

My Life 2251

Chapter 2251: 77? Qiqi? (15)

“QIQI, how’s the situation on your side? Have you caught up with Liuliu? You told mom before that you have five dogs. Can you take care of them by yourself? If you can’t, you can ask Liuliu to help you. Liuliu has liked small animals since she was young. As long as you act pitiful, she will definitely agree.”

Yu Liuliu:” ...”

Seven:” ...”! !

Seven’s nerves suddenly tensed up. Just as he was about to reach for his phone, Yu Liuliu had already taken the initiative to grab his phone.

He did not hang up the phone. Instead, he narrowed the chat window, grabbed seven’s finger, used it as a fingerprint to unlock the phone, and opened his address book.

He found the phone number marked “Mom”.

With just a glance, Yu Liuliu’s pupils constricted!

As if she could not believe her own eyes, she reached into her pocket and took out her phone.

She found the phone number marked “Aunt Shangxin”and clicked on it.

She put the phone numbers stored on the two phones together and compared them one by one..

They were exactly the same!

Shangxin did not know what had happened in the phone that had not been hung up, she reminded him, “Qiqi, although only your father and I know about your return, we can’t hide it for too long. You’d better be mentally prepared... Qiqi? Tang Qianqi?”

“Aunt Shangxin, is that you?”Yu Liuliu finally found her voice and asked in disbelief.

“... Liuliu?”Shangxin was stunned. The other end of the call was silent for a few seconds before she abruptly hung up.

Yu Liuliu:” ...”

Seven:” ...”

At this moment, no expression could be seen on Seven’s face. If one were to take a closer look, his body would have already stiffened.

From the moment he heard Shangxin call out his name, he felt that he had been pushed to the edge of the cliff and was on the verge of collapsing.

Now that he saw Yu Liuliu’s small face, which was so shocked that it was pale, his heart sank bit by bit.

“Liuliu, I can explain this!”Seven, who was Tang Qianqi, had just opened his mouth when Yu Liuliu avoided his hand and dodged to the side.

Her crystal-clear eyes revealed an unconcealable shock and astonishment.

She looked at the person in front of her in a daze.

The outline of the face in front of her kept shrinking, shrinking... shrinking to the appearance that she used to be familiar with, it was actually so similar..

Seven, that's right, even the name was the same.

No wonder she felt that he was so familiar from the first time she saw him.

No wonder when they first met, he always ordered her around and enslaved her, but she was actually not angry at all. She would even feel heartbroken because of his occasional pitiful expression.

No wonder..

"Are you really Qi Qi?" Yu Liuliu suddenly asked after a while.

Tang Qianqi stood in front of her. From the moment he saw her avoiding his hand, his heart had fallen to the bottom of the valley.

He wanted to explain himself, but when he opened his mouth, it seemed that there was nothing to say.

He could only wait quietly, afraid that she would ask for a breakup. When he heard what she said, he was slightly stunned.

When he met her blank gaze, his eyes flashed. This time, he did not hesitate and nodded seriously.

"It's me. I'm back."

He was back.

From the beginning, he did not break his promise. On the day he turned 18, he returned to her side as an adult.

He brought a gift that he had prepared meticulously for her. He wanted to solemnly promise her the rest of her life. However, due to a misunderstanding, he did not have the time to say his confession.

Chapter 2252: 77? Qiqi? (16)

He's back.

These four words sounded different in Yu Liuliu's ears.

The person she had been longing for was back, and she was the last to know.

They had just been at the dinner table talking about her childhood friend. She was worried that he would mind, so she had been carefully paying attention to his feelings. In the end, she told her that the person in front of her was her childhood friend whom she had not seen for many years.

Did he change his identity and return to her side to test her? !

Yu Liuliu stood up from the sofa with a whoosh.

She carried her bag and turned to walk out of the door.

“Liuliu!” Tang Qianqi came back to his senses and wanted to chase after her. Just as he grabbed her hand, Yu Liuliu had already shaken him off with force and rushed out at lightning speed.

In order to raise a dog, Tang Qianqi had specially changed the house on the first floor. In the end, it had become the biggest bug!

Yu Liuliu did not need to wait for the elevator. As soon as he ran out of the courtyard, he immediately rushed to the road and stopped a car.

Tang Qianqi had never expected her reaction to be so intense. When he came back to his senses and wanted to chase after her, Lil Eight and the four little dogs realized that the atmosphere here was not right. They all ran in front of him and circled around him.

