

**Chapter 491: Climax! Reunion of both mother and daughter! (9)**

Before Nian Xiaomu finished her mumbling, she caught herself saying too much and looked at Yu Yuehan in horror.

However, she saw that he was deep in thought and had not heard what she said. Heaving a sigh of relief, she fell into his arms.

Then, after a long while, she asked, "Yu Yuehan, did you know me before this?"

"..."

"I mean, have we met before I came to the Yu Family villa to look after Xiao Liuliu?" Nian Xiaomu could not figure out how things became this way. She had lost her past memories, so she could not recall how Xiao Liuliu came about.

If Xiao Liuliu was really her daughter with Yu Yuehan, why was it that he did not have any idea at all?

Surely it couldn't be that after doing the deed, he put on his pants and erased the child's mother from his memory...

"No," Yu Yuehan answered coolly.

"Think about it again!" Nian Xiaomu tugged on his shirt as she nagged at him.

Yu Yuehan grabbed her hand, flicked her forehead, and asked, "Do you think that you have a common face?"

"Of course not! I'm a goddess beloved by everyone who sees me. People who take a look at me will remember my face for years..." Nian Xiaomu started bragging about her looks until it suddenly struck her what he meant.

Since she did not have a common face, how was it possible that he had met her before, yet did not have any impression of her?

Unless they did not know each other at all.

"Well, it could be because in the past you not only suffered from facial paralysis, but were also blind and could not see the beauties around you..."

At the very next second, Nian Xiaomu felt a gust of cold air go down her spine, and she snapped back to her senses!

Without any hesitation, she added, "I meant that I had face paralysis and was blind. If I had laid my hands on you the first time I saw you, Xiao Liuliu might have little brothers and sisters by now!"

She could finally catch a breath after trying to redeem herself with this additional explanation.

Very quickly, Nian Xiaomu sensed a hot gaze fixated on her.

Her brain felt like it was short on oxygen, but before long, she realized what she had said.

When she tried to explain herself further, Yu Yuehan had already scooped her up.

“It’s not too late to work hard now!” Yu Yuehan answered as he turned to walk up the stairs.

Nian Xiaomu: “...!!”

When the door closed, Nian Xiaomu was placed on the bed.

The automatic curtains were quickly drawn shut, and the brightly lit room became dark in an instant.

There was an oppressive mood in the confined space.

Nian Xiaomu wanted to say something, but felt Yu Yuehan drawing her into an embrace before staying still and just hugging her tightly.

Then, in a low voice, he asked, “If I told you that I’ve never touched any other woman before you, would you believe me?”

“...”

Was he trying to explain it to her because he was worried that she would be bothered by it?

Nian Xiaomu’s heart felt a surge of warmth, and she nodded her head obediently.

After all, Xiao Liuliu was their daughter, and Nian Xiaomu was the only woman he had ever been with.

She wouldn’t be jealous of herself.

“Yu Yuehan, Xiao Liuliu is actually...”

“Xiao Liuliu’s appearance was an accident.” Yu Yuehan’s cold voice interrupted Nian Xiaomu, and she immediately became speechless.

Yu Yuehan took in her reaction and guessed that she felt bothered by what he had just said.

After all, it was an irrefutable fact that Xiao Liuliu was his biological daughter.

He had just reassured Nian Xiaomu that she was his only woman, but brought up another woman a second later. Nian Xiaomu must be feeling troubled by this.

Yu Yuehan drew Nian Xiaomu into his arms more tightly and started telling her about how Xiao Liuliu had appeared in his life two years ago and how he had been looking for that woman all this time.

#### **Chapter 492: Climax! Reunion of both mother and daughter! (10)**

“Are you trying to say that you’re cocksure that you’ve never touched a single woman before and that Xiao Liuliu popped out of a rock?” Nian Xiaomu’s jaw dropped slightly as she looked back blankly at Yu Yuehan.

Then, she silently looked down at her stomach.

Did she have such a supernatural ability to impregnate herself...

"It does not make scientific sense!" Nian Xiaomu lifted her head. As she sat up, she mounted his waist and rested her hands on his chest. "Think about it carefully. Have you ever suffered from amnesia or been drugged by anyone? Or perhaps someone had forced herself on..."

Before the last word left her lips, she found herself being glared at by Yu Yuehan.

"Why don't you write a novel if your imagination can run so wild?"

Nian Xiaomu: "..."

She was trying to make logical deductions!

"Surely it wasn't like someone had stolen your..." Nian Xiaomu lowered her gaze downward, but before she could finish what she wanted to say, Yu Yuehan grabbed her, flipped her over on the bed, and pressed himself against her.

With a long face, he gritted his teeth as he hissed, "Be quiet!"

