

My Life 2361

Chapter 2361: You are the best gift (67)

“You must endure it. You must not admit your mistake first. Yes... you must never admit your mistake. If he really asks about you, you will push all the blame on Rourou about the wine last night. Anyway, with Rourou’s personality, she will definitely not care about this. Then, you will tell brother fan that although you are having an affair now, you do not need him to be responsible for it. Let brother fan be anxious first and chase you for two days to take revenge for the past!”

Yu Liuliu counted on his fingers and calculated.

Yu Liuliu remembered how Fanny had chased after Fanny and how Fanny had coldly rejected Fanny, hurting her heart.

It was not too late for the little girl to take revenge.

It was time for Fanny to be anxious!

Don’t think that eating it would be foolproof. Kirin had taken the initiative to admit his mistake and had been beaten up, not to mention Fanny, who had been courting death from beginning to end.

“If we let brother fan chase after him... will he chase after him?” Fanny asked worriedly.

Yu Liuliu patted his chest and promised, “Of course he will. In my opinion, he is just a coquettish person. He will definitely love you to death in his heart. He wants to trick you into confessing your love and then he will naturally accept it. As long as you hold back and don’t say anything, he will definitely be more anxious than you. Don’t you want to hear his confession again?”

“...” Fanny was silent.

Her heart moved slightly.

She wanted to.

Although her head was a little dizzy yesterday, she remembered every single word that fan fan had said to her.

The soft murmurs that he whispered into her ear were especially pleasant to the ears.

This was a scene that only existed in her dreams.

If those words yesterday were not because he was drunk and said those drunk words, she would have been able to fulfill her dream.

Fanny could not resist Yu Liuliu’s suggestion. Her nervousness and worry had turned into anticipation in an instant.

She hoped that fan fan would appear. She hoped that he would not be like what Yu Liuliu had said. He really cared about her..

However, she had waited for three days.

Fan Fan had not appeared.

Fanny's mood had gone from nervousness and anticipation at the beginning to sadness and disappointment. In the end, it gradually became numb..

Was it uncomfortable?

It would be.

As time passed, her heart, which had been hanging in her throat, gradually relaxed.

She only felt that her chest had been empty, as if her body had been hollowed out.

He did not come.

There was no apology, no confession, no anger... all the scenes that she had expected did not appear.

City H was only so big. With the fan family's connections and the relationship between the fan family and the Yu family, it was impossible for fan fan to not know that she was hiding in the Yu family villa if he really wanted to find her.

Moreover, she was not hiding at all.

Yu Liuliu saw that fan fan had not come two days ago. She was worried that Yu Yuehan was trying to cause trouble and prevent the fan family from finding out fan ni's whereabouts, so she deliberately went to the fan family villa to inform them.

In the end, after waiting for another two days, fan fan still did not come. Instead, Fan Yu came.

He came to pick up his little princess, but he did not even meet her. He was blocked by Yu Yuehan. It was unknown what kind of bet the two of them had made, but fan yu actually did not insist on picking up his daughter and left.

Yu Liuliu could not get any news. She had been surrounding fan ni for the past two days, worried that she would not be able to let things go.

"Sister Liuliu, I'm really fine. I'm sleepy and want to sleep for a while," fan ni looked up at Yu Liuliu and said softly.

Yu Liuliu comforted her a little more before leaving the room.

Fan Ni sat on the bed alone and lowered her eyes.

After a long while, she seemed to have finally made up her mind and dialed Fan Yu's number. "Father, I want to study abroad immediately."

Chapter 2362: You are the best gift (68)

Fan family's villa.

The night had just fallen, and the bedroom was not lit.

In the dim light, a lonely figure stood in front of the French window.

The curtains were not fully pulled open, and a bright light shone through the gaps of the window, hitting the young and handsome face of the man.

Fan fan lowered his head and looked ahead in a daze. In his mind, the shock and panic from three days ago when he had just received fan Yu's call kept flashing past.

"Fan Fan, your parents are here..."

He had been in a daze for a long, long time.

In his heart, Fan Yu and Qiao yuanfei were his biological parents. He had never thought that one day, he would be able to meet his biological parents.

After the shock and panic, he thought about a lot of things.

Actually, he had thought about all these questions many years ago when he found out that he was not the biological son of Fan Yu and Qiao Yuanfei.

After he found out about his birth, he even secretly asked old master fan.

It was old master fan who told him personally that his biological parents had died.

From then on, he was no longer obsessed with his birth.

