

My Life 2181

Chapter 2181: Terrifying background (9)

On the school's Internet, some people drew a clear comparison between Ning Lizi and Yu Liuliu.

In terms of appearance, Yu Liuliu was pure and beautiful, and her temperament was even better. The occasional queen-like appearance would be believed even if some people said that she was a young lady from a wealthy family. This point.., the students who had sent her to the position of the school Belle one vote at a time knew it best.

In comparison, Ning Lizi was pretty good-looking, but she was still a bit lacking compared to Yu Liuliu.

In terms of IQ, Yu Liuliu had won a scholarship every year. Although her results were not as heaven-defying as Seven's, in front of ordinary people, she was still worthy of being called an excellent student.

In this aspect, Ning Lizi was not bad. She was an excellent student in the Academy of Arts, and she had also won two grand piano competitions. In fact, she was on par with Yu Liuliu.

It could be said that they were on par!

In terms of family background, Ning Lizi had nothing to say. Her father was a high-ranking member of the MO Group and was famous in the business world.

If it was just a high-ranking member of an ordinary group, it would have been fine, but it had to be the Mo family.

The strength of the Mo family was not only reflected in the size of the group, but also in the positive energy of the group's values.

Protecting the intangible heritage and promoting national culture. Not everyone dared to shout such slogans.

Not only did the Mo family shout out, they were also doing it in a down-to-earth manner!

Over the years, news about the Mo family's culture and charity had spread like wildfire.

Not only were the Mo family's businesses flourishing in City N, but they were also not to be underestimated in City A.

That was why everyone was a little wary of Ning Lizi.

As for Yu Liuliu..

She kept a low profile.

Not everyone who kept a low profile had a strong background.

Yu Liuliu was a grass-roots person.

It was said that her parents were ordinary staff members and her family background was average.

Initially, when everyone saw her outstanding temperament, they were skeptical of her words.

However, when they saw the clothes and bags she was wearing, even though they were not ordinary, they could not recognize the brand at all. They believed her even if they did not believe her.

Which rich and powerful young lady would not even be able to afford a brand?

In this comparison, one win, one loss, and one draw.

At first glance, the two were evenly matched.

Soon, someone from below raised a question.

This Ning Lizi was indeed not as beautiful as Yu Liuliu, but she could still be considered a beauty.

Wasn't a smart and beautiful woman with a good family background better than a vase?

Therefore, there were many people who were incited.

They jumped out and criticized Yu Liuliu for being inferior to Ning Lizi and not worthy of God seven at all!

"Are these people blind?"

Su Lidan was instantly angry.

Pointing at the analysis above, he was filled with righteous indignation.

"How could they tell that you're just a little more beautiful than Ning Lizi? You're obviously a lot better looking than her. In addition to the beauty of your heart, the distance between you two is clearly an insurmountable gap!"

Without waiting for Yu Liuliu to respond, Su Lidan pointed at the second line and continued.

"They only know that Ning Lizi's piano is good. Do they know what level your piano is and what awards you've won? How dare they compare Ning Lizi to you? In terms of IQ and talent, you're a few hundred streets ahead of Ning Lizi, you ignorant human!"

Others might not know, but Su Lidan knew that Yu Liuliu's piano skills were definitely professional.

Not to mention anything else, she had personally seen a super famous pianist come to Yu Liuliu, hoping that she could attend her own concert and perform on stage.

She was rejected by Yu Liuliu.

Chapter 2182: Terrifying background (10)

Moreover, the results of the examination were the same. Su Lidan and Yu Liuliu were in the same dormitory.

The thing that she hated the most every year was that everyone would study hard, and then there would be a guy beside her who was reading a small comic with great interest and could even get a full score!

If Yu Liuliu did not keep a low profile, how could she have the chance to compete with Ning Lizi for the school Belle?

She could crush her in any minute!

Combined with the above, it could be imagined that Su Lidan's current mood was no longer filled with vulgarities. It was already her final accomplishment.

She took a deep breath to calm herself down.

She pointed at the last analysis.

"Damn it, when did family background become one of the criteria to be tested in a relationship? Do you still want everyone to be in a relationship on an equal footing? Those who said that you're not worthy of seven, I'm afraid they're not all fairies!"

Su Lidan flung his phone and grabbed Yu Liuliu's shoulder in a very serious manner.

He pulled her body over and said.

"Liuliu, they're just jealous of you. You mustn't back down! You must continue to love seven bravely. I have faith in you two!"