He had only wanted to tell her that from the beginning to the present, the only woman he had ever wanted was her.

Why was she thinking about other things?

"I was only sayin'. You don't need to be so fierce..." Trapped under Yu Yuehan and unable to move, she could hardly think straight anymore.

At first, she had thought that maybe she and Yu Yuehan had known each other in the past.

Maybe they were even in love, which was why they had Xiao Liuliu.

However, it seemed like he had no idea how Xiao Liuliu came about and even harbored a deep hatred for the woman who had secretly given birth to his child...

The problem now lay with her!

Nian Xiaomu shifted her position uneasily as she continued probing and asked, "Then, have you ever thought about what you would do when you find Xiao Liuliu's mother?"

"What do you think?" Yu Yuehan narrowed his eyes as a streak of dangerous light flickered past his face.

Nian Xiaomu felt herself get goosebumps.

After that, she tried to stand up for herself and answered, "Who knows? Maybe she did not plan to secretly bear you a child."

"Hmm."

It was only one word, but it was cold enough to make one shiver.

"What if she is a beautiful woman..."

"I will disfigure her," Yu Yuehan answered without hesitation.

There was not a tinge of tenderness in his eyes.

“What if she is pretty and likeable and dotes on Xiao Liuliu...”

“I will still strangle her to death!” Yu Yuehan cut her short curtly.

Nian Xiaomu: “...!!”

Why did she feel that her face hurt a little and that her neck was cold?

She had a ton of questions for him earlier while waiting for him to come home, but now, she did not dare say a word.

Why did she ask so many questions just now?

Why didn't she get straight to the point?

Now that she knew what the outcome would be like, she felt that her guts had been fed to the dogs...

Yu Yuehan could sense that the woman in his arms was feeling a little insecure and lowered his head to kiss her on the corner of her eye.

Thinking that Nian Xiaomu might be worried that he would dump her once he found Xiao Liuliu's mother, the sides of his lips curled upward.

Yu Yuehan kissed her again and added, “The woman who dared to set a trap for me better not appear for the rest of my life. If she were to appear, I would definitely not let her off easily!”

“She is Xiao Liuliu's mother...”

Yu Yuehan's eyes darkened as he asserted, “Xiao Liuliu only has a father. She doesn't have a mother!”

“...”

Nian Xiaomu wanted to continue the discussion, but Yu Yuehan was getting impatient, so he lowered his head to seal her lips.

The two of them coiled around each other as they continued to kiss passionately.

In her state of delirium, she thought she heard him whisper into her ear, “Nian Xiaomu, Xiao Liuliu is three years old.”

“What?”

“She can look after her little brothers and sisters.”

Nian Xiaomu: “...!!”

### **Chapter 493: Proposal! (1)**

After a night of sleep, the sky had turned from dark to bright.

As Nian Xiaomu snuggled under the covers, she kept reflecting over why she had initiated the conversation with Yu Yuehan in bed.

If the talk went well, she would lose out.

If it didn't go well, she would also lose out.

After thinking it through properly, she reminded herself never to make the same mistake again and crawled out of the covers.

Yu Yuehan had already left the room.

Throwing her clothes back on, Nian Xiaomu slipped into her bunny slippers and made her way downstairs.

At the top of the staircase, she heard the following conversation from the living room downstairs:

Xiao Liuliu: "Daddi doesn't love Xiao Liuliu anymore! You're always secretly sleeping with Pretty Mommy and not taking Xiao Liuliu along!"

Yu Yuehan: "What did you call her?"

Xiao Liuliu: "Pretty Mommy!"

Yu Yuehan: "Mmm, then do you want Pretty Mommy to give birth to a little brother or little sister for you?"

Xiao Liuliu did not answer immediately. Nian Xiaomu leaned over to see Xiao Liuliu cocking her head to the side as she considered the question carefully. At the very next second, she lifted her head with her eyes sparkling brightly and in all seriousness replied, "Daddi, can I have both a little brother and a little sister?"

*Crash!!*

Nian Xiaomu was so taken aback by her words that she almost rolled down the stairs!

Grabbing the railing of the staircase, Nian Xiaomu slipped and landed on the step.

Glaring at the pair of father and daughter whose backs were facing her, she listened in on their discussion about how many children she would give birth to.

Hearing the sounds behind him, Yu Yuehan quickly got up from the sofa and turned to walk toward her. He scooped her up from the staircase and placed her on the sofa.

Cupping her face in his hands, he asked worriedly, "How did you slip? Did you get hurt anywhere?"

Nian Xiaomu grabbed his arm and bit into it.

She did not hold back any of her strength and left teeth marks on his arm.

"Ouch!" cried out Yu Yuehan, but he did not push her away.

