

My Life 2231

Chapter 2231: Terrifying Background (59)

Just as she was about to plead on her behalf, Mo Yongheng's gaze turned towards Ning Baizhen.

Ning Lizi's nerves tightened!

It was fine if she was thrown out of the Mo Corporation, but if even her father was expelled, how would she be able to hold her head up high in the future?

"President Mo, President Mo, you can't be so heartless. I'm the one who did the wrong thing, it has nothing to do with my father. He's been working diligently at the MO Corporation for so many years, you can't fire him!"

"Working hard?" Mo Yongheng read out these four words playfully. Immediately, the assistant beside him handed a document to him.

Mo Yongheng casually threw it in front of Ning Baizhen.

"What happened with the previous tenders? Vice President Ning received so many gifts and opened so many backdoors. You should know very well in your heart that the old patriarch sent me to city a this time to clean up the parasites in the corporation. It's just that I didn't expect you to actually interfere with the internship position reserved by the MO Corporation for University a!"

With every word from Mo Yongheng, Ning Baizhen's face turned even paler.

If the heart attack just now was an act, then it was real now..

He had always thought that he had done it very discreetly, but who would have thought..

"I won't fire you. As the vice president of the Mo Corporation, it's illegal for you to use your position to take bribes. From today onwards, you'll be suspended from all your positions and wait to cooperate with the police investigation."

The color drained from Ning Baizhen's face as he suddenly collapsed onto the ground.

He stretched out his hand and wanted to grab Mo Yongheng's pant leg. "President Mo... President Mo, on account of the fact that I've worked hard for the MO Corporation for half my life, you fired me... You fired me right away, don't make me go to jail..."

"If I knew this would happen, why did I do it in the first place! Not just you, the MO Corporation will not spare any of the people around you who have dirty hands and feet!" Mo Yongheng's voice sank, the first person that his sharp gaze swept over was secretary Zhou, who was beside Ning Baizhen.

The security guards moved quickly. Following Mo Yongheng's orders, they immediately went forward to arrest everyone and bring them away.

The clamor in the finance department had temporarily come to an end.

When supervisor Lin saw Ning Baizhen and secretary Zhou being taken away, he thought of Ning Lizi who had been thrown out and broke out in a cold sweat.

He was secretly glad that he did not help Ning Lizi to slander Yu Liuliu.

Just as he was about to raise his hand to wipe his sweat, Mo Yongheng had already walked up to her.

“Mo, President Mo... Vice President Ning has helped me before. It’s just that I really don’t know about him taking bribes. I haven’t done it either...”

“I just want to tell you that the Mo Corporation selects talents based on strength. You were able to enter the MO Corporation and take up your position today because of your hard work. It’s not because of Ning Baizhen. You Can’t set your attitude straight and stick to small favors. It’s because you don’t care about the cultivation the MO corporation has given you.”

Mo Yongheng slowly opened his mouth, enunciating each word.

The deliberately raised volume was heard not only by supervisor Lin, but also by the people around him.

It was easy to deal with Ning Baizhen, but it was not easy to prevent a large group from collapsing from the inside.

“... Yes, I understand. Thank you, President Mo. .”Supervisor Lin was stunned for a few seconds before he gradually recovered.

It was as if he had finally found his position in the Mo Corporation. His eyes were filled with gratitude.

Mo Yongheng narrowed his eyes and did not say anything else. He asked Yu Liuliu to follow him to the office.

“Dandan, wait for me for a while first.”Yu Liuliu muttered a few words to Su Lidan before he turned his head to follow Mo Yongheng’s footsteps.

In the President’s office.

Yu Liuliu entered the door and when he saw that there was no one around, he immediately rushed towards Mo Yongheng!

Chapter 2232: Terrifying background (60)

“Uncle Mo!”

There was an outsider present just now, and Yu Liuliu had been holding it in.

Mo Yongheng was also holding it in.

Now that there was no one else, Yu Liuliu immediately pounced into his arms like a child. Mo Yongheng also pinched her face with a doting expression.

“You’re already so old, yet you still make people worry. If your father and the family head knew that you were being bullied, I’m afraid that the world would be thrown into chaos.”

“Ning Lizi is a little annoying, but I didn’t really let her bully me. Didn’t I secretly ask you for help? I just didn’t expect you to personally come to the company to support me. At first, I was worried that if I said that I was the young miss of the Mo family, no one would believe me.”

Yu Liuliu blinked her eyes playfully.

