

Chapter 391: Am I unpresentable to others?

Nian Xiaomu lifted her head up and stared at his lower jaw; under the contrast of the street lights, a porcelain-like brilliance exploded from the perfect silhouette of his handsome face.

For every edge and corner of his face, not a single shortcoming could be found.

Nian Xiaomu was slightly aroused as she stared on. Standing on tiptoe unknowingly, she planted a kiss on his face.

Yu Yuehan was slightly taken aback.

Lowering his head, he looked at her in surprise.

She was only aware of what she had done just now when she met his deep and soulful gaze.

Her good-looking face flushed red in an instant!

Just when she wanted to run away, Yu Yuehan already pulled her back into his embrace once again.

With a burning gaze, he took a sideways glance at her blushing red face, opened his thin lips, and said, "Nian Xiaomu, you just kissed me. Shouldn't you allow me to kiss you back so that it will be fair?"

Nian Xiaomu: "...!!"

Was it necessary to be particular about whether it was fair for matters like this?

Before Nian Xiaomu could speak, Yu Yuehan had already lowered his head and blocked her lips!

Since they were on the street, Nian Xiaomu had never expected him to kiss her just like that in full view of so many people.

Surrounding them were many others who had just exited the movie theater after watching a movie. When they noticed a good looking couple hugging and kissing outside, all of them couldn't help but stop in their tracks and watch the show. Someone even prompted them to do an encore...

By now, Nian Xiaomu's face had already turned so red that it seemed like blood was about to trickle out from it.

She was rudely shocked when she saw someone whipping his cell phone out and making an attempt to take a photo!

Reaching out, she grabbed ahold of Yu Yuehan and sprinted away!

It was unknown how long the two of them ran; they only stopped their sprint when there were almost no human beings around them.

As Nian Xiaomu panted, she turned her head around and looked at the man beside her.

She noticed that his face had darkened as he stared at her with an annoyed look.

Opening his mouth slowly, he asked, "Nian Xiaomu, am I unpresentable to others?"

Nian Xiaomu: "..."

"Why did you run?"

Nian Xiaomu: "..."

This had nothing to do with being unpresentable; it was so embarrassing to commit bashful actions of this kind in front of so many people.

Furthermore, she was being thoughtful.

If someone had taken photos of the President of the formidable Yu Corporation and uploaded them on the internet...

Moreover, they were photos of him kissing someone passionately on the street...

They would definitely appear in the headlines of the entertainment news the next day!

However, she needed to think of an idea to appease the iceberg since he was angry.

"Nian Xiaomu, are you deaf?" Yu Yuehan pulled her forward to face him. The look on his face turned even uglier when she did not utter a single word and seemed to have silently agreed with what he had said.

His girlfriend had given him the cold shoulder on their first date. What should he do?

He needed an immediate answer to this urgent situation!

Nian Xiaomu was startled by his yell. All of a sudden, she threw herself into his embrace and reached out to hug his muscular waist.

"Who said that you were unpresentable? I was worried that other women would fixate their gazes on you because you are so good looking!"

"..."

"I didn't want others to stare at my boyfriend. Is that not allowed?"

"..." The dark cloud had significantly cleared from Yu Yuehan's gloomy face.

The corner of his mouth curved into a pleased smile.

Pinching her face with his long fingers, he bantered, "Nian Xiaomu, you finally know how popular I am? Don't worry, no one else can enter my sight with you around."

Nian Xiaomu: "..."

She was being flirted with right after an argument. What? She wanted to kiss him again.

"Where are we heading to now?" Nian Xiaomu asked expectantly as she nestled in his embrace.

She was in a great mood since she had just woken up.

When Yu Yuehan heard this, he lowered his gaze and looked at her, then asked, "What do you want to play?"

"Can I play with anything?" When Nian Xiaomu heard what he said, she stared at him and asked with eyes that brimmed with radiating vigor.

Seeing that he had nodded his head, she pulled him along and entered the amusement park next to them!

Contrary to expectations, Nian Xiaomu walked up to the shooting range game and picked up a gun. As she tossed it into his arms, she asked, "Shall we have a competition?"

Yu Yuehan took a scan of the carnival game with his dark eyes. Raising his eyebrows, he said, "Sure, but I want to set a condition for the loser."

Chapter 392: Black-bellied, too black-bellied!

"What condition?" Alarmed, Nian Xiaomu looked at Yu Yuehan suspiciously.

Seeing that she had agreed to it, a flicker of light flashed past his eyes. He leaned forward until his lips were almost touching the tip of her nose.

"If I win, we sleep together tonight," whispered Yu Yuehan sexily.

Nian Xiaomu: "..."

Jerk!

"Then if I win, you cannot touch me for a whole month!" Nian Xiaomu glowered at him as she pouted before turning around and heading off to buy the game tokens.

The game started very quickly.

"Each person goes one round. The person who hits more targets wins!"

Nian Xiaomu briefly explained the rules.

She picked up the toy pistol and adjusted the eyepiece before starting the game.

