

My Life 2261

Chapter 2261: Ding! Death warning from father-in-law (1)

Plus his grandfather's Shang Corporation.

Tang Qianqi and Yu Liuliu were definitely a match made in heaven.

"No," Tang Qianqi rejected without thinking.

He did not like being treated as a gigolo, but he had just confirmed that he would not be broken up with and had not discussed with Yu Liuliu how to deal with his future father-in-law.

Was he waiting for his father-in-law to come looking for him with a knife by announcing his identity at this time?

Tang Qianqi decisively took Yu Liuliu's phone and put it into her pocket. At the same time, he said earnestly.

"The most important thing in life is to be calm. I don't mind such rumors at all."

"Ptui, you're clearly afraid that my father will find out that you've returned to China," Yu Liuliu mercilessly exposed him.

Tang Qianqi: "..."

Was it easy for him to have a father-in-law who was obsessed with his daughter?

His girlfriend did not feel sorry for him and even laughed at him.

She was tired and did not love him.

The two of them returned to Tang Qianqi's house outside the school. Lil Eight was already standing at the entrance of the courtyard with four cute little puppies to welcome them.

One big and four small puppies were wagging their tails vigorously.

After seeing Yu Liuliu, Tang Qianqi, who had decisively abandoned her, surrounded Yu Liuliu. They wagged their tails and licked her hands. Those who did not know better would think that Yu Liuliu was the owner of the five puppies.

"Humans are inferior to dogs." Tang Qianqi leaned against the door and said sourly when he saw Yu Liuliu hugging a few small dogs. They were kissing and raising them high.

She had never been so intimate with him.

Yu Liuliu heard it and pretended not to hear it.

He reached out to pick up the lively little twelve and turned his head to ask him, "Little twelve is clearly not sick. What's up with the photos you sent me?"

Tang Qianqi: "..."

Yu Liuliu: "You actually used little twelve to pretend to be sick to deceive me!"

“Woof Woof!”The little puppy in Yu Liuliu’s hand barked twice as if it was also helping Yu Liuliu to scold him.

Tang Qianqi:“...”

Tang Qianqi decisively skipped this topic and pulled little twelve out of Yu Liuliu’s arms. He casually placed her on the ground and pulled her into the room.

Yu Liuliu wanted to settle the score with him, but he immediately began to act pitiful. “I missed you too much. You didn’t pick up my calls or reply to my messages. I thought you were going to break up with me.”

“...”

“I left your gift in the closet. Do you want to go and get it yourself?”Tang Qianqi’s words successfully diverted Yu Liuliu’s attention.

Yu Liuliu remembered the love token he had prepared for her. She walked past Tang Qianqi and took the initiative to enter his room.

Standing in front of the wardrobe, she opened the door and started to look for something similar to a gift box. She didn’t notice that Tang Qianqi had followed her into the bedroom and closed the door quietly, blocking the five dogs outside.

“Qiqi, which floor of the wardrobe do I put my gift on... Ah!”Yu Liuliu had just raised her head when Tang Qianqi had already walked behind her and hugged her from behind.

Just as she was about to turn around, Tang Qianqi’s arm had already raised its head in front of her and stopped in front of her.

A necklace hung on her slender fingers. A pendant shaped like the starry sky hung in front of her.

It had a unique design of stars and moons. The small diamonds on it flickered with the swaying of the necklace.

Yu Liuliu was stunned.

She stared blankly at the necklace in front of her and counted the small diamonds on it.

One two three four five six on the left and one two three four five six seven on the right.

It was indeed six and seven!

“Do you like it?”Tang Qianqi hugged her with one hand and pressed her hot chest against her back. She lowered her eyes and asked.

Chapter 2262: Ding! Death warning from father-in-law (2)

Actually, he had already brought the necklace with him when he went to look for her today.

Originally, he had planned that if she insisted on breaking up with him, he could hold the necklace and talk about the car accident in a pitiful manner, asking for her forgiveness.

In the end, the development of the matter... Well, although it was a little unexpected, it went much more smoothly than he had expected.

They didn't break up, and Yu Liuliu even asked him for a gift.

There were too many people in the school cafeteria, so Tang Qianqi deliberately didn't tell her that the necklace was on her body. She was waiting for this moment, a romantic moment that belonged to the two of them.

"The stars on this necklace, are they me and you?" Yu Liuliu poked the small diamond shaped like a star in front of her and asked.

Her voice could not help but tremble slightly.

"Yes, you are on the left, and I am on the right," Tang Qianqi's thin lips pressed against her ear and whispered softly.

The warm breath gushed onto her ear, making it a little itchy.

Yu Liuliu was so touched that her eyes turned red. She nodded like she was pounding garlic. "I like it, I like it very much!"