He had never thought that if his biological parents did not die, he would still be able to see them one day..

Especially when he heard this news from fan Yu.

When he regained his senses, he immediately realized that something was amiss. He dialed Fan Yu's number again and asked about everything on the way there.

It turned out that a middle-aged couple had taken his birth records and photos when he was just born and claimed to be his biological parents. They had come to the fan corporation to look for Fan Yu.

Their goal was not to recognize their son, but to threaten fan yu. If they did not want people to know that fan fan fan was his adopted son, they would give them a sum of money as hush money.

As long as the money fan Yu gave was sincere enough, they were willing to disown fan fan and take the money to leave. They would never appear in this lifetime.

Fan Yu was so angry that he almost beat someone up.

If he had not seen the other party holding fan fan's birth certificate and the photo of him when he was just born, he was worried that they might really be fan fan's biological parents. He would have ordered people to kick them out long ago.

Since someone dared to come knocking on his door, Fan Yu was not afraid to deal with them.

He had asked fan fan fan to go to the fan clan not to ask fan fan fan to acknowledge his ancestors. He had only wanted to catch him off guard and have fan fan fan do a paternity test with him.

Fan fan had already grown up. Fan Yu would not make decisions on his own and do things that were supposed to be for his own good behind his back.

“This sum of money can not be given!” Fan Fan had heard everything at that time. After he recovered from his shock, he enunciated each word clearly.

“It seems that father and son have come to the same conclusion. Regardless of whether these two people are your biological parents or not, they have already lost the right to be treated with respect and respect by you. Father and mother will not interfere with how you want to deal with them. You can decide for yourself.”

After fan Yu said that, he really did not care anymore.

For the past three days, fan fan had been in the hospital. Other than dragging the two people who claimed to be his biological parents to do a paternity test, he had also asked a lot of questions about his childhood.

Actually, he had always wanted to know why his biological parents did not want him..

Now, everything was over.

It was completely over..

Fan fan narrowed his eyes slightly and clenched the photo of the family of three in his hand. After a while, he relaxed and carefully put the photo in his hand into the drawer. Then, he turned around, picked up his coat from the clothes rack and walked out.

“Young master, it’s already so late. Where are you going?” The Butler asked worriedly.

Fan Fan did not stop walking but his eyes turned gentle as he said, “To the Yu family’s villa and bring her back.”

Chapter 2363: You are the best gift (69)

Fanny went to the Yu family villa. Fanny knew about it three days ago.

If it were not for the unexpected situation, he would have gone to the Yu family Villa three days ago and caught the person who sneaked out after sleeping with him.

Fanny took the car keys from the butler and strode out of the villa.

He drove to the Yu family villa alone to pick Fanny up.

These few days, not only did he think a lot about his biological parents, he also thought a lot about fan ni.

The appearance of his parents made him have to admit that all along, what he cared about was not just their relationship as siblings.

There was also his background..

The difference between him and her.

She was a true favored daughter of heaven, while he was just an orphan. Because of his luck, he received the bone marrow donated by Fan Yu and thought that he was lucky enough to be adopted by Qiao Yuanfei.

The word that was most closely related to him seemed to be "Luck".

All these years, he was the eldest son that the fan family relied on the most. He was the son that Fan Yu and Qiao Yuanfei doted on the most. However, these were all seen by outsiders. He knew very well that if he was not lucky, the him at this moment.., was probably the same as the other children in the orphanage.

No, if he had not met Fan Yu, perhaps he would not have lived until now.

What right did he have to promise Fanny's future?

He had never thought that one day, he would feel inferior. But when he faced his true heart, he had to admit that he felt inferior.

Feeling inferior in front of her, he was afraid that one day, she would regret her choice.

He was afraid that her current liking was just a young girl's ignorance and frivolity.

If there was such a day, he would rather never have it..

He had always avoided it and was unwilling to face his own heart. Other than not being able to face fan yu and Qiao yuanfei, who had always doted on him and treated him as their own son, he was also worried that he would not be able to bear the pain of losing them.

But now, he had thought it through.

If he did not fight for it because he was afraid, it would be truly foolish to hurt the person who loved you because he felt inferior.

He shouldn't underestimate Fani and her feelings for him.

He wanted to see her, he wanted to see her immediately, he wanted to tell her everything that had happened in the past three days, he wanted to tell her his true thoughts.

He wanted to tell her that he loved her!

When he thought of this, the hand that was holding the steering wheel suddenly tightened.