"..."Yu Liuliu was dumbfounded.

After listening to her long speech, she did not have time to digest it. When she met her worried gaze, she instinctively nodded.

After a while, she asked weakly, "What are you so agitated about?"

"Why are you so agitated? Seven and I are fake lovers to begin with. We won't break up because of these rumors."

"..."

This time, it was Su Lidan who was stunned.

She had really forgotten that Yu Liuliu and seven were fake lovers just now.

She was so angry that she felt dizzy when she saw the people on the school's Internet slandering Yu Liuliu.

When she came back to her senses, she realized that she seemed to have grasped the wrong point. Her arrogance had also withered.

She muttered unwillingly.

"But we can't let them talk nonsense. Ning Lizi is far inferior to you. Other than using her family background as an excuse, what else do they know?"

"Well, you're right."

Yu Liuliu was very touched. She put her arm around Sullidan's shoulder and put a drumstick into her bowl to show her encouragement.

She smiled sweetly and was full of confidence.

“Ning Lizi is indeed not as good as me.”

Su Lidan was finally in a good mood after receiving his good friend’s affirmation.

He picked up the drumstick and took a few bites. Then, he turned his head to look at Yu Liuliu mysteriously.

He whispered.

“It’s not that I’m a scoundrel. What does it have to do with Ning Lizi that your relationship with seven was exposed? “This post came at the right time and directly fired at you. I don’t think it’s a coincidence. Maybe Ning Lizi paid someone to post it!”

“...”Yu Liuliu narrowed her eyes.

Her vigilance was not so low. Even if Su Lidan did not mention it, she was already suspicious of Ning Lizi.

Especially after the orientation party, Yu Liuliu now knew that Ning Lizi was chasing after seven, and she had even kicked an iron plate.

When her relationship with seven was exposed, the person who felt the most uncomfortable was definitely Ning Lizi.

Yu Liuliu’s eyes narrowed, and a dangerous glint flashed in them.

Her mother often said, “I won’t offend anyone if they don’t offend me. If they offend me... I’ll get rid of them!”!

“Look, isn’t that Yu Liuliu? She actually dares to come to the cafeteria to eat?”

Someone noticed them sitting in the corner.

“What do you mean?”

Su Lidan hadn’t finished eating his chicken drumstick. When he heard this, he immediately rolled up his sleeves and stood up to argue with that person.

Yu Liuliu hurriedly held her back.

“Eat, eat. There are too many people in the cafeteria. We won’t be able to defeat them if we get surrounded later. It’s best to quickly eat your fill and leave!”

“That makes sense!”

Su Lidan was also a smart person.

Someone wanted to teach Yu Liuliu a lesson, but they just ignored it.

They picked up the chicken drumstick and continued eating!

Chapter 2183: Terrifying background (11)

Once the two of them had eaten their fill, they immediately picked an exit with fewer people and ran out.

“That was close!”

Su Lidan saw the seats they had just sat on behind them. At this moment, there was a huge crowd and she patted her chest in relief.

If they had run slower, they might have really been surrounded in the cafeteria.

The fans of the God were really too scary!

“Liuliu, can you still come to the cafeteria to eat in the future?” Su Lidan asked with lingering fear.

Yu Liuliu frowned. Apparently, she was also worried about this problem.

The master of the cafeteria cooked very delicious dishes. She was not sick of it yet..

When Yu Liuliu raised her head, she saw Ning Lizi walking toward her.

Fang Huishi was also following beside her.

“Yo, isn’t this the school belle? She’s so lucky to have met me.” It seemed that Ning Lizi’s catchphrase would not change.

Su Lidan rolled his eyes speechlessly. Enemies have a narrow road.

The last thing she wanted to see right now was Ning Lizi’s smug face.

However, Ning Lizi did not seem to notice her disdain. She crossed her arms and walked in front of them.

She arrogantly acted like a princess.

She deliberately turned her head to ask Fang Huishi who was beside her.

“You might not know this, but our school Belle is now a famous person. She just started school and already won seven. Everyone is so envious of her.”

“...” Fang Huishi looked a little embarrassed, as if she didn’t want to continue this topic.

But Ning Lizi didn’t care about her, she just continued talking.

“Oh, I forgot. Everyone isn’t envious, they’re cursing. They’re saying that some people don’t deserve it! Even if they fly up to the branches, they won’t become a Phoenix!”

“Ning Lizi, don’t go too far!”

Su Lidan was about to rush forward when Yu Liuliu reached out to stop her.