Six, six, seven, seven, seven, symbolized their necklace. There was no better love token than this.

When Tang Qianqi heard this, the corners of his mouth curled up slightly.

As long as he liked it, everything he did was worth it.

It was worth it to wait for so many years.

Tang Qianqi helped her put on the necklace. The pendant hung to Yu Liuliu's chest and went into the collar of her clothes.

Yu Liuliu took it out again and looked at it lovingly over and over again. She mumbled softly, "The left side is six, the right side is seven."

When Tang Qianqi heard her childish voice, the corners of his mouth unconsciously curled up into a loving smile. His gaze was especially gentle as he lowered his head and kissed her ear gently.

"It's a little itchy." Yu Liuliu subconsciously avoided it. When she turned around, she just happened to bump into Tang Qianqi's lips.

The unexpected kiss made Tang Qianqi's eyes deepen.

He reached out and hugged her waist. With a little force, he pressed Yu Liuliu against the wardrobe, making it convenient for him to deepen the kiss.

"Oh..."

Yu Liuliu was hugging the necklace he gave her and giggling foolishly when she was suddenly kissed. She was a little dazed.

She only felt that the air in her lungs was about to be squeezed dry by someone.

Just as she was about to push him away, Tang Qianqi had already let go of her. However, she did not retreat. Instead, she took a step closer and placed her arms on the sliding door of the wardrobe, locking her in his chest.

She lowered her eyes and stared at her blushing face. She was so nervous that she had nowhere to put her hand that was grabbing the hem of her clothes. She opened her mouth faintly.

“I have a reason for Uncle Yu to agree to be with us. Do you want to hear it?”

“...”Yu Liuliu’s intuition told her that it would not be a good idea. She could not resist her curiosity and nodded.

Tang Qianqi leaned into her ear and only said one sentence. Yu Liuliu’s face turned red. From her face to her neck, it was as if she was on fire..

“You, you, you... Hoodlum!”

After Yu Liuliu finished speaking, she wanted to run away, but Tang Qianqi was already prepared and held her firmly in her arms.

“If you don’t agree, I won’t force you. I’m just worried that if Uncle Yu finds out that I’m back, he’ll definitely think of ways to break us up. Do you have the heart to never see me again?”

Tang Qianqi began to play the victim.

Even though he was playing the victim, 90% of what he said was the truth.

Yu Yuehan did not realize that he was back. If he did... Tsk Tsk, the consequences would definitely be tragic.

“Madam... It’s too early.”Yu Liuliu was so shy that he could not raise his head with just a few simple words.

Chapter 2263: Ding! Death warning from father-in-law (3)

Tang Qianqi hugged her tightly and solemnly promised, “We will not be separated for the rest of our lives. I will be responsible for you.”

This sentence seemed to poke into Yu Liuliu’s heart.

Yes, they would never be separated for the rest of their lives. What did it matter if they were separated earlier or later?

Moreover, he was younger than her. It seemed that she was the one who took advantage of him..

Her mother often said that if she liked someone, she should take action as soon as possible so that she wouldn’t be kidnapped if she was late.

Now, she wasn’t afraid that her qi-qi would be kidnapped. She was afraid that her father would come looking for her and find out that she was secretly dating Qi-qi at school. In a fit of anger, he would take Qi-qi’s dog life.

Speaking of which, his suggestion seemed to make sense.

Yu Liuliu nodded her head. Her hands tightly gripped Tang Qianqi's lapels as she leaned into his embrace. The shirt that was pressed against his chest, she could hear his heartbeat at this moment.

He was also nervous.

Yu Liuliu did not know that Tang Qianqi was nervous, but he was more excited.

She had agreed. Tang Qianqi knew very well what this meant.

In this life, he would only have her, and she would only belong to him..

Tang Qianqi cupped her face with both hands and planted a kiss on her forehead. He solemnly promised, "Liuliu, I love you. I've only loved you in this life, and I will only love you alone."

"..."Yu Liuliu did not say anything. She gently bit her lips, and her eyes reddened.

Tang Qianqi bent down and carried her. He turned around and walked to the bed behind him.

The door was closed, so the five dogs couldn't come in to cause trouble. However, they could hear the whimpering sound of dissatisfaction coming from the door.

Feeling as if someone had discovered that they wanted to do something shameful, Yu Liuliu shyly grabbed the pillow and covered her face.

The two inexperienced people were somewhat reserved.

Boys always had a stronger learning ability than girls in certain aspects, and they even taught themselves without a teacher.

Tang Qianqi dominated almost all the rhythm.

He was also trying his best to restrain himself and give her enough time to adapt.

