

My Life 2271

Chapter 2271: Ding! Death warning from father-in-law (11)

“Bang!”The phone in Yu Yuehan’s hand fell to the ground.

His face, which had been filled with joy just a moment ago, turned dark in an instant.

Little Boyfriend.

Cohabitation.

These few words were like ice spikes, drilling into his ears.

However, Mo Yongheng was still laughing beside him. “What did I say? One must be kind-hearted!”The last two words were emphasized.

Yu Yuehan’s originally ugly face was now clouded by the looming storm, and his voice sank.

“You knew about it long ago?”

“Just a little earlier than you. I was worried that Liulu would be at a disadvantage, so I specifically asked around, but in the end...”Mo Yongheng suddenly stopped at this point and shot him a meaningful glance.

“It was a little unexpected.”

Yu Yuehan:”...”

What did he mean by unexpected? After hearing that his daughter was dating behind his back, Yu Yuehan had another ominous premonition.

Mo Yongheng would not be so kind as to comfort him at this time.

Logically speaking, after he had just gloated in front of Mo Yongheng, Mo Yongheng should have added fuel to the fire when he heard the results of Special Assistant Yang’s investigation. In the end, not only did he not add fuel to the fire, he even said such a weird sentence.

Yu Yuehan’s instincts told him that there was even worse news waiting for him.

However, could there be worse news than his daughter finding a boyfriend behind his back?

No, there wasn’t any more!

Yu Yuehan turned around and was about to leave. With his aggressive appearance, one could easily guess that he was definitely going to University A to look for his daughter.

“Yu Yuehan, calm down. Wait for me...”Nian Xiaomu snapped back to her senses and hurriedly chased after him!

—

On the other side, at Tang Qianqi’s residence.

Even though the crucial rhythm had been interrupted by a phone call, Tang Qianqi and Yu Liuliu, who did not need an internship, were still lovey-dovey with each other at this moment.

As long as they could stay together, even if they did not do anything, the air was filled with a sweet scent.

Yu Liuliu woke up from Tang QIANQI's embrace. As she opened her slightly hazy eyes and looked at the handsome face that was magnified in front of her, she felt as if she was dreaming.

"I used to think that it would be great if I could see you lying next to me every day when I wake up. I didn't expect it to become real," Yu Liuliu mumbled softly.

Her voice was so soft that it sounded like she was talking in her sleep.

When Tang Qianqi heard it, his heart stopped.

He stretched out his hand and pressed her against his chest.

He didn't tell her that he was thinking the same thing as her. He had been waiting for this day for too long.

Every day when he was abroad, he would dream about her. He would dream about how when they were young, he would sneak into her room every day when Uncle Yu was not paying attention and sleep with her.

They were childhood sweethearts, and they had never guessed each other.

That beautiful period of time had been the biggest motivation for him to be alone outside for so many years.

He was not a true genius. He only had a reason to become strong, and there was someone he wanted to protect.

Now, that person had finally returned to his life. It was as if the missing part of his heart had finally been mended.

Tang Qianqi lowered her head, she planted a kiss on her forehead. "We won't be separated from each other in the future. When my parents return in a few days, I will personally go to the Yu family to talk to Uncle Yu and get him to agree to our marriage as a prerequisite."

When Yu Liuliu heard this, her heart warmed and she nodded with a red face.

After thinking for a moment, she was about to remind Tang Qianqi to prepare herself to be beaten up by her father when her phone rang the next second!

Chapter 2272: Ding! Death warning from father-in-law (12)

The sudden call stunned both of them.

Tang qianqi asked subconsciously, "Who is it?"

“Let me see.” Yu Liuliu picked up the phone and saw the caller ID. His eyes flashed as if he had guessed something. He gestured at Tang Qianqi and walked to the window to pick up the phone, he called out softly, “Xiao Ni ~”

Fan Ni, her nickname was fan Xiao Ni.

The daughter of Fan Yu and Qiao Yuanfei. With a daughter-obsessed fan yu, she was truly the apple of her eye. She was the darling of her heart.

At this moment, she suddenly called Yu Liuliu. Without saying a word, she started crying.

Yu Liuliu instantly panicked.

“What happened? Xiao Ni, Don’t cry yet. Tell me what happened to you first. If you cry like this, I’m going to cry too.”

The person on the other end of the line was still crying. She was crying very sadly.

She couldn’t say anything at all.

After a long while, she finally said, “Brother Fan has a girlfriend.”