He stepped hard on the accelerator, and the car sped towards the Yu family villa.

"Swish –"

The dazzling sports car stopped steadily at the entrance of the Yu family's villa.

Fan fan lowered the car window and greeted the doorman at the entrance. He asked the doorman to open the door for him.

Just as he was about to drive in, he heard voices coming from the Yu family's villa.

"It's all my fault. I shouldn't have said those things to Xiao Ni. Xiao ni must be heartbroken right now. She Won't let me send her off. Her eyes are still red. She definitely doesn't want to leave..."

"You said that she went abroad. Who will take care of her?"

"She has such a strong personality. She must say that she doesn't need anyone to take care of her. But I still feel uneasy. Do you think I should call brother Fan?" "Although Xiao Ni doesn't want me to contact brother Fan, the truth can't be kept secret. It doesn't matter if I tell him sooner or later. It shouldn't be a problem for me to inform him, right?"

"..."

Fan fan recognized Yu Liuliu's voice, and his heart sank when he heard the person she mentioned.

He pushed open the car door, got out of the car, and strode forward.

He bumped into Tang Qianqi and Yu Liuliu who were coming out of the car. His pupils constricted as he asked, "Who did you say was going abroad?"

Chapter 2364: You are the best gift (70)

Tang Qianqi and Yu Liuliu did not expect to meet fan fan at this time. Yu Liuliu came back to his senses and did not rush forward as usual. Instead, he greeted fan fan happily and puffed up his cheeks in anger.

"Brother Fan fan, why are you only here now? Xiao Ni has been waiting for you for three days!"

For three whole days, Yu Liuliu watched from the side and felt his heart ache.

Fan Fan's heart suddenly tightened. He did not care about anything else and asked directly, "Where is she? You guys just said that she was going abroad. Who Wants to go abroad?"

"You're late. Xiao Ni has been waiting for you for several days but you did not come. She said that she doesn't want you anymore and she wants to go abroad to start over." Yu Liuliu glanced at fan fan and curled her lips.

At this point, she no longer wanted to speak up for fan fan.

After some thought, she added, "Xiao Ni has just left for the airport. If you rush to the airport now, you might be able to make it in time."

Before Yu Liuliu could finish his sentence, fan fan suddenly turned pale. Without hesitation, he turned around and got back into the car.

"Brother Fan Fan..."

Fan fan could no longer hear what Yu Liuliu said after that.

He stepped on the accelerator frantically, with only one thought in his mind: she must wait for him... She must wait for him..

Halfway through, he received a phone call. It was from Tang Qianqi.

He kindly told him the flight number and departure time information that fan ni had booked. Fan fan hurriedly thanked him and stepped on the accelerator even harder.

He sped all the way to the airport.

The moment the car stopped, he immediately took out his phone and searched for Fanny's flight according to the information that Tang Qianqi had told him.

When he saw the departure time shown on the screen, his pupils constricted.

He quickly pushed open the car door and rushed into the crowd. Without stopping, he ran straight to the counter.

"Sir, I'm sorry that you're late. The flight you've checked has already taken off."The staff's voice was clearly transmitted into Fanny's ears.

You're late..

These four words were like a magic spell, echoing in fan fan's ears.

He was late, she had already left.

She didn't want him anymore.

The color on fan fan's face faded bit by bit.

His hands hanging by his side were tightly clenched into fists.

His body was very taut, like a bowstring that had been pulled to its limit, and could break at any time.

"Brother Fan Fan!"

Tang Qianqi and Yu Liuliu were worried and rushed to the airport. They saw the flight information and the time on the big screen of the airport. They also saw fan fan's dazed expression and guessed something.

A second ago, Yu Liuliu was still feeling sorry for fan ni. Now, he felt sorry for fan fan. He walked forward and hesitated for a while before he said.

"Brother fan fan fan, don't get carried away. Even if Xiao Ni went abroad to study, she would definitely go home."

"I'm just worried that she might not be able to take care of herself overseas."

"I heard that there are a lot of golden-haired, blue-eyed, and handsome little brothers overseas. Xiao Ni is also beautiful. I wonder if she will be deceived."

Yu Liuliu was still mumbling. When she looked up, fan fan had already walked three meters away. She was stunned for a moment before she came back to her senses, she quickly chased after him and asked, "Brother Fan Fan Fan, where are you going? If you are in a bad mood, Qi Qi and I can accompany you. Why don't we go and have a drink? A drink to relieve a thousand worries?"