"If you feel uncomfortable, let me know. I'll stop first." Tang Qianqi saw that she was so nervous that she kept crawling into his arms, and his heart was a mess.

The two of them were almost honest with each other.

There was no headlight in the room, only a bedside lamp, and the light was a little dim.

However, it was enough for Tang Qianqi to see the flush on her body clearly. Her heart felt hot, and she could not control the urge to take her as her own.

She was afraid of hurting her, so she could only open her mouth to remind her.

Yu Liuliu was so embarrassed that she could not speak.

Other than nodding, she just nodded.

At the beginning, she still had the courage to think about the idea of turning over a new leaf. Later, she simply gave up completely.

Compared to Tang Qianqi, her skin was still a little thinner.

At this point, she knew what was going to happen next.

She was already lucky that she wasn't so nervous that she ran away.

The more Yu Liuliu was like this, the more soft-hearted Tang Qianqi became. She tried her best to control herself and slow down a little. She gently kissed her trembling eyelashes, grabbed her arm, raised it above her head, and clasped her fingers tightly.

He slowly leaned over..

"Buzz Buzz –"at the critical moment, a sudden ringtone suddenly rang in the room.

"It's my phone."Yu Liuliu was stunned. She pushed him away and sat up, reaching out to look for her phone.

"Ignore it."Tang Qianqi grabbed Yu Liuliu, who was bending over to look for her phone in the clothes he had taken off.

Just as he was about to continue kissing her, Yu Liuliu's hand had already covered his mouth.

"This is the special ringtone that I set for my family. I can't ignore it."

Chapter 2264: Ding! Death warning from father-in-law (4)

Yu Liuliu took out her phone from her pocket and her expression changed slightly. Tang Qianqi moved closer to her and almost fell off the bed when he saw the name on the screen!

Yu Liuliu saw that the call was about to end and quickly picked up the call.

She tried her best to steady her voice and called out sweetly, "Daddy!"

"Why did you pick up Daddy's call so late? Who Are you with? Your Voice doesn't sound right either. Are you guilty of doing something behind Daddy's Back?"Yu Yuehan's deep voice came from the other end of the call.

Yu Liuliu's instincts, which were comparable to Sherlock Holmes', scared the phone out of her hand.

Tang Qianqi picked up the call and pressed the speakerphone to hold it up for her.

His face was also pale.

He lowered his eyes and stared at his crotch... yes, he had already put on his pants the second he realized that Yu Yuehan was calling.

However, at this very moment, he still felt that his little brother was a little dangerous.

The pressure from his future father-in-law..

If Yu Yuehan knew what they were doing now, Tang Qianqi's sexual happiness for the rest of her life would definitely be ruined.

It took Yu Liuliu quite a while before she found her voice again. "Dad... Dad, what nonsense are you talking about? You're getting more and more mysterious. Someone in my dormitory is sleeping. I purposely took my phone outside to answer the call, so I was a little slow."

Yu Liuliu was not a good liar. After holding it in for a long time, she finally thought of a reasonable reason.

However, Yu Yuehan clearly did not believe her. "What Time Is it now? Why is your roommate sleeping so early? I remember that girl called Dan or something is a night owl. Your other two roommates often don't return to the dormitory. Who is sleeping?"

Yu Liuliu:"..."

Look, this was her father. He was a man who knew her situation like the back of his hand even though he was not by her side.

Even the rules of her roommate's life did not escape her father's grasp.

He was asking if she was afraid? !

Yu Liuliu threw this question to Tang Qianqi.

Tang Qianqi held up his phone and knelt down for her. He told her to stop playing and answer her future father-in-law's questions properly. Otherwise, he might not live until the sun rose in the morning tomorrow. He would be dismembered by his father-in-law who had rushed over in the middle of the night!

"It was Dandan who was sleeping. She was sick and was not feeling well, so she slept very early. By the way, father, why did you suddenly think of calling me?" Yu Liuliu tried to change the topic.

Seeing that she had a good attitude, Yu Yuehan did not continue to ask, instead, he snorted coldly. "You are becoming less and less fond of father now. In the past, when you received my calls, you would be very happy. Now, you only have a look of disgust on your face. Do I need to pick a time to call my precious daughter?"

Yu Liuliu:"..."

Yu Liuliu had been taught a lesson, and she glared at Tang Qianqi aggrievedly.

Wasn't it all because of him!

She had secretly gotten a boyfriend, and now she felt guilty whenever she saw her father's phone call.

Tang Qianqi hurriedly used spoken language to express, "Yes, yes, yes, it's all his fault."

Only then did Yu Liuliu be coaxed, she continued to answer Yu Yuehan, "It's not that I dislike Daddy. I just feel that it's strange. In the past, you would only call me on weekends and spend the rest of your time accompanying mommy at work. Don't you need to accompany Mommy Today?"

