

My Life 2381

### **Chapter 2381: So beautiful and sweet (17)**

“Where?” Fanny’s mind was a little muddled as she asked in a daze.

Her attention was always on the hand that was holding her.

His fair and slender fingers were really beautiful.

His soft fingertips, as if on purpose, kept rubbing her palm.

It itched. She wanted to withdraw her hand, but she could not break away from his control... This feeling of being addicted and unable to get out was very similar to the night they had sex.

Fanny’s face turned slightly red as she thought about it.

She was hesitating whether to ask him to let go when she suddenly heard his words. Her eyes blinked innocently, filled with doubt.

Fanny wiped the corner of her mouth, put down the napkin, and opened her thin lips slightly. “Date.”

Fanny:”...”

— ..

After Fanny and Fanny’s relationship was told to their parents, they officially fell in love.

As if to make up for their initial alienation and indifference, Fanny and Fanny did everything that a couple could do.

They went shopping, ate, and watched movies.

They bought bags, clothes, and jewelry.

Fan Ni wanted to stay in the country to attend university, so fan fan became her personal tutor. Apart from dating, her academic results could also rise steadily.

“It’s said that once a person who is dull becomes bright and flirtatious, he will definitely be the best. I believe it now,” Yu Muyang commented with a face full of envy and jealousy after learning about the current relationship between the two of them.

For this reason, Tang Qianqi carried Yu Liuliu and transformed into a moaning monster. He asked Yu Liuliu to accompany him back to the Yu family and begged Yu Yuehan to let them live together in advance. However, Yu Liuliu rejected him.

After that, Tang Qianqi shut himself off.

Recently, he had become addicted to the game of whack-a-mole. It was said that fan fan’s name was plastered on every whack-a-mole..

The most abnormal person this month was still fan Yu.

Fan Yu had been sulking for a month.

After all, even if he understood some of the logic in his heart, it would still be difficult for him to accept it immediately.

Especially when he saw with his own eyes that the little princess that he had been protecting and protecting in his hands was kidnapped by the Little Wolf Cub that he had raised and was still showing off their love in front of him..

It was heart-wrenching!

The result was that when fan fan fan finally coaxed fan ni and wanted to announce their relationship to the public, he realized that the adoption procedures of the fan family had not been lifted yet.

He and Fanny were still direct relatives in the eyes of the law..

Thus, after fan fan fan and Fanny had spent a month of sweet days together, they stood at the door of Fan Yu's study with pale faces and knocked on the door carefully.

"Come in." Fan Yu's expected voice came from the study.

Fan fan walked in front and subconsciously shielded Fanny behind him.

He pushed the door open and walked in.

In the huge study, the first thing he saw was a bookcase leaning against the wall, filled with all kinds of books.

At the front of the bookcase, there was a wooden desk. From the structure, it seemed to be connected to the bookcase.

Fan Yu was sitting in front of the desk, looking down at the documents.

When he heard the door open, he looked up.

When he saw the two people walking in from outside, he lowered his head and continued to read his documents.

In the study, it was so quiet that one could even hear the sound of a pin dropping.

The father and son seemed to be competing over who had the better self-control.

Fani did not want to compete with them. After standing for a while, she walked over to Fan Yu's desk with her legs sore. She pulled out a chair and sat down, resting her chin on her hands, she smiled cutely and asked, "Dad, have you been too busy recently and forgot to cancel the adoption procedures for your brother?"

"I didn't forget. I did it on purpose." Fan Yu put down the pen and opened his mouth.

Just as he was about to say something, Fanny suddenly covered her mouth with her hand.

**Chapter 2382: So beautiful and sweet (18)**

Fan Yu was stunned by the sudden retching.

He stared blankly at Fani who had vomited a few times but did not spit anything out. He seemed to have thought of something and his eyes widened as he looked at her stomach in disbelief.

He swallowed his saliva nervously.

Was He... going to be a grandfather in advance?

If he had given birth to a pretty little princess... life was too good, Fan Yu did not dare to continue thinking about it.

He quickly stopped and carefully opened his mouth, "Xiao Ni, Tell Daddy, are you feeling unwell? I mean, do you feel that you are not quite the same as usual?"

"..."

Fan Ni patted her chest twice. When she saw Fan Yu's nervous look, her eyes were a little lost.

Pausing for a moment, she said, "I'm not feeling unwell. It's just that my appetite hasn't been very good these few days. I don't know what's going on, but I feel a little nauseous."

After Fanny finished speaking, she grabbed fan Yu's arm and said coquettishly, "Father, I'm fine. Don't change the topic. You've already promised to let me be with my brother. Why Don't you go ahead and cancel the adoption procedures? This is called going back on your word!"

