

My Life 2131

Chapter 2131: The most beautiful thing is reunion after a long separation (14)

Yu Liuliu was burying her head in her food.

Her mouth was stuffed with rice, and she was holding a drumstick in her hand. She had just taken a bite.

Hearing this familiar voice, she frowned in disgust.

She swallowed the rice in her mouth and put down the drumstick.

She pulled out a piece of tissue and wiped her mouth and hands.

One second, she was still a foodie without any image. The next second, she seemed to have transformed into a noble princess.

Yu Liuliu perfectly switched between the two temperaments, especially that pure and bright face. No matter which angle one looked at it from, it was breathtakingly beautiful.

Women couldn't help but be jealous, let alone men who couldn't look away.

Ning Lizi's face with exquisite makeup became a little ugly.

A cold light flashed across her eyes.

The campus belle of a university had always been taken over by their Art Institute.

This year, it should have been her too.

However, Yu Liuliu suddenly appeared out of nowhere, and with her bare-faced photo, she overpowered her.

Not only did she win the title of campus Belle from her, but she also made everyone laugh at her for having a "Make-up face". If she didn't wear makeup, she wouldn't be considered a beauty at all.

If Yu Liuliu was just a vase, it would be fine.

Ning Lizi could even use her good grades to suppress her.

After all, she was the first place in the art academy every year, and she had won quite a few awards.

But who knew that Yu Liuliu looked like a silly and sweet girl, and her homework was actually so good.

Ever since she entered the school, she had been taking care of all the scholarships.

The awards she had won added up to be even more valuable than hers!

This caused Ning Lizi to be ridiculed once again..

Every year, the two of them would be compared in the school beauty contest, but Yu Liuliu would always win.

As time passed, a saying started to spread in University A.

It was said that Yu Liuliu was the school beauty of University A, while Ning Lizi was the joke of University A.

How could she swallow this insult!

“If the campus Belle doesn’t mind, why don’t We Sit Together?” Ning Lizi didn’t look at Yu Liuliu’s expression and didn’t wait for her to speak. She pulled out a chair and sat across from her.

The girl beside her could only sit down as well.

Yu Liuliu furrowed her brows again.

She hated it the most when others disturbed her while she was eating.

When she was enjoying her meal, couldn’t she speak more slowly?

“Liuliu!”

Su Lidan finally got the signature of the god he had always dreamed of. He excitedly appeared at the entrance of the canteen.

He dashed towards Yu Liuliu!

He threw himself into her arms in one go.

“Seven’s signature! Not only did I get his signature, he even shook my hand! Can you believe it? Quickly pinch me and pinch me hard. I’m so afraid that I’m Dreaming...”

“PFFT!”

Yu Liuliu hugged her roommate. Seeing how happy she was, she could not help but laugh along with her.

Just as she was about to remind her to keep a low profile, she heard a sneer.

It was accompanied by Ning Lizi’s ridicule.

“I was wondering who it was. It turns out that it’s your little sidekick. With Seven’s autograph, you’re acting like seven likes you. You really haven’t seen the world!”

Su Lidan finally came back to his senses after hearing Su Lidan’s blunt words.

He turned his head and glanced at the two people sitting opposite them. His reaction was the same as Yu Liuliu’s, and his brows furrowed.

It was fine if it was Ning Lizi, but the person beside her was Fang Huishi, their roommate.

She actually didn’t help them, but helped Ning Lizi?

Su Lidan let go of Yu Liuliu, pulled out a chair, and sat down. He generously placed the signature he had received on the table.

“I just like seven. I just haven’t seen the world yet. So what? Seven doesn’t like me. Does he still like you?”

Chapter 2132: The most beautiful thing is reunion after a long separation (15)

Su Lidan was a straightforward person and had always been a little hot-headed.

People who did not like her would never be polite.

However, what made her even angrier now was not Ning Lizi, but Fang Huishi, who was standing on Ning Lizi's side.

The female dormitory of a university was four people in one room.

They were basically in the same major, but their dormitory was more special. They were students from two management colleges and two art colleges living together.

There was more than one girl in the girl's dormitory, so no one would find it strange.

Other than Fang Huishi, there was another girl from the art college in the dormitory. Her name was Miao Wen.

However, one of them was an instrumental music major, and the other was an art student.

A third-year art student often went out to sketch. Miao Wen was not in school, so the four-person dormitory was now occupied by three people.

