’re still young. I must have mistaken you for someone else just now.”

“Daddy doesn’t blame you. Can You Give Daddy a Smile First?”

Qi Yan refused to believe it no matter what he said. The person that his little princess loved the most was not him, but Yu Yuehan.

He had to coax Little Bengbeng, who was still in her infancy, to smile at him.

However, the nickname ‘Little Bengbeng’ was really the right one.

Little Bengbeng’s psychological quality was exactly the same as Tan Bengbeng’s.

She was calm and indifferent.

Compared to her own mother, Little Bengbeng’s gaze had a self-mocking mode.

She looked at him quietly, as though everything was said without a word..

It was as though she was asking Qi Yan why he did not smile at her. Didn’t she know in her heart?

Qi Yan:”...”

Qi Yan: “I don’t believe it. It must have been a coincidence just now. My Daughter is still young. What would a newborn baby know? From a physiological point of view, the eyes of a newborn child are not fully developed yet. At this point in time, even their faces can not be distinguished!”

In order to increase his persuasiveness and show that he was not forcefully saving his dignity, Qi Yan generously carried his little princess and placed her in the hands of Mo Yongheng, Tang Yuansi, and Fan Yu.

The few grown men said that it was no big deal to have a daughter, but when they really carried the little princess who was soft and cuddly in her swaddling clothes, their expressions changed in unison.

Tang Yuansi and fan yu both had sons.

Fan Yu had never experienced what a newborn baby looked like, but Tang Yuansi was different.

Chapter 2107: The rest of my life is long. I am lucky to have you! (55)

Tang Yuansi had personally experienced every step of his son’s life from the moment he was conceived to the moment he was born.

The first time he hugged qiqi, he would also feel nervous.

However, he did not feel like hugging his daughter at all..

He was happy and nervous at the same time. If he hugged her a little tighter, he was afraid that she would be in pain. If he hugged her a little tighter, he was afraid that she would fall off.

No matter how cute she was, she was not his daughter. He could not move his eyes away from Xiao Bengbeng who was in his arms.

“We were both just born. Why is your daughter so fragrant and soft?” Tang Yuansi hugged Xiao Bengbeng tightly in his arms and asked unwillingly.

No one could give him an answer.

“See? It’s not just me. My daughter did not smile at you guys either. That’s why I said that what happened earlier was just a coincidence.”

Qi Yan started to show off again.

“Don’t be envious of me. Giving birth to a son and a daughter is a matter of life and death. I, the Medicine King, have saved many people in my life and have done good deeds. This is my blessing. All of you will not receive such treatment.”

Everyone:”...”

The contrast between Tang Yuansi and Qi Yan was too obvious. As he hugged the soft and cute little princess in his arms, he thought of the devil at home.

In addition, Qi Yan was too cocky, causing his heart to be stabbed twice more.

At this moment, he was also trying his best to coax Xiao Budian in his arms, wanting to make her laugh.

Unfortunately, Xiao Bengbeng only yawned a little.

She blinked her eyes as if she was sleepy.

Not only did she not laugh, she wanted to sleep in front of Tang Yuansi and let him see it.

Tang Yuansi:”...”

This time, Qi Yan was even more energetic.

He took the opportunity to mock Tang Yuansi.

Tang Yuansi could not even fake a smile anymore.

All he wanted to do was to fight with Qi Yan.

Was there really no one who could make Xiao Bengbeng laugh?

Tang Yuansi’s eyes shifted as he recalled the scene of Xiao Bengbeng laughing just now. Out of the blue, he walked in front of Yu Yuehan and passed the child to him.

“Hug her again and see if she can laugh.”

The moment Tang Yuansi opened his mouth, everyone’s gaze was focused on Yu Yuehan.

Qi Yan was even more nervous as he stared at his little princess.

The air seemed to have frozen.

Yu Yuehan had just become a second-born nanny. It was different from the beginning. Now that he was carrying a newborn baby, he was no longer as nervous as before.

When Tang Yuansi placed Xiao Bengbeng in his arms, he only hugged her subconsciously.

Following that, he adjusted a position that would make the little glutinous rice ball feel comfortable.