If it was a minute, if Fanny dared to say that, Fan Yu would definitely say without hesitation that he was regretting it. He had gone back on his word.

But now..

Fan Yu's heart was filled with surprise and joy. He could not regain his senses for a long time.

He wanted to ask, but he was too embarrassed.

Faced with Fanny's Crazy Act of acting cute, in the end, he could only stammer and agree to her first. He had to come forward and cancel the adoption procedures for Fanny.

He was thinking that if Fanny really had his granddaughter in her belly, he had to do something quickly. He could not allow his little baby's birth to be tainted in the slightest!

1

With that thought in mind., fan Yu did not dare to delay any further. "There's no need to wait for another day. Daddy will go find your great-grandfather now to discuss the cancellation of the adoption procedures for Fanny. Also, I've thought about it. Since you've already decided to be together, then Fanny is only my adopted son's matter. I have to find a suitable opportunity to tell everyone. I think there's no need to delay. Let the elders in the family pick a good day to hold an official engagement party for you all. Hurry up and get engaged!"

Fan Yu did as he was told. As soon as he finished speaking, he closed the documents in front of him and stood up from his desk.

He ignored fan fan and fan ni who were standing in front of him and left the study room.

Fan Fan did not come back to his senses even after he had left the study room for a long time.

He put one hand in his pocket and first glanced at fan yu who had left. Then he turned around and looked at fan ni who was sitting in front of the desk with a smile on her face.

When he thought of the scene of her retching, fan fan zi's pupils constricted. He stepped forward and pulled her into his arms.

He asked nervously, "Xiao Ni, could you be..."

"Shh!"

Fan Ni covered his mouth with her hand and looked at the door cautiously. When she was sure that Fan Yu had gone far away, she mumbled with a red face, "I'm not pregnant. I did it on purpose. It's none of my business. It was mother who taught me."

"Mom?" Fan fan raised his eyebrows in surprise.

Fani nodded, "Mom said that dad didn't want to go through with the adoption procedures. Actually, it's not just because he's angry at you. It's mainly because he doesn't want me to get married. If we want to convince him to hold the engagement ceremony for us happily, we have to give him new ideas. For example, let him know that without a daughter, he can still have a granddaughter."

Before Fanny could finish, a look of shock appeared on her face.

She tightened her arms around Fanny and repeated, "So, you're really not pregnant?"

### **Chapter 2383: So beautiful and sweet (19)**

"I really wasn't pregnant. How could it be so coincidental? It was only one time, and..." Fanny's face was red as she rubbed against his chest. She was so embarrassed that she could not continue.

Because she suddenly remembered that the battle that night was intense. They had actually fought more than once.

Fanny was so embarrassed that she could not even lift her head up. She refused to continue this topic with Fanny.

Fanny knew that she was not pregnant. Although she was a little disappointed, she did not show it on her face.

They were still young. There was no need to worry about the child.

However..

"Father might have been too happy just now. What if he came back to his senses and wanted to take you to the hospital for a checkup before the engagement party? What do you plan to do?" Fanny suddenly asked.

Fan Ni clearly had not thought of so much, she hugged his waist tightly and said, "In any case, father believes me now. Once the adoption procedures are lifted, we will no longer be brother and sister. If father does not get us engaged, I will steal the household register in two years and go with you to get the marriage certificate."

Fan Ni's lonely and brave appearance shook fan fan.

He temporarily dispelled the worries in his heart and lowered his head to kiss her lips.

—

On the other side, Fan Yu, who had no idea that he had been cheated, pulled Qiao yuanfei along excitedly and personally went to look for the elders of the fan family.

He followed the procedure to cancel the adoption procedures for fan fan and let the elders look after the day ahead.

He set the engagement party for the two children on the second day after the adoption procedures were officially canceled!

The speed was so fast that it shocked the brothers who were waiting to watch a good show.

On the day of the grand engagement party, everyone had arrived.

Yu Yuehan, Tang Yuansi, Mo Yongheng, and even Qi Yan, who had not shown up for a long time, had all rushed over from their private island.

The scene shocked the entire City H.

The most puzzling thing was that fan Yu, who everyone had initially thought would be in a bad mood on this day because his daughter had been kidnapped, had greatly disappointed them.

Fan Yu was in such a good state that he flew into the air. He personally stood at the entrance to welcome the guests and toasted the entire place with red wine.

Those who did not know better would have thought that he was the one who was getting engaged today.

Was this person still one of the founding members of their daughter-controlled club?