Fang Huishi was in the same dormitory as them, so they did not have any conflicts. However, because they were not in the same college, the three of them were not very close.

Most of the time, it was Su Lidan and Yu Liuliu who were together.

However, they were still in the same dormitory. The relationship between the three of them was definitely better than that of ordinary classmates.

Previously, Fang Huishi's family had encountered a problem and their finances were tight. A few of her roommates had even pooled their money to lend it to her.

Now that Fang Huishi was standing with Ning Lizi, it was as if her elbow was about to twist. How could Su Lidan not be angry? !

Fang Huishi felt a little guilty after being stared at by her for a while.

"Well, the food is about to get cold. Let's eat first..."

"It's not certain whether seven will like me or not. But how could seven like someone like you?"

Ning Lizi interrupted Fang Huishi and sneered.

She looked at Su Lidan up and down with contempt.

"TSK TSK, with your conditions, seven should have at least thousands of people around him, right? You Can't even recognize him if you throw him into a crowd. How can you expect to climb up to a genius like seven? It makes people want to laugh."

"Do you know how to talk? I can teach you if you don't know how to Talk!" Su Lidan picked up the plate in front of him and stared at Ning Lizi angrily.

"Sigh, sigh..."

The person who was anxious first was not Ning Lizi, but Yu Liuliu.

She did not even think about stopping Su Lidan. She snatched the plate from her hands and mumbled.

“If you want to smash it, then smash your own plate. This is my rice!”

She had not eaten her fill yet.

“I’m just pretending. I’m not stupid. How could she be worth me wasting a delicious meal?” Su Lidan clapped his hands and teased.

He glanced at Ning Lizi’s unsightly expression and calmly pulled out a chair to sit beside Yu Liuliu.

He pulled the plate in front of him, put his arm around Yu Liuliu’s shoulder, and opened his mouth again.

“Student Ning is right. I, on the other hand, have an ordinary appearance and an ordinary brain. It’s normal for seven not to like me. Originally, I only admired and admired him, and regarded him as my goal. But you know, life is sometimes so wonderful. Even though he doesn’t like me, he likes my Liuliu. Today, he even took the initiative to let my Liuliu be his deskmate... but that’s also true. After all, My Liuliu is the school belle, much better than some jokes!”

“You!”

What Ning Lizi cared about the most was the fact that she had been ridiculed for not being able to be the campus belle.

Now that she had been ridiculed in front of Su Lidan, she was about to flare up.

However, there were more and more people in the cafeteria.

The place where Yu Liuliu appeared had always been eye-catching.

When everyone heard that there seemed to be an argument over here, they did not forget to glance at them when they were eating.

Chapter 2133: The most beautiful thing is reunion after a long separation (16)

If Ning Lizi were to attack or curse now, she would be the one to lose face.

“Dandan, eat more and speak less.”

Yu Liuliu picked up a spoon and fed Su Lidan a mouthful of rice.

Although she had nothing to do with seven, Ning Lizi’s words were too impolite, so she would not ruin her reputation at this time. She could only watch as Ning Lizi mocked her.

Ning Lizi saw her reaction and felt guilty.

Who was seven?

He was the number one genius in the nation’s universities.

Although Yu Liuliu’s grades were not bad, in front of seven, they were nothing.

Moreover, she heard that seven was a loner and rarely took the initiative to talk to others.

How could he be that kind of shallow person who took the initiative to strike up a conversation with Yu Liuliu when he saw that she was good-looking and asked her to be his deskmate..

They really didn't even bother to draft up their big words!

Ning Lizi's eyes turned slightly, and instead of being angry, she laughed.

She slowly picked up the drink in front of her and took a sip, teasing her.

"It seems that our school Belle is really charming. Seven has only just arrived, and she took the initiative to invite you to be her deskmate. I'm afraid that she has already fallen for your skirt, right?"

Ning Lizi deliberately raised her voice.

The conversation between the few of them was instantly heard by half of the people in the cafeteria.

In an instant, everyone's eyes turned towards Yu Liuliu.

It was not an exaggeration to say that they were being watched.

"Ning Lizi, don't go too far!" Su Lidan noticed that the atmosphere was not right, and he gritted his teeth.

Seven had just arrived at University A, and everyone knew that the Almighty had many fans.

Even if seven really liked Yu Liuliu, it was not something that could be taken out to show off. If he was accidentally attacked by the Almighty's fans, he would die a terrible death.