Tang Qianqi was stuck. When he chased her out of the courtyard, he only had time to see Yu Liuliu get into the taxi and leave..

He gritted his teeth and wanted to call her, but he realized that he did not have his phone with him.

He turned around and went back to the living room to get his phone. The first second he dialed her number, he let out a sigh of relief. However, the next second, his phone was hung up.

When he called her again, her phone was turned off.

The student dormitories of university were strictly managed. Male students were not allowed to enter the female dormitories. If there were any special circumstances, they would need to show proof.

Tang Qianqi was unable to woo her to the female dormitories. She had encountered the internship period of the international finance major and did not have the opportunity to meet Yu Liuliu in class. In such a short period of time, Tang Qianqi could not even see her once..

When Shangxin called him that night, he was lying on the sofa, staring at the ceiling with a face full of despair.

“Qiqi, you were thoughtless in this matter. How could you hide the news of your return to China from Liuliu just because you misunderstood her and did not know what had happened? “You men always think that you are smart and can hide the truth from the world. The facts have proven that you have paid the price in the end.”

After Shangxin said this, Tang Qianqi clearly heard a muffled groan from the other end of the phone.

If nothing went wrong, his father must have been beaten up.

Then, there was a guilty plea, “That Brat did something wrong, why did you hit me? It’s not like I made him stupid.”

Tang Qianqi:”...”

That’s right, the whole world now knew that he was stupid and had lost his good girlfriend.

He wouldn’t die if he didn’t do it.

“Qiqi, actually, mommy is also responsible for this. I shouldn’t have called you and let Liuliu realize that she had been deceived before she was even mentally prepared.” Shangxin seemed to sense the disappointment in her son, she apologized guiltily.

At the same time, she suggested, “Do you want to give your aunt a call?” Xiao Mumu had doted on you since you were young. She had even said that she would let you and Xiao Liuliu get married as a child. Your Uncle Yu would only let this matter go after he objected to it being too intense. If you were to ask her for help, she would definitely put in a good word for you.”

“Don’t worry, Mommy. I’m fine. I’ll hang up first.” Tang Qianqi put down his phone and his eyes darkened as well.

He was just being stubborn earlier on. In fact, he had something to do and it was a big deal!

Chapter 2253: 77? Qiqi? (17)

The childhood sweetheart that he had spent so much effort to chase had dumped him when she heard his true identity.

He had been worried that he wouldn’t be able to get past his father-in-law, but now, he didn’t even see his father-in-law’s shadow. He had already died in the first round.

And this time, he was completely dead..

Tang Qianqi’s cell phone rang again. He glanced at the caller ID and picked up.

“Uncle Mo. .”

The person who called was Mo Yongheng.

Tang Qianqi had roughly guessed the purpose of Mo Yongheng’s call from the conversation he had with fan fan at the dinner party.

As expected, the moment he heard him call out “Uncle Mo. .” Mo Yongheng’s voice immediately sank. “Brat, is it really you, seven? You changed your identity to avoid Yu Yuehan’s spies and then returned to the country to kidnap Liuliu? You actually let a Brat like you succeed!”

Mo Yongheng obviously did not expect that he would be able to find Tang Qianqi after investigating Yu Liuliu’s boyfriend.

Life was full of surprises!

Tang Qianqi: “...”

Yes, everyone knew his motive, but no one knew that he had already been dumped.

Tang Qianqi was at a loss for words. At this moment, he did not know if he should tell Mo Yongheng that Yu Liuliu had just left him in anger and might never want to see him again.

Tang Qianqi thought for a moment and decided not to say anything.

After all, he knew very well that if Mo Yongheng heard this news, not only would he not comfort him, he might even laugh three times and scold him for what he deserved.

His heart was already cold enough. If he were to be hit again, it would be cold enough.

However, he thought that if he didn't say anything, he wouldn't be hit. In that case, he might really think that Mo Yongheng was too kind.

When Mo Yongheng saw his listless look, he thought about it for a moment and seemed to have understood something as he teased him.

"Don't tell me that not only did you hide it from our elders, but you also hid it from Liuliu. Now that you have been discovered, you have been kicked out?"

Tang Qianqi:"..."

"Hahahaha, did I guess correctly?" "Aiyo, this is such good news. I should really share it with Tang Yuansi and ask him what it feels like to see his son trying to abduct someone else's little princess back home. In the end, he dropped the ball at the crucial moment and ended up with nothing."