“...” Yu Liuliu immediately understood.

In fact, when she saw Fan Ni’s phone call, she already had a premonition of the reason why fan ni called her.

However, she didn’t expect fan ni’s reaction to be so intense. She cried right away.

Yu Liuliu did not feel good when she heard her crying so badly. However, she had once pretended to be Fanny’s girlfriend to deceive her. She did not know how to comfort her now.

Yu Liuliu was hesitating on how to reply when Fanny opened her mouth again.

“Why not you?” “Sister Liuliu, if it were you, it would be fine. I was born later than you and I liked brother fan later than you. If you really liked brother fan, I could let go. However, the person who is with him now is not you,” Fanny said, then she burst into tears again.

Like a child who had been completely abandoned, she did not know who to talk to, so she could only talk to Yu Liuliu.

Yu Liuliu was even more flustered.

Because when Tang Qianqi heard Fanny’s words, he suddenly walked to her side, reached out and pinched her waist, using his eyes to ask her if she really liked fan fan.

How should she answer?

Fanny was still on the phone with her. Wouldn’t she be exposed the moment she opened her mouth?

But if she didn’t say it... she might become a single dog.

This was really troublesome.

Yu Liuliu blinked and finally raised his head to kiss Tang Qianqi on the lips.

While he was stunned, he turned his head to hug his phone and continue to comfort Fanny.

“Xiao Ni, think it through. Just because I like brother fan doesn’t mean that brother fan has to like me. He has someone he likes now. As his sister, we should give him our blessings, shouldn’t we?”

“...”Fanny was silent for a few seconds before she mumbled softly, “I don’t want to be brother and sister with him.”

Yu Liuliu:“...”

Sigh, that was the problem.

Fanny liked fan fan, but fan fan did not like Fanny. They still had the status of brother and sister.

Although all of them knew that fan fan was not the biological son of Fan Yu and Qiao Yuanfei, he was not related to Fanny at all.

However, they were brother and sister in name after all. Furthermore, fan ni was pampered and brought up by Fan Yu. The amount of time he spent taking care of fan ni was probably more than fan Yu and Qiao Yuanfei combined because he had the identity of “Brother and sister”, therefore, Fan Yu did not pay attention to her at all.

Little did he know that just like Yu Yuehan, he was trying his best to prevent his daughter from falling in love at a young age. He would never have thought that the person that his daughter liked was precisely the person that he did not guard against..

At that moment, Yu Liuliu did not know how to persuade Fanny. Fanny suddenly asked, “Sister Liuliu, have you really fallen in love with Brother Fan Fan?”

“Sister Liuliu, have you really liked Brother Fan?”

Chapter 2273: Ding! Death warning from father-in-law (13)

Yu Liuliu:“? ? ?”

Why did this kind of death sentence come back to her?

Yu Liuliu turned her head guiltily. Tang Qianqi had already recovered from the pleasant surprise of being kissed just now. At this moment, he seemed to have realized that Yu Liuliu was just brushing him off and diverting his attention. Her face was dark, he stared at her with eyes full of jealousy.

How was she supposed to answer him?

Yu Liuliu swallowed her saliva and walked in front of Tang Qianqi again. Before he could react, she stood on her tiptoes and kissed him again.

She knew her limits very well. She could not use the same move twice, but she had only kissed him once just now. This time, it was a deep kiss. With such a level of flattery, he should be happy, right?

As expected, Tang Qianqi had never seen Yu Liuliu so proactive.

Seeing that she had kissed him twice in a row, he almost floated up. He hugged her waist and was about to continue conquering the city when Yu Liuliu pushed him away and held his phone to chat with Fanny again.

They were still talking about the same topic.

“Xiao Ni, but whether we like brother fan or not, it doesn’t matter. What matters is who brother fan likes. Do you understand?”

“I don’t understand.” Fanny’s voice was still a little choked up, she sounded a little aggrieved. “Sister Liuliu, you definitely have never really liked brother fan. If you really like someone, you can’t be reasonable. As long as I see him with another woman, I will feel bad.”

“...” Yu Liuliu fell silent.

She knew that Fanny cared about her family very much. She cared about fan fan very much. Hence, after she misunderstood that Yu Liuliu liked fan fan fan and that fan fan liked Yu Liuliu, she took the initiative to quit and went out to travel alone.

Actually, even if Fanny did not say it herself, Yu Liuliu knew that she was hiding and licking her own wounds.

