

My Life 2121

#### **Chapter 2121: The most beautiful thing is reunion after a long separation (4)**

It was not her fault for asking this.

This was a third-year international finance major's class. She knew all the students in the class.

Although it was the start of the new semester and there were new juniors, she had not heard of any third-year transfer students in their major.

Then this handsome guy in front of her could only be here to look for someone.

Thinking of this, Yu Liuliu opened her mouth again.

"Everyone has gone down to see seven. There are only the two of us in the class. If you want to look for someone, I'm afraid you'll have to..."

"I'm here to report for duty."

The young man interrupted her.

Hearing her say that this was the international finance major, Yu Liuliu slowly walked in with her crutches.

"Report... for duty?" Yu Liuliu was obviously stunned and looked at the person in front of her in astonishment.

He was very tall.

Even though it was inconvenient for him to walk with his crutches, he was at least 1.8 meters tall.

He was indescribably handsome.

Yu Liuliu had seen so many handsome men since he was young, but none of them were like him.

He was the best!

Unfortunately, there seemed to be something wrong with his leg.

Her gaze fell on the young man's calf.

There was only gauze wrapped around it, but she did not see any splints used for fixing it. It looked like he was injured, but he had almost recovered.

He looked like he had just become an adult.

Did he just say that he was here to report for duty?

"This student, you might have made a mistake. We are a third-year international finance major here. If you are a freshman, the classroom is downstairs," Yu Liuliu walked up and kindly reminded him.

Su Lidan was in a daze for a long time before he finally came back to his senses.

“Yes, yes, yes. We are in the third year of our major. You seem to be younger than us. Are you a junior who just arrived? “If it’s not convenient for you to leave your contact information, you can ask your senior if you have any questions in the future. My name is Su Lidan. You can call me senior Dan Dan.”

Such a handsome junior really made her want to go back to the first year of her major and study again.

What kind of incense did their school burn this year? An internationally famous genius, seven, came, and now there was a handsome guy who was so handsome that it made people angry..

Oh My God!

The senior was about to lose control. Could the first-year juniors still study properly?

Yu Liuliu rolled her eyes at her and reminded her to be more reserved.

It was too direct to ask for contact information the moment she arrived.

Although she also wanted to be a junior, she had just arrived. If she was too enthusiastic, it would easily scare people. It would not be worth it if her first impression was affected.

“Dandan.”

The young man stopped in his tracks and softly followed after her.

He ignored the word “Senior”that she said.

Instead, he looked at Yu Liuliu.

“Then who are you?”

“Her name is Yu Liuliu. She is our class Belle and also the campus belle of our a university. She is very beautiful, isn’t she? If you really enter our international finance major, she will also be your senior in the future!”

As if presenting a treasure, Su Lidan rushed in front of Yu Liuliu to introduce her.

After saying that, he asked anxiously again.

“We’ve been chatting for so long, but we still don’t know what Junior’s name is. Are you really a freshman in our international finance major? When you came up just now, did you see Seven?”

The young man’s gaze never moved away from Yu Liuliu.

When he heard Su Lidan’s words, he slightly narrowed his eyes and slightly opened his thin lips.

“I am seven.”

“...”

Su Lidan was stunned.

At the same time, Yu Liuliu was also stunned.

“Also, I am not a freshman. From today onwards, I will officially enter the international finance major as a junior. My two classmates, please give me your guidance.”

## **Chapter 2122: The most beautiful thing is reunion after a long separation (5)**

Who would have thought that the genius youth seven, who had caused a sensation on campus and everyone was waiting to watch, had already silently entered the teaching building?

Who would have thought that in this world, there was really a type of person whose IQ was a hundred times higher than yours, and who had a good-looking face that could debut at any time?

Who would have thought that a youth who had just turned eighteen years old would enter a university instead of going to be a freshman? Instead, he would skip a grade and enter a third year..

He had become classmates with them!

At least, Su Lidan and Yu Liuliu really did not expect this.

“Liuliu, quickly pinch my face hard, pinch it hard! Let’s see if I’m Dreaming.” Su Lidan lay on the table, grabbed Yu Liuliu’s hand, and placed it forcefully on his face.

His expression was completely stunned.

Her Prince Charming.

A top-notch genius with high IQ, and now he was a real handsome guy..