Mo Yongheng did not provoke Tang Qianqi but turned around to provoke Tang Yuansi instead.

If it were any other time, Tang Qianqi would definitely be extremely nervous and fawn over Mo Yongheng when he was discovered. He would ask Mo Yongheng to help keep the secret and not let Yu Yuehan know about it.

However, Tang Qianqi felt that he could not be any more miserable now.

It did not seem to make much difference whether Yu Yuehan knew or not.

After all, he had already returned to being single in the first second after he regained his true identity..

"Woof Woof!"

Little Twelve, who was lying on the carpet beside his feet, did not feel the pain and despair of its master at all. Instead, it continued to play with the leg of his pants.

Tang Qianqi carried it up and stared at its chubby little head as he asked, "Do you think that if I told Liuliu that you were sick, she would stop by to visit me because she felt sorry for you?"

"AWOO..."little twelve whimpered softly, as if he was saying that he didn't understand.

Tang Qianqi ignored him. Instead, he felt that his method was very clever.

Yu Liuliu was angry with him, so she refused to see him or answer his calls. However, he could send messages.

As long as she saw the news that little twelve was sick, she would definitely feel sorry for him.

Tang qianqi found some props and "Made"little twelve look miserable, as if he was going to die at any moment.

Chapter 2254: 77? Qiqi? (18)

He then found a few angles, took a high-definition photo, and sent it to Yu Liuliu.

The message was sent successfully, but he didn't feel relaxed at all. In the next few days, whenever he heard the phone ring, he would rush to the location of the phone no matter what he was doing.

Yesterday, because the phone rang while he was showering, he was so excited that he fell in the bathroom and almost broke his newly recovered leg.

After waiting for three days, he did not receive a single message from Yu Liuliu on his phone.

At the same time.

In the female dormitory of a university.

It was the weekend for his internship, so Su Lidan could finally return to the dormitory.

The moment he entered the dormitory door, he immediately pounced on Yu Liuliu's bed. "Alright, You Little Vixen. You're the Little Princess of the Mo family, yet you kept such a big matter from me for so long. I'm going to eat you..."

Su Lidan's teasing did not end. A pale and haggard face emerged from under the blanket.

"AH—"

Su Lidan suddenly let go of his hand and took three steps back.

With an expression as if he had seen a ghost, he stared at the person in front of him.

His hand even picked up a fruit knife from the table beside him. He was so nervous that he stuttered, "You, you, you... you're Not My Liuliu. Who Are You?!"

Yu Liuliu reached out and pushed aside her hair that was hanging on both sides of her face. She stared at her panda eyes and glanced at Su Lidan who was standing in front of her.

"Dandan, you're back."

"..."Su Lidan's hand that was holding the knife paused. Then, his eyes widened.

"Liuliu, what's wrong with you? You look... like chastity!"Su Lidan thought for a long time and finally came up with the most appropriate adjective. He threw the fruit knife in his hand away and sat in front of Yu Liuliu again.

He raised his hand and touched her forehead.

"You don't have a fever. Why do you look so pale? Are you not feeling well? Why didn't you call me?"Su Lidan sensed that something was wrong with her. He lifted her quilt and supported her to take her to the school infirmary.

"I'm fine. I've just been hungry for two days. I'm a little weak,"Yu Liuliu said weakly.

Her gaze fell on her phone, which had been switched off for three days.

She avoided her gaze.

In fact, she hadn't eaten anything for almost three days. On the first day, she had even randomly picked up two mouthfuls of rice, so she didn't know how to taste the food. The next two days, she really couldn't eat a single mouthful.

If it wasn't for Su Lidan's return, she might have starved herself to death in her bed.

Su Lidan was so excited that he almost jumped up. "You haven't eaten anything for two days and you still say you're fine?!"

This was Yu Liuliu!

A top-notch foodie! The motto of life was: If you can't eat to your heart's content, then you might as well die.

And now... She wanted to starve herself to death?

Su Lidan felt that she was sick!

And very sick!

As she turned her head to take out the shoes and coat for Yu Liuliu, she couldn't help but ask, "Didn't seven not go for an internship? Why didn't you ask him to accompany you if you weren't feeling well?"

Seven.

Qiqi.

This name seemed to have poked Yu Liuliu's nerves. She suddenly burst into tears.