Instead, he narrowed his eyes as he locked the back of her head with his hand. Looking straight into her eyes, he asked, "You heard what we said?"

“Hmph! You were plotting against me behind my back. Obviously, you are scared that I heard everything! You even taught Xiao Liuliu to...” As Nian Xiaomu blasted at him, she realized Xiao Liuliu had disappeared and was nowhere to be seen in the living room.

Just as she was about to get up, she saw Xiao Liuliu standing in front of the freezer, rising up on tiptoe to open the door of the freezer.

However, the door of the customized freezer was too big, so there was no way she could open it.

She felt so anxious that beads of perspiration started to form on her face.

“Xiao Liuliu, just tell Daddy whatever it is you want to get. Daddy will get it for you.” Yu Yuehan walked toward Xiao Liuliu quickly and helped her to open the freezer.

Without a word, Xiao Liuliu pulled open the compartment at the bottom, took out her snowballs, and acted like they were treasures in her hands.

Nian Xiaomu felt her head throb at the sight of the three snowmen, and she did not want to look at them any longer.

Just as she was about to stop Xiao Liuliu, she heard Yu Yuehan ask, “What are those?”

“Daddi, Pretty Mommy, and Xiao Liuliu!” After Xiao Liuliu brought the three snowballs out of the freezer, she introduced them one by one to Yu Yuehan.

Seeing the snowman that was supposed to be him, the corners of Yu Yuehan’s lips quivered slightly.

“Are they pretty?” Xiao Liuliu asked innocently.

Yu Yuehan: “...”

He would do whatever it took to dote on his little princess.

Just as Yu Yuehan was about to say something, Xiao Liuliu picked up the three snowballs and ran toward Nian Xiaomu who was walking back to the sofa.

Placing the three snowballs in front of Nian Xiaomu, Xiao Liuliu rubbed Nian Xiaomu’s stomach with her little hand and had a look of anticipation.

“This is a present for my little brother and little sister!”

## **Chapter 494: Proposal! (2)**

Then, she leaned her little face close to Nian Xiaomu’s stomach and asked, “Is there a little brother and little sister inside here?”

Nian Xiaomu: “...!!”

Stiffening in shock, Nian Xiaomu did not know how to explain the birds and the bees to Xiao Liuliu.

Furthermore, she and Yu Yuehan had only started dating a short while ago. They weren’t even married—how could they make babies now?

It was all his fault!

He was obviously trying to trick Xiao Liuliu to agree to sleep on her own, but why did he have to talk about making babies?

Now she was done for.

Xiao Liuliu had set her mind on getting a little brother and little sister!

“Xiao Liuliu, listen to me. Actually...”

Yu Yuehan stepped forward and interrupted her words nonchalantly, “Xiao Liuliu, the presents you gave to your little brother and sister are melting.”

Nian Xiaomu only realized after hearing his reminder that the heater was turned on in the living room, and the temperature was quite high.

Very quickly, the snowballs were starting to melt.

“Quickly put them back!” Xiao Liuliu exclaimed when she heard Yu Yuehan’s words. Carrying her snowmen in her hands, she put them back in the freezer carefully. Then, she ran back to Nian Xiaomu and crawled onto her lap as she lifted her little head to ask a question.

“Pretty Mommy, will my little brother and little sister like the present I gave them?”

Nian Xiaomu: “...”

The crucial point of this question is that you first must have a little brother or little sister.

However, when she met Xiao Liuliu’s hopeful gaze, she thought about how she owed Xiao Liuliu so much for the past three years. Nian Xiaomu’s eyes sparkled as she nodded earnestly.

“Yes, they will surely like anything that Xiao Liuliu gives them!”

Then, she carried Xiao Liuliu up and rubbed her head against Xiao Liuliu’s little head.

After holding her close for while longer, Nian Xiaomu finally let her go.

As she watched the quirky little girl run toward Yu Yuehan and ask to be carried, she suddenly felt a stirring in her heart when Yu Yuehan lifted Xiao Liuliu high up in the air.

Suddenly, Nian Xiaomu felt very relieved that her darling child had met Yu Yuehan.

Even if Yu Yuehan hated her for scheming against him and giving birth to Xiao Liuliu, his love for Xiao Liuliu was genuine...

Perhaps he would forgive Nian Xiaomu for her mistakes because Xiao Liuliu was so adorable?

Regardless, she could not recall anything from the past anymore. Would he really be so cruel that he would strangle her to death?

Nian Xiaomu pursed her lips and mustered her courage to walk toward him. She got his attention by pulling on the sleeve of his shirt.

Yu Yuehan glanced over at Nian Xiaomu, then put Xiao Liuliu down and instructed the butler to take her to eat her breakfast. Next, he turned back to check on Nian Xiaomu, who had an odd expression on her face.