He was probably a fake.

"I bet a dollar that he is faking it and forcing a smile." Tang Yuansi fished out a coin from his pocket and made a solemn bet.

Mo Yongheng did not say a word. He took out a hundred-dollar bill from his wallet and placed it in Tang Yuansi's hand.

With his actions, he expressed his absolute support for Tang Yuansi's guess.

Yu Yuehan was not in a hurry to express his opinion. He merely turned his head and glanced at the surroundings of the venue. Then, he said faintly, "Didn't you say that Qi Yan has already arrived? Why isn't he here?"

“When did you become so concerned about Qi Yan? I remember that you thought that his low IQ was contagious and did not want to play with him,” Tang Yuansi teased on purpose.

Yu Yuehan curled the corners of his lips and opened his thin lips slightly. “If he doesn’t come, why don’t you become cannon fodder to test fan Yu?”

Tang Yuansi:”...”

Mo Yongheng:”...”

What did Qi Yan do wrong in his past life to have a brother like you in this life?

Before the few of them could discuss who would test fan Yu, Fan Yu had already seen them and walked forward with a smile while holding a glass of wine.

The smile that came from the bottom of his heart did not seem to be forced at all.

Tang Yuansi and Mo Yongheng looked at each other. Mo Yongheng reached out his hand silently and took back the hundred-dollar bill that he had placed in Tang Yuansi’s hands earlier. He had decided to back out of the bet.

Tang Yuansi:”...”

Fan Yu’s smile turned smug again. “Where’s Qi Yan? Why isn’t he here yet? I happen to have a joyous occasion here and I would like to ask him to confirm it for me.”

#### **Chapter 2384: So beautiful and sweet (20)**

Speak of the Devil.

As soon as fan Yu asked about Qi Yan, Qi Yan held Tan Bengbeng’s hand and entered the banquet hall slowly.

There were many people in City H who knew about Yu Yuehan, Fan Yu, and Tang Yuansi, but very few people had seen Qi Yan.

Furthermore, Qi Yan did not like to deal with strangers and did not put on any airs. He held Tan Bengbeng’s hand in a low-key manner and walked in front of the group of brothers.

Before he could speak, Tan Bengbeng, who was in his embrace, took the initiative to ask, “Why are there only the few of you? Where are Xiao Mumu and the others?”

“They are in the lounge with Xiao Ni,” fan Yu replied.

“Then I will go too.” Tan Bengbeng did not hesitate at all and decisively abandoned Qi Yan as she walked toward the lounge.

Qi Yan lowered his gaze and stared at his empty embrace for a second, he opened his mouth faintly and said, “Do all of you know why I’m unwilling to come back now? Every time I return to a place where Nian Xiaomu is around, I suspect that the person Bengbeng loves in her heart isn’t me.”

The brothers: "..."

Although they really wanted to sympathize with him, how could they laugh if they wanted to?

"Do all of you still have any brotherly love? I'm already in such a miserable state and no one is there to comfort me." Qi Yan glared at the four people around him.

Yu Yuehan spread his hands and said, "My daughter has been abducted, and I am not in a good mood. I have isolated myself."

Tang Yuansi stuck out his head from behind him and added weakly, "My son has abducted his daughter. I am in a good mood, but I am afraid that if I am too smug, I will end up in a state of extreme joy and sadness. That is why I have temporarily isolated myself."

Mo Yongheng said, "I..."

Mo Yongheng was about to speak when Fan Yu was already in front of him, "Ignore them. Even though my daughter has been kidnapped, my mood is still very beautiful. Because the one who kidnapped my daughter is a wolf cub that I raised myself. hahahaha, can you imagine how self-produced and self-sold it is?"

The brothers: "...so, how long do you want to Gloat?"

Fan Yu ignored the glares around him, he continued to gloat to Qi Yan: "Self-produced and self-sold is not the most important thing. The most important thing is that even though my daughter has been kidnapped, I am lucky. I might be about to become a grandfather soon hahahaha!"

Fan Yu had always been gentle and a modest gentleman. He rarely lost his composure.

No one had ever seen him smile like that today and act like a fool.

The most important thing was the content of his words.

"What did you say? Xiaonie is pregnant?!" Tang Yuansi was the first to shout.

When he realized that the surrounding guests were looking at them, he immediately lowered his voice, "Are you telling the truth or not? I don't believe it. How can there be such a coincidence?"

Tang Yuansi shook his head like a rattle-drum.

Even though he said he did not believe it, his heart had already sunk.

Fan Yu was not Yu Yuehan, and he liked to use tricks to trick them.