Moreover, this kind of scandal had not been personally acknowledged by the Almighty.

Once it was thought that the woman had unilaterally sided with Yu Liuliu, the damage to Yu Liuliu would be too great..

Su Lidan was already somewhat regretful. What he had said to Ning Lizi in a fit of pique just now, would it harm Yu Liuliu.

Turning his head to look at her, Yu Liuliu had a calm expression on her face.

She was just very focused on eating.

In the time it took for them to talk, she had almost finished all the food on the plates.

She licked her lips and touched her stomach unsatisfied.

She raised her head to look at the braised chicken wings on Su Lidan's plate and swallowed her saliva.

"Dandan, you don't have time to argue anyway. The chicken wings won't taste good when they're cold. Why Don't I help you eat them first?"

Su Lidan:"..."

At this time, with so many people watching, couldn't she think of something more serious?

Why was she only thinking about eating!

Yu Liuliu received her resentful gaze and was certain that she wouldn't be able to eat the chicken wings. regretfully, she withdrew her gaze and looked at Ning Lizi.

She ignored the provocation in Ning Lizi's eyes.

Instead, she turned her head and glanced at the surrounding onlookers.

After thinking for a moment, she opened her mouth to speak.

"Seven just transferred to our major. His leg was slightly injured and it was inconvenient for him to move. At that time, there were only me and Dandan in the class, so I helped to take care of the new classmate. Student Ning is looking down on the almighty by thinking of such a question as 'worship the pomegranate skirt'."

"It was clearly su Lidan who said that seven liked you and took the initiative to be your deskmate!" Ning Lizi was still deliberately provoking him.

Yu Liuliu smiled.

He calmly turned his head and asked su lidan, "Did you say that just now?"

"Did I say that? I don't remember." Su Lidan cleverly pretended to be dumb.

At the same time, he cooperated.

"Sigh, although I like seven very much, that's because I regard him as my own role model and look up to him. Student Ning Lizi, you are sullyng the reputation of the great god by being so easy to please!"

Chapter 2134: The most beautiful thing is reunion after a long separation (17)

Ning Lizi was not the only one who knew how to sow discord.

Yu Liuliu and Su Lidan casually exchanged a few words, and everyone in the canteen immediately shifted their gazes to Ning Lizi.

Their eyes were filled with condemnation.

They seemed to be very dissatisfied with her act of casually slandering the reputation of the god.

"You... are Shameless!" Ning Lizi didn't expect that she wouldn't be able to sow discord and get herself into trouble.

She glared at them fiercely, picked up the tray, and left.

Fang Huishi hesitated for a moment, but in the end, she still followed behind her with the tray.

The dining table instantly quieted down.

Su Lidan raised his chin happily.

"We've finally killed her prestige. Otherwise, this ning Lizi would really think that we're afraid of her. Every time we see you, it's like a fly seeing shit... a slip of the tongue, like a fly seeing a delicacy. She keeps jumping forward. I can even think of her next line when I see her now."

Su Lidan raised his head and puffed out his chest. He squeezed out a sour expression and imitated her.

“Yo, isn’t this our school belle... say, every time she sees you, she always uses this opening line. Is she sick of it? The onlookers are sick of it!”

In fact, the school Belle election was just a fun event. No one really cared whether the school Belle was the school belle or not. It was Ning Lizi who lost the election herself and was not generous enough, making fun of others every day.

Everyone knew that she cared that she had not chosen the school belle. who was to blame for making fun of her?

“Aren’t you already used to it? Why are you still so angry today?”

Yu Liuliu helped her bring the soup to the front and let her take a sip to soothe her breath.

After Su Lidan finished the soup, he let out a long sigh.

“Didn’t I see that Fang Huishi was actually so close to her? I’m a little angry.”

It hadn’t been a day or two since Ning Lizi disliked Yu Liuliu. It was impossible for Fang Huishi not to know about it.

Yu Liuliu had just helped her, and she had turned around to hang out with Ning Lizi. No matter how one looked at it, it was an ingrate’s behavior.

“What do you think Huishi means? Isn’t she going back to the dormitory?”

“...”

Yu Liuliu didn’t say anything. She just looked in the direction where Fang Huishi had left.

She blinked her eyes.

Her mother had said that one would meet many people on the road of life. Some people would always be with you, and some people were just passers-by.