Yu Yuehan asked, "What is it?"

"..."

Not knowing how to get started, Nian Xiaomu found herself tongue-tied.

The more nervous she got, the more nonsense she blabbered.

"I just want to say that Xiao Liuliu is so young that it is important for her to have a mother, especially her biological mother! Furthermore, Xiao Liuliu is such a lovable and kind child that her mother must surely be a good person too. If you strangle her biological mother to death, Xiao Liuliu will definitely grow up to hate you. Even if you don't care about what others think, surely you will consider Xiao Liuliu's feelings right? I think that if even you cannot get to the bottom of this matter, maybe there is a misunderstanding regarding what had happened in the past. If you do find that person, you have to carefully investigate what really happened..."

Before Nian Xiaomu could finish speaking, Yu Yuehan's long fingers suddenly pressed against her busy lips.

In a low voice, he asked, "What do you really want to say?"

Nian Xiaomu pulled away his hand, took a deep breath, and answered, "I only wanted to tell you that I am actually... not ready to leave you."

After saying those words, Nian Xiaomu felt like giving herself a tight slap!

### **Chapter 495: Proposal! (3)**

She had actually wanted to say that she was Xiao Liuliu's biological mother.

However, when she met Yu Yuehan's icy gaze, she lost all of her courage even though the words were at the tip of her tongue.

Her words oddly turned into "I am actually not ready to leave you." Now, she made it seem like Yu Yuehan was about to dump her... How embarrassing!

"Silly." Upon hearing her words, Yu Yuehan pulled her into his arms and ran his long fingers through her hair.

Then, he grabbed the back of her head with his hand and pressed her into his chest. In a low voice, he promised earnestly, "You won't leave me, and I will never let you go."

"No matter what happens?" Nian Xiaomu looked up immediately.

"Indeed, no matter what happens." Yu Yuehan hugged her more tightly as he gave his promise.

Hearing this, Nian Xiaomu's pounding heart calmed down a little as she comforted herself that everything would be fine.

Right now, there was no evidence to prove that the DNA report was authentic. Nian Xiaomu decided that she would find the courage to tell Yu Yuehan the truth after Tan Bengbeng had confirmed that Xiao Liuliu was Nian Xiaomu's biological child.

Yeah, it wasn't because she was cowardly.

It was because she was cautious!

What if everything turned out to be a misunderstanding after she came clean to him. That would be so awkward.

She was a goddess. She had to practice some modesty!

Nian Xiaomu silently convinced herself of this, then let Yu Yuehan lead her to the dining room to eat breakfast.

—

A beautiful day started with work.

Nian Xiaomu was now a well-rounded manager in the public relations department and adept at carrying out new assignments.

When she could finally take a breather, she made herself a cup of coffee before returning to her desk and spacing out in front of the computer.

However, less than three minutes passed before a message popped up on the computer monitor.

[Eat lunch with me.] It had Yu Yuehan's usual domineering tone.

It wasn't an invitation or a request, but a direct order.

Putting the cup of coffee down on the desk, Nian Xiaomu pondered over the message on the computer monitor for a few seconds before starting to type on the keyboard.

[Your good friend has rejected your request and logged out!]

After typing out this reply, Nian Xiaomu could not help chuckling to herself before sending the message out.

She picked up her cup of coffee again and slowly enjoyed its goodness.

She began to imagine Yu Yuehan's reaction after he saw her reply on the computer. Would he get so infuriated that his nose became contorted before he caved in and gave her a call?

However, after a long while, he did not reply.

Did this mean he was giving up?

This was not his style.

Nian Xiaomu waited for a few more minutes, but there was still no reply.

She placed her hands on the keyboard and wondered if she should follow up with a message to check in on him. The next moment, she heard a knock on her office door. Then, the secretary pushed the door open and walked in.

“Manager Nian, the president’s office called just now to say that Master Han needs you to deliver a document to him. Not now, but later during lunch time.”

Nian Xiaomu: “...!!”

Nian Xiaomu turned back to face her computer and hit out a line of words on her keyboard.

[Despicable fellow! How dare you abuse your authority at work! I am going to expose your true colors in front of all our colleagues!]

When she was done, she sent it out immediately.

The secretary had not left the room yet. When she saw Nian Xiaomu’s enraged expression, she stopped and walked over to the desk to ask, “Manager Nian, are you alright?”

“...” Nian Xiaomu quickly closed the message window on the computer monitor and put on a smile.

Through gritted teeth she said, “It’s nothing much. It’s just that I discovered someone is extremely shameless, so I got a bit worked up over it. Don’t worry. I know which document Master Han wants. I will definitely deliver it to him at lunch time!”