"Your Mom was by my side. She heard about what happened at the Mo Corporation and was worried about you, so she asked me to call her to ask." Yu Yuehan's thin lips parted slightly.

He successfully pushed his paranoia onto Nian Xiaomu.

Then, a muffled groan came from the other end of the phone. It seemed like someone had been beaten up.

Just as Yu Liuliu was about to ask, Yu Yuehan spoke first, "If you are fine, I will hang up first."

Chapter 2265: Ding! Death Warning from father-in-law (5)

"Dad..."Yu Liuliu looked at the phone that had been hung up and was dumbfounded.

What happened to her father?

Although Yu Liuliu was dumbfounded, she managed to cope with it.

The moment her tensed nerves relaxed, she collapsed into Tang Qianqi's embrace.

Tang Qianqi was also drenched in cold sweat.

The romantic atmosphere that the two of them had painstakingly cultivated had already disappeared completely. Now that they were hugging each other, they started to think about the miserable life they would lead once their relationship was discovered by Yu Yuehan..

—

City H.

Yu Corporation's President's office.

The office that was originally a single-person office had now been transformed into a double room.

In the huge president's office, two identical desks were placed right in front of them.

Yu Yuehan and Nian Xiaomu sat at the same desk each to handle their work.

Compared to Yu Yuehan signing the documents directly, Nian Xiaomu was more focused on video-chatting with the higher-ups of the Mo Corporation and managing the company remotely.

Nian Xiaomu had protested that she wanted to stay at the Mo Corporation to work, but her protest was futile.

Yu Yuehan could not accept that she would be out of his sight for a long period of time. If Nian Xiaomu did not come to the Yu Corporation, he would get special assistant Yang to send the documents of the Yu Corporation to the Mo Corporation and move to the Mo Corporation to work on his own.

As time passed, it became a beautiful scene in the Mo Corporation.

Nian Xiaomu saw that all the young girls in her company were mesmerized by him. The time that they spent in the president's office to report on their work was also getting longer and longer. In the end, she could not take it anymore and kicked Yu Yuehan out.

Then, she was tricked by Yu Yuehan into coming to the Yu Corporation..

In a fancy way, it was called: a married couple follows.

It was already after-work time, and Nian Xiaomu had a temporary international video conference, so Yu Yuehan specially stayed behind to accompany her.

However, at this time, neither of them were working overtime. Instead, they were sitting on the sofa. Cough, cough. To be precise, Yu Yuehan was being pressed against the sofa by Nian Xiaomu.

He was still holding the cell phone that he had just hung up on.

“You used my name to deceive Xiao Liuliu again!” Nian Xiaomu rebuked indignantly, “How many times have you done this? When you bullied Xiao Yang, you used my name. Now, you are supervising Xiao Liuliu to use my name as well. Furthermore, you are doing this in front of me. This is intolerable. Do I not care about my face?”

Yu Yuehan was being ridden by her. He raised his eyebrows and took a look at the current posture of the two of them. He looked very pleased as he said, “Honey, calm down. If you really can’t calm down, you can do whatever you want to me.”

Nian Xiaomu: “...”

Did he have any sense of shame?

Just as Nian Xiaomu was about to look down on him, Yu Yuehan could no longer hold himself back. He flipped over, carried her up, and carried her into the lounge.

In the end, Nian Xiaomu succeeded with her husband, but it was only on the bed..

After the fight between the two immortals ended, Nian Xiaomu was so tired that she did not have any strength left. She lay on Yu Yuehan’s chest and bit him unhappily.

It was the same every time. The moment he realized that she wanted to talk to him about the child’s education, he would start to act shamelessly.

However, every time she looked at his bewitching face, her stance was not firm enough.

A man’s lust would cause the country to go astray!

“Nian Xiaomu, accompany me to city a,” Yu Yuehan suddenly said as he hugged her with one hand.

“Hey, that’s enough. Xiao Liuliu is already so old. Is it appropriate for you to always spy on Your Daughter Like This?” Nian XIAOMU flipped over and was about to get off the bed when Yu Yuehan grabbed her back.

He hugged her again and reiterated his stance.

“Am I that kind of overbearing parent? I am going to City A, not university a. I heard that Mo Yongheng brought Little Fox and Little Fox to City A. I Can’t see my own daughter, but I can always see someone else’s daughter.”

Chapter 2266: Ding! Death warning from father-in-law (6)

Little Fox and Little Fox were the twin daughters of Mo Yongheng and Zheng Yan.

Mo Yongheng was born with a poker face and was used to being expressionless.

However, Zheng Yan was famous for her beauty. Her face was as if she was made to be a vixen.

