

My Life 2161

Chapter 2161: The most beautiful thing is reunion after a long separation (44)

At this time, if Yu Liuliu showed a little panic on her face, everyone would definitely think that she was guilty.

However, Yu Liuliu was too calm.

Her calm aura made the people around her not dare to make a conclusion easily.

Even more so, no one dared to question her.

Of course, no one dared to speak up for her.

“If the new account that pretended to be Seven’s likes is my own account, then why didn’t seven come forward to clarify the scandal when it was exposed? “So the truth behind it should be that the god that you said I tried so hard to seduce was simply falling in love with me at first sight. Maybe he was eager for someone to expose our photos, so he took the opportunity to confirm the rumor. That likes account isn’t a small account at all. It’s actually his real body!”

The moment Yu Liuliu’s words left her mouth, everyone gasped.

Everyone was shocked!

However, the reason for their shock wasn’t because they felt that what Yu Liuliu said made sense, but because they admired her exaggerated imagination.

They had seen God Yseven before, but they had never seen someone so narcissistic!

Yu Liuliu was very satisfied with the effect that she had brought.

Especially when she saw Ning Lizi’s disbelieving face, she secretly felt happy.

She continued to spout nonsense.

“Seven’s secret crush on me is actually nothing. After all, there isn’t a group of people who have a secret crush on me. I’m already used to it. If you’re really curious about our relationship, why don’t you ask seven? See if he’ll tell you that he fell in love with me at first sight and didn’t get a response from me, so he applied for an account on the school’s intranet to like our scandal thread? “I’m going to be a little bolder. Maybe he was the one who exposed that scandal post. TSK TSK, I’m too charming!”

Yu Liuliu didn’t try to clarify anything at the end of his sentence. He had completely turned into a narcissist.

Ning Lizi:” ...”

Everyone:” ...”

“How Shameless...”Ning Lizi couldn’t take it anymore. Just as she was about to curse, she caught a glimpse of something from the corner of her eye, and her expression changed.

At first, it was surprise.

Then, it became very subtle, especially the way she looked at Yu Liuliu. It was extremely strange.

Not only Ning Lizi, but everyone in the backstage had a strange expression.

No matter how Slow Yu Liuliu was, he also felt that something was wrong with the atmosphere.

He restrained his flying ego and followed everyone's gaze. When he saw a familiar figure standing at the door, his heart skipped a beat.

An ominous premonition rushed from the soles of her feet all the way up to her forehead.

When she looked up from below, she kept praying in her heart that it wasn't him, not him, not him..

It definitely wasn't seven.

He definitely didn't hear a single word of what she had said just now.

But when her gaze landed on that handsome face, Yu Liuliu only wanted someone to knock her out so that she would forget everything that had happened today.

Yu Liuliu closed her eyes in despair.

"Student Seven, you came at the Right Time!"

Yu Liuliu was in despair, while Ning Lizi was the exact opposite.

Now was the best time for her to counterattack!

Yu Liuliu had dared to boast so shamelessly just now, but because seven was not present, no one could slap her in the face.

No one had expected that seven would come at the right time.

Ning Lizi already had a premonition that the following time would be the best opportunity for her to kill Yu Liuliu completely!

As long as she seized this opportunity, not only would she make Yu Liuliu lose face, but she would also leave a deep impression on seven.

Without thinking, Ning Lizi beat everyone to it and recounted what had just happened.

She tried her best to discredit Yu Liuliu and finally said in a considerate manner.

"Student seven, don't worry. We won't believe such ridiculous words!"

Chapter 2162: The most beautiful thing is reunion after a long separation (45)

After Ning Lizi finished speaking, she turned her head to look at Yu Liuliu provocatively, waiting to see her face slapped in public.

Yu Liuliu couldn't care less about Ning Lizi at this time. She swallowed her saliva and was hesitating whether she should explain it to seven first.

Although her nonsense just now was deliberately to provoke Ning Lizi, those speculations were indeed a bit arrogant.

It was fine to talk about it behind her back.

But if he heard it in front of seven, he would be incited by others.

If he wasn't careful, seven might really misunderstand.

Yu Liuliu was already worried. Could it be that her impression of seven was about to drop to the bottom the moment she changed her opinion of seven?