Su Lidan was so angry that he stomped his feet.

“Liuliu, that analysis post was definitely sent by her. It’s a classic example of her trying to be a good girl after taking advantage!”

Yu Liuliu nodded, indicating that she knew.

Su Lidan was puzzled. “Then can you still tolerate her?”

Yu Liuliu frowned. "Did I say I'm going to tolerate her?"

She just felt that Su Lidan's combat strength was too weak and wanted to go up herself.

At the same time that Yu Liuliu pulled Su Lidan, she had already taken a step forward.

It was different from what Ning Lizi had expected. There was not a single trace of anger on her face. Instead, there was a smile on her face.

She glanced up and down at the Smug Ning Lizi.

"I'm not worthy of seven liking me. I Can't be compared to others. I was rejected in front of everyone, yet I still have the courage to post such a self-important post. TSK TSK, what a shameless person. I'm invincible in the world."

"You!"

Ning Lizi's expression changed instantly.

No one else knew about her confession to seven, but Yu Liuliu had seen it with his own eyes.

If she were to tell others about this..

"Do you think that you can threaten me like this? If people knew that I like seven now, more people would think that you don't deserve seven. I'm kind and can kindly remind you that I asked my father to investigate Seven's background. Do you know who his father is?"

Ning Lizi's expression became smug again.

She was really annoying when she pretended to be mysterious.

But Seven's background..

Yu Liuliu's eyes flashed.

She had also asked Xiao Yang to investigate, but this guy still hadn't given her a reply.

Ning Lizi, on the other hand, made it sound like she already knew.

Yu Liuliu deliberately didn't say anything, waiting for her to speak.

"You won't understand even if I tell you. However, there's one thing that you can't imagine. With your status, even if seven likes you, his parents will definitely not agree. Just you wait and See!"

Ning Lizi said confidently and prepared to leave.

Chapter 2184: Terrifying background (12)

Yu Liuliu reached out her hand to stop her, but she did not delve into seven's background.

"That post on the school intranet, was it you who asked someone to post it?"

“So what if it was? I just let everyone know some of the truth in advance, some of the truth that was covered up by your face.” Ning Lizi spread out her hands, laughing so hard that her flowers were trembling.

“You are Shameless!” Su Lidan was once again enraged.

If Yu Liuliu had not stopped her, she would have pounced on him and hit him.

She had seen shameless people, but she had never seen such a shameless person!

“I am Shameless? Did I say something wrong?” Ning Lizi pointed at Yu Liuliu.

“Didn’t she use her face to seduce seven? I want everyone to know that she is not worthy of seven. Seven will understand sooner or later that I am the most suitable person for him.”

“Liuliu is relying on her face. Then what are you relying on? Showing off that your family is rich. Seven will never take a fancy to a shameless second-generation heir like you!”

Su Lidan was really about to explode in anger. He rushed out from Yu Liuliu’s obstruction.

He pointed at Ning Lizi and scolded.

“Let me tell you, don’t think that your father is amazing just because he’s a high-ranking member of the MO Group. He’s just a vice-president. The MO group still has a president. I’m going to report your father. He can’t even teach his daughter well. Even a vice-president like him is trash!”

“Ha...” after being scolded by Su Lidan, Ning Lizi was stunned for a few seconds before laughing again.

She glanced at her contemptuously.

“With just you? Not to mention meeting the president of the MO Group, you can’t even enter the main entrance of the MO Group’s headquarters. Let’s Go!”

Ning Lizi’s goal was to provoke Yu Liuliu. She did not put Su Lidan in her eyes at all.

In the blink of an eye, she disappeared before her eyes.

Su Lidan, who was still angry, was left pointing at her back.

“If you have the ability, don’t leave. Stay and fight for 300 rounds. I will definitely beat you to death...”

Su Lidan turned his head and saw Yu Liuliu, who was acting as if nothing had happened. He became even angrier.

“Liuliu, Ning Lizi stepped on your head. Can you still endure it?”

“What else can I do? Really fight with her? It’s not that I can’t win. It’s just that if I fight in school, I will get a demerit, right? If it’s serious, I might even report it to my parents and get expelled.” Yu Liuliu’s face was full of taboo.

Forget about other things.

If her parents were really notified, she was afraid that her father would come to the school to kill them.

“Are we just going to let it go like this? Letting Ning Lizi spread rumors while flaunting her power in front of you?” Su Lidan was still unable to calm down.

“Of course not!”