Her little heart was about to explode. If she didn’t press on her chest now, she was afraid that her heart would jump out of her throat in the next second.

Staring at seven, who was sitting in the last row and had put his walking stick to the wall, looking down at his phone, her eyes were blank.

“You still say that my Prince Charming is ugly. Now, I hope that he is ugly so that no one will snatch him away from me. But take a good look. Does My Prince Charming’s looks have anything to do with the word ‘ugly’? It’s like bringing a handsome character out of the womb...”

Su Lidan was about to lose control of himself.

His mind was filled with thoughts of how to seduce his Prince Charming.

Due to the mentality of a small fan, he could not muster up the courage to do so, so he could only drag his roommate along to gossip.

“I’m sorry, I was blind.” Yu Liuliu heard her complaints and apologized sincerely.

She did not expect the legendary seven to be so handsome.

His IQ was on par with his looks.

These were not her concerns. However, the name seven, coupled with his handsome face, reminded her of her younger brother whom she liked a lot when she was young.

They hadn’t seen each other for many years.

She didn’t know how he was doing now.

She had planned to celebrate his 18th birthday a while ago, but this guy had stood her up and she lost contact with him.

“Liuliu, should we ask for his contact information while there’s no one in the class? I’m telling you, it’s useless to be reserved. After this village, there won’t be such a shop anymore,” Su Lidan thought for a long time and asked cautiously.

Her expression was very serious, as if she was about to complete some major life event. This made Yu Liuliu come back to her senses.

“Huh?”

Yu Liuliu was stunned for a moment, then she laughed softly.

“If you want to go, you go. If I don’t go, I don’t think he would like others to strike up a conversation with him. Otherwise, he wouldn’t have sat in the corner.”

It was said that geniuses were lonely.

Generally speaking, the loneliness of a genius was mostly due to being cold and aloof.

A genius like seven, who was well-known, had such an eye-catching face. He would definitely be chased everywhere he went.

He was like a celebrity hiding from the paparazzi.

If he came to school and was surrounded by his classmates like a gorilla in the zoo, he might not say anything, but he would also feel disgusted in his heart.

“My mother told me that the first move to attract a Prince Charming is not to pounce on him, but to walk in the opposite direction when everyone is pouncing on him. Only then will you be able to attract his attention. Do you understand?”

Yu Liuliu lectured him earnestly.

She reached out and touched Su Lidan’s drooling chin.

### **Chapter 2123: The most beautiful thing is reunion after a long separation (6)**

“If you let him see you like this now, the image of you as a retard in his heart will definitely not be saved.”

“Pui, you’re the Retard! You speak as if it’s the truth. You’re someone who has never been in a relationship, and you have the nerve to teach me? Let’s not beat around the bush. If you can help me get the contact information of my Prince Charming, I’ll help you pack a month’s worth of lunch!”

Su Lidan tugged at Yu Liuliu’s arm and said.

The university lunch break was neither long nor short, but the cafeteria at noon was definitely packed.

If they could eat without waiting in line for a month..

“Deal!”

As a foodie, Yu Liuliu could not refuse such a condition at all.

“I reckon that everyone won’t be able to wait for seven in front of the teaching building and will come up very soon. Don’t blame me for not reminding you, hurry up!”

“Got it. I, Yu Liuliu, will take action. Is there anything I can’t handle? Just You Wait!”

Yu Liuliu stood up from her seat. Although she sounded relaxed, she was actually very nervous.

Ever since she was young, her father and younger brother had always taken care of her.

Other than a few of her uncles’brothers who were able to get close to her, the others would be classified as dangerous figures by her father and isolated outside.

The time she spent alone with the opposite sex could be counted on ten fingers.

She had heard a lot of theories from her mother, but in actual practice..

It was zero.

If she had known it would come in handy one day, she would have learned a few tricks the last time brother fan returned to the country.

She would not have started to feel an endless cycle of anxiety just because she had just boasted.

He felt so guilty that he was about to suffocate.

His mind kept thinking about what method he should use to reasonably ask seven for his contact information.

It was too direct.

It was too tactful, but he was afraid that he wouldn’t understand.

Moreover, they didn’t know each other yet. Wouldn’t it be a little frivolous for her to go up and talk to him?

No, they were all classmates. He could treat it as welcoming the new year.