He lowered his gaze and stared at her delicate little face.

A second passed.

A minute passed.

Three minutes passed.

She did not smile.

Little Bengbeng did not smile.

She only stared at Yu Yuehan with her beautiful big eyes.

“Hahahaha, the facts have proven that my daughter still loves me the most!” Qi Yan was so agitated that he was about to come up and hug his little princess.

Tang Yuansi quickly blocked him and reminded Yu Yuehan.

“Don’t just stand there and watch! She’s such a small baby, how can she smile at you if you look at her like that? Coax her like we do. If it doesn’t work, smile at her first. She might smile at you out of politeness!”

“...”

Out of freaking politeness.

Would a newborn baby know how to return the favor?

Yu Yuehan rolled his eyes at Tang Yuansi.

“Brother, think about our future. Do you have the heart to see your brothers being mocked by Qi Yan every day? “If you can make Xiao Bengbeng laugh today, I will send the top ten limited edition sports cars from the Tang Corporation to your garage first!”

Tang Yuansi’s words received the strong support of Fan Yu and Mo Yongheng.

Fan Yu: “I will add ten sports cars!”

Chapter 2108: The rest of my life is long. I am lucky to have you! (56)

Mo Yongheng: “I’ll add a villa. You can choose any location in the city!”

This was not some random sports car or mansion on the market. If the things that they had given were placed in the hands of ordinary people, they would have enough food and drinks for the rest of their lives.

They were generous enough.

Yu Yuehan was not short of money. When he heard their conditions, he could not help but roll his eyes.

The rewards were secondary, the cards were the most important.

One had to know that he could not stand Qi Yan's endless gloating.

It was as if no one had a little princess.

His Xiao Liulu was naturally beautiful, lively, and cute. Did he say anything?

Wasn't he just unlucky enough to have a second child and give birth to a son..

Yu Yuehan's eyes turned slightly, and he lowered his head to look at Xiao Bengbeng in his arms again.

The corners of his lips curled up slightly as he forced out a smile.

"Little Darling, give Uncle Yu a smile. Uncle Yu will buy you some sweets."

"MMM MMM..."

The little glutinous rice ball hummed a few times but did not laugh.

Yu Yuehan:"..."

"You have made progress. Don't be discouraged. At least she responded to you. When we teased her, she did not even Humph!"Tang yuansi encouraged Yu Yuehan from the side.

Fan Yu nodded in agreement.

He suggested.

"Can you suggest some constructive conditions? She's such a young child. Even if you buy her candy, she should be able to eat it. Change it to another one!"

"We can try changing it to milk,"Mo Yongheng echoed.

The few grown men reminded Yu Yuehan incessantly, as if they were learning how to Coax a child from a newbie father.

Yu Yuehan also tried them out one by one.

If Xiao Bengbeng did not react, it meant that she did not react.

She would still make a few sounds in the beginning, but she would not make a sound in the end.

As if she found them noisy, she clenched her fists and raised them to her ears.

Everyone:"..."

The only one who could laugh now was Qi Yan.

Qi Yan was especially nervous in the beginning.

He was just afraid that his little princess would really smile at Yu Yuehan.

After all, it was a coincidence that he could console himself for the first time. If he were to do it again, he would really doubt his life.

In the end, his little princess' performance did not disappoint him at all.

Qi Yan swaggered up to them and pretended to be obedient even though he had taken advantage of them.

"I say, can the few of you be more mature like me? This is my daughter. How can I not be the one that she loves the most? That's enough. Don't Disturb my daughter's sleep. She will definitely miss my embrace and think that I will hug her to sleep."

Qi Yan's words successfully attracted another wave of hatred.

This time, it was not just Tang Yuansi. Fan Yu and Mo Yongheng hugged him at the same time.

They turned their heads and urged Yu Yuehan.

"It doesn't make sense that she would stop smiling the second time she smiled at you. Think about it carefully, what other methods are there that are useless?"

"..."

Yu Yuehan knitted his brows.

The words that Nian Xiaomu had said to him when she carried the child over to him flashed across his mind.