The things that Fan Yu said out loud were most likely true.

Before he could even wait for Qi Qi to welcome Xiao Liulu to the Tang family's beautiful days as his daughter-in-law, Fan Yu was already going to have a granddaughter..

No, he didn't want to hear it!

“Xiao Ni is still in school, isn’t it too early? Don’t think that you’re the only one who came up with it. We’re brothers, so I’m kind enough to remind you that hypochondria is a disease that needs to be treated!” Mo Yongheng pondered for a moment and said.

Fan Yu raised his eyebrows, unable to hide the smile at the corner of his mouth, he deliberately said, “It’s a little early. I also thought that it should be a few years later, but if it really happens, then it naturally needs to be born. When my little princess is born, Feifei and I will take care of her. Xiao Ni can also continue to go back to school and take a year off. It Won’t be a problem.”

### **Chapter 2385: So beautiful and sweet (21)**

As soon as these words were said, the expressions of everyone present changed.

They were still worried about the marriage of their children. Even Fan Yu’s grandfather and grandfather were going to be part of it. This was not a losing battle.

Even Mo Yongheng, who had a pair of twin princesses, felt that he had lost at the starting line.

“Have you gone to the hospital for a check-up? Have you been diagnosed?” Mo Yongheng stepped forward and asked.

Fan Yu took a sip of red wine, he said slowly, “I saw Xiao ni throw up the other day. She even said that her appetite hadn’t been good recently and she kept feeling nauseous. From the looks of it, she definitely has a child. I wasn’t thinking that her marriage with fan fan hadn’t been decided yet. If the news of her going to the hospital for a check-up spread too early, it would be bad for the two children’s reputation. So I wasn’t in a hurry and let Feifei take care of her first. She didn’t even let Xiao Ni wear high heels at today’s engagement party. As a man, it’s fine if I was wrong, but Feifei had given birth before. When she went to take care of Xiao Ni, she felt that Xiao ni already had a child. This matter isn’t far from the truth. I’m just waiting for Qi Yan to check her pulse.”

After fan Yu finished speaking, a few gasps could be heard.

The only one who remained calm was Yue Han.

He merely pursed his lips and said, “Don’t be happy too early. Let Qi Yan take a look first.”

How could it be so easy for a little princess.

Fan Yu ignored his cold words, he continued to gloat, “You are jealous of me. I know that accepting me as the first person among all of you to have a little princess of the grandchild generation will make all of you very unbalanced. I am magnanimous and will not argue with all of you.”

“I also think that we should take a look first. Otherwise, we might make a mistake and end up being happy for nothing,” Tang Yuansi said as he watched the show.

After all, he was the happiest person apart from fan yu right now. He could still remain calm.

The other three people did not show it on their faces. However, they were definitely not feeling good in their hearts.

If they really allowed fan yu to produce and sell his own products successfully, and he even managed to have a little princess in front of all of them, many of them might not be able to accept it..

“The lounge is over there. I remember. I will lead the way.” Mo Yongheng came back to his senses and took the lead to walk in front of the rest of the group and walked straight to the inner side of the banquet hall.

In the lounge, besides fan ni, there was also a group of Aunties who had come to bless her.

Qiao Yuanfei was sitting at the very front. She held fan ni’s hand and seemed to be exhorting something.

Nian Xiaomu and tan bengbeng had not seen each other for a long time. They were sitting together and chatting.

Zheng Yan sat at the seat closest to the vanity mirror. She was fiddling with the jewelry box on the vanity table to match Fanny’s outfit, she muttered, “Don’t worry, Auntie is here. I guarantee that you will dress up beautifully. Once Fanny sees you, her eyes will only be glued to you... Eh, why are all of you here?”

Zheng Yan paused when she heard the knocking on the door. She turned around and blinked in astonishment when she saw the few people who had pushed the door open.

Qiao Yuanfei and fan ni looked at each other. A hint of panic flashed across fan ni’s eyes when she saw Qi Yan. Qiao Yuanfei took a deep breath and grabbed her hand to signal for her not to panic.

Nian Xiaomu and tan bengbeng were the only ones who were still chatting as if there was no one else around.

They were chatting so passionately that even Qi Yan was envious.

How could he still remember what he and Fan Yu were here for? He walked up to Tan Bengbeng and pulled her away from Nian Xiaomu.

“I’m hungry. Come out and eat something with me.”

“I’m not hungry. If you want to eat, you can go out and eat yourself.” Tan Bengbeng pushed him away. Just as she was about to sit back down on the sofa, Qi Yan stopped her again.

“I can’t see you and can’t eat.”