The sound of her crying made Su Lidan's hands tremble in fear, and his jacket fell to the ground.

"Dandan, I'm heartbroken..." Yu Liuliu raised her head with a choked up voice as she complained with snot and tears.

"That B * Stard Seven is my favorite bamboo-horse QIQI. He secretly returned to the country behind my back and didn't tell me. Instead, he hid by my side to test me!"

"..."

The name Tang Qianqi was not unfamiliar to Su Lidan at all.

She was stunned for a few seconds before she quickly figured it out. "Are you angry that he was testing you, so you want to break up with him?"

Chapter 2255: 77? Qiqi? (19)

Su Lidan understood.

After all, he was the boy that she had secretly liked for so many years. In the end, when the other party returned, not only did he not contact Yu Liuliu, he even tried to probe her. Anyone would feel a little sad and feel that they were not trusted.

However, if there was a reason for this, it was not unforgivable.

Su Lidan was just about to persuade Yu Liuliu to calm down and think things through first when Yu Liuliu raised her head and looked at her with a dumbfounded expression. Her eyes were full of tears. "Why did I break up with seven?"

Su Lidan: "???"

She was not the one who said that seven was testing her. Was she very angry?

He even said that he had broken up with her. Didn't that mean that he was going to break up with seven?

Su Lidan felt that he had not misunderstood at all. Yu Liuliu reached out and wiped her tears, she pursed her lips. "Qi Qi is so handsome, he's good at studying, and he knows how to cook. In the future, he can even earn money to support me. That's why I can't bear to break up with him. I'm just worried that when he tries to test me, I won't be able to control myself. If he finds out that apart from liking Qi Qi, I'll also like seven... do you understand what I mean?"

Su Lidan: "..."

"Dandan, do you think Qi Qi will break up with me because I'm not faithful enough?" Yu Liuliu asked nervously.

At that time, she was aware of this problem, so she didn't dare to listen to what Tang Qianqi was going to say next and ran away.

She always felt that as long as she didn't give him a chance to break up, they wouldn't break up.

She hid in the dormitory alone for a few days and didn't even dare to come out.

She couldn't eat or sleep.

She had been feeling uneasy. Could it be that she had just gotten a boyfriend and was about to be broken up... how could she be so miserable?

"... it seems like I'm not being faithful enough." Su Lidan had just opened his mouth when Yu Liuliu's tears, which had just stopped, began to flow out again.

"It's over. Even you think that I've gone too far. That Kirin will definitely be even angrier. He must be waiting to break up with me now. I'm about to become a single dog. When I just lost my internship, I'll lose my handsome little boyfriend!"

Yu Liuliu felt that her life was about to turn dark.

Su Lidan was afraid that she wouldn't be able to take it lying down, he hurriedly hugged her. "Think about it from another angle. Even though you've fallen in love with seven, seven is your little childhood friend. In other words, the person you've fallen in love with from start to finish is the same person. He's the real deal! Isn't that enough to prove that you're very loyal? "Moreover, seven used a fake identity to test you. He's also at fault. If it really can't be done, you can blame him first."

"... can I?" Yu Liuliu raised her head from her arms, her face full of surprise.

“Why can’t I? !” Su Lidan patted her shoulder, he said confidently, “When it comes to dating, it depends on who loves you more. As long as he loves you enough, you’ll become reasonable even if you don’t have a reason. Besides, isn’t it because he’s like your childhood friend that you fell in love with seven?”

“...” it seemed to make sense.

Yu Liuliu was still hesitating when Su Lidan grabbed her phone and stuffed it into her hand.

He urged her, “Call seven and ask him to meet you. Tell him everything!”

“Now?” Yu Liuliu had just taken the phone when she immediately hugged a hot potato and was anxious to throw it out.

Su Lidan refused to let her. “Now! You call him and arrange a time for me to accompany you to wash your face and have a meal. We’ll use our most beautiful posture to welcome the challenge from our Prince Charming!”

Yu Liuliu was terrified and did not dare to turn on her phone.

She was afraid that once she turned on her phone and saw Seven’s breakup message in advance, the courage that she had worked so hard to muster would disappear in an instant.

Chapter 2256: 77? Qiqi? (20)

“UM, can I borrow your phone to call Qi Qi?” Yu Liuliu asked weakly.

Su Lidan did not say a word and handed her his phone.

Yu Liuliu had a good memory. She remembered Tang Qianqi’s phone number. She closed her eyes and typed the phone number. She struggled for a long time but could not make the call. In the end, it turned into a text message.