But on second thought, seven was someone who would rather get into a car accident in order to protect stray dogs. He shouldn't be so stingy.

After listening to Ning Lizi's words, he seemed to raise his eyebrows at first, but his expression didn't change much.

After such a careful analysis, Yu Liuliu became bolder again.

Seeing seven raise his head to look at her, she immediately winked at him.

Silently, they communicated through their mouths.

[I'll explain it to you slowly. Help Me First.]

In front of so many people, Yu Liuliu didn't dare to be too obvious.

It was a short sentence, but she spoke very quickly. She wasn't sure if seven understood it.

"Seven, although we all believe you, in order to prevent people from spreading rumors and liking things on the school's Internet, we all know that someone deliberately used your name to do it, but it just so happens that someone wants to flatter themselves..."

When Ning Lizi said this, she deliberately glanced in Yu Liuliu's direction.

Just as she was about to continue saying something so that seven could distance himself from Yu Liuliu in public, the person in front of her suddenly took two steps forward and distanced herself from her.

She glanced at her coldly.

Ning Lizi still didn't understand why she was hated by the god.

In the next second, seven opened his mouth coldly.

"Who told you that it was a Smurf?"

"What?" Ning Lizi was dumbfounded and didn't understand at all.

However, she was the only one who didn't understand. After being incited by her, she almost believed that Yu Liuliu had intentionally exposed the fact that he was a god. When she heard this sentence, her expression changed.

One of the braver ones couldn't help but ask.

"If it's not a Smurf account, is that your real account? Although that account is your name, its level is very low. It's clearly a new account..."

Halfway through his words, he suddenly came to his senses.

Seven had just transferred to University A and was no different from a freshman. His school's intranet account was obviously a new account!

Before seven came, no one in university a dared to run around with an alternate account called "Seven". This would cause the god's fans to focus their fire on him!

In the beginning, everyone was hopeful that if the God did not come out to claim it, then it might not be his real account.

But now that seven had opened his mouth..

The slower people gradually came to their senses.

If the account was the Almighty's, then it meant that the like was also his.

If the Almighty had personally liked the scandal posts about him and Yu Liuliu on the school's Internet, then Yu Liuliu's words just now were not groundless..

But this was seven!

The Almighty!

A Top-notch Almighty!

He was a well-known figure in all the major universities in the world.

Other than the fact that he had won an award and was soft-hearted, no one had ever heard that the Almighty had someone he liked.

This meant that their a university would release gossip..

That was not right.

If that was the case, their a university was also very awesome!

Not only could they attract a figure like the Almighty, but they could also settle the matter of their lifetime in the school.

Chapter 2163: The most beautiful thing is reunion after a long separation (46)

The female fans of the god might feel a little uncomfortable, but the male fans felt happy instead.

If this seven was always single, who would be able to see them?

Now, seven had been taken down by the school belle the moment he arrived. This school Belle had been chosen by their votes one by one. Her eyes were as sharp as torches. If word got out, they would also feel proud!

Therefore, the atmosphere in the backstage suddenly became less depressing, and there was even a hint of gossip.

But no matter who was happy, Ning Lizi would not be happy!

She did not react in the beginning.

Later, when she understood what seven meant, her whole face became excited, and she rushed forward in disbelief.

“Student seven, did you not understand what I just said? You might have misunderstood something, I don’t mind explaining it to you again.”

Yes!

Seven must have misunderstood what she meant.

He thought that she was questioning him about using a Smurf account.

Even if that account was not a Smurf account, it was possible that it was a “Like” from a stolen account. It might not be the Almighty.

Ning Lizi was certain that seven had just transferred here and did not know Yu Liuliu. It was impossible for them to establish a relationship so quickly.

Right now, she was grasping at this life-saving straw.

She wanted to hear a different answer from seven.

As long as she could prove that the praise was not from the almighty himself, then it meant that Yu Liuliu’s words earlier were her own wishful thinking.

The Almighty did not put her in his eyes at all!

There were many people present who had the same thoughts as Ning Lizi, but none of them dared to ask.

Now that Ning Lizi rushed forward to be the first to stand out, everyone was naturally happy to see it.