The toy pistol looked light in her hands as she lifted it, aimed at the targets, and took shots...

Every action was smooth and swift!

There was no hesitation.

In each round, there were a total of 50 targets.

However, there was a time limit, and the appearance of the targets would speed up toward the later part of the game. It was almost impossible to succeed in taking down all 50 targets.

Bang!!

Bang! Bang!

The sound of the shots rang into their ears.

Yu Yuehan took a glance at Nian Xiaomu's perfect posture.

Shifting his gaze onto the score screen, he saw that after half a round, she had actually not missed a single target!

The way she was focused on the game was like a queen standing tall and proud while exuding an aura of elegance.

Yu Yuehan's gaze became increasingly intense...

The first round of the game ended.

Nian Xiaomu put the toy pistol down and looked up at the score screen. Feeling pleased with herself, she boasted, "49. Unless you can break the record and get a perfect score, you will surely lose to me!"

"Have you learned marksmanship before?" Taking the pistol from her, Yu Yuehan's eyes were filled with a mysterious sparkle.

Hearing this, Nian Xiaomu was surprised. "I'm not sure if I took formal lessons. I've always played with Bengbeng at theme parks like this."

"..." That was it?

"Hurry up! Don't try to think of any excuses to back out!" Feeling that Yu Yuehan was still buying time for himself, she impatiently hurried him to get started.

From the time that she had started playing this game, she had never seen anyone succeed in hitting all 50 targets.

49 was the best score.

Since Yu Yuehan spent most of his time in the office, he would surely not be as good as her at games!

Hearing her words, Yu Yuehan calmly narrowed his eyes as he picked up the toy pistol nonchalantly.

Just as he was about to reach out to press the "Start" button, Nian Xiaomu had already pressed it for him.

The first target very quickly appeared on the screen...

Nian Xiaomu had tried to cheat by deliberately messing up the start of his game.

She had thought that Yu Yuehan would not react in time and would miss the target. However, he pulled the trigger and hit the target accurately.

Nian Xiaomu: "..."

The rest of the time.

Nian Xiaomu stared at the screen while thinking that as long he missed one target, she would not lose the game.

However, Yu Yuehan's accuracy throughout the game was exactly the same as the first shot he had fired.

His aim was steady... until the very last target was shot down.

Nian Xiaomu was completely speechless...

He had actually won.

No one had ever beaten her at this game before.

"Have you taken lessons before?" Nian Xiaomu puffed up her cheeks as she glared at him.

Placing the toy pistol down on the counter, he snickered and asked, "Who needs to train for such a simple game?"

Nian Xiaomu: "...!!"

Before she could snap back to her senses, Yu Yuehan was already dragging her along.

Struggling to keep up with him, she asked, "Where are you taking me?"

Yu Yuehan replied, "Let's go home to sleep!"

Chapter 393: Hold on, Yu Yuehan!

Yu Yuehan hadn't called for the chauffeur today and had driven the two of them out on his own.

When it was time to head home, he naturally had to drive them back.

Throughout the journey in the car, he had to suppress his feelings of frustration because his woman was right next to him, but he had to keep his hands on the steering wheel.

Why did couple-time matter? At times like this, it was more important to have a chauffeur around...

They finally reached the Yu Family villa.

After parking the car at the entrance of the main villa, Yu Yuehan immediately unfastened his seat belt. Leaning over to the passenger seat, he planted a kiss on Nian Xiaomu's cheek.

Just as he was about to venture deeper, Nian Xiaomu had already pushed him away and slipped out of the car.

Trying to run?

Not so easy.

Yu Yuehan flashed a devilish smile and swiftly got out of the car, closing the door behind him.

It took only a few quick steps for his long legs to catch up with Nian Xiaomu, who had just sprinted to the door.

Locking her shoulders with his hands, he pressed her against the door as he lowered his head toward her and whispered into her face, "You want to back out now that you have lost?"

His voice was low and hoarse, and it sounded exceptionally alluring.

Nian Xiaomu felt a tingly sensation all over and swallowed hard before replying, "I only said I would sleep together with you, but I did not say I would allow you to kiss me. Anyway, can you not be so perverted? When I said sleep together with you, I meant chatting under the covers!"

Yu Yuehan: "..."

It was true that trying to talk reason with women was an uphill task.

Yu Yuehan cleverly gave up on it and aimed straight for her lips!

The night was dark and still.

They had just returned from a romantic date, and it was just the two of them right now...

The mood in the atmosphere changed slowly.

Just when things were getting heated up, Nian Xiaomu caught sight of something from the corner of her eye, and her body froze!

As she frantically tried to push Yu Yuehan away, she exclaimed, "Yu Yuehan, hold on...!"

"Can't hold on anymore." Yu Yuehan did not think twice about saying no.

He scooped her up into his arms to take her into his bedroom.

However, when he turned around, the scene in the living room made him stop in his tracks!

In a split second, there were a myriad of expressions that flashed past that handsome face. In the end, he managed to put on a poker face.

In the huge living room.