Yu Liuliu had never thought that she would ask Fanny to quit so quickly because she liked Fanny. Speaking of which, the person who understood her the most was still Fanny.

Fanny had probably guessed from the beginning that the only person who could make Fanny quit was Yu Liuliu, so she had asked for her help directly.

But now, even if she was kind enough to help, she could not hide the truth. She could not really be with fan fan... The scariest thing was that she had even implicated herself!

Tang Qianqi had been duped twice in a row, so even though he was slow-witted, he still managed to react. Yu Liuliu was feeling guilty, so he had tried so hard to comfort him, all so that he could continue chatting with fan ni.

He narrowed his eyes, and a dangerous light flashed across his eyes.

When Yu Liuliu was still in a daze, he took a step forward and forcefully pulled her into his embrace from behind.

Yu Liuliu was so frightened that she was about to speak when Tang Qianqi had already reached out for the phone. He turned on the loudspeaker and said, “Hello.”

“You are?”

On the other end of the phone, Fanny seemed to have not expected to hear the voice of a boy. She was stunned for a moment and asked in surprise.

Then, as if she had thought of something, she asked in surprise, “Are You Liuliu Jie’s boyfriend? Oh My God, if my uncle Yu finds out that you are dating my Liuliu Jie, he will definitely break your legs!”

Tang Qianqi: “...” this real world simply did not give people a way out.

The whole world knew that he had a daughter-obsessed father-in-law. Even Fanny, who was crying bitterly for her unrequited love, could enter a mocking mode in a second. It was like an invisible dagger stabbing straight into his heart!

“Fanny, can you speak? I’m your brother no matter what.”

“Brother, you’re not my brother. Brother Fanny wouldn’t speak like that...”

Chapter 2274: Ding! Death warning from father-in-law (14)

Fanny paused abruptly, then raised her voice, she almost shouted, “Are you qiqi? Damn it, you’re back in the country? Does Uncle Yu Know? “I’m sorry, I’m sorry. I didn’t recognize Mount Tai. I made a mistake just now. If I had known, I wouldn’t have said anything about breaking my leg.”

“...”when Tang Qianqi heard this, his mood instantly improved. Just as he was about to say that she wasn’t that stupid, the next second, fan ni blurted out.

“If Uncle Yu were to date sister Liuliu, how could this be something that one leg can solve? I’m afraid it would take your life!”

Tang Qianqi:“...”

Fan Xiaoni, if you still can’t find a reason to be single, then he can help her conclude that her mouth is poisonous!

According to Tang Qianqi’s current thinking, Fan Xiaoni’s mouth should be lonely for the rest of her life.

Fan Fan didn’t choose her. It was definitely a man’s intuition, the right choice!

Tang Qianqi was about to say something when Yu Liuliu hurriedly snatched back his phone. “Stop fooling around. Xiaoni is in a bad mood, don’t add fuel to the fire.”

“How could I? Can’t you see that she’s trying to hurt me? Besides, I’m helping her divert her attention. Look how much she’s mocking me now.”Tang Qianqi secretly ground his teeth.

Yu Liuliu said, “Don’t be so stingy. Xiaoni didn’t do it on purpose.”

Tang qianqi said, “Unintentional mockery is even more fatal.”

This meant that everyone knew that he would probably only live until the day his future father-in-law discovered him.

He couldn’t laugh.

Yu Liuliu:“...”

“Sister Liuliu, are you really together with Qiqi?”Fanny still couldn’t believe it.

After all, Yu Yuehan guarded against Tang Qianqi like he was guarding against thieves. Who among them did not know that?

Ever since she was young, Fanny had heard a joke. Young Master Han, who was omnipotent in the business world, was unafraid of anything. He was only afraid of the young master of the Tang family. Furthermore, he had been afraid of him since he was young.

Although it was a joke, the authenticity of the joke was too high.

Among the few of them, who did not know that Tang Qianqi had been forced to go abroad by Yu Yuehan to study abroad in name.

With such a "Historical background," it was no wonder that fan ni's reaction was so surprised that she had forgotten about her sadness. She had been in a state of shock ever since she found out that Yu Liuliu's boyfriend was Tang Qianqi.

"Who are you calling qi? I'm your brother!" Tang Qianqi frowned and corrected fan ni's address.

Fan Ni pouted. "You're just a little more than a year older than me. Do people of the same age have to be so calculative?"

"I'm still your older brother even though I'm a year older." Tang Qianqi was very insistent.

Fanny did not mind. "I only have one older brother."