“Seven, Yu Liuliu just said in front of all of us that you intentionally liked the post of your scandal on the school intranet, that you had a crush on her. She even said that even that post might have been exposed by you. You directed and acted all by yourself just to pursue her!”

This time, Ning Lizi did not hold back at all.

She directly asked all the questions in one go.

When she saw Seven’s eyebrows furrow and his eyes become more profound, she was secretly delighted!

She had made the right bet!

The Almighty had indeed misunderstood just now.

He was only clarifying that he did not open a Smurf account, and not confirming the scandal between him and Yu Liuliu.

Not to mention Ning Lizi, when the others saw Seven’s reaction, they could not hold back for a moment. What exactly was going on.

Was this matter going to be reversed?

Yu Liuliu was already too ashamed to look at seven. It was indeed a little awkward for her to fantasize about the almighty in front of the Almighty and be said in front of him.

She didn't look at seven, so she naturally didn't see Seven's complicated expression at that moment.

In the eyes of others, he was angry.

But in reality, someone was guilty..

After being stunned for a few seconds, in Ning Lizi's eyes, it had completely become her victory chip.

Seven did not speak. She could not wait to rush forward and question Yu Liuliu.

"Everyone saw it with their own eyes and heard it with their own ears. Seven has nothing to do with Yu Liuliu. She was the one who deliberately tried to curry favor with the Almighty..."

"Who said that we have nothing to do with each other?"

A cold voice interrupted Ning Lizi's smug words.

Tang Qianqi hated it the most in his life when others said that he had nothing to do with Yu Liuliu.

At this moment, he coldly glanced at Ning Lizi and walked towards Yu Liuliu. In front of everyone, he held her hand.

Every word was spoken clearly.

"I'm the one who liked it on the school's Internet. I'm indeed pursuing Yu Liuliu, but she hasn't agreed to it yet. It's a pity. I'll try my best."

Amidst the gasps, Ning Lizi's face alternated between green and white.

She looked in disbelief at the two men's tightly clasped hands.

Chapter 2164: The most beautiful thing is reunion after a long separation (47)

But seven seemed to be deliberately trying to provoke her and create trouble for Yu Liuliu.

Holding Yu Liuliu's hand, who was in a daze, he walked up to her.

He bent over slightly, thinking that he was going to whisper something to Ning Lizi.

In the end, Ning Lizi went up to him full of expectation, but she heard him threaten her with a voice that only the three of them could hear.

"I'm a protective person, especially when it comes to people I like. If anyone dares to bully her, I'll definitely do whatever it takes to bully them back!"

"..."

Ning Lizi, who had a stunned look on her face, did not know what expression to put on at that moment.

She had originally wanted to watch Yu Liuliu make a fool of herself, but now it seemed that she was the biggest joke in the entire scene.

She forced seven to explain the incident on the school intranet. Not only did she not hit Yu Liuliu in the face, but she also forced seven to publicly announce his love and pursuit for Yu Liuliu.

Moreover, was the god threatening her now?

Before Ning Lizi could recover from the series of face slaps, seven had already led Yu Liuliu and left the backstage.

Leaving behind Ning Lizi, who was about to be treated as a joke by everyone..

—

In the small forest.

“Thank... Thank you.” Yu Liuliu did not regain her senses until she left the backstage of the auditorium and was greeted by a gust of wind.

Before she could react, she had already pulled her hand away from Seven’s.

She looked awkwardly at seven who was standing in front of her.

Others might not know, but she knew what was going on.

The words seven had said just now were all to help her.

But Yu Liuliu didn’t expect that his acting was so realistic.

He didn’t give her any leeway at all. He admitted publicly that he did everything, and even lied about pursuing her..

Pursuing a hammer!

If pursuing a girl meant enslaving her in all kinds of ways and making her work as an errand boy, then he deserved to be single for the rest of his life.

Therefore, she firmly believed that what seven said just now was purely for the sake of the two of them sitting at the same table and helping her out as a friend.

He could be considered to be quite loyal.

Especially when he stood up for her in front of Ning Lizi, he was simply a boyfriend with Max Strength!

He wasn’t lying at all!

In the future, if anyone became his girlfriend, they would definitely be very happy..

Yu Liuliu thought about it, and his thoughts drifted away.