Mo Yongheng immediately understood that he had come too early and ruined a certain someone's prank.

"It seems that if I didn't appear, Ning Baizhen and his daughter would definitely suffer a great loss, and I even helped them?"

"That's right! If Uncle Mo didn't appear, I was prepared to beat Ning Lizi up and let her know how powerful I am." Yu Liuliu waved her fists and joked with a smile.

Mo Yongheng tapped her forehead.

"Your personality is very similar to your mother's. It's just that you're more obedient than your mother. You Don't complain about wanting to keep a handsome little brother every day. When your father knew that I was coming to city a, he was especially worried and asked me to check if you were in a puppy love relationship. I think he's thinking too much."

"..." Yu Liuliu's body stiffened.

She stole a glance at Mo Yongheng and swallowed her saliva.

After hesitating for a few seconds, she spoke weakly.

"Uncle Mo, I'll tell you a secret. Can you not tell anyone else?"

"..." Mo Yongheng.

"That, I really didn't keep a good-looking little brother. I only found a good-looking little brother, and I only found one..." Yu Liuliu carefully stretched out a finger.

The smile on Mo Yongheng's face froze.

He stared at her finger as if he was facing a great enemy.

He changed his calmness and hurriedly asked.

"What's Your Name? Where do you live? What do your parents do? are your grades good enough? Do you know how to take care of people? How Old Are you this year? Height, weight, three measurements, and your birth characters..."

Yu Liuliu: "..."

Uncle Mo, you weren't like this just now.

A second ago, you were still mocking my father. Have you forgotten?

"No, I have to inform your father and have him investigate this kid's situation." Mo Yongheng took out his phone and was about to make a call.

Yu Liuliu hurriedly pressed his hand down.

"Uncle Mo, calm down. If you make this call, my budding love will be cut off by you."

“...”

“His name is seven. He is from our school and has excellent academic results. He is also a very nice person. Most importantly, he is very good-looking. Although he is younger than me, he is very good at taking care of others... Furthermore, we have just started dating and we have yet to talk about marriage. Isn't it too early to ask about his birth date?”

Mo Yongheng frowned in disapproval. “Dating without marriage is just acting like a hooligan.”

However, the name seven stunned Mo Yongheng.

He had not forgotten that the little brother whom Liuliu liked the most when she was younger was Tang Qianqi, the Little Devil in Tang Yuansi's house.

What a coincidence. That Brat was also called Seven Seven.

He had promised Liuliu not to inform Yu Yuehan, but he did not say that he could not investigate the matter himself.

He was different from Yu Yuehan. Yu Yuehan was reluctant to let his little princess get married.

He was kind-hearted. As long as Liu Liubie liked the son of Fan Yu and Tang Yuansi, she could like anyone.

Chapter 2233: Terrifying Background (61)

Yu Liuliu knew that Mo Yongheng had come to city a for a mission, so she didn't stay in his office for long.

However, now that everyone in the Mo Corporation knew her identity, there wasn't much point in continuing to stay in the company as an intern.

What Yu Liuliu was more worried about was that the news of Ning Lizi being expelled would definitely spread to the school soon.

By then, seven would also know that this matter was related to her and her identity..

Would he blame her for hiding it?

But on second thought, didn't he also hide his identity? Ning Lizi had hinted to her more than once that his family background was not simple.

Yu Liuliu did not ask before because at that time, they were not really boyfriend and girlfriend.

But now, they were already a couple..

If she were to tell him about her background, would he be honest with her?

Speaking of which, other than knowing that his name was seven, she knew nothing else.

After Yu Liuliu sent a message to Su Lidan, she left the MO Corporation alone.

The first thing she did when she walked out of the office building was to call seven.

“The number you have dialed is currently unavailable. Please try again later...”

Yu Liuliu called five times, but none of the five calls were answered.

There was also no reply to the messages she sent him.

In the end, she decided not to take a taxi and slowly strolled back to school.

Along the way, she would check her phone from time to time, waiting for seven to return her calls.

After waiting for almost half an hour, her phone finally rang.

“I was just giving little eight and the four little dogs a bath, but I didn’t hear my phone ring. Shouldn’t you be doing your internship at this time?”Seven’s voice came from the other end of the phone.

There was a hint of doubt in his tone.

Immediately after, his voice sank.

“Did someone bully you?”