Yu Liuliu wasn't really in a daze.

Blindly tolerating wasn't her style.

“You're finally going to fight back? Have you thought of a good idea?” Su Lidan excitedly moved to her side.

“No need to think about it. Just as you said, go find the president of the MO Corporation and complain!” Yu Liuliu said seriously.

After saying that, she even had a face that was begging for praise.

“I'll Go!” When Su Lidan heard that she was talking about this idea, he almost vomited blood on her face.

“My Liuliu, wake up! Is this the idea?”

Su Lidan was about to go crazy.

She was just spouting nonsense just now, although she really didn't want to admit it.

However, Ning Lizi was right. With their status, wanting to meet the president of the Mo Corporation was like daydreaming.

Perhaps before they entered the MO Corporation, they would have already been thrown out.

How was she going to complain?

“Forget it, forget it. If I'm counting on you, I might as well count on myself to scold Ning Lizi a few more times to appease my anger.” Su Lidan dragged Yu Liuliu and walked back in despair.

Yu Liuliu repeatedly expressed that she would really be able to meet the president of the Mo Group.

Su Lidan only thought that she was crazy.

“Are you still planning to tell me that you are actually the secret heir of the Mo family who has never shown up, the young lady with a net worth of hundreds of billions?”

Chapter 2185: Terrifying background (13)

Su Lidan stopped in his tracks and turned his head to look at Yu Liuliu.

Yu Liuliu: “... I'm not.”

Su Lidan heaved a sigh of relief. His eyes clearly showed that he was not completely hopeless.

The next second, he heard Yu Liuliu speak.

“The eldest miss is my mother. People usually call me the little miss.”

However, it was true that she was worth a few hundred billion. This was not even including her father's money. If she were to include it all..

She really had not calculated how much money she could inherit.

Su Lidan:" ..."

Yu Liuliu:" ..."

Su Lidan:" ..."

Yu Liuliu:" ..."

The two of them looked at each other without saying a word for a few minutes. Yu Liuliu carefully stared at Su Lidan in front of her, giving her time to digest.

It was not her intention to conceal her identity.

Her father was worried that she would be in danger if people found out that she was studying outside alone.

It was not appropriate to arrange bodyguards for her on campus.

Otherwise, if people found out that she had bodyguards even when she was studying, it would be even more shameless.

Yu Liuliu and Su Lidan had never talked about family matters, so Yu Liuliu did not specifically tell her.

This resulted in this awkward situation..

"Dandan, actually, i..."

Yu Liuliu was about to explain when Su Lidan reached out and quickly covered her mouth with a worried expression.

"Liuliu, I know that Ning Lizi's words have dealt a huge blow to you. Actually, you don't have to care so much. Do you think that she's farting? No matter how powerful her father is, it's still her father and not her. If you go crazy because of this, I really don't know what to do!"

Yu Liuliu:" ..."

Did she look like she had gone crazy?

Yu Liuliu didn't ask, but Su Lidan could see it and nodded his head vigorously.

"What you said just now was like what a lunatic would say. If I ask you next, when do you plan to go to the President of the Mo Group?"

"It's the weekend today, so she shouldn't be in the group, right? We'll have to wait for Monday..."

"Look, look, you know that it's impossible. Your subconscious is trying to stall for time. Liuliu, while the paranoia isn't serious, let's go to the hospital and get a psychiatrist to enlighten you?"

Yu Liuliu:" ... I'm not sick. I'm really the heir of the Mo family!"

Su Lidan: "Yes, yes, yes, I believe you. I believe whatever you say! Let's not talk about this for now. Did you not eat enough just now? Go back to the dormitory and wait for me. I'll Buy You a Burger!"

Yu Liuliu could hear Su Lidan's coaxing tone.

She had repeated it several times that she was not provoked. When she looked up, Su Lidan had already run ten meters away in fear..

Yu Liuliu sighed silently.

She could not help but reach out to touch her face, puzzled.

Could it be that she did not look like a rich person?

On Saturday's school intranet, because of the exposure of seven's relationship and the existence of the comparison post, it was noisy for an entire day.

Yu Liuliu had also been scolded for a whole day.

Some people seized on the results of the analysis in the comparison post and said that she was not worthy of the Almighty.

As they scolded and scolded, it was as if a wave of curses had been thrown out.

More and more people dissed Yu Liuliu, saying that she was not even comparable to Ning Lizi, so what right did she have to like seven.

Yu Liuliu did take a look before she went to bed, but she only took a look.