The two little princesses had completely inherited her beauty. They were extremely cute and beautiful at such a young age, just like Little Fox. Hence, their nickname was little Fox and Little Fox.

Recently, Yu Yuehan felt that something was amiss, but he could not pinpoint what it was.

Even though Tang Qianqi was still abroad, he had a feeling that someone was trying to steal the pearl in his hand.

He was prepared to personally supervise his little princess. If he found out that there was no problem, he would not have to worry about coming all the way here in vain. He could even go and steal Mo Yongheng's daughter — killing two birds with one stone!

"Don't think that I don't know what you are thinking. If you want to go, you can go yourself. I'm not going."

Nian Xiaomu could not struggle out of his embrace. When she saw that it was not time for the video conference, she simply pulled the blanket over her head and prepared to sleep for a while.

Yu Yuehan lifted the blanket over her head and suggested with a serious expression, "It's fine if you don't go. I will stay behind to accompany you. We can work harder and pursue a third child? Maybe we will be lucky enough to give birth to another little princess who is as pretty as jade."

Nian Xiaomu's waist was still sore. When she heard what he said, she was so frightened that her entire body trembled.

She was not Zheng Yan. An old woman could give birth to two little princesses. She already had a child and was satisfied. If she wanted her to have another child, she might as well take her life.

Nian Xiaomu shot a glance at Yu Yuehan and thought seriously about it. Even if a fellow Daoist died, he would not die.

The one who went to city a was Mo Yongheng, and the one who did not go to city a was herself. Of course, it was..

"I also feel that I haven't seen Zheng Yan for a long time. Why don't we go to city a together and take a look?"

Yu Yuehan had successfully achieved his goal and stroked her head lovingly.

"Alright."

—

City A.

"Achoo!"

"Achoo!"

"Achoo!"

Mo Yongheng woke up early in the morning and sneezed three times in a row. He felt a chill down his spine.

He turned around and hugged Zheng Yan, who had been woken up by him. He frowned. "Did I Wake You Up? Do you want to sleep a little longer?"

Zheng Yan did not say anything. She looked at the time, rubbed against his arms, and then got up with him.

It was eight o'clock. If she did not get up, he would have to go to the office.

She did not want to eat breakfast alone.

Mo Yongheng knew what she was thinking, so he did not stop her. They washed up together, changed their clothes, and walked out of the room holding hands.

The two little princesses were still sleeping.

The breakfast prepared by the chef was already on the dining table. Mo Yongheng had just pulled out a chair for Zheng Yan to sit down when the doorbell rang.

"It's so early. Who will come?" Zheng Yan turned her head and asked curiously.

Mo Yongheng did not answer. He frowned slightly, and his eyes revealed the same doubts as hers. In addition, he had an indescribable ominous premonition.

"I'll go open the door." Mo Yongheng patted Zheng Yan's shoulder, indicating for her to sit down first. He turned around and walked towards the door.

He reached out to open the door and was stunned for about three seconds. Then, he mercilessly closed the door and walked back to Zheng Yan.

In the face of her inquiry, his expression did not change.

"I don't recognize you. I knocked on the wrong door."

"Ding Dong —"

"Ding Dong — Ding Dong —"

Ding Dong! Ding Dong! Ding Dong

The frantic ringing of the doorbell was followed by a furious roar.

"Mo Yongheng, are you human? You actually pretended not to know me. I'm your father!" Yu Yuehan's voice could be heard clearly through the soundproof door.

Mo Yongheng: "..."

Zheng Yan: "..."

Chapter 2267: Ding! Death warning from father-in-law (7)

"My father is already dead," Mo Yongheng said coldly.

His first reaction when he came back to his senses was to reach out and press Zheng Yan down. "This bastard must be here to kidnap my daughter again. Don't open the door for him!"

Mo Yongheng was born as a secret guard, so his ability to control his emotions was exceptionally good.

Other than Yu Yuehan, there was no one else who could make him collapse in an instant.

He had already made up his mind that he would not open the door for Yu Yuehan no matter what.

At this moment, Zheng Yan's cell phone rang.

Just as she was about to reach out to answer the call, Mo Yongheng had already held her down and said, "There's no need to look. It must be Yu Yuehan Calling."

"It seems to be Xiao Mumu." Zheng Yan pushed Mo Yongheng's hand away and picked up the call hurriedly when she saw that it was really Nian Xiaomu's number displayed on the cell phone.

After she heard this, she stood up from the dining table and walked toward the door.

Mo Yongheng quickly hugged her and asked cautiously, "What are you doing?"

"It's Xiao Mumu. She is right outside the door," Zheng Yan said helplessly.