#### **Chapter 496: Proposal! (4)**

“Manager Nian is the prettiest looking female manager I’ve ever seen. You must have plenty of suitors, and it’s normal to meet a shameless one once in a while. Speaking of which, Young Master Han must be one of the good men in the Yu Corporation! He’s handsome, he’s rich, and he doesn’t lust after women...”

Hearts were about to spring out of the female secretary’s eyes as she continued praising.

The secretary didn’t notice that Nian Xiaomu, who was sitting behind her office desk, had recently been badly triggered by a particular someone. However, it just so happened that the staff from Nian Xiaomu’s department could still sing praises about him right in her face.

Gripping the felt-tip pen in her hand, she drew a few circles and started to poke at the paper.

With every praise that the secretary sang, Nian Xiaomu stabbed out again.

“Manager Nian, what happened? Your notebook...” The secretary revealed a face full of horror.

Nian Xiaomu snapped back to her senses and lowered her head to take a look.

She had nearly punctured the very thick notebook before her! the (TLC. Not sure if this is a typo or if the rest of the sentence is missing.)

*Clatter!*

As she released her grip, the pen fell from her hand to the table.

With an awkward expression, Nian Xiaomu gave a forced smile and said, "It was an accident—an accident."

As the secretary stared at the notebook, which had been punctured to the extent that it looked like a hornet's nest, she quickly bid Nian Xiaomu farewell before hugging her documents and sprinting out.

Staring at the view of the secretary's panic-stricken back, Nian Xiaomu predicted that she herself would be the target of gossip today among all the female employees in the public relations department...

*Ding!* A notification sounded from the computer.

There was still a fire in Nian Xiaomu's heart, but she reached out immediately to click on the notification when she turned around and saw that it was a reply from Yu Yuehan.

She had originally assumed that he would at least say a sentence or two to appease her and cool her down after hearing the threats that she had sent him.

She had not expected that only three words would appear on the screen.

[Please expose me.]

Nian Xiaomu: "..."

He's got thick skin! He's won!

She wouldn't be duped.

The two of them had yet to publicize their relationship, but he was already using all sorts of tricks to take advantage of her by abusing his official authority.

He would surely drain her to death if they had publicized their relationship.

Dream on!

Nian Xiaomu thought for a moment and replied to him, "Sleeping together during lunch or at night. You can only pick one."

The gloomy feeling in her heart finally dispersed after she was done typing that sentence.

She did not believe that she would fail to restrain him with this.

If he dared to choose sleeping during lunchtime, she would head over to Xiao Liuliu's room to sleep tonight and allow him to stay lonely and cold all by himself!

*Ding!* A new reply appeared on the computer in less than three seconds.

It was exactly what she had expected.

Only one sentence appeared on the screen, and it said, "You don't need to come up at noon."

Just when the gleeful Nian Xiaomu was about to turn cocky, she realized that there was another sentence below.

[I'll come down and accompany you for lunch.]

*Pfft!*

She spat all of the coffee in her mouth onto the computer screen.

*Yu Yuehan, you're a big bad wolf!*

Nian Xiaomu's phone suddenly rang just when she was about to say something.

It was a call from Yu Yuehan.

Stunned, she reached out to pick it up. His magnetic voice that could impregnate one's ears rang out and said, "Come over to my side for lunch. There's a surprise."

"..."

Another surprise?

He didn't remember anything else except for this rule among the three rules that they had laid down. Still, it was true that he had been surprising her frequently these days.

However, the previous two times he had surprised her with either roses or cakes—what could it be today?

Nian Xiaomu's anger subsided when she saw that he had specially called to appease her.

Ever since they ended the call, she had been guessing what gift Yu Yuehan would surprise her with.

At 11:50 AM, before the clock even struck 12 noon, she stood up from her office desk and grabbed a random document.

She pretended to be looking for the president to get his signature for something urgent.

She appeared in front of the entrance to the president's office at 12 PM sharp.

She briefly tidied up her business attire and took in a deep breath to allow herself to appear natural and beautiful.

Only then did she raise her hand up with satisfaction and knock on the door.

### **Chapter 497: Proposal! (5)**

The assistant was the one who opened the door.

When he saw that Nian Xiaomu was the one who was standing outside, he immediately greeted her respectfully and said, "Manager Nian, you are here. Young Master Han is changing in the lounge."

"..."

Nian Xiaomu was stunned. Changing at this hour?

Could he be thinking of luring her in before taking advantage of her?

Previously, she had ended up in the hands of the big bad wolf every single time because she was too naive.

Nian Xiaomu was determined to be smarter this time around.

She didn't want to enter the room—Let's see how Yu Yuehan could lure her like this!