She asked him if he was free for dinner tonight... and then wrote her name.

The moment the text message was sent successfully, Yu Liuliu’s heart was instantly in suspense.

She was worried that Tang Qianqi would reply to her message or simply break up with her in the message.

In the end, before she could worry much, the person on the other end of the phone replied almost instantly.

On the phone, there was only a simple “Yes”.

He agreed to her request for a meeting and did not object to her choosing to eat in the school cafeteria.

Just like that... he agreed to meet with her?

“This is the god that I think highly of. As expected, he is bursting with manliness!” When Su Lidan saw the reply on his phone, he immediately pulled Yu Liuliu to wash her face and wash her hair.

After a long struggle, he finally tidied up the neither human nor Ghost Yu Liuliu into the appearance of an exquisite doll.

"I feel that it is very necessary for you to put on some makeup and put on that very beautiful and immortal dress of yours. This way, even if seven wants to break up with you, he will still be reluctant to abandon you when he sees your beautiful face." Su Lidan stared at her exquisite face, he suggested sincerely.

Yu Liuliu glanced at her. "Am I the kind of woman who relies on her face? I clearly rely on her inner qualities."

She paused, then she added, "Actually, it's very important to have inner qualities, but you can't lose your face either. After all, I like Qiqi, and a large part of it is because he's handsome. So you should help me put on some makeup. My skirt is hanging in the wardrobe."

As Yu Liuliu spoke, she reached out to take a skirt from the shelf of the wardrobe.

After changing, she sat on the chair.

She waited for Su Lidan to put on her makeup.

After waiting for a long time, Su Lidan did not respond. Yu Liuliu could not help but raise her head, Su Lidan quickly explained, "I've decided to take back what I said earlier about you putting on makeup. I now feel that you look like a little fairy with such a plain appearance. You're so beautiful that it's not worth your life!"

Therefore, under Su Lidan's insistence, Yu Liuliu dressed herself up beautifully. Before she went out, she even ate a piece of bread and drank a glass of milk to replenish her energy.

With Su Lidan's encouragement, she took the first difficult step: to meet Tang Qianqi alone!

After Yu Liuliu arrived at the canteen, she found a corner and sat down.

It was her first time entering the canteen. She was not in a hurry to get food. Instead, she carefully turned her head around to look for Tang Qianqi's figure.

On second thought, since he did not live in the school, he definitely did not come here as fast as her.

Yu Liuliu went to buy herself a drink to boost her courage.

When she sat down again, she found that many people around her were looking at her. At first, she didn't understand what was going on until someone passed by her, she couldn't help but say, "The campus belle of our university is really as beautiful as a little fairy." Yu Liuliu's little face stiffened and then turned red.

She lowered her head to look at the "Battle robe" that she had specially changed into and covered her face with both hands.

She should not have listened to Su Lidan's words. She was dressed so ceremoniously. If she were to be dumped later, how embarrassing would that be?

Yu Liuliu decided to take advantage of Tang Qianqi's absence to return to the dormitory to change her clothes. Just as she put down her hands, a familiar figure had already walked up to her.

"Liuliu..."

Chapter 2257: 77? Qiqi? (21)

A deep and affectionate call.

The call made Yu Liuliu's heart tremble.

Tang Qianqi's life these three days was not much better than hers. She had lost a lot of weight, and the dark circles under her eyes were very obvious.

Before going out, she had specially tidied herself up and changed into a clean set of clothes.

At this moment, standing in front of her, she still looked dignified and handsome.

On the surface, she looked calm, but the hand that was placed in her windbreaker unconsciously clenched into a fist.

When her gaze fell on her stunning outfit, her eyes tensed up slightly, and her heart began to pound.

Did she dress so beautifully just to break up with him?

He remembered that he had seen in an "Ex-girlfriend guide" that before a girl decided to break up with her boyfriend, she would dress herself up especially beautifully and then break up with him without looking back, just like a queen.

When he thought of this possibility, Tang Qianqi's heart instantly tightened.

He pulled the chair back carefully, afraid that she would break up with him just because he moved too much.

He had just sat down when he saw that there was only a cup of drink in front of her. He immediately stood up and said, "I'll go buy you some food."

Tang Qianqi turned around and walked to the dining window.

As soon as he walked away, Yu Liuliu was suddenly thrown back into the water like a fish that was on the verge of death. She let out a long sigh of relief.