“No, no, no. Who in the Mo Corporation Can Bully Me? I have something to tell you. Are you at the apartment? I’ll go look for you.”Yu Liuliu changed the topic guiltily and asked for his location.

Seven seemed to have thought of something as well and stopped asking if anyone had bullied her.

When he heard that she was going to look for him, he was stunned.

“Your internship ended?”

“It can be considered to have ended. It’s a long story. Can We meet to talk about it?”Yu Liuliu was not good at lying. In just a few sentences, she was about to tremble over the phone as she asked pitifully.

Seven did not continue asking. He smiled and said, “Lil’eight and his family have already settled down. I’m planning to return to the school to hand in some materials. Coincidentally, there’s a restaurant near the school that’s opening today. Wait for me at the school gate. After handing in the materials, I’ll go out to pick you up.”

“Okay.”Yu Liuliu hung up the phone and quickened her pace towards the school.

She calculated the time to arrive at the school gate. She was a little slower than seven.

The two of them had been chatting the whole time.

She knew that seven had already handed in the materials and was about to arrive at the school gate, so she wasn’t in a hurry. She hummed a little tune very easily and kicked the little rock in front of her.

The next second, someone suddenly patted her shoulder.

Yu Liuliu was stunned.

She thought it was seven, so she smiled sweetly and turned around.

When she saw the person standing behind her, her eyes widened in surprise.

“Brother Fan Fan!”

Fan Fan, who was dressed in a suit, stood in front of her.

His handsome face and gentle gaze looked like an older brother, looking at her dotingly.

He was holding a box in his hand.

Yu Liuliu was too surprised and jumped into his arms without hesitation.

Fan fan hugged her with one hand and smiled.

“You hugged her so tightly. Don’t you want the gift?”

“Of course I want it!”

Yu Liuliu was about to snatch the gift box from his hand when he caught a glimpse of a familiar figure standing at the school gate, staring at them.

Chapter 2234: Terrifying background (62)

“I originally wanted to give you a surprise, but I didn’t expect to bump into you at the school gate before I even entered the school. It’s so cold, why are you standing here alone?” Fan Fan took a step back, a hand was placed on Yu Liuliu’s head, and she lovingly rubbed her hair.

Her tone was filled with love for her younger sister, and there was a hint of gossip in it.

“When you saw me just now, you seemed to have mistaken me for someone else.”

Yu Liuliu:” ...”

She had been hesitating just now whether she should let fan fan know that she was in a relationship. If he were to spill the beans in front of the elders and her father were to hear about it, seven would be in danger.

But now that she heard what he said, Yu Liuliu suddenly felt that she could not hide it even if she wanted to.

She raised her hand and pointed in the direction where seven was standing. She whispered, “Wait for him. I just got a boyfriend. You’re the first person to see him.”

“...”

Fan Fan was stunned. Although he had some guesses, he was still a little surprised to hear Yu Liuliu admit that she was in a relationship.

He had thought that she would keep waiting for that person..

Fan fan looked in the direction of her finger and when he saw the person standing at the school gate, his pupils constricted!

What was going on?

“Brother Fan Fan, wait for me for a while. I’ll go get him.” Yu Liuliu ran away.

“Liuliu...”fan fan had just opened his mouth when the person in front of him could no longer be pulled away.

He ran happily to seven and stood still.

When he opened his mouth to speak., he was still panting a little. “Why are you standing there? Hurry up and come over. I’ll introduce you to a very powerful person. He’s my older brother who grew up with me since young. He’s only a year older than me, but he knows a lot of things...”

Yu Liuliu held seven’s hand and kept telling him about fan fan.

Since she had already decided to be together with seven, she had to be responsible for him.

The first thing she had to do was to tell him about her identity.

At first, Yu Liuliu was worried and didn’t know how to tell him. But now, Fan Fan was here.

Fan Fan was now her breakthrough.

She would first introduce seven to her powerful brother. Then, seven would be curious. If her brother, who was not related by blood, was so powerful, then would her family be even more powerful..

She would then be able to tell him everything about his family.

It was simply perfect!

When Yu Liuliu thought of this, she started to praise fan fan even more.

“You don’t even know that brother fan is not even an adult yet. He is already living and studying independently outside of the city. He can even help my uncle fan manage his company. I admire him a lot. Actually, I have always been suspecting that there is nothing that he doesn’t know how to do.”

“Did you know that not only can he handle big matters, he can even take care of a newborn baby. My Uncle Mo’s twin daughters really like him!”