Be sincere and try your best to be friends.

If they couldn’t become friends in the end, they had to learn to let go.

Everything would be fine as long as they had a clear conscience. There was no need to fuss about it.

—

The matter of seven transferring to a university in the morning had spread like wildfire.

There were no classes in the afternoon.

Yu Liuliu stayed in the dormitory and could finally have a moment of peace.

Even when Su Lidan asked her to study in the library, she rejected him.

At a time when she would hear the name seven as soon as she left the dormitory, she would rather stay in the dormitory.

When no one was around, she would secretly lie on the bed and read her adult comics.

“Beep Beep!”

Her phone suddenly rang, giving her a fright.

She grabbed her phone and glanced at it. It was a message from Su Lidan.

“Ah Ah Ah Ah Ah, Liuliu, I saw seven in the library... I’m sorry...”

She understood the first half of the sentence, but Yu Liuliu was confused by the second half.

She had met seven, so why should she say sorry to her?

Although she liked Seven’s looks and considered him a half-fan, she was not his fan. She would not blame Sullidan for not insisting on dragging her to the library just because she missed an opportunity to meet her idol by chance.

Yu Liuliu was about to ask Sullidan what he meant.

Before the message was sent, she understood what was going on.

Chapter 2135: The most beautiful thing is reunion after a long separation (18)

Yu Liuliu stared at her phone, and suddenly an additional request to add a friend message appeared.

The note on it only had one English name: seven.

Needless to say, it was definitely Sulidan who had betrayed her.

Without hesitation, she sent her two words: “Traitor!”

Then, he stared at the verification message on his phone.

After thinking for a moment, she passed the friend verification.

Then, she held her phone and waited.

But after waiting for a long time, she did not receive a single message.

She exited the chat interface in disbelief and logged in again.

There was still no message.

He added her and that was it? He did not even say hello?

Yu Liuliu stared at the phone screen for a long time. Suddenly, she realized that she seemed to be paying a little too much attention to a stranger. She frowned and exited the chat interface again.

She thought of something and sent a message to her younger brother.

She asked him to help her find out more information.

Very soon, she received a reply to her question.

[uncle Tang is not in good health. Tang Qianqi has been living with the Shang family and has not returned since he left the country seven years ago. Sister, it's not like you don't know that this guy is only eight months older than me. However, he has been targeting to marry you since he was young. Father is wary of him like a thief and won't let him contact you at all. I have always had his phone number and I usually chat with him. However, it's strange. Recently, he seemed to have vanished into thin air and suddenly disappeared.]

At the same time, Yu Muyang also sent her Tang Qianqi's contact information.

Yu Liuliu glanced at it. It was completely different from what seven had written to her.

It seemed that she was really overthinking things.

Yu Liuliu could not explain why, but her heart felt a little stifled.

After she found out that seven was not Tang Qianqi, she completely lost interest in this person. She threw her phone away and continued to read the manga.

One of them stayed in bed for a few hours until it was almost dark. She was so hungry that her stomach was growling. Only then did she remember that she had not eaten dinner.

She quickly got out of bed, changed her clothes, and prepared to go look for food.

Su Lidan was still soaking in the library. Yu Liuliu did not mistreat herself by eating dinner alone.

After eating and drinking, she was about to take a stroll when her phone rang.

It was an unfamiliar phone call.

But Yu Liuliu was no stranger.

She recognized it at a glance. It was the phone number seven had written on her palm today.

The Mo family's direct descendants were all gifted. Yu Liuliu had grown up, but she didn't discover what her gifted skills were. She just remembered everything faster than others, and it was very easy for her to learn.

With her ability, she could definitely skip a grade, but her father felt that girls shouldn't work too hard and just go to school step by step.

He wouldn't let her skip a grade.

He wouldn't let her go abroad and insisted that she stay in City H to study at a university.

It was she who had joined hands with her mother to fight for victory. In the end, she barely managed to get the chance to choose her own university.

Without hesitation, she chose a city that was the furthest away from City H..

The sky was high and the emperor was far away!

At this moment, she recognized Seven's call at a glance. She pouted and picked up the call first.

"Yu Liuliu, this is seven."

It was a very polite opening line.

Yu Liuliu was not in a hurry to reply, waiting for his next sentence.

“Have you had dinner?”

“...”

Yu Liuliu raised her eyebrows in surprise. Could it be that he wanted to ask her out for dinner?