As Nian Xiaomu searched his luxurious and impressive office, she finally set her gaze on the French window with the best view.

Walking forward, she leaned against the window and took in the view of the street outside.

The Yu Corporation's skyscraper was situated in a place with extremely expensive real estate prices.

Did Yu Yuehan stand here usually? Coupled with the flourishing view of the street, was this the spot where he integrated the domain of the entire city into his plans bit by bit?

At this point in time, it would be perfect if there was a glass of red wine!

Just when Nian Xiaomu was entranced in her thoughts, a pair of strong and fit arms suddenly hugged her from behind.

He immediately encapsulated her with his strong and overbearing aura.

Before Nian Xiaomu had the chance to struggle, he looped her into his embrace. Lowering his head, he buried his face in her hair and muttered, "What were you looking at? You were so engrossed in it."

Nian Xiaomu leaned against his chest conveniently and replied obediently, "I was pondering over what you usually see and think about when you stand here."

Yu Yuehan raised his eyebrow slightly when he heard this.

As he straightened her body, he lowered his gaze and stared at her; he only looked at her and did not utter a single word.

As Nian Xiaomu felt her hair stand on end from his stare, she couldn't help it and asked him, "What? Did I say something wrong?"

The corner of Yu Yuehan's mouth curved up; his demonic smile seemed to have the power to attract someone and steal their soul from their body. With a pause after every word, he said, "Idiot. Even now, you don't know what I was looking at and thinking about?"

At this point in time, only a tiny inverted image of Nian Xiaomu was present in his extremely dark pupils, which were so dark that they seemed to be able to drown someone.

She was the one who was in his embrace, she was the one that he was looking at.

Nian Xiaomu's heart suddenly beat faster.

Every beat felt like it was skipping out of her own heart.

Just like a teenage girl who had had no prior dating experience, her face burned and unconsciously turned red. She was so nervous that she started to stutter as she spoke.

“You, don’t you flirt with me. I have to work in the afternoon, and I can’t skip work to do bad things with you!”

The moment she finished her sentence, Yu Yuehan lightly pressed his body down on her. As he braced against the mirrored surface of the window with a single hand, he locked her into his embrace.

As he lowered his gaze, his warm breath entangled with hers.

After he caught her in a dead end, he said with a burning gaze, “It’s alright. I’ll coordinate with you. You can do whatever you want with me, and I promise that I won’t scream.”

Nian Xiaomu: “...!!”

Ahhhh!

Could someone drag this monster away now?

She was about to suffer from a nosebleed. No, her nose was already bleeding...

Nian Xiaomu felt a warm sensation in her nose and got a rude shock!

She reached out and covered her nose. Turning around, she dashed toward the bathroom. Just when she reached the entrance of the bathroom, she heard a particular someone remind her “out of kindness” and say, “Nian Xiaomu, suppressing this kind of thing ain’t good for your health. Just give me a call if you need my help.”

*Bang!!*

He received a reply in the form of a door being slammed shut with extreme violence!

The rest of the day.

Nian Xiaomu was deeply immersed in regret and self-loathing. She had actually lost her cool and suffered a nose bleed right in front of Yu Yuehan!

It got to the extent that she had totally forgotten about the surprise that a particular someone had prepared for her.

The moment the work day ended, she clocked out at lightning speed and prepared to leave in secret.

### **Chapter 498: Proposal! (6)**

She had already settled on her escape plan. Once she was out of here, she would hail a taxi, stay at Tan Bengbeng’s house for a few days, and lie low until this nosebleed incident blew over...

*Ding!* The elevator door opened, and Nian Xiaomu rushed in with her head down.

Just as she was about to press the button to close the door, she heard a loud cheer from outside.

It was so zealous that she got a fright.

Before she could check out what was happening, the elevator door closed.

Lifting her head up, she saw a silhouette on the reflective wall of the elevator. Slightly alarmed, Nian Xiaomu took a second look and found the figure rather familiar...

Then, she recalled that everyone had broke into a loud cheer after the elevator doors opened. After the doors closed, it became quiet again.

Nian Xiaomu froze in horror!

She pressed herself against the door of the elevator and turned around very slowly.

When she saw the man standing behind her clearly, she frantically banged on the door, wishing the elevator would let her out!

“Nian Xiaomu, are you out of your mind?”

Yu Yuehan grabbed the back of her collar and pulled her toward him.

He leaned close and sneered, “You were only peeking at my body, yet you got a nosebleed from looking at me...”

“Stop! Don’t say anymore!” Nian Xiaomu lunged forward and reached out to cover his mouth.

Just thinking about how stupid she had been made her want to bang her head against the elevator until she died.

Her goddess image was ruined...