Tang QIANQI said, "Oh, it's Fanny? I remember that it was someone who said that she did not want to be Fanny's brother and sister?"

Fanny said, "You... eavesdropped on other people's phone calls. You're a Scoundrel!"

"I was just trying to remind you out of kindness. Your sixth sister has only liked a scoundrel like me since she was young. I'm the only one in her heart. Do you understand?" Tang Qianqi suddenly opened his mouth in a serious tone.

His domineering tone was an oath of sovereignty.

Fanny subconsciously wanted to ridicule him. She moved her lips and suddenly came back to her senses. "You mean to say that Sister Liuliu has never liked Brother Fan? Then the words that they said to me back then were all fake?"

Fake, they were actually fake!

If fan fan and Yu Liuliu did not say such things in front of her because they were in love, then that meant that they were deliberately putting on an act in front of her..

It was fan fan's idea!

At that moment, Fanny seemed to have understood everything. She gripped her phone tightly in excitement.

"I'm not going to tell you guys anymore. I'm going to find brother fan and ask him about it!"

Chapter 2275: Ding! Death warning from father-in-law (15)

"Xiao Ni!" Yu Liuliu heard their conversation and was about to stop them when Fanny hung up the phone.

She could only turn her head to look at Tang Qianqi. "You know that Xiao ni likes brother fan, but brother fan doesn't like her. Now that she knows that brother fan and I were only acting to deceive her, she will definitely misunderstand that brother fan likes her. Brother fan already has a new girlfriend now. Isn't she looking for trouble by coming to find him like this?"

Yu Liuliu was worried. She turned around and wanted to change her clothes to find Fanny.

Fortunately, she knew that Fanny was in city a right now. If Fanny wanted to see Fanny, she would definitely come here as well. As long as she could stop her first.

"What are you panicking about?" Tang Qianqi reached out his hand and stopped her.

"Isn't this panicking enough?" Yu Liuliu could not laugh.

There was a kind of obsession, as if it was fated.

The obsession she had for her younger brother back then, and the obsession she had for Tang Qianqi later on... This kind of concern in her heart was never something that could be put down just like that.

Yu Liuliu could understand Fanny's thoughts about fan fan best.

Other than feeling sorry for her, she was also worried that she would do something stupid.

"I have to go and take a look. At least I have to inform brother fan first, in case Xiao Ni suddenly looks for him and he will be caught off guard."

Yu Liuliu had just taken out her phone when Tang Qianqi held her hand and said in a low voice, "Do you really think brother fan doesn't like Xiao Ni?"

"What?" Yu Liuliu was stunned and blinked her eyes. "He does like her. Xiao Ni is his sister. He has doted on Xiao Ni since she was young, but it's not the kind of love that Xiao Ni wants..."

"What if it happens to be?" Tang Qianqi interrupted her.

Yu Liuliu said, "... what nonsense are you talking about? Brother fan fan has always treated Xiao Ni as his own sister. He told me personally that his feelings for Xiao Ni are only brother and sister. Even if they are not related by blood, he doesn't want to change anything. So he asked me to help him put on an act to make Xiao Ni give up."

As Yu Liuliu spoke, his voice suddenly became softer.

Gradually, he couldn't continue.

As if he suddenly realized something, he looked at Tang Qianqi with obvious surprise in his eyes.

"You also discovered it, right?"

Tang Qianqi's lips curled into an evil smile as he spoke with certainty.

"If it was really just brother's feelings for his sister, Brother Fan fan wouldn't have needed to deliberately find you to act. He only needed to tell Fanny honestly that he didn't like her, or he could have seriously found a girl to fall in love with, and that would have solved the problem. However, he chose the most complicated method. I guess there are two reasons. First, he knows Fanny better than

anyone else, and he's certain that Fanny wouldn't compete with his sister for the person she likes. If he knew that the two of you were a couple, he wouldn't pester him anymore. Second, he simply couldn't say that he doesn't like Fanny!"

"..."Yu Liuliu was shocked and a ray of light appeared in his eyes.

Fan fan liked Fanny. This was something that she had never thought of.

Because in her heart, from the moment fan fan asked her for help, it was equivalent to cutting off all possibilities between him and Fanny.

In such a decisive way, wouldn't it be too cruel to treat the person she liked?

Not only was he cruel to Fanny, but he was also cruel to himself!

"I still don't understand. Brother fan is not related to Xiao Ni by blood. If he really likes Xiao Ni, he can try to fight for her. Uncle and aunt fan are not unreasonable people. Well... at least aunt fan is not unreasonable."