Yu Liuliu took a deep breath and mustered up her courage to walk to the last row of the classroom for a month’s lunch.

She smiled and raised her hand to greet him.

“Hi, that student seven, nice to meet you... It’s like this...”

“Do you want to be my deskmate?”Seven suddenly opened his mouth and interrupted her.

“Huh?”Yu Liuliu was stunned.

“I don’t like strangers sitting next to me,”seven added.

A simple sentence was an explanation.

Yu Liuliu immediately understood.

A character like him would probably be surrounded and watched wherever he went.

Forget about other times.

If it was during class and he still had to be stared at by his deskmate, no one would be able to stand it.

Did he ask her this because he could tell that she wasn't infatuated with him?

In fact, she was just infatuated with him and kept a low profile..

"If I'm your deskmate, can you give me your contact information?" Yu Liuliu blinked and asked directly.

Since the other party was using him, there was nothing wrong with her using him back.

Moreover, she had already thought it through. Every class in the university was different.

She only agreed to be his deskmate for this class. After the next class, they would change classrooms, so their deal would naturally not exist.

One class for a month's lunch. It was so worth it!

Yu Liuliu stared at him, waiting for him to tell her contact information.

However, before he could speak, he grabbed her hand and pulled her to the front.

He picked up a pen, twisted the cover of the pen with one hand, and wrote down a series of phone numbers, wechat, QQ, home address in her palm..

Wait!

Isn't this too much? !

### **Chapter 2124: The most beautiful thing is reunion after a long separation (7)**

Yu Liuliu looked at the increasing number of contact information on his palm and widened his eyes in shock.

Seven was still writing.

There might be some difference in what they understood.

Yu Liuliu just wanted a contact information to give to his roommate, but what seven wrote for her..

Yu Liuliu seriously counted, yes, five contact information, but he still didn't stop.

His handwriting was very beautiful.

It looked unruly, but it was actually a very smooth cursive script.

The tip of the pen scratched her palm, and it was a little itchy.

She wanted to withdraw her hand, but the hand that he held her had no intention of letting go.

"Is it enough?"

He stopped the pen, raised his eyebrows slightly, and asked with a teasing look in his eyes.

“It’s enough, it’s enough. I don’t need so much.”

Yu Liuliu pulled her hand back in a panic, not caring if his eyes were mocking her

She only felt that the scene in front of her was different from what she had imagined.

This seven was a little too proactive.

He didn’t look like the cold and aloof Prince Charming that she had imagined.

He was as evil as a local hooligan.

If her father had been there, he would definitely have been beaten up by that sudden action of holding her hand!

Yu Liuliu noticed that her gaze on him was too direct, so she quickly averted her gaze.

She glanced at the contact information on her palm.

She had initially thought that he was somewhat familiar, but when she saw the phone and home address he had left behind, it was completely different from the person in her impression. She instantly dispelled her doubts.

She returned to Sullidan’s side with the information she had gathered.

She had originally wanted to show her hand directly, but when she thought about it, seven would realize that she was helping others gather information about him.

Moreover, it would not be good for her to explain to Su Lidan about her temporary change of deskmate..

Yu Liuliu’s eyes rolled around, and in the end, she chose to sit down calmly and pack her things.

When she got up, she looked at Su Lidan with a heavy gaze.

“Dear, in order to get the information you want, I’m going to surrender myself to the enemy camp. Wait for my good news. Also, don’t forget my... lunch.”

Before she turned around, she pinched Su Lidan’s lifeless face.

Then, she held her textbook and rushed to the last row quickly. Before the other students entered the classroom, she sat next to seven.

“Liuliu...”

Su Lidan was still in a daze. The students who couldn’t block seven from the teaching building had already returned to the classroom when they saw that it was almost time for class.

Yu Liuliu sat in the last row of the classroom. He could clearly hear everyone discussing with regretful voices the moment they entered the classroom.

“My Prince Charming actually didn’t come to the school. I’m worried that he might have suddenly regretted and chose to go abroad to study.”

"I heard that there are at least a hundred famous schools that have invited him overseas. If it were me, I wouldn't have thought of a reason to give up a world-famous school and come to a university."

"What are you saying? Did your alma mater let you down? "You're not allowed to flatter and trample on one another, even though I also feel that it's a little unbelievable that a non-human genius like seven chose to come to a university. No matter what, he should have chosen a world-famous school that is ranked in the top three."