## **Chapter 2386: So beautiful and sweet (22)**

“... stop fooling around. I’m busy. Is that why you came in?” Tan Bengbeng glared at him as if she had sensed that something was wrong with him.

Qi Yan felt guilty from the glare and confessed without hesitation.

“I wasn’t the one who wanted to come in. It was fan Yu. He thought that Xiao Ni was pregnant and asked me to take a look.”

Tan Bengbeng:”...”

Nian Xiaomu: "..."

Zheng Yan: "..."

"Xiao Ni is pregnant?!" Nian Xiaomu stood up from the sofa and turned to look at fan ni, who was sitting beside her.

Tan Bengbeng and Zheng Yan followed closely behind and surrounded fan ni at the same time. They stared at her stomach at the same time.

Fan Ni: "..."

Qiao Yuanfei: "..."

"I didn't. It's just that my appetite hasn't been very good recently." Fanny came back to her senses and quickly waved her hand.

Then, she thought of something and reached out to cover her mouth. She looked at Qiao yuanfei anxiously.

Qiao Yuanfei was the one who taught her to use this trick to trick fan yu into agreeing to her engagement with Fanny. During this period of time, in order to prevent fan yu from being suspicious, she had to pretend to be nauseous from time to time. If she pretended too much, she would almost believe it.

Now that she saw the concerned gazes of the few aunties, Fan Ni was at a loss.

Her reaction was seen by the others, and they were even more worried for her. They were afraid that she was young and inexperienced and did not even know that she was pregnant.

"Qi Yan, Mo Yongheng, and Bengbeng all have medical skills. Since they are all here, it's better to take a look. After all, Xiao Ni is still young. We can't be vague about such things," Nian Xiaomu was the first to speak up.

"Yes, yes. There are many people now. If we let professionals take a look, we can feel at ease even if we are unprofessional." Zheng Yan threw down the decorations in her hands and hurriedly chimed in.

Tan Bengbeng did not say anything and only looked at Fanny quietly.

When she saw her embarrassed look, she thought that she was embarrassed and said softly, "Xiaoni, if you are shy, I can ask them to leave. I will examine you alone."

After Tan Bengbeng finished speaking, she turned around and was about to chase him away.

Qi Yan had finally managed to mingle with his wife, so how could he be willing to leave.

Furthermore, his wife was still with Nian Xiaomu, so he did not feel safe.

"I have the absolute right to speak about the medical skills of the people in this room. I am not leaving. I will stay and help."

"I want to stay and help too," Mo Yongheng, who was at the side, said.

It was just a pulse check. Any one of the three of them would be enough.

He wasn't staying to help. He wanted to stay and watch the show.

After all, Fan Yu was right. Everyone was curious if Fanny really had a baby in her stomach.

If she really did have a baby, it would be the first grandchild in their group..

How could it not make one's heart ache and want to know the news immediately?

"What are you guys doing? What are you guys doing? This is my little princess. What does it have to do with you guys? Why are you all standing around and not leaving?" Fan Yu finally stood up and berated them with a smug look on his face.

Even though he did not say anything, his eyes could see everything clearly.

What were Qi Yan, Mo Yongheng, Yu Yuehan and Tang Yuansi, who were standing at the door and refusing to move, thinking about? How could they escape from his eyes?

As soon as fan Yu thought about it, the moment that he had been holding back for most of his life had finally arrived.

He could not be happier.

He was going to be a grandfather soon, and he would be able to have a pretty little princess soon.

She would spit out milk bubbles, cling to his arms and act coquettishly. She would let him hold her hand and take a walk. In the future, she would even call him "Grandfather" in a childish voice..

### **Chapter 2387: So beautiful and sweet (23)**

No, no, no, no.

His blood vessels were almost empty.

Life was too beautiful. If he continued to think about it, he felt that he was going to float away!

"We are just concerned about Xiao Ni. As a father, can you be more steady?" Yu Yuehan pulled his hands out of his trouser pockets, walked forward, and opened his mouth calmly.

He reached out and pulled Nian Xiaomu to his side. Lowering his head, he leaned in close to her ear. He did not know what he said, but Nian Xiaomu's eyes suddenly widened and she asked in shock, "Really?"

"What do you mean by 'really'?" Zheng Yan could not help but gossip when she saw that the couple was acting all weird.

Nian Xiaomu moved her lips and hesitated for a few seconds, in the end, she told Zheng Yan, "If Xiao Ni did not know that she was pregnant, she definitely did not take the folic acid tablets. Yu Yuehan just told me that a friend of his did not take the folic acid tablets when he was preparing for pregnancy and that the child had a congenital neurovascular malformation."