There was not a single reply.

She had experienced this kind of thing many times, so she didn't care about it.

Was she really going to break up with seven because of other people's gossip?

They weren't really in a relationship to begin with, so there was no need for her to be pretentious.

Chapter 2186: Terrifying background (14)

After she dealt with Ning Lizi, the matter would naturally calm down without anyone to carry the rhythm.

Yu Liuliu put down her phone and fell asleep.

When she woke up the next day, she instinctively wanted to take a look at the situation on the school intranet.

She did not expect that the moment her phone logged in, the news that greeted her eyes immediately stunned her.

She stared blankly at the message on the page, unable to regain her senses for a long time.

Su Lidan also woke up.

Just like her, he lay on the bed and swiped his phone. The next second, he screamed.

With a whoosh, he sat up from the bed, raised his phone, and looked at Yu Liuliu.

“Liuliu, is the god venting his anger on you? So handsome! So Manly! So Charming!”

Yu Liuliu raised her head in a daze and looked at Su Lidan’s phone.

From the distance, she could clearly see the top of the post.

She had just read the content.

Someone had exposed the matter of Ning Lizi confessing to seven at the orientation party.

Ning Lizi’s secret crush had failed, and she had schemed to frame Yu Liuliu in secret. Two microphone incidents had also been exposed.

The person who had posted the post had even thrown out an ID, pointing out that the post that compared Yu Liuliu and Ning Lizi the day before was actually Ning Lizi’s own doing.

It was to use public opinion to achieve the purpose of slandering Yu Liuliu.

The most vicious thing was that the photo attached to this post was a punishment ticket given to Ning Lizi by the school. It was aimed at Ning Lizi for using her position to bribe her classmates at the orientation party, damaging the school’s equipment and equipment, and the plot was terrible, it was a demerit.

As soon as this post was posted, it immediately caused a huge uproar.

Yu Liuliu had seen it before. The person who posted the post was not seven, but the person who had posted the scandal.

The reason why Su Lidan was so excited was that seven not only liked this account, but also forwarded the post to his home page.

For such a post to suddenly appear on his empty home page, one could imagine how spectacular the scene was for the fans of the god..

Yu Liuliu was also stunned for a long time because of this.

Seven, he..

The corners of Yu Liuliu’s mouth unconsciously curved up.

Although she could solve it herself, the feeling of having someone protecting her was really good.

“Tsk Tsk, the Almighty’s move is indeed extraordinary! Everyone’s attention has indeed shifted to Ning Lizi.”

Su Lidan scrolled through the post and became more and more excited.

“Ning Lizi, your name is jealousy!”

“In terms of envy, jealousy, and hatred, there are a hundred ways. There is one called Ning Lizi.”

“One must not be too Ning Lizi.”

“White Lotus! Green Tea Bitch! Scheming Bitch!”

Su Lidan read the comments below the truth post loudly, laughing so hard that his body swayed.

“I really want to see Ning Lizi’s expression now. She probably never dreamed that retribution would come so quickly! Hahaha...”

“...”

Yu Liuliu also didn’t expect it.

She was planning to make a trip to the Mo Corporation on Monday, but seven had already made a move.

Did this count as... Tacit Understanding?

The smile in Yu Liuliu’s eyes became more and more intense.

At this time, Su Lidan leaned over to her side and muttered.

“Liuliu, I remember that you told me about the microphone a long time ago. We all know that the teacher will definitely find out the truth and criticize Ning Lizi for a while. However, with her father’s relationship, the teacher shouldn’t be so ruthless that he would report it to the school and even give her a demerit. This will follow her file for the rest of her life. Could it be that an expert has made a move?”

A master.

Yu Liuliu narrowed her eyes and thought of seven at once.

At the same time, she thought of Seven’s identity and background, which Ning Lizi had deliberately mentioned in front of her.

Who was he?

Chapter 2187: Terrifying Background (15)

Yu Liuliu logged out of the campus network and dialed Yu Muyang’s number.

The call was picked up very quickly.

“Sis, you’re looking for me for something?”

From the sound of his voice, it seemed like he had just woken up.

Moreover, his tone was deliberately low.

He wasn’t sleeping alone?

Yu Liuliu’s eyebrows twitched. She wanted to say something, but she felt that he should know his limits. In the end, she only reminded him.

“Both of you are still underage. Even if you got into the luggage of others, don’t do anything rash. Be careful that Uncle Qi will come looking for you with a knife.”