It wasn't until Tang Qianqi returned with two plates and saw that the plates were filled with dishes that she liked to eat that her nose suddenly felt a little sour.

She secretly thought to herself that he was still so considerate of her today. Was he preparing to have a good farewell meal with her and then part on good terms?

Yu Liuliu stared at the food in front of her. She was hungry just now, but now she had no appetite at all.

"Why aren't you eating? Don't you like today's food?" Tang Qianqi felt conflicted when she asked this question.

These were the dishes that he had specially chosen. She usually liked to eat them.

Now that she suddenly didn't like them, was she hinting at something?

For example, did he stop loving the person that she usually loved?

Tang Qianqi told himself to be calm. He had to be calm. However, seeing her abnormal behavior, he really couldn't calm down.

After putting down his chopsticks and thinking carefully, he chose to speak first. "I can explain why I used my fake identity to return to the country."

"I can explain why I fell in love with seven."

Yu Liuliu spoke almost at the same time.

Thus, after the two of them said the first sentence, they were both stunned.

They looked at each other, as though they were trying to figure out what the other party meant by that sentence.

After an unknown amount of time, they spoke at the same time.

Yu Liuliu asked, "Will you break up with me?"

Tang QIANQI said, "If you want to break up with me, I won't agree."

Yu Liuliu:"..."

Tang Qianqi:"..."

What was the situation now?

The two of them opened their mouths slightly and were suddenly a little dumbfounded.

After a while, the surrounding atmosphere was frighteningly quiet.

Yu Liuliu gradually came back to her senses. She seemed to have discovered something extraordinary from his words.

So, Qi Qi was not angry at all because she had fallen in love with seven. Instead, he was especially worried that she would break up with him because of his probing?

After figuring this out, Yu Liuliu didn't give Tang Qianqi a chance to think. She took the lead and said, "I'm indeed very angry about you probing me!"

Tang Qianqi:"..."

Just a second ago, Tang Qianqi had smelled a glimmer of life in her words. Just as he was hesitating whether he had missed out on something, he suddenly heard her question. With great difficulty, his heartbeat returned to normal, and he fell to the bottom in an instant.

So, was he really going to become a single dog in a second?

Chapter 2258: 77? Qiqi? (22)

"Although I'm very angry, I'll forgive you for your good looks as long as you promise to never do this again!" Yu Liuliu added.

Tang Qianqi:"? ? ?"

What did it mean to have a narrow escape from death? What did it mean to see hope at the most desperate moment?

It was exactly what he was doing now!

Tang Qianqi did not even want to think about what her previous two sentences meant. As long as she promised not to break up, no matter what she said, he would agree!

Although SU Lidan was unreliable, she was right about one thing.

In the game of love, it was always first to fall in love and lose. Whoever loved more would compromise first.

After Tang Qianqi was sure that he would not become a single dog, he decisively carried Yu Liuliu to his lap.

"This is the canteen!" Yu Liuliu realized that he cared about her far more than she cared about him. Although she was happy in her heart, she could not help but remind him.

There were other people around. They were... too intimate.

Tang Qianqi endured three days of lovesickness and ignored her protests.

Yu Liuliu had not seen his handsome face for three days. He was still immersed in his shock from worrying about her breakup to being in control of the overall situation. He could not bear to really push him away.

He allowed him to hug her and feed her.

At the same time, he listened to him pretend to be pitiful.

"You ignored me for three days. You didn't pick up your phone or reply to your messages. Even little twelve misses you and wants to get sick. So Do I."

"Okay." Yu Liuliu swallowed the food in her mouth. After starving for three days, she suddenly realized that Tang Qianqi wouldn't break up with her. She even had the upper hand, and her mood was so good that she could eat a cow.

She gave a perfunctory response to his complaint and continued to pat the back of his hand, instructing him to give her a piece of braised pork.

She hadn't eaten properly for three days, and she didn't know how many more meals she would have to eat to make up for it.

At this time, the world was vast, and eating was the biggest... eh, something seemed to be wrong.

Yu Liuliu suddenly realized that if Tang Qianqi had not wanted to break up with her from the start, then her phone would have been turned off for three days. Would that have been in vain?

Also, what messages had he sent her these past few days?

Yu Liuliu took advantage of the time when he was feeding her, took out her phone from her pocket, turned it on, and waited for the signal.