“If I said that what I said just now was all from the bottom of my heart, would you believe it?” Seven opened his mouth helplessly.

“Huh?”

Yu Liuliu looked up at him with a confused expression. It was obvious that he did not hear what he said just now.

Seven's eyes deepened and he opened his mouth again.

"It's nothing. It's just that that person seems to be targeting you. Do you guys have a history?"

It was not seven's fault that he could not remember Ning Lizi's name.

In fact, other than Yu Liuliu, he could not see anyone else at all, not to mention that he did not know Ning Lizi at all.

However, Yu Liuliu was very satisfied with his performance and hurriedly explained to him.

"Her name is Ning Lizi. Actually, there's nothing wrong with her. It's just the school Belle election. I won, she lost, and then..."

"The school Belle?"

Seven suddenly opened his mouth and looked at Yu Liuliu seriously from head to toe.

Yu Liuliu was originally excited to gossip with him, but in the end, the topic suddenly flew to him. He even looked like he was going to judge, and immediately became nervous.

He couldn't help but be curious. If he were to choose, would he prefer himself or Ning Lizi's style?

"The classmate from a university has good taste. She can't compare to you."

Seven's lips curled. With his height, he even rubbed her head.

It was a very doting action, and his eyes were shining.

This was the childhood sweetheart that he had liked for eighteen years. How could others compare to her.

Chapter 2165: The most beautiful thing is reunion after a long separation (48)

Yu Liuliu was praised by him, but she unexpectedly nodded obediently.

She was just short of saying that she would continue to work hard.

"I still have to go back to rehearse, so I won't talk to you for now. By the way, will you be at home tomorrow? I want to go over and see Lil'eight and its baby," Yu Liuliu asked before she left.

She actually wanted to go out and look for seven just now because she wanted to ask this.

Ning Lizi forcefully stopped her and said a bunch of words, and then seven came over.

"At home."

Seven answered very quickly. When Yu Liuliu turned around, he also followed her footsteps and walked back.

Meeting her blank gaze, he faintly opened his mouth.

“For the orientation party, I’ll be on stage to give a speech.”

“Yeah, how could I have forgotten about that?” Yu Liuliu patted her forehead.

Then, she remembered that they had just caused such a ruckus backstage. Now, everyone must be gossiping about her and seven.

She couldn’t help but remind him.

“Um, you shouldn’t go back with me. Everyone doesn’t know that you said those things on purpose to help me. Fortunately, not many people know. Other than Ning Lizi, the rest of the students aren’t very gossipy, so I don’t think anyone will spread it around. As for Ning Lizi, she asked for it. It Won’t be good for her if it gets out. So I guess the impact of today’s incident won’t be very wide. As long as we don’t appear together, everyone will soon forget about it.”

After Yu Liuliu finished speaking, he even pounded on his chest like a buddy.

He gave him a “Come on” gesture, then turned around and ran forward quickly.

He deliberately kept a distance from him.

“...”

Seven stood rooted to the ground, his brows knitted so tightly that a fly could be squashed between them.

He had worked so hard for so long, but everyone was actually going to forget about it soon?

Then how could he still claim sovereignty?

Seven didn’t rush to catch up. Instead, he stayed where he was and seriously thought about what she had said just now.

Then, he took out his phone and logged into the school intranet.

He didn’t use his real id, but a real alt account.

This alt account didn’t have any special features either. He had only posted a few posts to expose the scandal between seven and Yu Liuliu.

Now, there would be another post soon.

Seven was a genius. Not only was he good at math, physics, and chemistry, but his literary talent was also superb.

At the very least, this campus love story was embellished with emotion and moved people to tears..

It was the same scene that had happened backstage. His ability to retell the scene was many times better than Ning Lizi’s.

Anyone who saw his post would be moved. They would wish they could help him pursue Yu Liuliu. Or, they would write in blood and ask Yu Liuliu to agree to his pursuit.

Seven checked the typos and confirmed that he had explained it, then he clicked to post.

This was not the end.

A sub-account might not have enough followers.

He quickly logged into his main account and used the main account that had tens of thousands of followers to like the new scandal post!

Looking at the comments stacked up at an astonishing speed, he turned off his phone in satisfaction.