“Oh right, there’s also my Uncle Fan’s sister. I heard that when she was young, she didn’t like my uncle fan at all. She only liked her own brother, Haha...”

“...”

Yu Liuliu was focused on praising fan fan. She didn’t notice that the person beside her had become very gloomy.

His lowered eyelashes blocked the desolation in his eyes.

All that flashed past his eyes were the images of him standing at the school gate and seeing her face full of surprise as she threw herself into fan fan’s arms.

She had never smiled at him like that before.

Fan Fan was indeed different to her..

Now that fan fan was back, would she regret agreeing to be with him?

Chapter 2235: Terrifying Background (63)

"This is my brother fan. Isn't he handsome? Many girls like him!" Yu Liuliu pulled seven in front of fan fan and introduced him to the two of them with a smile.

"Brother Fan, this is seven."

Fan Fan: "..."

Seven: "..."

Yu Liuliu was strictly controlled by Yu Yuehan and did not allow Tang Qianqi to have any chance to interact with her. However, fan fan was different.

He was the eldest brother of a group of children, and he was also a boy.

No one would stop him from looking at Tang Qianqi.

Therefore, it was not to the extent that he would not be able to recognize Tang Qianqi's appearance.

The two of them looked at each other. They were supposed to be brothers, but in the end, they were all frozen on the spot by Yu Liuliu's unfamiliar introduction.

No one came back to their senses.

Tang Qianqi's mind had been on Yu Liuliu. He had never thought that fan fan's appearance would expose his identity.

Now that he thought about it, fan fan had already seen him. There was no time to run.

Tang Qianqi narrowed his eyes as if he had made up his mind. He suddenly looked at Yu Liuliu and said, "Liuliu, actually i..."

"Hello, I'm Fan Fan." Fan Fan suddenly opened his mouth and stretched out his hand.

Tang Qianqi was stunned and turned to look at him. Seeing his calm expression, he furrowed his brows and hesitated for a few seconds before holding his hand.

"Seven."

It was a simple greeting and could be considered as a greeting.

However, the two of them did not let go of their hands and kept sizing each other up with their eyes.

Yu Liuliu stood at the side and tilted his head so that his neck was sore. Seeing that they still did not let go, he was at a loss.

Could it be that they were looking at each other and seeing each other?

Yu Liuliu quivered all over and quickly squeezed between the two of them to stop them from looking at each other.

"UM, didn't seven just say that there's a new restaurant near the school? Do you want to bring me there to have a taste? Let's go take a look together."

"I have no objections," fan fan was the first to reply.

"Okay." Tang Qianqi narrowed his eyes and held Yu Liuliu's hand as they walked in front.

The three of them entered the restaurant together.

The restaurant was newly opened and the environment was very good.

Along with the theme of Winter Christmas, there was a Santa Claus Doll placed on each table.

There was also colored paper pasted on the window glass.

It looked very festive.

Tang Qianqi had booked a private seat in advance and it was near the window.

As soon as they reported their names, someone brought them over.

As soon as the three of them sat down, Fan Fan and Tang Qianqi picked up the menu on the table at the same time and handed it to Yu Liuliu.

"Let's see what you want to eat."

"Let's see what you want to eat."

The same words came out of the mouths of both of them at the same time.

Yu Liuliu, who was surrounded by thousands of doting dotes, did not notice anything wrong. He reached out to take the two identical menus and opened them with his left and right hands at the same time. Then, he stared at the delicacies on them and ordered them one by one.

"It's good to have more people. You can order a few more dishes when you eat, and you don't have to worry about not finishing them all."

A certain foodie ordered the dishes and sighed with delight.

The two men at the dining table looked at each other, but no one answered.

"I know that brother fan likes to eat fish. This steamed wild grouper is perfect, and the organic cauliflower that you like to eat..." Yu Liuliu ordered two of fan fan's favorite dishes and two of his favorite dishes, finally, she raised her head and asked seven.

"What do you like to eat? I'll order two for you too."

"..." Tang Qianqi's expression stiffened when he heard her accurately tell him what fan fan liked to eat. The next second, when he heard her ask him what he liked to eat, his heart suddenly tightened.

No comparison, no harm. He finally felt it.

Chapter 2236: Terrifying background (64)

Yu Liuliu had treated fan fan very well in the past.

But at that time, they were all children.

Fan fan was older than all of them and was the older brother of all the children.

Yu Liuliu liked to stick to fan fan and Tang Qianqi would not mind.