During the process, Tang Qianqi glanced at her with a hesitant look in his eyes.

It seemed like he wanted to stop her, but when he thought of how he had just gone from a “Death sentence” to a “Suspended death sentence,” he could only silently pretend not to see it.

Out of the corner of his eye, he watched Yu Liuliu turn on her phone and catch a glimpse of the unread messages on her phone. Finally, his hand could not help but cover the screen of her phone.

“Ahem, it’s nothing. Stop looking.”

“...”

There was a ghost.

Yu Liuliu ignored him, pushed his hand away, and directly opened the message.

[Liuliu, I can explain why I hid the fact that I went back to China from you!]

[I admit that I misunderstood. I came back with a gift for you and heard your conversation with Fani. I thought... the person you like is brother fan...]

During those three days, Tang Qianqi had told him everything that had happened since he was about to return to the country through text messages.

The past that he had been in so much pain that he did not want to recall, such as the girl who might lose him, was not worth mentioning.

Yu Liuliu flipped through the text messages on his phone and looked at the words that looked like he was talking to himself. His eyes suddenly turned red.

“Your leg...”

“It’s already healed.” It was rare that Tang Qianqi did not act pitiful and explained very seriously.

Her tears made him panic. Just as he was about to reach out to wipe her tears, Yu Liuliu suddenly reached out his hand in front of him. “What About My Gift?”

Tang Qianqi: “...”

Chapter 2259: 77? Qiqi? (23)

When she saw his text message, her first reaction was not that she felt sorry for him, but that it was a gift of concern for her?

Tang Qianqi did not know whether she should cry or laugh.

She scooped a mouthful of rice, fed it into her mouth, and said faintly, “I broke it in the car accident.”

“...” Yu Liuliu puffed up her cheeks and glared at him with dissatisfaction. She stopped chewing her rice and just stared at him.

It was as if she was questioning him. Why didn’t he fix it if it was broken?

This was a token of love that he wanted to give her!

“Do you want it?” Tang Qianqi suddenly asked.

Yu Liuliu:” ...”nonsense, that was a gift that he gave her. Of course she wanted it!

Yu Liuliu was about to complain when she looked up and saw his deep eyes. It was as if there was a deep pool in them, sparkling and full of deep affection.

She was stunned for a second and quickly understood what he meant.

This was a gift that he was prepared to use to confess his love. If she wanted it, it meant that she agreed to accept his confession.

Yu Liuliu’s small face turned red. She lowered her head and slowly ate her meal.

At the same time, she muttered in her heart, “Who would confess their love like him? It’s never serious. Would it kill you to confess your love once? Would it kill you?”? She wouldn’t fall for it. She was someone who wanted to be a queen.

In the end, she didn’t manage to swallow a mouthful of rice. Yu Liuliu couldn’t hold it in any longer.

“I want it.”

“Alright, after we finish eating, I’ll bring you back to get it.” Tang Qianqi lowered his head and planted a kiss on her forehead.

Yu Liuliu stared at his handsome face. The Little Reserve in her heart instantly disappeared without a trace.

What Queen or Queen? Forget it.

With a good-looking little brother, everything could be discussed!

The fierce battle that both sides had expected had inexplicably turned into a confession.

When Yu Liuliu walked out of the school cafeteria, she received a greeting from Su Lidan. “How’s the situation? Have you settled the God?”

Yu Liuliu glanced at the text message on her phone, then turned her head to look at Tang Qianqi, who was holding her hand and strolling on the school path. She smiled sweetly with her eyes curved.

“What do you mean by ‘settled’ or ‘not settled’? Am I such a shallow person? I’m in love with Qi Qi.” When Yu Liuliu replied to Su Lidan, she took a photo of her holding hands with Tang Qianqi.

Her hands were clasped tightly together. No matter how she looked at it, it looked like a bowl of dog food.

Su Lidan:” ...”Liuliu, you’ve changed. You used to be shameless, but now you’ve lost your face.

Face: I’m Yu Liuliu’s face. She doesn’t want me anymore.

Yu Liuliu put her phone into her pocket and held Tang Qianqi’s arm with her other hand.

Tang Qianqi turned to look at her. “What’s wrong? Is it too cold?”

When Tang Qianqi said this, he had already pulled her into his arms and wrapped her tightly with his coat.

Yu Liuliu snuggled into his arms. His body was warm.

She happily narrowed her eyes. She really hoped that Su Lidan would come and take a look at her at this time. With such a considerate boyfriend, what was the use of having face?