Matriarch Yu was seated on the sofa holding her walking cane in her hand. At first glance, she was wearing a stern expression.

However, upon a closer look, it seemed more like a shocked expression on her face.

For a long time, there was no reaction from her.

Her widened eyes stared at how Yu Yuehan was plainly taking advantage of Nian Xiaomu at the entrance of the villa. She even wondered if she was dreaming up everything as the look of horror in her eyes did not go away...

Seated obediently by Matriarch Yu's side was Xiao Liuliu, who was covering her eyes with her chubby hands, but had left large gaps between her fingers and was watching on gleefully.

A second later, when she saw Yu Yuehan turn and look at her, she slid down the sofa and called out, "Daddi is secretly kissing Pretty Sister! I want Pretty Sister to kiss me too!"

In the blink of an eye, she had already pounced into Nian Xiaomu's arms.

Nian Xiaomu instinctively carried her up and looked awkwardly at Matriarch Yu, who was still sitting on the sofa...

She had only just started dating and had accidentally slept together with her boyfriend. Then, just after sleeping with her boyfriend, she was discovered by an elder...

How was she going to explain herself?

Furthermore, from the look on Matriarch Yu's face, she seemed more shocked than happy.

Surely Matriarch Yu was not going to object to the two of them being in a relationship now...

While Nian Xiaomu was struggling to sort out all the thoughts going through her mind, Yu Yuehan had already reached out to hold her hand and walked over to Matriarch Yu.

Then, he respectfully greeted her and asked, "Grandma, what are you doing here at this time of night?"

His voice was very calm, and although he had raised a question, there was no sense of surprise in his tone.

Without waiting for a reply, he turned toward Nian Xiaomu and reminded nonchalantly, "You haven't greeted Grandma yet."

Chapter 394: No time like the present

Nian Xiaomu: "...!!!"

Greet her?

How should she greet her?

They had just gotten together; if she followed suit and called her Grandma, would she appear to be too frivolous?

Lifting her head up, Nian Xiaomu took a glance at her and pursed her lips nervously. Just when the word "matriarch" was about to leave her mouth, Matriarch Yu, who had been sitting on the sofa, suddenly stood up.

As she grabbed Nian Xiaomu's hand, an excited look that could not be concealed appeared on her face.

"Why are you still frozen there? Quick, call me Grandma. I want to hear it!"

Just like someone who had suddenly regained her composure from a shock, the smiling expression on Matriarch Yu's face kept on surfacing.

She grasped Nian Xiaomu's hand tightly.

"I knew it! I felt that Yuehan and you had great affinity right from the first time that I saw you. I never thought that he had really won you over..."

“Xiao Mumu, don’t worry. Even though there are many rules in the Yu Family, Grandma is not an elder who is old-fashioned and inflexible. Your family background is not important, and I have absolutely no opinion as long as both of you youngsters love each other!”

Matriarch Yu lifted her arms and hit Yu Yuehan as she said this.

She switched to lecturing Yu Yuehan.

“You rascal! How dare you hide such a major matter from me!”

“Look, you even bedded her... you bullied her. How could you not take responsibility! We cannot drop the matter just like that!”

Matriarch Yu slapped the coffee table and showed the loftiness of the matriarch of the Yu Family.

She held onto Nian Xiaomu’s hand right from the start and did not release her grip.

She feared that should she let go, the granddaughter-in-law whom she had just gotten ahold of would fly away in the blink of an eye...

Responsibility...

The moment Nian Xiaomu heard this word, the image of a serious looking Yu Yuehan asking her if she was about to discard him after making use of him instantly appeared in her mind.

Her cheeks flushed red as she explained anxiously, “Matriarch, our relationship isn’t what you think it is... Actually, I don’t need...” Matriarch Yu had already cut her off before Nian Xiaomu could finish her sentence.

She placed Nian Xiaomu’s hand into her palm and held it tightly.

“You don’t have to say anything. I understand, I understand everything! Girls are generally more shy, but with Grandma around, I will surely stand up for you. I will not allow this rascal to push away his responsibilities after taking advantage of you!”

Nian Xiaomu: “...!!”

“I think that there is no time like the present. Fortunately, everyone is around today—let’s settle your marriage now. Actually, it would be too rushed to get married right away. You two should get engaged first...” As Matriarch Yu spoke on, she had already turned around happily and instructed the butler to prepare the wedding invitations.

Nian Xiaomu: “...!!”

What kind of situation was this?

Who was she? What had happened just now...?

En... Engaged...

Nian Xiaomu felt her nerves turn cold, and she looked up worriedly at Yu Yuehan.

Carrying a handsome and charming face, Yu Yuehan stood there in a calm manner and did not say anything.

In plain words, he adopted a posture that conveyed that he would absolutely obey the arrangements of the elder!

As he met Nian Xiaomu's gaze, he pressed his big hand against her head. With a darkened gaze, he asked, "Don't you need me to bear responsibility?"

Nian Xiaomu: "..."

Oh my god! That isn't the main point right now!

"It's alright. I just need you to bear responsibility," he added on slowly.