If she could not open the door for Yu Yuehan, she could not not open the door for Nian Xiaomu.

The two of them had not seen each other for a long time and were thinking about each other.

"Nonsense. The person outside the door is clearly Yu Yuehan. Can I mistake him for that B * Stard?" Mo Yongheng hugged her tightly and refused to let go. It was as if the two cute little princesses would be abducted the moment he let go of her.

"Xiao Mumu is here too. She said that she is here to inspect the company and that she can come with you." Zheng Yan was hesitating and did not know how to convince Mo Yongheng when Yu Yuehan's voice suddenly disappeared from outside the door.

The doorbell rang again.

Then, Nian Xiaomu's clear and shallow voice came through the door and sounded a little blurry.

However, she could tell that it was her.

This time, Mo Yongheng could not speak anymore.

He could lock Yu Yuehan outside the door without any hesitation, but he could not treat Nian Xiaomu this way.

If the old patriarch were to find out that he had locked his precious granddaughter outside the door, he was afraid that he would be beaten up.

"Relax. With Xiao Mumu around, young master Han won't do anything rash," Zheng Yan comforted him. When she saw that Mo Yongheng's expression wasn't that ugly, she stepped forward and reached out to open the door.

"Xiao Mumu!"

Zheng Yan shouted happily when she saw that the person standing outside the door was really Nian Xiaomu.

"I missed you so much." Nian Xiaomu reached out to hug her. In the blink of an eye, the two women were already hugging each other tightly.

Yu Yuehan stood behind Nian Xiaomu, and Mo Yongheng, who was standing behind Zheng Yan, glared at each other with a look of disdain.

If possible, Mo Yongheng did not want Yu Yuehan to take even half a step into his house.

Sensing Mo Yongheng's thoughts, Yu Yuehan directly ignored the two women who were hugging each other and took the lead to walk in.

His gaze swept across the living room, but he did not see the two little princesses. Just as he was about to walk into the room, Mo Yongheng blocked his way.

"This is my house. Guests should know how to behave themselves. Do you understand?"

"I'm not looking at you. Don't say anything." Yu Yuehan ignored his warning and was about to continue walking forward when Mo Yongheng refused to budge.

"Kacha!" After a soft sound, the door of the guest room opened.

Two pink little figures heard the commotion outside and walked out one after another.

The little princess had just woken up. Her hair was fluffy and she was carrying a little fox doll in each of her arms.

She was rubbing her eyes with her fists as she looked for her mother sleepily.

In the next second, when they caught a glimpse of Yu Yuehan standing in the living room, the two little princesses' eyes instantly widened and they ran forward happily. "Uncle Yu!"

Chapter 2268: Ding! Death warning from father-in-law (8)

Little Fox was the older sister. She walked in front and called out to Yu Yuehan when she saw him. Little Fox also called out to her. Then, both of them excitedly walked with their short legs and pounced into Yu Yuehan's embrace!

One on the left and one on the right, they hugged Yu Yuehan's thighs tightly and begged for a hug.

"..." Mo Yongheng was completely ignored and his entire being was in a bad mood.

This was the reason why he hated Yu Yuehan!

His daughter was clearly his, but the person he loved the most was not him, the father, but Yu Yuehan.

Was it easy for him to have two daughters who liked handsome uncles?

A wave of bitter tears!

Mo Yongheng was feeling bitter, but Yu Yuehan had squatted down and hugged his two daughters, giving him a provocative look.

In front of Mo Yongheng, he asked the twin sisters to kiss him.

“Yu Yuehan, don’t go too far!” Just as Mo Yongheng was about to explode, Zheng Yan rushed forward and gestured for him to calm down.

She personally invited Yu Yuehan and Nian Xiaomu in and instructed the butler to prepare two more servings of breakfast.

The number of people eating breakfast changed from two to four adults and two children.

“Little Fox, Little Fox, come to Daddy.” Mo Yongheng stretched out his hand toward the two sisters.

Little Fox was the first to raise her head and take a look at him. She blinked her big black eyes and said, “Daddy, you can eat by yourself obediently. I have uncle Yu to take care of me.”

“Me too.” Little Fox raised the little spoon in her hand and agreed with a smile.

After it finished speaking, it tilted its head and turned to ask Yu Yuehan, “Uncle Yu, do you like to eat vegetables? I can give you the vegetables in my bowl.”

If a child was willing to share food with you, it meant that he really liked you.

When he heard this, Mo Yongheng’s face darkened, and Yu Yuehan became even more smug.

He opened his mouth and let the little raccoon feed him.

“Yu Yuehan, can you be a little more shameless?” Mo Yongheng was furious.

Yu Yuehan was extremely calm as he said, “Do you blame me for being handsome and lovable?”