Fan Fan's footsteps suddenly stopped. He turned around and looked at Yu Liuliu. His eyes were deep and bright, and there was a faint smile on his face as he said, "There's no need. I don't have time."

Yu Liuliu was stunned. Fan Fan had already walked to the ticket counter and bought a ticket to the same city as fan ni.

He turned around and smiled. "I'll go pick her up."

Chapter 2365: So beautiful and sweet (1)

Fan Fan did not go abroad after all.

Because fan yu called him back.

In the fan family villa, the atmosphere was strange.

Fan Yu sat on the sofa. He was wearing a white shirt, just like when he was a teenager.

Time seemed to treat him especially well, and did not leave too much of a mark on his handsome face.

Fan Fan sat opposite him. The two of them were clearly not biological father and son, but their auras were exactly the same. At first glance, they seemed to have been carved from the same mold.

It was just that one was a juvenile version, and the other was a mature version.

Fan Fan did not expect fan Yu to call him back at this time. He lowered his eyes slightly, as his intuition told him that it had something to do with what happened to Fanny.

He was just not sure how much fan yu already knew.

Did he find out that he was in love with fan ni, or did he even know what happened during Fan Ni's coming of age ceremony.

Fan fan pursed his thin lips and was about to say something when fan yu suddenly turned his head and asked the butler to pour him a cup of tea.

Fan Fan was stunned and looked at fan Yu who was suddenly so polite to him.

Fan Yu opened his mouth and said, "You are Xiao Ni's brother and she usually clings to you the most. Tell Daddy honestly, is Xiao Ni secretly dating behind my back?"

"..."

Fan Fan did not have the time to say anything before fan yu picked up the Teacup in front of him and took a sip of the tea, he opened his mouth with a hint of jealousy and said, "When she was unhappy when she was young, she would tell me. Now that she has grown up, she would not tell me even if I asked her. You Don't even know. Before her coming of age ceremony, she specially gave me a call and mentioned a wish to me. Guess what wish she mentioned."

"What wish?" Fan Fan's heart tightened slightly. He unconsciously swallowed his saliva and his Adam's apple bobbed up and down.

Then, he heard fan yu snort coldly, “She actually told me that she doesn’t want anything. As long as I promise her that after her birthday, she will confess something to me and tell me that no matter what happens, I’m not allowed to be angry.”

When he heard this, wasn’t it just his little princess secretly having a boyfriend behind his back and was planning to tell him about it after her eighteenth birthday?

Fan Yu had been angry and worried for the past few days. Every day, he spent his time struggling to convince himself that he was an open-minded parent and to “Ruthlessly cut off this relationship”.

He did not expect that the day he did not wait for the truth to be revealed would come when Fanny changed her mind and wanted to call him to leave the country ahead of time..

“Not only did she secretly have a boyfriend behind my back, she should have broken up with him,” fan yu said decisively.

Fan Fan:”...”

He was still immersed in the fact that Fanny had actually made a request to fan yu before his birthday.

Fan Yu did not understand, but he did.

She was planning to make a final gamble. After confirming his feelings, she would announce it to her family.

She was worried that Fan Yu would beat him to death in a fit of anger, so she had used her birthday wish in advance to get a life-saving charm for him. However, he had disappointed her..

Had she been waiting for him for the past three days?

Was she very sad and disappointed when she finally decided to leave the country?

When fan fan thought of this, his heart started to ache.

The hesitation he had previously had now turned into heartache and guilt.

He clenched his fists tightly and raised his head to look at Fan Yu. The nervousness from before had disappeared and was replaced by an urge to be brave for her once.

“Father, the person that Xiao ni likes is actually...”

“Bang —”

The door that was ajar was suddenly pushed open from the outside.

A beautiful figure appeared at the door!

Chapter 2366: So beautiful and sweet (2)

“Director fan, Miss Xiao Rou is here.”The Butler followed closely behind and appeared outside the door. He reported anxiously.

He stood behind qi rou, drenched in cold sweat, and reached out to wipe his forehead.

Qi Rou's gaze swept across the living room and finally landed on fan Yu. She called out lightly, "Uncle Fan."

"Xiao Rou." Fan Yu stood up happily. He recognized the person in front of him and immediately broke into a smile.

He turned around and instructed the butler, "What are you waiting for? Quickly go and prepare something delicious. Prepare it according to the recipe that Xiao Rou likes. Oh right, she likes to drink tea. Bring out all the good tea that I have in my collection and let Xiao Rou have a taste."