Chapter 2276: Ding! Death warning from father-in-law (16)

"To some people, there are many things that are far more important than love."Tang Qianqi's eyes flashed slightly.

Such as family affection, such as kindness.

Especially the kindness of raising him.

Fan Fan was not the biological son of Fan Yu and Qiao yuanfei, but it was better than being biological.

Fan Fan had been in the fan family since he was young, from the old master who helped the fan family adopt him to the housekeeper and servants of the fan family, all of them regarded him as the real eldest young master of the fan family.

Because in the hearts of Fan Yu and Qiao Yuanfei, he was their biological son!

On the day fan fan came of age, at his coming of age ceremony, Fan Yu announced in front of everyone that half of the shares of the fan group would be transferred to Fan Fan's name.

Over the years, fan fan had held an extraordinary position in the fan group.

Other than himself, almost no one dared to imagine that he was not the biological child of the fan family.

Such treatment would not only make fan fan feel love, but also a lot of pressure..

Because fan yu and Qiao yuanfei were too good to him, so good that he could not repay them.

Such good treatment also told him that fan Yu and Qiao Yuanfei had already treated him as their own son. How could they accept that their own son had fallen in love with their own daughter? Wasn't that ridiculous?

Qiao yuanfei might still have some room for negotiation, but Fan Yu was a daughter-obsessed person. If he were to find out that he had left his daughter in the care of a little wolf and was eaten by it in the end, the fan family would be in an uproar!

Fan fan should know this better than anyone else.

Therefore, he had been suppressing his feelings for fan ni ever since he realized it and was trying his best to think of a way to avoid it.

Otherwise, how could he explain that such a filial person like Fanny had been hiding in City N for the past two years, using the excuse of helping Mo Yongheng take care of the Little Fox and refusing to go home?

He wasn't asking to learn, nor was he busy with work. He just couldn't face his own heart.

He wasn't willing to admit it. Before Fanny discovered that he liked him, he had already realized that his feelings for Fanny had also become different..

"Little Ni is no longer a child. She is about to become an adult. There are many things that you can not work together to deceive her and let her face them on her own."

Tang Qianqi pulled Yu Liuliu into his arms and stared at her face, which only worried about others, as he opened his mouth faintly.

"Don't you think that I'm the most pitiful person right now? Compared to uncle fan who can kill people, I think the probability of Uncle Yu killing people is higher."

Yu Liuliu:"..."that makes sense.

Yu Liuliu: "If you were really killed by my father, I promise to burn more paper money for you so that you can continue to be a rich second generation in the Netherworld."

Tang Qianqi:"..."didn't he have a fake girlfriend? was she still the childhood sweetheart who loved him to death?

"You were the one who loved me to death back then, not me. I'm very reserved,"Yu Liuliu heard what he subconsciously said and corrected him seriously.

Her mother had said that even if she loved him to death, she should not say it out loud first. Otherwise, it would be very easy for him to eat her alive.

She now felt that her kirin had become very black-bellied. He even knew to change his name and use a fake identity to test her. She could not let him continue to be complacent.

Yu Liuliu turned around in his arms, she poked his chest and warned, "I'm telling you, you have to treat me better. Otherwise, I'll call my father and report that you sneaked back to the country and even went to school to flirt with his precious daughter!"

Chapter 2277: Ding! Death warning from father-in-law (17)

Just as Yu Liuliu finished speaking, her cell phone rang.

She picked up the call and called out obediently, "Mommy." Just as she was about to ask Nian Xiaomu why she had called her at this time of the day.., nian Xiaomu's nervous voice could already be heard from the other end of the phone. "Liuliu, is qiqi with you right now? Your father has already found out about his return to the country and is on his way to look for the both of you. Tell Qiqi to use whatever means he can to avoid the limelight for now..."

Before Nian Xiaomu could finish her sentence, the call was cut off.

The only sound that could be heard on the other end of the phone was "Du du du". It must have been cut off by someone who had discovered it.

Yu Liuliu's posture as she held the phone was a little stiff, and she did not regain her senses for a moment.

Tang Qianqi, who was hugging her, was the same.

The two of them were hugging each other. When Yu Liuliu answered the phone, he did not need to turn on the loudspeaker to hear what the person on the phone was saying.

The two of them looked at each other. In this second, they could see the confusion on each other's faces. Then, in the next second, their expressions changed!