"Hiss—" Zheng Yan gasped.

Fan Yu's expression changed as well.

He didn't have the time to show off and reached out to pull Qi Yan. He asked him to go forward and check on fan ni's pulse to see if she was really pregnant and if the child was healthy.

"I..."

Fan Ni was about to reject him when fan yu grabbed her hand and said earnestly.

"Daddy knows that you're shy, but if you really have a baby, the most important thing now is to check on the child's condition, don't you think so?"

Fanny:"..."

She was not pregnant and did not have a baby in her stomach. There was no need to look at her at all.

Fanny opened her mouth and wanted to say something, but she did not dare to.

She could only swallow her saliva and allow fan yu to pull her to sit in front of Qi Yan and let Qi Yan come up to take her pulse.

It was quiet in the lounge.

This place seemed to have been isolated and no one was concerned about how the engagement party was going.

At this moment, everyone's gaze was focused on Qi Yan.

Seeing that he had checked his pulse for a long time without saying anything, Tang Yuansi could not help but urge him, "What's going on? Could it be that something has really gone wrong?"

As a congenital heart disease patient himself, he was deeply affected by the illness that he was born with.

"Don't spout nonsense. My granddaughter will definitely be fine." Fan Yu shouted in a low voice. Although he sounded relaxed, he had already squeezed his way to the front, carefully, he asked, "Qi Yan, I can take it. Tell me honestly, how is my granddaughter's condition?"

"..."

Qi Yan turned around and glanced at the two of them. Without saying a word, he carefully checked his pulse again.

Just as Fan Yu was about to lose his cool, the corners of his mouth curled up and he said slowly, "Don't worry, your granddaughter will be fine. After all, she doesn't exist yet."

Fan Yu:"..."

Everyone:"..."

"What do you mean by that? What do you mean by she doesn't exist? Speak properly!" Fan Yu came back to his senses and a hint of confusion flashed across his handsome face. Then, he thought of something and pointed at Qi Yan.

"I know now. You must be lying to me on purpose because you're jealous of me, right?"

Yes, that must be the case.

This bunch of sly old foxes might have colluded with each other.

He didn't believe that they could trick him just like that!

Fan Yu was stunned for a few seconds before he turned to look at Mo Yongheng. After sizing him up, he seemed to think that Mo Yongheng was unreliable as well. He skipped over Mo Yongheng and pulled Tan Bengbeng to him.

"Bengbeng, I know your temper. You definitely don't want to be like them and lie to me. I only trust you. Help me take a look at Xiao Ni and see if what Qi Yan said is true."

Tan Beng:"..."

Tan Beng was still in a daze when she received the order and sat in front of Fanny.

### **Chapter 2388: So beautiful and sweet (24)**

Qi Yan, on the other hand, let go of her hand generously.

"It's up to you. If you don't believe my words, no one would be able to find out the baby even if they checked her pulse," Qi Yan said firmly.

Tan Bengbeng did not waste any time. If Fan Yu asked her for help, she would help.

Coincidentally, she was also worried about Fanny's condition. Seeing Qi Yan let go of her hand, she focused slightly and put her hand on Fanny's wrist.

After checking her pulse for a while, she frowned slightly.

"How is it? Don't just purse your lips and not say anything. Let's not talk about whether the child is healthy or not. Just tell me, is Xiao Ni really pregnant?" Fan Yu bent his waist slightly and placed one hand on the armrest of the sofa as he asked anxiously.

He had even thought about how to take care of his granddaughter in the future and what kind of dress to buy for his granddaughter.

If he were to tell him now that his granddaughter was just a dream... he would not be able to accept it if he had a bad heart.

"Stop it. Tang Yuansi is the one who has a heart attack, not you. Stop pretending. Beng Beng, just tell him the answer and make him give up," Qi Yan urged from the side.

Whether one was pregnant was different from other things. A professional doctor only needed to check his pulse for such a thing.

She could not even pretend to be pregnant even if she wanted to.

Tan Bengbeng was indeed not a person who would lie. She hesitated for a moment, still, she said frankly, "Xiao Ni is indeed not pregnant and will feel nauseous. It may be because her stomach is weak and she ate the wrong thing. Qi Yan has some medicine to regulate her stomach. I will bring some for her when the time comes."

"... it's just that her stomach is weak and it causes nausea. Isn't it because she is pregnant?" Fan Yu was dumbstruck.

For a long time, he did not recover from this terrible news.

Yesterday, he had already gotten someone to customize a crib and had even gotten the butler to start setting up a nursery in the villa.