After fan Yu finished instructing the butler, he raised his head to look at Qi rou and asked expectantly, "Xiao Rou, did you come specially to visit Uncle Fan?"

Qi Yan lived alone on the island all year round. Before he met Tan Bengbeng, he was mischievous and capricious.

After he met Tan Bengbeng, he became a wife slave.

From the moment Tan Bengbeng was pregnant to giving birth, he personally took care of her.

After Little Bengbeng was born, he became a daughter slave again. He kept thinking about how to give his little princess a good name. After thinking about it, he kept putting it off.

Qi Yan was worried that his daughter's personality had followed Tan Bengbeng's and was too aloof and independent. In the end, he decided to give his daughter a gentle name.

She would be called Qi Wenrou.

After being beaten up by Tan Bengbeng, he changed her name to Qi Rou.

In the end, he still could not change the ending of Qi Rou's personality, which was exactly the same as Tan Bengbeng's.

Compared to tan bengbeng, Qi Rou's personality was indifferent, but there was also a trace of Qi Yan's casual arrogance. He was neither cold nor warm to anyone.

With Qi Yan as her daughter's slave, Qi Rou was protected too well. Other than Yu Muiyang, who had been chasing after her daughter-in-law since she was young, it was difficult for anyone else to even meet her.

It was no wonder fan Yu was so excited when he saw her.

"Uncle fan, Xiao Rou and I are here to look for Xiao Ni." Qi Rou did not speak, but a casual voice came from outside the door.

In the next second, a head appeared behind Qi Rou.

He had a handsome face and delicate facial features.

He was dressed simply and casually with a British style. His figure was tall and straight. The moment he appeared at the door, it was a beautiful scenery.

Yu Muiyang's cheeky smile was a stark contrast to Qi Rou's indifferent expression.

When fan yu saw that the person behind Qi Rou was Yu Muiyang, he was slightly startled and blurted out, "Why are you two together?"

Without waiting for Yu Muiyang to speak, he added on, "Qi Yan actually didn't beat you to death?!"

Yu Muiyang:"..."

Qi rou answered defensively, "My father didn't know that he was following me. Previously, he had been hiding in my suitcase. When he was on the island, he was only active in my room."

When Yu Muiyang saw fan Yu's incredulous expression, it was already too late for her to cover her mouth.

On the other hand, Qi Rou did not seem to know what she had said wrong. When she saw Fan Yu's expression, she looked at Yu Muiyang in a daze.

On the other side, Fan Yu regained his senses, he had already cried out in shock, "How could you let this kid move around in your room... In Your Room... Tell Uncle Fan, don't tell me that you two are also..." sleeping together at night?

Fan Yu was too shocked and did not know how to ask for a long time.

Qi Rou reached out to grab her pretty short hair, her expression still blank.

Yu Muiyang quickly said, "Uncle Fan is happy that our relationship is so good."

Fan Yu:"..."

F * ck his happiness that their relationship was good. Right now, he only wanted to light a candle for Qi Yan.

His daughter had been kidnapped right under his nose, and he was still in the dark. It was too tragic!

Chapter 2367: So beautiful and sweet (3)

Fan Yu was still hesitating whether he should recommend the excavator he had just bought to Qi Yan. Qi Rou had already come back to her senses and remembered her purpose for coming here today. She asked directly, "Uncle Fan, I'm here to look for Xiao Ni. Is she at home?"

"Looking for Xiao Ni?" Fan Yu was stunned for a moment before he said, "She went abroad. Today's flight just left."

"..."this time, the person who was stunned was Qi Rou.

She blinked her eyes and muttered to herself, "She left so quickly. Then who did she give the medicine to..."

"What medicine? Xiao ni asked if you had taken the medicine?" Fan Yu's nerves tensed up.

Was His little princess sick? Why didn't he know?

“It wasn’t the medicine for her illness. Xiao ni told me that she wanted some... Oh!” Before Qi Rou could finish her sentence, Yu Muyang, who was standing behind her, quickly reached out and covered her mouth.

He continued, “Xiao Ni is fine. She’s just suffering from insomnia due to the pressure of the college entrance exam. She wants some medicine to help her sleep.”

“This child didn’t even tell us.” Fan Yu wanted to say something, but Yu Muyang had already taken the initiative to comfort him.

“Uncle Fan, don’t worry. It’s nothing serious. Xiao ni probably didn’t want you to worry, so she didn’t tell you. Anyway, there’s nothing serious now.”