Was it too late to kill Yu Yuehan?

The elevator very quickly reached the ground floor.

Afraid that Yu Yuehan might bring up this incident in front of other people, Nian Xiaomu launched a tirade against him to issue a stern warning that other men had been dumped by their girlfriends because they had been too pretentious and showy.

“Yu Yuehan, you better think this through carefully. If you were to share with another person that I had a nose bleed just from looking at you, it’s highly probable that you will lose a girlfriend...”

*Ding!* Before Nian Xiaomu finished speaking, the elevator door opened, and the assistant was standing right there.

There was a mishmash of expressions on his face. It was as if he had overheard something extraordinary, but had to hold it in and pretend that he had heard nothing.

If he were to cause his own company’s president to become single, he himself would become unemployed!

Meeting Nian Xiaomu’s gaze, the assistant blurted out without hesitation, “Manager Nian, I didn’t hear a thing!”

Nian Xiaomu: "...!!"

She had lost all face! There was no way to salvage the situation now.

She wished she could have these people silenced, especially the culprit, Yu Yuehan!

If he hadn't intentionally seduced her, she wouldn't have ended up this way today...

He better not think about touching her at all this entire week—no, this entire month!

Nian Xiaomu stomped out of the elevator and was about to continue walking straight ahead when Yu Yuehan reached out and yanked the collar of her shirt.

She was about to glare at him when she heard him say, "You're going in the wrong direction."

"..."

Lifting her head up, Nian Xiaomu realized that her rashness had almost caused her to smash her head against the front desk counter.

Shuddering from the shock, she took a step back.

A second later, she was dragged along by Yu Yuehan and redirected toward the garage.

Once she got in the car, Nian Xiaomu leaned against the door testily, refusing to look at Yu Yuehan.

On the other hand, Yu Yuehan was on the phone and acted like he was busy with something.

After listening in for a bit, Nian Xiaomu covered her ears, refusing to allow herself to be affected by him.

Since he had a poor "track record," who knew if this was part of his ploy to seduce her by offering himself to her?

### **Chapter 499: Proposal! (7)**

She had to hold it in!

She had to maintain the dignity of a goddess and see who would give in first!

As Nian Xiaomu silently cheered herself on in her heart, she turned to look out the window and noticed that they were not taking the route home to the Yu Family villa.

"Where are you taking me?" Nian Xiaomu turned around to ask Yu Yuehan.

Yu Yuehan was still talking on the phone, but when he heard her voice, he moved the phone away and answered her by saying, "Since you're so disobedient, I'm selling you off."

Nian Xiaomu: "..."

Shortly after, Yu Yuehan hung up the phone.

"Not angry with me anymore?" Yu Yuehan stretched his arms out toward Nian Xiaomu.

Sensing that Yu Yuehan was trying to cheer her up, she flirted back in response and replied, "I will tell you if you don't sell me off."

Hearing this, Yu Yuehan pulled her into his arms.

Hugging her tightly, he lowered his head to kiss her on the face and murmured, "Mmm, not selling you. I couldn't bear to sell you off."

"..." After that, she wasn't angry with him anymore.

Nian Xiaomu snuggled comfortably in his arms as he held her close.

After asking him a few times about where they were heading, she decided not to ask anymore when he continued to refuse to answer her.

As soon as she shut her eyes, she fell asleep right away.

When the car stopped, she opened her eyes, only half-awake.

Just when she was about to sit up, Yu Yuehan draped his long trench coat over her and covered her from head to toe...

She couldn't even see what was in front of her.

It was pitch black in front of her, so Nian Xiaomu held onto Yu Yuehan nervously and anxiously tried to yank off his coat.

She moved a little, but Yu Yuehan pressed down on her hand and said, "Don't move. There's a surprise for you."

"..."

She didn't know why the word "surprise" simultaneously made her excited and afraid.

The memory of her nose bleeding just from the sight of him flashed past her mind.

Surely such an embarrassing incident wouldn't happen again, right...?

Nian Xiaomu was so worried that she started pulling on Yu Yuehan's arm.

When one couldn't see, the other senses would become more perceptive.

Yu Yuehan could feel her insecurity, so he slowed down as he led her to walk forward.

Although Nian Xiaomu could not see anything, she could guess by listening to the surroundings that they had stepped into a restaurant. She could also hear the sound of wind blowing past, so it felt like an open air restaurant.

It was quite quiet. Only the sound of some footsteps could be heard, and Nian Xiaomu could not tell how many people there were.

Just when Nian Xiaomu was so nervous that she felt like she was about to explode, they finally stopped walking.

The lights were suddenly dimmed.

Before Nian Xiaomu could say anything, the trench coat was lifted off her!