She leisurely walked towards the auditorium of the welcome party..

Yu Liuliu, who was busy rehearsing, did not expect that the things that she thought would not be known by too many people were flying at the speed of light to every corner of a university.

“This is Yu Liuliu, right? The school Belle is really charming...”

“She even won seven, she’s really amazing...”

“I heard that she will have a show today, I can’t wait to see it...”

“Do you want to watch the show or watch her and group seven give out candy?”

“...”

Yu Liuliu came out from backstage. Before she went on stage, she realized that everyone around her was looking at her.

Chapter 2166: The most beautiful thing is reunion after a long separation (49)

The program she performed today was playing and singing, a guitar, and a song she wrote herself.

The song had been written long ago, and she was very skilled at it.

So the rehearsal was just a formality to try out the feeling of the scene, and she wouldn’t really sing it once now.

Moreover, she wasn’t on stage right now, so why would so many people come to see her?

Yu Liuliu initially thought that it was her imagination. She avoided the crowded places and directly went up the stage through the performance passageway.

In the end, just as she walked to the entrance of the stage, she saw that there were also quite a number of people gathered there. They were all whispering.

She could vaguely hear the contents of their conversation.

“... I didn’t expect it to be so fast. It hasn’t even been a month since school started!” One of them said with his back facing Yu Liuliu.

“I said it when I read the post before. It’s 80% true. None of you believed me. Do You Believe Me Now?” Another person followed. Although he said it casually, his tone couldn’t hide his surprise.

“Do you think they really just met?”

The last girl asked. When she saw Yu Liuliu walking toward her, she immediately reached out and patted the person beside her.

The other girl did not understand what was going on and frowned as she complained.

“Let’s talk about the relationship between God seven and the school Belle. Why did you hit me?”

The other two:”...”

Yu Liuliu was confused at first. She did not take it to heart at first, but when she heard the last sentence, she was completely stunned.

What relationship?

When did she and seven have a relationship?

The girl who had let the cat out of the bag saw Yu Liuliu at this moment after being reminded by her good friend.

She pulled her little sister with an awkward expression and was thinking about how to leave.

At this moment, the host on the stage reminded them to prepare to enter the stage. The few of them felt relieved and turned their heads to quickly go on stage.

“Sigh...”

Yu Liuliu came back to her senses and was already gone.

She stayed where she was and waited for the next show to be her turn.

The words that they had said just now kept echoing in her mind.

She remembered that she had never seen these three people when she was backstage. In other words, they probably didn’t hear what seven said in front of Ning Lizi.

Moreover, seven didn’t say that they were dating at all. He only said that he was pursuing her, but what she heard just now was clearly..

Yu Liuliu suddenly thought of something and quickly lowered her head to look for her phone.

She logged onto the school intranet.

Before she could look for it, the confession post that was pushed to the front by the alumni had already entered her eyes in an instant.

It was a long post.

The content was very long and the writing was moving, but in summary, it was about three points.

First, the previous scandals were not scandals, they were all true. Seven personally recognized his own ID and personally admitted that he had liked it!

Second, seven liked Yu Liuliu and was working hard to pursue her. He hoped that everyone could help him.

Third, the two of them had not just met. As for how long they had known each other, everyone would know when seven managed to pursue Yu Liuliu. However, what they had to tell everyone now was that regardless of whether Yu Liuliu agreed to his pursuit or not.., he would not allow anyone to hurt her.

When the poster had just posted the post, there were still people who questioned the content of the post.

It wasn't until they saw seven's original body liking the post that the people below instantly became mute.

"I'm just saying, I was at the scene at the time. I saw seven protecting Yu Liuliu with my own eyes. At the same time that my heart was broken, I was inexplicably fanned by his boyfriend's strength circle... covering my face."

"Being at the same scene, I was embarrassed to come out and say this, but to be honest, the two of them are a good match. They're a perfect goddess-level combination."

Chapter 2167: The most beautiful thing is reunion after a long separation (50)

"I saw it too. Although I really hoped that my Prince Charming liked me at that time, if he didn't, I would rather he liked the school belle. At least the school Belle is good-looking and has excellent grades. She's more than a hundred times better than the flirtatious girls outside!"