“SIS, what are you thinking about? It was just a pillow pressing on my head.” Yu Muiyang pushed the pillow away and her voice returned to normal.

She added in a resentful tone.

“I want to do something rash. Uncle Qi is keeping a close eye on me. Do I have a chance?”

Yu Liuliu: “...”

Yu Liuliu chose to ignore his resentment and went straight to the point.

“What about the matter I asked you to investigate for me? Have you found out Seven’s identity?”

“UH...”

On the other end of the phone, she suddenly stuttered.

“Hello? Hello? SIS, I’m on an isolated island. The reception here isn’t very good. I’ll call you back slowly!”

“Xiao Yang...” Yu Liuliu had just opened her mouth when the call was hung up.

What was going on?

—

On the other side.

Seven, who had also just woken up and was only wearing a sleeping robe, placed one hand in front of the doghouse and poured dog food into it. He received a call from someone.

“Seven Seven, seven, I say, can you come up with a new name?” “It comes and goes with numbers. With such a low IQ name, my sister could guess it with one guess. Now she wants me to investigate, what’s there to investigate?” “You want me to tell her that her childhood friend has returned to the country and even used a fake name to transfer to the same class as her?”

“...”

“That’s not even the most coquettish part. The most coquettish part is that you were actually able to hide it from my sister. With My Sister’s IQ, it’s no wonder that my father is worried that she will be abducted by you every day and wants to completely ban you. Let me tell you, if you don’t give me some benefits, I won’t help you lie to my sister.”

Yu Muiyang first reprimanded seven before revealing his black-bellied nature.

Seven, who was also Tang Qianqi, was stunned.

He put down the dog food in his hand and walked unhurriedly to the sofa to sit down.

“Didn’t you already tell Liuliu that you don’t have my contact information? Why do you have it now?”

Yu Muiyang: “...”

Yu Muiyang: "My Father Won't let my sister contact you. Can I give it to her? If you give it to me, you'll be an accomplice. My father won't beat my sister, but he will beat me! I was born with a son's life. Is it easy for me to live until now?"

Tang Qianqi sneered and didn't really bother with him.

If Yu Muiyang could solve his problem, he wouldn't have been separated from Liulu for so many years.

"By the way, you're quite brave. My dad still doesn't know that you've returned to China, right? If he finds out... that mom provoked you, I'm afraid someone will die. Do you want to bribe me or not? Otherwise, I'm going to give you up!"

Yu Muiyang threatened him without any restraint.

Tang qianqi said, "Let's have a fair deal. It's mutually beneficial."

Yu Muiyang said, "Nonsense! Now that I have something on you, why should I discuss a deal with you? I can obviously take advantage of you empty-handed."

Tang Qianqi:"..."

Tang qianqi said, "For the sake of growing up together? No matter what, I'm still considered your brother, right? If you really don't want to talk about a deal, I can only call Uncle Qi first and tell him that you went into his daughter's suitcase and may still be sleeping in his daughter's room..."

Chapter 2188: Terrifying Background (16)

"Hiss!"

On the other end of the phone, there was a gasp.

"How did you know about this!"

"Your sister didn't know that we knew each other. When she was joking, she accidentally mentioned her cynical younger brother. I also accidentally remembered it."The corner of Tang Qianqi's mouth was curved in a teasing manner.

The second he received Yu Muiyang's call, he had already guessed what Yu Muiyang would say.

If it wasn't for the fact that he had something on him, Tang Qianqi wouldn't have been so calm.

One had to know that Yu Muiyang was famous for being a black-bellied person in his generation.

He was a born king, yet he liked to pretend to be bronze.

He wanted to pretend to be a pig to eat a tiger and kidnap his own wife.

"You win!"

In the end, Yu Muiyang gritted his teeth and agreed.

"With my last bit of kindness, I'll kindly remind you that lying won't end well. Although my sister is a little naive, she's definitely not stupid. You'd better find a chance to confess to my sister before my dad finds out about you. Otherwise, you might really die from internal and external problems!"

“I know my limits.”

Tang Qianqi acknowledged his advice.

Then, he tried to get Yu MUYANG to help him think of a way to delay the time that Yu Yuehan would discover him.

“In your dreams! You want me to help you lie to my father? Don’t say that you are my brother. Even if you are my sister, you can’t do it! Don’t you know what kind of person my father is? If it was so easy to deceive him, would you have failed to woo my sister until now? “Have you thought about the consequences of being discovered? “Don’t think that just because I’m your biological son, I’ll be able to escape a calamity. In My Father’s heart, I’m no different from someone he picked up.”