At first, she could not see clearly because her eyes had adjusted to the darkness and found the new environment too bright...

When she adjusted to the light, she saw the evening scenery in front of her. Taking a few steps forward, she placed her hands on the railing and exclaimed, "It's so beautiful here!"

They were at a restaurant situated on a hillside and carpeted from the entrance to the dining area.

Besides a simple lamp, there was little lighting.

If one lifted her head up at the sky and toward the moon, it felt like the moon was within reach...

Nian Xiaomu knew about this restaurant.

It was a private garden with a restaurant specially built inside it. Usually, it wasn't open to the public.

Only on special days would the restaurant be open for business for a short time.

Many people had tried to make reservations, but it was almost impossible to get one.

It wasn't the usual time for the restaurant to be open for business. How did Yu Yuehan manage to snag a reservation?

The assistant stood by the side and explained cheerfully, "Master Han said that Miss Nian would surely like this place, so he purchased it at a high price. This is the first surprise for you today."

### **Chapter 500: Proposal! (8)**

The first surprise...

Could there be a second one as well?

Nian Xiaomu lifted her head and looked at him in astonishment. Yu Yuehan merely smiled and did not say anything as he pulled out the chair before her like a gentleman and invited her to take a seat.

He sat across from her.

Very quickly, the waiter brought a very special candle holder to them.

After that, he carried a bouquet of freshly cut roses. As he walked forward, he inserted the roses one by one into the vase on the table.

Roses were still sent to their table at a steady flow even after he was done putting roses into the vase.

This carried on until all the tables and railings of the outdoor restaurant were filled with red roses.

The candlelight flickered and vied with the roses for brightness; it made one feel that they were situated in a sea of flowers...

“5,200 red roses are the second surprise.” The waiter who was in charge of placing the flowers handed the most brightly colored rose to Nian Xiaomu.

“...”

As Nian Xiaomu stared at the rose in front of her, her heartbeat started to speed up uncontrollably.

She tried very hard to steady herself.

“These steaks are for the both of you. Please enjoy.” The waiter brought two covered sets of steaks up and placed them neatly on the table.

Following which, he removed the metal covers.

Two steaks that were shaped in the form of a heart were laying silently on the white plates.

Even the petals that were used to decorate the dish were from a rose...

Pink bubbles seemed to pop out incessantly from one’s heart as one watched on.

Was this the third surprise of the night?

How many surprises had he exactly prepared?

All of a sudden, a strong premonition formed in Nian Xiaomu’s heart.

However, she had been disappointed a few times already. This time around, what if she was overthinking it again...

Nian Xiaomu took in a deep breath. Picking up the silverware, she prepared to cut into the steak.

She heard a sound the moment she sliced it.

It was so shocking that she paused in her movements.

Just when she was wondering if there would be a hidden ring in her steak, she suddenly realized that the sound did not come from her plate.

Instead, it came from the foot of a mountain that was very close to them...

*Boom!*

An explosion of splendid-looking fireworks rang out loudly in the night sky.

Rose designs blossomed in midair.

*Boom!*

The second salvo of fireworks followed closely and rose into the sky.

It was a double heart design this time.

*Boom! Boom! Boom!*

Round after round, bright and resplendent fireworks erupted in the night sky.

Just like shooting stars, they lit up the entire evening sky.

By the end of the show, Nian Xiaomu could no longer make out the designs clearly, and all she could see was a sea of bright lights among the fireworks. As she rose calmly from her seat, she walked toward the man in front of her.

Just when she was so surprised that she couldn't utter a single word, he took out the Queen's Ring from his pocket.

Then, he knelt down on one knee slowly.

As he held the ring up, he said with a pause after every word, "Nian Xiaomu, marry me. From today onward, you will be my queen!"

"..."

Biting her lips, Nian Xiaomu willed herself to tilt her head upward and to restrain her tears from flowing down.

Her vision had already turned blurry.

After she heard what he said, everything that she had mentioned previously about how she would stay calm when he proposed was nowhere to be found.

She extended her hand out toward him and nodded her head violently, saying, "Yes, I do! I do!"

The corner of Yu Yuehan's mouth curved up; a rare, child-like smile that was filled with joy lit up his extremely handsome face.

As he slid the ring onto her ring finger, he stood up and stretched out his arms.

"Nian Xiaomu, I love you!"

"I love you too!" Nian Xiaomu had failed to control herself a while ago and was drenched in tears. As she dove straight into his embrace, she hugged him tightly and refused to let go.

At this point in time, the environment around them seemed to have vanished.

He only had eyes for her.

"Nian Xiaomu, I will never ever let you leave once you have entered my world."

As he cupped her face with his hands, he planted a deep kiss on her lips...