"Am I the only one who thinks this post is very touching? I feel inexplicably sorry for seven. I really want miss to quickly agree to him..."

"..."

Yu Liuliu first looked at the comments section. After she finished reading the comments section, she quickly went back to read the content of the post.

After she finished reading all of it, she was also touched.

This post was too f * cking touching!

The description of seven was just like the male lead in an idol drama. He was bitterly infatuated with the female lead for many years. After a long separation, they met again. Then, he had been silently giving his all, hoping that one day, the other party would understand his feelings and accept his feelings..

Such a plot would cause everyone's heart to ache even if it was an ordinary boy, not to mention the male god level seven!

No wonder there were so many blood letters for seven in the comments below. He hoped that the girl seven liked would cherish him.

Yu Liuliu sniffed. When he was almost moved to tears, he suddenly came back to his senses. When he realized that he was the female lead in the story, he could not help but spit twice.

What reunion after a long separation?

What deep affection?

What did this moderator write? What nonsense!

Although the post mentioned that what happened backstage was true, but... But..

Yu Liuliu read the post again and found that she could not be sure that it was fake.

Other than exaggerating Seven's love and pursuit for her by ten thousand times, the things mentioned in the post were basically true.

No wonder everyone looked at her strangely when she came out of the backstage..

What about seven?

Did he see this post?

Yu Liuliu bit her lip, copied the link, and forwarded the post to seven.

He had been backstage just to help her and had kindly lied, but now the matter seemed to have blown up.

She had to find him to discuss countermeasures.

After Yu Liuliu's message was sent out, it sank into the sea.

She did not see seven until the beginning of the New Year's Eve party.

However, before she went on stage, she saw Ning Lizi staring at her.

That look was as if she wanted to skin her alive.

When Yu Liuliu walked past her with her guitar, she vaguely heard Ning Lizi say, "We'll see."

She frowned and turned around to see that Ning Lizi had already walked to the waiting area for the host.

The lights on the stage dimmed.

There was only one beam of light in the middle, which was exactly where Yu Liuliu was going to perform.

She gathered her thoughts and walked forward.

"Wow!"

In the auditorium, applause and cheers rang out in unison.

A white shirt was paired with jeans that had been washed to the point of turning white, and her waist-length hair was tied into a ponytail.

Her makeup, which was so light that it was almost bare, still could not hide her beautiful face.

Pure, energetic, and moving.

She only sat there for a moment, but the students below had already started cheering enthusiastically and clapping for her non-stop.

"Foxy!"

Ning Lizi stood behind the scenes and tightly gripped the curtain in front of her. She was so jealous that she was about to go crazy.

Then, she thought of something, and her eyes became strange again.

The corners of her mouth curled up into a mocking smile.

The school Belle, right? You'll be laughing at me later!

Humph!

Yu Liuliu was not affected by the atmosphere at the scene.

She sat on the chair and began to adjust the distance between her guitar and the microphone.

After a simple sound check, she was ready to play and sing.

But when she opened her mouth, something was not right..

Chapter 2168: The most beautiful thing is reunion after a long separation (51)

There seemed to be no sound coming from her microphone.

This was Yu Liuliu's first reaction.

It was not her first time performing on stage. Because of her shyness and nervousness, things like forgetting to turn on the microphone would not happen.

This meant that the equipment had malfunctioned.

Yu Liuliu did not start playing and singing at the first moment. The audience below was stunned. They could not help but turn their heads to look at the people around them, as if they were puzzled by this phenomenon.

After all, everyone had seen her open her mouth, so they all thought that they would hear her voice in the next second.

In the end, after waiting for a long time, the stage was silent.

Wasn't this preparation time a little too long?

This was the thought that emerged in many people's minds at this moment.

As for Yu Liuliu on the stage?

Although she was different from the audience below the stage, she knew that there might be a problem with the equipment, but she was just a little better than the audience.

The orientation party was one of the biggest events in the first month of the new school year.

Master A was well-qualified and ranked among the best in the country.

He also invested in various aspects.

As far as she knew, this set of audio equipment had just been updated and put into use not long ago. It was almost impossible for such a failure to occur.

But everything that happened before her eyes was so real..

“Let’s wait and see!”