"It's over, it's over. The more I talk about it, the more I feel that seven will probably regret it at the last minute and leave without entering the school gate..."

"..."

Yu Liuliu listened to the discussions by his ears and quietly turned his head to look at the person beside him.

A certain focal point that was being discussed seemed to have blocked all the sounds around him. He did not move an inch and did not even raise his eyebrows as he lowered his head to play with his phone.

Yu Liuliu did not know what it was playing, but its focused gaze made him forget that it was wrong to peek at the screen of someone else's phone. He could not help but move closer to Yu Liuliu and peek at his phone from the corner of his eyes.

#### **Chapter 2125: The most beautiful thing is reunion after a long separation (8)**

When he realized that he was not playing with his phone, but writing code, his eyes almost popped out.

He covered his mouth and did not let himself call out.

Just as he was about to ask if he was human, a string of titles that Sultan had revealed for seven in order to convince her to go downstairs to fetch the Prince Charming suddenly flashed through his mind.

To be fair, he was indeed not human.

Then it should not be strange for him to take a finance class and write code on his phone.

She had to be calm and collected.

She could not act like a little girl who had never seen the market before.

Her mother had said that men who said they liked you were simple, but in reality, they were laughing at you for being stupid and gullible.

What they really appreciated was a woman who was wise and had no loss of interest.

While Yu Liuliu was calming herself down, someone finally noticed seven, who should not be in the classroom.

A few female students immediately screamed.

"He's so handsome!"

"Is he here to look for someone in our class? whose friend? I really want to know if he has a girlfriend!"

“Nonsense, didn’t you see him sitting next to Yu Liuliu? With the school beauty here, what else is there for us?”

“Right, right, right. I also suddenly realized that seven and my liuliu have the same face. The combination of a Prince Charming and a goddess is indeed pleasing to the eye!”

Su Lidan suddenly moved into the crowd and sighed.

Immediately, a huge uproar was created.

Everyone in the class who heard what she said went crazy.

“What did you say? He is seven?”

“My Prince Charming is indeed intelligent and extremely handsome... Oh No, it’s a feeling of being moved!”

“Wait, is my Prince Charming now my classmate? Am I Dreaming?”

“I can’t believe it...”

The classroom was bustling with noise.

Unlike ordinary fans, the students who screamed in the classroom were not only female students, but even the male students were excited when they heard Seven’s name.

This was a real god.

In his world, there seemed to be nothing that could not be solved.

Whenever he participated in a competition, the champion was as if he had been predetermined.

There were no exceptions.

Moreover, although he was mysterious, he was different from the average high IQ God who liked to deliberately mystify things.

Seven’s favorite thing was to subdivide all the solutions to a question and then organize them and post them on his Weibo, so that all interested people could try them out through his Weibo.

Occasionally, he would find interesting questions and post them for everyone to play with.

At first, there were always people who were unconvinced and wanted to compete with him.

In the end, they all submitted to the god and became his fans.

Therefore, Seven’s fans were not only female fans, but also many male fans.

Usually, one could not see his face. Everyone worshipped him, but most of them worshipped his high IQ.

His loyalty was extremely high.

Now that they were in close contact with their idol, not many people could remain calm.

Only ten seconds had passed since Su Lidan's unintentional sigh. Yu Liuliu realized that they were surrounded by the entire class..

To be precise, seven was surrounded by the entire class. She was just the one who was... implicated?

Yu Liuliu lifted her butt. Just as she was about to retreat and change her position, her arm was already grabbed by someone.

Her entire body trembled. She turned her head forcefully and stared at seven who was pulling her.

Her face was filled with fear.

How did he know that she wanted to run?

He had been staring at her the entire time?

Soon, she realized that she was thinking too much. He had just finished writing a small program and wanted her to help take a look.

"Can you slow down?"

Yu Liuliu glanced at the people around her and asked with a strong desire to survive.

Everyone looked at him like this, he stared at her alone, not good?

### **Chapter 2126: The most beautiful thing is reunion after a long separation (9)**

Seven glanced at her and saw the dilemma in her eyes. He pursed his thin lips.

He didn't say anything and just retracted his hand. His eyes flashed and he lowered his head to continue writing the program.