The words that Su Lidan had unintentionally said that afternoon suddenly flashed through her mind, and her heart skipped a beat.

Could it be that this seven really had feelings for her?

He liked her the moment they met. Wasn't that too frivolous?

Yu Liuliu was about to say that she had already eaten, but he had already opened his mouth.

“It's not convenient for me to go out with my leg injured. Can I trouble you to bring me a dinner?”

Chapter 2136: The most beautiful thing is reunion after a long separation (19)

Yu Liuliu:“? ? ?”

This classmate, did you make a mistake?

They only knew each other for the first day, and he didn't eat. What did it have to do with her? Why did she have to run errands for him?

Yu Liuliu took a deep breath and resisted the urge to curse.

She thought about it and answered very politely.

“I still have something to do, maybe...”

“It won't take up a lot of your time. You're the only person I know at University A. If you're not willing, then forget it. It's fine if I don't eat.”

Seven said this in a lonely tone and pretended to hang up the phone.

Yu Liuliu kept yelling at himself in his heart. He was not allowed to be soft-hearted, but in the end, he could not control himself and asked with a mean mouth.

“What do you want to eat?”

“Just any set meal and a set of pissing beef balls,”the other party replied very quickly.

It was so fast that Yu Liuliu suspected that he had already guessed that she would agree to help him bring food.

In his heart, he secretly scolded himself for not living up to expectations.

Then, he turned his head and entered the canteen that he had just come out of.

After picking and choosing, he finally chose a set meal that was suitable for patients with leg injuries and even packed a pig's trotter soup for him.

It was a form of complement to form.

Finally, she carried a set meal, two snacks, and a soup. She set off for the male dormitory.

The pissing beef ball was her favorite. When she bought it for seven, she couldn't help but buy one for herself.

The dormitory buildings of a university were not far away.

Yu Liuliu was worried about her snacks. She was afraid that it would get cold, so she walked quickly. In a short while, she arrived at dormitory building number one where seven lived.

It was only when she stood below the dormitory building that she remembered that this was the male dormitory. She could not enter.

Just as she was about to call seven and ask him to come down and get it himself, she saw a person walking out of dormitory number one with a crutch.

He was wearing a thick coat, and the zipper of the coat was very high.

He also wore the hat of the coat on his head. His head was so low that his face could hardly be seen.

However, Yu Liuliu recognized the crutch in his hand.

Seeing that seven had come out on his own, he simply stood there and waited.

When he walked in front of him and was about to pass the food in his hand to him, he was pulled by seven and continued to walk to the empty space at the side.

"You..."

"There are too many people in the male dormitory building. It's not good for you to be seen. Let's find a quiet place to eat," seven said faintly.

"We're innocent. What's there to be afraid of?" Yu Liuliu said indifferently.

A righteous body is not afraid of a slanted shadow.

"What people say is terrible." Seven's eyes darkened. When she heard her say "innocent," a hint of loneliness flashed in her eyes. She insisted on pulling her forward.

In front of dormitory building No. 1 was a ping-pong field. After that, there was a plastic track and a football field.

There was also an empty grass field next to it.

Seven's goal was very clear. He pulled her toward the empty grass field.

Yu Liuliu was carrying something in her hand. She was pulled along by him. She had been worried that the soup in her hand would spill.

She did not react for a moment. He could have walked so far. She could have just gone to the cafeteria to eat. Why did he ask her to bring food? !

Then he thought that he was probably afraid of being surrounded by people.

After all, if she was stared at by more than a hundred people at the same time, she would choke on her food.

The two of them arrived at the empty meadow. Seven let go of her and casually sat down on the grass.

“Here, your food. I’ll go back first.”

Yu Liuliu put down her things, picked up her snacks, and turned to leave.

Seven caught her hand off guard, and his voice was very low.

“My legs are inconvenient. I walked too far alone. I might need someone to help me back later. Can you stay with me for a while?”

Chapter 2137: The most beautiful thing is reunion after a long separation (20)

His pitiful tone made Yu Liuliu’s heart soften.

She recalled the time when she left home in high spirits and went to school alone in City A.

She was alone outside and surrounded by strangers.

Even if no one bullied her, she could not help but feel homesick, especially when she ate alone..

“I have self-study in a while. I’ll wait for you for half an hour at most.”

Yu Liuliu spoke softly.

“Okay.”