Right after he finished his sentence, he took Xiao Liuliu from her arms and passed her to the butler so that he could bring her to bed.

"Grandma, it's getting late, and it's time to sleep. We will still have time to plan for the engagement tomorrow."

Matriarch Yu let out a bright smile the moment she heard this.

She covered her mouth and giggled, then said, "Alright, alright, alright! I shall not intrude on the romantic time of you two. Restrain yourself a little—don't make Xiao Mumu too exhausted!"

Nian Xiaomu: "...!!"

Matriarch, you weren't like this in the past. You even said that you wouldn't allow him to bully me just now...

Chapter 395: Our tempo is different from other people

The living room became empty in an instant.

Just as Nian Xiaomu was about to say something, Yu Yuehan scooped her up in his arms and turned to walk up the stairs.

"Yu Yuehan, we have only just started dating and now we are getting engaged? Don't you think that it is too fast?" When they reached the bedroom, Nian Xiaomu hurriedly climbed down from his arms and looked blankly at him.

Yu Yuehan walked to the side, poured a glass of water, and passed it to her.

After seeing her take a sip of water obediently, he replied, "Our tempo is different from other people to start with. You made me sleep with you on our first day together..."

Splash!

The mouthful of water that Nian Xiaomu had taken shot right out of mouth!

Turning red in the face, she shoved the glass of water back at him and turned to crawl under the covers.

She wasn't going to talk anymore! She was too embarrassed to!

Anyone who allowed her to drink alcohol in the future would be her enemy!

Ring, ring... Her cell phone suddenly rang.

Nian Xiaomu sat up immediately and took her cell phone out of her pocket.

As she was still feeling sheepish about how she had made her move on Yu Yuehan, she picked up the call without checking the caller ID first.

"Hello?"

After waiting a few seconds, there was no reply from the other end.

Nian Xiaomu turned to look at the caller ID on the phone and saw that it was Fan Yu. Placing the phone to her ear again, she discovered that there was still no sound from the other side.

He had called her so late at night, yet he did not speak a word on the phone.

What did this mean?

Just as Nian Xiaomu was about to ask him what he wanted, Yu Yuehan walked over to her and asked, "Who is calling?"

Then, he lowered his head and gave her a peck on the cheek.

There was a glint in his eye as he gazed at Nian Xiaomu, who had climbed into his bed in a moment of panic...

Nian Xiaomu did not notice the change in the expression on his face. She was going to reply that the call was from Fan Yu, but the call ended at the same time.

Feeling perplexed, she wanted to ask Yu Yuehan if he could decipher what this was about, but he had already climbed on top of her!

"Mmm!"

—

On the other end. At the Fan Family villa.

In a spacious study room, the stillness in the air felt as if time had stopped.

Holding the cell phone in his hand, Fan Yu was standing in front of a French window.

As he watched the screen on the phone turn dark, his handsome face turned slightly pale. His lonesome figure exuded an air of despondency.

The images of what he had seen earlier kept flashing in his mind.

Even if Yu Yuehan had intentionally staked his claim on Nian Xiaomu in front of him, Fan Yu did not want to believe that they were already together.

She had been taken away by Yu Yuehan.

At first, he thought that maybe she was in some sort of difficulty that she could not explain or perhaps he had misunderstood the situation...

He could not hold back his curiosity and had even gone to the Yu Family villa so that he could clarify it with her. However, he saw the two of them leave the house together.

They were on a date.

They had watched a movie and even kissed on the streets...

She had even taken the initiative to stand on tiptoe to kiss Yu Yuehan...

That tender image of them together was like a sharp blade piercing through his heart.

He could not give up so easily and decided to make that phone call. In the end, it only confirmed that they were already sleeping together.

No matter how he tried to come up with excuses for her, he could not deceive himself. The man whom Nian Xiaomu loved was Yu Yuehan!

Smash!!

Fan Yu swung his fist against the window.

The whole window pane shook with a loud bang.

He did not believe it!

He did not believe that his Liuliu would fall in love with someone else.

Dialing his assistant's number, a streak of light flickered in his dark brown eyes as he instructed, "Check out Nian Xiaomu's background. I want to find out everything about her!"

After hanging up the call, he propped both hands against the window as he looked out at the moon.

Nian Xiaomu, are you Liuliu?

Chapter 396: Was this... an act of currying favor?

Ring, ring...

Nian Xiaomu was woken up by a series of cell phone ring tones the next day.

Reaching out, she felt around for her cell phone. However, she realized that the cell phone wasn't hers.

The next second, she saw the person beside her stand up. Holding the cell phone in his hand, he walked over to the balcony and answered the call.

Judging from his swift actions, he seemed to be worried that the ringing cell phone would disturb her.

A sense of warmth swarmed up in her heart.

As her gaze shifted over to his silhouette that was draped with just a sleeping robe, images of her being polished clean and sucked dry the previous night flashed past her mind instantly...

She had heard that men's exuberant needs were especially strong when they woke up in the morning.

It was better for her to play it safe and escape in advance!