In order to make himself appear less anxious, he deliberately hid it from everyone. He planned to wait until after the engagement party was over to confirm that his little princess was really pregnant. Then, he would give her a surprise.

Now that the surprise was gone, he was only left with a shock..

"Xiao Ni is still young and is not pregnant yet. She will definitely have a child in the future," Tan Bengbeng comforted him.

Even though she knew that she could not comfort fan Yu.

"Are you really not pregnant?" Fan Yu still did not give up and asked.

Before Tan Bengbeng could reply, a series of laughter had already sounded beside him, accompanied by Qi Yan's annoying voice, "Hahahaha, what did I say? You Don't even believe in my medical skills. You must have gone crazy thinking about your granddaughter, right?"

Fan Yu:"..."

"Brother, although I really want to console you, to be honest, I also feel that it was a little funny when you thought that you were going to be a grandfather in advance just now." Tang yuansi patted fan Yu's shoulder sympathetically.

How was he consoling him? He was clearly trying to stab him in the back.

"Funny + 1." Mo Yongheng used the least number of words to stab him the deepest.

Fan Yu did not want to look at Yu Yuehan anymore. His instincts told him that this old fox, Yu Yuehan, had been keeping quiet all this while. He must be holding back his trump card.

If he had not inexplicably mentioned the matter of folic acid to Nian xiaomu earlier on, he would not have been in such a hurry to get Qi Yan to check Xiao Ni's pulse. It turned out that Yu Yuehan had long guessed that Xiao Ni was not pregnant. However, how could he have known..

Fan Yu furrowed his brows and a hint of suspicion rose in his heart.

He had a hunch that he must have missed something when he had been immersed in joy earlier on.

Turning his head to look at fan ni, he caught a flash of guilt in her eyes. Then, he recalled when fan ni had retched in front of him for the first time, a flash of white light suddenly flashed through his mind. "Xiaoni, Tell Daddy honestly. Did you deliberately pretend to be pregnant so that I would agree to your engagement with fan fan ahead of time?"

### **Chapter 2389: So beautiful and sweet (25)**

It was over. She had been discovered.

Without hesitation, Fanny hid in Qiao Yuanfei's arms and stammered, "I didn't say that I was pregnant. It was all father's wild guess."

Fan Yu:"..."

What he said was so reasonable that he couldn't refute it.

So, he had really been scammed?

Wait, even if he had misunderstood it, during the time Qiao Yuanfei had been taking care of Xiao Ni, how could she not see if Xiao Ni was pregnant? Could it be..

"Even you were bribed by your daughter to lie to me together?" Fan Yu looked at Qiao Yuanfei in disbelief.

Qiao yuanfei protected her daughter and knew that she could not hide it. She could only tell the truth, "I'm just worried that you won't be able to bear to part with your daughter. I want you to have other thoughts. Look at how happy you've been lately..."

Fan Yu:"..."

The two women he loved the most worked together to deceive him.

Other than forgiveness, what else could he do?

"Fan Yu, think about it. Whether Xiao Ni and fan fan are engaged or married, they have to stay in the fan family. Today is a good day. Isn't it good for our family to be happy?" Qiao yuanfei saw that Fan Yu's expression was not good, she walked to his side and comforted him in a low voice.

"Good... very good..." Fan Yu held his breath, but he could not bear to send it to the mother and daughter.

He happened to see fan fan who was looking for his fiancée in the lounge, so he glared at him without saying a word.

"You Brat, you've grown wings. How dare you team up with your mother and sister to lie to me!"

"..." fan fan took a knife in the eye and looked at the atmosphere in the lounge. He vaguely sensed something.

He took the blame and took the blame.

In the end, he promised fan yu sincerely, “Don’t worry, Daddy. I will work hard and strive for you to become a grandfather and grandfather as soon as possible.”

Fan Yu:”...”

Fan Yu couldn’t help but give him a kick.

“Did I say I was in a hurry? Don’t use me as an excuse to bully Xiao Ni. Xiao Ni is still young. After you get engaged, you must sleep in separate rooms until you get married!”

“Still working hard. You better work hard and reflect on yourself...”

The engagement party ended happily in a farce.

The few brothers who rarely got together did not really have a grudge because of their teasing.

After the engagement party ended, they still got together and started drinking.

Tang Qianqi and Yu Liuliu were dating.

Fan Fan and Fan ni were engaged.

The Little Fox was still young and was not old enough to talk about marriage.

Among the few of them, only the little princess of the Qi Yan family was old enough to date, but she had not been kidnapped yet.