Seven agreed readily and took the snack from her hand. He first opened the pissing beef ball for her and fork out one for her.

There was delicious food. Yu Liuliu also sat down on the grass.

While eating the beef ball, she could not help but steal a glance at seven.

He looked very refined when he ate. His speed was neither fast nor slow, and he was not picky about his food.

She originally wanted to ask if the food she brought was to his liking, but seeing that his lunch box was almost empty, she did not say anything.

However, when he saw that she brought pork trotter soup, he raised his eyebrows and glanced at her.

Yu Liuliu immediately lowered her head guiltily.

Using the shape to make up for the shape was an excuse. It was true that she took the opportunity to call him a big pork trotter..

Could he have seen through it?

Yu Liuliu waited for a while. When she saw that he was just quietly drinking the soup and did not say anything, she secretly heaved a sigh of relief.

However, she had finished the beef balls made of wrasse..

The beef balls made of wrasse from the a university cafeteria were famous for being delicious. The beef balls made of pure hands were fragrant and Q.

There were only three of them in one serving. She originally thought that one serving would be enough since she had just finished eating.

But who knew that one serving would just trigger the little glutton in her stomach.

She pursed her lips and could not help but glance at the portion seven had asked her to bring in the bag.

“Do you want to eat?”

Seven caught her gaze and used one hand to pick up the beefball.

“... I’m just looking. Well, if you don’t eat it quickly, it will get cold,”Yu Liuliu said reservedly.

He said that he didn’t want to, but his body was very honest.

He swallowed his saliva.

His eyes still didn’t move away from the pissing beef ball in his hand.

Seven took in all of her reactions. The corner of his mouth curled up wickedly, and his thin lips opened slightly.

“Oh, you brought me soup. I might be a little bloated after drinking the soup. I was worried that it would be wasted, so I wanted to ask if you wanted to eat it...”

“Yes!”

Yu Liuliu took the bag from him without hesitation. As she opened it, she tried to save her dignity.

“Every grain is hard work. It’s a bad habit to waste food. But it’s okay. With me here, I won’t let this happen. I’ll help you solve it.”

After saying that, she picked up a beef ball and put it into her mouth. She narrowed her eyes in satisfaction.

Realizing that her reaction was too face-smacking, she tried her best to suppress her facial expression and change the topic.

“Oh right, why did you suddenly transfer to a university? Everyone is discussing whether you have been bewitched. There are so many famous schools in the world that want you, but you didn’t go.”

Yu Liuliu was just asking casually.

In fact, she already had a rough answer in her heart.

At best, a university was a famous university in the country. Otherwise, he had stayed abroad for too long and wanted to return home..

“For one person.”

Seven opened his mouth faintly.

His answer without hesitation was beyond her expectations.

Yu Liuliu looked up at him.

“Someone very important to me, so I came back.”

“...”who was it?

Yu Liuliu almost blurted it out, but thinking of such a direct question, it was too offensive.

This was his privacy. They were not familiar with him to the point where they could inquire about his private information.

Chapter 2138: The most beautiful thing is reunion after a long separation (21)

“Does she know you’re back?”Yu Liuliu asked in a different way.

“No.”

Seven lowered his eyes when he said this.

His long eyelashes blocked the dim light in his eyes.

“Didn’t you come back specifically to find her? Why didn’t you tell her?”Yu Liuliu frowned slightly and asked in puzzlement.

Seven raised his lowered eyes slightly.

His obsidian-like eyes fixed on her, enunciating each word clearly.

“Because she has someone she likes.”

“...”

Yu Liuliu’s heart tightened slightly.

He raised his head to look at him in shock, as if he couldn’t believe that someone like him couldn’t be loved.

When she realized that her reaction was too direct and might hurt him, she hurriedly coughed twice.

“Well, you should be more open-minded. When I was eighteen, I didn’t even understand what it meant to like someone. When you were my age, you might not mind so much. Really, it’s too impulsive and stupid to change the course of your life for someone else...”

“Is the age difference really that important in your heart?”

Seven’s voice suddenly became a little hoarse.

His tone also sank.

His warm palm pressed on Yu Liuliu's head.

"Yu Liuliu, there are many things that can not be defined by age. Do you understand?"

"..."

Yu Liuliu looked at him with a dumbfounded expression.

She understood.

She never looked at age. She only looked at faces.