Fan Yu looked suspiciously at Yu Muyang and then at the hand that was covering Qi Rou’s mouth. He narrowed his eyes slightly.

“If you’re talking, then speak properly. Why are you bullying Xiao Rou? Let Go!”

Yu Muyang:” ...”

How Easy was it for him to have a few daughters-obsessed uncles?

Fortunately, Fan Yu didn’t continue to ask. He took his phone and went out to call Qi Yan to show off.

Yu Muyang heaved a sigh of relief.

“Take your hand off.” Qi Rou pulled his arm off and glared at him coldly.

Yu Muyang quickly explained, “I didn’t bully you. How could I bear to do that? I was just worried that uncle fan would not be able to take it if you spoke so directly. Moreover, you only want to know who Xiao Ni gave the medicine to. Can’t I tell you?”

“You know?” Qi Rou pursed her lips and looked up at him.

Yu Muyang was only born half a month earlier than Qi Rou, but he was a head taller than her.

His tall and straight body naturally carried the temperament of a noble. When he did not speak or smile, he was so noble that people did not dare to look at him directly.

However, in front of Qi Rou, his posture was so low that it was as if he had bloomed a flower for her. However, Qi rou could not understand it. She only thought that he had made a mistake and was afraid of being punished by Yu Yuehan, so she followed behind her every day to take refuge.

She saw that he was pitiful, so she took him in.

Seeing that she was really worried about fan ni, Yu Muyang did not keep her in suspense. After confirming that fan Yu had left, he pointed in the direction where fan fan was standing and pursed his lips. “The horizon is right in front of us.”

Fan Fan:” ...”

Qi Rou:” ...”

“Why do the two of you have such strange expressions?” “I am not at home all year round, but I have a gossipy elder sister. The last time I called her, she had already told me about Xiao Ni’s feelings for Brother Fan. She even berated Brother Fan in front of me, saying that his type of physique was... Oh, destined to be alone forever,” Yu Muiyang added slowly.

Fan Fan: “...”

Qi Rou: “...”

Yu Muiyang caught a glimpse of Qi Rou’s shocked little face, he couldn’t help but raise his eyebrows in curiosity. “Didn’t you just give Xiao ni some drugs to boost her mood? If her self-control was a little stronger, she could just take a cold shower and it would be over. Even if Xiao Ni was mistaken about the effects of the drugs, Brother Fan wouldn’t really bully her. Was there a need for you to look for her so anxiously?”

Qi Rou’s eyes sparkled. “Without the antidote, I can’t stand it...”

Chapter 2368: So beautiful and sweet (4)

Yu Muiyang: “...”

Fan Fan: “...”

In the living room, the atmosphere instantly turned treacherous.

Yu Muiyang looked at Fan Fan in disbelief, his eyes filled with envy and jealousy.

He had chased his wife around the world, burrowed into his luggage, and slept on the floor. In the end, he could only hold hands.

He was the one who took the initiative to take advantage of her.

In the end, Fan Fan had slept with Fan Ni before he had even gotten his wife. Furthermore, Qi Rou was the one who pushed him. How could he bear it?

Yu Muiyang turned to look at Qi Rou, feeling wronged. “Xiao Rou, do you still have that medicine? I want to take it too.”

Qi Rou: “...”

Fan Fan stood at the side, ignoring Yu Muiyang who was pretending to be pitiful. His mind was filled with the words he had just heard.

The medicine that Fan Ni had added into his wine was given to him by Qi Rou?

So, her original intention was not what he had thought. She did not take the initiative to be with him. It was just a coincidence..

So, she was in such a hurry to leave the country. Was she really regretting it?

Fan Fan’s brows furrowed tightly, and his heart sank bit by bit.

“Brother fan fan, did Xiao Ni really give that medicine to you to eat?” Qi Rou ignored Yu MUYANG’S nagging and turned her head to ask fan fan.

Fan Fan did not deny it and nodded his head. Thinking that fan ni no longer wanted him and was leaving the country alone, he suddenly said, “Do you still have that medicine? I want some too.”

Yu MUYANG:” ...”

Qi Rou:” ...”

“Brother fan fan, Xiao Ni is not in the country. What do you want this medicine for? Are you going to cheat on her? That’s not good, right? !”

Yu MUYANG jumped in front of Qi Rou and grabbed her shoulders with both hands. “Xiao Rou, don’t give it to him. Give it to me. I promise not to eat it recklessly unless there’s only the two of US left.”