He still acted as if no one was around.

"My Prince Charming is indeed very cold, but he's still very handsome!"

"Isn't my Prince Charming a programming major? Why is he in our international finance major's classroom?"

"Is he writing a program? Oh My God, I can actually see a living God writing a program in front of me!"

"Oh no, it's still the feeling of being moved!"

"..."

Yu Liuliu almost couldn't bear to listen to the exclamations that came one after another.

In comparison, she suddenly understood Sudan a little.

At least she wasn't like the female classmate who had been moved twice. She pressed her chest as if she was about to faint.

She didn't know if she needed to call 120 in advance for her.

Yu Liuliu thought about it with a bad taste in her heart, and her body subconsciously moved to the side.

Although she was a fan of looks, she was afraid of trouble.

If she became the Public Enemy, it would definitely be a very troublesome thing.

Therefore, things like infatuated seven could be done secretly, but on the surface, she had to be more reserved.

No matter what, she was still the school Belle.

A goddess-level figure was on equal footing with seven... right?

The last question mark made Yu Liuliu feel very guilty.

She sneaked a glance at seven to make sure that he didn't look angry, and then she immediately calmed down.

She didn't make everyone happy for long before the class bell rang.

Everyone secretly regretted not coming up earlier, especially those students who had just rushed to the classroom door and wanted to inform their good friends in the next class. The moment the class bell rang, Jijio, who had stepped out of the classroom door., pulled back dejectedly.

Walked to his seat in despair.

The first class of the semester was the class meeting.

The counselor of the third year of the major in international finance was a female counselor.

Rigorous, professional, and meticulous.

Her style was more old-fashioned. She usually did not smile, which made many students in the class afraid.

In front of her, she was absolutely as obedient as she could be.

The moment the counselor appeared, the classroom that was bustling with activity a moment ago instantly became as quiet as a chicken.

Only a few female students who were unable to recover from their shock were still staring at seven.

Very soon, the counselor called out their names one by one and called them out.

"What are you all looking at? The class bell has rung. Why are you looking at the back of the classroom instead of the podium? Is there anything rare in the classroom?" The counselor's stern voice spread throughout the entire classroom.

Everyone lowered their heads in unison.

Immediately after, they thought of something and turned their heads to look at seven, who had slapped the classroom one last time.

Seven was expressionless.

The second the class bell rang, the phone in his hand had already been put away.

Compared to others, seven seemed to remember the discipline that a student should have.

He did not have the slightest intention of looking down on any teacher or classmate by relying on his high IQ.

On the other hand, Yu Liuliu was used to being watched by everyone, but that was in the past. Other people watched her, unlike now, when it was because of the people around her..

She turned to look at seven, wanting to remind him not to cover his face with a notebook.

After thinking for a while, she was worried that he would misunderstand, so she held back.

Fortunately, the counselor quickly spoke.

“Today is the first day of school. I’ll first read out the school’s teaching arrangements for everyone...”

The long and tedious reading began.

The classroom was very quiet.

The dull silence, coupled with the wind blowing in from outside the window, made Yu Liuliu, who had not slept well yesterday, feel a little sleepy.

#### **Chapter 2127: The most beautiful thing is reunion after a long separation (10)**

Just as she was about to lie down on the table, she thought of the counselor on the podium and immediately sat back down.

The students in the class only took one more glance at seven at the back of the classroom. They were all called by the counselor. If she fell asleep during the first class, she might be blacklisted.

Moreover, sleeping next to her Prince Charming would ruin her image no matter how she thought about it.

Yu Liuliu pinched her thigh and tried hard to straighten her back.

However, her whole body was weak. After holding on for a while, she lay down on the table again and pressed her chin against the table, almost passing out.

She got up too early and didn’t have breakfast. Her blood sugar was a little low, so she was sleepy and hungry at the moment..

“One piece will be better.”

A hand with clear fingers placed a piece of chocolate in front of her.

Yu Liuliu’s eyes instantly lit up!

What could be more exciting than seeing food when she was hungry?

Yu Liuliu nervously turned her head and looked around to make sure no one was paying attention to her. She grabbed the chocolate on the table, tore it open quickly, and swallowed the whole piece.

She narrowed her eyes happily.

It was still her favorite hazelnut flavor..