As long as she was good-looking, she would like Little Brothers and Little Brothers.

But that was her. It would be hard to say if it was someone else.

After all, many people did not accept a relationship between siblings.

Yu Liuliu muttered in her heart for a while, but then she realized what it had to do with her?

Wait, there was a lot of information in his words..

Could it be that the girl he liked was older than him?

Was he hiding in a university to heal his injury after his confession was rejected?

Then his leg injury..

Yu Liuliu came back to her senses and realized that she had already asked the last question.

Just as she was about to apologize, Seven's lips curled into a bitter smile.

"It has nothing to do with her. I was too impulsive."

He had wanted to give her a surprise for his eighteenth birthday, but he did not expect that he would be the one to be "Surprised" in the end.

He was just one step away from walking to her side. If he had not heard her say those words..

Seven narrowed his eyes and hid the light in them.

He gathered his long legs and looked sideways at the person beside him.

"Where are you going for self-study later?"

"Class," Yu Liuliu answered subconsciously. She came back to her senses and looked at him warily.

What did he want?

To enslave her again?

Then should she be his crutch?

“Student seven, although we are classmates and should help each other, don’t you think that we have only just met...”before Yu Liuliu could finish her sentence, the person in front of her had already stood up from the grass.

She patted the grass on her body and stretched out her hand towards her.

Yu Liuliu thought that he was going to pull her. Just as she was about to say that she could stand up, she heard him speak the next second.

“Help me.”

“...”

“Yu Liuliu is right. We are now classmates and should help each other. Moreover, we are not only classmates but also deskmates. I really shouldn’t treat you as an outsider.”

“...”

Excuse me?

Was that what she meant just now?

What she wanted to say was that they were not familiar with each other, so he shouldn’t push his luck!

Yu Liuliu was so angry that she almost fainted. Before she could think of a way to make him understand what she meant, a strong arm had already put its arm on her shoulder and pulled her to his side.

He leaned all the weight of his body on her..

Yu Liuliu was almost pushed to the ground by him.

When he turned his head to look, someone seemed to be in a good mood all of a sudden.

His devilish peach blossom eyes even winked at her.

Yu Liuliu was so angry that he almost didn’t use his nine yin white bone claws to dig out his eyeballs!

Gritting his teeth, he maintained his last bit of rationality and helped him to the vicinity of the boys’ dormitory.

He stopped in his tracks and didn’t give Yu Liuliu a chance to react. He let go of Yu Liuliu’s hand.

Yu Liuliu retreated to a position that Yu Liuliu couldn’t reach.

“Student seven, what you said before makes sense. Rumors are scary. In order not to let rumors ruin your reputation, I can only send you here. You can walk the rest of the way by yourself. I’ll head back to the dormitory first. Goodbye!”

Yu Liuliu left these words and turned around to run for his life.

She ran to the female dormitory in one breath and even turned around to look at it nervously.

When she came back to her senses, she cursed herself for being a retard.

He had a crippled leg and couldn't chase after her at all. What was she afraid of?

Yu Liuliu held her forehead and walked upstairs in shock.

When she returned to the dormitory, she pushed open the door and fell onto her bed.

All she could think about was whether or not she should go to self-study.

What if she met seven again when she went to the classroom..

Why couldn't he be more aloof when he was such a Prince Charming?

Why didn't he just put on a straight face and pretend to be cool in front of everyone and sign autographs?

Why did he suddenly treat her to a pissing beef ball and ask her to go to self-study? No matter how she thought about it, it felt strange..

If he hadn't said that he already had someone he liked, she would have suspected that he liked her.

No, no, no. A natural narcissistic constitution was too dangerous.

She couldn't be like her mother, too narcissistic and risky.

Maybe seven saw that she wasn't as infatuated with him as others, so he was willing to talk to her a little more.

Wasn't that how it was played in TV dramas.

The Almighty was tired of other people's endless pestering. He met the female lead who didn't put him in her eyes, and then fell in love at first sight. He quickly fell in love with her..

Aiyo! When she thought about it, it really made the young girl's heart pound.

So, if she wanted to keep a distance from seven, she had to be like Su Lidan, sticking to him whenever she saw him?

"Dandan..."

Thinking of her roommate, Yu Liuliu got up from her bed.

She turned her head and looked around the dormitory, but she did not see anyone.

The empty dormitory did not look like anyone had returned.

When did this fellow become so diligent?