It was the same as when Xiao Liuliu had been born..

Xiao Liuliu..

Yu Yuehan's eyes flickered.

He opened his mouth out of the blue.

"Do you think that Uncle Yu is good-looking? If you like him, Uncle Yu will give you a little brother who looks exactly like uncle Yu, okay?"

"Yu Yuehan, are you crazy? Are you going to sell your son if you can't do it yourself..."

Qi Yan had just started laughing when he caught a glimpse of the little glutinous rice ball in her swaddling clothes.

She smiled..

The quiet little girl looked soft and cute when she smiled.

Qi Yan was instantly stiff as if he had been cast in plaster. He performed on the spot for a while and instantly became a sculpture.

"This isn't real... this definitely isn't real..."

Chapter 2109: The rest of my life is long. I am lucky to have you! (57)

His little princess really smiled at Yu Yuehan.

The most tragic thing was that a little brother had deceived his little princess away..

Qi Yan could not accept such a blow.

“Well done!”

Tang Yuansi rushed forward excitedly, picked up Little Bengbeng from Yu Yuehan’s arms, and lowered his head to kiss her.

He spoke without holding back at all.

“Xiao Bengbeng, if you like a little brother, Uncle Tang also has a little brother at home. Uncle Tang can give it to you. He will give it to you!”

As soon as he finished speaking, the little glutinous rice ball, who was expressionless and even a little sleepy earlier on, blinked her eyes and laughed again.

“Hahahahaha...”

Tang Yuansi could not be happier at this moment.

If it was not for the fact that he was afraid of scaring Little Bengbeng, who was still in her swaddling clothes, he would have already made a few turns.

Fan Yu was not willing to be left behind.

He was also someone who had a son.

He took over Little Bengbeng and repeated what Tang Yuansi had said earlier.

Little Bengbeng did not disappoint him and smiled at him as well.

The little glutinous rice ball, who did not react no matter how much he tried to coax her earlier, was now smiling at them one by one.

Mo Yongheng didn’t have a son, so he was envious at this moment.

When he turned his head and saw Qi Yan, who had suffered a huge blow, his heart calmed down.

He couldn’t be more miserable than Qi Yan.

One second, he was still in heaven, and the next second, he was back in Hell.

His own little princess didn’t like him, and she was surrounded by a bunch of wolves and tigers..

Life was full of ups and downs, ups and downs..

“Beng beng, we’ll transfer... No, we’ll move! After you’re discharged, we’ll leave this place immediately and never come back!”

Qi Yan carried his little princess back from their hands and walked to Tan Beng Beng’s side.

He wanted to bring his little princess back to his private island.

He would never contact them again.

“They’re jealous of me and want to kidnap my little Princess!”

Tan Bengbeng:”...”

Tan Bengbeng had just given birth. Although she was tired, she was very happy watching the show.

When she heard Qi Yan’s words, although she felt that he had done it himself, she still patted his head sympathetically and comforted him.

“It’s just a coincidence. The baby is still so young. How can he understand what they are saying? Don’t be too serious. Everyone is just joking.”

“No! I have a strong premonition that this isn’t a coincidence!”

Qi Yan hugged his little princess tightly and opened his mouth uneasily.

“Is that so?”

Tan Bengbeng glanced at the little princess who was sleeping in his arms. She stretched out her hand to rub her little face and said with a smile.

“That’s good too. I like fan fanqi and Little Yang... Oh!”

Qi Yan covered Tan Bengbeng’s mouth.

“Alright, stop talking. Don’t let me hear the names of those three brats now. I’m afraid that I’ll have the intention to kill them.”

Tan Bengbeng:”...”

Qi Yan’s state of mind collapsed.

The next day, Tan Bengbeng’s body had just recovered. She immediately went through the discharge procedures for her.

When no one noticed, she quietly took the mother and daughter away.

No one knew where he had gone.

Yu MUYANG did not participate in the full moon wine and had only gotten someone to send him a red packet.

Xiao Bengbeng did not invite anyone to her full moon wine. She only informed them and told them that they did not need to attend anymore.

She disappeared without a trace, as if she had disappeared from the world.