She suddenly thought of something and looked down at the chocolate wrapper in her hand.

It was her favorite brand.

She had never mentioned it to anyone other than her family.

Was it a coincidence?

Yu Liuliu turned her head to look at the person beside her.

Although the face in front of her was very unfamiliar, she still felt a sense of familiarity when she looked closely.

There was also the name seven..

Seven.

Qi Qi.

Bits and pieces of information flashed through Yu Liuliu's mind. When they were put together, she felt that it was somewhat inconceivable.

"Um, I'm sorry. I want to ask if we know each other? What I mean is... other than the English name seven, do you have any other names?" Yu Liuliu asked in a roundabout manner.

"..."

Seven just looked at her and didn't say anything.

His calm gaze didn't look like he was looking at someone he knew.

"I'm just asking casually."

Yu Liuliu realized that her words were a bit like a trick to hit on a handsome guy on the street, so she quickly changed her words.

She gripped the chocolate candy wrapper in her hand, and her heart suddenly hurt.

In the past, there was someone who liked to take food out of his pocket for her when she was hungry.

He was obviously younger than her, but he always liked to take care of her.

He would stick by her side even when she was sleeping.

She didn't know how many times her father had beaten her up, but he was still persistent in sneaking into her room..

Her childhood was always very beautiful.

Yu Liuliu couldn't help but laugh out loud. When she came back to her senses, she thought of the person she had lost contact with for many years, and her eyes darkened again.

When she saw seven handing her chocolate just now, she really thought of him..

B \* stard, he said that he would return to the country to give her a surprise on his 18th birthday, but he actually lied to her!

“... Today’s class meeting, I would like to introduce a new student to everyone. I’m sure all of you have already noticed that it’s seven who has just transferred to our class.”The counselor changed the topic, a burst of warm applause instantly rang out in the classroom.

The sudden applause startled Yu Liuliu.

She thought something had happened and wanted to stand up, but a hand pushed her back to her seat in time.

At the same time, the counselor happened to say something.

“Student seven, you should be familiar with him. Let’s welcome him to the stage to introduce himself to us!”

“...”

Seven withdrew his hand from her shoulder, stood up calmly, and tidied his clothes.

Before he left the stage, he suddenly turned to look at Yu Liuliu.

“Student Yu, can I ask you for a favor?”

Yu Liuliu:“? ? ?”

### **Chapter 2128: The most beautiful thing is reunion after a long separation (11)**

He wanted to go on stage and introduce himself. What could she do to help?

Yu Liuliu looked at him with a dumbfounded expression. Seven’s expression did not change as he extended an arm towards her.

“Help me up.”

“...”

Where’s his walking stick?

Yu Liuliu subconsciously turned her head to look for his walking stick, but seven did not give her a chance to refuse. His arm was already placed on her shoulder.

If she pushed him away in front of so many classmates, it would appear that she did not have the love of her classmates.

If he accidentally fell because of this, Yu Liuliu would probably be torn to pieces by his fans.

But!

She was the school Belle, when did her popularity become so low? ! She had actually fallen to the point of being a walking stick!

Yu Liuliu thought indignantly in her heart, but at this moment, she could only support seven to the podium.

Along the way, she heard people saying that she was lucky to have a chance to get close to seven. She almost couldn't help but roll her eyes.

She didn't want this kind of luck at all. Whoever wanted it would take it away.

Although seven was very handsome, in Yu Liuliu's heart, her father was even more handsome!

And her younger brother, who had been handsome since young..

When she first saw seven, she already felt that he was very tall. Now that she was supporting him, she realized that he was more than a head taller than her. His arm was easily placed on her shoulder.

Moreover, he did not hesitate to put all the weight of his body on her.

The two of them were almost close to each other.

Was this guy really eighteen years old?

Was he lying about his age?

He did not look young at all.

The two of them went up to the podium like conjoined twins.

The moment Yu Liuliu saw that he had stabilized himself, she felt relieved and wanted to run.

Before she could take a step, seven reached out and grabbed her shoulder, using her as a crutch again.

Yu Liuliu:"? ? ?"

Yu Liuliu lowered her voice a little indignantly and asked, "Student Seven, aren't you taking things a little too far?"

"It's been hard on you."

Seven looked at her sideways. Unlike Yu Liuliu's reminder, which was deliberately lowered, he used a volume that could be heard by all the students in the class, including the teachers, to express his gratitude.