Nian Xiaomu put her clothes on sneakily and left the room at lightning speed.

Yu Yuehan seemed to have sensed something as he stood on the balcony.

Nian Xiaomu, who was supposed to be asleep on his bed, was already missing when he took a side glance toward the room.

While he frowned, the voice of his assistant reporting on the other end of the phone could still be heard.

"... Young Master Han, Tan Bengbeng traveled overseas a few days ago for an academic conference. Her return date has not been confirmed as of now."

When Yu Yuehan heard this, the space between his eyebrows bunched together even more tightly. Opening his mouth slowly, he said, "Check her background again. Don't let go of anything that is suspicious."

"Yes!" The assistant hung up the call shortly afterward.

Yu Yuehan walked back into the room. As he scanned around the empty room, he draped a sleeping robe on himself and headed outside.

He had just reached the bottom of the stairs when he saw a big and a small figure hugging each other on the sofa.

With a look that was full of grievance, Xiao Liuliu said in a childish voice, "Pretty Sister, do you only love Daddi and not love me anymore?"

Nian Xiaomu was struck dumb. Leaning forward, Nian Xiaomu whispered something into her ear, but Xiao Liuliu continued to grumble, "Daddi is the baddest egg. He is always playing the kissing game with Pretty Sister behind Xiao Liuliu's back."

With a smacking sound, she pouted her tiny lips and planted two kisses on Nian Xiaomu's face.

Satisfied and content, she inched her way into Nian Xiaomu's embrace.

She rolled around happily.

"Pretty Sister, let's go out and play without Daddi!"

Yu Yuehan: "..."

Was this... an act of currying favor?

With a darkened face, he walked forward. Stretching his hand outward, he carried Xiao Liuliu, the one who had taken up his territory, in his arms.

Reaching out, he gave her little nose a squeeze.

“What did you say? Who do you want to leave out?”

“...”

Xiao Liuliu was taken aback, and her huge, crystal-clear eyes grew wide in fear!

The next second, she suddenly reached out and hugged his neck. Just like a spoiled child, she proceeded to speak in a childish voice and declared, “Xiao Liuliu loves Daddi the most!”

Yu Yuehan: “...!!”

Nian Xiaomu: “...!!”

“I need to head out because there are some matters which I need to attend to at the office. Wait for me at home with Xiao Liuliu. I’ll take you two out for a meal later on.” Yu Yuehan stroked Xiao Liuliu’s head before passing her over to Nian Xiaomu.

Nian Xiaomu took Xiao Liuliu from him at once and nodded her head obediently.

She was afraid that Yu Yuehan would ask her to sleep with him at that very moment. As such, she was so elated that she nearly jumped for joy when she heard that he was heading out.

As she tried her utmost best to restrain her emotional expression, she also simultaneously squeezed out an utterly reluctant expression on her face and said, “Don’t worry, I will take good care of Xiao Liuliu. Hurry and go—company matters are more important!”

Yu Yuehan squinted his eyes. Reaching out, he held her by the waist and drew both Xiao Liuliu and Nian Xiaomu into his embrace.

After that, he lowered his head and gave Xiao Liuliu a kiss on her face.

Nian Xiaomu tilted her head obediently and moved her face closer to him. However, he did not make any movements even after a long while.

Just when she was about to turn and look at him, his thin lips fixed themselves accurately on her lips...

Then, he plastered his thin lips on her earlobe and instructed gently, “Nian Xiaomu, wait for me at home obediently.”

Nian Xiaomu shuddered all over upon hearing his magnetic voice.

Just when she wanted to say something, he released his grip, turned around, and left.

Chapter 397: The hidden message is “I miss you”

At first, Nian Xiaomu was still feeling flustered. Then, as she watched him leave, she suddenly felt like she couldn’t bear to let him go.

She stood still with her lips pursed and only snapped back to her senses some time later. Then, she carried Xiao Liuliu over to rest on the sofa.

Just a while ago she had wished for him to leave, but when he did, she was already starting to miss him...

Casually picking up a magazine to read, she found that her usual favorite gossip magazine failed to stir any interest in her.

As she played building blocks with Xiao Liuliu, she could not resist turning around to check the time again and again.

Yu Yuehan had only left the house for an hour, but it felt like a day had passed.

If she were to go on like this, she would go berserk from waiting!

“Let’s go outside to play for a while.” Holding Xiao Liuliu’s hand in hers, Nian Xiaomu tried to lead the way out, but after taking just one step, Xiao Liuliu was already pulling her back.

With a stern expression on her little face, Xiao Liuliu chided lightly, “Daddi told us to wait patiently for him to come back and get us. Pretty Sister is naughty for trying to sneak out!”

Nian Xiaomu: “...”

Xiao Liuliu, don’t you remember that you wanted to leave Daddi behind and go out to play with me?

Just as Nian Xiaomu was trying to come up with ways to persuade Xiao Liuliu to follow her, the phone rang.

It was Yu Yuehan.

“I’m coming back to pick you up.”