Therefore, at the wine table, Qi Yan received the “Care and sympathy” from his brothers.

Fan Yu, who had just held the engagement party for his daughter, drank the red wine in his glass with red eyes. He put his arm around Qi Yan’s shoulder and said sincerely.

“Brother, I’m not going to lie to you. I’m going to tell you the truth. I’m going to defend myself day and night, but I can’t prevent my daughter from getting married. Don’t listen to Yu Yuehan. Why buy an excavator? If you’re unlucky, who knows if you’ll end up in a corner of your own house. For safety reasons, prepare some quick-acting heart-saving pills for yourself. Don’t be too exhausted and die!”

“What fan Yu said makes sense.”Tang yuansi raised his wine glass as well, he moved closer to Qi Yan and said, “Our children and grandchildren will have their own blessings. It’s going to rain today and our mother is going to get married. We Can’t stop her either. Why Don’t you relax and become a grandfather sooner?”

“Ptui!”Qi Yan pushed Tang yuansi away. “You don’t have a daughter, of course you can say that easily.”

### **Chapter 2390: So beautiful and sweet (26)**

Tang yuansi avoided Qi Yan’s saliva, he frowned and said, “Why don’t you know what’s good for you? So what if I don’t have a daughter? My son kidnapped Xiao Liuliu to be my daughter-in-law. Am I showing off? I’m teaching you how to be a good person. Why Don’t you listen to me? When your Xiao Rou is kidnapped, don’t come crying to me.”

“Speaking of Xiao Rou, why didn’t I see her today?” Mo Yongheng put down his wine glass and asked casually.

Then, the few of them thought at the same time that Qi Rou really didn’t appear with Qi Yan and Tan Bengbeng.

It was rare for Qi Yan to go out and not bring his little princess to show off.

At this point, a mysterious smile suddenly appeared on Qi Yan’s face.

He said proudly, “Don’t think that I don’t know that Xiao Liuliu and Xiao Ni are already taken. You must be plotting against Xiao Rou now. Do you really want that Brat Yu Muyang to kidnap Xiao Rou? Do you want to see me suffer the same fate as you? Let me tell you, no way!”

“...”

“Xiao Rou has already returned to school ahead of time. Furthermore, I hid her academic records. Don’t even think about finding out where she is studying now. If you want someone to kidnap my daughter, you can wait for your next life. Ahahaha!”

Everyone:”...”

—

In a certain well-known university.

“Achoo-”

“Achoo-”

“Achoo-”

Qi Rou sneezed a few times in a row. She reached out and rubbed her nose, frowning.

Standing beside her was Yu Muyang, whom Qi Yan had said would never be able to find Qi Rou.

Yu Muyang looked at Qi Rou eagerly and passed her a tissue like a loyal dog. “Why did you sneeze? Did you catch a cold?”

As Yu Muyang spoke, she took off her coat and was about to put it on Qi Rou.

“I’m not cold,” Qi Rou said coldly. Before Yu Muyang could put the coat on her, she was already holding the book in her arms and walking quickly to the teaching building.

Just as she reached the teaching building, the evening self-study bell rang.

She stopped in her tracks and turned around to look at Yu Muyang, who was not in the same major as her and was not even in the same teaching building as her. “Don’t follow me. You’ll delay your studies.”

She actually wanted to say that if he did not leave now, he would be late for his evening self-study.

However, she knew that she could not persuade Yu Muyang. Her eyes flashed slightly as she carried the book into the building.

Yu MUYANG escorted her all the way until he saw her enter the classroom. He then turned around and left.

With one hand in his pocket, he slowly walked towards his own professional teaching building.

He was unlucky. As soon as he reached the door of the classroom, he met their year's counselor, Old Ji.

Old Ji was good at everything, but he was too strict.

When he went to university, he basically followed the same rules as high school when it came to managing students. He said that strict entry and exit was the true way to produce talents.

K University was also a rare place. When he went to university, he strictly assessed the students for evening self-study. Other than the majors that had to go out for internships in their senior year, everyone else had to attend evening self-study.

When Yu MUYANG had just turned around, he could not believe that there was actually a university in this world that required evening self-study!

When Yu MUYANG saw Old Ji, his first reaction was not to call for help, but to run away.

"Yu MUYANG, stop right there!" Old Ji's slightly chubby body steadily blocked Yu MUYANG's path into the classroom.

He had no choice but to brake and stop.

"Why are you running? If you run earlier, will you be late for the evening self-study session? You're a transfer student, and it'll take some time for you to get used to our school. I understand, but look at you. Do you even have the slightest bit of a serious attitude that you should have towards your studies?"