Ning Lizi’s words before she left the stage flashed through Yu Liuliu’s mind once again.

Could it be her?

Yu Liuliu furrowed his brows and laughed softly.

If Ning Lizi’s so-called killer move was only like this, then Yu Liuliu would really look down on her IQ.

Before the performance, she realized that the equipment was broken. She was not stupid, so she braced herself to sing.

Yu Liuliu did not hesitate to make a pause gesture, signaling to the staff at the side.

Immediately, someone realized that the microphone must have malfunctioned. Then, the lights on the stage dimmed, and a few staff members rushed onto the stage, quickly changing the microphone in front of Yu Liuliu.

In less than a minute, the microphone in front of her had been replaced with the backup microphone in the hands of the host.

Yu Liuliu tried it, but the quality of the sound had no effect at all.

She gave a slight signal to the lighting technician beside her, and the lights in the middle of the stage quickly gathered back on her.

The audience was more patient when it came to a performance that everyone was looking forward to.

Especially when the person performing was the school Belle who was pleasing to the eye.

At that moment, the lights once again fell on Yu Liuliu. No one knew who was the leader of the crowd, but a round of thunderous applause rang out again.

Yu Liuliu methodically repeated her actions when she went on stage, but she sped up. At the same time, she looked down the stage and maintained her interaction with everyone.

However, she had never seen seven.

The segment where the student representative spoke was at the end. With his personality, he probably wouldn’t sit quietly backstage and wait for her turn to go on stage.

Yu Liuliu always felt that he was sitting below the stage, but sitting there, it was pitch black. She really didn’t think that she could find him..

Very soon, Yu Liuliu gathered her thoughts and focused on her performance.

The song she prepared was called “Childhood sweethearts.”.

This was a song she wrote, and there were many musical instruments that could be used to accompany it.

What she was best at was not the guitar, but the guitar was the most suitable feeling for this song.

The youthful years, the past you and me.

In the blink of an eye, time passed slowly, and everyone grew up.

This kind of childhood companionship, childhood care, through her shallow singing, skilled playing, a moment to attract everyone.

Chapter 2169: The most beautiful thing is reunion after a long separation (52)

Childhood Sweethearts... Just the beauty revealed by these four words was enough to make people yearn for them.

Yu Liuliu's voice was very pleasant to hear.

She sat on the chair and plucked the strings. Her slightly narrowed eyes seemed to be immersed in her own small world.

In that Small World was her childhood sweetheart, the years they spent together.

One voice after another, one sentence after another, was transmitted to every corner of the auditorium.

The most shocking person was none other than Tang Qianqi, who was standing alone in the shadow of the side entrance of the auditorium, avoiding everyone else.

His body had been stiff ever since he heard the host announce the title of the song that Yu Liuliu was going to sing.

It was not until she began to play and sing that his straight back did not relax at all. His gaze was deep and complicated as he looked at the people on the stage.

A melody with the breath of youth.

It contained the lyrics of a happy childhood.

At first, he thought that the person in her song was Brahman, until he heard the lyrics of her song mention a small summoned beast.

Kylin.

Before Tang Qianqi was born, Yu Liuliu's favorite doll was the baby pig.

But after his grandfather named him Tang Qianqi, Yu Liuliu's favorite doll became Kylin.

When he was young, he always liked to go to the Yu family to look for her.

When he successfully snuck into her room, he was the one who slept with her.

When he was blocked outside by Yu Yuehan and failed to climb over the wall, the qilin-shaped summoned beast in her room was the one who slept with her.

In her heart, the word “Qilin” was him.

Tang Qianqi was unable to snap out of her song for a long time, and he could not believe that when she wrote this song, all she could think about was him..

To him, Yu Liuliu’s childhood sweetheart and fan fan.

But he only had her..

But in this song, he only heard himself. What did that mean? He did not even dare to think about it.

Just guessing was enough to make his heart beat like thunder.

Even if she did not write all about him in this song, in her heart, being able to have a place for him was enough to make him ecstatic and happy.

Tang Qianqi was excited and moved. He almost couldn’t control himself as he walked onto the stage.

But then, the music stopped and he froze on the spot.

He looked up at the stage and Yu Liuliu revealed a surprised expression.