Qi Rou:” ...”

Qi Rou looked at the person who had suddenly snatched the medicine in front of her with a dumbfounded expression, she pursed her lips. “He stole the medicine from my father. When he realized that the medicine was missing, he thought that I had taken it. At that time, I didn’t think too much about it and said that I had given it to Xiao Ni... My father will definitely inform uncle fan about this...”

As Qi rou finished speaking, she stared fixedly at fan fan.

This way, fan fan would have to get fan ni back before fan Yu found out and admit his mistake.

Otherwise, when fan Yu found out the truth, the fan family would probably turn upside down..

“Wait! Who did uncle fan say he was going to call?” Yu MUYANG suddenly thought of something and shouted.

When they heard this, fan fan and Qi Rou’s expressions changed and they raised their heads!

The next second, they saw fan yu walking in with an ugly expression on his face. He was still holding the phone in his hand.

He looked at Qi Rou in shock. “Xiao Rou, tell me honestly. What medicine did Xiao Ni get from you?”

Qi Rou:” ...”

Fan Fan:” ...”

Yu MUYANG:” ...”

“Uncle fan, Xiao Rou and I have some matters to attend to with brother fan. We’ll take our leave first. Let’s chat another day!”

Yu MUYANG was the first to regain his senses. He grabbed one in each hand and ran out.

In one breath, he went past fan Yu and headed straight for the car outside.

He caught a glimpse of the hesitant look on fan fan’s face, he reminded him directly, “Xiao Ni is not here right now. You are a threat to both sides. If you confess now, it would be as good as courting death. Just

to be safe, let's Get Xiao Ni back first. Maybe uncle fan will soften up when he sees Xiao Ni and agree to let the two of you be together."

Yu MUYANG sat in the driver's seat and pointed at the excavator in the courtyard.

"Brother Fan, think about it from a different perspective. Do you have the heart to let uncle fan poach someone from your own family?"

Fan Fan: "..."

Chapter 2369: So beautiful and sweet (5)

Fan fan: "My dad didn't know that Xiao Ni liked me. He would probably try to poach Lin Haolin's family. It just so happens that I don't like him."

Yu MUYANG: "..."

Qi Rou: "..."

In their eyes, fan fan had always been a considerate Big Brother and a gentleman.

No one had ever seen him so black-bellied.

Even Yu MUYANG was stunned at this moment and asked hesitantly, "Then are we still leaving?"

"Yes," fan fan replied without hesitation.

Yu MUYANG was stunned and could not help but ask, "Didn't you say that with Lin Haolin taking the blame, Uncle Fan wouldn't think of You?"

"I'd rather father think of me than Xiao Ni getting involved with other people." Fan fan saw fan yu chasing after them and reminded Yu MUYANG to drive quickly.

The three of them escaped from the fan family's villa. Yu MUYANG checked the rearview mirror to see if anyone was chasing after them and asked fan fan fan.

"Brother Fan Fan Fan, where are we going now?" "Xiao Rou and I sneaked out from the island. If uncle Qi finds out that Xiao Rou is with me, he will definitely chase me to the ends of the Earth. Why Don't you help us explain when you see Xiao Ni and I will leave first?"

"Drive well and head to the airport." Fan Fan's eyes flashed with a complicated light. He then turned to look at Qi Rou.

"Xiao Rou, did you take that medicine? Did It have any side effects?"

"No." Qi Rou shook her head.

Qi Yan was the medicine king. The safety of his medicine was guaranteed.

Qi Rou answered without hesitation.

Fan fan seemed to have guessed it as well. He pondered for a few seconds and asked qi rou seriously, "Xiao Rou, can you do me a Favor?"

Qi Rou:"? ? ?"

"Help me give Xiao Ni a call and tell her that I've taken the wrong medicine and that I'm very sick now."

Qi Rou:"..."

"Didn't you want to explain the medicine to her face to face? I thought about it. It's too troublesome for us to go abroad together. Why don't we ask her to come back? What do you think?" Fan fan asked nervously.

Before he could finish his sentence, Yu MUYANG had already answered from the side, "Brother Fan is afraid that even if he sees Xiao Ni, Xiao Ni won't come back with you, right? So he deliberately asked Xiao Rou to come out and trick Xiao Ni into coming back first."

"..."

"When the time comes, all you have to do is lie down on the hospital bed and say that the medicine has side effects. The culprit is still Xiao Ni. Xiao Ni has to be responsible for you no matter what."