Hearing his voice, Nian Xiaomu did not think twice about replying, “Let’s save some trouble. Tell me the address, and I’ll take Xiao Liuliu there so we can meet sooner!”

As soon as she finished speaking, she realized that she had said her thoughts out loud.

Her cheeks blushed a crimson red.

On the other end of the call, Yu Yuehan had never expected to hear such sweet nothings from Nian Xiaomu.

He simply replied with the address after regaining his composure a few seconds later.

The next moment, Nian Xiaomu had already hung up the phone in embarrassment.

She swiftly carried Xiao Liuliu back to the room to get changed, tidied up her appearance, and set off by car for the place that they had arranged to meet at.

The restaurant that Yu Yuehan had made a reservation at was a well-known private kitchen.

The setting was elegant while the furnishings had an unique style.

The decorative pieces had a vintage feel to to them, and being in this place naturally soothed the nerves of anyone who came along.

Nian Xiaomu got to the restaurant early, and when she got out of the car, Yu Yuehan had not arrived yet.

Instructing the chauffeur to go back first, she carried Xiao Liuliu and stood at the entrance to wait for Yu Yuehan.

Just as she was about to call him to check if he was arriving soon, she heard a familiar voice call out from behind her, "Nian Xiaomu, what are you doing here?"

When Nian Xiaomu lifted her eyes and saw that the person standing before her was Wen Yadai, she was slightly taken aback.

It had never crossed her mind that she would bump into Wen Yadai at this place.

Since the last time they had met, when Yu Yuehan had fired Wen Yadai in front of all the staff, she had disappeared without a trace.

It was rumored that the Wen Family had been afraid of offending the Yu Corporation, so they secretly sent Wen Yadai overseas to simultaneously seek treatment for her injury and lie low for the time being.

To think that she had returned so soon...

Nian Xiaomu's eyes looked toward Wen Yadai's wrist.

The cut from that time was not too deep, so the wound had healed completely. There was only a faint scar that was still visible.

Wen Yadai had noticed Nian Xiaomu's lowered gaze. Stepping forward with an arrogant sneer on her face, she coldly spoke out and asked, "Are you very shocked to see that not only am I okay, but that I am perfectly fine and standing right here?"

By now, Wen Yadai did not bother to mask her hatred toward Nian Xiaomu.

When she saw that the child Nian Xiaomu was carrying was Xiao Liuliu, a streak of jealousy flashed across her face.

She knew better than anyone else how precious Xiao Liuliu was to Yu Yuehan.

He would not easily allow people to go near Xiao Liuliu, much less let them take her out of the Yu Family villa without him around!

What right did Nian Xiaomu have?

Chapter 398: If she could use her hands, then she wouldn't use her mouth!

Since she was carrying Xiao Liuliu in her arms, Nian Xiaomu did not wish for her to listen in on the grown-ups squabbling with each other. Throwing a glance at Wen Yadai, Nian Xiaomu paid no attention to her and walked away.

When she reached the entrance, the doorman stopped her.

"Do you have a reservation? Without a reservation, you may not enter."

As soon as the doorman spoke and even before Nian Xiaomu could reply, Wen Yadaï had already walked over and stood between the two of them.

“To think you dared to come here without a reservation, Nian Xiaomu. Don’t you know your place?”

“...”

“Oh right, someone like you would probably never have been to such a luxurious place before. You might think that just anyone can come in.” Wen Yadaï eyed Nian Xiaomu up and down with a look of scorn.

Seeing that Nian Xiaomu was not replying to her, Wen Yadaï assumed that she was feeling guilty and sneered even harder at her.

If it were not for Nian Xiaomu, she would be still at the Yu Corporation.

She would still be a well-respected department manager who was Yu Yuehan’s most reliable right-hand woman.

The reason for her current downfall was all because of Nian Xiaomu!

When she thought of this, Wen Yadaï gritted her teeth and lost all logic!

How she wished to trample Nian Xiaomu under her own feet...

“Do you really think that just because Xiao Liuliu likes you, you can rise to riches overnight? Even if you win the favor of Xiao Liuliu to get close to Master Han, a pheasant like you will always remain a pheasant. You will never ever become a phoenix! Just like how this kind of establishment will not entertain a lowly person like you!”

Wen Yadaï haughtily stuck her nose in the air as she spoke.

Even though she had left the Yu Corporation, she was still the young miss of the Wen Family.

What about Nian Xiaomu?

She might be carrying the most distinguished Little Miss of the Yu Family in her arms, but she would not be able to step into the restaurant!

“Beg me. If you beg me, I’ll bring you in.”

“...”

Throwing a glance at her, Nian Xiaomu could not fathom why Wen Yadaï would have this misguided sense of superiority.

Without bothering with her, Nian Xiaomu took out her cell phone to make a call to Yu Yuehan and check if he was arriving soon.

Before she could make the call, Wen Yadaï was already sneering at her.

“Trying to call Master Han to help you? Nian Xiaomu, if you are so capable, why didn’t you get Master Han to come here with you?”

“...”