Soon, everyone reacted. The microphone was silent again.

This time was different.

The performance just now hadn’t started. The microphone was broken. They just needed to change it in time.

Now that they were halfway through the performance, everyone was immersed in the artistic conception outlined in the song. They were all engrossed in the song.

The singing stopped, and many people were a little lost. In a short while, they had already recovered from their intoxicated state.

If the performance was interrupted and could not be connected, or if they were to start again, it would ruin the atmosphere and affect the audience’s perception.

If Yu Liuliu could successfully finish singing this song, then she would probably be the most popular performance of the night.

After all, every year after the welcome party at university a ended, the freshmen present would have a chance to vote for their favorite performance of the night.

The most popular performance would be chosen.

Yu Liuliu had taken over this award for two years. If nothing unexpected happened today, judging from the reactions of everyone present, there was a 90% chance that it would be her.

But now..

The word “Pity” appeared in the hearts of many people.

But for Ning Lizi, who was hiding behind the scenes and planning all of this, there was nothing more satisfying than this scene!

Chapter 2170: The most beautiful thing is reunion after a long separation (53)

Deliberately giving Yu Liuliu two silent microphones before going on stage was only the first step.

She was a senior host of campus events. How could she not know that a large-scale event had at least two main microphones and two backup microphones?

If it was as simple as damaging two microphones, why would Ning Lizi bother.

She knew that Yu Liuliu was on guard against her, so the problems with the first two microphones were deliberately to make Yu Liuliu lower her guard.

At the same time, it was also to suppress the rhythm of Yu Liuliu's normal performance.

The audience had already waited for her once, but she broke down halfway through her performance. Presumably, everyone would think that her program had too many failures.

This dissatisfaction with the equipment could easily be transferred to the dissatisfaction with the performers.

In addition, she was already halfway through her song, so the novelty was gone.

By the time the staff found the problem and handed the microphone back to Yu Liuliu, no one had any expectations for her performance.

Even if Yu Liuliu could sing it again, the effect would definitely be greatly reduced.

If she was unlucky, no one would want her to sing again.

Ning Lizi was a major member of the club. In addition, her father was a high-ranking member of the Mo Corporation. Who would dare not give her face?

Before Yu Liuliu went on stage, she had already warned the person in charge of the microphone to slow down his movements. It was best to delay her for three to five minutes. When Yu Liuliu's song was completely cold, she would send the good microphone up.

Now, it seemed that her plan was very successful.

The microphone had only been silent for a dozen seconds, but the audience was already in an uproar.

Ning Lizi was already waiting to enjoy the moment when Yu Liuliu could not wait for anyone to help her on stage. She was panicking and her reputation was ruined..

The person who was in a completely different mood from Ning Lizi was Tang Qianqi.

At this moment, he could already tell that there was something wrong with her microphone again.

When he saw Yu Liuliu sitting alone on the stage, he almost walked towards her without thinking, wanting to help her save the situation.

But in the next second, he heard a heavenly song.

It was still the same person, it was still the same song.

The part where the song was broken was reconnected.

The noisy auditorium suddenly quieted down.

It was even quieter than when Yu Liuliu was playing.

It was extremely quiet.

Everyone's gaze was the same as Ning Lizi's. They all looked at the stage in disbelief.

On the stage, Yu Liuliu was still sitting on her chair. The guitar in her hand had lost its microphone, so her voice had become very soft.

However, it did not affect her singing at all.

It was as if the singing from her heart was connected to each other. It was as if it had never stopped before, drifting into everyone's ears.

The auditorium was very large. Without the microphone, it was very easy to be drowned in the audience seats below.

But at this moment, almost everyone heard the song.

It was sweet, moving, and filled with yearning emotions.

It was as if she was singing about her childhood, or she was waiting for her Playmate who had not returned for a long time.

In a trance, there was also a trace of uncertainly ignorant emotion..

Everyone's emotions were captured in an instant.

It was as if they were intoxicated, as if they were in a dream.

This time, until the entire song was sung, no one was able to come out from the beautiful scene that Yu Liuliu had woven.

After the singing was over, it was unknown how much time had passed before the first round of applause broke out in the auditorium.

Everyone came back to their senses, and the applause instantly drowned the entire auditorium!