He had naively thought that Yu Liuliu's reliance on fan fan was only because she treated fan fan as her older brother. If he had not heard her say those words herself..

"Seven, What's wrong? Why do you look so strange all of a sudden? Are you feeling unwell?" Yu Liuliu could not wait for an answer. When she saw Seven's absent-minded look, she asked worriedly.

Seven came back to his senses and forced a smile. "It's nothing. I probably didn't sleep well yesterday. I'm not picky about food. Just order two more of your favorite dishes."

"Oh, then I won't stand on ceremony." Yu Liuliu smiled and her eyes curved. She quickly picked up another dish, a dessert.

She often went to Seven's place for free meals now, and seven always followed her taste.

Yu Liuliu herself didn't realize that she was taking advantage of seven more and more as a matter of course.

But even if she found out, she wouldn't care.

They were boyfriend and girlfriend, so it was normal for them not to distinguish each other.

Three people, five dishes, a soup, and dessert. This was all thanks to Yu Liuliu, the foodie.

The waiter had just taken the menu away when Yu Liuliu could not wait to ask.

"Brother Fan Fan, the last time I spoke to you on the phone, you said that you were not free. Why did you suddenly come to city a?"

"There was a problem with the company. Uncle Mo wanted to come over to deal with it and insisted on bringing the two little princesses with him. I had no choice but to follow him." Fan fan spoke of the reason why he came to city a with a helpless tone.

The "Open and hidden struggles" of the previous generation were really endless.

The moment Mo Yongheng went on a business trip, the men's gang led by Yu Yuehan would start to think of ways to swindle the two little princesses from Zheng Yan's hands and bring them back to their own homes to be raised.

They would never get tired of the drama of snatching the children back and forth.

They would learn from their mistakes.

Mo Yongheng was not a fool. After discovering the scheming intentions of those guys, he would not go on a business trip if he could.

If he had to go on business trips, he would bring his wife and children along.

The two babies were small after all. Zheng Yan would have a hard time going out with them. Mo Yongheng might as well force fan fan to come along.

The two babies liked him anyway. They followed behind him and called him “Big Brother” every day. They were even more popular than Mo Yongheng as a father.

If it were not for the big age difference, fan fan would probably be the first person on Mo Yongheng’s blacklist.

“PFFT!” Yu Liuliu couldn’t help but laugh out loud.

“If uncle fan finds out that it was you who helped uncle Mo and caused him to not have the chance to abduct his two younger sisters, he will definitely send you to solitary confinement!”

“That’s right, I’m not a person inside and out right now.” Fan fan also sighed, but his gaze never left Tang Qianqi.

He picked up the cup in front of him and took a sip. His long fingers drew a circle around the rim of the cup as he opened his mouth nonchalantly.

“Seven, what about you? I heard from Liuliu that you just returned to China not long ago. When did you come back? Does your family know?”

“...”

The sudden question caused the atmosphere at the dining table to suddenly become gloomy.

Tang Qianqi pursed his thin lips and was hesitating on how to answer, Yu Liuliu had already answered before him, “Brother Fan, although you are very good, seven is not bad either. He has won many international awards and rejected many invitations from world famous universities to come to a university. How could his family not know? His family... Oh right, seven, why would your family agree to your transfer?”

Tang Qianqi: “...”

Chapter 2237: 77? Qiqi? (1)

If he had only met her for the first time in his life, he would still choose to use this method to return to her side. However, he would definitely confess to Yu Liuliu before he met Fanfan.

Tang Qianqi was sitting on the chair. Although she appeared calm and composed, she was actually feeling uneasy.

She took a deep breath silently and opened her mouth as if nothing had happened. “My parents have never interfered too much in my matters. Furthermore, they know that I have a reason to come to a university.”

Tang Qianqi was speaking the truth.

Shangxin had always respected her son’s decision. Although she felt sorry for her son for being sent abroad at such a young age, Shangxin would not interfere as long as it was for his own good.

There was no need to mention Tang Yuansi.

As long as his son did not appear in front of him, he would be so happy that he wished he could buy firecrackers to set off.

Moreover, Tang Qianqi was going to kidnap Yu Yuehan's little princess and bring her back to his daughter-in-law. He had already restrained himself by not shouting for the more the merrier, let alone stopping such a lucrative matter.

Tang Qianqi managed to brush off this topic with great difficulty. He was afraid that Yu Liuliu would ask about his family matters again, so he quickly changed the topic.