If everyone saw her pushing him away at this moment, she would be scolded to death..

Was he playing dirty with her?

Yu Liuliu was stunned.

Seven was not affected by her at all. He still calmly treated her as his walking stick. He supported his body and opened his thin lips slightly.

"Hello, everyone. I Am Seven."

With a simple self-introduction, the atmosphere in the classroom instantly boiled.

Thunderous applause sounded as if they were welcoming their idol to the stage.

Seven bowed politely to everyone and said one more sentence.

“I’m very happy to be able to become your classmate. Please give me your guidance in the future!”

“AH –”

The female students below had already gone crazy.

Their hands were pressed against their chests, as if their hearts were about to jump out of their chests if they did not press down on them.

Not only was the Prince Charming handsome, he was also so polite.

He was simply perfect!

Seven’s two sentences were followed by more than ten minutes of applause. In the end, even the counselor had no choice but to step forward to control everyone’s enthusiasm and let seven return to his seat first.

“Classmate Yu, I’ll have to trouble you again.”

Seven skillfully reached out and put his hand on Yu Liuliu’s shoulder, leaning his entire body against hers.

Yu Liuliu:” ...”

They seemed to have just met each other, so his actions were a little too proactive.

Yu Liuliu kept feeling that something was strange, but she couldn’t tell.

In front of so many people, she couldn’t directly ask seven, so she could only follow his request and help him to the last row of the classroom.

The Classroom for the class meeting was very large, and it wasn’t full.

### **Chapter 2129: The most beautiful thing is reunion after a long separation (12)**

In the last row, there were only the two of them.

Yu Liuliu finally helped him to the back of the classroom. When she realized that no one could see them in this position, she immediately let go of her hand and let him sit down by himself.

However, just as she let go of her hand, Seven’s body swayed.

Then, before she could regain her senses, he fell towards her!

“Bang!”

A loud sound rang out from the back of the classroom.

Seven’s entire body was pressed against Yu Liuliu’s, pressing her against the table.

His arms were propped on both sides of her body. From everyone’s perspective, it looked like a table..

Their upper bodies were practically pressed together, and their eyes met.

It was another combination of a handsome man and a beautiful woman.

In an instant, the classroom was filled with an ambiguous atmosphere.

Yu Liuliu's mind was a little muddled as he stared blankly at the person in front of him.

Seven, on the other hand, propped himself up slightly and asked worriedly, "Are You Alright?"

"..."Yu Liuliu suddenly came back to his senses and wanted to push him away to stand up, but in the end, he was too anxious and used too much strength. Seven was almost pushed to the ground by him.

He barely managed to hold on to the edge of the table to stand firm, and his entire body was also swaying.

She hurriedly grabbed him, and in the end, the two of them stuck together again..

They really could not wash themselves clean even if they jumped into the Yellow River.

Yu Liuliu thought to herself.

"You sit down First!"Yu Liuliu was anxious.

"Okay."Seven sat down on the seat without any objections.

However, he did not let go of the hand that was grabbing her shoulder, so Yu Liuliu was pulled by him and also sat on his lap..

From the front, it looked like she was sitting in his arms.

One of his arms was still half-wrapped around her slender waist.

"Hiss—"

A series of gasps sounded in the classroom.

Yu Liuliu also gasped.

She hurriedly stood up from his lap and frowned slightly.

Just as she was about to speak, seven had already opened his mouth before her.

"Sorry, I sat in your seat."

"..."

He apologized very sincerely and quickly changed to his own seat.

It was not obvious that his actions just now were intentional.

Yu Liuliu's sullen eyes stared at him for a long time before she finally sat down awkwardly.

After everyone returned to their respective seats, the classroom finally returned to its usual calm.

However, Yu Liuliu's heart was still beating a little fast.

When he pressed her against the table just now, he seemed to have pressed against her ear and called her liuliu... she did not know if she had heard wrongly.

It was the first time she had been so intimate with the opposite sex, and her cheeks could not help but burn.

She turned her head to look at the person beside her, but his expression did not change. He was calm as if nothing had happened.

Yu Liuliu indignantly took out a notebook from the drawer and drew a small person to curse him..

Her childish actions were all seen by the people around her.