Yu MUYANG stomped his feet in a second.

Without waiting for Tang Qianqi to finish speaking, he decisively hung up the phone.

He was here to reap the benefits. If he couldn’t reap the benefits, how could he still do business at a loss.

After hanging up the phone, he even turned off his phone.

Tang Qianqi:” ...”

He had a father-in-law who was different from the rest, and he had a long way to go to pursue his wife.

Fortunately, he was making good progress now.

Tang Qianqi turned on the camera function and took a photo of little eight, who was eating dog food, and a litter of little puppies surrounding its feet.

He opened the chat box with Yu Liuliu, selected the photo, and clicked send.

There was text attached.

“Little eight and the little puppies seem to miss you. They’ve been barking all day today. Do you want to come over and see them?”

There was a reply very quickly.

“I have nothing to do in the afternoon. I can go over and accompany them.”

When Tang Qianqi saw the message, the corners of her mouth curled up into a smile. She turned around and went into the kitchen to prepare the desserts that she liked to eat.

—

On the other side.

Mo group’s city a headquarters.

In the Vice President’s office.

“Sob sob sob SOB SOB... Dad, you have to help me with this matter. That Yu Liuliu has been opposing me every day. When I didn't choose the school Belle, everyone had been laughing at me. Now that such a thing has happened, how will I be able to hold my head up high in school in the future?”

Ning Lizi was wearing a small dress and was crying in front of a middle-aged man.

Seeing that the middle-aged man ignored her, she reached out and tugged at his sleeve, crying even harder.

“Dad!”

“Alright, what did dad usually teach you? You're a young lady from a wealthy family. How can you do such shameful things just because you're jealous? Now that you've been exposed, why don't you go back to your room to reflect on your actions? Instead, you're crying in my office. Are you trying to anger me to death?”

The middle-aged man reprimanded him with an unhappy expression.

After he finished speaking, he felt that his tone was a little too harsh and lightened up a little.

“This matter is not as simple as you think. Let's end it here. Don't Pester that Yu Liuliu anymore, do you hear me? !”

Chapter 2189: Terrifying background (17)

“I won't!”

When Ning Lizi heard that her father was going to side with Yu Liuliu, she immediately refused to do anything.

She held onto his sleeve tightly, refusing to let go. It was as if if Ning Baizhen didn't help her, she wouldn't leave.

“Dad, you used to love me the most. You were never willing to scold me and only stood up for me. Now, you're just a grassroots Yu Liuliu. You can easily solve it with your fingers. You're not even willing to help me!”

As Ning Lizi spoke, her tears fell like they were free.

Now that things had come to this point, everyone in the school knew that she had a crush on seven. She had deliberately asked someone to post a post to defame Yu Liuliu.

The matter of the orientation party had also been exposed.

If she could not think of a way to fight back, she would definitely become a laughingstock for everyone if she returned to school like this.

When Ning Lizi thought of this, her tears flowed even more fiercely.

Ning Baizhen's face also didn't look good when his beloved daughter cried so miserably.

He only had one daughter, and she had been doting on him ever since she was young.

His daughter had also done well. Everything she learned was decent, and her academic results were even better. This was one of the top names among all the young ladies.

Ning Baizhen often praised his precious daughter outside.

In city a, everyone knew that he could, but never his daughter.

If someone dared to say bad things about his daughter in front of Ning Baizhen, he would never let that person off, not to mention that his daughter was bullied like this in school.

However, it was precisely because of this that Ning Baizhen was not in a hurry to stand up for Ning Lizi.

He had specially greeted all the teachers in the school.

He hoped that he could take care of his precious daughter more.

If Ning Lizi had really violated the school rules, logically speaking, the teacher should have notified him first before punishing her.

It wouldn't be like this, where he didn't even greet her and directly gave Ning Lizi a demerit.

This would enter Ning Lizi's file and follow her for the rest of her life!

When Ning Baizhen heard this news, he thought that he had heard wrongly.

He personally called the teacher of University A.

He originally wanted to plead on behalf of his daughter. No matter what, he could not allow such a stain to appear on her resume.

However, he did not expect the teacher to reject him so resolutely.

Even when he proposed to reconcile with Yu Liuliu, the other party did not listen and directly rejected him.

Ning baizhen immediately realized that something was wrong.

After asking further, he managed to get some information, but this information made him afraid to act rashly.