“Let me guess. Could it be that Master Han is already sick of you and cannot even stand the sight of you? Now, you have to use his name to get into places and are even taking advantage of a three year old...”

“No! That’s not true! My Daddi likes Pretty Sister!” While she could control her temper, Xiao Liuliu was already huffing and puffing with indignation in Nian Xiaomu’s arms.

Taken aback, Wen Yadaï crossed her arms, unwilling to believe the words of a child.

“Look at how pathetic you are, Nian Xiaomu. Your wily ways are only good enough to fool a child. Do you think that you are good enough for Master Han to fall for you?” Wen Yadaï asked.

She snickered, but seeing how Xiao Liuliu tried to defend Nian Xiaomu made Wen Yadaï’s eyes fill with jealousy toward her.

Turning to the doorman, Wen Yadaï instructed, “Make sure that you keep an eye on this woman. She is a con woman, so don’t let her come in... Ouch!”

Before Wen Yadaï could finish what she wanted to say, a swift kick hit her knee.

It was so painful that she almost fell to the ground.

Wen Yadaï looked back at Nian Xiaomu in disbelief.

“How dare you kick me?”

“I just felt like kicking you!” Then, Nian Xiaomu dusted her pant leg with contempt as if it had come into contact with something dirty.

If she could use her hands, then she wouldn’t use her mouth!

She hadn’t intended to even bother with a woman that was jealously enraged. It would set a poor example for Xiao Liuliu.

However, since Wen Yadaï did not appreciate it even when Nian Xiaomu tried to take a step back, then Nian Xiaomu could not be blamed for showing her some color!

Chapter 399: Who dares touch her?

“You...” Wen Yadaï had never expected Nian Xiaomu to say this.

Even though she had left the Yu Corporation, she was still the eldest daughter of the Wen Family.

Nian Xiaomu actually laid hands on her... she really had huge guts!

Since Nian Xiaomu was courting her own death and took the initiative to antagonize Wen Yadaï, Wen Yadaï would definitely teach her a lesson!

Wen Yadaï narrowed her eyes. All of a sudden, she turned her head around and shouted, “Are all of you doormen blind? Seize her now! She is so daring that she assaulted me—I must send her to the police station!”

The Wen Family was a regular customer of this restaurant, and Wen Yadaï patronized this place very often. As such, all of the doormen on duty knew who she was.

Furthermore, they had seen Nian Xiaomu kick Wen Yadaï with their own eyes just now.

They immediately rushed forward when they heard what Wen Yadaï said.

At this point in time, all of them zoned in on Nian Xiaomu subconsciously.

“Don’t you dare touch me!” Not a hint of fear could be detected on Nian Xiaomu’s face as she held Xiao Liuliu in her arms.

Straightening her back, she shifted her gaze upward and stared coldly at the group of people who were slowly surrounding her.

She was tall and slim, had a good looking appearance, and acted cold and stern.

All of the doormen became stupefied just as they were about to capture her. With her body exuding a strong aura that was filled with royalty, Nian Xiaomu did not fall even a single bit behind Wen Yadaï.

They hesitated and did not dare to move forward.

“Catch her! Why are all of you still standing there! Let me give her a kick before I send her to the police station!” Wen Yadaï gritted her teeth and yelled.

“Miss Wen, the child that she is holding seems to be the Little Miss of the Yu Family...” one of the doormen recognized Xiao Liuliu and reminded Wen Yadaï.

Wen Yadaï smiled coldly when she heard this.

“So what? She is just a nurse. Do you think Young Master Han would think highly of her even if she is holding the Little Miss of the Yu Family? Let me ask you, based on the relationship between the Wen Family and the Yu Family, what do you think her ending will be if Young Master Han knew that a nurse had actually laid her hands on me?”

“This...” A few of the doormen looked at each other speechlessly.

None of them had seen Nian Xiaomu before. Even though she carried an uncommon aura and absolutely did not look like a nurse...

Yet, what Wen Yadaï said made sense.

The Wen Family and the Yu Family had close ties that persisted for a few generations.

Previously, whenever Young Master Han would come here, the only woman who would appear by his side was Wen Yadaï.

Everyone had firmly believed that Wen Yadaï would eventually marry into the Yu Family and become the Young Madam of the Yu Family.

Now, however, she had been assaulted by someone. If Young Master Han was around, he would most likely detain the person who had assaulted Wen Yadaï and turn the culprit into a punching bag for Wen Yadaï to vent her anger on!

A few of the doormen looked each other in the eyes. Then, all of them inched forward in an subconscious manner.

Just when they reached out and were about to grab ahold of Nian Xiaomu, a luxurious car stopped steadily by the roadside.

The car door opened.

Yu Yuehan's slender body gradually stepped out of the car.

With a remote and cold gaze, he opened his thin lips and asked, "Who dares touch her?!"

"Young Master Han..."

Nobody had expected that Yu Yuehan would arrive with such timing.

Every single person was appalled.

A few of the doormen were so shocked that their faces turned pale instantly. All of them backed off uniformly.