Mo Yongheng:”...”

Zheng Yan quickly tugged at him and said, “Mo Yongheng, calm down. You are already an adult. The Little Fox and the Little Fox definitely have you in their hearts. It’s just that they haven’t seen young master Han for a long time, so it was a novelty for them.”

Nian Xiaomu did not stay idle either. She nudged Yu Yuehan with her elbow, indicating that it was about time for him to stop.

How could he be so arrogant when he was a guest at someone else’s house?

He had gone too far!

With the two women intervening, the situation finally eased up a little, but it did not ease up much either.

The main point was that Yu Yuehan’s face was too good at causing trouble. The five-year-old sisters kept calling him “Uncle Yu” and surrounded him, wanting to hug him one by one. Seeing this, Mo Yongheng’s heart was filled with jealousy.

If Zheng Yan had not kept stopping him, he would have been unable to hold himself back and went up to fight Yu Yuehan.

“Wife, when will he get lost?” Mo Yongheng was once again stopped by Zheng Yan due to jealousy. He hugged her waist and asked.

Zheng Yan was slightly stunned when she was hugged to the waist. She turned her head to look at Yu Yuehan in the living room, as well as her two daughters who were lying in his arms and refused to get down. She coughed lightly.

To be honest, other than Yu Yuehan, the Little Fox had never been so attached to anyone else.

She had given Yu Yuehan the treatment that even her biological father did not get.

Mo Yongheng could not be blamed for being envious of this scene.

However, no matter how much the child liked Yu Yuehan, he was still the biological father of the two little princesses. Zheng Yan stroked his head and said, “Set an example for the child. Be Magnanimous.”

Zheng Yan had just finished comforting Mo Yongheng when Yu Yuehan had already started chatting with the two sisters.

“Little Fox, Little Fox, do you like uncle?” Yu Yuehan asked.

“I Like It!” The two sisters said in unison.

The corners of Yu Yuehan’s lips curled up into a triumphant smile as he continued to ask, “Uncle’s house has a lot of candies and toys. Do you guys want to come over to uncle’s house as a guest?”

The moment these words were said, Mo Yongheng had already stomped his feet before the two little princesses could reply.

Zheng Yan hurriedly hugged him. Mo Yongheng’s strength was so great that she almost could not hold him.

“What did I say? He has no good intentions! Let Go of me, I’m going to kill him!” Mo Yongheng carried Zheng Yan and walked toward Yu Yuehan.

Zheng Yan could not stop him, so she could only call out to Nian Xiaomu.

It was too late.

Nian Xiaomu was also worried that the two of them would really fight in front of the child, so she quickly helped to stop Mo Yongheng.

At the same time, she turned around to warn Yu Yuehan.

“Speak properly. If you continue like this, I will get angry too!”

“TSK TSK, look at all of you. The Little Fox and the Little Fox like to play with me, yet you insist on stopping me. Don’t you know how to respect the child?” Yu Yuehan pretended to be obedient even though he had taken advantage of the situation and opened his mouth arrogantly.

Mo Yongheng stared at him with contempt and said, "Pui! Do you know how to respect the child? If you have the ability, don't stop Xiao Liulu from getting a boyfriend. I will believe your nonsense!"

"How can that be the same? I only have Xiao Liulu as my daughter. I'll die of anger if someone kidnaps her. However, you don't have to worry about Little Fox and Little Fox liking me. I'm helping you raise your daughter for free. I'll return it to you after some time."

Yu Yuehan said this in a reasonable manner.

At first glance, it sounded reasonable. After careful consideration, he still felt that he was shameless.

Mo Yongheng had finally managed to get two pretty little princesses. It was too late for him to cultivate a relationship with his daughter. Who asked him to help raise her? !

Yu Yuehan was clearly trying to take his daughter for himself!

Mo Yongheng did not forget what the few of them had done at the hospital when the Little Fox and Little Fox were just born!

He walked forward, picked up the two little princesses who were snuggling in Yu Yuehan's arms, turned around, and walked out.

Zheng Yan was stunned and followed behind him to ask, "Mo Yongheng, where are you taking your daughter?"

"I ran away from home! Before Yu Yuehan leaves my house, I will not let him see my daughter again!" Mo Yongheng said without turning his head.

In the blink of an eye, he had already walked to the door and was about to leave after putting on his shoes.

His actions were so fast that Zheng Yan did not even have time to react..

On the other hand, Yu Yuehan, who was sitting in the living room, let out a smug laugh. "Look at how promising you are. You can't even compare to Qi Yan."

Speaking of the Fearless King of Hell, seeing Yu Yuehan now was no different from seeing a ghost.

Yu Yuehan would not abduct Little Bengbeng, but the Yu family had Yu MUYANG!