After Yu MUYANG finished speaking, he sighed in his heart. Why didn't he think of such a good idea?

He couldn't help but turn back to look at Qi Rou. "Xiao Rou, can you give me one of the medicine that you gave Xiao Ni?"

Qi Rou ignored him and only looked at fan fan with a hesitant expression. "I won't lie. Xiao Ni will find out."

"Then you do it." Fan fan pointed at Yu MUYANG, at the same time, he interrupted him. "Don't tell me that you won't lie. I remember that Uncle Qi's number is still in my phone. If you help me, I will help you hide the news of you and Xiao Rou together."

Yu MUYANG:"..."

Brother Fan, you've changed!

—

H City International Airport.

Fan ni dragged her suitcase out of the airport exit. She reached out and twirled the strands of hair that had fallen to her temples, hanging them behind her ears.

She raised her head and looked at her familiar hometown.

She had never expected that she would return here so quickly.

Thinking of the news that Yu MUYANG had told her on the phone, Fanny did not dare to delay. She pulled her luggage and strode towards the airport before getting into a taxi.

"To the first hospital."

Chapter 2370: So beautiful and sweet (6)

Fanny sat in the taxi, clutching her phone tightly.

Several times she wanted to call to ask about Fanny, but she picked up the phone and put it down, unable to make a call.

Her face was pale, her lips were red from her biting, and her lips were almost torn.

It was not until the taxi driver reminded her that she had arrived that she came back to her senses in a panic. She paid the fare, pushed open the door and got out of the car.

Looking up at the hospital building in front of her, she swallowed her saliva guiltily.

She really did not expect that the medicine that she had gotten from Qi Rou, which could make people tell the truth, would turn into a strong... strong... recalling what had happened that night, Fanny's face turned red.

Not to mention that she had even made Fanny stay in the hospital because of the side effects of the medicine.

No matter how she looked at it, she was the main culprit and needed to come back and take responsibility.

However, she had not thought about how she would take responsibility.

"Buzz Buzz..." before fan ni was mentally prepared, her phone rang.

It was Yu Muiyang calling.

She was in a daze and quickly picked up the call.

"Xiao Ni, what time is your flight? Do you need me to pick you up at the airport?" Yu Muiyang's voice came from the phone.

At the same time, there was a cough coming from the phone.

The voice was not loud, but Fanny could tell that the owner of the voice was fan fan.

He was still coughing. Was He very sick?

She just wanted to hear what he was thinking. She really did not expect things to turn out like this..

Fanny panicked and braced herself to say, "There's no need to pick me up. I'm already downstairs at the hospital."

"We're here... We're in the VIP Ward. Come up quickly." After Yu Muiyang finished speaking, he hung up without giving Fanny any time to speak.

Fanny looked at the black screen on her phone. After a while, she regained her senses and heaved a sigh of relief.

Yu MUYANG had sent her Fanny's ward number a long time ago. Fanny put her phone into her bag and walked into the ward.

Her father had taught her from a young age to be responsible.

She had to be brave enough to admit what she had done.

Even if... even if she already knew that fan fan did not like her and only had sex with her because of the medicine, but now that he was in the hospital because of her medicine, she should also come back to see him.., to see how she could salvage the situation.

Fan Ni quickly walked to the front of the ward.

The scenes of the past were still right in front of her eyes.

She had only left for two days, but it felt like a lifetime ago.

She had not thought about how to greet Fanny as if nothing had happened.

"Hi, we meet again."

No, no, they were still brother and sister in name. What did she mean by "We meet again"?

Fanny reached out and rubbed her face, trying to put on a smile.

"Brother, I'm back."

It didn't seem right either.

She kept feeling that this sentence was weird. They had parted on bad terms. Now that she was back, he should not be happy.

He was hospitalized because of her.

She heard from Yu MUYANG that he was seriously ill..

Fanny lowered her eyes and stared at her toes. After thinking for a while, she finally mustered up the courage to knock on the door.

The first second she pushed the door open and entered, she did not even raise her head and said directly, "I'm sorry..."

"Bang -"

A soft sound suddenly exploded in her ear.

Before Fanny could react, the red rose petals had already fallen from the sky and landed in front of her eyes.

Everywhere she looked, there were red rose petals.

A bunch of heart-shaped roses were quietly placed on the hospital bed.

The pink balloons that could be seen everywhere were also heart-shaped.

Fan Fan, who should be dying, was standing in front of her with her eyes burning in her suit..