One of them spoke up and explained hurriedly, "Han, Young Master Han, we were not apprehending Little Miss. It was this woman, she laid her hands on Miss Wen and assaulted her. All of us were only standing up for Miss Wen!"

The two others also immediately echoed along when they heard this.

"Yes, yes, yes, the person whom we wanted to catch wasn't Little Miss, we intended to catch this ignorant nurse!"

"Yeah, the three of us saw it with our own eyes just now. She had laid her hands on Miss Wen and assaulted her..."

When Yu Yuehan heard this, he raised his eyebrows lightly and took a glance in the direction where Wen Yadai stood.

It absolutely had not crossed Wen Yadai's mind that Yu Yuehan would appear.

Her face turned ghastly pale in an instant!

As she listened to the doormen speaking up for her, she clenched both her fists tightly and tried to keep her cool.

Chapter 400: Help to teach her lesson!

Perhaps Yu Yuehan was only here to pick Xiao Liuliu up.

He was famous for doting on his daughter. Since Nian Xiaomu was taking care of Xiao Liuliu, he must have been worried about his daughter and personally came over to fetch her as a result.

He might not pay any attention to Nian Xiaomu.

Furthermore, Nian Xiaomu was the one who had assaulted her first...

Even though Wen Yadaï was silently consoling herself in her heart, her expression turned uglier and uglier.

They had been standing by the door for quite a while and had attracted a fair bit of attention.

Since she was the one who was ridiculing Nian Xiaomu just now, she had not been afraid of being seen by others.

However, Yu Yuehan had now appeared.

If he was on Nian Xiaomu's side, she would be the one who would be embarrassed!

Other people did not know, but she was very clear about it.

The close ties between the Wen Family and the Yu Family were all due to the fact that she had once saved Yu Yuehan.

However, even though Yu Yuehan had let her off for the incident from the other time, he had already mentioned that the ties between their two families would be erased once and for all...

This time around, if she offended him once again, the entire Wen Family might be implicated as well!

Wen Yadaï opened her mouth, but did not dare utter a single word.

A few of the doormen thought that Yu Yuehan was feeling sorry for Wen Yadaï when they noticed that he had been staring fixedly at her.

Opening their mouths hastily, they said, "Don't worry, Young Master Han. We shall immediately catch this woman who bullied Miss Wen and help to teach her lesson!"

They proceeded to walk forward to catch Nian Xiaomu as they said this.

As Yu Yuehan tucked one of his hands in his pocket, a layer of ice seemed to cover his face with that frosty look of his. With a pause after every word, he said, "I shall see who dares to touch my woman!"

Doormen: "...!!"

As their knees wobbled, the group of doormen were so afraid that they nearly knelt down.

His, his woman...

The woman that Young Master Han had personally admitted to dating...

Plus, they had actually said just now that they wanted to help teach her lesson!

The expressions of these few doormen changed as they stared with bulging eyes; everyone was so stupefied that all of them turned into fools instantly!

Yu Yuehan collected his gaze and walked directly over to Nian Xiaomu. Reaching out, he held the back of her head and pushed her into his embrace.

"What happened?"

“...”

Nian Xiaomu froze right from the moment she saw him appear.

Especially when she heard him blurt out that sentence: “I shall see who dares to touch my woman!”

Her legs wobbled. However, her legs had gone limp because she felt love.

At this moment, when she looked at the overbearing and handsome guy before her, the only thought that she had was to drag him somewhere secluded and take advantage of him.

Why would she still be thinking about Wen Yadaï...?

Seeing that Nian Xiaomu did not speak, Yu Yuehan thought that she had been bullied and frowned.

Lowering his gaze, he looked down at Xiao Liuliu, who was nestled in her embrace—she was so angry that her cheeks were all puffed up.

Usually, this soft and squishy ball would usually be so happy that she would call “Daddi” out loud. Today, however, she had been staring at Wen Yadaï the entire time and was so busy from all the staring that she did not even bother to acknowledge him.

As Yu Yuehan carried her up, he stroked her little nose and said, “Tell me what happened.”

Xiao Liuliu pouted her tiny lips immediately and proceeded to speak in an aggrieved tone, saying, “She bullied Pretty Sister and said that she would not allow Pretty Sister to come in...”

“Pretty Sister did not even want to talk to her, but she still acted fiercely. Xiao Liuliu was so scared...”

As Xiao Liuliu came to the end of her story, she hugged Yu Yuehan’s neck with her tiny arms. Burying her little head into his chest, she said, “Xiao Liuliu did not want others to bully Pretty Sister!”

She did not express herself very clearly with her tender and childish voice.

However, it wasn’t difficult to understand the meaning behind her words.

Right from the very start to the very end, Wen Yadaï had been the aggressive one!

The expression on Yu Yuehan’s face cooled down instantly.

A few of the doormen completely lost their heads and said, “Young Master Han, we had nothing to do with this. Miss Wen was the one who said that this lady here wasn’t qualified to dine in our restaurant and kept on scolding her. We were only adhering the rules and doing our job. We did not say a single word!”