Yu Liuliu was puzzled. Just as she was about to call her, the dormitory door immediately opened from the outside. A figure rushed in from the door with a whoosh and pounced directly on her.

"AH —"

"AH —"

Two screams sounded at the same time!

Su Lidan was excited, while Yu Liuliu was shocked.

Who wouldn't be shocked when they were suddenly hugged by a bear?

Before she could push Su Lidan away, Su Lidan had already grabbed her shoulders in excitement.

"Liuliu, you've really done well. You've really done me proud! From today onwards, you're my goddess. I'll love you for Ten Thousand Years!"

Yu Liuliu:"? ? ?"

Yu Liuliu: "Dear Classmate, did you go to the wrong theater? What are you talking about?"

She had not done anything, yet she suddenly wanted to love her for 10,000 years.

She was afraid!

Yu Liuliu glanced at Su Lidan, whose eyes were glowing with green light. She cautiously moved to the side and stretched out a finger to poke her chest.

"Well, let me make it clear first. It's useless even if you like me. I only like men."

"Go to hell!"

Su Lidan took out his phone and lit it up in front of her.

"Quick, look at the school intranet. It's already blown up!"

Exploded?

What exploded?

Yu Liuliu walked up to Su Lidan with a confused look and took a look at her phone.

When she saw the message clearly, her eyes widened and she grabbed her phone.

"What the Hell Is This?"

"What the Hell Is This? This is your interaction with the Guru in class. Someone took a photo and posted it on the school's Internet saying that the two of you must be in a relationship. Do you know what's the sluttiest?" "This new account that seems to be the almighty actually liked the gossip posts between the two of you!"

Su Lidan described it with a beaming expression.

"In the early autumn season, my idol and my goddess met. There was only one glance in the crowd, and they secretly promised each other for life. Then, they began to secretly flirt with each other behind everyone's back..."

"Pui! Wake Up, child. This alternate account might just be a bystander. What are you so happy about? Besides, I have nothing to do with seven. This post is just nonsense!"

Yu Liuliu slapped Su Lidan's head to calm her down.

She turned her head and picked up her phone to enter the school intranet.

A striking photo was hanging at the front of the post.

One was of Yu Liuliu and seven sitting together in the last row of the classroom.

Another was of Yu Liuliu supporting seven on the podium and standing side by side with him.

The other one was probably taken unintentionally. It was a picture of Yu Liuliu lying pitifully on the table, holding her stomach with both hands. Seven lovingly placed a piece of chocolate in front of her..

When the three pictures appeared, the school intranet exploded!

“Who can tell me when my Prince Charming met my goddess, and they both cuckolded me/cried/cried...”

“The Almighty has landed on the school’s intranet. Is it considered an official announcement to give a like to this post? Tearful eating dog food/storm crying...”

This was considered a comment from the harmony faction.

There were also alumni from the detective faction.

“Didn’t seven just return to the country? How did he get involved with Yu Liuliu? If they hadn’t known each other for a long time, wouldn’t it be too strange to say that two people were dating?”

“According to me, it’s most likely that someone has over-interpreted it. These few photos don’t prove anything at all. As for the likes of the Almighty, please confirm that this new account is the real almighty first, okay?”

“No real hammer, no melon. Protect our seven!”

The Almighty didn’t have any anti-fans.

However, one couldn’t underestimate a woman’s jealousy, so the unlucky one was Yu Liuliu.

There were at least hundreds of posts that called her a vixen.

This uniform rhythm opened Yu Liuliu’s eyes.

She did not know what Su Lidan was happy about being scolded so miserably.

“What do you know? !”

Su Lidan snatched her phone away and very seriously turned her shoulder, saying earnestly.

“Seven just came to our a university, and there are thousands of women staring at him. I don’t have much of a chance, but if you can take down the god, I will be happy for you. Most importantly, I can anger Ning Lizi to death!”

“...”

“You don’t know, when this post was exposed, Ning Lizi was showing off in front of me at the orientation party. She would be the host, and she would have the opportunity to be on the same stage

as seven, the student representative. In the end, when she turned her face away, you took down seven. You Don't know how Ugly Ning Lizi's expression was at that time, Hahaha... Oh!"

Su Lidan's mouth was on the line.

She looked up and met Yu Liuliu's calm and calm gaze.

"However, I didn't take down seven. In fact, we really don't know each other. You're all overthinking it."