Tang Qianqi's new house was not far from a university. The two of them did not take a taxi. Instead, they held hands in a high-profile manner and strolled around the school for a while before walking over.

At the same time, posts about Yu Liuliu's identity popped up on the school's intranet like bamboo shoots after a rain.

[the mysterious daughter of the Mo Group has appeared in a low profile! She is definitely someone you wouldn't expect!]

[Yu Liuliu is the eldest daughter of the Mo family! Yu Liuliu is the eldest daughter of the Mo family! Yu Liuliu is the eldest daughter of the Mo family! Repeat the important thing three times!]

Chapter 2260: 77? Qiqi? (24)

[those who said that Yu Liuliu is not worthy of seven, come out and take a look. The one hundred billion heir of the Mo family, it's blinding your eyes!]

[can I say something weak, is Ning Lizi a good schemer?]

[what's a schemer? Using the Mo family's power to bully the eldest daughter of the Mo family and getting slapped in the face is ridiculous! Who can be stronger than Ning Lizi in the annual drama?]

[it's over. Not only is my goddess excellent in her grades, she's also young and beautiful. Now, she has a net worth of hundreds of millions. Will she not love me anymore?]

[wake up, the boyfriend above is called Seven!]

[...]

Those who had once dissed Yu Liuliu crazily on the school intranet and were unworthy of seven all fell silent at this moment.

However, there were some people who suddenly realized something and could not help but ask.

"Is the eldest daughter of the Mo family the heir to the Yu Corporation?" "Yu Liuliu's father is Yu Yuehan?" "The Mo family plus the Yu family is equivalent to the Mo Corporation plus the Yu Corporation... I don't dare to calculate anymore. I'm afraid that the money that falls from the sky will crush me to death."

"What should I do? I suddenly feel that seven is no longer a match for Yu Liuliu..."

"Emmmm, add one to the top."

[seven is the best in the world! Seven is the best in the world! Seven is the best in the world!]

[can the brainless fans on the post above stop?]

[...]

Such posts were endless.

Because Yu Liuliu's love affair had been boiling for a while on the school intranet, it had reached the peak of boiling once again!

"The students on the school intranet are getting more and more insightful!" When Yu Liuliu flipped through those posts, she couldn't help but show off in front of Tang Qianqi.

Tang Qianqi looked at her in confusion. Finally, he saw the post on her phone that said he was not worthy of Yu Liuliu. His eyes narrowed slightly!

The popularity of that post was not low. Many people followed the post and gave a series of reasons why he was not worthy of Yu Liuliu.

The most powerful one was: "What's the use of having talent? Just because you're good at studying now doesn't mean you can earn money in the future. Yu Liuliu not only has good grades and looks, but she's also extremely rich!"

The words "Extremely rich" were especially eye-catching.

Some people even analyzed whether Tang Qianqi liked Yu Liuliu because she was rich.

After all, the Prince Charming was so cold and aloof. Why was it that he treated Yu Liuliu differently? They became deskmates on the first day of school and even took the initiative to attack and protect her..

No one believed that there was nothing fishy going on.

Some people even boldly speculated that Tang Qianqi transferred to a university because he was here for Yu Liuliu!

As long as he married the 100 billion heirs of the Mo and Yu families, he would instantly become a winner in life!

Some people even jumped out to scold seven for being a gigolo.

Although he was soon drowned out by Seven's fans, Tang Qianqi still saw it.

"Hahaha, let me take a look." Yu Liuliu raised his head and pinched Tang Qianqi's chin with two fingers. He looked left and right, and finally clicked his tongue.

"With this appearance, you do have the potential to be a gigolo!"

Tang Qianqi: "...he couldn't laugh anymore.

He hugged Yu Liuliu into his arms and reached out to tickle her.

Yu Liuliu couldn't take it anymore and quickly raised her hands to surrender. "I'm sorry, I'm sorry. I Won't call you a gigolo anymore. You're My Little Darling, okay?"

Tang Qianqi was stunned. Yu Liuliu took the opportunity to stand on Tiptoe and kiss him on the cheek.
He suggested.

“Those people don’t know your identity. If they knew, they definitely wouldn’t say that. Why Don’t you tell everyone that you’re Tang Qianqi?”

The Tang corporation’s scale was indeed not comparable to the Yu Corporation’s, but its assets were frightening enough.