"Uncle Yu came to city a?"

"Did my father notice that you're back?"

The two of them said in unison.

Then, Tang Qianqi released Yu Liuliu with a whoosh, as if he had been electrocuted.

Yu Liuliu also retreated quickly, putting some distance between the two of them. His first reaction was to rush to the door, slam it shut, and lock it.

He turned around and looked at the sofa in the living room. He thought that locking the door might not be enough. Should he move the sofa to block it?

"No, no, my mother just said that my father already knows everything. He's already on his way here. Locking the door will definitely be useless. We have to leave this place before he comes! Yes, leave!"

Yu Liuliu finally regained her senses and turned around to call Tang Qianqi.

Tang Qianqi had already put on his coat and picked up his phone and wallet. He was already prepared to run for his life.

He held her hand and walked out of the door!

"Don't worry about Xiao Ba and the four little dogs. I will get someone to come over and take care of them on a regular basis. I will book two tickets now. We will go abroad and lay low for a while. We will come back and apologize to uncle Yu after he has calmed down a little..."

Tang Qianqi told Yu Liuliu about his plan as he pulled Yu Liuliu out of the house.

Yu Liuliu's mind had gone completely blank ever since she heard Nian Xiaomu's tip-off. Instinctively, she followed him out of the house.

She thought that it would be good for her to stay out of the limelight for now. With her father's temper, if he were to find out that she was not only dating Qi Qi, but also living together at this time... she did not even dare to imagine what would happen to her!

"Screech!"

"Screech!"

"Chi –"

As soon as they reached the main door, the sound of a few brakes screeching could be heard from outside the door.

Following that, there was the sound of a series of orderly footsteps accompanied by a familiar roar.

"Surround this house from the front, back, left, and right. Don't let even a fly fly out!"

Tang Qianqi:"..."

Yu Liuliu:"..."

This was the scary part about Yu Yuehan. Once he was about to do something, he would not allow any accidents to happen.

Tang Qianqi could not help but shiver all over, and his heart palpitated.

He managed to calm himself down, locked the main door, and pulled Yu Liuliu toward the back door. "They are not as familiar with this place as I am, so they won't be able to find the back door so quickly. Let's slip away from the back door immediately!"

Tang Qianqi pulled Yu Liuliu and went around the front yard to the back door. When he saw the bodyguards guarding the back door through the crack in the door, Tang Qianqi could not help but curse softly.

Too Fast!

Yu Yuehan was afraid that he had already gotten someone to investigate the situation of this house before he came knocking on the door.

Chapter 2278: Ding! Death warning from father-in-law (18)

Tang Qianqi could almost imagine Yu Yuehan sitting in the car and leaning against the back cushion. His face was dark as he calmly flipped through the structural design of the house in his hands and instructed the bodyguards to surround them with a commanding tone..

From the half-lowered car window, he narrowed his eyes and sized up the appearance of the main door.

Tang Qianqi let go of Yu Liuliu's hand and signaled her to wait. Then, she walked to the wall and nimbly climbed up.

She stuck her head out and glanced at the wall.

In less than three seconds, she came back.

“How is it outside? Are there people outside the front door and the back door?” Yu Liuliu asked anxiously.

Tang Qianqi didn't say anything but nodded.

Then, he felt that his nod wasn't clear enough, so he explained, “Have you seen the movie about zombies surrounding the city? The number of bodyguards outside is probably as many as the zombies in the movie.”

Yu Liuliu: “...”

Yu Liuliu: “What Should we do now?”

Tang Qianqi also wanted to ask this question.

He couldn't run away, so he could only face his future father-in-law..

Tang Qianqi's handsome face turned a little pale, and his thin lips pursed slightly. “Liuliu, no matter what Uncle Yu says later, you have to promise me that you won't break up with Me, okay?”

Up until this moment, Tang Qianqi was not worried that he would lose his life. Instead, he was worried that Yu Liuliu would be pressured into breaking up with him.

“What's the use of worrying about this now? You should worry about yourself first. My father has always disapproved of us being together. Now that he has brought so many bodyguards, he definitely wants to take your dog life before Uncle Tang and Aunt Shangxin arrive!”

Yu Liuliu was as anxious as ants on a hot pot. Seeing that they could not escape, he pulled Tang Qianqi and ran back.

They entered the living room and closed the door.

Then, they pushed Tang Qianqi into the bedroom, opened the closet door, and let him hide inside.