Seven's evil eyes flashed slightly. At an angle that she could not see, the corners of his mouth curled up slightly, and his gaze was doting.

Seeing that she had drawn her own sketch in a notebook and then secretly painted his cat face, the smile on the corner of his mouth became more and more obvious..

Six-six, I'm back.

Will you be happy?

Seven thought of something, and his eyes suddenly became gloomy. He looked down at his injured leg.

This was a gift from heaven on his eighteenth birthday.

If he hadn't heard her say that, he wouldn't have lost control of his car.

When the car hit the guardrail, he thought he would die, but he was lucky. He only injured one leg.

The moment he woke up, he decided to come to a university.

To become her classmate..

—

“Ring-”

The class bell rang.

Yu Liuliu quickly packed up the things on the table. The second she saw the counselor leave, she was the first to stand up!

### **Chapter 2130: The most beautiful thing is reunion after a long separation (13)**

The world was vast, and the meal was the largest!

The cafeteria at noon was definitely a place that the military would fight for.

Her agreement with Sudan had not officially come into effect yet. She had to rush to the cafeteria before everyone else so that she would not be squeezed into a meat patty later.

Yu Liuliu did not have the burden of being the school belle at all. She picked up her school bag and was about to run away.

She was very fast, and so were the people sitting next to her.

The second she stood up, Seven's hand had already reached out, but just as he was about to touch her, he saw from the corner of his eye that the other people in the classroom were surrounding them.

The hand under the table suddenly stopped.

With just a moment of hesitation, Yu Liuliu, who was next to him, ran away.

This was also the first time Yu Liuliu had encountered such a situation. Usually, after class, everyone rushed out of the classroom.

She was sitting in the last row today, so she was at a disadvantage in terms of position. That was why she wanted to run faster.

Who knew that just as she took two steps forward, she suddenly realized that the students in the classroom were all running toward her position..

They were all holding pens and notebooks in their hands.

Yu Liuliu's nerves shook!

Without hesitation, she avoided the crowd and ran to the front of the classroom, near the podium.

When she turned around, she saw seven, that annoying fellow, surrounded by the crowd.

She was surrounded by the crowd:

"Seven, I've liked you for many years. Can you give me an autograph?"

"I'm a loyal fan of yours. I never thought that we would have the chance to become classmates. Can I Shake Your Hand?"

"Seven!"

"Seven!"

"Seven..."

Yu Liuliu's ears hurt.

She probably didn't want to hear the number seven for a very long time!

She glanced at seven, who was suffocating from being surrounded. Without much sympathy, she reached out to pick her ears and quickly left the classroom.

When she left the teaching building, she seemed to see many students who were not professionals running upstairs.

It seemed that everyone had received the news and was prepared to go and watch the god..

TSK TSK.

The God was so pitiful!

However, thinking about how he had tricked her for the entire morning, Yu Liuliu was secretly happy in her heart.

She happily did not return to her dormitory and directly carried her school bag into the canteen.

Unexpectedly, the canteen, which was usually filled with people at noon, was actually empty today.

Apart from a few students who were queuing at individual windows, the other windows were so empty that she suspected that she had gone to the wrong place.

“Did you guys hear? Seven skipped a grade and went to the third year of the International Finance Major. He’s holding a meeting in the classroom right now to give everyone autographs!”

“Really? That’s My Prince Charming. I want to go too!”

“The autograph of the God!”

“...”

As a result, Yu Liuliu could see with the naked eye that there were even fewer people in the restaurant just now..

What’s wrong with the Almighty?

What’s wrong with being good-looking?

Can he be eaten as a meal?

Seriously, the students were not rational at all.

Unlike her, who only cared about food.

She was so anxious that she did not feel hungry.

Yu Liuliu found her favorite dishes, hit them one by one, and slowly found a table to sit down at.

Then, she sent a message to Su Lidan.

As a seven fan, Su Lidan must have squeezed into the crowd in the classroom at this time to ask for an autograph.

Seeing that she had to bring her lunch for the next month, Yu Liuliu kindly gave her lunch as well.

Then, she opened wechat and told her where she was in the cafeteria.

In the end, before she could wait for Su Lidan, two uninvited guests arrived first..

“Yo, isn’t this our school belle? She didn’t bring your little sidekick today, but ate by herself. How Rare!”