Until the day when Xiao Qi turned one year old..

The anniversary gift was a major event.

The Tang family held a grand ceremony.

Tang Yuansi and Shangxin had informed Qi Yan and Tan Bengbeng early on and received the news that they would be attending the ceremony.

On this day, the Tang family villa was bustling with activity.

Presents filled the entire living room.

Chapter 2110: The rest of my life is long. I am lucky to have you! (58)

Holding their wine glasses, Tang Yuansi and Shangxin shuttled through the crowd.

After a short while, Shangxin was completely exhausted.

In her high heels, she leaned on Tang Yuansi's body and allowed Tang Yuansi to hug her waist. Then, she turned around to look for a familiar figure at the banquet.

Yu Yuehan and Nian Xiaomu.

Fan Yu and Qiao Yuanfei.

Mo Yongheng and Zheng Yan.

Even Qi Yan and Tan Bengbeng, who had promised to come back, were nowhere to be seen.

"How long has it been since I last saw Bengbeng? Since she gave birth, she has already disappeared for almost four months. It would be too much if Qi Yan doesn't even allow her and the baby to attend Qi Qi's first anniversary celebration."

Shangxin said in disappointment as she did not see any familiar faces.

Tang Yuansi did not bring her to toast anymore. He placed the wine glass on the Waiter's tray and led her out.

The elders of the two families greeted her in the banquet hall.

In the blink of an eye, Tang Yuansi brought Shangxin to the front yard.

The weather of winter was not visible from the lush greenery.

The weather was a little chilly, but it was not night yet, so the temperature was not considered low.

Tang Yuansi took off his windbreaker early in the morning and draped it over Shangxin's body. Then, he took the opportunity to hug her in his arms.

The two of them stood in the courtyard. The moment they raised their heads, they could see the guests who had entered from outside.

At this moment, the banquet had already started. It was bustling inside, but there were fewer people walking around outside.

"If you miss them, we can stand here and wait. This way, we will be able to see them as soon as they arrive."

There was no reason for Tang Yuansi to dote on his wife.

As long as Shangxin was happy, he would agree to anything.

If Shangxin was unhappy, he would have to think of a way to make her happy immediately.

“Everyone is inside. Is it not good for us to run out like this?” Shangxin asked worriedly.

It was a family banquet today.

There were not many guests.

Those who were able to attend the banquet were the relatives and friends of the two families.

Their sudden disappearance meant that they had thrown the banquet to the elders.

Moreover, there was also qiqi..

When Shangxin thought of her son, she suddenly recalled that she had not seen the little fellow for a long time.

“Where is Qiqi?” Shangxin snapped out of her daze and was about to look for her son.

Just as she took a step forward, Tang Yuansi pulled her back.

“There are so many people at the banquet, he can’t be lost. I saw father hugging him just now and greeting everyone one by one.”

The “Father” that Tang Yuansi was referring to was Shang lingsi.

Shang lingsi, who had previously said that he did not like his grandson and only wanted his granddaughter, suddenly had a deeper relationship with his grandson after Yu Yuehan sent Little Qiqi to stay at the Shang family for a period of time.

Tang Yuansi also benefited from this. He no longer had to worry that his father-in-law would be unhappy with him and would force him to divorce Shangxin at any time.

Although he was tricked by Yu Yuehan during this process and received a beating from his father-in-law.

However, the ending was still considered satisfactory.

“Don’t worry, Qiqi is now Daddy’s treasure. Daddy will definitely take good care of him.”

Tang Yuansi was really not worried about this point.

Even though Qiqi was only one year old, the Brat who was just learning how to speak and walk was a smart person.

Putting everything else aside, he was extremely talented in judging people’s expressions and coaxing them. No one could compare to him.

Tang Yuansi had suffered many losses at his hands.

Even though he was so clear-headed, he still suffered a setback, not to mention Shang lingsi, who had always doted on his grandson.

In Shang Lingsi’s hands, Qi Qi would live very happily and would definitely not miss them.

On the other hand, Yu Yuehan and the others had promised to come, but why didn't any of them appear at this time..

"President Tang, something bad has happened!"