“My father only knows that we live here and does not know that you are at home. I will open the door in a while and tell him that you are not at home at all. If you say some nice words to coax him, he should be able to pass the test. You can come out after we leave...”

Before Yu Liuliu could finish her reminder, a loud noise came from outside the door.

She rushed to the window and looked outside. A large excavator was parked at the door. A huge mechanical hand easily flattened a large door..

Lil Eight and the four little dogs were locked in the cage by Yu Liuliu and started to bark.

Yu Liuliu could not be bothered to comfort the dog anymore. She turned to look at Tang Qianqi, who was standing behind her. Tang Qianqi's expression was much more pitiful than the dog's.

With a pale and handsome face, she passed Yu Liuliu and looked at the door that had been pushed down outside. It was as if she could see her body that was about to be flattened by the excavator..

It was bloody!

Before Yu Liuliu could comfort him, her father had already gotten out of the car and personally got onto the control panel of the excavator. He drove the excavator into the courtyard!

“Tang Qianqi, I advise you to come out on your own within three seconds. Otherwise, you will have to bear the consequences!”

Yu Yuehan’s voice was clearly transmitted into the room through the loudspeaker.

Following his warning, the mechanical arm of the excavator was already aimed at the house where they were hiding and was raised up high.

How were they supposed to hide?

“Yu Yuehan, what are you doing? Let’s talk this out nicely. Don’t scare the Child!” Nian Xiaomu pushed the bodyguard aside and ran in. Just as she was about to persuade him, Yu Yuehan had already gotten someone to stop her and started the countdown.

“Three!”

“Two!”

“One—”

Chapter 2279: Ding! Death warning from father-in-law (19)

“Kacha—” with the last sound of his countdown, the door opened from the inside.

Yu Liuliu was the first to come out from the inside, acting coquettishly and pitifully. “Dad, you’re so fierce, you scared me...”

Tang Qianqi walked behind her. Hearing her words, he stretched out his hand and pulled her behind him, using his body to protect her.

Yu Liuliu immediately reached out and poked his back, muttering softly, “I lied to my father on purpose. Don’t cause trouble!”

Tang Qianqi was stunned and did not move aside.

At this point in time, avoiding the problem would not solve it. It would only make Yu Yuehan feel that he was irresponsible and worried about handing his daughter over to him.

“Hey, aren’t you afraid of Death? Let me tell you, not only did my father find out that I was dating the rascal that he hated the most, he also found out that we were living together... although nothing happened, living together is a capital offense. Do you understand?”

Yu Liuliu reminded him secretly.

If her father had not gone crazy from anger, would he have been able to drive the excavator and charge in on his own?

The situation was too grim!

“Shh, don’t say that again. It might be my life-saving charm in the end.” Tang Qianqi pressed her cherry lips lightly with his long fingers and made a gesture. Yu Liulu instantly quieted down.

The two of them held hands and faced the furious Yu Yuehan side by side.

Yu Yuehan stared at Tang Qianqi’s hand that was holding his daughter’s hand. With two clicks, he adjusted the direction of the excavator’s mechanical hand and was about to smash his head.

“Yu Yuehan, think about it carefully. Qi Qi is the only son of Tang Yuansi and Shangxin. Tang Yuansi is your brother, and he only has one son. Shangxin was the one who risked her life to give birth to Qi Qi back then. If you smash Qi Qi to death, it is equivalent to taking their lives!”

Nian Xiaomu was blocked by the bodyguards and could not come over. When she saw the dark look on Yu Yuehan’s face, she was really afraid that he would take Tang Qianqi’s life in a fit of anger and shouted anxiously.

When she saw that the excavator that Yu Yuehan was driving did not stop, she could only push the bodyguards aside and walk in. “Don’t Stop Me! Otherwise, I will tell Yu Yuehan later that all of you are deliberately taking advantage of me, and you will die an even more miserable death!”

The bodyguards:“...”they could not afford to offend them!

Nian XIAOMU entered the courtyard in a pretentious manner.

She ran to the side of the excavator in a Flash and pretended to climb onto it.

“Nian Xiaomu, do you not want to live anymore? !” Yu Yuehan saw her actions and stopped the excavator in a hurry.

The door of the driver’s seat opened, and he leaped down from the inside with his tall and straight body. Carrying Nian Xiaomu in his arms, he took a few steps back and lowered his head to check on her nervously.

“Do you think that you can climb on something as dangerous as the car’s crawler belt? You’re going to scare me to death, aren’t you?”