"I heard that the dim sum in this restaurant is also quite good. Do you guys want to try it?"

"Sure!" Yu Liuliu nodded without hesitation when he heard about the food.

Tang Qianqi took the opportunity to call the waiter over to add more dishes.

It was lunchtime, and there were many people in the restaurant.

The waiter was busy greeting the guests sitting next to him and did not come over immediately. This gave fan fan fan a chance to continue speaking.

"So, you knew about this even when you went back to the country? Did you go home to take a look?" Fan fan raised his eyes slightly and looked at Tang Qianqi.

He did not deliberately expose Tang Qianqi's identity, nor did he deliberately cover for him.

He looked like a normal older brother who was concerned about his younger brother's daily life.

Yu Liuliu had always had a big heart for people he trusted. He could not tell that fan fan and seven were very familiar with each other when they spoke. They did not sound like strangers who had just met.

On the contrary, he was very happy that the two of them were getting along. When he heard fan fan speak, he echoed his question.

"I don't think I've heard you mention your family before. By the way, since you're renting a house in city a, then you shouldn't be from City A. Which City are you from?"

Tang Qianqi: "..."

Tang Qianqi was already sweating profusely.

Yu Liuliu was sitting next to him. When she asked him a question, she blinked her beautiful eyes and moved closer to him.

Her crystal-clear eyes were sparkling, and her eyes seemed to be full of stars.

If it were any other time, her intimate actions would definitely make him ecstatic.

But now, faced with such a fatal question, Tang Qianqi's forehead was covered in cold sweat. His Adam's apple bobbed up and down as he swallowed a mouthful of saliva.

"May I ask if you guys would like anything else?" The waiter walked to their dining table and asked politely.

Tang Qianqi was relieved when the conversation was interrupted.

Without thinking, he turned his head and said, "And three more of your store's signature desserts."

"Do you need drinks? We have an event today. Buy One, get one free," the waiter asked.

Tang Qianqi glanced at them. There were three of them.

If they bought one, get one free, they would definitely be left alone.

Just as he was about to say something, Yu Liuliu was already in front of him and said, "Then we want two cups. Four cups of drinks for each of you. I'll drink two cups each."

Tang Qianqi: "..."

Fan fan: "You're still so good at eating. It seems that Uncle Yu doesn't have to worry that you won't be able to take care of yourself out there by yourself."

"That's true. Even the most important thing is not as important as eating." Yu Liuliu was not modest at all as he talked about the importance of eating.

Chapter 2238: 77? Qiqi? (2)

She usually ate in the cafeteria, and occasionally she would go outside the school to have a meal.

The main thing was to taste fresh food.

She ate all kinds of new restaurants, and then summarized a set of gourmet strategies.

Seven's own good cooking definitely couldn't fool him.

Now that Brahman appeared, how could Yu Liuliu let go of such a good opportunity.

Pulling him along, she started to crazily recommend the landmark restaurants near a university to him.

"Brother Fan Fan Fan, I don't want to brag, but I've already eaten most of the delicious restaurants in the vicinity. Follow the directions that I've pointed out to you, and I'll definitely guarantee that you'll be able to eat to your heart's content every day when you're in a city. Oh right, I remember that there's a shop that has extremely delicious baked biscuits. Let's buy some later and go visit your aunt and two younger sisters!"

Yu Liuliu suddenly suggested.

Tang Qianqi saw that she had completely ignored him in the first half of the conversation and kept on chatting with fan fan. His heart was filled with sour bubbles.

The next second, when he heard her suggestion, his body, which was sitting on the chair, trembled and he almost fell off the chair!

The chair moved on the floor, making an ear-piercing sound.

Yu Liuliu, who was sitting next to him, turned his head to look at him in surprise.

“What’s wrong? Is there something under the table?” Yu Liuliu said as he subconsciously tried to lift the tablecloth in front of him.

Tang Qianqi grabbed her hand and coughed lightly to cover up his embarrassment. “It’s nothing. I accidentally kicked the leg of the table.”

Yu Liuliu did not doubt him. “Then be careful. It’ll hurt if you kick it.”

“...” he could not be careful. If she continued to sing along with fan fan, he might suffer a heart attack before he finished the meal.

The restaurant quickly began to serve the dishes.

With food, Yu Liuliu’s words suddenly became much less. She lowered her head and focused on tasting the delicious food in front of her.

Tang Qianqi saw that she was eating happily and kept helping her put food into her bowl.