The moment Qi Yan saw Yu Yuehan, he immediately thought of that rascal who pestered his daughter every day. He even treated Yu Yuehan with respect and indifference.

Yu Yuehan's words could be considered as a group of mockery.

Not only did he taunt Qi Yan, but he also taunted Mo Yongheng.

Mo Yongheng had just taken a step when he turned around and glared at a certain someone who had come uninvited.

"What? Did I say something wrong? If you have the ability, don't run."

Yu Yuehan's tall and straight body leaned against the sofa. He crossed his legs leisurely and held the remote control in his hand. He was changing the channel.

He chose a children's channel and the cartoon that was currently playing immediately attracted the attention of the two little princesses in Mo Yongheng's arms.

The little girls who were wearing the same princess dress kicked their legs in unison and struggled to slide down from Mo Yongheng's body.

In a flash, they ran back to Yu Yuehan's side.

Mo Yongheng: "..."

They had entered his house and wanted to abduct his little princess. They even mocked him.

They absolutely could not tolerate this!

Mo Yongheng's deep eyes were gradually filled with anger.

It was unlikely that he would want to fight Yu Yuehan in front of Nian Xiaomu and Zheng Yan.

Furthermore, Mo Yongheng did not dare to do so. If he were to scare his precious daughter, he would not be the one who would feel sorry for her.

They were both adults. When adults fought, sometimes they did not need to use force and could outsmart Yu Yuehan!

Before coming to city a, Mo Yongheng indeed did not have the confidence to win against Yu Yuehan.

But now... it was different!

Zheng Yan and Nian Xiaomu looked at Mo Yongheng worriedly, afraid that he would rush forward to fight with Yu Yuehan. In the end, after waiting for a while, they realized that not only did Mo Yongheng not make a move, the anger on his face had also disappeared.

At this moment, he was slowly taking off his shoes that he had just put on and walking back.

Step by step, he walked in front of Yu Yuehan.

He stood still calmly.

"One must be kind-hearted. Otherwise, one will easily suffer retribution. Do you believe me?" Mo Yongheng sneered.

Yu Yuehan raised his eyebrows. He held little fox in his left hand and little raccoon in his right. Lifting his chin happily, he said, "Retribution like this? I don't mind having more."

"You..." Mo Yongheng almost broke his technique in a second. At the last moment, he could not hold it in anymore. He took a deep breath repeatedly and opened his mouth again.

"We are brothers. Don't blame me for not reminding you. You are always thinking about other people's treasures. Be careful not to lose your own."

“... What do you mean?” Yu Yuehan’s expression changed abruptly.

Mo Yongheng’s hint was too obvious. He immediately thought of something and waited for Mo Yongheng to confirm it.

In the end, Mo Yongheng deliberately changed his tone. “It’s nothing. I just feel that the heavenly axiom has a cycle.”

“You want to play psychological warfare with me?” “Do you think that I would suspect that Xiao Liuliu is in a relationship behind my back with just a casual sentence? I’m not afraid to tell you that I just spoke to my daughter on the phone last night. She told me personally that she doesn’t like any of the boys in their school. She Won’t fall in love before she graduates from university.”

Yu Yuehan made a solemn vow.

He was well aware of his own daughter.

He had long known that Xiao Liuliu liked that brat, Tang Qianqi.

If not for this, he would not have completely locked down Tang Qianqi and never let that Brat have the chance to see Liuliu.

Tang Qianqi was not in the country, so who could Xiao Liuliu fall in love with?

How could Mo Yongheng deceive him if he did not even make a rough draft of his lie?

Yu Yuehan only felt nervous for a second before he regained his composure.

Mo Yongheng smiled at him meaningfully.

“That may not be the case. Sometimes, things like fate just happen... besides, I did not mention that Xiao Liuliu fell in love just now. That was what you said yourself.”

Mo Yongheng’s expression that he had promised to keep a secret and that he would never reveal it made Yu Yuehan extremely uncomfortable.

He wished that he could pry open his mouth and let him speak clearly. However, he knew very well that Mo Yongheng was waiting for him to lose his cool.

Yu Yuehan’s eyes flickered when he thought of the uneasiness that he had felt over the past few days. He stood up from the sofa.

He did not waste any time with Mo Yongheng. Instead, he walked to the window and called his assistant.

Very soon, news of the investigation came back.

Yu Yuehan deliberately turned on the loudspeaker function on his phone and walked in front of Mo Yongheng. He wanted to slap Mo Yongheng in the face, but in the next second, Special Assistant Yang stuttered, it came out of his phone. “Young — Young Master Han, young miss, she... She really has a boyfriend. I heard that she has already cohabited.”