“I’m fine. Look at me. I have good arms and legs. I’m just worried that you might get angry, but I would get anxious too.” After Nian Xiaomu was reprimanded, it was rare that she did not argue with him as she usually did. Instead, she softened her voice, she also snuggled into Yu Yuehan’s embrace and reached out to hug his neck.

“Yu Yuehan, don’t be angry. I get scared whenever you get angry. I’m worried that your body will get angry and anxious. You were the one who said that the children will definitely have their own lives now that they have grown up. We have to grow old together with each other.”

“...”

Nian Xiaomu's few words instantly softened Yu Yuehan's heart to a mess.

After a long while, he snorted coldly and said, "Don't think that I can't tell that you are only trying to plead on behalf of that Brat, Tang Qianqi. You are deliberately trying to make me happy."

Nian Xiaomu: "..."

Chapter 2280: Ding! Death warning from father-in-law (20)

Even so, Yu Yuehan was still coaxed by her.

He hugged the person in his arms tightly and said in a muffled voice, "Nian Xiaomu, you are relying on the fact that I love you!"

"Will you always love me then?" Nian Xiaomu suddenly raised her head and asked.

Time seemed to treat her exceptionally well. Even though her daughter was already at the age of marriage, Nian Xiaomu still did not look much different from the past.

Yu Yuehan exuded a steady charisma and was filled with the charm of a mature man. When he heard her words, the corners of his lips curled up slightly. Not wanting to keep her waiting for too long, he opened his thin lips and said, "I will love you until the day I die."

A certain someone's words of love would always catch people off guard.

Sometimes, Nian Xiaomu would be moved by his serious confession even if it was on a whim or when he acted coquettishly.

Just like at this moment, she started to blame herself in her heart. She had helped her daughter hide her relationship and even went against him in front of everyone. Wasn't this unfair to him... Nian Xiaomu did not notice at all., the corners of Yu Yuehan's eyes flashed.

It was as if he had already predicted that she would be soft-hearted, that her heart would ache, and that she would choose to stand on the same side as him.

Holding her hand in satisfaction, she walked into the house.

When they reached the door, Yu Yuehan did not look at his daughter's pitiful expression. Instead, he raised his hand and pointed at Tang Qianqi as he instructed the bodyguards, "Tie this brat up and beat him up First!"

"..." Yu Liuliu was stunned. When she saw the bodyguards surrounding them, she hurriedly pulled Tang Qianqi into the living room.

When Yu Yuehan and Nian Xiaomu sat down, she immediately knelt down in front of them.

"Daddy, Qi Qi and I are truly in love..."

"Don't say anything! If you say something like that at this time, it will only make me want to beat him up even more!" Yu Yuehan cut Yu Liuliu off mercilessly and repeated in his heart, "I want to be a loving father. I want to be a reasonable father."

He could not scold his little princess. Otherwise, he would be pushing her out and falling right into Tang Qianqi's trap.

"Then you can't beat up Tang Qianqi either. He was injured in the car accident and his leg has been recovering for a long time. It hasn't fully recovered yet. The Doctor said that if he were to get injured again, he might not be able to walk properly in the future." Yu Liuliu was lying through her teeth, she magnified Tang Qianqi's condition infinitely.

"Really?" Yu Yuehan narrowed his eyes and asked suspiciously.

Yu Liuliu nodded his head vigorously. "It's true. It's more real than real gold!"

"That's great! The two of you..." Yu Yuehan turned his head and casually pointed at the two bodyguards. He continued, "Break his leg right in front of me so that I can vent my anger!"

Yu Liuliu: "..."

Tang Qianqi: "..."

"Dad!" Yu Liuliu was really anxious.

"Liuliu, do you still treat me as your dad? Is Dad so domineering in your heart that you have to hide your relationship from me? I remember that I asked you not too long ago if there was a boy that you liked. How did you answer me back then? Wouldn't your conscience hurt if you lied to Dad Like That?"

Yu Yuehan asked back.

Yu Liuliu felt guilty for a second and whispered, "It's true that I don't like our male classmate from a university. Qiqi has just transferred here. Furthermore, he is my childhood sweetheart. He doesn't count..."

Yu Yuehan was exasperated. "..."

Now, he wished that his precious daughter liked someone else!

Everyone was better than this brat, Tang Qianqi!

"You're prejudiced. Qi Qi is very good." Yu Liuliu argued.

"Heh." Yu Yuehan laughed coldly. His head hurt.