“Eat slowly, don’t choke.”

Seeing that the corner of her mouth was dirty, he took a tissue to wipe the corner of her mouth.

Yu Liuliu was very cooperative throughout the whole process. The food he put in her bowl was all her favorite food.

He stuffed them into his mouth.

Seven had just picked up a tissue when she had already raised her head obediently and was waiting for him to wipe her mouth.

It was a matter of course. It could be seen that she had always been taken care of like this..

Fan fan sat opposite the two of them and slowly ate the dishes in front of him. He was also forced to eat dog food.

His expression remained calm and elegant.

His eyes were deep, when he caught the light in Yu Liuliu’s eyes, he narrowed his eyes slightly.

Coincidentally, at this moment, Yu Liuliu accidentally placed the salad on Tang Qianqi’s sleeve.

Tang Qianqi took out a napkin to wipe it, but he did not wipe it off. He stood up and said, “It’s okay, you eat slowly, I’m going to the bathroom.”

He turned around and left.

Fan fan picked up the napkin in front of him and gently wiped the corner of his mouth.

After about ten seconds, he stood up as well.

“I’m going to the washroom too.”

“You guys are really too much. Even when you’re going to the washroom, you still have to hold hands. It’s so cool...” Yu Liuliu took the time to tease them while she was eating.

Fan Fan's lips curled into a indulgent smile. He ignored her teasing and walked towards the washroom.

By the time he reached the door of the washroom, Tang Qianqi had already entered the cubicle.

Fan Fan was not in a hurry. He walked in with his tall and straight body and leaned against the wall near the door, counting the time.

"Kacha –"

Very soon, Tang Qianqi came out from the last cubicle in the washroom.

Just as he was about to wash his hands, he saw fan fan standing by the wall and stopped in his tracks!

After pondering for a few seconds, he took the initiative to speak, "Brother Fan."

Chapter 2239: 77? Qiqi? (3)

These three words were equivalent to admitting his own identity.

Fan Fan stood up straight and raised his eyebrows slightly in response to his greeting. Then..., he asked directly, "What's going on? You Didn't tell Liuliu when you returned to China and even created a fake identity to come to a university to be her classmate. What kind of trick is this?"

Fan Fan had noticed Tang Qianqi's strange behavior not long ago and had also called Yu Liuliu to ask about it.

Of course, they had all thought that if Tang Qianqi returned to the country, he would definitely inform Yu Liuliu.

Who knew..

He didn't inform Yu Liuliu, but instead, he came straight here.

He even created a fake name and became Yu Liuliu's boyfriend.

If all of this was said to be a coincidence, fan fan would not believe it.

"I can understand if you want to hide your return from Uncle Yu. After all, if uncle Yu knew that you were back, you might not even be able to see Liuliu. However, you have already returned, yet you still did not let Liuliu know. You even used a fake identity to get close to her. Qiqi, what are you thinking?"

"..."Tang Qianqi lowered his black eyes slightly, and there was an obscure light in his eyes.

His thoughts had to start from the day of his eighteenth birthday.

However, that was the part of the past that he did not want to recall the most.

Fan fan stared at him for a moment, as if he could read his thoughts, he said faintly, "You have had your own thoughts since you were young. However, there are some things that are difficult to understand. Have you ever thought that if you can hide it from Liuliu for a while, you can not hide it for the rest of your life? Sooner or later, she will find out who you really are."

After fan fan finished speaking, he turned around and was about to leave.

Tang qianqi suddenly said, "To you, Liuliu is nothing."

"Sister, to me, Liuliu is like my biological sister." Fan fan stopped in his tracks and turned around, looking straight at Tang Qianqi.

"Just a sister? What if she doesn't just see you as a brother?" Tang Qianqi did not avoid the question and asked stubbornly.

This question seemed to have poked fan fan's sore spot.

Not long ago, he had also heard such a question.

He had no way to resist and could only flee.

But that was not liuliu..

Fan Fan's hands by his side unconsciously clenched into fists, forcing himself to calm down. He did not want to confuse the two of them.

His voice was slightly deep.

"I don't understand what exactly happened to make you misunderstand. But I can tell you with certainty that I have always seen Liuliu as a little sister. To Liuliu, I am only an older brother."

"Is that so?" Tang Qianqi opened his mouth faintly. It was hard to tell whether he believed it or not.

After a moment, he looked at fan fan's back as he left and opened his mouth slowly.