"Zi Zi, you heard dad say that Yu Liuliu is easy to deal with, but the person behind her is not as simple as you think! "Have you ever thought that just a grass-roots girl like you can make the teacher take out the past and deal with it seriously?"

Ning Lizi was stunned by Ning Baizhen's words.

Yu Liuliu had found out about the microphone. The next day, the teacher found her and criticized her seriously.

But in the end, she only apologized and paid for the repair of the damaged equipment on account of her father.

In addition, Yu Liuliu didn't seem like a troublemaker. The matter was over.

Ning Lizi didn't take it to heart at all.

Who would have thought that these matters would suddenly be exposed on the school's Internet? Once the matter blew up, the teacher who had protected her back then naturally didn't dare to take it lightly anymore and immediately gave her a demerit.

Now that Ning Baizhen had said this, Ning Lizi instantly reacted.

Chapter 2190: Terrifying Background (18)

"Dad, are you saying that Yu Liuliu has a very powerful figure behind her that is powerful enough to contend against you, and that even teacher doesn't dare to protect me?"

"From the looks of it, this possibility is very high." Ning Baizhen's old eyes narrowed slightly, and a shrewd look flashed across his eyes.

After all, he was someone who mingled in the business world. His vigilance was much stronger than a young girl like Ning Lizi.

"I got it. It's not Yu Liuliu, it's seven! It must be seven who helped her! Yu Liuliu, that B * TCH, is actually so shameless. She heard from me that Seven's background was not simple, so she went to seven to ask for help."

Ning Lizi gritted her teeth in jealousy.

"You mean, the boy you asked me to investigate previously?" Ning Bai was stunned for a moment, then asked.

Ning Lizi nodded, her eyes filled with guilt. "Yes, it's seven. I mentioned Seven's family background to Yu Liuliu that day. I didn't expect..."

"You!" Ning Baizhen's expression changed when he heard this.

He reached out and poked Ning Lizi's forehead.

"How many times have I reminded you? This Seven's background is unknown. But if I'm not wrong, it should be related to the big families in City H. No matter which one it is, we can't afford to offend them. I told you not to provoke him. Where have you been listening to me?"

"I just wanted to warn Yu Liuliu so that she wouldn't be able to eat a swan's flesh. Who knew that she would be so shameless as to run to seven to ask for help?"

Ning Lizi was certain that Yu Liuliu was the one who took the initiative to ask seven for help.

She secretly regretted that she didn't dare to leak the news.

She was even more unwilling.

She pulled ning Baizhen and acted coquettishly.

"Father, you all know that Seven's background is extraordinary. If I can make him fall in love with me and be together with me, won't it be helpful to Father's career?" Yu Liuliu was just a grass root. How

could she be worthy of a prince like seven? Dad, help me. If seven doesn't like me, I won't marry for the rest of my life. Do you have the heart to watch me die alone?"

As Ning Lizi spoke, she started to cry again.

Ning baizhen comforted her helplessly.

"Alright, Alright. Hold back a little. Let me see what else I can do. It's best if I can make this Yu Liuliu quit voluntarily."

"Really? Dad will really help me?"Ning Lizi asked worriedly, her tears still hanging on her face.

"Leave this matter to me. You are not allowed to act rashly again. Let me see this Yu Liuliu first,"Ning Baizhen said in a deep voice.

—

Downstairs of the apartment.

It was a rare sunny day, and the Sun had risen again.

Yu Liuliu and seven took Lil'eight downstairs for a walk.

The four little dogs were also packed in a large cardboard box and carried down.

Yu Liuliu sat on the bench, picked them up one by one, and combed their hair while chatting with seven.

"Thank you for the school intranet,"Yu Liuliu said sincerely.

Although she could solve it herself, she should also thank seven for helping her.

"By the way, how did you convince the teacher in charge of the orientation party to punish Ning Lizi?"

Yu Liuliu asked curiously.

She had dealt with that teacher before.

He was a nice person, but he was timid.

Ning Lizi dared to be so arrogant because she had someone backing her up.

The teacher didn't want to help her, nor did he want to offend her.

Therefore, the way to deal with the matter was naturally to keep the peace.

But seven had now taken out a punishment certificate..

"Do you know the person who keeps posting rumors about us on the school's Internet? The one who released the evidence today. You were the one who gave him the evidence, right?"Yu Liuliu asked again.

Seven was stumped by two consecutive questions.

Seven suddenly had a bad feeling when he met her dark eyes. She might directly ask him who he was next..