"But I heard it with my own ears. She said that she likes you..."

—

Seven and fan fan went to the washroom. They had gone for ten minutes and still had not returned.

Yu Liuliu was full and could not help but yawn.

After waiting for two more minutes, she could not help but call the waiter to go to the washroom to take a look. Finally, she saw fan fan coming back.

"Why are you alone? Where's seven?" Yu Liuliu stuck her head out and looked behind fan fan. She did not see seven and asked worriedly.

Without waiting for fan fan to speak, she had already circled him three times.

"Liuliu, what are you doing?" Fan Fan was about to be confused by her. He reached out to pull her back and opened his thin lips slightly.

"I was checking to see if you were injured! The two of you went to the washroom for so long, I definitely have reason to suspect that you locked each other in the washroom and fought!" Yu Liuliu said with her cheeks puffed up.

Her small eyebrows were tightly knitted together as she muttered.

"If you're not injured, then you've won the fight. If that's the case, won't my little seven die a miserable death? I knew that such a handsome boy like him wouldn't know how to fight. Brother Fan, why don't you go easy on him..."

Tang Qianqi slowly walked back from the washroom. When she heard Yu Liuliu circling around fan fan and mumbling to herself, she was slightly stunned.

When he heard that she was worried about him, his eyes became gentle.

He quickened his steps and opened his mouth gently.

"Are you full?"

"Seven, you're still alive?" Yu Liuliu saw the person in front of him and jumped in front of him in surprise.

She checked him from top to bottom to make sure that he was alright and heaved a long sigh of relief.

She quickly explained.

"My father and a few uncles of mine doted on me and were always worried that I would be kidnapped. Brother fan doesn't have any ill intentions towards you. If he threatened you, he must only want you to treat me well. You mustn't be scared by him. He's actually not fierce at all, really!"

Compared to her father's reaction when he heard that she had a boyfriend, fan fan did not flip the table on the spot. He was definitely being polite.

Yu Liuliu secretly added in her heart.

After she finished speaking, she suddenly thought that since the two of them were not injured, it meant that they did not fight.

"If you did not fight, why did you stay in the bathroom for so long?"

"The salad dressing on your sleeve is not easy to handle, so it took a little longer. You're thinking too much." Tang Qianqi held her hand and took in all the light in her eyes. He caught her attention and in his mind.., suddenly, the words that fan fan had said to him in the bathroom flashed across his mind.

Those who were involved were confused..

What was fan fan hinting at?

If the person Liuliu liked wasn't fan fan, then who was the person she liked?

Tang Qianqi had just held Yu Liuliu's hand and sat down when fan fan, who had taken a seat first, opened his mouth slowly.

He looked at Tang Qianqi with a hint of ridicule.

"Seven is in a relationship for the first time, right? Liuliu is the first girl you like?"

"..." Tang Qianqi was stunned and looked at fan fan in confusion.

They had already made things clear in the washroom. Since fan fan already knew his identity, this sentence was unnecessary.

Why would he still ask?

“Yes.” Although Tang Qianqi was puzzled, he still answered cooperatively.

He felt a little uneasy in his heart.

As expected, fan fan heard his answer and immediately looked at Yu Liuliu beside him and teased.

“Then you are at a disadvantage. The first boy Liuliu likes is not you. If you don’t believe me, let her say it herself. She has a childhood sweetheart.”

Tang Qianqi: “...”

Yu Liuliu: “...”

Both of them were stunned at the same time.

Tang Qianqi’s eyelids twitched. “Childhood sweetheart?”

“Uh...” Yu Liuliu met his gaze and felt a little guilty. He subconsciously wanted to avoid it, but after thinking about it, he nodded his head honestly.

“There is such a person.”

“...” Tang Qianqi’s heart skipped a beat.

If there were only the two of them here, Yu Liuliu’s words might have caused him to misunderstand and think that the childhood friend she was talking about was fan fan.

But now, the person who said these words was fan fan.

That meant that the childhood friend she admitted to was definitely not fan fan. If it wasn’t fan fan, then there was only..

“That’s my uncle Tang’s little brother. His name is Tang Qianqi.” Yu Liuliu made the final decision.

“...” Tang Qianqi.

What was a surprise? What was an accident?

Tang Qianqi looked at fan fan’s teasing gaze and finally understood what it meant to throw a rock at one’s own feet.

With the last trace of uncertainty, he asked, “Do you like him very much?”
